## Chairman's Message

**Dear Shareholders,**

Let me begin by expressing my joy in connecting with you once again and placing the Annual Report of Dish TV India Limited for the financial year ended March 31, 2021 before you. We began the financial year amidst a never-before-seen lockdown to prevent an upsurge in COVID 19 cases because of the pandemic. This year has been fraught with one of mankind's greatest challenges and I hope that you and your family continue to remain safe and in the best of health. Our collective resilience will ensure that not only do we overcome this challenge but emerge even stronger from it. Your company has been adapting itself to the ever-changing scenario and responding while keeping the safety and interest of all stakeholders in mind. The strict but necessary measure of the lockdown along with other precautionary measures to prevent the spread of infections have brought some unprecedented and far-reaching changes in the way of life across all aspects of our existence. The downside risks to the

economy from the pandemic remain with slow pace of global vaccination and emergence of mutating variants. The other trends that will drive the Indian economic story are digital penetration, urbanization, reforms, Government spending, infrastructure development and rebound of consumption.

Your company played a significant role by continuing to provide a dedicated channel for dissemination of information pertaining to COVID-19. This was to augment the efforts made by the Ministry of Health and Family Welfare in disseminating information on crucial COVID-19 safety protocols and Government guidelines and encouraging people to adhere to the same.

Vaccination is the biggest weapon mankind has in the battle against COVID-19 and your company went all out to encourage viewers to get this safety net for themselves. Going beyond communication, your company announced that it would thank its subscribers who get vaccinated by crediting one day worth of entertainment to every customer of Dish TV and D2H who uploads his/her details of vaccination on respective brand websites.

Moreover to aid patients and Covid warriors battling it in hospitals, Dish TV further announced that all hospitals and nursing homes having Dish TV or D2H connections will get one month of free subscription. Hospitals that could not recharge their connections would receive the benefit upon recharge.

Your Company is a pioneer in the space of channel distribution and has a diverse and powerful portfolio of its three Direct-To-Home (DTH) brands and a newly launched Over The Top (OTT) platform. The Company's OTT platform Watcho, strengthens the business portfolio and aims at focusing on the larger regional language and semi urban market. It is leading the industry in providing a versatile library of owned and 3rd party content across various technology platforms and leveraging the connected TV as a medium to deliver innovative services. Despite facing a challenging external environment, we were able to sustain our performance without a major blip and further consolidate our operations to generate efficiencies and to prepare ourselves for the future.

### India's M&E Industry Developments

The Indian Media and Entertainment (M&E) industry faced headwinds in 2020 due to the pandemic driven shrinkage in advertising spends, restrictions on live events, shooting, film screening and depressed consumer spending affecting subscription revenues. Notwithstanding the decline in size by 24% experienced during the year, the long-term prospects of the sector as one of the fastest growing sectors, within the country and globally, remain intact. This is predicated on the phenomena that the pandemic has only accelerated the trends that were driving the transformation and explosive growth of the sector. Be it shift towards on-demand, interactive and user-generated content or personalization or digitalization of platforms and payments, these have only deepened because of the pandemic.

The industry has used the opportunity of the digital content consumption rush to introduce paywalls and subscription models. This has brought the digital platforms whether OTT or online websites at par with the traditional segments in terms of monetization. The country's advantage in this space stems from its traditions of storytelling and the diversity of narratives. The players who will succeed in tapping this need for stories by offering contextualized content and leverage the capability to tell them engagingly by reaching out to the world are likely to take the sector to newer heights.

In the distribution space, proliferation of smart devices, penetration of wired and wireless broadband deeper into the hinterland, and high speeds offered by upcoming 5G networks will drive the user behaviour and habits. The industry is already evolving new distribution models and monetization strategies across devices to address these changes. Although, the ever-changing trends in the industry have opened up several growth opportunities, the shift in consumer demand for personalization is implying constant pressure on entertainment companies to drive innovation and embrace new technologies.

### Performance Overview

Dish TV has a pan India distribution network and has established strong foothold in semi urban and rural areas. With a diverse offering of products and services, we are one of the preferred entertainment brands in the country. The first mover advantage

continues to play a major role in rural and semi-urban areas where the brand acceptability is much better and is almost synonymous with the category.

Our Company has always innovated and launched the best-in-class technology to meet the needs of the subscribers to access linear as well as non-linear content on their television sets. In this direction, we have launched Android powered hybrid HD set-top boxes called DishSMRT Hub and D2H Stream for Dish TV and D2H brands respectively. We have associated with the leading players in the OTT and entertainment space like Amazon Prime Video, Zee5, Sony Liv, You Tube, Eros Now, MX Player, Hungama, Watcho etc. to bring their services on these devices.

Watcho, our in-house OTT platform, has already seen more than 25 Millions of downloads and has started generating revenue through subscription model. This platform will enable us to capture a larger wallet share and screen share of existing subscribers and also tap new user demographics. The innovation to allow users to create their own content on Watcho can differentiate us from the other OTT players and also help in making this application a one-stop shop for all entertainment needs for our subscribers. There is a continuous pressure on retention of subscribers due to various alternates available for entertainment at various price points. There is a huge push for online contemporary content provided by various paid / free OTT platform attracting youth and students across the income strata. Various regulatory changes in the past 3 years have also created lot of behaviour change in the manner in which television content is being consumed. This has resulted in widespread upheavals and heterogeneity in the consumption pattern.

In terms of performance, FY21 was a mixed bag. Due to conscious constraints on marketing spending, the Company did not attract enough new subscribers to compensate for the higher churn in existing subscribers, a result of pandemic influenced consciousness in curtailing expenses. This impacted the subscription revenue which saw a small drop of 6.4 per cent during the year under review. However, due to our focus on operational efficiencies, we increased our EBIDTA margins from 59.2 per cent to 62.1 per cent. In absolute terms, the EBITDA for the year was ₹ 20,170 million. PBT before exceptional item declined from ₹ 1,282 million in FY2019-20 to ₹ 823 million due to increased depreciation. However, the Company's net loss was significantly lower than ₹ 16,548 million recorded in FY2019-20 due to much lower impairment of goodwill related to D2H acquisition. The reported net loss for the year 2020-21 was ₹ 11,899 million. The Company continued to reduce its debt with improved cash flows and has shaved off more than ₹ 10 billion from the total borrowings.

### Looking ahead

Even as we see COVID subsiding, we may continue to see its latent impact on different sectors and in different ways. In a connected world, layers of insulation are thin at best and mostly non-existent. While the future has always had a degree of uncertainty, what is certain is that people and organisations will have to be nimble and light-footed to thrive in the fast paced changes we may expect to see. Technology being vital to the customer proposition, our Company will continue to invest in new and advanced technologies to enable subscribers to watch content anywhere, anytime. We believe that the growth will be majorly driven by increasing subscriptions from connected TVs and the growth in Pay TV such as DTH will be driven by content innovation and product offerings. We will continue to collaborate with technology partners for carrying out the enhancements for our connected devices, maintain and enter into strategic partnership and collaboration with leading players in the OTT and entertainment space to bring best in class entertainment to our customers.

With the market environment improving, we will do our best to regain the title of the fastest growing DTH brand by leveraging the diverse strengths of our multi-brands viz. "Dish TV", "D2H" and "Zing". The focus will also be shifting our existing subscribers to our premium offerings to ensure we do not lose them to direct digital subscriptions. Watcho will be another anchor for us to compete against the pure OTT platforms and also increase our addressable market. In our strategy, we will keep the customer first and build our offerings around their behaviour, habits, and needs. To achieve success in doing so, we will continue to invest in evolving technologies to that would best fulfil their needs. The special packages and zero human-touch services offered to counter COVID-19 pandemic will continue as the situation has not become completely normal. We seek to leverage and enhance our brand to strengthen our presence in the direct-to-home broadcasting services sector and develop new customer and industry relationships. We will endeavour to improve upon these by responding to customer feedback and adopting the latest technology in make the interactions most efficient.

I take this opportunity to thank all the Shareholders including our Subscribers, Central and State Government bodies, Ministry of Information and Broadcasting, TRAI and other Regulatory authorities, Investors and Business associates, for continued faith in us. I also thank my colleagues on the Board for their valuable contribution and all the employees, for their constant efforts towards growth of the organisation.

Your trust has been our biggest inspiration. I thank you all and look forward to your continuous support and co-operation. Stay entertained at home!

**Sincerely,**  
**Jawahar Lal Goel**

## NOTES:

1. Considering the ongoing Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") has, *vide* its circular dated January 13, 2021 read together with circulars dated April 8, 2020, April 13, 2020 and May 5, 2020 (collectively referred to as "MCA Circulars"), permitted convening the Annual General Meeting ("AGM") through Video Conferencing ("VC") or Other Audio Visual Means ("OAVM"), without physical presence of the members at a common venue. In accordance with the MCA Circulars, provisions of the Companies Act, 2013 ("the Act") and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), the AGM of the Company is being held through VC / OAVM, which does not require physical presence of members at a common venue. The deemed venue for the 33<sup>rd</sup> AGM shall be the Registered Office of the Company.
2. An Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ('the Act'), which sets out the details relating to the Special Businesses to be transacted at the AGM, is annexed hereto.
3. Pursuant to MCA Circulars, since this AGM is being held through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
4. The AGM of the Company was earlier scheduled to be held on September 27, 2021, which was postponed due to unavoidable circumstances. The Registrar of Companies Mumbai, Maharashtra ("ROC"), *vide* its Order dated September 23, 2021 has issued a General Order for 'Extension of time for holding Annual General Meeting of the Company for the Financial Year ended on March 31, 2021 by a period of two months from the due date by which the AGM ought to have been held'. The Company has availed the said extension.
5. Subsequent to the above and owing to unavoidable circumstances, the Board of Directors of the Company decided to further extend the holding of the AGM of the Company and the Company made an application to the ROC, seeking extension of time for holding Annual General Meeting of the Company for the Financial Year 2020-21 upto December 31, 2021. The ROC accorded its approval on the said application on November 29, 2021 and allowed extension of time by one month from November 30, 2021 to hold the AGM. Accordingly, the Board of Directors on November 29, 2021, in terms of the said extension postponed the AGM scheduled to be held on November 30, 2021. On December 3, 2021 the Board of Directors approved holding of the 33<sup>rd</sup> Annual General Meeting of the Company on December 30, 2021.
6. Pursuant to Section 113 of the Act, Corporate/Institutional members intending to appoint their authorized representative(s) to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting are requested to send (in advance), scanned copy (PDF/JPG Format) of a duly certified copy of the relevant Board Resolution / Letter of Authority / Power of Attorney, together with the respective specimen signatures of those representative(s), to the Scrutinizer through e-mail to investor@dishd2h.com and pcs.jga@gmail.com, with a copy marked to evoting@nsdl.co.in.
7. Regulation 40 of the Listing Regulations, provides that requests for effecting the transfer of listed securities shall not be processed unless the securities are held in dematerialised form with a Depository. Therefore, for effecting any transfer, the securities shall mandatorily be required to be in demat form. Further, SEBI through its circular dated September 7, 2020 had fixed March 31, 2021 as the cut-off date for re-lodging of transfer deeds and such transferred shares shall be issued only in demat mode. Members can contact the Company or Company's Registrar and Transfer Agents, for assistance in this regard *i.e.* Link Intime India Private Limited.
8. Green Initiative: Members who have not registered their e-mail address are requested to register their e-mail address for receiving all communication including Annual Report, Notices, etc. from the Company electronically.
9. Inspection: All documents referred to in this Notice and other statutory registers shall be open for inspection by the Members online during the AGM through VC/OAVM.
10. **Submission of questions or queries prior to AGM/ Registration of Speakers:** Members seeking any information with regard to the accounts or any other matter to be placed at the AGM, are requested to write to the Company from December 22, 2021 to December 26, 2021 through e-mail on investor@dishd2h.com. Such questions shall be taken up during the meeting or replied by the Company suitably. Members who would like to express their views or ask questions during the AGM may register themselves as speaker by sending their request from their registered e-mail address mentioning their name, DP ID and client ID/Folio no, No. of shares, PAN, mobile number at investor@dishd2h.com on or before December 26, 2021. Those Members who have registered themselves as a speaker will be allowed to express their views, ask questions during the AGM. The Company reserves the right to restrict the number of speakers as well as the speaking time depending upon the availability of time at the AGM.

11. Details as required in sub-regulation (3) of Regulation 36 of Listing Regulations and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, on Directors recommended by the Board for appointment / re-appointment at this Meeting forms part of the Notice. Their detailed profile also forms part of the Corporate Governance Report. The Director has furnished consent/disclosure for the re-appointment as required under the Act and rules made thereunder.
12. In accordance with the MCA Circular and SEBI circular dated January 15, 2021, in view of the prevailing situation and owing to the difficulties involved in dispatching physical copies of the financial statements (including Board's Report, Auditor's Report or other documents required to be attached therewith) for the Financial Year ended March 31, 2021, pursuant to Section 136 of the Act and Notice calling the Annual General Meeting pursuant to section 101 of the Act read with the Rules framed thereunder, such statements including the Notice of AGM are being sent only in electronic mode to those Members whose e-mail addresses are registered with the Company/Registrar or the Depository Participant(s). The Company will not be dispatching physical copies of such statements and Notice of AGM to any Member. Members are requested to register/update their e-mail addresses, in respect of electronic holdings with the Depository through the concerned Depository Participants and in respect of physical holdings with Registrar.  
A copy of the Notice of this AGM along with Annual Report for the Financial Year 2020-2021 is available in the Investor Section on the website of the Company at [www.dishd2h.com](http://www.dishd2h.com) and website of the Stock Exchanges where the shares of the Company are listed i.e. BSE Limited and National Stock Exchange of India Limited at [www.bseindia.com](http://www.bseindia.com) and [www.nseindia.com](http://www.nseindia.com) respectively and on the website of National Securities Depository Limited ('NSDL') at [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
13. Members are requested to notify immediately about any change in their postal address / E-Mail address / dividend mandate / bank details to their Depository Participant (DP) in respect of their shareholding in Demat mode and in respect of their physical shareholding to the Company's Registrar and Share Transfer Agent, viz. Link Intime India Private Ltd having its office at C -101, 247 Park, LBS Marg, Vikhroli West, Mumbai 400 083 / E Mail - [rnt.helpdesk@linkintime.co.in](mailto:rnt.helpdesk@linkintime.co.in).
14. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their Demat accounts. Members holding shares in physical form can submit their PAN to the RTA.
15. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or staying abroad or demise of any members as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participants and holdings should be verified.
16. Members who hold shares in physical form in multiple folios in identical names or joint accounts in the same order of names are requested to send share certificates to the Company for consolidation into a single folio. Members who hold shares in physical form are advised to convert their shareholding in dematerialized form with any depository participant.
17. In all correspondences with the Company, members are requested to quote their account/folio numbers and in case their shares are held in the dematerialized form, they must quote their DP ID and Client ID No(s).
18. Pursuant to Section 72 of the Act, members holding shares in physical form may file nomination in the prescribed Form SH-13 with the Company's Registrar and Transfer Agent. In respect of shares held in electronic/ Demat form, the nomination form may be filed with the respective Depository Participant.
19. Pursuant to the provisions of Section 124 and 125 of the Act, read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer & Refund) Rules, 2016 (IEPF Rules), the dividend which remains unclaimed for a period of seven years from the date of transfer to the unpaid dividend account is required to be transferred to the Investor Education and Protection Fund (IEPF) established by the Central Government. Once unclaimed dividend is transferred to IEPF, no claim shall lie in respect thereof with the Company.  
As per Section 124 of the Act read with the IEPF Rules, the shares on which dividend remains unclaimed for seven consecutive years or more are required to be transferred to the Investor's Education and Protection Fund (IEPF). Upon the said transfer, the shareholders can request the Company / RTA as per the prescribed provisions for claiming the shares out of the IEPF.
20. Since the AGM will be held through VC/OAVM Facility, the Route Map is not annexed to this Notice.

**General instructions for accessing and participating in the 33<sup>rd</sup> AGM through VC/OAVM Facility and voting through electronic means including remote e-Voting**

21. The Members can join the AGM in the VC/OAVM mode 30 minutes before and 15 minutes after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of

This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis. Members of the Company under the category of Institutional Shareholders are encouraged to attend and participate in the AGM through VC/OAVM and vote thereat.

22. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
23. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of Listing Regulations, and the MCA Circulars and Secretarial Standard - 2 issued by Institute of Company Secretaries of India, the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as voting on the date of the AGM will be provided by NSDL.
24. In line with the MCA circulars, the Notice calling the AGM has been uploaded on the website of the Company at [www.dishd2h.com](http://www.dishd2h.com). The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at [www.bseindia.com](http://www.bseindia.com) and [www.nseindia.com](http://www.nseindia.com) respectively and the AGM Notice is also available on the website of NSDL at [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
25. The remote E-Voting period for all items of businesses contained in this notice of AGM shall commence from **Sunday, the 26<sup>th</sup> day of December, 2021 at 9.00 A.M. (IST) and will end on Wednesday, the 29<sup>th</sup> day of December, 2021 at 5.00 P.M. (IST)**. The E-Voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by any Member, he/she shall not be allowed to change it subsequently.
26. The cut-off date for determining the eligibility of shareholders to exercise remote E-Voting rights and attendance at AGM is Thursday, December 23, 2021. A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the above-mentioned cut-off date, shall be entitled to avail the facility of remote E-Voting or voting at the meeting through electronic mode. The voting rights of shareholders shall be in proportion to their shares of the paid-up equity share capital of the Company as on the cut-off date. A person who is not a Member as on the cut-off date should treat this Notice for information purpose only.
27. Those Members, who will be present in the AGM through VC / OAVM facility and have not cast their vote on the Resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e-voting system during the AGM.
28. The Members who have cast their vote by remote e-voting prior to the AGM may also attend/ participate in the AGM through VC / OAVM but shall not be entitled to cast their vote again. Members are requested to carefully read the instructions for E-Voting before casting their vote.
29. At the AGM, the Chairman of the meeting shall after discussion on all the resolutions on which voting is to be held, allow voting by electronic means to all those members who are present at the meeting but have not casted their votes by availing the remote E-Voting facility. The Board of Directors of your Company have appointed Mr. Jayant Gupta, Practicing Company Secretary (PCS No. 9738) of Jayant Gupta & Associates, Company Secretaries, as the Scrutinizer to scrutinize the remote e-voting process and voting through E-Voting system at the AGM in a fair and transparent manner.
30. The Scrutinizer shall, immediately after the conclusion of voting at the AGM, will first download the votes cast at the meeting and thereafter unblock the votes cast through remote E-Voting in the presence of at least 2 (two) witnesses not in the employment of the Company. Thereafter the Scrutinizer shall, submit a consolidated Scrutinizer's report of the total votes cast in favour or against, if any, to the Chairman, or a person authorised by him in writing who shall countersign the same and declare the result of voting forthwith. The result of e-voting along with consolidated Scrutinizer's report will be declared within two working days of the conclusion of the Meeting.
31. The results declared along with the Scrutinizer's report shall be placed on the website of the Company viz. [www.dishd2h.com](http://www.dishd2h.com) and shall also be communicated to the Stock Exchanges. The Resolutions, if approved, shall be deemed to be passed, on the date of AGM.
32. AGM is being convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circulars.

Based on internal financial control framework and compliance systems established in the Company and verified by the external professional firms and statutory auditor and reviews performed by the management and/or the Audit Committee of the Board, your Board is of the opinion that Company's internal financial controls were adequate and effective, except as provided in this report, during the financial year 2020-21.

## 2. OUTBREAK OF COVID-19

As post-COVID new normal became a part of life, most sectors developed coping strategies and the gradual opening of economies began after the number of infections started reducing towards the second half of 2020, prospects for a smart recovery in 2021 became stronger. However, the subsequent second and third waves of infections in most economies have dampened the initial estimations of global growth. Vaccine access has emerged as the key factor that will determine the normalization of activity in a country and hence its economic recovery. It is driving the divergence in prospects of recovery across economies as the global rollout of vaccines has been highly unequal and seeing challenges as the supplier nations struggled to manage their surges due to the spread of mutating variants of the COVID-19 virus.

The financial year began amidst a never-before-seen lockdown to prevent an upsurge in COVID 19 cases because of the pandemic. This year has been fraught with one of mankind's greatest challenges. Our collective resilience will ensure that not only do we overcome this challenge but emerge even stronger from it. The Company has been adapting itself to the ever-changing scenario and responding while keeping the safety and interest of all stakeholders in mind. The strict but necessary measure of the lockdown along with the other precautionary measures to prevent the spread of infections have brought some unprecedented and far-reaching changes in the way of life across all aspects of our existence. The downside risks to the economy from the pandemic remain with slow pace of global vaccination and emergence of mutating variants. The other trends that will drive the Indian economic story are digital penetration, urbanization, reforms, government spending, infrastructure development and rebound of consumption.

