Explanatory Statement as required under section 102 of the Companies Act, 2013**ITEM NO. 3 OF THE NOTICE****APPOINTMENT OF SECRETARIAL AUDITOR:**

In accordance with the provisions of Section 204 and other applicable provisions of the Companies Act, 2013, read with Rule 9 of the Companies (Appointment & Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modification(s) or re-enactment (s) thereof, for the time being in force) ('the Act'), every listed company and certain other prescribed categories of companies are required to annex a Secretarial Audit Report, issued by a Practicing Company Secretary, to their Board's report, prepared under Section 134(3) of the Act. Furthermore, pursuant to recent amendment to Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'), every listed entity must appoint a Secretarial Audit firm for a maximum period of two terms of five consecutive years, with shareholders approval to be obtained at the Annual General Meeting.

SEBI (Listing Obligations and Disclosure Requirements) (Third Amendment) Regulations, 2024 as notified on December 12, 2024, provides that appointment of Secretarial Auditor will be made for a term not exceeding five consecutive years in case of individual Secretarial Auditor and not more than two terms of five consecutive years in case of appointment/reappointment of a Secretarial Audit Firm and all such appointment/reappointments will be subject to approval of the shareholders of the Company in the Annual General Meeting of the Company.

Based on the recommendation of the Audit Committee, the Board of Directors at its meeting held on 30/08/2025, has approved the appointment of Mr. Chintan K. Patel (CP No. 11959 and Membership No. 31987), Practicing Company Secretaries, Ahmedabad as the Secretarial Auditor of the Company for a term of 5 (five) consecutive years from F.Y. 2025- 26 to F.Y. 2029-30 subject to approval of the Members at the ensuing Annual General Meeting. The proposed fees in connection with the Secretarial Audit will be Rs. 50,000/- plus applicable taxes and out-of-pocket expenses for F.Y. 2025-26, and for subsequent year(s) of their term, such fees as may be mutually agreed between the Board of Directors and Secretarial Auditor.

Furthermore, in terms of the amended regulations, Mr. Chintan K. Patel has provided a confirmation that he has subjected himself to the peer review process of the Institute of Company Secretaries of India and holds a valid peer review certificate and that he has no conflict of interest. He has further furnished a declaration that he has not taken up any prohibited non-secretarial audit assignments for the Company or its subsidiaries and provided his consent to act as the Secretarial Auditor of the Company and has confirmed that the proposed appointment, if made, will be in compliance with the provisions of the Act and the SEBI Listing Regulations.

The brief profile of Mr. Chintan K. Patel is as follows:

Mr. Chintan K. Patel is Practicing Company Secretary based in Ahmedabad having more than 10 years of experience in the field of Corporate Law. He is primarily engaged in providing Secretarial Audit, Governance, Compliance Management and other Assurance services. He has experience in handling the secretarial audits of listed and unlisted companies. He holds Peer Review Certificate No. 2175/2022 issued by the Peer Review Board of the Institute of Company Secretaries of India.

Mr. Chintan K. Patel has confirmed that he is not disqualified from being appointed as Secretarial Auditor and the proposed appointment is within the limits as laid down by the Institute of Company Secretaries of India (ICSI) and he is not disqualified to be appointed as Auditor in terms of the provisions of Company Secretaries Act, 1980 and rules and regulations framed there under and as per ICSI Auditing Standards and the extant regulations framed by SEBI.

The terms and conditions of the appointment of Mr. Chintan K. Patel include a tenure of five (5) consecutive years, commencing from April 01, 2025 upto March 31, 2030 as may be mutually agreed between the Board and the Secretarial Auditor for subsequent years. The Board (including its committee thereof) shall approve the remuneration or any revision thereof of the Secretarial Auditor from time to time.

None of the Directors, Key Managerial Personnel of the Company and their relatives, is in any way concerned or interested, financially or otherwise in the Resolution stated at item No. 3 of the Notice.

The Directors recommend this resolution to be passed as **Ordinary Resolution**.

ITEM NO. 4 OF THE NOTICE:

APPROVAL FOR INCREASE IN BORROWINGS LIMITS OF THE COMPANY UNDER SECTION 180(1)(c) OF COMPANIES ACT, 2013:

In view of the increase in business activities, keeping in view the future plans of the Company and to fulfil long term strategic and business objectives, the Board of Directors at its meeting held on 30th August, 2025 proposed and approved the increase in borrowing limits from existing upto Rs. 200 Crore (Rupees Two Hundred Crore only) to upto Rs. 500 Crore (Rupees Five Hundred Crore only) pursuant to Section 180 (1)(c) of the Companies Act, 2013.

Pursuant to the provisions of Section 180(1)(c) of the Companies Act, 2013, the Board of Directors have the powers to borrow money, where the money to be borrowed, together the monies already borrowed by the company (apart from temporary loans obtained from the company's bankers in the ordinary course of business) exceeds aggregate of the paid-up share capital, free reserves and securities premium of the Company, with the consent of the Shareholders of the Company by way of Special Resolution.

Accordingly, the approval of the members of the Company is sought to approve the increase in borrowing limits up to Rs. 500 Crore (Rupees Five Hundred Crore only).

