Board's welcome address

We are delighted to present the Cryogenic OGS Limited Integrated Annual Report for FY2024-25. Our journey has been marked by relentless commitment to quality, innovation, and sustainable value creation across India's and the world's energy landscape. With a heritage of engineering excellence in precision metering, filtration, and cryogenic solutions, we continue to empower our clients to transition smoothly from traditional fuels to the new era of green energy.

Upholding transparency, robust governance, and stakeholder trust, we aim not only to meet but to exceed the expectations of our shareholders and partners. This year, our focused investments and first-mover strategy in LNG, RNG, hydrogen, and green hydrogen equipment have reinforced our position as a leading enabler of India's clean energy future.

About The Report

This report provides a comprehensive overview of the financial and non-financial performance of Cryogenic OGS Limited for the year ended March 31, 2025. It offers in-depth insights into our strategic direction, market expansion, operational achievements, sustainability initiatives, and risk management framework. Through meticulous and transparent disclosures, we seek to deliver a clear account of our business conduct, value creation, and growth prospects.

The report also underscores our alignment with sustainable development priorities, reflecting our commitment to responsible business practices and long-term stakeholder value.

Reporting Principles and Frameworks

The information in this report has been prepared in accordance with:

- The Companies Act, 2013 and associated rules & guidelines
- Indian Accounting Standards (Ind AS) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015
- Global Reporting Initiative (GRI) sustainability standards
- National Guidelines on Responsible Business Conduct (NGRBC)
- United Nations Sustainable Development Goals (UN SDGs) relevant to the energy sector

Our disclosures adhere to the principles of materiality, reliability, timeliness, and comparability.

Reporting Period

This report covers consolidated and standalone activities, performance, and material events of Cryogenic OGS Limited and its subsidiaries from April 1, 2024 to March 31, 2025. Key performance indicators and management commentaries are updated as of March 31, 2025.

Scope and Boundary

The report covers all manufacturing units, operational offices, R&D centers, and project destinations under Cryogenic OGS Limited, including exports and major international collaborations. Both core and emerging product segments (LNG, RNG, hydrogen, filtration, loading equipment, and additive dosing) are included.

Precautionary Approach

At Cryogenic OGS, we are committed to a culture of proactive risk anticipation and mitigation. Our approach to business operations integrates environmental, social, and governance (ESG) considerations to safeguard stakeholder interests and support sustainable progress.

Igniting the Next Wave:

Transitioning from Liquid Leadership to Gas Growth

From Dominance in Liquids to Pioneering Gas Solutions

For more than twenty years, Cryogenic OGS has set benchmarks in India's liquid fuel sector by consistently delivering cutting-edge metering and filtration solutions for petrol, diesel, kerosene, and other petroleum products. With an 80–90% market share across vital liquid fuel segments, our brand remains synonymous with innovation, reliability, and customer-centricity.

Seizing the Gas Revolution

India's energy landscape is swiftly pivoting toward natural gas and green hydrogen, propelled by ambitious government targets for cleaner fuels and surging demand for LNG, RLNG, and hydrogen infrastructure. Leveraging our robust technological base and enduring client partnerships, we are replicating our liquid fuels success to lead in these high-growth arenas.

First-Mover Advantage

Our extensive experience with advanced solutions for liquid fuels gives us a partner-of-choice status with customers migrating to gas. Building on proven product development and deep expertise in fluid measurement, we are already deploying precision-engineered products for gas applications—poised for an early-mover advantage as regulatory clarity and project volume grow.

The Next Growth Story

With a legacy of market strength, proactive entry into LNG and hydrogen, and an innovation-driven approach, we are optimally positioned to capture opportunities in India's evolving energy mix. Our leadership in gas solutions signals not only a new phase for the company but a transformative chapter: delivering sustainable value and an expanded footprint in a future-ready energy infrastructure.

Engineering the Energy Transition

Company Overview

Fueling Progress: Expanding from Strength to New Opportunity

Two Decades of Innovation for a Sustainable Future.