Dish TV has continued to operate and provide DTH services to its customers, finding out new ways and means to serve the customer, even during the lockdown periods.

## 3. DIVIDEND

With a view to conserve the resources for future business requirements, your Board has not recommended any dividend on the equity shares of the Company for the year under review. The Board of Directors of the Company had approved

and adopted a Policy on Distribution of Dividend, as amended from time to time, to comply with Regulation 43A of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). The said Policy of the Company sets out the parameters and circumstances that will be taken into account by the Board in determining whether or not to distribute dividend to its shareholders, the quantum of profits and/or retained profits earned by the Company to be distributed as dividend. The policy is available on the website of the Company viz. <https://www.dishd2h.com/>

## 4. BUSINESS OVERVIEW

Dish TV has been at the forefront of India's @ Home Digital Entertainment revolution right from its beginning as the first mover in this space. It has always led the market with its technology innovations that have seamlessly combined the television viewing experience with the accessibility and variety offered by digital content. The Company's three brands, viz. DishTV, d2h and Zing have distinct positioning in the market catering to different demographics, and together make it the forerunner. It enjoys this position because at the core, Dish TV has always put the customer first and hence, they prefer the Company's offerings for their competitive cost, service quality, and easy accessibility and availability through an enormous network.

After launching many industry-first and path-breaking products in the last couple of years such as content streaming solution 'd2h Magic' and connected android boxes that allow customers to access digital video streaming, new-age entertainment and OTT apps on a d2h set-top box, the Company has in the year under review launched DIA (d2h Intelligent Assistant), an AI-enabled chatbot, that is set to revolutionize the service interactions with the customers. This initiative is based on the demand for such zero-human-touch interactions as seen in the persistent shift towards digital payments through Unified Payments Interface (UPI) and e-wallets, and to a smaller extent Credit Cards and Net Banking after the COVID-19 pandemic.

To build further on its in-house OTT platform 'Watcho', the Company has taken a progressive step to further differentiate it by giving the users a facility to create short video content for

dissemination on the platform. Thus, enabling Watcho to become the default application for the all-around entertainment needs of its target demographic. The Company also continued to expand the content available on its platforms, both owned and 3rd party, through newer partnerships and launches. The recent partnerships with 'Hungama Play', 'EPIC ON', and 'Hoichoi' (a Bengali on-demand platform) have given its subscribers access to a large content library.

A few ways in which Dish TV coped with the difficult times during the pandemic and tried to achieve customer retention were through a waiver of re-connection charges and launching pay-later schemes with a three-day credit period for eligible subscribers. Another COVID-19 mitigation measure implemented by the Company during FY 2020-21 included setting up the supply chain to procure set-top boxes and other key accessories from India, going forward.

During the year under review, the Company was relatively successful in protecting its consolidated revenue from operations with a decline of 8.6 per cent. Due to conscious constraints on marketing spending, the Company did not attract enough new subscribers to compensate for the higher churn in existing subscribers, a result of pandemic influenced consciousness in curtailing expenses. The subscriber base saw a reduction owing to cautiousness in spending by viewers due to the economic situation, propensity of the customers to migrate to other platforms and absence of fresh content from broadcasters. The shortfall in subscription revenue was the primary contributor due to a cautious approach to spending across the board. The focus on driving operational efficiencies pushed the EBITDA margin to rise by 290 basis points in FY 2020-21 as compared to the previous financial year. As the financial expenses were lower on account of reduced debt, the cash profits before taxes were higher, which helped the Company, on a consolidated basis, to reduce the debt further by ₹ 10 billion by the end of the year. Overall losses after tax also decreased by 28.1 per cent to ₹ 11,899 million. This performance has created a solid platform from which the Company can make a leap in the coming financial years when the demand environment is expected to improve significantly. It is also prepared with the right strategies to deal with any delay in this bounce due to downward risks to the economy and the sector from subsequent

waves of infections. The mainstay products from DishTV, d2h and Zing and Watcho will be the primary elements of the Company's strategic response to the evolving market situations.

## **DIRECT TO HOME ('DTH') LICENSE**

### **New DTH License:**

Your Company was issued Direct to Home ('DTH') License by the Ministry of Information and Broadcasting, Government of India ('MIB') in the year 2003, which License was valid for a period of 10 years, i.e. upto September 2013. Subsequently, the MIB has been periodically granting interim extensions of the said License.

The MIB *vide* Order dated December 30, 2020 issued amended Guidelines for DTH sector. The amended guidelines, *inter-alia* provide for a term of 20 years for the DTH License and the license fee revised to 8% of Adjusted Gross Revenue (AGR), which is to be calculated by deduction of GST from the Gross Revenue. Your Company had instituted an Employees Stock Option Scheme (ESOP - 2007) to motivate, incentivize and reward employees. In compliance with the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014, as amended from time to time, your Board had authorized the Nomination and Remuneration Committee ["NRC"] (formerly 'Remuneration Committee') to administer and implement the Company's Employees Stock Option Scheme (ESOP - 2007) including deciding and reviewing the eligibility criteria for grant and /or issuance of stock options under the Scheme. With a view to launch a new ESOP Scheme, the NRC at its meeting held on August 17, 2017, decided not to make any fresh grant of options under Employee Stock Option Scheme (ESOP - 2007) of the Company, and withdrew the Scheme by cancelling the stock options which were yet to be granted under the scheme.

Further, the Company with an objective to attract, retain, motivate, incentivize and to attract and retain the best talent, recommended a new ESOP Scheme - 'ESOP 2018' for the employees. The said scheme was approved by the shareholders of the Company at its thirtieth (30<sup>th</sup>) Annual General Meeting held on September 28, 2018. Further, extension of benefits of the scheme to the employee(s) of subsidiary companies and to any future holding company was also approved by Shareholders *vide* Postal Ballot Notice dated October 25, 2018.

Applicable disclosures relating to Employees Stock Options as at March 31, 2021, pursuant to Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014, as amended from time to time, is annexed to this report and is also available on the website of the Company *viz.* <https://www.dishd2h.com/>. The ESOP Schemes of the Company are in compliance with Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014.

The Statutory Auditors of the Company M/s. Walker

Chandiok & Co. LLP, Chartered Accountants, have certified that the Company's Employee Stock Option Scheme has been implemented in accordance with Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and the resolution passed by the shareholders.

Further, at the 29<sup>th</sup> Annual General Meeting held on September 28, 2017 the members had re-appointed M/s. Walker Chandiok & Co. LLP, Chartered Accountants, as the Statutory Auditors' of the Company, for second term of Five (5) consecutive years i.e. to hold office from the date of 29<sup>th</sup> Annual General Meeting until the conclusion of the 34<sup>th</sup> Annual General Meeting of the Company to be held in the calendar year 2022. The Company has received certificate of eligibility from M/s Walker Chandiok & Co. LLP in accordance with the provisions of the Companies Act, 2013 read with rules thereunder and a confirmation that they continue to hold valid Peer Review Certificate as required under Listing Regulations.

M/s Walker Chandiok & Co. LLP, Chartered Accountants (Statutory Auditors of the Company), have issued Audit Report with modified opinion on the Standalone and Consolidated Audited Financial Results for the financial year ended March 31, 2021.

### **Qualification, reservation, adverse remark or disclaimer given by the Auditors in their Report:**

The Report given by the Statutory Auditors on the Financial Statements of the Company for the financial year ended on March 31, 2021 forms part of this Annual Report. The auditors of the Company have qualified their report to the extent and as mentioned in the Auditors' Report. The qualification in auditors' report and Management response to such qualification are as under:

### **Details of Audit Qualification, as per Auditors' Report dated June 30, 2021 on the Standalone Financial Results of the Company for the Financial Year 2020-21:**

(a) As stated in Note 41 to the accompanying standalone financial statements, the Company has non-current investment in

and other non-current loans to its wholly owned subsidiary amounting to ₹ 515,412 lacs and ₹ 74,173 lacs respectively. The wholly owned subsidiary has negative net current assets and has incurred losses in the current year, although it has positive net worth as at 31 March 2021. As described in aforementioned note, management, basis its internal assessment, has considered such balances as fully recoverable as at 31 March 2021. However, the management has not carried out a detailed and comprehensive impairment testing in accordance with the principles of Indian Accounting Standard – 36, “Impairment of Assets” and Indian Accounting Standard – 109, “Financial Instruments”. In the absence of sufficient appropriate evidence to support management’s conclusion, we are unable to comment upon adjustments, if any, that may be required to the carrying value of these non-current investment and non-current loans and its consequential impact on the accompanying standalone financial statements.

Our opinion for the year ended 31 March 2020 was also modified in respect of this matter.

- (b) As explained in Note 41 and Note 42 to the standalone financial statements, the Company has performed an internal assessment to estimate the fair value of its investment in its subsidiary, which in our view is not a detailed and comprehensive test in accordance with the principles of Indian Accounting Standard – 36 “Impairment of Assets” and Indian Accounting Standard – 109 “Financial Instruments”. As a result, the Company’s internal financial control system towards estimating the fair value of its investment in its subsidiary were not operating effectively, which could result in the Company not providing for adjustment, if any that may be required to the carrying values of non-current investment and other non-current loans, and its consequential impact on the earnings, reserves and related disclosures in the accompanying standalone financial statements.

#### Management Response:

- (a) The Company as at 31 March 2021, has non-current Investment (including equity component of long term loans and guarantees) in and non-current loans to its wholly owned

subsidiary, Dish Infra Services Private Limited (‘Dish Infra’), amounting to ₹ 5,15,412 lacs and ₹ 74,173 lacs respectively. Dish Infra’s net worth is positive although it has incurred losses in current year. Based on internal assessment, Management believes that the realisable amount from Dish Infra will be higher than the carrying value of the non-current investments and other non-current financial assets. Hence, no impairment has been considered. The internal assessment is based on the ability of Dish Infra to monetise its assets including investments in new age technologies, which will generate sufficient cash flows in the future.

- (b) The Company has a well defined system in place to access the appropriateness of the carrying value of its investments and estimation is performed with proper laid down process based on valuation models, usually applied in such cases. The model is refined from time to time to provide appropriateness, accuracy and fair value at a particular point of time. Our internal valuation team has performed the assessment of valuation models, specifically in testing of key assumption, accuracy of inputs used in the models to determine the fair value.

#### Details of Audit Qualification 2, as per Auditors’ Report dated June 30, 2021 on the Consolidated Financial Results of the Company for the Financial Year 2020-21:

- (a) As given in Note 9 to the accompanying consolidated financial statements, the following qualification is given by another firm of Chartered Accountants vide their audit report dated 28 June 2021 on the financial statements of Dish Infra Services Private Limited, a wholly owned subsidiary of the Holding Company which is reproduced by us as under:

“As stated in Note 9 to the accompanying consolidated financial statements, the Company has invested in new technologies recorded as Intangible assets under development and related capital advances amounting to ₹ 55,200 lacs and ₹ 68,585 lacs respectively. In accordance with Indian Accounting Standard – 36, “Impairment of Assets”, the management is required to carry out impairment test of intangible assets

*under development at least annually. The management has not carried out a detailed impairment testing for intangible assets under development and related advances, inter alia, involving independent valuation experts, evaluating impact of competition on related business plans and performing sensitivity analysis of future cash flows expected from these assets. In the absence of such aforementioned impairment assessment, we are unable to comment upon adjustments, if any, that may be required to the carrying values of such intangible assets under development and the related advances”.*

*Our opinion for the year ended 31 March 2020 was also modified in respect of this matter.*

- (b) *As stated in Note 9 and Note 44 to the accompanying consolidated financial statements, the following material weakness is identified by another firm of Chartered Accountants, issued vide their audit report dated 28 June 2021 on the internal financial controls with reference to financial statements of Dish Infra Services Private Limited, a wholly owned subsidiary company of the Holding Company, which is reproduced by us as under:*

*“As explained in Note 9 and Note 44 to the consolidated financial statements, the company has performed an internal assessment to estimate the fair value of its intangible assets under development and related capital advances, which in our view is not detailed and comprehensive test in accordance with the principles of Indian Accounting Standard – 36 “Impairment of Assets”. As a result, the company’s internal financial control system towards estimating the fair value of its intangible assets under development and related capital advances were not operating effectively, which could result in the company not providing for adjustment, if any that may be required to the carrying values of intangible assets under development and related capital advances, and its consequential impact on the earnings, reserves and related disclosures in the financial statements.”*

## **Management Response:**

- (a) In line with the business plan of investing in

new age technologies, inter alia, Watcho the OTT platform, networking equipments and customer premises equipments (CPE), Dish Infra Services Private Limited, a wholly owned subsidiary Company had made significant progress in augmenting these new age technologies in previous year. The subsidiary Company had contracted with aggregators for content and related infrastructure and recorded ₹ 55,200 lacs as intangible assets under development and ₹ 68,585 lacs as related capital advances as of 31 March 2021. However, the process could not be completed within planned timeframe due to COVID-19 lockdown and restrictions imposed across the country during the year. The management of the subsidiary Company is in the process of concluding all the planned investments in the near future. ## ANNEXURE TO BOARD'S REPORT

FORM NO. MR-3

**SECRETARIAL AUDIT REPORT  
(For the Financial Year ended March 31, 2021)**

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

**The Members  
Dish TV India Limited  
18<sup>th</sup> Floor, A-Wing, Marathon Futurex,  
N M Joshi Marg, Lower Parel,  
Mumbai – 400013, Maharashtra**

I have conducted the Secretarial Audit of the compliances of applicable statutory provisions and the adherence to good corporate practices by Dish TV India Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of the Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the Financial Year ended on March 31, 2021 ("Audit Period"), complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the period ended on March 31, 2021 according to the provisions of:

- i. The Companies Act, 2013 ("the Act") and the Rules made thereunder including any re-enactment thereof;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and Overseas Direct Investment;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
  - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - c) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
  - d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
  - e) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
  - f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (*Not Applicable to the Company during the Audit period*);
  - g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client (*Not Applicable to the Company during the Audit period*);
  - h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (*Not Applicable to the Company during the Audit period*); and

- i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (*Not Applicable to the Company during the Audit period*).

**I further report that,** having regard to the compliance system prevailing in the Company and based on the representation made by the management of the Company and on examination of the relevant documents and records in pursuance thereof, the Company has complied with the following laws applicable specifically to the Company:

- (a) The Cable Television Networks (Regulation) Act, 1995 and the Rules made thereunder;
- (b) The Telecom Regulatory Authority of India Act, 1997 and *inter-alia*, the following regulations thereunder:
  - (i) The Telecommunication (Broadcasting and Cable) Services Interconnection (Addressable Systems) Regulations, 2017 along with Amendments;
  - (ii) The Telecommunication (Broadcasting And Cable) Services Standards of Quality of Service And Consumer Protection (Addressable Systems) Regulations, 2017 along with Amendments;
  - (iii) The Telecommunication (Broadcasting and Cable) Services (Addressable Systems) Tariff Order, along with Amendments;
  - (iv) The Telecommunication (Broadcasting and Cable) Services Register of Interconnection Agreements and all such other matters Regulations, 2019.
- (c) Terms and conditions of the DTH license issued by the Ministry of Information and Broadcasting.
- (d) Terms and conditions of the license issued by Wireless Planning and Coordination Wing (WPC), Department of Telecommunications, Ministry of Communications.

I have also examined compliance with Secretarial Standards with regard to Meeting of Board of Directors (SS-1) and General Meetings (SS-2), issued by The Institute of Company Secretaries of India (ICSI).

During the audit period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above. However, during the audit period, the SEBI issued show cause notices to the Company and its promoters viz. Direct Media Distribution Ventures Private Limited and World Crest Advisors LLP under Rule 4 of SEBI (Procedure for holding inquiry and imposing penalties) Rules 1995, as under Regulations 7(2)(a) and (b) of SEBI (Prohibition of Insider Trading) Regulations, 2015 the transactions of invocation of pledge of shares of the Company held by its promoter entities was to be notified to the exchanges within two trading days by said promoter entities and by the Listed Entity within two trading days of becoming aware of the said information. There were certain transactions done by promoter entities on May 15, 2019 and May 23, 2019 but the same were notified to the exchanges on August 01, 2019, thereby resulting in delay of 66 days and 76 days respectively. The Company made the said disclosure to the exchanges within 2 working days of receipt of the said disclosure. In order to settle the SEBI proceedings, without admitting or denying the findings of fact and conclusions of law, the Company and its promoters filed settlement applications with SEBI. SEBI *vide* its order dated February 17, 2021 approved settlement with respect to the Company upon payment of ₹ 8,20,782. The Company deposited the said amount within the prescribed timeline and accordingly, the matter is settled. The Promoters also settled the matter and deposited the requisite amounts with SEBI.

I further report that compliance of applicable financial laws including Direct and Indirect Tax laws by the Company has not been reviewed in this Audit as same are subject to review by the Statutory Auditors and other designated professionals.

**I further report that:**

- a) The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.
- b) The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

- c) Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- d) As per the minutes of meetings duly recorded and signed by the Chairman, the decisions of the Board and committees were carried through with unanimous consent and no dissenting views have been recorded as part of the minutes.

**I further report that** there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that, during the year 2017-18, the Hon'ble National Company Law Tribunal, Mumbai Bench vide order dated July 27, 2017 had approved the amalgamation of Videocon D2H Limited into and with the Company and the Company had issued fully paid up equity Shares of the Company of Re. 1/- (one each), on March 26, 2018, to the eligible equity shareholders of Videocon D2H Limited in exchange. However, out of the total issue of 857,785,642 fully paid equity shares, the Board of the Company allotted 775,256,159 fully paid Equity Shares of Re.1/- each and allotment of 82,529,483 equity shares was kept in abeyance owing to counter claims lodged with the Company. Subsequently, the Hon'ble National Company Law Tribunal, Mumbai Bench vide Order dated April 26, 2018 and Hon'ble Delhi High Court vide order dated August 2, 2018 directed the Company to keep the allotment of 82,529,483 fully paid Equity Shares of Re.1/- each in abeyance and to maintain a *status quo* in the matter till further orders in this regard. During the audit period under review, no further directions / orders were received for any change in status quo or carrying out the allotment of shares.

This report is to be read with my letter of even date which is annexed as Annexure and forms integral part of this report.

  - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (as amended from time to time)
  - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme, Employee Stock Purchase Scheme) Guidelines, 1999 and (Share Based Employee Benefits) Regulations, 2014 (as amended from time to time):
  - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) (Amendment) Regulations, 2008 (as amended from time to time)
  - (f) Securities and Exchange Board of India (Issue and Listing of Non-Convertible and Redeemable Preference Shares) Regulations, 2013

- (g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client (as amended from time to time)
- (h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (as amended from time to time)
- (i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018(as amended from time to time)
- (j) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015 (as amended from time to time)
- (k) Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standard - 1 (Meetings of Board of Directors) issued by The Institute of Company Secretaries of India.
- (ii) Secretarial Standard - 2 (General Meetings) issued by The Institute of Company Secretaries of India.

During the audit period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

#### **I, further report that**

Compliance of applicable financial laws including Direct and Indirect Tax laws by the Company has not been reviewed in this Audit and the same has been subject to review by the Statutory Auditors and others designated professionals.

Based on the information provided by the Company, its officers and authorized representatives during the conduct of the audit, in my opinion, adequate systems and processes and control mechanism exist in the Company to monitor and ensure compliance of provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

#### **I, further report that**

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors and Non-Executive Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance to all the Directors, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

(vi) Employee wise details of options granted during the year: *Refer below*

### (a) Senior Managerial Personnel:

- **ESOP-2007:** During the financial year under review, no stock options were granted under the ESOP -2007 Scheme of the Company. With a view to launch a new ESOP Scheme, the NRC at its meeting held on August 17, 2017, decided not to make any fresh grant of options under Employee Stock Option Scheme (ESOP – 2007) of the Company, and proposed to withdraw the Scheme by canceling the remaining stock options which are yet to be granted under the scheme. Accordingly, no fresh grant of options was made during the year under review under the ESOP-2007 scheme of the Company.
- **ESOP-2018 :** During the financial year under review, no stock options were granted under the ESOP - 2018 Scheme of the Company.

### (b) Any other employee who received a grant during the year, of options amounting to 5% or more of option granted during that year:

- **ESOP -2007:** During the financial year under review, no stock options were granted under the ESOP -2007 Scheme of the Company.
- **ESOP -2018:** During the financial year under review, stock options were granted under the ESOP-2018 Scheme of the Company. Consequently, no employee was granted stock options, which amounted to 5% or more of the total options granted during the financial year under review.