None of the Directors or Key Managerial Personnel or their relatives are in any way concerned with or interested, financially or otherwise in the resolution at Item no. 4 of the accompanying notice.

The Directors recommend this resolution to be passed as **Special Resolution**.

ITEM NO. 5 OF THE NOTICE:

APPROVAL OF INCREASE IN LIMITS OF LOANS AND/OR INVESTMENTS AND/OR GUARANTEES UNDER SECTION 186 OF THE COMPANIES ACT, 2013:

In order to make optimum use of funds available with the Company and also to achieve long term strategic and business objectives, the Board of Directors of the Company proposes to make use of the same by making investment in other bodies corporate or granting loans, giving guarantee or providing security to other persons or other body corporate as and when required.

Members may note that pursuant to Section 186 of the Companies Act, 2013 ("Act"), the Company can give loan or give any guarantee or provide security in connection with a loan to any other body corporate or person and acquire securities of any other body corporate, in excess of 60% of its paid up share capital, free reserves and securities premium account or 100% of its free reserves and securities premium account, whichever is more, with approval of Members by special resolution passed at the general meeting.

In view of the aforesaid, it is proposed to obtain approval under Section 186 of the Companies Act, 2013, by way of a special resolution, to increase the limit from the present Rs. 200 Crore (Rupees Two Hundred Crore only) to Rs. 500 Crore (Rupees Five Hundred Crore only).

None of the Directors or Key Managerial Personnel or their relatives are in any way concerned with or interested, financially or otherwise in the resolution at Item no. 5 of the accompanying notice.

The Directors recommend this resolution to be passed as **Special Resolution**.

ITEM NO. 6 TO 10 OF THE NOTICE:

Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended), and MCA Circulars dated 8th April, 2020, 13th April, 2020 and 5th May, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
1. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
2. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
3. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
4. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.ashokametcast.in. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com and National Stock Exchange of India Limited (NSE) at www.nseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the remote e-voting facility and e-voting system during the AGM) i.e. www.evotingindia.com

5. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
6. In continuation to this Ministry's General Circular No. 20/2020 dated 05.05.2020, General Circular No. 02/2022 dated 05.05.2022 and General Circular No. 10/2022 dated 28.12.2022 and after due examination, it has been decided to allow companies whose AGMs are due in the Year 2023 or 2024, to conduct their AGMs through VC or OAVM on or before 30th September, 2024 in accordance with the requirements laid down in Para 3 and Para 4 of the General Circular No. 20/2020 dated 05.05.2020.
7. Pursuant to Section 91 of the Companies Act, 2013, The Register of Members and Share Transfer Books of the Company will be closed from **Saturday, 20th September, 2025 to Friday, 26th September, 2025** (both days inclusive).
8. The relative Explanatory Statements pursuant to Section 102 of the Companies Act, 2013, relating to the special businesses to be transacted at the meeting is annexed hereto.
9. The Securities & Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in the Electronic form are therefore requested to submit their PAN to their depository Participants with whom they are maintaining their demat accounts. Members holding Physical shares can submit their PAN to the Company/ Bigshare Services Private Limited.
10. To support the "Green Initiative", Members who have not registered their e-mail addresses so far, are requested to register their e-mail address with their DPs or Registrar & Share Transfer Agents of the Company, as the case may be, for receiving all communication including Annual Report, Notices, Circulars, etc. from the Company electronically.
11. SEBI has specified that a member shall first take up his/her/their grievance with the listed entity by lodging a complaint directly with the concerned listed entity and if the grievance is not redressed satisfactorily, the member may, in accordance with the SCORES guidelines, escalate the same through the SCORES Portal in accordance with the process laid out therein. Only after exhausting all available options for resolution of the grievance, if the member is not satisfied with the outcome, he/she/they can initiate dispute resolution through the Online Dispute Resolution ("ODR") Portal. Members are requested to take note of the same.
12. Nomination facility is available for the Members as per Section 72 of the Act. Members of the Company have an option to nominate any person as their nominee to whom their shares shall vest in the unfortunate event of death of Member. It is advisable to avail this facility, especially by the Members who currently hold shares in their single name. Nomination can avoid the process of acquiring any right in shares through transmission by law. In case of nomination for the shares held by the joint holders, such nomination will be effective only on death of all the holders. In case the shares are held in dematerialised form, the nomination form needs to be forwarded to your Depository Participant (DP).
13. Members who wish to inspect the Register of Directors and Key Managerial Personnel and their shareholding maintained under section 170 of Companies Act, 2013 and Register of Contracts or arrangements in which directors are interested maintained under section 189 of the Companies Act, 2013 and relevant documents referred to in this Notice of AGM in electronic mode can send an email to compliance@ashokametcast.in
14. Members who would like to express their views / have questions may send their views / questions 7 days prior to meeting mentioning their name, demat account number / folio number, email id, mobile number at compliance@ashokametcast.in and register as a speaker. Only those Members who have registered as a speaker will be allowed to express their views / ask questions during the meeting. The members who do not

wish to speak during the AGM but have queries may send their queries in advance 7 days prior to meeting mentioning their name, demat account number/folio number, email id, mobile number at compliance@ashokametcast.in. These queries will be replied to by the company suitably by email.