Since its foundation in 1997, Cryogenic OGS Limited—headquartered in Por, Gujarat—has established itself as a leader in engineering and manufacturing precision metering, filtration, and gas handling solutions. Serving oil, gas, petrochemical, and allied industries, the company upholds international standards such as API, ASME, ATEX, and IS.

What sets Cryogenic OGS apart is its status as the only specialized manufacturer in India dedicated to cryogenic equipment for the emerging LNG, RNG, hydrogen, and green hydrogen markets. This focus fuels our ability to seize opportunities in the fast-growing energy sector, earning trust from public sector entities, private corporations, EPCs, refineries, and global automation leaders.

Our extensive product line includes cryogenic valves, precision flow controls, filtration units, and advanced gas pressure regulators for extreme operational environments. We also deliver custom skid-mounted and modular solutions, and offer expert services including engineering support, installation, testing, maintenance, and lifecycle optimization—presenting an integrated, holistic value proposition.

Core Solutions & Expertise

Enabling Seamless Energy Flows, Today and Tomorrow.

Cryogenic OGS integrates deep engineering expertise with advanced manufacturing capabilities to deliver turnkey systems and components that ensure seamless, safe, and accurate energy transfer at every stage of operation.

**Calibration
Solutions**

Built on Trust, Driven by Precision

Metering Skids

Turnkey terminal automation systems for custody transfer and precise flow measurement of petroleum fuels such as MS, HSD, and SKO, as well as LNG and emerging fuels including hydrogen. These skids are designed for modularity, rapid deployment, and meet API and ASME standards.

Filtration & Flow Assurance

A comprehensive range of filtration baskets, basket strainers, and air eliminators protects downstream assets and maintains fuel purity. To date, over 9,750 basket strainers and more than 5,000 strainer-cum-air eliminators are installed across India, playing a vital role in safeguarding flow assurance in terminals, pipelines, and bunkering facilities.

Additive Dosing Systems

Automated, high-accuracy dosing skid solutions for additives, dyes, and markers enable optimal blending control and fuel traceability, fulfilling essential quality and regulatory requirements of terminal operators.

aDENS Series Density Probes

These provide real-time, in-line density measurements, critical for custody transfer, fuel quality validation, and blending. They are engineered to handle both conventional fuels and alternative energy sources, adhering to strict density compliance standards.

Calibration Solutions

Cryogenic OGS supplies and calibrates a complete range of prover tanks and calibration equipment that verify meter accuracy and uphold metrological integrity in compliance with regulatory norms.

Trusted by Industry, Compliant by Design

Cryogenic OGS consistently meets stringent quality and safety benchmarks, with systems undergoing rigorous third-party inspections by agencies such as EIL, DNV, Lloyd's Register, and SGS. These inspections ensure full compliance with international standards including API, ASME, IS, and ATEX. This uncompromising commitment has earned the trust of leading Indian oil marketing companies, EPC contractors, refineries, and multinational automation partners.

Future-Ready for the Energy Transition

Empowering the Clean Energy Revolution

Cryogenic OGS Limited stands at the forefront of the global shift towards sustainable fuels, engineering modular, scalable solutions tailored for hydrogen, LNG, and biofuel infrastructure. Our adaptable designs ensure clients can easily expand capacity as demand grows, making us a trusted partner for tomorrow's energy landscapes.

Smart Technology Integration for Superior Performance

By embedding digital automation and smart terminal technologies, Cryogenic OGS delivers enhanced operational efficiency, real-time asset monitoring, and predictive maintenance. This transforms traditional equipment into intelligent systems — minimizing downtime, reducing lifecycle costs, and maximizing return on investment.

Strategic Positioning in High-Growth Markets

With the hydrogen market projected to surpass USD 200 billion by 2030 and LNG demand climbing steadily, Cryogenic OGS is perfectly positioned to capture significant market share. Our precision-engineered, reliable equipment meets the toughest standards, securing long-term contracts with leading public and private sector players globally.

