

Independent Auditor's Report on Audited Half Yearly Results and Year to Date Results of the Danish Power Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To

The Board of Directors of

**DANISH POWER LIMITED (Formerly known as Danish Power Private Limited)
(Initially known as Danish Private Limited)**

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial result of **Danish Power Limited (Formerly known as Danish Power Private Limited) (Initially known as Danish Private Limited)** ('The Company') for half year ended 31st March, 2026 and the year to date results for the year from 1st April, 2025 to 31st March 2026, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015, as amended ('Listing Regulations').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Financial Results;

- a. Are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- b. Give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards and the accounting principles generally accepted in India, of the net profit and other financial information for the half year and the year ended 31st March, 2026.

Basis of Opinion

We conducted our Audit of the standalone Financial Results in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Companies Act, 2013 ("the act"). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Results' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India (ICAI) together with the

ethical requirements that are relevant to our audit of the standalone financial results under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone Financial Results.

Management's Responsibility for the Standalone Financial Results

The statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared on the basis of standalone financial statements.

The Company's Board of Directors are responsible for the preparation and presentation of these standalone financial results that give a true and fair view of the net profit and other financial information in accordance with the Indian Accounting Standards prescribed under section 133 of the Act, read with the relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the act for safeguarding the assets of the company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgment and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of accounting records, relevant to preparation of standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial results.

As part of an audit in accordance with SA's, we exercise professional judgment and maintain professional skepticism throughout the audit. We also: -

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to standalone financial results in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the financial results made by Board of Directors.
- Conclude on the appropriateness of Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence

obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone financial results, including the disclosures, and whether the Standalone financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

We report that the figures for the half year ended 31st March, 2026 represent the derived figures between the audited figures in respect to the financial year ended 31st March, 2026 and the published unaudited year-to-date figures up to 30th September, 2025, being the date of the end of the half year of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

Our opinion on the statement is not modified in respect of the above matter.