(c) Identified employees who were granted option, during any one year, equal to or exceeding 1% of the issued capital (excluding outstanding warrants and conversions) of the company at the time of grant *None*

(vii) A description of the method and significant assumptions used during the year to estimate the fair value of options including the following information:

| Expected Dividends | The shares issued under stock options shall rank pari-passu, including the right to receive dividend. Expected dividend payouts to be paid during the life of the option reduce the value of a call option by creating drop in market price of the stock. Adjustments for known dividend payouts over the life of the option are made to the formulae under Black Scholes method. However, in the present case, as the life of the option is greater than one year, there is considerable difficulty in estimating the amount and time of future dividend payouts with certainty. Hence, future dividend payouts have not been incorporated in the valuation analysis. |

| (c) how expected volatility was determined, including an explanation of the extent to which expected volatility was based on historical volatility | Volatility is a measure of the amount by which a price has fluctuated or is expected to fluctuate during a period. Each vest has been considered as a separate grant. The volatility for periods corresponding to the respective expected lives of the different vests, prior to the grant date has been considered. The daily volatility of the Company's stock price on National Stock Exchange of India Limited over these years has been considered. |

## j) Board / Committee Meeting Procedure

A well-defined system of convening at least four (4) Board meetings annually is currently in place in the Company. In addition to the said Board meetings, meetings are convened either in physical or through electronic mode, from time to time, as per the specific requirements by giving appropriate notice. Wherever it is not possible to convene or mandatory to hold a Board Meeting, resolutions are passed by circulation in order to meet the business exigencies. The Directors of the Company are given the facility to attend the meetings through video conferencing, in case they so desire, subject to compliance with the specific requirements under the Act.

The Board has a fiduciary responsibility to protect and enhance shareholder value by providing strategic direction to the Company. The Board exercises its responsibility with care, skill and diligence. The Board critically evaluates Company's strategic direction, management policies and their effectiveness. The Board discusses and decides on business strategies/policy and reviews the financial performance of the Company. The Board is given presentations covering various aspects of business, subsidiaries operations, business environment, strategy and risk management practices. The Company Secretary, in consultation with the Chairman / Executive Director, plans the agenda of the Meetings well in advance and circulates the same along with the explanatory notes amongst the members of the Board, within the prescribed time limit, to enable them to take informed decisions and to facilitate meaningful and focused discussions at the meetings. Agenda for the Board includes strategic review from the respective Board Committees, analysis and review of annual strategic and operating plans and capital allocation and budgets. Minutes of the Board Meetings of company and subsidiaries, minutes of the various Committees constituted by the Board, compliance reports filed with regulatory authorities and certificates confirming compliance with the applicable laws are tabled at Board meetings. The Board also reviews possible risks and risk mitigation measures, financial reports from the Chief Financial Officer, compliance reports from the Company Secretary and Compliance Officer, Chief Executive Officer and other business reports from the Management Team. Where it is not practicable to attach any document to the agenda, it is tabled before the meeting. The quantum and quality of information supplied by the management to the Board goes beyond the minimum requirements stipulated under the Act, Secretarial Standards on Meetings of the Board issued by the Institute of Company Secretaries of India and Listing Regulations. These detailed meetings provide the strategic roadmap for the Company. Board meetings are generally held at the Corporate Office of the Company.

Upon the advice of the Board, senior management personnel are invited to the Board / Committee meetings to apprise and make presentations on relevant issues or provide necessary insights into the operations / working of the Company and corporate strategies. Information required to be placed before the Board and Committees thereof, as per Regulation 17(7) of the Listing Regulations, are considered and taken on record / approved by the Board. The Board regularly reviews Compliance status in respect of laws and regulations relevant to the Company.

The Company Secretary records minutes of proceedings of meeting of Board and Committee thereof. Minutes of proceedings of each Board and Committee meeting are recorded and draft minutes are circulated to Board/ Committee members for their confirmation, in terms of the applicable provisions. The inputs, if any, of the Board and Committee Members are incorporated in the Minutes after which these are entered in the Minutes Book in compliance with the applicable provisions. Important decisions taken at Board/ Committee meetings are communicated promptly to the concerned departments/ officials.

#### **k) Code of Conduct**

The Company has adopted a Code of Conduct for the Members of the Board of Directors and Senior Management and all the Directors and senior management personnel as defined in the Code provide their annual confirmation of compliance with the Code. Besides the said Code, the Company has also put in place a Policy on Ethics at Work Place which is applicable to all employees. The role and responsibilities of Independent Directors as prescribed in Schedule IV of the Companies Act, 2013 and/or prescribed in Listing Regulations forms part of the appointment letters issued to Independent Directors. Copy of the Code along with the terms of appointment of Independent Directors is available on the website of the Company at <http://www.dishd2h.com/corporate-governance/>

A declaration affirming compliance with the Code of Conduct by the Members of the Board and Senior Management Personnel is given below:

#### **Declaration**

## MANAGEMENT DISCUSSION AND ANALYSIS

### ECONOMY OVERVIEW

#### Global Economy

The world economies continued to fight the spread of Coronavirus in its second year. While 2020 saw the healthcare infrastructure even in advanced economies struggle to cope with the onslaught of the virus, the lockdowns and restrictions on people movement implemented to prevent the spread resulted in widespread economic upheavals. In addition to depressing the consumer demand, the business activity was also adversely impacted which resulted in the de-growth of the Global Economy by 3.2 percent in 2020. Almost all the Advanced Economies were severely affected by the pandemic and their economies as a grouping declined by 4.6 percent during this period.

As post-COVID new normal became a part of life, most sectors developed coping strategies and the gradual opening of economies began after the number of infections started reducing towards the second half of 2020, prospects for a smart recovery in 2021 became stronger. However, the subsequent second and third waves of infections in most economies have dampened the initial estimations of global growth. Vaccine access has emerged as the key factor that will determine the normalization of activity in a country and hence its economic recovery. It is driving the divergence in prospects of recovery across economies as the global rollout of vaccines has been highly unequal and seeing challenges as the supplier nations struggled to manage their surges due to the spread of mutating variants of the COVID-19 virus. Even after factoring in these downside risks, the global GDP is projected to grow by 6 percent in 2021 and 4.9 percent in 2022. With most of the Advanced Economies managing to have a relatively faster rollout of vaccination, the bloc is expected to grow by 5.6 percent. Some of the key factors that will have an impact on the shared and individual prospects of economic recovery in 2021, other than the vaccine access, are:

- the fiscal policies of the governments to support disposable income,
- pent-up consumer demand and savings to finance it,
- inflationary shocks in some parts that are either seeing overheating or significant supply disruptions,
- structural adjustments in global supply chains, and
- other policy interventions by the governments to control the pandemic and mitigate its impacts on the business activities.

#### Indian Economy

The COVID-19 infection numbers for India have followed the trend in Advanced Economies albeit with a lag. Although the country was able to substantially control the infection count during the first wave in 2020 on a per capita basis compared to some of the worst affected countries, it witnessed high peak numbers during a short but highly devastating second wave of infections in 2021. During the first wave as it struggled to develop administrative and healthcare capacity to deal with the pandemic, the country's economy went into a tailspin especially in the first quarter of the FY 2020-21 when a strict lockdown was imposed. Once the economic activity gradually resumed as the people adapted to the restrictions, shifted to online interactions and transactions, wherever possible, or restrictions were lifted in phases, the economy once again returned to growth mode in the second half of the financial year. The lockdowns and displacement of labour across the country created a sense of fear about joblessness and livelihood. The marginal and vulnerable population bore the brunt of loss of jobs, lack of healthcare infrastructure and increased frustration on account of day-to-day management of life. The rural population suffered more due to a lack of available resources and knowledge to deal with the situation. For the full year, India's economic output saw a decline of 7.3 percent in FY 2020-21.

[Source: National Statistical Office (NSO), Ministry of Statistics & Programme Implementation (MOSPI), Government of India, Press Note – May 31, 2021]

However, despite disruptions and partial closure of economic activity in the year gone by, the future of economic growth is expected to be around 8-10% as per various estimates. The Trade, Hotels, Transport, Communication and Broadcasting-related services segment that saw a maximum dip of -18.2% in FY 2020-21 [Source: MOSPI, Government of India, Press Note – May 31, 2021] and was expected to see a slower recovery in output during FY 2021-22. Gross Value Added (GVA) was expected to recover from a 6.2 percent decline to a 7 – 8.5 percent growth in FY 2021-22. The headline inflation number was expected to moderate from 6.16 percent in FY 2020-21 [Source: <https://bit.ly/3xB7NYY> - Inflation data from NSO] to 5.1 percent in FY 2021-22 [Source: <https://bit.ly/3iGrB8V> - RBI Monetary Policy June 2021]. Similarly, the fiscal deficit was expected to reduce from 9.3 percent of GDP in the previous financial year [Source: <https://bit.ly/3jPDuJ9>] to 6.8 percent in FY 2021-22 [Source: <https://bit.ly/2VNN46W>]. The current account, which saw a surplus after more than one and a half-decade due to lower imports in FY 2020-21, is likely to return to a deficit during the next year [Source: <https://bit.ly/2Udqu7t>].

**INDUSTRY OVERVIEW** [Source: FICCI EY “Playing by new rules” Media & Entertainment sector report, March 2021]

### Indian Media and Entertainment (M&E) Sector

2020 had an all-pervasive impact on the Indian Media and Entertainment sector as the economic slowdown due to the COVID-19 pandemic affected advertising and subscription revenue. However, it also accelerated some long-term trends and brought some sustainable changes in the viewing habits of the consumers. This meant the industry had to revamp its customer engagement models because of the emergence of new demand-side patterns, thus bringing structural changes in the sector.

The size of the Indian M&E sector shrunk to ₹ 1.38 trillion in 2020 from ₹ 1.82 trillion in 2019. This contraction increased the churn among segments with the Digital Media segment taking over the second position on the leader board from Print and Online Gaming leaping to the fourth position from the seventh position in 2019. This performance was since only these two segments grew in 2020 over 2019. Filmed entertainment and Print were the most impacted, followed by Television. However, Television remained the largest segment of the industry in 2020.

However, the long-term story of the Indian M&E sector remains strong because of the size of its population, diversity of content creation, long storytelling tradition, growing digital penetration, and development of competencies to become the content production hub for the world. These factors are expected to translate into a pace of growth that will see the sector doubling in size by 2025 making it one of the fastest growing countries in the M&E space.

A few important trends that were seen in the M&E space during the year 2020 are as follows:

- The contribution of subscription revenue to the industry pool increased from 49.7% in 2019 to 51.5% in 2020 due to the resilience of subscription models vs ad-based models. This was applicable for OTT, print and television.
- 28 million Indians subscribed to 53 million paid OTT subscriptions. This number was only 10.5 million Indians in 2019, hence growth of 49% in 2020.
- The number of online gamers touched 360 million in 2020 translating into a growth of 20% over 2019.
- While the Digital advertising revenue remained flat in 2020 over the previous year, its contribution to the total advertising revenues jumped to 32 percent from 24 percent in 2019.

- The content formats have become the differentiation factor in terms of consumption vis-à-vis segments as all the segments offer content in video, audio, text and experiences formats. 2020 also saw acceleration of the long-term trend favouring content consumption in video format.

## Indian Television (TV) Industry

The Television industry in India contracted by 13 percent in 2020 from ₹ 787 billion in 2019 to ₹ 685 billion. A major part of the fall was in the advertising revenues at 21.5 percent although the ad volumes fell only by 3 percent. The number of channels also saw a decline in 2020 by net 9 channels, however, the viewership increased by 7.3 percent from 1,614 billion Average Minute Audience (AMA) to 1,731 billion AMA. This was a significantly higher jump than the 0.6 percent increase seen in 2019 over 2018 because of considerably higher time spent indoors due to lockdowns. Hindi Speaking Markets saw a higher jump than the southern markets. In terms of genres, News and Kids channels saw an increase in viewership share and cannibalised the share of Sports and Music and Youth channels.

On average the regional Television channels received 26.6 percent more ad volumes than national channels in 2020, as against a 13 percent lead on national channels in 2019. On the other hand, the subscription revenue dipped by 7.3 percent mainly because of lower ARPUs driven by reverse migration, cautious spending, and lack of fresh content (including live sports events). A reduction in Pay-TV universe by 2 million households also contributed to this fall. There was a major shift in the consumer behaviour reflected in the higher number of OTT consumption both in terms of time and amount spent by the consumer.

## INDUSTRY OUTLOOK (Source: FICCI EY “Playing by new rules” Media & Entertainment sector report, March 2021)

The M&E sector is projected to expand by 25 percent to ₹ 1,729 billion in 2021 and at a CAGR of 17 percent from 2020 to 2023. Television is expected to retain its dominant position amongst all the segments, whereas Digital Media and Online Gaming will continue to surge ahead at an above industry average pace despite showing growth during the pandemic year.

Television segment size in 2021 would touch ₹ 760 billion translating into a growth of 10.9 percent over 2020. It is expected to grow at a CAGR of 7 percent from 2020 – 2023 and achieve a revenue base of ₹ 847 billion. Overall TV subscriptions are projected to go up from 176 million in 2020, including 171 Unidirectional TV and 5 million Connected TV, to 231+ million in 2025. The maximum increase will be from Connected TV which will cross 40+ million subscriptions in 2025 as broadband penetration and connection speeds improve across the country. The Unidirectional TV will see only a secular growth to 191+ million TV sets. Total viewership of video content will shift away from Mass consumers towards those who are tactically digital, or view bundled digital offerings along with primary content consumption on pay TV. The share of the tactically digital and bundled digital category of video viewers is estimated to go up from 41 percent in 2020 to 60 percent by 2023.

There is increasing competition both from within the industry as well as alternate solution providers. High-speed Internet at lower costs continues to be a potential alternative and could be a threat. However, restricted bandwidths are still a bottleneck to take to mass markets. Increased consumption of TV content via mobile is proliferating fast, although, the mobile viewing experience as of now is restrictive. Competition in the DTH Pay-TV industry has intensified in recent years as the industry has matured and seen the growth of digital cable-based Pay-TV services offered by digital cable operators. These cable-based Pay-TV services have significantly greater capacity, enabling them to offer substantial HD programming content as well as bundled services. In addition, huge growth has been witnessed in the free DTH platform of Doordarshan because of many private channels being available on the said platform. The difference in the pricing between the Pay-TV, Free-TV from Doordarshan and OTT platforms has also led to increased competition.

## COMPANY OVERVIEW

Dish TV India Limited is a leading direct-to-home (DTH) Company, providing its services across the segments and the Country. The Company owns recognised and powerful brands like ‘DishTV’, ‘d2h’ and ‘Zing’ under its umbrella. This service will act as an enabler for OTT content consumption without the hassle of separate connectivity and will also save costs in the long run. These products have found widespread appreciation and are hugely popular amongst the youth and the newly connected subscriber.

### **Regional Content**

DishTV and d2h have a strong regional content portfolio. We added channels for the Southern markets making them one of the strongest players in those markets. For the Bengal market, Dish TV has a partnership with 'Hoichoi,' a leading Bengali on-demand platform, whose app was added to the App Zone of the Company's Android-based connected devices.

### **Watcho**

Watcho, the in-house OTT platform, has displayed exponential growth with regular content updates and partnerships with leading technology platforms. The platform has received a good response since launch as the users are delighted with the seamless experience of watching new-age and bite-sized video content. We have already seen downloads of more than 25 million and it is ever increasing due to the veracity of content and short films suited for on-go entertainment.

### **Value-Added Services**

The Company also offers value-added service 'Shorts TV Active' in partnership with ShortsTV, the world's only TV channel dedicated to short movies. The Company has also introduced regional value-added services in the form of 'Punjabi Active' and 'Telugu Active' for its Punjabi and Telugu speaking viewers. Both services offer unique and engaging content including chat shows of top celebrities, behind-the-scenes of new movies, action and comedy scenes, chat shows and songs on both DishTV and d2h platform.

The Company also launched 'Rangmanch Active', a theatre service dedicated to showcasing plays across genres – from musicals and classics to drama, mystery, comedy and satire, featuring some of the most acclaimed actors

from theatre and small screen. 'Ayushman Active' was also launched during the year to meet the content needs of senior citizen viewers on both of its brands, DishTV and d2h. The Company intends to leverage these value-added services to drive incremental growth in revenues and boasts of a diverse portfolio catering to varied genres.

An educational channel 'Kalvi Tholaikkatchi,' was launched by Dish TV to enable students to receive quality education at home as they are stuck there due to the pandemic causing the closure of the schools.

## **Empowering subscribers**

A key aspect of improvement in technology is how it becomes simpler to use - reaching out to a larger set of users and enabling more use cases. Your company has always been quick to adopt technology both at the back end as well as the front end. One such feature which was introduced for the benefit of its subscribers was 'Scan to Help' on My DishTV app. It is powered by Artificial Intelligence & Machine Learning and supports Hindi and English language for easy understanding. With this feature, the company aims to empower all existing and new subscribers for self-help in case of any technical errors on the Set-top Box. The subscribers can seamlessly initiate the self-help journey by scanning the error plate and it will automatically share an update on the account status and current subscription. In case of bad weather conditions at the broadcasting center, it will take an update of the weather conditions in the subscriber's locality and proceed with technical troubleshooting. The app also provides an option to raise a 'Service Ticket' within the journey itself. Another utility to aid subscribers was the introduction of a Do-it-yourself (DIY) or Self Help centre on the websites.

It give subscribers an opportunity to avoid calling customer care for regular queries related to recharges made, pack information, troubleshooting, service related queries/complaints and more. The vision for this tool is to automate the entire customer service ecosystem intended to become a one-stop solution for all subscriber queries.

Wallets have become extremely popular and have played a crucial role in enabling digital payments amongst the masses. Your company receives a significant amount of recharges through this mode, a deep Integration of recharge options with key platforms has been enabled to add to the convenience of subscribers using these wallets.

Technology is playing a crucial role in shaping the world and it forms the backbone of your company's operations. Your Company's IT systems are now CMMI ML5 V2 (DEV & SVC) certified. This is in addition to the company receiving the ISO 20000-2018 certification as well. To make our service technicians more efficient, we launched a feature of QR code based capture of "Signal strength" and "signal quality" in the technician app. This would be an extremely helpful tool for new Installations as well as regular service requests.

## **BUSINESS STRENGTHS**

- ✓ **First mover advantage:** Dish TV is a leading content distribution platform in India. The first-mover advantage with a technological edge, superior network quality, strong channel partner ecosystem, comprehensive digital offerings add to its competitive strengths.
- ✓ **Strong foothold in semi-urban and rural areas:** The metros and larger cities are saturated from a new subscriber growth perspective. Hence, Dish TV's robust market penetration in the semi-urban and rural areas gives it the advantage to capture new subscribers. With the increased focus on improving ease of living and infrastructure investments in the rural economy, the greater spending capacity will assist in greater penetration. With its Customer First approach, best TV viewing experience, unique content and Value-added Services options, and customised packages as per the customers' requirements, it can retain these subscribers and prevent churn.
- ✓ **Large dealer/distributor network:** With a wide sales and distribution network, Dish TV has established a strong presence in thousands of retail outlets supported by a large number of service touch-points across the country. At the end of FY21, the Company's distribution footprint comprises 3,100 distributors & around 3,03,000 dealers/ recharge outlets that span across 9,300 towns in the country.
- ✓ **Multi-brand leverage:** The three-brand portfolio with diverse strengths allows the Company to cater to multiple consumer segments of the market. In addition, each brand has its own geographical pockets of strength. Dish

TV has always had a high top of- the-mind consumer brand recall while d2h is having high brand loyalty in trade circles.

- ✓ **Watcho – Company’s OTT Offering:** The Company launched Watcho to strengthen its business portfolio and aims at focusing on the larger regional language and semi-urban area market. It has caught the fancy of the viewers across the most popular genres of youth, social awareness and contemporary socials. The Company is planning to further enrich the content involving stories around nationalism, sports, religion and social melodrama to broaden the viewer demographic.

