MANAGEMENT DISCUSSION & ANALYSIS

INDUSTRIAL GROWTH

INTERNATIONAL SCENARIO

The global economic outlook has remained under clouds of uncertainty for long, with periodic financial market turbulence and heightened risk aversion. The economic landscape is moving towards a rough and uncertain terrain characterized by weak growth of world output. Further, with turbulent financial markets, volatile exchange rates and decline in the prices of a number of commodities, market conditions have worsened.

On the back of the marked slowdown in the Chinese economy, which grew at its weakest pace in a quarter of a century, the International Monetary Fund in January 2016, cut its global growth forecasts for the third time in less than a year. To back its forecasts, IMF cited a sharp deceleration in china trade and weak commodity prices that are bleeding the Brazilian and other emerging economies dry. Admist this gloomy landscape, India stands out as a haven of stability, beacon of hope, dynamism and opportunity and growth has largely remained positive on the strength of domestic absorption. India has been complimented as “rare bright spot” in the global economic turmoil.

The macro-economy of India is robust and is likely to be fastest growing major economy in the world in 2016. India had dispelled the myth that democracy and rapid economic growth cannot co-exist. The growth rate of GDP at constant market prices was projected to increase to 7.6 per cent in 2015-16 from 7.2 per cent in 2014- 15, mainly because private consumption expenditure has accelerated. Similarly, the growth rate of Gross Value Added (GVA) for 2015-16 is estimated at 7.3 per cent vis-à-vis 7.1 per cent in 2014-15. Although agriculture is likely to register low growth for the second year in a row on account of weak monsoons, it has performed better than last year. Industry has shown significant improvement primarily on account of the surprising acceleration in manufacturing of 9.5 per cent vis-à-vis 5.5 per cent in 2014-15.

Global growth in 2016, with a gradual pickup in advanced economies and a slowdown in emerging market and developing economies, expected to strengthen to 3.8 percent.

TEXTILE INDUSTRY

The current year is expected to be an excellent period of growth for the Indian textile industry. The new government has given the much-needed encouragement and confidence to the business community to further invest, expand and grow. The industry is expected to attract investment of about \$120 billion by 2024-25 and create about 35 million additional jobs in the process. Exports are also expected to rise from the current \$40 billion to \$300 billion by 2024-25. The Government is expected to announce a new textile policy with an ambitious target of achieving 20 per cent share of the global textile trade and helping the domestic industry attain a size of \$650 billion by 2024-25 by focussing on investments, skill development and labour law reforms. The policy blueprint, termed as the ‘Vision, Strategy and Action Plan’ for the textiles and apparel industry, lays thrust upon diversification of exports through new products and markets along with increasing value addition and promoting innovation and R&D activities.

With the textile industry growth, the textile machinery industry size is also expected to double to ₹ 45,000 crores in the next seven years from the present ₹ 22,000 crores on the back of new projects and emphasis on setting up textile parks. “The growth in the sector and upcoming new projects, along with the Government initiative to set up textile parks, may boost the textile machinery industry”.

India has become a dream market for most marketers across many product segments. In textiles and apparel specifically, domestic consumption has grown at over 13 percent per annum over the last five years and has reached well over \$60 billion, fuelled by the demographic advantages of India’s population, increasing urbanisation, growing disposable income and more marked penetration of organized retail. India’s export of textiles and apparel has also grown at over 11 percent in the last five years and presently stands at \$40 billion, a success but a long way from where China’s industry stands today and nowhere near its potential.

TECHNICAL TEXTILE

Technical Textiles is a high technology sunrise sector which is steadily gaining ground in India. Technical textiles are functional fabrics that have applications

across various industries including automobiles, civil engineering and construction, agriculture, healthcare, industrial safety, personal protection etc. Based on usage, there are 12 technical textile segments; Agrotech, Meditech, Buildtech, Mobiltech, Clothtech, Oekotech, Geotech, Packtech, Hometech, Protech, Indutech and Sportech.

In India technical textile sector has registered compounded annual rate of growth of 11% during 11th Five Year Plan and as per the 12th Five Year Plan estimates by the sub-group on technical textiles, the market size is expected to grow at CAGR of 20% and reach ₹ 1,58,540 crore by 2016-17 from the market size of ₹ 70,151 crore in 2012-13. Technical Textiles provides new opportunity to the Indian textile industry to have long term sustainable future. Despite achieving high growth rate the per capita consumption of technical textiles in India is 1.7 per kg vis-a-vis 10-12 kg in developed countries. Globally, the technical textiles contribute to about 27 percent of textile industry, in some of the western countries its share is even 50 percent while in India it is a meagre 11 percent.