PROCESS REGARDING REMOTE E-VOTING AND E-VOTING DURING THE MEETING, AND ATTENDING THE MEETING THROUGH VC/ OAVM:

- i. The voting period begins on **Tuesday, 23rd September, 2025 at 9:00 A.M. IST** and ends on **Thursday, 25th September, 2025 at 5:00 P.M. IST**. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **Friday, 19th September, 2025** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

A. For Individual Members holding securities in Demat mode:

- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its members, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

ANNEXURE-IV TO THE BOARD'S REPORT**MANAGEMENT DISCUSSION AND ANALYSIS REPORT****➤ INDUSTRIAL STRUCTURE AND DEVELOPMENT:**

The industrial structure and development of the steel trading sector, particularly in TMT bars, continues to demonstrate resilience and growth potential, driven by increasing demand from infrastructure, construction, and real estate projects across the country. The Company operates within a highly fragmented but competitive market, characterized by both organized players and regional distributors. With ongoing government initiatives like 'Make in India', increased infrastructure spending, and urbanization, the steel industry is witnessing consistent demand, particularly for construction-grade steel products like TMT bars. These developments present significant opportunities for growth and expansion. The Company remains well-positioned to capitalize on these trends through its strong distribution network, focus on quality, and customer-centric approach, while also navigating challenges such as price volatility and regulatory changes impacting the broader steel ecosystem.

➤ OVERVIEW:

The following review is intended to present the Management's perspective on the overall performance and key developments of the Company during the Financial Year 2024-25. This Report outlines Management's view on the external environment, the steel industry landscape, strategic direction, operational progress, human resource and industrial relations, key risks and opportunities, and the adequacy of internal control systems. It should be read in conjunction with the Company's audited financial statements, accompanying notes, and other relevant sections of this Annual Report. During the year under review, the Indian economy continued to demonstrate resilience, supported by government-driven infrastructure development and policy initiatives focused on self-reliance. Developments such as the establishment of logistics parks, industrial corridors, and sustainable urban infrastructure have sustained strong demand for steel and steel products, particularly TMT bars. As a critical component of construction and industrial advancement, the steel industry remains integral to the country's progress. The Company remains committed to capitalizing on these opportunities through a focused, efficient, and resilient approach.

➤ OPPORTUNITY & THREATS:**Opportunities:**

The growing emphasis on infrastructure development, affordable housing, and urban expansion across India presents significant opportunities for the TMT bars trading business. Government initiatives and increased budgetary allocations for highways, railways, and rural development continue to drive demand for quality construction materials. Additionally, rising awareness around the use of high-strength, earthquake-resistant TMT bars in both residential and commercial construction is further boosting market potential. The shift towards organized supply chains and increased demand from tier-2 and tier-3 cities also opens new avenues for growth and market penetration.

Threats:

Despite the positive outlook, the TMT bars trading business faces certain challenges. Price volatility in raw materials and finished steel products, largely influenced by global market dynamics, can impact margins and planning. Intense competition from unorganized local players, fluctuating demand due to seasonal construction cycles, and changes in government regulations or policies related to the steel sector pose additional risks. Furthermore, disruptions in logistics, availability of quality supply, and dependency on a limited number of suppliers can affect timely fulfillment and customer satisfaction.

➤ **COMPETITION:**

The TMT bars trading business operates in a highly competitive and fragmented market, with the presence of numerous regional players, local distributors, and large integrated steel manufacturers. Competition is primarily driven by factors such as pricing, product quality, brand reputation, supply reliability, and customer service. While established brands enjoy customer trust and consistent demand, local players often compete aggressively on price, creating pressure on margins. The increasing preference for branded, certified TMT bars—especially in urban and government projects—offers an advantage to organized players. However, maintaining competitiveness requires continuous focus on building strong supplier relationships, ensuring timely delivery, and offering value-added services to differentiate in a crowded marketplace.

➤ **SEGMENT WISE AND PRODUCT WISE PERFORMANCE:**

Details on segment wise performance of the Company is provided separately in Notes to Accounts.

➤ **RISK AND CONCERN:**

The TMT bars trading business is exposed to a variety of risks that can impact operational stability and profitability. One of the primary concerns is the volatility in steel prices, influenced by fluctuations in raw material costs, global demand-supply dynamics, and geopolitical factors, which can affect both procurement and sales margins. The industry also faces regulatory and compliance risks, including changes in taxation, import/export policies, and environmental regulations. Intensifying competition from both organized and unorganized players may lead to pricing pressures and loss of market share. Further, logistical challenges, credit risk from customers, and delays in construction activity due to economic or policy disruptions can adversely affect demand. The Company continuously monitors these risks and adopts mitigation strategies to ensure business resilience.