## BUSINESS STRATEGIES

- ✓ **Strong Customer Connect:** By constantly enhancing the value proposition for the customers through offering a wide variety of offerings not only in terms of boxes but also access to online content, apps, services on TV, the Company has put subscribers at the centre of its business model. This approach not only helps it cater to different customer segments but also expand its wallet share from its existing customers. The Company is focusing on up scaling its subscriber base by focusing on HD offerings. With the COVID-19 pandemic as a big driver, the Company has strengthened its digital services infrastructure for its subscribers and enabled the execution of nearly all interactions without any human contact. The Company is making strategic investments in understanding customer needs and expectations in various phases of digitalisation to further improve services to the customers.
- ✓ **Technological Innovation:** The Company has always focused on being ahead in terms of technology. With content consumption becoming increasingly personalised because of the availability of screens and ease of access to entertainment content online, the Company has been innovating to integrating the digital content library with the superior viewing experience available on a TV vis-à-vis smaller screens. In addition, it is also expanding its target subscriber base by launching the Watcho OTT platform that will allow subscribers to watch content anywhere, anytime, and be natively available for viewing on TV by expanding its footprint on leading technology platforms.

## OUTLOOK AND OPPORTUNITIES

The economic recovery in FY 2021-22 and projected growth for the M&E sector and TV segment means the Company is likely to perform well during the year. With the reduced debt on the balance sheet and optimised cost structure, the Company believes that it shall further strengthen the operational parameters.

With its diverse offerings catering to both Unidirectional TV and Connected TV viewing, the Company can leverage the segment’s growth. Localized restrictions due to continued COVID would mean TV viewership will continue to sustain its high levels and increase going forward. In addition, increasing TV households, urbanization, growing multi-TV households, rural electrification and improving consumer sentiment should continue to be primary drivers of DTH growth. A fast-growing interest in streamed content should give a major boost to the market for hybrid and connected devices. Dish TV is well on its way to making the most of this opportunity and this will be one of the key focus areas going forward.

## OPERATIONAL PERFORMANCE

FY21 was a challenging year for the Company as the COVID-19 pandemic not only impacted the subscriber base but also brought in constraints in terms of operations that necessitated the Company innovating and implementing completely online/no-touch customer interfaces. The subscriber base saw a reduction owing to cautiousness in spending by viewers due to the economic situation, job losses and absence of fresh content from broadcasters. The Company waived off re-connection charges at the beginning of the lockdown to reduce subscriber churn. The Company focused on online subscriber engagement campaigns to keep costs under control and restricted spending on customer acquisition. This meant lower new subscriber additions, which combined with higher subscriber churn resulted in a net reduction in the subscriber base during the year.

The Company leveraged its existing digital infrastructure and took it to the next level by offering contactless home delivery, installation of CPE, online recharge and contactless service experience with help from DIA (d2h Intelligent Assistant), an AI-enabled chatbot, and on-screen guides. inflow. In addition to implementing its app to enable the call centre team to operate from home, it also made sure Work From Home for other employees did not hamper productivity and collaboration by ensuring connectivity and infrastructure. With the revenue getting impacted due to lower subscriber count, it focused on cost rationalization during the year. Robust cash flow and lower costs meant the quality of the balance sheet improved significantly due to improved operating profitability and reduction in debt.

Dish D2H won the 'e4m Play Awards 2020' for the category 'Best Use of Video by/ on a Brand Owned Channel' for its subscriber launch campaign.

## RISK AND MITIGATION

The Company is cognizant of the inherent risks in its business, which may impact its performance significantly if not managed appropriately on time. It has, therefore, adopted a robust Risk Management Policy within the overall Risk Management Framework to identify, assess, monitor and mitigate the risks to minimize their negative effect on the Company's financial performance and its long-term prospects. The Company has also put in place systems, processes, structures and resources to implement the policies. The major risks and associated mitigation approaches are discussed below.

- ✓ **Technology risk:** Fast-paced evolution of technology in devices and platforms (mediums) for the consumption of entertainment content brings enormous risks for players in this industry. However, the key factor that determines the impact of technological changes on the Company's business is the change in customer preferences concerning competition's offerings and for alternative devices and platforms.

**Mitigation:** Upgrade of and investment in back-end and front-end technologies to stay ahead of direct competition. Adoption of new technologies to address the challenges from alternative devices or platforms to offer a competitive proposition in terms of ease, cost, and diversity of content consumption. The Company is vigilant of emerging threats from a technology perspective and is constantly innovating to test the market by offering new products (including new value-added services) based on or countering these new technologies.

- ✓ **Regulatory Risk:** The broadcasting industry is regulated by the norms prescribed by the Ministry of Information & Broadcasting, Ministry of Electronics and Information Technology and Telecom Regulatory Authority of India (TRAI). These regulations and norms not only control major aspects of the business model such as pricing, content bundling, etc. but also prescribe comprehensive compliance requirements. Any deviations may lead to penalties, suspension of operations, and other punitive measures.

**Mitigation:** The Company complies with all provisions of applicable laws and regulations in letter and spirit. It also has a diverse business portfolio that prevents a survival risk when a single business may be adversely impacted due to regulatory changes.

- ✓ **Economic Risk:** The macroeconomic factors have a significant impact on the private consumption basket, including entertainment, through their effect on disposable income and consumer priorities. COVID-19 pandemic is likely to hurt the economy for the next couple of years, however, it is also driving an increase in consumption of entertainment content as people spend more time at home.

**Mitigation:** The impact of economic fortunes on entertainment consumption are only temporary as entertainment is a fundamental need. With the proliferation in media channels, personalization of content consumption and increasing income levels, the demand for entertainment content is more likely to only increase over the long term.

- ✓ **Competition Risk:** The nature of the competition for the Company's business is constantly evolving and intensifying. It is facing competition not only from cable and other DTH players distributing TV content but also from other mediums such as the internet, OTT platforms, free content providers including DD Direct that deliver entertainment to homes for a range of subscribers.

**Mitigation:** The Company invests heavily in its content portfolio and delivery platforms in addition to innovating with the Value-Added Services to continuously stay ahead of the competition. The focus is always on the subscribers, their needs and preferences. It also strives to offer the widest possible choices in terms of content and technology to retain and attract subscribers. It has launched a wide range of premium offerings such as Android-powered SMRT Hub & Stream set-top box, Alexa powered SMRT Kit & Magic set-top box and OTT platform Watcho in addition to the standard HD and SD set-top boxes.

- ✓ **Capital Intensive Business:** Business being highly capital intensive and dependent on our ability to adapt to technological innovations. Our Company operates in a capital-intensive industry, which over the years has seen changes due to technological improvements and is currently in the process of digitization. Our Company relies on sophisticated broadcast equipment, communications equipment, and other information technology

to conduct its business. New technologies have been, and will likely continue to be, developed that further increase the competition the Company faces for its business.

**Mitigation:** The Company adapts to technological changes and adopts the latest technologies in a timely and cost-effective manner. Our Company seeks to proactively anticipate technological developments and to maintain adaptability and price competitiveness to enable it to respond to changes in consumer behaviour. However, the Company may experience delays in the roll-out of new products for various reasons, including failure to upgrade its networks, capital shortfalls, failure of third-party suppliers to deliver services and products promptly and inability to meet the Company's implementation schedules.

- ✓ **COVID-19 Risk:** The Coronavirus pandemic has caused demand shocks and supply chain bottlenecks in many sectors of the economy, in addition to causing a massive loss of life and financial strain for people. The social distancing measures and restrictions on the movement of people have affected business operations. Continuation of a pandemic would affect the Company's business due to its ability to have a long-term impact on the general wellbeing of subscribers, trade and employees.

**Mitigation:** Company Implements all the prescribed safety protocols for social distancing in entire business operations including offices, subscriber services, and business interactions. Run communication programs to create awareness about the measures adopted by the Company to keep all its stakeholders safe and promote positive mental health practices. Organize vaccination drives for its employees.

## INTERNAL CONTROL SYSTEMS AND ADEQUACY

The Company's internal system is comprehensive and effective in enforcing financial control, ensuring compliance and mitigating risks. The system is constantly assessed and strengthened through audit and review mechanisms by making changes to the policies, structures, standard operating procedures and resource allocation. The key objectives are to maintain a high standard of Corporate Governance, safeguard and protect the Company from any loss, through prevention and detection of frauds, ensuring accuracy and completeness in recording financial transactions, proper authorizations for all transactions, and alignment of operations with its long-term and short-term business objectives. The Board of Directors and the Committees of the Board monitor these internal controls systems and review on a quarterly basis with the aid of statutory and internal auditors.

## HUMAN RESOURCES

The work culture at Dish TV is employee-friendly as the Company believes in providing an enabling working environment for the employee to perform and develop themselves into committed professionals. Its people practices are not only aligned with the business objectives but also compare favourably with industry best practices to ensure attraction and retention of talent. The diversity of the Company's employee base poses an interesting Human Resource Management challenge for building an agile and capable organization. This is addressed by ensuring open communication channels, flatter organization structure, orientation and positive incentivization towards adoption of the Company's values and culture and giving the employees opportunity and freedom to perform. It supports the professional development of the employees by investing in training programs and participation in industry conferences.

COVID-19 pandemic has had a significant impact on the Company's operations. To ensure the employees have a smooth experience in performing their duties in a Work From Home mode, the Company has invested in providing them with the right systems and connectivity. It is also organizing programs to ensure their general wellbeing, keep them engaged with the organization, and maintain connection and collaboration with fellow employees.

The count of permanent employees on the Company's rolls as of March 31, 2021, was 388.

## Information other than the Financial Statements and Auditor's Report thereon

7. The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

## Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

8. The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
9. In preparing the financial statements, Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
10. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
12. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
  - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;

13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

16. As required by section 197(16) of the Act, based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
17. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure I, a statement on the matters specified in paragraphs 3 and 4 of the Order.
18. Further to our comments in Annexure I, as required by section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
  - a) we have sought and except for the matter described in the Basis for Qualified Opinion section, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements;
  - b) except for the possible effects of the matter described in the Basis for Qualified Opinion section, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c) the standalone financial statements dealt with by this report are in agreement with the books of account;
  - d) except for the possible effects of the matter described in the Basis for Qualified Opinion section, in our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act;
  - e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2021 from being appointed as a director in terms of section 164(2) of the Act;
  - f) the qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion section;
  - g) we have also audited the internal financial controls with reference to financial statements of the Company as on 31 March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date and our report dated 30 June 2021 as per Annexure II expressed modified opinion; and
  - h) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
    - i. the Company, as detailed in note 55 and 60 to the standalone financial statements, has disclosed the impact of pending litigations on its financial position as at 31 March 2021;
    - ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2021;
    - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2021; and
    - iv. the disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these standalone financial statements. Hence, reporting under this clause is not applicable.

# ANNEXURE I

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
- (b) The property, plant and equipment, other than consumer premise equipment (CPE) installed at the customers' premises, have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of verification of the property, plant and equipment, other than CPEs installed at the customers' premises, is reasonable having regard to the size of the Company and nature of its assets. The existence of CPEs installed at the customers' premises is verified on the basis of the 'active user status'. Accordingly, we are unable to comment on the discrepancies, if any, that could have arisen on physical verification of CPEs lying with customers in 'inactive status'.
- (c) The title deed of following immovable property (which are included under the head 'Property, plant and equipment' and which was transferred as a result of business combination in earlier years) is still registered in the name of the erstwhile transferor Company:

| Nature of property | Total number of Cases | Whether leasehold / freehold | Gross block 31 March 2021 (in ₹ lacs) | Net block/ carrying value as on 31 March 2021 (in ₹ lacs) | Remarks                                          |
|--------------------|-----------------------|------------------------------|---------------------------------------|-----------------------------------------------------------|--------------------------------------------------|
| Land               | One                   | Leasehold                    | 2,607                                 | 2,533                                                     | Refer note 54 to standalone financial statements |

- (ii) The Company does not have any inventory. Accordingly, the provisions of clause 3(ii) of the Order are not applicable.
- (iii) The Company has granted interest free unsecured loans to a Company being wholly owned subsidiary, covered in the register maintained under Section 189 of the Act; and with respect to the same:
  - (a) in our opinion the terms and conditions of grant of such loans are not, prima facie, prejudicial to the Company's interest.
  - (b) the schedule of repayment of principal and payment of interest has been stipulated and the principal amount is not due for repayment currently; and
  - (c) there is no overdue amount in respect of loans granted to such Company.
- (iv) In our opinion, the Company has complied with the provisions of Section 185 and 186 of the Act in respect of loans, investments and guarantees. Further, in our opinion, the Company has not entered into any transaction covered under Section 186 of the Act in respect of security.
- (v) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's services and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, have generally been regularly deposited to the appropriate authorities, though there has been a slight delay in a few cases. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
- (b) The dues outstanding in respect of income-tax, sales-tax, service-tax, duty of customs, duty of excise and value added tax on account of any dispute, are as follows:

## ANNEXURE II

### **Independent Auditor's Report on the internal financial controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

1. In conjunction with our audit of the standalone financial statements of Dish TV India Limited ('the Company') as at and for the year ended 31 March 2021, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

### **Responsibilities of Management and Those Charged with Governance for Internal Financial Controls**

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements**

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls with reference to financial statements.

### **Meaning of Internal Financial Controls with Reference to Financial Statements**

6. A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls with Reference to Financial Statements**

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Qualified opinion

8. According to the information and explanations given to us and based on our audit, the following material weakness have been identified in the operating effectiveness of the Company's internal financial controls with reference to financial statements as at 31 March 2021:

As explained in Note 41 and Note 42 to the standalone financial statements, the Company has performed an internal assessment to estimate the fair value of its investment in its subsidiary, which in our view is not a detailed and comprehensive test in accordance with the principles of Indian Accounting Standard – 36 "Impairment of Assets" and Indian Accounting Standard – 109 "Financial Instruments". As a result, the Company's internal financial control system towards estimating the fair value of its investment in its subsidiary were not operating effectively, which could result in the Company not providing for adjustment, if any that may be required to the carrying values of non-current investment and other non-current loans, and its consequential impact on the earnings, reserves and related disclosures in the accompanying standalone financial statements.

9. A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial controls with reference to financial statements, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis.
10. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements as at 31 March 2021, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI, and except for the effects/possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company's internal financial controls with reference to financial statements were operating effectively as at 31 March 2021.
11. We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone financial statements of the Company as at and for the year ended 31 March 2021, and the material weakness has affected our opinion on the standalone financial statements of the Company and we have issued a Qualified opinion on the standalone financial statements.

# STANDALONE SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

(All amounts in ₹ lacs, unless otherwise stated)

## 1. Background

Dish TV India Limited ('Dish TV' or 'the Company') was incorporated on 10 August 1988. The Company is engaged in the business of providing Direct to Home ('DTH') television and Teleport services. Dish TV is a public company incorporated and domiciled in India. Its registered office is at 18th floor, A Wing, Marathon Futurex, N M Joshi Marg, Lower Parel, Mumbai 400013, Maharashtra, India.

## 2. General information and statement of compliance with Indian Accounting Standards (Ind AS)

These standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standard (Ind AS) as notified by Ministry of Corporate Affairs ('MCA') under section 133 of the Companies Act 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules 2015, as amended and other provisions of the Act. The Company has uniformly applied the accounting policies during the periods presented.

The standalone financial statement for the year ended 31 March 2021 were authorised and approved for issue by Board of Directors on 30 June 2021.

## 3. Recent accounting pronouncement

### Standard issued but not yet effective

Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standards. However, there are no such notifications which have been issued but not yet effective or applicable from 1 April 2021.

## 4. Significant accounting policies

### a) Overall consideration

These standalone financial statements have been prepared using the significant accounting policies and measurement bases summarised below.

These accounting policies have been used throughout all periods presented in these standalone financial statements.

### b) Basis of preparation of financial statements

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis except for certain financial assets, financial liabilities and share based payments which are measured at fair values as explained in relevant accounting policies.

Further the management believes that it is appropriate to prepare these financial statements on a going concern basis considering available resources, current level of operations of the Company, and those projected for foreseeable future.

### c) Current versus non-current classification

All assets and liabilities have been classified as current or non-current, wherever applicable as per the operating cycle of the Company and other criteria set out in the Act. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

### d) Business combinations and goodwill

Business combinations are accounted for using the acquisition method. The consideration transferred by the Company to obtain control of a subsidiary is calculated as the sum of the acquisition-date fair values of assets transferred, liabilities incurred, the equity interests issued and fair value of contingent consideration issued. Acquisition-related costs are expensed as and when incurred.

Assets acquired and liabilities assumed are measured at their acquisition-date fair values.

Contingent consideration is classified either as equity or a financial liability. Amounts classified as a financial liability are subsequently re-measured to fair value with changes in fair value recognised in profit or loss.

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date. Contingent consideration classified as an asset or liability that is a financial instrument and within

(All amounts in ₹ lacs, unless otherwise stated)

the scope of Ind AS 109 Financial Instruments, is measured at fair value with changes in fair value recognised either in profit or loss or as a change to Other Comprehensive Income (OCI).

If the contingent consideration is not within the scope of Ind AS 109, it is measured in accordance with the appropriate Ind AS. Contingent consideration that is classified as equity is not re-measured and subsequent settlement is accounted for within equity.

Goodwill is measured as excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the resulting gain on bargain purchase is recognised in OCI and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognises the gain directly in equity as capital reserve, without routing the same through other comprehensive income.

### e) **Property, plant and equipment and capital work in progress**

#### **Property, plant and equipment**

##### ***Recognition and initial measurement***

Property, plant and equipment are recorded at the cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use upto the date when the assets are ready for use. Any trade discount, recoverable taxes and rebates are deducted in arriving at the purchase price. All other repairs and maintenance are recognized in statement of profit and loss as incurred.

Consumer premises equipment (CPE) are treated as part of capital work in progress till the time of activation thereof, post which the same gets depreciated. Capital work in progress is valued at cost.

##### ***Subsequent measurement (Depreciation and useful lives)***

Property, plant and equipment are subsequently measured at cost less depreciation and impairment loss. Depreciation on property, plant and equipment is provided on straight line method, computed on the basis of useful lives (as set out below) prescribed in Schedule II of the Act as under:

| <b>Asset category</b>               | <b>Useful life (in years)</b> |
|-------------------------------------|-------------------------------|
| Plant and equipments                | 7.5                           |
| Building                            | 30                            |
| Office equipment except mobile      | 5                             |
| Mobiles                             | 2.5                           |
| Furniture and fixtures              | 10                            |
| Electrical installations            | 10                            |
| Vehicles                            | 8                             |
| <b>Computers</b>                    |                               |
| Laptops, desktops and other devices | 3                             |
| Servers and networks                | 6                             |

In case of following category, life of the assets have been assessed as under based on technical advice taking into account the nature of assets, estimated usage of the assets, the operating conditions of assets, past history of replacement, anticipated technological changes etc.

- Consumer premises equipment are depreciated over their useful life of five years, as estimated by the management.
- Aircraft is depreciated over the estimated useful life of ten years.

##### ***De-recognition***

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss

# STANDALONE SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

(All amounts in ₹ lacs, unless otherwise stated)

arising on de-recognition (calculated as the difference between the net disposal proceeds and its carrying amount) is included in the statement of profit and loss when the respective asset is derecognised.

## **f) Goodwill**

Goodwill represents the future economic benefits arising from a business combination that are not individually identified and separately recognised. Goodwill is carried at cost less accumulated impairment losses.

## **g) Other intangible assets**

### ***Recognition and initial measurement***

Intangible assets are recognised if it is probable that the future economic benefits that are attributable to the asset will flow to the Company and the cost of the asset can be measured reliably. These assets are valued at cost which comprises the purchase price and any directly attributable expenditure on making the asset ready for its intended use.

Fee paid for acquiring license to operate DTH services, is capitalized as intangible asset.

Customer and distributor relationships are recorded at the fair market value assessed by independent valuer based on projected economic income attributable to the Company taking into account various factors in the business combination.

Brand is recorded at the cost of acquisition. Cost of acquisition has been determined as the fair market value assessed by independent valuer based on projected economic income attributable to the Company taking into account various factors in the business combination.

Cost of computer software includes license fees, cost of implementation and directly attributable system integration expenses. These costs are capitalized as intangible assets in the year in which related software is implemented.

### ***Subsequent measurement (amortisation)***

- i) Fees paid for acquiring licenses to operate DTH services is amortised over the period of license and other license fees are amortized over the management estimate of useful life of five years.
- ii) The economic life of customer and distributor relationship assets are usually determined by estimating future loyalty of customers. Management has assessed that the economic useful life of the customer and distributor relationship to be of ten years.
- iii) The brands have been acquired for a perpetual period. Based on various factors the Company has considered brand to be perpetual in nature. Accordingly, these are tested for impairment.
- iv) Software are amortised over an estimated life ranging from one year to five years as the case may be.