Investor Advantage: Building a Sustainable Future Together

Investing in Cryogenic OGS means partnering in a future-proof growth story powered by cleaner fuels, expanding renewable energy infrastructure, and rigorous global sustainability mandates. Our diversified portfolio, cutting-edge technology focus, and strong client ecosystem create a resilient business model with compelling long-term value.

Driving Innovation for Cleaner, Greener Energy

Legacy and Vision

Operating from a cutting-edge 12,300 sqm manufacturing and engineering facility in Gujarat, Cryogenic OGS serves more than 300 terminals across India. Beyond equipment delivery, the company provides comprehensive operational support that ensures uptime, compliance, and seamless scalability toward a net-zero energy future.

Our Journey

From early specialization in liquid sector metering and filtration products, Cryogenic OGS has continually expanded its expertise and product portfolio to embrace the energy transition. Leveraging over two decades of experience, the company leads in manufacturing customized cryogenic solutions catering to both legacy fuels and the rising demand for clean energy infrastructure nationally and globally.

Milestones

Delivered over 10,000 units, including basket strainers, air eliminators, loading skids, additive dosing systems, and density meters.

Supplied equipment to over 200 locations, including Indian Oil, Bharat Petroleum, Hindustan Petroleum, and multinational companies.

Expanded internationally to Africa, Europe, and the Middle East.

Entered high-potential markets for LNG, RNG, hydrogen, and green hydrogen equipment with exclusive manufacturing status in India.

1997

Incorporated as Mangukia Steel Private Limited in Gujarat.

2023

Renamed Cryogenic OGS Private Limited (October 20, 2023).

Converted to a public limited company (November 10, 2023).

FY22–FY24

Significant growth in profits and revenues:

FY22: Revenue **₹2,333 lakh**

FY23: Revenue **₹2,202 lakh**

FY24: Revenue **₹2,425 lakh**

PAT crosses **₹500 lakh**.

Secured over 70 domestic tenders and 9 international quotations; entered GCC sales partnership.

Transitioned to supplying all components—boosting working capital needs and growth opportunities.

2025

Initial Public Offering (IPO) on BSE SME platform; listed with **50 lakh fresh shares** issued; proceeds to fund growth and expansion.

Planned utilization of public issue funds to expand working capital and pursue new product lines (targeting **₹1,150 lakh**).

Expanded internationally to Africa, Europe, and the Middle East.

Entered high-potential markets for LNG, RNG, hydrogen, and green hydrogen equipment with exclusive manufacturing status in India.

2024

Filed Draft Red Herring Prospectus (DRHP) for SME IPO (August 27, 2024).

Delivered over **10,000 units** including basket strainers, air eliminators, loading skids, additive dosing systems, and density meters.

Supplied equipment to over **200 locations**, including Indian Oil, Bharat Petroleum, Hindustan Petroleum, and multinational companies.

Core Values

**“Integrity,
Innovation,
Excellence-
Our Guiding Principles.”**

Integrity

Maintaining the highest standards of ethics, safety, and transparency.

Innovation

Continuous improvement of products and engineering solutions to meet evolving demands.

Customer Centricity

Providing reliable, tailored solutions that foster long-term partnerships.

Quality

Commitment to international standards and rigorous quality control.

Sustainability

Aligning business growth with environmental responsibility and supporting the clean energy transition.

Competitive Edge

Exclusive Market Leadership: Sole dedicated Indian supplier of cryogenic equipment for LNG, RNG, hydrogen, and green hydrogen; substantial early-mover advantage.

Investment Attraction: High technological entry barriers and strong customer retention deliver robust competitive insulation and growth potential.

Engineering Excellence: End-to-end, integrated fabrication that surpasses international quality and safety standards.

Strategic Alignment: Fully aligned with India's clean energy transition and expanding public/private sector infrastructure.