➤ **INITIATIVES BY THE COMPANY:**

To drive growth in the TMT segment, the Company will leverage the manufacturing capabilities of its subsidiary to ensure consistent supply of high-quality TMT bars and strengthen its position in key markets. Expansion of the distribution network and deeper market penetration, especially in high-demand regions, will be a priority. The Company also plans to diversify its portfolio by focusing on the chemical trading segment, targeting strategic sourcing and market development. Additionally, opportunities for joint ventures, partnerships, or acquisitions may be pursued to enhance scale, add synergies, and support long-term growth objectives.

➤ **OUTLOOK:**

The outlook for the Company remains positive, driven by sustained demand for TMT bars in infrastructure and real estate projects across the country. With the support of its manufacturing subsidiary and plans for market expansion, the Company is well-positioned to strengthen its presence in the steel trading segment. Diversification into chemical trading and potential strategic collaborations are expected to further enhance growth prospects in the coming years.

➤ **INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:**

The Company has established a robust internal control framework designed to ensure the integrity of financial reporting, compliance with applicable laws and regulations, and the efficient conduct of business operations. These controls encompass well-defined policies, procedures, and checks across all key functions, including procurement, inventory management, sales, and finance. Regular internal audits are conducted to monitor adherence and identify areas for improvement, while management reviews and risk assessments help strengthen governance. The Company continuously evaluates and updates its internal control systems to align

with evolving business needs and regulatory requirements, ensuring they remain adequate and effective in safeguarding assets and supporting sustainable growth.

➤ **HEALTH, SAFETY AND ENVIRONMENTAL PROTECTION:**

The Company is committed to maintaining the highest standards of health, safety, and environmental protection across all its operations. It continuously promotes a culture of safety awareness among employees and partners, ensuring compliance with relevant regulations and best practices. Proactive measures are taken to minimize environmental impact through efficient resource use, waste management, and adherence to sustainability principles. The Company believes that safeguarding the well-being of its workforce and the environment is integral to its long-term success and corporate responsibility.

➤ **MANPOWER DEVELOPMENT IN HR AND INDUSTRIAL RELATIONS:**

The Company places strong emphasis on manpower development by fostering a culture of continuous learning, skill enhancement, and employee engagement. Industrial relations remained cordial throughout the year, with a focus on transparency, mutual respect, and collaboration between management and employees. The Company remains committed to building a motivated, competent, and future-ready workforce.

➤ **DETAILS OF SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS:**

Particulars	Standalone		Consolidated	
	2024-25	2023-24	2024-25	2023-24
Debtors Turnover Ratio	0.002	0.001	0.004	0.007

Return on Networth	6.15	2.53	6.19	4.31
P/E Ratio	16.25	48.65	5.29	9.38

Increase in Operating Profit Margin is driven by improved cost efficiency and better product mix.

Increase in Net Profit Margin is attributable to higher operating income and controlled finance and administrative costs.

Reduction in P/E Ratio is due to a sharper rise in earnings compared to the increase in market valuation.

➤ **DETAILS OF ANY CHANGE IN RETURN ON NET WORTH AS COMPARED TO THE IMMEDIATELY PREVIOUS FINANCIAL YEAR ALONG WITH A DETAILED EXPLANATION THEREOF:**

The Company witnessed an increase in Return on Net Worth during the year under review compared to the previous financial year. This growth was driven by improved operational performance, efficient cost management, and better utilization of available resources. The strategic focus on strengthening core business segments also contributed to enhanced profitability. This reflects the Company's ongoing efforts to create sustainable value for its stakeholders.

Ashoka Metcast Limited

Opinion

We have audited the accompanying financial statements of **Ashoka Metcast Limited** ("the Company"), which comprise the balance sheet as at March 31, 2025, and the Statement of Profit and Loss and statement of cash flows for the year ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its Profit and cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities for the Standalone Financial Results

The Statement has been prepared based on the annual standalone financial statements for the year ended March 31, 2025. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that give a true and fair view of the Profit and other comprehensive income and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations, This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error

In preparing Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on this Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to these financial results, in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and of its Joint Venture to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order.
2. In accordance with the Ministry of Corporate Affairs (MCA) mandate effective from 1 April 2023, companies are required to maintain an audit trail (Edit Log) for transactions affecting books of accounts. It is noted that Ashoka Metcast Limited has implemented this audit trail reporting feature. This information is disclosed for transparency in our audit report.
3. As required by section 143(3) of the Act, we report that:
 - a. We have obtained all information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion proper books of account as required by Law have been kept by the Company so far as appears from our examinations of those books;
 - c. The Balance Sheet, Statement of Profit and Loss and Cash Flow Statement, dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standard) Rules, 2015, as amended.
 - e. Based on written representations received from the directors as on 31/03/2025 and taken on record by the Board of Directors, none of the directors are disqualified as on 31/03/2025, from being appointed as a director in terms of sub-section (2) of section 164 of the Companies Act, 2013.
 - f. With respect to the other matters included in the Auditor's Report and to our best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii. There is no amount required to be transferred, to the investor's education & Protection Fund by the Company.

**Report on the Internal Financial Controls under
Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **M/s Ashoka Metcast Limited** (“the Company”) as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025.