## **h) Impairment of non-financial assets**

At each reporting date, the Company assesses whether there is any indication based on internal/ external factors, that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

## **i) Impairment of financial assets**

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive. When estimating the cash flows, the Company is required to consider:

## STANDALONE SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

(All amounts in ₹ lacs, unless otherwise stated)

- i) All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- ii) Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

### **Trade receivables**

The Company applies simplified approach permitted by Ind AS 109 Financial Instruments, which requires lifetime expected credit losses to be recognised from the date of initial recognition of receivables.

### **Other financial assets**

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

### **j) Revenue recognition**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue is measured at the fair value of the consideration received/receivable net of rebates and applicable taxes. The Company applies the revenue recognition criteria to each nature of the sales and services transaction as set out below, pursuant to Indian Accounting Standard -115 "Revenue from contracts with customers" (Ind AS 115) which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised.

- i) Revenue from rendering of services
  - Revenue from subscription services is recognized upon transfer of control of promised products or services to customers over the time in an amount that reflects the consideration we expect to receive in exchange for those products or services. Revenue is recognised net of taxes collected from the customer, collection charges and any discount given. Consideration received in advance for subscription services is initially deferred and included in other liabilities.
  - Lease rental is recognized as revenue as per the terms of the contract over the period of lease contract on a straight line basis.
  - Revenue from other services (viz performance incentive, marketing and promotional fee, teleport services, field repairs of CPE, advertisement income) are recognized on rendering of the services.
- ii) Revenue from sale of goods
  - Revenue from sale of stock-in-trade is recognised when the products are dispatched against orders to the customers in accordance with the contract terms and the Company has transferred to the buyer the significant risks and rewards.
  - Sales are stated net of rebates, trade discounts, sales returns and taxes on sales.
- iii) Interest income
  - Income from deployment of surplus funds is recognised on accrual basis using the effective interest rate (EIR) method.

### **k) Foreign currency translation**

#### ***Functional and presentation currency***

The financial statements are presented in Indian Rupees (₹) which is also the functional and presentation currency of the Company.

#### ***Transactions and balances***

Foreign currency transactions are recorded in the functional currency, by applying the exchange rate between the functional currency and the foreign currency at the date of the transaction.

# STANDALONE SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

(All amounts in ₹ lacs, unless otherwise stated)

Non-monetary items denominated in a foreign currency are converted in functional currency at the rate prevailing on the date of transactions and the same are carried at historical cost.

Foreign currency monetary items are converted to functional currency using the closing rate.

Exchange differences arising on such conversion and settlement at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

## **l) Borrowing Costs**

Borrowing costs include interest and other costs that the Company incurs in connection with the borrowing of funds.

In case of significant long-term loans, other costs incurred in connection with the borrowing of funds are amortised over the period of respective loan.

## **m) Employee benefits**

Employee benefits include provident fund, pension fund, gratuity and compensated absences

### *Defined contribution plan*

The Company deposits the contributions for provident fund and employees' state insurance to the appropriate government authorities and these contributions are recognised in the statement of profit and loss in the financial year to which they relate.

### *Defined benefit plan*

The Company's gratuity scheme is a defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation carried out at the end of the year by an independent actuary, using the projected unit credit method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans is based on the market yields on Government Securities for relevant maturity. Actuarial gains and losses are recognised immediately in the statement of other comprehensive income. The Company has done contribution to the Gratuity plan with Life Insurance Corporation of India partially.

### *Other long term employee benefits*

Benefits under the Company's compensated absences constitute other long-term employee benefits. The liability in respect of compensated absences is provided on the basis of an actuarial valuation done by an independent actuary using the projected unit credit method at the year end. Actuarial gains and losses are recognised immediately in the statement of profit and loss.

### *Short-term employee benefits*

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages, and bonus, etc., are recognised in the statement of profit and loss in the period in which the employee renders the related service.

## **n) Employee stock option scheme**

The fair value of options granted under Employee Stock Option Plan of the Company is recognised as an employee benefits expense with a corresponding increase in other equity. The total amount to be expensed is determined by reference to the fair value of the options. The total expense is recognised over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. At the end of each period, the entity revises its estimates of the number of options that are expected to vest based on the non-market vesting and service conditions. It recognises the impact of the revision to original estimates, if any, in statement of profit and loss, with a corresponding adjustment to other equity. Upon exercise of share options, the proceeds received are allocated to share capital up to the par value of the shares issued with any excess being recorded as share premium.

### o) Leases

#### Company as a lessee

##### **Accounting policy till 31 March 2019**

Assets acquired on leases where a significant portion of risk and rewards of ownership are retained by the lessor are classified as operating leases. Lease rental are charged to statement of profit and loss on straight line basis.

Leases which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased items are classified as 'Finance Leases'. Assets acquired on 'Finance Lease' which transfer risk and rewards of the ownership to the Company are capitalized as the assets by the Company.

##### **Changes in accounting policy**

The Company's lease asset classes primarily consist of leases for land. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset, (2) the Company has substantially all of the economic benefits from the use of the asset through the period of the lease, and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a Right of use (ROU) asset and a corresponding lease liability for all lease arrangements under which it is a lessee, except for short-term leases and low value leases. For short-term leases and low value leases, the Company recognizes the lease payments as an expense on a straight-line basis over the term of the lease.

Certain lease arrangements include options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the date of commencement of the lease on a straight -line basis over the shorter of the lease term and the useful life of the underlying asset

The lease liability is initially measured at amortized cost at the present value of the future lease payments. For leases under which the rate implicit in the lease is not readily determinable, the Company uses its incremental borrowing rate based on the information available at the date of commencement of the lease in determining the present value of lease payments. Lease liabilities are re measured with a corresponding adjustment to the related ROU asset if the Company changes its assessment as to whether it will exercise an extension or a termination option.

ROU assets has been disclosed under property plant and equipments and corresponding lease liability has been shown under financial liability in the Balance sheet.

##### *Transition*

Effective 1 April 2019, the Company adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on 1 April 2019 using the modified retrospective method, on the date of initial application. This new standard provides a comprehensive model for the identification of lease arrangements and their treatment in the financial statements of both lessees and lessors. Ind AS 116 supersedes Ind AS 17 and its associated interpretative guidance. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and Right-of-use assets were measured at the amount of the lease liability (adjusted for any prepaid or accrued lease expenses). Comparatives as at and for the year ended 31 March 2019 have not been retrospectively adjusted and therefore will continue to be reported under the accounting policies included as part of our Annual Report for year ended 31 March 2019.

# STANDALONE SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

(All amounts in ₹ lacs, unless otherwise stated)

On transition, the adoption of the new standard resulted in recognition of Right-of-Use asset (ROU) (an amount equal to the lease liability, adjusted by the prepaid lease rent) of ₹ 2,607 lacs. The impact on the loss of the Company for the year ended 31 March 2020 is not material.

The following is the summary of practical expedients elected on initial application:

- a) Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.
- b) Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application
- c) Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.

The weighted average incremental borrowing rate applied to lease liabilities as at 1 April 2019 is 10.84% p.a.

## **Company as a lessor**

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. The respective leased assets are included in the balance sheet based on their nature. Rental income is recognized on straight line basis over the lease term.

## **p) Earnings per share**

Basic earning per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

## **q) Equity, reserves and dividend payment**

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds. Retained earnings include current and prior period retained profits. All transactions with owners of the Company are recorded separately within equity.

## **r) Taxation**

Tax expense recognized in statement of profit and loss comprises the sum of deferred tax and current tax except those recognized in other comprehensive income or directly in equity.

Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations.

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets on unrealised tax loss are recognised to the extent that it is probable that the underlying tax loss will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity).

Unused tax credit such as (Minimum alternate tax ('MAT') credit entitlement) is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period. In the year in which such credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the statement of profit and loss and shown as unused

## STANDALONE SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

(All amounts in ₹ lacs, unless otherwise stated)

tax credit. The Company reviews the same at each balance sheet date and writes down the carrying amount of unused tax credit to the extent it is not reasonably certain that the Company will pay normal income-tax during the specified period.

### s) **Operating cycle**

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Company has ascertained its normal operating cycle as twelve months. This is based on the nature of services and the time between the acquisition of assets or inventories for processing and their realisation in cash and cash equivalents.

### t) **Operating expenses**

Operating expenses are recognised in statement of profit or loss upon utilisation of the service or as incurred.

### u) **Segment reporting**

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). Basis the review of operations being done by the CODM, the operations of the Company fall under Direct to Home ('DTH') and teleport services, which is considered to be the only reportable segment.

### v) **Provisions, contingent liabilities, commitments and contingent assets**

The Company recognises a provision when there is a present obligation as a result of a past event and it is more likely than not that there will be an outflow of resources embodying economic benefits to settle such obligations and the amount of such obligation can be reliably estimated. Provisions are discounted to their present value (where time value of money is material) and are determined based on the management's estimation of the outflow required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that have arisen from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of future events, not wholly within the control of the Company. Contingent liabilities are also disclosed for the present obligations that have arisen from past events in respect of which it is not probable that there will be an outflow of resources or a reliable estimate of the amount of obligation cannot be made.

When there is an obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

### w) **Financial instruments**

#### **Initial recognition and measurement**

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities is described below.

#### **Financial assets**

##### ***Subsequent measurement***

**Financial asset at amortised cost** – the financial instrument is measured at the amortised cost if both the following conditions are met:

# STANDALONE SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

(All amounts in ₹ lacs, unless otherwise stated)

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest ('SPPI') on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

## **Investments in equity instruments of subsidiaries, joint ventures and associates**

Investments in equity instruments of subsidiaries, joint ventures and associates are accounted for at cost in accordance with Ind AS 27 Separate Financial Statements.

Investments in other equity instruments which are held for trading are classified as at fair value through profit or loss (FVTPL). For all other equity instruments, the Company makes an irrevocable choice upon initial recognition, on an instrument by instrument basis, to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit or loss (FVTPL).

## **Investments in mutual funds**

Investments in mutual funds are measured at fair value through profit and loss (FVTPL).

**Derivative instruments** – derivatives such as options and forwards are carried at fair value through profit and loss with fair gains/losses recognised in profit and loss.

## **De-recognition of financial assets**

A financial asset is primarily de-recognized when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

## **Financial liabilities**

### **Subsequent measurement**

Subsequent to initial recognition, all financial liabilities are measured at amortised cost using the effective interest method.

### **De-recognition of financial liabilities**

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

### **Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

## **x) Fair value measurement**

The Company measures financial instruments such as investments, at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the standalone financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

## STANDALONE SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

(All amounts in ₹ lacs, unless otherwise stated)

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

### y) **Cash and cash equivalents**

Cash and cash equivalents comprises cash at bank and in hand, cheques in hand and short term investments that are readily convertible into known amount of cash and are subject to an insignificant risk of change in value.

### z) **Cash flow statement**

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

### aa) **Non-current assets held for sale and discontinued operations**

An entity shall classify a non-current asset (or disposal group) as held for sale if its carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset and its sale is highly probable. Management must be committed to sale which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets classified as held for sale are presented separately and measured at the lower of their carrying amounts immediately prior to their classification as held for sale and their fair value less costs to sell. However, some held for sale assets such as financial assets, assets arising from employee benefits and deferred tax assets, continue to be measured in accordance with the Company's relevant accounting policy for those assets. Once classified as held for sale, the assets are not subject to depreciation or amortisation.

A discontinued operation is a component of the Company that either has been disposed of, or is classified as held for sale. Profit or loss from discontinued operations comprise the post-tax profit or loss of discontinued operations and the post-tax gain or loss resulting from the measurement and disposal of assets classified as held for sale. Any profit or loss arising from the sale or re-measurement of discontinued operations is presented as part of a single line item, profit or loss from discontinued operations.

### ab) **Significant management judgement in applying accounting policies and estimation uncertainty**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements and the results of operations during the reporting periods. Although these estimates are based upon management's knowledge of current events and actions, actual results could differ from those estimates and revisions, if any, are recognised in the current and future periods.

### ***Significant management judgements***

The following are significant management judgements in applying the accounting policies of the Company that have the most significant effect on the financial statements.

**Recognition of deferred tax assets:** The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

**Evaluation of indicators for impairment of assets:** The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

**Contingent liabilities:** At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding warranties and guarantees. However, the actual future outcome may be different from this judgement.

### **Significant estimates**

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be different.

**Impairment of financial assets:** At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables.

**Impairment of goodwill and other intangible assets:** At each balance sheet date, goodwill is tested for impairment. The recoverable amount of cash generating unit (CGU) is determined based on the higher of value-in-use and fair value less cost to sell. Key assumptions on which the management has based its determination of recoverable amount include estimated long-term growth rates, weighted average cost of capital and estimated operating margins. The cash flow projections take into account past experience and represent the management's best estimate about future developments. Cash flow projections based on financial budgets are approved by management.

**Defined benefit obligation (DBO):** Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

**Fair value measurements:** Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

**Useful lives of depreciable/amortisable assets:** Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of certain software, customer relationships, IT equipment and other plant and equipment.

## Impairment tests for goodwill

Goodwill is monitored by management at the level of D2h division acquired pursuant to merger of the Company with erstwhile Videocon D2h Limited

A summary of goodwill allocation and carrying value is presented below,

| Particulars  | 31 March 2021 | 31 March 2020 |
|--------------|---------------|---------------|
| D2h CGU      | -             | 45,288        |
| <b>Total</b> | <b>-</b>      | <b>45,288</b> |

Impairment testing of the goodwill (allocated to the D2H CGU) is being performed at each balance sheet date. The recoverable amount of cash generating unit is determined based on the higher of value-in-use and fair value less cost to sell. Value in use is determined basis cash flow projections which is being prepared taking in to account past experience and represent the management's best estimate about future developments. Cash flow projections based on financial budgets are approved by management. Key assumptions on which the management has based its determination of recoverable amount include estimated long-term growth rates, weighted average cost of capital and estimated operating margins. The impairment loss, if any, determined as a result of the assessment is first applied to the carrying value of Goodwill allocated to D2H CGU and then to the other intangible assets consisting in the CGU in accordance with the manner prescribed in Ind AS 36. Based on above, at the current reporting date, an impairment loss amounting to ₹ 65,372 lacs (previous year ₹ 191,550 lacs) has been determined in respect of D2H CGU. Out of the total provision for impairment, ₹ 45,288 lacs (previous year ₹ 191,550 lacs) has been adjusted against the carrying value of goodwill and balance was adjusted against another intangible asset having infinite life namely trademark/brand in the manner prescribed in Ind AS 36.

A summary of value in use and amount of impairment during the financial year is given below:

(All amounts in ₹ lacs, unless otherwise stated)

### Key assumptions used for value in use calculation are as follows:

- The Company prepares its cash flow forecast based on the most recent financial budget approved by management with projected revenue growth rate. Average monthly revenue per user is expected to grow at 4% per year.
- Terminal growth rate is assumed at 4% and is based on industry growth rate and projected growth of Indian economy.
- The EBITDA margin is expected to be at the same level through out the projected period.
- The free cash flow arrived at were discounted to present value using weighted average cost of capital (WACC). The sum of the discounted cash flows along with the discounted terminal value is the estimated enterprise value.

\* Deferred tax assets on unabsorbed depreciation/ brought forward losses is recognised only to the extent of probability of availability and certainty of future taxable profits with convincing evidence

#### Note:

During the previous year, the Company has elected to exercise the option permitted under section 115BAA of the Income-tax Act 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Company have re-measured the deferred tax assets/liabilities on the basis of the rates prescribed in that section. This has resulted in a reversal of deferred tax assets to the extent of ₹ 4,590 lacs on account of re-measurement of deferred tax assets/ liabilities pertaining to the previous period. Additionally MAT credit entitlement of ₹ 579 has been reversed due to implementation of tax ordinance.

| C&S Medianet Private Limited             | India                    | 51%                     |

41. The Company, has non-current investments (including equity component of long term loans and guarantees) in and non-current loans to its wholly owned subsidiary, Dish Infra Services Private Limited ('Dish Infra'), amounting to ₹ 515,412 lacs and ₹ 74,173 lacs respectively. Dish Infra's net worth is positive although it has incurred losses in the current year. Based on internal assessment, the management believes that the realisable amount from Dish Infra will be higher than the carrying value of the non-current investments and other non-current loans. Hence, no impairment has been considered. The internal assessment is based on the ability of Dish Infra to monetise its assets including investments in new age technologies, which will generate sufficient cash flows in the future.
42. Despite of the outbreak of Coronavirus (COVID-19) leading to consequential lock down across the country during the year and further restrictions imposed by many State Governments subsequent to year-end due to spread of Covid-19 second wave, the Company has continued to operate and provide 'Direct to Home' (DTH) services to its customer without any disruptions. The Company has evaluated its liquidity position and recoverability and carrying value of its assets, including planned investments and has concluded that no material adjustments is required at this stage in the financial results. However, given the uncertainties in the economic environment, management's impact assessment is subject to significant estimation, uncertainties, and accordingly, the actual results in future may be different from those estimated as at the date of approval of these financial statements. Considering that it is a dynamic and evolving situation, the management will continue to monitor any material changes to the future economic conditions and consequential impact on its business/operations.
43. The Company has advanced loans, classified under long term loans and advances, to Dish TV Lanka Private Limited ("Dish Lanka"), its subsidiary company, which has incurred losses and its net worth has been eroded. The Company has recognised a provision for expected credit loss for total loan outstanding of ₹ 23,025 lacs as on 31 March 2021 (out of the total provision of ₹ 23,025 lacs, an amount of ₹ 366 lacs has been recognised during previous financial year 2019-20 and balance amount was recognised in earlier years). Same has been shown as exceptional item in the statement of profit and loss.

Further, the Board at its meeting held on 29 January 2021 approved the sale of its entire equity investment ("investment") in its subsidiary viz. Dish T V Lanka (Private) Limited ("Dish Lanka"), a Company incorporated in Sri Lanka. On 30 March 2021, the Company and its subsidiary entered into a Share sale agreement to sell its investment to Union Network International (Private) Limited ("purchaser") subject to requisite regulatory approvals. Transaction is expected to be completed in the next 12 months. Pending transfer of investment to purchaser, Investment in subsidiary has been classified as assets held for sale in standalone financial statements. The amount of loan given to this subsidiary has been fully provided for in the prior periods in the standalone financial statements of the Company.

### 44. Segmental information

In line with the provisions of Ind AS 108 "Operating segments" and based on review of the operations done by the chief operating decision maker (CODM), the operations of the Company fall under Direct to Home ('DTH') and teleport services, which is considered to be the only reportable segment by the CODM.

### 45. Employee stock option plan (ESOP) 2018

At the board meeting held on 25 October 2018, the board of directors of the Company had approved Employee

The fair value of the options granted has been calculated on the date of grant using Black Scholes option pricing model with the following assumptions:

| Particulars                                                | As at 31 Mar 2020  |
|------------------------------------------------------------|--------------------|
| <b>Date of grant</b>                                       | <b>24 May 2019</b> |
| <b>Number of options granted</b>                           | 860,000            |
| Fair value on grant date (₹ per share)                     | 15.20              |
| Share price at grant date (₹ per share)                    | 31.20              |
| Expected volatility (%)                                    | 47.98              |
| Expected life (no. of years)                               | 4.50               |
| Expected dividends (in %)                                  | -                  |
| Risk-free interest rate (in %) (based on government bonds) | 6.91               |

Volatility is a measure of the amount by which a price has fluctuated or is expected to fluctuate during a period. Each vest has been considered as a separate grant. The volatility for periods corresponding to the respective expected lives of the different vests, prior to the grant date has been considered. The daily volatility of the Company's stock price on NSE over these years has been considered.

#### 46. Employee stock option plan (ESOP) 2007

At the Annual General Meeting held on 3 August 2007, the shareholders of the Company had approved Employee Stock Option Plan, i.e., ESOP 2007 ("the Scheme"). The Scheme provided for issuance of 4,282,228 stock options (underlying fully paid equity share of Re.1 each) to the employees of the Company as well as that of its subsidiaries companies at the exercise price which shall be equivalent to the market price determined as per the Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 ['SEBI (ESOP) Guidelines, 1999'].

The options granted under the Scheme shall vest between one year to six years from the date of grant of options, with 20% vesting each year. Once the options vest as per the Scheme, they would be exercisable by the grantee at any time within a period of four years from the date of vesting and the shares arising on exercise of such options shall not be subject to any lock-in period.

The shareholders in their meeting held on 28 August 2008 approved the re-pricing of outstanding options which were granted till that date and consequently the outstanding options were re-priced at ₹ 37.55 per option, determined as per SEBI (ESOP) Guidelines, 1999.

However, in respect of options granted subsequent to 28 August 2008, the exercise price of the options has been maintained as equivalent to the market price determined as per the SEBI (ESOP) Guidelines, 1999.