About Us

Who We Are

Founded in 1997 and based in Vadodara, Gujarat, Cryogenic OGS Limited delivers metering, filtration, and fluid management systems for oil, gas, chemical, and allied sectors. With an extensive Indian footprint and growing international presence, the company is synonymous with precision engineering and dependable performance.

Cryogenic OGS leverages decades of technical expertise and adherence to stringent international standards to design and manufacture critical components that ensure safety, reliability, and performance in challenging environments. Its integrated capabilities encompass product development, custom engineering, and lifecycle support, fostering long-term partnerships with leading public and private sector clients.

Driven by a vision to power India's energy transition, Cryogenic OGS continuously invests in cutting-edge technologies and sustainable practices. The company's adaptive approach and engineering excellence serve as a catalyst for advancing cleaner fuels, supporting infrastructure growth, and enabling customers to meet evolving regulatory and environmental standards worldwide.

Vision

To be the globally preferred manufacturer of oil, gas, and chemical metering and filtration equipment, setting benchmarks for quality, safety, and innovation that accelerates the transition to smarter, cleaner energy.

Mission

To deliver innovative, high-quality, and reliable solutions, meeting customer needs efficiently and cost-effectively, supported by continuous research, expertise expansion, and commitment to sustainable growth.

Key Industries Served

Major clients include global automation leaders such as **ABB, Honeywell, Emerson, and Endress+Hauser (E&H)**, in addition to **top public sector oil companies (IOCL, BPCL, HPCL)**, leading EPC contractors, and other renowned industry partners.

Service to Society & Commitment to Sustainability

Supported India's energy transition by delivering hydrogen-ready, digital-enabled fuel measurement and transfer systems.

Ensured superior quality and safety through third-party inspections by EIL, DNV, Lloyd's Register, and SGS.

Continued innovation through ongoing R&D targeting emerging fuels and future infrastructure needs.

Reduced environmental impact by minimizing fuel losses, spillages, and waste with precise metering, dosing, and filtration.

Manufacturing Facility Overview

Location

The primary manufacturing and assembly facility is located at 60, 61, 62, 63 POR Industrial Park, Behind Sahyog Hotel, POR, Vadodara-391243, Gujarat, India.

Production Capabilities

Equipped to fabricate and assemble advanced measurement and filtration equipment, the facility primarily serves the oil, gas, chemicals, and fluid industries with high-quality systems.

Certifications and Quality

Certified under ISO 9001:2015 for quality management in the production and supply of diverse equipment such as chemical dosing skids, additive and blue dye dosing skids, strainers, air eliminators, gas metering skids, filtration skids, and prover tanks. Holds ISO 45001:2018 certification for Occupational Health and Safety Management. • Holds ISO 14001:2015 certification for Environmental Management Systems. Certified by DNV for fabricator capability, underscoring adherence to rigorous quality and risk assessment standards.

Production Model

Transitioning to a turnkey production model, the company now sources, fabricates, and assembles all components in-house. This approach enhances control over quality and project timelines, while also contributing to increased working capital requirements.

Facility Size and Scope:

Situated on an area of approximately 8,300 square meters, the facility encompasses production, fabrication, assembly, and testing units along with an administrative block. The integrated layout optimizes manufacturing efficiency and supports streamlined business operations.

Operations and Technical

Manufacturing processes include end-to-end design, process engineering, fabrication, assembly, and stringent quality testing. Product designs are developed using Auto-CAD ELD and other specialized engineering software tools to ensure precision and customization.

Machinery and Testing

The facility is outfitted with advanced machinery required for all fabrication and assembly activities. A dedicated quality control department staffed by skilled experts carries out comprehensive chemical and mechanical testing, non-destructive evaluation, hydrostatic testing, and pneumatic leak tests, ensuring all products meet stringent technical standards. The manufacturing outputs consistently comply with industry standards, including API, IS, ASME, and ATEX.

Invest in Innovation, Lead the Energy Transition.

Why Cryogenic OGS is a Compelling Choice for Investors

Industry Leadership

Over 25 years of continuous innovation with 300+ equipped terminals.