◆ **Significant Accounting Policies**

• **Company Overview**

ASHOKA METCAST LIMITED was incorporated on 29/07/2009. Formerly known as Tanya Estates Private Limited was converted into Ashoka Metcast Private Limited and then further into Ashoka Metcast Ltd. The Company has been promoted by Mr. Shalin Shah. The company's shares are listed on BSE Limited and National Stock Exchange of India Limited. The registered office of the Company is located at 7th Floor, Ashoka Chambers, Opp. HCG Hospital, Mithakhali Six Roads, Mithakhali Ahmedabad 380006. The Company's business activities fall within a trading of steel and other items.

• **Statement of Compliance**

The Standalone Financial Statements comply, in all material aspects, with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

Accordingly, the Company has prepared these Standalone Financial Statements which comprise the Balance Sheet as at 31 March 2025, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information.

• **Basis for Preparation and Presentation**

The Standalone Financial Statements have been prepared on the historical cost basis, except for certain financial instruments and defined benefit plans which are measured at fair value at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the **Schedule III** to the Act.

• **Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is classified as current when it satisfies any of the following criteria:

- It is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle. it is held primarily for the purpose of being traded;
- it is expected to be realised within 12 months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

- it is expected to be settled in the Company's normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is due to be settled within 12 months after the reporting date; or the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date

Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

• **Property Plant and Equipment**

Property, plant and equipment are stated at acquisition cost net of tax/ duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. Properties in the course of construction are carried at cost, less any recognized impairment losses. All costs, including borrowing costs incurred up to the date the asset is ready for its intended use, is capitalized along with respective asset.

Depreciation is recognized based on the cost of assets less their residual values over their useful lives, using the straight-line method. The useful life of property, plant and equipment is considered based on life prescribed in schedule II to the Companies Act, 2013 for year 2023-24 and for year 2024-25.

Asset	Useful Life
Office Equipment	5 Years
Furniture	10 Years
Office Premise	60 Years
Vehicle	10 Years
Plant & Machinery	15 Years

• Financial Instruments

Financial assets and financial liabilities are recognized when an entity becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

• Financial Assets

◆ Classification

The Company classifies its financial assets in the following measurement categories:

1. Those to be measured subsequently at fair value (either through OCI, or through profit or loss), and
2. those measured at amortised cost.
3. those measured at carrying cost for equity instruments of subsidiaries and joint ventures.

◆ Initial recognition and measurement

All financial assets, are recognized initially at fair value

• Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangement. An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recorded at the proceeds received, net of direct issue costs.

Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in OCI, there is no subsequent reclassification of fair value gains and losses to the Standalone Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognised in OCI is reclassified to equity. Dividends from such investments are recognised in the Standalone Statement of Profit and Loss within other income when the Company's right to receive payments is established. Impairment losses (and reversal of impairment losses) on equity investments measured at FVTOCI are not reported separately from other changes in fair value.

Financial liabilities

The Company's financial liabilities comprise borrowings, trade payables and other liabilities. These are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost using the EIR method. The EIR is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period at effective interest rate. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, where appropriate, a shorter period.

Financial liabilities at amortized cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item.

Trade and other payables are recognized at the transaction cost, which is its fair value.

- **Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the financial asset or settle the financial liability takes place either:

- In the principal market, or
- In the absence of a principal market, in the most advantageous market

The principal or the most advantageous market must be accessible by the Company.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use.

- **Revenue recognition**

All known income and expenditure quantifiable till the date of finalization of accounts are accounted on accrual basis when virtual certainty is established.

- **Sale of product**

Sales revenue is recognized when property in the goods with all risk rewards and effective control of goods usually associated with ownership are transferred to buyer at price. Sales comprise trading sales and are exclusive of excise duty and local taxes and sales return.

The various Discounts and rate differences on the Sales those accepted/rejected are accounted in the year, however if the same is of material amount effecting the current year profit/loss are separately shown under the Prior Period head of the profit and loss account.

- **Borrowing costs**

Borrowing costs are interest and ancillary costs incurred in connection with the arrangement of borrowings. General and specific borrowing costs attributable to acquisition and construction of qualifying assets is added to the cost of the assets up to the date the asset is ready for its intended use. Capitalization of borrowing costs is suspended and charged to the Standalone Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted. All other borrowing costs are recognised in the Standalone Statement of Profit and Loss in the period in which they are incurred.

- **Taxation**

Tax expense for the year comprises current and deferred tax. The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the Standalone Statement of Profit and Loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Group's liability for current tax is calculated using tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and liabilities are offset to the extent that they relate to taxes levied by the same tax authority and there are legally enforceable rights to set off current tax assets and current tax liabilities within that jurisdiction.