As stated above, the options are granted to the employees at an exercise price, being the latest market price as per SEBI (ESOP) Guidelines, 1999.

(All amounts in ₹ lacs, unless otherwise stated)

Further, it was decided by the Nomination and Remuneration Committee at its meeting held on 17 August 2017, that new Stock options shall not be granted under the ESOP 2007 Scheme of the Company. Accordingly, it was proposed to withdraw the existing Scheme and cancel the remaining options which are yet to be granted and, for the employees who have been granted the Stock Options (whether vested or not) shall be granted Options under the new Scheme. However, the employees who have been granted the Stock Options (whether vested or not) shall be allowed to exercise those stock options.

### 47. Disclosure pursuant to Indian Accounting Standard 19 on “Employee Benefits”

#### Defined contribution plans

An amount of ₹ 294 lacs (previous year ₹ 337 lacs) and ₹ 1 lacs (previous year ₹ 2 lacs) for the year, have been recognised as expenses in respect of the Company's contributions to Provident Fund and Employee's State Insurance Fund respectively, deposited with the government authorities and have been included under “Employee benefits expenses”.

#### Defined benefit plans

Gratuity is payable to all eligible employees of the Company on superannuation, death or permanent disablement, in terms of the provisions of the Payment of Gratuity Act or as per the Company's Scheme, whichever is more beneficial. The gratuity plan is partly funded and the Company has made contribution to the recognised funds in India.

#### Risk exposure

The defined benefit plans are typically based on certain assumptions and expose the Company to various risk as follows:

- Salary risk- Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.

# STANDALONE SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

(All amounts in ₹ lacs, unless otherwise stated)

- b) Investment risk – If plan is funded then assets liabilities mismatch & actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.
- c) Discount rate – Reduction in discount rate in subsequent valuations can increase the plan's liability.
- d) Mortality – Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
- e) Withdrawals – Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

The following table sets forth the status of the gratuity plan of the Company and the amounts recognised in the Balance Sheet and Statement of Profit and Loss:

## 48. Financial instruments measured at fair value

### A. Fair value hierarchy

The financial assets and liabilities measured at fair value in the statement of financial position are divided in to three levels of fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: the fair value of financial instruments that are not traded in active market is determined using valuation technique which maximise the use of observable market data rely as low as possible on entity specific estimate.

Level 3: if one or more of the significant inputs are not based on observable market data, the instrument is included in level 3

## Credit risk

Credit risk is the risk that a counterparty to a financial instrument will fail to discharge an obligation to the Company causing a financial loss. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost.

## Credit risk management

### Credit risk rating

The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets. The Company continuously monitors defaults of the counterparties and incorporates this information into its credit risk controls.

A: Low credit risk

B: Moderate credit risk

C: High credit risk

The Company provides for expected credit loss based on the following:

| Asset group          | Basis of categorization                                                                                                          | Provision for expected credit loss                   |
|----------------------|----------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------|
| Low credit risk      | Investment other than subsidiaries, cash and cash equivalents, security deposits, other bank balances and other financial assets | 12 month expected credit loss                        |
| Moderate credit risk | Investment in and loan to subsidiaries and trade receivables                                                                     | Life time expected credit loss                       |
| High credit risk     | Trade receivables and other recoverable                                                                                          | Life time expected credit loss or fully provided for |

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

### b) Liquidity risk

Liquidity risk is the risk that suitable sources of funding for the Company's business activities may not be available.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities) and cash and cash equivalents on the basis of expected cash flows. Short term liquidity requirements comprises mainly of trade payables and employee dues arising during normal course of business as on each balance sheet date. Long-term liquidity requirement is assessed by the management on periodical basis and is managed through internal accruals and through funding commitments from shareholders.

### 54. Leases

#### Company as a lessee

The Company has entered into lease arrangements for land and various offices that are renewable on a periodic basis with approval of both lessor and lessee.

The Company does not have any lease commitments towards variable rent as per the contract.

Each lease generally imposes a restriction that, unless there is a contractual right for the Company to sublet the asset to another party, the right-of-use asset can only be used by the Company. Leases are either non-cancellable or may only be cancelled by incurring a substantive termination fee. The Company is prohibited from selling or pledging the underlying leased assets as security. For leases over office buildings and premises the Company must keep those properties in a good state of repair and return the properties in their original condition at the end of the lease.

## STANDALONE SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

(All amounts in ₹ lacs, unless otherwise stated)

55. a) The Company is in the litigation towards computation and payment of license fees on adjusted gross revenue basis with the Ministry of Information and Broadcasting ("Regulatory Authority"). This matter continues to be sub-judice before the Hon'ble High Court of Jammu and Kashmir. The Company continues to be legally advised that on the merits of its submissions and that the matter was decided by the TDSAT in favour of the Company, it has a strong case. Using the principle of prudence in accounting standards, the Company, in prior years, made a provision of ₹ 324,121 lacs in its books of account, which in the current period has been increased by ₹ 24,871 lacs primarily towards interest as a time value of money charge for case under sub-judice. The same is included in table below:

### Provision for regulatory dues (including interest)

| Particulars                   | As at<br>31 March 2021 | As at<br>31 March 2020 |
|-------------------------------|------------------------|------------------------|
| Opening provision             | 357,577                | 325,648                |
| Add: created during the year  | 43,006                 | 41,829                 |
| Less: payment during the year | 26,566                 | 9,900                  |
| <b>Closing provision</b>      | <b>374,017</b>         | <b>357,577</b>         |

The outflow of economic benefits with regard to the disputed portion would be dependent on the final decision by the Regulatory Authority. Presently, it has been classified under the 'Provisions (current)'

- b) In continuation to the matter described in note a above, the Company has filed Petition (205(C) of 2014) before the Hon'ble Telecom Disputes Settlement & Appellate Tribunal (TDSAT) against Union of India challenging the propriety and legality of the demand of ₹ 62,420 lacs including interest of ₹ 15,967 lacs raised by the Ministry of Information and Broadcasting (MIB) by way of a demand letter dated 19 March 2014 towards alleged short payment of license fee for the period 2003-04 to 2012-13. The matter is pending before the Hon'ble TDSAT.

Further pursuant to scheme of merger, Company has assumed deemed liability of ₹ 13,104 lacs and interest liability of ₹ 2,724 lacs which was raised by the MIB on transferor company by way of demand letter dated 24 March 2014 towards alleged short payment of license fee for the period 2009-10 to 2012-13. Transferor company had filed petition (204(C) of 2014) before the Hon'ble TDSAT against Union of India challenging the propriety and legality of the demand. The matter is also pending before the Hon'ble TDSAT.

Further, despite the matter being sub-judice as stated above, the Company received communications from the MIB, wherein the Company was directed to pay ₹ 416,406 lacs within 15 days towards the license fee for the period from the date of issuance of DTH License till financial year 2018-19 and interest thereon till 30 September 2020. However, the MIB has in its said letter, also mentioned that the amount is subject to verification and audit and the outcome of various court cases pending before the TDSAT, the Hon'ble High Court of Jammu and Kashmir at Jammu and the Hon'ble Supreme Court of India. The Company responded to the aforementioned letter on 06 January 2021 disputing the demand.

## INDEPENDENT AUDITOR'S REPORT

### To the Members of Dish TV India Limited

### Report on the Audit of the Consolidated Financial Statements

#### Qualified Opinion

1. We have audited the accompanying consolidated financial statements of Dish TV India Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), as listed in Annexure I, which comprise the Consolidated Balance Sheet as at 31 March 2021, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the consolidated state of affairs of the Group as at 31 March 2021, and their consolidated loss (including other comprehensive income), consolidated cash flows and the consolidated changes in equity for the year ended on that date.

#### Basis for Qualified Opinion

3. As given in Note 9 to the accompanying consolidated financial statements, the following qualification is given by another firm of Chartered Accountants vide their audit report dated 28 June 2021 on the financial statements of Dish Infra Services Private Limited, a wholly owned subsidiary of the Holding Company which is reproduced by us as under:

As stated in Note 9 to the accompanying consolidated financial statements, the Company has invested in new technologies recorded as Intangible assets under development and related capital advances amounting to Rs 55,200 lacs and ₹ 68,585 lacs respectively. In accordance with Indian Accounting Standard – 36, "Impairment of Assets", the management is required to carry out impairment test of intangible assets under development at least annually. The management has not carried out a detailed impairment testing for intangible assets under development and related advances, inter alia, involving independent valuation experts, evaluating impact of competition on related business plans and performing sensitivity analysis of future cash flows expected from these assets. In the absence of such aforementioned impairment assessment, we are unable to comment upon adjustments, if any, that may be required to the carrying values of such intangible assets under development and the related advances".

Our opinion for the year ended 31 March 2020 was also modified in respect of this matter.

4. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') and the relevant provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 16 of the Other Matter section below, is sufficient and appropriate to provide a basis for our qualified opinion.

#### Key Audit Matters

5. Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiaries, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
6. In addition to the matters described in the Basis for Qualified Opinion section, we have determined the matters described below to be the key audit matters to be communicated in our report.

## **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

8. The accompanying consolidated financial statements have been approved by the Holding Company's Board of Directors. The Holding Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. The Holding Company's Board of Directors are also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. Further, in terms of the provisions of the Act, the respective Board of Directors of the companies included in the Group covered under the Act are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.
9. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
10. Those respective Board of Directors are also responsible for overseeing the financial reporting process of the companies included in the Group.

## **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

11. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
12. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern;
  - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation; and
  - Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group, to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the financial statements, of which we are the independent auditors. For the other entities included in the financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
  14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
  15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Other Matter

16. We did not audit the financial statements of 3 subsidiaries, whose financial statements reflects total assets of ₹ 633,386 lacs and net assets of ₹ 381,237 lacs as at 31 March 2021, total revenues of ₹ 177,260 lacs and net cash outflows amounting to ₹ 5,965 lacs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-section (3) of section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, are based solely on the reports of the other auditors.

Further, of these subsidiaries, 1 subsidiary is located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in that respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in that respective country. The Holding Company's management has converted the financial statements of such subsidiary located outside India from accounting principles generally accepted in that respective country to accounting principles generally accepted in India. Another firm of Chartered Accountants have audited these conversion adjustments made by the Holding Company's management. Our opinion on the consolidated financial statements, in so far as it relates to the balances and affairs of such subsidiary located outside India, is based on the report of other auditor and the conversion adjustments prepared by the management of the Holding Company and audited by another auditor.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors.

#### Report on Other Legal and Regulatory Requirements

17. As required by section 197(16) of the Act, based on our audit and on the consideration of the reports of the other auditors, referred to in paragraph 16, on separate financial statements of the subsidiaries, we report that the Holding Company covered under the Act paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act. Further, we report that 2 subsidiary companies covered under the Act have not paid or provided for any managerial remuneration during the year and 1 subsidiary company is not

covered under the Act. Accordingly, reporting under section 197(16) of the Act is not applicable in respect of such subsidiary companies.

18. As required by section 143 (3) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements and other financial information of the subsidiaries, we report, to the extent applicable, that:
- a) we have sought and except for the matter described in the Basis for Qualified Opinion section, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
  - b) in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors, except for the possible effects of the matter described in the Basis for Qualified Opinion section with respect to the financial statements of Dish Infra Services Private Limited, a subsidiary of the Holding Company;
  - c) the consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
  - d) except for the possible effects of the matter described in the Basis for Qualified Opinion section, in our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under section 133 of the Act;
  - e) on the basis of the written representations received from the directors of the Holding Company and taken on record by the Board of Directors of the Holding Company, and the reports of the statutory auditors of its subsidiary companies, covered under the Act, none of the directors of the Group companies, covered under the Act, are disqualified as on 31 March 2021 from being appointed as a director in terms of section 164(2) of the Act;
  - f) the qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion section with respect to the Dish Infra Services Private Limited, a subsidiary of the Holding Company;
  - g) with respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, and its subsidiary companies covered under the Act, and the operating effectiveness of such controls, refer to our separate report in 'Annexure II'; and
  - h) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries:
    - i. the consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group as detailed in note 56 and 61 to the consolidated financial statements;
    - ii. provision has been made in these consolidated financial statements, as required under the applicable law or Ind AS, for material foreseeable losses, on long-term contracts including derivative contracts, as detailed in note 61(c)(ii) to the consolidated financial statements;
    - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its subsidiary companies covered under the Act, during the year ended 31 March 2021; and
    - iv. the disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these consolidated financial statements. Hence, reporting under this clause is not applicable.

# ANNEXURE I

## **List of subsidiary companies**

1. Dish Infra Services Private Limited;
2. Dish TV Lanka (Private) Limited; and
3. C&S Medianet Private Limited

## ANNEXURE II

### **Independent Auditor's Report on the internal financial controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

1. In conjunction with our audit of the consolidated financial statements of Dish TV India Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group') as at and for the year ended 31 March 2021, we have audited the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies, which are companies covered under the Act, as at that date.

### **Responsibilities of Management and Those Charged with Governance for Internal Financial Controls**

2. The respective Board of Directors of the Holding Company and its subsidiary companies, which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements**

3. Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies, as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our qualified audit opinion on the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies as aforesaid.

### **Meaning of Internal Financial Controls with Reference to Financial Statements**

6. A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls with Reference to Financial Statements**

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Qualified Opinion

8. According to the information and explanations given to us and based on our audit and based on the consideration of the reports of the other auditors on internal financial controls with reference to financial statements of subsidiary companies, the following material weakness has been identified in the operating effectiveness of internal financial controls with reference to financial statements as at 31 March 2021.

As stated in Note 9 and Note 44 to the accompanying consolidated financial statements, the following material weakness is identified by another firm of Chartered Accountants, issued vide their audit report dated 28 June 2021 on the internal financial controls with reference to financial statements of Dish Infra Services Private Limited, a wholly owned subsidiary company of the Holding Company, which is reproduced by us as under:

As explained in Note 9 and Note 44 to the consolidated financial statements, the company has performed an internal assessment to estimate the fair value of its intangible assets under development and related capital advances, which in our view is not detailed and comprehensive test in accordance with the principles of Indian Accounting Standard – 36 "Impairment of Assets". As a result, the company's internal financial control system towards estimating the fair value of its intangible assets under development and related capital advances were not operating effectively, which could result in the company not providing for adjustment, if any that may be required to the carrying values of intangible assets under development and related capital advances, and its consequential impact on the earnings, reserves and related disclosures in the financial statements.

9. A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial controls with reference to financial statements, such that there is a reasonable possibility that a material misstatement of the Holding Company's annual or interim financial statements will not be prevented or detected on a timely basis.
10. In our opinion and based on the consideration of the reports of the other auditors on internal financial controls with reference to financial statements of the subsidiary companies, the Holding Company and its subsidiary companies which are companies covered under the Act, have in all material respects, adequate internal financial controls with reference to financial statements as at 31 March 2021, based on the internal financial controls with reference to financial statements criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI, and except for the effects/possible effects of the material weakness described above on the achievement of the objectives of the control criteria, such internal financial controls with reference to financial statements were operating effectively as at 31 March 2021.
11. We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the consolidated financial statements of the Group as at and for the year ended 31 March 2021, and the material weakness has affected our opinion on the consolidated financial statements of the Group and we have issued a qualified opinion on the Consolidated financial statements.

### Other Matter

12. We did not audit the internal financial controls with reference to financial statements insofar as it relates to 2 subsidiary companies, which are companies covered under the Act, whose financial statements reflect total assets of ₹ 633,227 lacs and net assets of ₹ 381,250 lacs as at 31 March 2021, total revenues of ₹ 177,260 and net cash outflows amounting to ₹ 6,036 lacs for the year ended on that date, as considered in the consolidated financial statements. The internal financial controls with reference to financial statements in so far as it relates to such subsidiary companies have been audited by other auditors whose reports have been furnished to us by the management and our report on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements for the Holding Company and its subsidiary companies, as aforesaid, under Section 143(3)(i) of the Act in so far as it relates to such subsidiary companies, is based solely on the reports of the auditors of such companies. Our opinion is not modified in respect of this matter with respect to our reliance on the work done by and on the reports of the other auditors.

These consolidated financial statements of the Group have been prepared in accordance with Ind AS as notified by Ministry of Corporate Affairs ('MCA') under section 133 of the Companies Act 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules 2015, as amended and other provisions of the Act. The Group has uniformly applied the accounting policies during the periods presented.

The consolidated financial statement for the year ended 31 March 2021 were authorised and approved for issue by Board of Directors on 30 June 2021.

## 3. Recent accounting pronouncement

Standard issued but not yet effective

Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standards. However, there are no such notifications which have been issued but not yet effective or applicable from 1 April 2021.

## 4. Significant accounting policies

### a) Overall considerations

These consolidated financial statements have been prepared using the significant accounting policies and measurement bases summarised below.

These accounting policies have been used throughout all periods presented in these consolidated financial statements.

### b) Basis of preparation of financial statements

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis except for certain financial assets, financial liabilities and share based payments which are measured at fair values as explained in relevant accounting policies.

Further the management believes that it is appropriate to prepare these financial statements on a going concern basis considering available resources, current level of operations of the Group, and those projected for foreseeable future.

### c) Principles of consolidation

The consolidated financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS) as notified by Ministry of Corporate Affairs ('MCA') under section 133 of the Companies Act 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules 2015. The consolidated financial statements are prepared on the following basis:

#### **Subsidiaries**

Subsidiaries are all entities (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. The Group can have power over the investee even if it owns less than majority voting rights i.e. rights arising from other contractual arrangements. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases. Statement of profit and loss (including other comprehensive income ('OCI')) of subsidiaries acquired or disposed of during the period are recognized from the effective date of acquisition, or up to the effective date of disposal, as applicable.

## CONSOLIDATED SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

[All amounts in ₹ lacs, unless otherwise stated]

The Group combines the financial statements of the Holding Company and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses.

Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests, presented as part of equity, represent the portion of a subsidiary's statement of profit and loss and net assets that is not held by the Group. Statement of profit and loss balance (including other comprehensive income ('OCI')) is attributed to the equity holders of the Holding Company and to the non-controlling interests on the basis the respective ownership interests and such balance is attributed even if this results in controlling interests having a deficit balance.

### **Joint ventures**

Interest in joint venture are accounted for using the equity method, after initially being recognized at cost. The carrying amount of the investment is adjusted thereafter for the post acquisition change in the share of net assets of the investee, adjusted where necessary to ensure consistency with the accounting policies of the Group. The consolidated statement of profit and loss (including the other comprehensive income) includes the Group's share of the results of the operations of the investee. Dividends received or receivable from joint ventures are recognized as a reduction in the carrying amount of the investment.

The companies considered in the consolidated financial statements are:

| Name of the company                 | Nature             | Country of incorporation | % shareholding      | % shareholding      |
|-------------------------------------|--------------------|--------------------------|---------------------|---------------------|
|                                     |                    |                          | As at 31 March 2021 | As at 31 March 2020 |
| Dish TV India Limited               | Holding Company    | India                    | -                   | -                   |
| Dish T V Lanka (Private) Limited    | Subsidiary Company | Sri Lanka                | 70                  | 70                  |
| Dish Infra Services Private Limited | Subsidiary Company | India                    | 100                 | 100                 |
| C&S Medianet Private Limited        | Subsidiary Company | India                    | 51                  | 51                  |

### **d) Current versus non-current classification**

All assets and liabilities have been classified as current or non-current, wherever applicable as per the operating cycle of the Group and other criteria set out in the Act. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

### **e) Business combinations and goodwill**

Business combinations are accounted for using the acquisition method. The consideration transferred by the Group to obtain control of a subsidiary is calculated as the sum of the acquisition-date fair values of assets transferred, liabilities incurred, the equity interests issued and fair value of contingent consideration issued. Acquisition-related costs are expensed as and when incurred.

Assets acquired and liabilities assumed are generally measured at their acquisition-date fair values.

Contingent consideration is classified either as equity or a financial liability. Amounts classified as a financial liability are subsequently re-measured to fair value with changes in fair value recognised in profit or loss.

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date. Contingent consideration classified as an asset or liability that is a financial instrument and within the scope of Ind AS 109 Financial Instruments, is measured at fair value with changes in fair value

# CONSOLIDATED SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

(All amounts in ₹ lacs, unless otherwise stated)

recognised either in profit or loss or as a change to OCI. If the contingent consideration is not within the scope of Ind AS 109, it is measured in accordance with the appropriate Ind AS. Contingent consideration that is classified as equity is not re-measured and subsequent settlement is accounted for within equity.