Government implemented different schemes like a) TUFs providing benefits like capital subsidy and interest reimbursement, b) Scheme for Integrated Textile Parks (SITP), c) Technology Mission on Technical Textiles (TMTT). Additionally, several states in India also offer incentives and assistance to investors, which can include electricity and stamp duty exemptions, concessions in land registration, and single window clearance facilities for investment project applications.

Ministry of Textiles is working to institute regulatory norms for technical textile products that align with those of developed nations. Successful implementation of these norms can lead to exponential increase in demand and consumption of technical textiles products in India.

BUSINESS

Management is in pursuit of exploring the business opportunities in the current economic scenario.

Bhilwara Technical Textiles Limited has invested in BMD Pvt. Ltd. BMD is a leading manufacturer of high performance specialized furnishing fabrics for automobiles, contract furnishing, air texturized yarn. BMD Pvt. Ltd. has also forayed in the Wind Power and Solar Power Generation.

BMD has a continuous track record of good performance and maintains leadership for its products in OE Segment.

STRENGTHS AND OPPORTUNITIES

1. Huge untapped potential for the development of technical textiles.
2. Presence of extensive institutional support base in the form of Central and State Government offices, Textile Research Associations, Textile Industry Associations, Textiles and Fashion Technology Training Institutions, Export Promotion Councils etc.
3. New Product development which needs additional focus in Indian Companies in order to move up the value chain and capture a great global market share.
4. Vibrant domestic market, enabling manufacturers to spread out risk.
5. ASEAN Countries to develop as a textile and garment manufacturing hub, so opportunities for global and regional export should improve.

WEAKNESS AND THREATS

1. Use of outdated manufacturing technology from the low end supplier which has resulted in low value addition in the industry.
2. Fragmented Industry leads to lower ability to expand and emerge as 'world-class' players.
3. Volatile exchange rate situation.
4. Intense competition in domestic and international.

HUMAN RESOURCES

The Company works with the clear mandate of building the talent to not only grab opportunities in the market as and when they arise but also to create new avenues which is beneficial for the interest of the Company and the society as a whole. Your Company believes that continuous development of its human resource fosters engagement and drives competitive advantage. The Company continues to focus on people development by developing a continuously learning human resource base to unleash their potential. The Company at present has one employee.

CORPORATE SOCIAL RESPONSIBILITY

With the advent of Companies Act, 2013, the importance of CSR has been widely recognized at the national level. Corporate Social Responsibility is a management concept whereby companies integrate social and environmental concerns in their business operations and interactions with their stakeholders. A beginning has

been made but still miles to go before the huge disparity is bridged and a better future delivered to both the rural and urban poor. It's a continuous business process that helps in maintaining the ethical business relations and help people in becoming self dependant. The Company aims to commence its operations without any adverse impact on the environment but which in turn will increase its positive social impact.

Company believes that profitability not only depends on the actual profit but also the benefit derived by the community through the activities of the Company. As the companies are now expected to perform well in Non-Financial Areas such as Human Rights, Business Ethics, Environmental Policies, Corporate Contributions, Community Development, Corporate Governance, and Workplace Issues, BTTL also recognizes its social responsibility towards employees, shareholder and government in various ways viz by providing true and fair state of Company's Financial Position to the shareholder and by providing all necessary information

to the government and complying with all the applicable laws, rules and regulations.

CAUTIONARY STATEMENT

INDEPENDENT AUDITORS' REPORT

To the members of

Bhilwara Technical Textiles Limited

Report on the financial statements

We have audited the accompanying financial statements of Bhilwara Technical Textiles Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at 31st March, 2016, and its profit and its cash flows for the year ended on that date.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 'A' a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure 'B' to the independent auditor's report of even date on the financial statements of Bhilwara Technical Textiles Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Bhilwara Technical Textiles Limited

("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our

audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility

of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS

1 Basis of preparation

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The financial statements have been prepared to comply in all material respects with the accounting standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

1.1 Summary of significant accounting policies

a Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

b Revenue recognition

Income is accounted for on accrual basis in accordance with Accounting Standard (AS) 9 - "Revenue Recognition".

- i) Sale revenue is recognized when property in the goods with all significant risk and rewards as well as the effective control of goods usually associated with ownership are transferred to the buyer, at a price.
- ii) Interest income is recognised on a time proportion basis taking into account the amount outstanding and the applicable interest rate.
- iii) Dividend income on investments is accounted for when the right to receive the dividend is established.

c Investments

Long term investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary in the opinion of the management.

d Tangible fixed assets

Tangible fixed assets are stated at historical cost less provision for impairment losses, if any and depreciation.

e Depreciation on tangible fixed assets

Depreciation on tangible assets is provided on straight line method, over the useful lives of the assets estimated by Management. For existing class of assets, management has assessed the useful lives to be same as the useful lives prescribed under Part C of Schedule II of the Companies Act 2013.

f Impairment of assets

Assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount being the higher of the asset's net selling price and its value in use. Value in use is based on the present value of the estimated future cash flows relating to the asset. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (i.e. cash generating units).