- **Current tax**

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

- **Deferred tax**

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the Standalone financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting year and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

- **Earnings per share**

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic earnings per share is computed by dividing the profit or loss after tax by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for treasury shares, bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split. Diluted earnings per share is computed by dividing the profit/(loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares including the treasury shares held by the Company to satisfy the exercise of the share options by the employees

• Fair value hierarchy

The following section explains the judgments and estimates made in determining the fair values of the financial instruments that are recognized and measured at fair value through profit or loss. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial investments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

B. Fair value hierarchy for assets**Financial assets measured at fair value at March 31, 2025**

(Rs. in Lakh)

Particulars	Level 1	Level 2	Level 3	Total
Financial Assets				
Investment	2232.64	-	-	2232.64

Financial assets measured at fair value at March 31, 2024

(Rs. in Lakh)

Particulars	Level 1	Level 2	Level 3	Total
Financial Assets				
Investment	2373.73	-	-	2373.73

Notes:

- Level 1 hierarchy includes financial instruments measured using quoted prices (unadjusted) in active market for identical assets that the entity can access at the measurement date. This represents mutual funds that have price quoted by the respective mutual fund houses and are valued using the closing Net asset value (NAV).
- Level 2 hierarchy includes the fair value of financial instruments measured using quoted prices for identical or similar assets in markets that are not active.
- Level 3 if one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted compound instruments.

There are no transfers between any of these levels during the year. The Company's policy is to recognize transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

C. Fair value of financial assets and liabilities measured at amortized cost

The Management has assessed that fair value of loans, trade receivables, cash and cash equivalents, other bank balances, other financial assets and trade payables approximate their carrying amounts largely due to their short term nature. Difference between carrying amount of Bank deposits, other financial assets, borrowings and other financial liabilities subsequently measured at amortized cost is not significant in each of the years presented.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

◆ Financial risk management

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board has established the Audit Committee, which is responsible for developing and monitoring the Company's risk management policies. The Committee holds regular meetings and report to board on its activities. The Company's risk management policies are established to identify and analyses the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

Risk	Exposure arising from	Measurement	Management of risk
Credit Risk	Cash and cash equivalents, trade receivables, financial assets measured at amortized cost.	Aging analysis	Diversification of funds to bank deposits, Liquid funds and Regular monitoring of credit limits
Liquidity Risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of surplus cash, committed credit lines and borrowing facilities

(a) Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The company is exposed to the credit risk from its trade receivables, unbilled revenue, investments, cash and cash equivalents, bank deposits and other financial assets. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets.

Trade Receivables

Trade receivables comprise a widespread customer base. Management evaluates credit risk relating to customers on an on-going basis. If customers are independently rated, these ratings are used. Otherwise, if there is no independent rating, risk control assesses the credit quality of the customer, taking into account its financial position, past experience and other factors

For trade receivables, provision is provided by the company as per the below mentioned policy for the FY 2024-25:

(Rs. in Lakh)

Particulars	Gross Carrying Amount	Expected credit losses rate (%)	Expected Credit Losses	Carrying amount of Trade Receivable
Considered for Goods				
0-12 Months	25.64	0	0	25.64
More than 1 Year	304.21	0	0	304.21
TOTAL	329.85	0	0	329.85

(b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Liquidity Table

The Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods is given below. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. The contractual maturity is based on the earliest date on which the Company may be required to pay.

As at March 31, 2025

Trade Payables	39.35	-	39.35
Other Financial Liability	32.83	-	32.83
Total Financial Liabilities	72.18	-	72.18

(c) Market Risk

Market risk is the risk arising from changes in market prices – such as foreign exchange rates and interest rates – will affect the Company's income or the value of its holdings of financial instruments. The Company is exposed to market risk primarily related to interest rate risk and the market value of the investments. Thus, the exposure to market risk is a function of investing and borrowing activities

- **Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

Company's borrowings are Interest free, So there has been no exposure arise regarding Interest Rate Risk.

(d) Price Risk Exposure

The Company's exposure to securities price risk arises from investments held in mutual funds and classified in the balance sheet at fair value through profit or loss. To manage its price risk arising from such investments, the Company diversifies its portfolio. Further these are all debt base securities for which the exposure is primarily on account of interest rate risk. Quotes (NAV) of these investments are available from the mutual fund houses. Profit for the year would increase/decrease as a result of gains/losses on these securities classified as at fair value through profit or loss.

Independent Auditor's Report

To

The Members of

ASHOKA METCAST LIMITED

Opinion

We have audited the consolidated financial statements of **ASHOKA METCAST LIMITED** (hereinafter referred to as the "Holding Company" or the "Corporation") and its subsidiaries (Holding Company and its subsidiaries together referred to as the "Group"), which comprise the consolidated balance sheet as at 31 March 2025, and the consolidated statement of profit and loss (including other comprehensive income), consolidated statement of changes in equity and consolidated statement of cash flows for the year ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports on separate financial statements of such subsidiaries were audited by us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2025, of its consolidated Profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Management's and Board of Directors' Responsibilities for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated Profit and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The respective Management and Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on the internal financial controls with reference to the consolidated financial statements and the operating effectiveness of such controls based on our audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group and joint operations to express an opinion on the consolidated financial statements, of which we are the independent auditors. We are responsible for the direction, supervision and performance of the audit of financial information of such entities. The audits of all the entities included in the consolidated financial statements, including subsidiaries, have been conducted by us. Accordingly, we are solely responsible for the direction, supervision, and performance of the audit procedures and for expressing our opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and an explanation which is to the best of our knowledge and beliefs were necessary for the purposes of our audit.
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standard) Rules, 2015, as amended
 - e) On the basis of written representations received from the directors as on 31st March, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025, from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the other matters included in the Auditor's Report and to our best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii. There is no amount required to be transferred, to the investor's education & Protection Fund by the Company.
3. In accordance with the Ministry of Corporate Affairs (MCA) mandate effective from 1 April 2023, companies are required to maintain an audit trail for transactions affecting books of accounts. It is noted that Ashoka Metcast Limited has implemented this audit trail reporting feature. This information is disclosed for transparency in our audit report.