If the contingent consideration is not within the scope of Ind AS 109, it is measured in accordance with the appropriate Ind AS. Contingent consideration that is classified as equity is not re-measured and subsequent settlement is accounted for within equity.

Goodwill is measured as excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the resulting gain on bargain purchase is recognised in OCI and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognises the gain directly in equity as capital reserve, without routing the same through other comprehensive income.

## f) Property, plant and equipment and capital work in progress

### Property, plant and equipment

#### **Recognition and initial measurement**

Property, plant and equipment are recorded at the cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use upto the date when the assets are ready for use. Any trade discount, recoverable taxes and rebates are deducted in arriving at the purchase price. All other repairs and maintenance are recognized in statement of profit and loss as incurred.

Consumer premises equipments (CPE) including viewing cards (VC) are treated as part of capital work in progress till the time of activation thereof, post which the same gets depreciated. Capital work in progress is valued at cost.

#### **Subsequent measurement (Depreciation and useful lives)**

Property, plant and equipment are subsequently measured at cost less depreciation and impairment loss. Depreciation on property, plant and equipment is provided on straight line method, computed on the basis of useful lives (as set out below) prescribed in Schedule II, of the Act, as under:

| <b>Asset category</b>               | <b>Useful life (in years)</b> |
|-------------------------------------|-------------------------------|
| Plant and equipments                | 7.5                           |
| Building                            | 30                            |
| Office equipments except mobile     | 5                             |
| Mobiles                             | 2.5                           |
| Furniture and fixtures              | 10                            |
| Electrical installations            | 10                            |
| Vehicles                            | 8                             |
| <b>Computers</b>                    |                               |
| Laptops, desktops and other devices | 3                             |
| Servers and networks                | 6                             |

In case of following category, life of the assets have been assessed as under based on technical advice taking into account the nature of assets, estimated usage of the assets, the operating conditions of assets, past history of replacement, anticipated technological changes etc.

- CPEs including Viewing Cards (VC) are depreciated over their useful life of five years, as estimated by the management.
- Aircraft is depreciated over the estimated useful life of ten years.

## CONSOLIDATED SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

(All amounts in ₹ lacs, unless otherwise stated)

### ***De-recognition***

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition (calculated as the difference between the net disposal proceeds and its carrying amount) is included in the statement of profit and loss when the respective asset is derecognised.

### **g) Goodwill**

Goodwill represents the future economic benefits arising from a business combination that are not individually identified and separately recognised. Goodwill is carried at cost less accumulated impairment losses.

### **h) Other intangible assets**

#### ***Recognition and initial measurement***

Intangible assets are recognised if it is probable that the future economic benefits that are attributable to the asset will flow to the Group and the cost of the asset can be measured reliably. These assets are valued at cost which comprises the purchase price and any directly attributable expenditure on making the asset ready for its intended use.

Fee paid for acquiring license to operate DTH services, is capitalized as intangible asset.

Customer and distributor relationships are recorded at the cost of acquisition. Cost of acquisition has been determined as the fair market value assessed by independent valuer based on projected economic income attributable to the Group as per valuation of merger scheme.

Brand is recorded at the cost of acquisition. Cost of acquisition has been determined as the fair market value assessed by independent valuer based on projected economic income attributable to the Group as per valuation of merger scheme.

Cost of computer software includes license fees, cost of implementation and directly attributable system integration expenses. These costs are capitalized as intangible assets in the year in which related software is implemented.

#### ***Subsequent measurement (amortisation)***

- i) Fees paid for acquiring licenses to operate DTH services is amortised over the period of license and other license fees are amortized over the management estimate of useful life of five years.
- ii) The economic life of customer and distributor relationship assets are usually determined by estimating future loyalty of customers. Management has assessed that the economic useful life of the customer and distributor relationship to be of ten years.
- iii) The brands have been acquired for a perpetual period. Based on all the factors the Group has considered life of brand till perpetuity.
- iv) Software are amortised over an estimated life of one year to five years.

### **i) Impairment of non-financial assets**

At each reporting date, the Group assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the Group estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

# CONSOLIDATED SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

(All amounts in ₹ lacs, unless otherwise stated)

## j) Impairment of financial assets

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive. When estimating the cash flows, the Group is required to consider –

- i) All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- ii) Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

### Trade receivables

The Group applies simplified approach permitted by Ind AS 109 Financial Instruments, which requires lifetime expected credit losses to be recognised from the date of initial recognition of receivables.

### Other financial assets

For recognition of impairment loss on other financial assets and risk exposure, the Group determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

## k) Inventories

Inventories of customer premises equipment (CPE) related accessories and spares are valued at the lower of cost and net realisable value. Cost of inventories includes all costs incurred in bringing the inventories to their present location and condition. Cost is determined on a weighted average basis. Net realisable value is the estimated selling price in the ordinary course of business less any applicable selling expenses.

## l) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured.

Revenue is measured at the fair value of the consideration received/receivable net of rebates and applicable taxes. The Group applies the revenue recognition criteria to each nature of the sales and services transaction as set out below, pursuant to Indian Accounting Standard -115 "Revenue from contracts with customers" (Ind AS 115) which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised.

### i) Revenue from rendering of services

- Revenue from subscription services is recognized upon transfer of control of promised products or services to customers over the time in an amount that reflects the consideration we expect to receive in exchange for those products or services. Revenue is recognised net of taxes collected from the customer, collection charges and any discount given. Consideration received in advance for subscription services is initially deferred and included in other liabilities.
- Lease rental is recognized as revenue as per the terms of the contract over the period of lease contract on a straight line basis.
- Activation fee is recognised on an upfront basis considering the level of services rendered on activation, the corresponding cost incurred and separate consideration charged for the subsequent continuing services.
- Revenue from other services (viz Bandwidth charges, teleport services, field repairs of CPE, advertisement income) are recognized on rendering of the services.

## CONSOLIDATED SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

(All amounts in ₹ lacs, unless otherwise stated)

- Infrastructure support fees is recognised on the basis of fixed rate agreement on the basis of active customers.
- ii) Revenue from sale of goods
  - Revenue from sale of stock-in-trade is recognised when the products are dispatched against orders to the customers in accordance with the contract terms and the Group has transferred to the buyer the significant risks and rewards.
  - Sales are stated net of rebates, trade discounts, sales returns and taxes on sales.
- iii) Interest income
  - Income from deployment of surplus funds is recognised on accrual basis using the effective interest rate (EIR) method.

### m) Foreign currency translation

#### **Functional and presentation currency**

The financial statements are presented in Indian Rupees (₹) which is also the functional and presentation currency of the Group.

#### **Transactions and balances**

Foreign currency transactions are recorded in the functional currency, by applying the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Non-monetary items denominated in a foreign currency are converted in functional currency at the rate prevailing on the date of transactions and the same are carried at historical cost.

Foreign currency monetary items are converted to functional currency using the closing rate.

Exchange differences arising on such conversion and settlement at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

### n) Borrowing Costs

Borrowing costs include interest and other costs that the Group incurs in connection with the borrowing of funds.

In case of significant long-term loans, other costs incurred in connection with the borrowing of funds are amortised over the period of respective loan.

### o) Employee benefits

Employee benefits include provident fund, pension fund, gratuity and compensated absences

#### *Defined contribution plan*

The Group deposits the contributions for provident fund and employees' state insurance to the appropriate government authorities and these contributions are recognised in the statement of profit and loss in the financial year to which they relate.

#### *Defined benefit plan*

The Group's gratuity scheme is a defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation carried out at the end of the year by an independent actuary, using the projected unit credit method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans is based on the market yields on Government Securities for relevant maturity. Actuarial gains and

# CONSOLIDATED SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

(All amounts in ₹ lacs, unless otherwise stated)

losses are recognised immediately in the Statement of Other Comprehensive Income. The Group has done contribution to the Gratuity plan with LIC partially.

## *Other long term employee benefits*

Benefits under the Group's compensated absences constitute other long-term employee benefits. The liability in respect of compensated absences is provided on the basis of an actuarial valuation done by an independent actuary using the projected unit credit method at the year end. Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss.

## *Short-term employee benefits*

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages, and bonus, etc., are recognised in the statement of profit and loss in the period in which the employee renders the related service.

## **p) Employee stock option scheme**

The fair value of options granted under Employee Stock Option Plan of the Group is recognised as an employee benefits expense with a corresponding increase in equity. The total amount to be expensed is determined by reference to the fair value of the options. The total expense is recognised over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. At the end of each period, the entity revises its estimates of the number of options that are expected to vest based on the non-market vesting and service conditions. It recognises the impact of the revision to original estimates, if any, in statement of profit and loss, with a corresponding adjustment to equity. Upon exercise of share options, the proceeds received are allocated to share capital up to the par value of the shares issued with any excess being recorded as share premium.

## **q) Leases**

### Company as a lessee

#### **Accounting policy till 31 March 2019**

Assets acquired on leases where a significant portion of risk and rewards of ownership are retained by the lessor are classified as operating leases. Lease rental are charged to statement of profit and loss on straight line basis.

Leases which effectively transfer to the Group substantially all the risks and benefits incidental to ownership of the leased items are classified as 'Finance Leases'. Assets acquired on 'Finance Lease' which transfer risk and rewards of the ownership to the Group are capitalized as the assets by the Group.

#### **Changes in accounting policy**

The Groups's lease asset classes primarily consist of leases for land. The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (1) the contract involves the use of an identified asset, (2) the Group has substantially all of the economic benefits from the use of the asset through the period of the lease, and (3) the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a Right of use (ROU) asset and a corresponding lease liability for all lease arrangements under which it is a lessee, except for short-term leases and low value leases. For short-term leases and low value leases, the Group recognizes the lease payments as an expense on a straight-line basis over the term of the lease.

Certain lease arrangements include options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options when it is reasonably certain that they will be exercised.

## CONSOLIDATED SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

[All amounts in ₹ lacs, unless otherwise stated]

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the date of commencement of the lease on a straight -line basis over the shorter of the lease term and the useful life of the underlying asset

The lease liability is initially measured at amortized cost at the present value of the future lease payments. For leases under which the rate implicit in the lease is not readily determinable, the Group uses its incremental borrowing rate based on the information available at the date of commencement of the lease in determining the present value of lease payments. Lease liabilities are re measured with a corresponding adjustment to the related ROU asset if the Group changes its assessment as to whether it will exercise an extension or a termination option.

ROU assets has been disclosed under property plant and equipments and corresponding lease liability has been shown under financial liability in the Balance sheet.

### *Transition*

Effective 1 April 2019, the Group adopted Ind AS 116 “Leases” and applied the standard to all lease contracts existing on 1 April 2019 using the modified retrospective method, on the date of initial application. This new standard provides a comprehensive model for the identification of lease arrangements and their treatment in the financial statements of both lessees and lessors. Ind AS 116 supersedes Ind AS 17 and its associated interpretative guidance. Consequently, the Group recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and Right-of-use assets were measured at the amount of the lease liability (adjusted for any prepaid or accrued lease expenses). Comparatives as at and for the year ended 31 March 2019 have not been retrospectively adjusted and therefore will continue to be reported under the accounting policies included as part of our Annual Report for year ended 31 March 2019.

On transition, the adoption of the new standard resulted in recognition of Right-of-Use asset (ROU) (an amount equal to the lease liability, adjusted by the prepaid lease rent) of ₹ 2,607 lacs. The impact on the loss of the Group for the year ended 31 March 2020 is not material.

The following is the summary of practical expedients elected on initial application:

- a) Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.
- b) Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application
- c) Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.

The weighted average incremental borrowing rate applied to lease liabilities as at 1 April 2019 is 10.84% p.a.

### *Company as a lessor*

Leases in which the Group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. The respective leased assets are included in the balance sheet based on their nature. Rental income is recognized on straight line basis over the lease term.

### **r) Earnings per share**

Basic earning per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

# CONSOLIDATED SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

(All amounts in ₹ lacs, unless otherwise stated)

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

## **s) Equity, reserves and dividend payment**

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds. Retained earnings include current and prior period retained profits. All transactions with owners of the Parent Company are recorded separately within equity.

## **t) Taxation**

Tax expense recognized in statement of profit and loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations.

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets on unrealised tax loss are recognised to the extent that it is probable that the underlying tax loss will be utilised against future taxable income. This is assessed based on the Group's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside statement of profit and loss is recognised either in other comprehensive income or in equity.

Unused tax credit such as (Minimum alternate tax ('MAT') credit entitlement) is recognized as an asset only when and to the extent there is convincing evidence that the Group will pay normal income-tax during the specified period. In the year in which such credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the statement of profit and loss and shown as unused tax credit. The Group reviews the same at each balance sheet date and writes down the carrying amount of unused tax credit to the extent it is not reasonably certain that the Group will pay normal income-tax during the specified period.

## **u) Operating cycle**

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Group has ascertained its normal operating cycle as twelve months. This is based on the nature of services and the time between the acquisition of assets or inventories for processing and their realisation in cash and cash equivalents.

## **v) Operating expenses**

Operating expenses are recognised in statement of profit or loss upon utilisation of the service or as incurred.

## CONSOLIDATED SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

[All amounts in ₹ lacs, unless otherwise stated]

### w) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). Basis the review of operations being done by the CODM, the operations of the Group fall under Direct to Home ('DTH') and teleport services, which is considered to be the only reportable segment.

### x) Provisions, contingent liabilities, commitments and contingent assets

The Group recognises a provision when there is a present obligation as a result of a past event and it is more likely than not that there will be an outflow of resources embodying economic benefits to settle such obligations and the amount of such obligation can be reliably estimated. Provisions are discounted to their present value (where time value of money is material) and are determined based on the management's estimation of the outflow required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that have arisen from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of future events, not wholly within the control of the Group. Contingent liabilities are also disclosed for the present obligations that have arisen from past events in respect of which it is not probable that there will be an outflow of resources or a reliable estimate of the amount of obligation cannot be made.

When there is an obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

### y) Financial instruments

#### *Initial recognition and measurement*

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities is described below.

#### **Financial assets**

##### *Subsequent measurement*

**Financial asset at amortised cost** – the financial instrument is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest ('SPPI') on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

#### **Investments in equity instruments of subsidiaries and joint ventures**

Investments in equity instruments of subsidiaries and joint ventures are accounted for at cost in accordance with Ind AS 27 Separate Financial Statements.

# CONSOLIDATED SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

(All amounts in ₹ lacs, unless otherwise stated)

Investments in other equity instruments which are held for trading are classified as at fair value through profit or loss (FVTPL). For all other equity instruments, the Group makes an irrevocable choice upon initial recognition, on an instrument by instrument basis, to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit or loss (FVTPL).

## **Investments in mutual funds**

Investments in mutual funds are measured at fair value through profit and loss (FVTPL).

**Derivative instruments** – derivatives such as options and forwards are carried at fair value through profit and loss with fair gains/losses recognised in statement of profit and loss.

## **De-recognition of financial assets**

A financial asset is primarily de-recognized when the rights to receive cash flows from the asset have expired or the Group has transferred its rights to receive cash flows from the asset.

## **Financial liabilities**

### **Subsequent measurement**

Subsequent to initial recognition, all financial liabilities are measured at amortised cost using the effective interest method.

### **De-recognition of financial liabilities**

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

### **Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

## **z) Fair value measurement**

The Group measures financial instruments such as investments, at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the standalone financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value

hierarchy as explained above.

### **aa) Cash and cash equivalents**

Cash and cash equivalents comprises cash at bank and in hand, cheques in hand and short term investments that are readily convertible into known amount of cash and are subject to an insignificant risk of change in value.

### **ab) Cash flow statement**

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated based on the available information.

### **ac) Non-current assets held for sale and discontinued operations**

An entity shall classify a non-current asset (or disposal group) as held for sale if its carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset and its sale is highly probable. Management must be committed to sale which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets classified as held for sale are presented separately and measured at the lower of their carrying amounts immediately prior to their classification as held for sale and their fair value less costs to sell. However, some held for sale assets such as financial assets, assets arising from employee benefits and deferred tax assets, continue to be measured in accordance with the Group's relevant accounting policy for those assets. Once classified as held for sale, the assets are not subject to depreciation or amortisation.

A discontinued operation is a component of the Group that either has been disposed of, or is classified as held for sale. Profit or loss from discontinued operations comprise the post-tax profit or loss of discontinued operations and the post-tax gain or loss resulting from the measurement and disposal of assets classified as held for sale. Any profit or loss arising from the sale or re-measurement of discontinued operations is presented as part of a single line item, profit or loss from discontinued operations.

### **ad) Significant management judgement in applying accounting policies and estimation uncertainty**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements and the results of operations during the reporting periods. Although these estimates are based upon management's knowledge of current events and actions, actual results could differ from those estimates and revisions, if any, are recognised in the current and future periods.

### ***Significant management judgements***

The following are significant management judgements in applying the accounting policies of the Group that have the most significant effect on the financial statements.

**Recognition of deferred tax assets:** The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

## CONSOLIDATED SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

**Evaluation of indicators for impairment of assets:** The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

**Contingent liabilities:** At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Group assesses the requirement of provisions against the outstanding warranties and guarantees. However, the actual future outcome may be different from this judgement.

### ***Significant estimates***

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be different.

**Impairment of financial assets:** At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables.

**Impairment of goodwill and other intangible assets:** At each balance sheet date, goodwill is tested for impairment. The recoverable amount of cash generating unit (CGU) is determined based on the higher of value-in-use and fair value less cost to sell. Key assumptions on which the management has based its determination of recoverable amount include estimated long-term growth rates, weighted average cost of capital and estimated operating margins. The cash flow projections take into account past experience and represent the management's best estimate about future developments. Cash flow projections based on financial budgets are approved by management.

**Defined benefit obligation (DBO):** Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

**Fair value measurements:** Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

**Useful lives of depreciable/amortisable assets:** Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of certain software, customer relationships, IT equipment and other plant and equipment.

| <b>Closing balance</b>                  | <b>223,802</b>  | 281,699       |

#### Impairment tests for goodwill

Goodwill is monitored by management at the level of D2h division acquired pursuant to merger of the Parent Company with erstwhile Videocon D2h Limited

A summary of goodwill allocation and carrying value is presented below:

| Particulars   | 31 March 2021  | 31 March 20 |
|---------------|----------------|-------------|
| D2h CGU       | -              | 45,288      |
| D2h Infra CGU | <b>223,796</b> | 236,404     |
| <b>Total</b>  | <b>223,796</b> | 281,692     |

Impairment testing of the goodwill (allocated to the D2H CGU) is being performed at each balance sheet date. The recoverable amount of cash generating unit is determined based on the higher of value-in-use and fair value less cost to sell. Value in use is determined basis cash flow projections which is being prepared taking in to account past experience and represent the management's best estimate about future developments. Cash flow projections based on financial budgets are approved by management. Key assumptions on which the management has based its determination of recoverable amount include estimated long-term growth rates, weighted average cost of capital and estimated operating margins. The impairment loss, if any, determined as a result of the assessment is first applied to the carrying value of Goodwill allocated to D2H CGU and then to the other intangible assets consisting in the CGU in accordance with the manner prescribed in Ind AS 36. Based on above, at the current reporting date, an impairment loss amounting to ₹ 77,981 lacs (previous year ₹ 191,550 lacs) has been determined in respect of D2H CGU. Out of the total provision for impairment, ₹ 57,897 lacs (previous year ₹ 191,550 lacs) has been adjusted against the carrying value of goodwill and balance was adjusted against another intangible asset having infinite life namely trademark/brand in the manner prescribed in Ind AS 36.

**Key assumptions used for value in use calculation are as follows:**

- The Group prepares its cash flow forecast based on the most recent financial budget approved by management with projected revenue growth rate. Average monthly revenue per user is expected to grow at 4% per year.
- Terminal growth rate is assumed at 4% and is based on industry growth rate and projected growth of Indian economy.
- The EBITDA margin is expected to be at the same level through out the projected period.
- The free cash flow arrived at were discounted to present value using weighted average cost of capital (WACC). The sum of the discounted cash flows along with the discounted terminal value is the estimated enterprise value.

### Contractual obligation

Refer note 61(c) for disclosure of contractual commitments for the acquisition of intangible assets.

Note:

Please refer to Note 7, impairment testing of goodwill includes other intangible assets also and consequently the impact of impairment assessment as mentioned in said note on the D2H CGU, has been allocated to the related goodwill and other intangible assets, accordingly an adjustment of ₹ 20,084 lacs on account of impairment loss in the carrying value of brand belonging to D2H CGU having the indefinite life intangible assets namely 'Trademarks/brand'.