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

Previously recognised impairment losses are reversed where the recoverable amount increases because of a favourable change in the estimates used to determine the recoverable amount since the last impairment was recognised. A reversal of an asset's impairment loss is limited to its carrying amount

that would have been determined (net of depreciation or amortization), had no impairment loss been recognised in prior years.

g Foreign currency transactions

Foreign exchange transactions are recorded at the rates of exchange prevailing on the dates of the respective transactions. Exchange differences arising on foreign exchange transactions settled during the period are recognised in the statement of profit and loss of the period.

Monetary assets and liabilities denominated in foreign currencies, which are outstanding as at the year end are translated at exchange rates prevailing on the last working day of the accounting year. The resultant exchange differences are recognized in the statement of profit and loss.

h Tax on income

i) Current corporate tax is provided on the results for the year after considering applicable tax rates and laws.

ii) Deferred tax is provided on timing differences between tax and accounting treatments that originate in one period and are expected to be reversed or settled in subsequent periods. Deferred tax assets and liabilities are measured using the enacted / substantively enacted tax rates and laws for continuing operations.

Deferred tax assets in the event of unabsorbed depreciation and carry forward losses under tax laws, that exceed the deferred tax liability, are recognized only where there is virtual certainty of realization.

Deferred tax assets on other accounts are recognized only to the extent there is reasonable certainty of realization.

The carrying amount of deferred tax assets is reviewed at each balance sheet date to reassess realization.

iii) MAT credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the Minimum Alternative Tax (MAT) credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income Tax during the specified period.

i Provisions and contingent liabilities

Provisions are recognized for present obligations, of uncertain timing or amount, arising as a result of a past event where a reliable estimate can be made and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation. Where it is not probable that an outflow of resources embodying economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability unless the possibility of outflow of resources embodying economic benefits is remote.

Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain future events, are also disclosed as contingent liabilities unless the possibility of outflow of resources embodying economic benefits is remote.

j Earnings per share

Basic earnings per share is computed by dividing the net profit after tax for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

k Cash and cash equivalents

Cash and cash equivalents comprise cash and cash on deposit with banks and corporations. The Company considers all highly liquid investments with a maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

INDEPENDENT AUDITORS' REPORT

To the members of

Bhilwara Technical Textiles Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Bhilwara Technical Textiles Limited** (hereinafter referred to as "the Investor Company") and its associates, comprising of the Consolidated Balance Sheet as at 31st March, 2016, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Investor Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Investor Company including its associates in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the Investor Company and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Investor Company and its associates and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Investor Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing

standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Investor Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Investor Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Investor Company and its associates as at 31st March, 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

- a) The consolidated financial statements includes the Investor Company's share of net profit of ₹ 336.58 lacs for the year ended 31st March, 2016, as considered in the consolidated financial statements, in respect of one associate, whose

financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this associate, and our report in terms of sub-sections (3) of Section 143 of the Act, insofar as it relates to the aforesaid associate, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors of the Investor Company as on 31st March, 2016 taken on record by the Board of Directors of the Investor Company and the reports of the statutory auditors of its associate company incorporated in India, none of the directors of the Investor company and its associate company incorporated in India is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Investor Company and its associate company and the operating effectiveness of such controls refer to our separate report in Annexure 'A'.

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. There were no pending litigations which would impact the consolidated financial position of the Investor Company and its associate;
- ii. The Investor Company and its associate did not have any material foreseeable losses on long-term contracts including derivative contracts.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Investor Company and its associate company incorporated in India.

Annexure A to the Independent Auditor's Report to the members of Bhilwara Technical Textiles Limited (Investor Company) of even date on its Consolidated Financial Statements

Report on the Internal Financial Controls under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") as referred to in paragraph 1(f) of 'Report on Other Legal and Regulatory Requirements' section of our report referred above

In conjunction with our audit of the consolidated financial statements of the Investor Company and its associate as of and for the year ended 31st March, 2016, we have audited the internal financial controls over financial reporting of Bhilwara Technical Textiles Limited (hereinafter referred to as "the Investor Company") and its associate company (collectively referred as 'Group'), which is a company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the of the Investor Company and its associate company, which is company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Investor Company and its associate company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of

India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly

reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Investor Company and its associate company which is a company incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2016, based on the internal control over financial reporting criteria established by the Investor Company and its associate considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to the associate company, which is a company incorporated in India, is based on the corresponding report of the auditor of the associate company incorporated in India.