**Report on the Internal Financial Controls under
Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **ASHOKA METCAST LIMITED** (“The Company”) as of March 31, 2025 in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on, “internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

• **Company Overview**

ASHOKA METCAST LIMITED was incorporated on 29/07/2009. Formerly known as Tanya Estates Private Limited was converted into **Ashoka Metcast Private Limited** and then further into Ashoka Metcast Ltd. The Company has been promoted by Mr. Shalin Shah and Mr Ashok Shah. The company's shares are listed on Bombay Stock Exchange and National Stock Exchange of India. The registered office of the Company is located at 7th Floor, Ashoka Chambers, Opp. HCG Hospital, Mithakhali Six Roads, Mithakhali Ahmedabad 380006. The Company's business activities fall within a trading of steel and other items

• **Basis of preparation and presentation**

i. **Basis of Preparation**

The Consolidated Financial Statements of the Group have been prepared to comply with the Indian Accounting Standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013. The Consolidated Financial Statements comprises of Ashoka Metcast Limited and its subsidiary, being the entity that it controls. Controls are assessed in accordance with the requirement of Ind AS 110 - Consolidated Financial Statements.

ii. **Basis of Measurement**

The financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities (including derivative instruments) that are measured at fair value (refer accounting policy regarding financial instruments)
- Asset held for sale and biological Assets – Measured at fair value less cost to sell;
- Defined benefit plans – Plan assets measured at fair value less present value of defined benefit obligation; and
- Share-based payments

• **Basis of Consolidation**

- a) The financial statements of the Holding Company and its subsidiary are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.
- b) Profits or losses resulting from intra-group transactions that are recognized in assets, such as Inventory and Property, Plant and Equipment, are eliminated in full.
- c) Goodwill represents the difference between the Company's share in the net worth of subsidiaries and the cost of acquisition at each point of time of making the investment in the subsidiaries.
- d) The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.
- e) The Financial statements of the current financial year are consolidated financial statements.

• **Functional and Presentation Currency :**

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the company operates ("the functional currency"). Indian Rupee is the functional currency of the company.

Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification an asset is classified as current when it satisfies any of the following criteria:

- It is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle. it is held primarily for the purpose of being traded;
- it is expected to be realised within 12 months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

- it is expected to be settled in the Company's normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is due to be settled within 12 months after the reporting date; or the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date

Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

• **Property, plant and Equipment**

Property, plant and equipment are stated at acquisition cost net of tax / duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. Properties in the course of construction are carried at cost, less any recognized impairment losses. All costs, including borrowing costs incurred up to the date the asset is ready for its intended use, is capitalized along with respective asset.

Depreciation is recognized based on the cost of assets less their residual values over their useful lives, using the straight-line method. The useful life of property, plant and considered based on life prescribed in schedule II to the Companies Act, 2013 for year 2024-25

Asset	Useful Life
Office Equipment	5 Years
Furniture	10 Years
Office Premise	60 Years
Vehicle	10 Years
Plant & Machinery	15 Years

• **Financial Instruments**

Financial assets and financial liabilities are recognized when an entity becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

• **Financial Assets**

◆ **Classification**

The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through OCI, or through profit or loss), and
- Those measured at amortized cost.
- Those measured at carrying cost for equity instruments of subsidiaries and joint ventures.

◆ **Initial recognition and measurement**

All financial assets, are recognized initially at fair value

• **Financial liabilities and equity instruments**

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

- **Equity instruments**

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue costs.

- **Financial liabilities**

All financial liabilities are measured at amortized cost using the effective interest method or at FVTPL.

- **Financial liabilities at amortized cost**

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item.

Trade and other payables are recognized at the transaction cost, which is its fair value.

- **Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the financial asset or settle the financial liability takes place either:

- In the principal market, or
- In the absence of a principal market, in the most advantageous market

The principal or the most advantageous market must be accessible by the Company.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use.

- **Revenue recognition**

Sales revenue is recognized when property in the goods with all risk rewards and effective control of goods usually associated with ownership are transferred to buyer at price. Sales comprise manufacturing and trading sales and are exclusive of excise duty and local taxes and sales return.

The various Discounts and rate differences on the Sales those accepted/rejected are accounted in the year, however if the same is of material amount effecting the current year profit/loss are separately shown under the Prior Period head of the profit and loss account.

Performance obligation:

The revenue is recognized on fulfillment of performance obligation.