Projects in Asia, Africa, Europe, and the Middle East with growing export footprint.

From Chairman's Desk

Dear Valued Shareholders,

As I reflect on the extraordinary journey of Cryogenic OGS Limited in FY25, I am filled with immense pride and exhilaration to share a year that has redefined our legacy and ignited a bold new chapter in our quest to shape the global fluid control industry. Your unwavering trust and support have been the catalyst for our remarkable achievements, and it is with great enthusiasm that I present this annual report—a testament to our relentless pursuit

of excellence and innovation. This year, we stood at the cusp of transformation, propelled by a vision to transcend boundaries and deliver unparalleled value. Our successful Initial Public Offering (IPO) on July 10, 2025, raising ₹17.77 crore on the BSE SME platform, marked a historic milestone, catapulting our market capitalization to ₹67.12 crore.

This infusion of capital has empowered us to amplify our manufacturing prowess, fortify our R&D capabilities, and chart new

horizons in international markets. The overwhelming response to our IPO underscores the confidence you, our shareholders, place in our strategic roadmap—a confidence we are determined to honor.

Our financial performance in FY25 has been nothing short of spectacular, with revenues soaring by **31.63% to ₹33.79 crore and profit after tax rising 14.39% to ₹6.12 crore.**

These figures reflect not just numbers, but the culmination of our commitment to precision, quality, and customer-centricity, evidenced by a 90% repeat customer rate. Our portfolio of cutting-edge equipment—basket strainers, air eliminators, prover tanks, and metering skids—continues to power critical operations for industry giants like IndianOil, Bharat Petroleum, and top terminal automation companies, with installations now spanning over 300 locations across India, Nigeria, Australia, and beyond.

What truly sets Cryogenic OGS apart is our audacious spirit of innovation. Our R&D teams, guided by proprietary technologies and advanced design tools like Auto-CAD ELD,

have engineered solutions that meet the rigorous demands of API, ASME, IS, and ATEX standards. This year, we deepened our footprint in the GCC through strategic partnerships, positioning us to capture a share of the region's \$100 billion oil and gas infrastructure investments. Our foray into Southeast Asia, particularly Vietnam's burgeoning LNG market, signals the dawn of a new era of global influence. Yet, our journey is far from complete. The world stands at the nexus of energy transition and industrial evolution, and Cryogenic OGS is poised to lead this charge. We are investing in sustainable technologies, enhancing our supply chain resilience, and forging alliances to penetrate high-growth markets.

Our vision is clear: to become the preeminent global force in fluid control solutions, delivering unmatched reliability and value to our clients and shareholders alike.

To you, our shareholders, I extend my deepest gratitude for your steadfast belief in our mission. Your partnership fuels our ambition to push boundaries and redefine what's possible. As we embark on FY26, I invite you to join us in this exhilarating voyage, brimming with opportunities to create enduring value and leave an indelible mark on the global stage.

*With optimism and resolve,
Nilesh Natvarlal Patel
Chairman and Managing Director
Cryogenic OGS Limited*

Brief of

Mr. Nilesh Natvarlal Patel

Position: Chairman and Managing Director, Cryogenic OGS Limited

Location: Vadodara, Gujarat, India

Education: Bachelor's Degree in Mechanical Engineering, Maharaja Sayajirao University (MSU), Vadodara

Professional Background:

Mr. Nilesh Natvarlal Patel is a visionary entrepreneur and mechanical engineer with over 25 years of experience in the oil and gas industry. He founded Cryogenic Liquide Pvt. Ltd. in 1997, which was rebranded to Cryogenic OGS Limited in 2024 to reflect its expanded focus on fluid control and metering solutions. As the Chairman and Managing Director, he has been the sole leader of the company, overseeing strategic decision-making, research and development (R&D), and operational excellence. His passion for innovation and commitment to quality have positioned Cryogenic OGS as a key player in manufacturing high-quality measurement and filtration equipment for industries such as oil and gas, petrochemicals, chemicals, and liquor.