- **Sale of products:**

Revenue is recognised when the performance obligations are satisfied and the control of the product is transferred, being when the goods are delivered as per the relevant terms of the contract at which point in time the Company has a right to payment for the asset, customer has possession and legal title to the asset, customer bears significant risk and rewards of ownership and the customer has accepted the asset or the Company has objective evidence that all criteria for acceptance have been satisfied.

- **Borrowing costs**

Borrowing costs directly attributable to the acquisition, construction, or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

- **Taxation**

Tax on Income comprises current and deferred tax. It is recognized in statement of profit and loss except to the extent that it relates to a business combination, or items recognized directly in equity or in other comprehensive income.

- **Current tax**

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

- **Deferred tax**

Deferred tax is recognized for the future tax consequences of deductible temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date, using the tax rates and laws that are enacted or substantively enacted as on reporting date. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences can be utilized. Deferred tax relating to items recognized outside the statement of profit and loss is recognized outside the statement of profit and loss, either in other comprehensive income or directly in equity. The carrying amount of deferred tax assets is reviewed at each reporting date.

- **Earnings per share**

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to the ordinary shareholders of the company by the weighted average number of ordinary shares outstanding during the period. Where ordinary shares are issued but not fully paid, they are treated in the calculation of basic earnings per share as a fraction of an ordinary share to the extent that they were entitled to participate in dividends during the period relative to a fully paid ordinary share. Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

• Fair value hierarchy

The following section explains the judgments and estimates made in determining the fair values of the financial instruments that are recognized and measured at fair value through profit or loss. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial investments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

B. Fair value hierarchy for assets**Financial assets measured at fair value at March 31, 2025**

(Rs. in Lakh)

Particulars	Level 1	Level 2	Level 3	Total
Financial Assets				
Investment	1111.82	-	-	1111.82

Financial assets measured at fair value at March 31, 2024

(Rs. in Lakh)

Particulars	Level 1	Level 2	Level 3	Total
Financial Assets				
Investment	1037.21	-	-	1037.21

Notes:

- Level 1 hierarchy includes financial instruments measured using quoted prices (unadjusted) in active market for identical assets that the entity can access at the measurement date. This represents mutual funds that have price quoted by the respective mutual fund houses and are valued using the closing Net asset value (NAV).
- Level 2 hierarchy includes the fair value of financial instruments measured using quoted prices for identical or similar assets in markets that are not active.
- Level 3 if one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted compound instruments.

There are no transfers between any of these levels during the year. The Company's policy is to recognize transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

C. Fair value of financial assets and liabilities measured at amortized cost

The Management has assessed that fair value of loans, trade receivables, cash and cash equivalents, other bank balances, other financial assets and trade payables approximate their carrying amounts largely due to their short term nature. Difference between carrying amount of Bank deposits, other financial assets, borrowings and other financial liabilities subsequently measured at amortized cost is not significant in each of the years presented.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

◆ Financial risk management

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board has established the Audit Committee, which is responsible for developing and monitoring the Company's risk management policies. The Committee holds regular meetings and report to board on its activities. The Company's risk management policies are established to identify and analyses the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

Risk	Exposure arising from	Measurement	Management of risk
Credit Risk	Cash and cash equivalents, trade receivables, financial assets measured at amortized cost.	Aging analysis	Diversification of funds to bank deposits, Liquid funds and Regular monitoring of credit limits
Liquidity Risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of surplus cash, committed credit lines and borrowing facilities

(a) Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The company is exposed to the credit risk from its trade receivables, unbilled revenue, investments, cash and cash equivalents, bank deposits and other financial assets. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets.

Trade Receivables

Trade receivables comprise a widespread customer base. Management evaluates credit risk relating to customers on an on-going basis. If customers are independently rated, these ratings are used. Otherwise, if there is no independent rating, risk control assesses the credit quality of the customer, taking into account its financial position, past experience and other factors

For trade receivables, provision is provided by the company as per the below mentioned policy :

(Rs. in Lakh)

Particulars	Gross Carrying Amount	Expected credit losses rate (%)	Expected Credit Losses	Carrying amount of Trade Receivable
Considered for Goods				
0-12 Months	993.25	0	0	993.25
More than 1 Year	1619.81	0	0	1619.81
TOTAL	2613.06	0	0	2613.06

(b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Liquidity Table

The Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods is given below. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. The contractual maturity is based on the earliest date on which the Company may be required to pay.

(c) Market Risk

Market risk is the risk arising from changes in market prices – such as foreign exchange rates and interest rates – will affect the Company's income or the value of its holdings of financial instruments. The Company is exposed to market risk primarily related to interest rate risk and the market value of the investments. Thus, the exposure to market risk is a function of investing and borrowing activities

- **Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

Company's borrowings are Interest free, So there has been no exposure arise regarding Interest Rate Risk.

(d) Price Risk Exposure

The Company's exposure to securities price risk arises from investments held in mutual funds and classified in the balance sheet at fair value through profit or loss. To manage its price risk arising from such investments, the Company diversifies its portfolio. Further these are all debt base securities for which the exposure is primarily on account of interest rate risk. Quotes (NAV) of these investments are available from the mutual fund houses. Profit for the year would increase/decrease as a result of gains/losses on these securities classified as at fair value through profit or loss.