Contributions to Cryogenic OGS Limited:

Under Mr. Patel's leadership, Cryogenic OGS Limited has grown into a trusted manufacturer of equipment like basket strainers, air eliminators, prover tanks, additive dosing skids, and truck loading skids, with installations at over 200 locations in India and internationally. He has

spearheaded R&D efforts, ensuring that designs meet stringent national and international standards, including API, ASME, IS, and ATEX. His focus on process safety, reliability, and compliance has driven a 90% repeat customer rate, with major clients including IndianOil (IOCL), Bharat Petroleum (BPCL), and top terminal automation companies in India. Mr. Patel's strategic vision led to a successful IPO on July 10, 2025, raising ₹17.77 crore to strengthen operations and expand market reach, with shares listed on the BSE SME platform.

Key Achievements:

Company Growth:

Transformed Cryogenic OGS from a startup serving the Plasma Research Institute in 1997 to a leading oil and gas equipment manufacturer, serving top 500 Indian companies and international markets.

Innovation Leadership:

Led R&D to develop a diverse portfolio of standard and custom-engineered equipment, leveraging proprietary technologies for fluid control and metering solutions.

Financial Success: Guided the company to a debt free status since 2023.

Certifications and Standards:

Ensured ISO 9001:2015 certification and compliance with global standards, enhancing the company's ability to secure orders from prestigious clients.

Global Expansion:

Established an international presence in Nigeria, Oman, and the GCC, with plans to further expand through strategic partnerships.

Personal Attributes:

Mr. Patel is recognized for his hands-on leadership, combining technical expertise with a customer-centric approach. His ability to integrate advanced design tools and foster strong supplier and client relationships has been instrumental in Cryogenic OGS's success. He emphasizes continuous improvement, quality, and timely delivery, aligning with the company's vision to become a leading force in fluid industries globally.

INDEPENDENT AUDITOR'S REPORT

To the Members of
CRYOGENIC OGS LIMITED
(Formerly known as CRYOGENIC LIQUIDE PRIVATE LIMITED)
 Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of CRYOGENIC OGS LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss and the Statement of Cash Flows for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements, and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act, read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we report in "Annexure 1", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- (iii.) The company is not required to transfer any amount to the Investor Education and Protection Fund.
- (iv.)
- (i.) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (j.) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (k.) Based on the audit procedures that are considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- (v.) The Company has not declared nor paid any dividend during the year. Hence, reporting the compliance with section 123 of the Act is not applicable.
- (vi.) Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account for the financial year ended March 31, 2025, which has a feature of recording audit trail (edit tog) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section in the Independent Auditor's Report of even date to the members of Cryogenic OGS Limited (formerly known as Cryogenic Liquide Private Limited) ("the Company") on the financial statements for the year ended 31st March, 2025]

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information, explanations and written representation given to us by the management and the books of account and other records examined by us in the normal course of audit, we report that:

- (i.)
 - (a.)
 - A. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment
 - B. The Company has maintained proper records showing full particulars of Intangible Assets.
 - (b.) During the year, the Property, Plant and Equipment of the Company have been physically verified by the management and no material discrepancies were noticed on such verification. In our opinion, the frequency of verification is reasonable having regard to the size of the Company and the nature of its assets.
 - (c.) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of lessee), disclosed in the financial statements are held in the name of the Company.
 - (d.) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) and/or Intangible Assets during the year. Accordingly, reporting under clause (i)(d) of paragraph 3 of the Order is not applicable.
 - (e.) No proceedings have been initiated or are pending against the Company as at March 31, 2025 for holding any benami property under the Prohibition of Benami Property Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii.)
 - (a.) The management has conducted physical verification of inventory at reasonable intervals during the year, except for goods-in-transit and stocks lying with third parties. In our opinion, the coverage and procedure of such verification by the management is appropriate.
 - (b.) The Company has not obtained any sanctioned working capital limit during the year, from banks and/or financial institutions, on the basis of security of current assets. Therefore, reporting under clause (ii)(b) of paragraph 3 of the Order is not applicable.
- (iii.)
 - (a.) The Company has granted unsecured loans to employees. The aggregate amount granted during the year to employees is Rs.25,000 and the balance outstanding at the Balance Sheet date with respect to such loans is Nil. The Company has not made any investments, granted secured loans/advances in nature of loans, or stood guarantee, or provided security to companies, firms, Limited Liability Partnerships or any other parties.
 - (b.) In respect of the aforesaid loans, the terms and conditions under which such loans were granted are not prejudicial to the Company's interest.
 - (c.) In respect of the aforesaid loan to employees, the schedule of repayment of loan has been stipulated, and the employees are repaying the principal amounts, as stipulated. The Company has not charged any interest on loans to employees as per the Company's policy.
 - (d.) There were no loans which fell due during the year and were renewed/extended. Further, no fresh loans were granted to employees to settle the existing overdue loans.
 - (e.) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.
- (iv.) The provisions of section 185 of the Act are not applicable to the Company as it has not granted any loans or provided any guarantee or security to the parties covered under section 185 of the act. Further, the Company has complied with the provisions of section 186 of the Act.
- (v.) In our opinion, the Company has not accepted any deposits or amounts which are deemed to be

deposits. Accordingly, reporting under clause (v) of paragraph 3 of the Order is not applicable.

- (vi.) The Central Government has not prescribed the maintenance of cost records for any of the products of the Company under sub-section (1) of section 148 of the Act and the rules framed there under. Hence reporting under this clause is not applicable.

(vii.)

- (a.) The Company is regular in depositing with the appropriate authorities, undisputed statutory dues including Goods and Services tax (GST), provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other material statutory dues applicable to it, in all cases during the year.

AND

No undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, GST, customs duty, cess and any other material statutory dues applicable to it, were outstanding, at the year end, for a period of more than six months from the date they became payable.

- (b.) There are no dues with respect to provident fund, employees' state insurance, income tax, GST, sales tax, service tax, value added tax, customs duty, excise duty and cess, which have not been deposited on account of any dispute.

- (viii.) We have not come across any transaction(s) which were previously not recorded in the books of account of the Company that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

(ix.)

- (a.) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b.) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c.) The Company did not obtain any money by way of term loans during the year and there were no outstanding term loans at the beginning of the year. Accordingly, reporting under clause (ix) (c) of paragraph 3 of the Order is not applicable.
- (d.) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have, been used for long-term purposes by the Company.
- (e.) The company does not have any subsidiary associate or joint venture as defined under the Act. Hence reporting under clause (ix) (e) and (f) is not applicable.

(x.)

- (a.) The Company has not raised money by way of initial public issue offer / further public offer (including debt instruments) during the year. Therefore, reporting under clause (x)(a) of paragraph 3 of the Order is not applicable.
- (b.) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Therefore, reporting under clause (x)(b) of paragraph 3 of the Order is not applicable.

(xi.)

- (a.) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company nor any fraud on the Company has been noticed or reported during the year, nor have we been informed of any such instance by the management.
- (b.) No report under section 143(12) of the Act has been filed with the Central Government by the auditors of the Company in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, during the year or upto the date of this report.
- (c.) There are no whistle blower complaints received by the Company during the year and upto the date of this report.

- (xii.) In our opinion, the Company is not a Nidhi Company. Therefore, reporting under clause (xii) of paragraph 3 of the Order is not applicable.
- (xiii.) All transactions entered into by the Company with the related parties are in compliance with section 188 and section 177 of the Act, where applicable and the details have been disclosed in the financial statements as required by the applicable accounting standards.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2(i) under 'Report on Other Legal and Regulatory Requirements' section in our Independent Auditor's Report of even date to the members of Cryogenic OGS Limited on the financial statements for the year ended March 31, 2025]

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Cryogenic OGS Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness.

Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note issued by the ICAI.