### 9. Intangible assets under development

In line with the business plan of investing in new age technologies, inter alia, Watcho the OTT platform, networking equipments and customer premises equipments (CPE), Dish Infra Services Private Limited, a wholly owned subsidiary Company had made significant progress in augmenting these new age technologies in previous year. The subsidiary Company had contracted with aggregators for content and related infrastructure and recorded ₹ 55,200 lacs as intangible assets under development and ₹ 68,585 lacs as related capital advances as of 31 March 2021. However, the process could not be completed within planned timeframe due to COVID-19 lockdown and restrictions imposed across the country during the year. The management of the subsidiary Company is in the process of concluding all the planned investments in the near future. As further described in note 44, management has concluded that no material adjustments is required in the carrying value of intangible assets under development and the related advances.

#### Note:

During the previous year, the Group has elected to exercise the option permitted under section 115BAA of the Income-tax Act 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Group have re-measured the deferred tax assets/liabilities on the basis of the rates prescribed in that section. This has resulted in a reversal of deferred tax assets to the extent of ₹ 27,957 lacs on account of re-measurement of deferred tax assets/ liabilities pertaining to the previous period. Additionally MAT credit entitlement of ₹ 1,902 lacs has been reversed due to implementation of tax ordinance.

#### c) Rights, preferences, restrictions attached to the equity shares

The Parent Company has only one class of equity shares, having a par value of Re. 1 per share. Each shareholder is eligible to one vote per fully paid equity share held (i.e. in proportion to the paid up shares in equity capital). The dividend proposed, if any, by the Board of Directors is subject to approval of shareholders in the ensuing Annual General Meeting, except in case of interim dividend. The repayment of equity share capital in the event of liquidation and buy back of shares are possible subject to prevalent regulations. In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Parent Company after distribution of all preferential amounts, in proportion to their shareholding.

## CONSOLIDATED SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

[All amounts in ₹ lacs, unless otherwise stated]

44. Despite of the outbreak of Coronavirus (COVID-19) leading to consequential lock down across the country during the year and further restrictions imposed by many State Governments subsequent to year-end due to spread of Covid-19 second wave, the Group has continued to operate and provide 'Direct to Home' (DTH) services to its customer without any disruptions. The Group has evaluated its liquidity position and recoverability and carrying value of its assets, including planned investments and has concluded that no material adjustments is required at this stage in the financial results. However, given the uncertainties in the economic environment, management's impact assessment is subject to significant estimation, uncertainties, and accordingly, the actual results in future may be different from those estimated as at the date of approval of these financial results. Considering that it is a dynamic and evolving situation, the management will continue to monitor any material changes to the future economic conditions and consequential impact on its business/operations.

### 45. Employee stock option plan (ESOP) 2018

At the board meeting held on 25 October 2018, the board of directors of the Parent Company had approved Employee Stock Option Plan, i.e., ESOP 2018 ("the Scheme"). The Scheme provided for issuance of 1,80,00,000 stock options (underlying fully paid equity share of Re.1 each) to all the permanent employees or Directors of the Parent Company, whether whole-time or not, or to employee of a subsidiary company or of a Parent company or of an associate company except an employee who is a Promoter or belongs to the Promoter Group, a Director who either by himself or through his relatives or through any body corporate, directly or indirectly holds more than 10% of the issued and subscribed shares of the Parent Company and the Independent Director at an exercise price equal to the 'market price' which shall be the latest available closing price, prior to the date of the meeting of the nomination and remuneration committee, in which options are granted on the stock exchange on which the shares of the Parent Company are listed.

The options will be granted at an exercise price equal to the 'market price' which shall be the latest available closing price, prior to the date of the meeting of the nomination and remuneration committee, in which options are granted on the stock exchange on which the shares of the Parent Company are listed.

Under ESOP 2018, the Parent Company will issue fresh equity shares as and when the Vested Options are exercised by the option grantees. Each option shall be convertible into one Share of the Parent Company upon exercise.

The total number of options that may be granted to any specific employee under one or more tranches during any one year shall not exceed 10,00,000 stock options and options that may be granted to any specific employee in aggregate shall not exceed 50,00,000 stock options

Options granted under ESOP 2018 would vest not earlier than one year and not later than four years from the date of Grant of such Options. The vesting shall happen every year equally i.e. 25% of the number of options granted, for 4 years from the date of grant of the options.

The Nomination and Remuneration Committee of the Parent Company at its meeting held on 25 October 2018 has approved the grant of 33,60,000 stock option at an exercise price of ₹ 44.85 per option to the eligible employees under the scheme having weighted average fair value of ₹ 13.87. Further, on 24 May 2019, the Nomination and Remuneration Committee of the Parent Company has approved the grant of additional 8,60,000 stock option at an exercise price of ₹ 30.45 per option to eligible employees under ESOP Plan 2018 having weighted average fair value of ₹ 15.20.

The fair value of the options granted has been calculated on the date of grant using Black Scholes option pricing model with the following assumptions:

### Particulars

Date of grant

Number of options granted

Fair value on grant date (₹ per share)

Share price at grant date (₹ per share)

Expected volatility (%)

Expected life (no. of years)

Expected dividends (in %)

Risk-free interest rate (in %)(based on government bonds)

| As at<br>31 March 2020 |
|------------------------|
| 24 May 2019            |
| 860,000                |

Volatility is a measure of the amount by which a price has fluctuated or is expected to fluctuate during a period. Each vest has been considered as a separate grant. The volatility for periods corresponding to the respective expected lives of the different vests, prior to the grant date has been considered. The daily volatility of the Parent Company's stock price on NSE over these years has been considered.

### 46. Employee stock option plan (ESOP) 2007

At the Annual General Meeting held on 3 August 2007, the shareholders of the Parent Company had approved Employee Stock Option Plan, i.e., ESOP 2007 ("the Scheme"). The Scheme provided for issuance of 4,282,228 stock options (underlying fully paid equity share of Re.1 each) to the employees of the Parent Company as well as that of its subsidiaries companies at the exercise price which shall be equivalent to the market price determined as per the Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 [SEBI (ESOP) Guidelines, 1999].

## CONSOLIDATED SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

[All amounts in ₹ lacs, unless otherwise stated]

The options granted under the Scheme shall vest between one year to six years from the date of grant of options, with 20% vesting each year. Once the options vest as per the Scheme, they would be exercisable by the grantee at any time within a period of four years from the date of vesting and the shares arising on exercise of such options shall not be subject to any lock-in period.

The shareholders in their meeting held on 28 August 2008 approved the re-pricing of outstanding options which were granted till that date and consequently the outstanding options were re-priced at ₹ 37.55 per option, determined as per SEBI (ESOP) Guidelines, 1999.

However, in respect of options granted subsequent to 28 August 2008, the exercise price of the options has been maintained as equivalent to the market price determined as per the SEBI (ESOP) Guidelines, 1999.

As stated above, the options are granted to the employees at an exercise price, being the latest market price as per SEBI (ESOP) Guidelines, 1999.

Further, it was decided by the Nomination and Remuneration Committee at its meeting held on 17 August 2017, that new Stock options shall not be granted under the ESOP 2007 Scheme of the Parent Company. Accordingly, it was proposed to withdraw the existing Scheme and cancel the remaining options which are yet to be granted and, for the employees who have been granted the Stock Options (whether vested or not) shall be granted Options under the new Scheme. However, the employees who have been granted the Stock Options (whether vested or not) shall be allowed to exercise those stock options.

#### Defined contribution plans

An amount of ₹ 651 lacs (previous year ₹ 789 lacs) and ₹ 2 lacs (previous year ₹ 5 lacs) for the year, have been recognized as expenses in respect of the Group's contributions to Provident Fund and Employee's State Insurance Fund respectively, deposited with the government authorities and have been included under "Employee benefits expenses".

## CONSOLIDATED SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

[All amounts in ₹ lacs, unless otherwise stated]

### Defined benefit plans

Gratuity is payable to all eligible employees of the Group on superannuation, death or permanent disablement, in terms of the provisions of the Payment of Gratuity Act or as per the Group's Scheme, whichever is more beneficial. The gratuity plan is partly funded and the Group has made contribution to the recognised funds in India.

### Risk exposure

The defined benefit plans are typically based on certain assumptions and expose the Group to various risk as follows:

- Salary risk- Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
- Investment risk – If plan is funded then assets liabilities mismatch and actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.
- Discount rate – Reduction in discount rate in subsequent valuations can increase the plan's liability.
- Mortality – Actual deaths and disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
- Withdrawals – Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact plan's liability.

The following table sets forth the status of the gratuity plan of the Group and the amounts recognised in the Balance Sheet and Statement of Profit and Loss:

## 48. Financial instruments measured at fair value

### A. Fair value hierarchy

The financial assets and liabilities measured at fair value in the statement of financial position are divided in to three levels of fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: the fair value of financial instruments that are not traded in active market is determined using valuation technique which maximise the use of observable market data rely as low as possible on entity specific estimate.

Level 3: if one or more of the significant inputs are not based on observable market data, the instrument is included in level 3

### B. Fair value of financial assets measured at fair value through other comprehensive income

## CONSOLIDATED SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

[All amounts in ₹ lacs, unless otherwise stated]

The Group's risk management is coordinated in close co-operation with the board of directors, and focuses on securing Group's short to medium term cash flows.

This note explains the sources of risk which the Group is exposed to and how the Group manages the risk and the related impact in these consolidated financial statements.

### Credit risk

Credit risk is the risk that a counterparty to a financial instrument will fail to discharge an obligation to the Group causing a financial loss. The Group's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost.

### Credit risk management

#### Credit risk rating

The Group assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets. The Group continuously monitors defaults of the counterparties and incorporates this information into its credit risk controls.

A: Low credit risk

B: Moderate credit risk

C: High credit risk

The Group provides for expected credit loss based on the following:

| Asset group          | Basis of categorization                                                                                         | Provision for expected credit loss                   |
|----------------------|-----------------------------------------------------------------------------------------------------------------|------------------------------------------------------|
| Low credit risk      | Investment, cash and cash equivalents, loans, security deposits, other bank balances and other financial assets | 12 month expected credit loss                        |
| Moderate credit risk | Trade receivables                                                                                               | Life time expected credit loss                       |
| High credit risk     | Trade receivables and other recoverable                                                                         | Life time expected credit loss or fully provided for |

Based on business environment in which the Group operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

The exposure to price risk arises from investments held by the Group and classified in the balance sheet either as fair value through OCI or at fair value through profit or loss.

#### b) Sensitivity

Further the Group is not exposed to any price risk as none of the equity securities held by the Group are classified as fair value through profit and loss or fair value through OCI.

## 50. Capital management

For the purpose of the Group's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Group. The primary objective of the Group when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value.

As at 31 March, 2021, the Group has only one class of equity shares and has reasonable debt. The Group's net debt consists interest bearing borrowings. Consequent to such capital structure, there are no externally imposed capital requirements. In order to maintain or achieve an optimal capital structure, the Group allocates its capital for distribution as dividend or re-investment into business based on its long term financial plans.

### 55. Leases

#### Group as a lessee

The Group has entered into lease arrangements for land and various offices that are renewable on a periodic basis with approval of both lessor and lessee.

The Group does not have any lease commitments towards variable rent as per the contract.

Each lease generally imposes a restriction that, unless there is a contractual right for the Group to sublet the asset to another party, the right of use asset can only be used by the Group. Leases are either non-cancellable or may only be cancelled by incurring a substantive termination fee. The Group is prohibited from selling or pledging the underlying leased assets as security. For leases over office buildings and premises the Group must keep those properties in a good state of repair and return the properties in their original condition at the end of the lease.

56. a) The Parent Company is in the litigation towards computation and payment of license fees on adjusted gross revenue basis with the Ministry of Information and Broadcasting ("Regulatory Authority"). This matter continues to be sub-judiced before the Hon'ble High Court of Jammu and Kashmir. The Parent Company continues to be legally advised that on the merits of its submissions and that the matter was decided by the TDSAT in favour of the Parent Company, it has a strong case. Using the principle of prudence in accounting standards, the Parent Company, in prior years, made a provision of ₹ 324,121 lacs in its books of account, which in the current period has been increased by ₹ 24,871 lacs primarily towards interest as a time value of money charge for case under subjudice. The same is included in table below

### Provision for regulatory dues (including interest)

| Particulars                   | As at<br>31 March 2021 | As at<br>31 March 2020 |
|-------------------------------|------------------------|------------------------|
| Opening provision             | 357,577                | 325,648                |
| Add: created during the year  | 43,006                 | 41,829                 |
| Less: payment during the year | 26,566                 | 9,900                  |
| Closing provision             | 374,017                | 357,577                |

The outflow of economic benefits with regard to the disputed portion would be dependent on the final decision by the Regulatory Authority. Presently, it has been classified under the 'Provision (current)'

- b) In continuation to the matter described in note a above, the Company has filed Petition (205(C) of 2014) before the Hon'ble Telecom Disputes Settlement & Appellate Tribunal (TDSAT) against Union of India challenging the propriety and legality of the demand of ₹ 62,420 lacs including interest of ₹ 15,967 lacs raised by the Ministry of Information and Broadcasting (MIB) by way of a demand letter dated 19 March 2014 towards alleged short payment of license fee for the period 2003-04 to 2012-13. The matter is pending before the Hon'ble TDSAT.

# CONSOLIDATED SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2021

(All amounts in ₹ lacs, unless otherwise stated)

Further pursuant to scheme of merger, Parent Company has assumed deemed liability of ₹ 13,104 lacs and interest liability of ₹ 2,724 lacs which was raised by the MIB on transferor company by way of demand letter dated 24 March 2014 towards alleged short payment of license fee for the period 2009-10 to 2012-13. Transferor company had filed petition (204(C) of 2014) before the Hon'ble TDSAT against Union of India challenging the propriety and legality of the demand. The matter is also pending before the Hon'ble TDSAT.

Further, despite the matter being sub-judice as stated above, the Parent Company received communications from the MIB, wherein the Parent Company was directed to pay ₹ 416,406 lacs within 15 days towards the license fee for the period from the date of issuance of DTH License till financial year 2018-19 and interest thereon till 30 September 2020. However, the MIB has in its said letter, also mentioned that the amount is subject to verification and audit and the outcome of various court cases pending before the TDSAT, the Hon'ble High Court of Jammu and Kashmir at Jammu and the Hon'ble Supreme Court of India. The Parent Company responded to the aforementioned letter on 06 January 2021 disputing the demand.

[All amounts in ₹ lacs, unless otherwise stated]

Other than above, penalty, if any, levied on conclusion of above matters is currently not ascertainable.

Other than above, the Group has certain litigations involving customers and based on the legal advice of in-house legal team, the management believes that no material liability will devolve on the Group in respect of these litigations.

### Income tax

In earlier years, the Company had received demand notices for tax deducted at source ('TDS') and interest thereon amounting to ₹ 760 lacs (excluding penalty levied amounting ₹ 16 lacs) relating to matters pertaining to alleged short deduction of tax at source on certain payments for the assessment years 2009-10 to 2013-14. Out of the cases mentioned above, Company has received favourable orders in the matter of assessment year 2010-11 and 2011-12. The balance demands amounting to ₹. 348 lacs relates to matters pertaining to alleged short deduction of tax at source on certain payments for the assessment years 2009-10, 2012-13 and 2013-14. In respect of the demand received the Company had made payment under protest of ₹ 348 lacs which was paid in the previous years. Further, the amount paid under protest, as a matter of abandoned caution, based on management estimate has been provided for in the books. However, the Company has disputed all these matters and filed appeal against the above said demands with the tax authorities.

Furthermore, the company has preferred to settle the dispute relating to tax arrears/Interest/Penalty under the Vivaad se Vishwas Scheme, 2020 by filling forms dated 8 March 2021 for all the above Financial Years.

### Sales tax, value added tax, entry tax, service tax, entertainment tax, custom duty and other claims

The Company and its subsidiary Company Dish Infra Services Private Limited have received notices/assessment orders in relation to applicability of above-mentioned taxes. The Companies have contested these notices at various Forums/Courts and the matter is subjudice. Further, the Company has assumed the contingent liability in relation to above-mentioned taxes as part of the merger with Videocon d2h Limited.

Based on the advice from independent tax experts, and development on the appeals, the Group is confident that the additional tax so demanded will not be sustained on the completion of appellate proceedings and accordingly, pending the decisions by the appellate authorities, no provision has been made in these financial statements.

foreseeable losses. At the year end, the company has reviewed and ensured that adequate provision as required under the law/Ind AS for the material foreseeable losses on such long term contract (including derivative contracts) has been made in the books of accounts.

- iii) During the financial ended 31 March 2018, the Directorate of Revenue Intelligence (DRI), Bangalore, under section 108 of the Customs Act, 1962, had inquired about the classification of viewing cards for applicability of customs duty. The Company had, suo-moto, paid ₹ 600 lacs under protest. Further, during the previous financial year, the Company has received a demand notice for ₹ 11,846 lacs. The Company has paid an additional amount of ₹ 1,000 lacs under protest and contested against this notice. Further, ADG (Adj.) DRI Delhi has confirmed the demand vide order dated 27 April 2020 and 28 April 2020 and imposed applicable interest and penalty of an equivalent amount. The Company has preferred appeals before CESTAT, Delhi along with the predeposit of ₹ 324 lacs, against the said orders. The Company is confident that the demand will not be sustained therefore, no provision has been made in these financial statements and the amount demanded has been shown as a contingent liability.
- iv) During the previous year, the wholly-owned subsidiary company, Dish Infra Services Private Limited has received a Show Cause Notice for ₹ 42,686 lacs from the office of the Directorate of Revenue Intelligence (DRI), Bangalore, under section 108 of the Customs Act, 1962. The subsidiary Company has preferred a writ petition for challenging the validity of the show cause notice before the Hon'ble High Court of Delhi. The writ petition has maintained by the Hon'ble High Court and issued a notice to the DRI Bangalore. The subsidiary Company is confident that the proposed demand will not be sustained and therefore, no provision has been made in these financial statements and the amount demanded has been shown as a contingent liability.

As described in aforementioned note, management, basis its internal assessment, has considered such balances as fully recoverable as at 31 March 2021. However, the management has not carried out a detailed and comprehensive impairment testing in accordance with the principles of Indian Accounting Standard – 36, "Impairment of Assets" and Indian Accounting Standard – 109, "Financial Instruments". In the absence of sufficient appropriate evidence to support management's conclusion, we are unable to comment upon adjustments, if any, that may be required to the carrying value of these non-current investment and non-current loans and its consequential impact on the accompanying Statement.<br><br>Our opinion for the year ended 31 March 2020 and conclusion for the quarter ended 30 June 2020, quarter and six months ended 30 September 2020 and quarter and nine months ended 31 December 2020 were also modified in respect of this matter. |                                                                                                                                                                                                                                                                              |                                                                                                                                               |                                                                                                                |

|      | Private Limited ('Dish Infra'), amounting to Rs. 5,15,412 lacs and Rs. 74,173 lacs respectively. Dish Infra's net worth is positive although it has incurred losses in current year. Based on internal assessment, Management believes that the realisable amount from Dish Infra will be higher than the carrying value of the non-current investments and other non-current financial assets. Hence, no impairment has been considered. The internal assessment is based on the ability of Dish Infra to monetise its assets including investments in new age technologies, which will generate sufficient cash flows in the future. |

|     | <p><b>(a) Details of Audit Qualification:</b><br/>As given in Note 12 to the accompanying Statement, the following qualification is given by another firm of Chartered Accountants vide their report dated 28 June 2021 on the financial results of Dish Infra Services Private Limited, a wholly owned subsidiary of the Holding Company which is reproduced by us as under:</p> <p>"As stated in Note 12 to the accompanying Statement, the Company has invested in new technologies recorded as Intangible assets under development and related capital advances amounting to Rs 55,200 lacs and Rs. 68,585 lacs respectively. In accordance with Indian Accounting Standard – 36, "Impairment of Assets", the management is required to carry out impairment test of intangible assets under development at least annually. The management has not carried out a detailed impairment testing for intangible assets under development and related advances, inter alia, involving independent valuation experts, evaluating impact of competition on related business plans and performing sensitivity analysis of future cash flows expected from these assets. In the absence of such aforementioned impairment assessment, we are unable to comment upon adjustments, if any, that may be required to the carrying values of such intangible assets under development and the related advances".</p> <p>Our opinion for the year ended 31 March 2020 and conclusion for the quarter ended 30 June 2020, quarter and six months ended 30 September 2020 and quarter and nine months ended 31 December 2020 were also modified in respect of this matter.</p> |                         |                                                                                                                                                |                                                                                                                |

The subsidiary Company had contracted with aggregators for content and related infrastructure and recorded Rs. 55,200 lacs as intangible assets under development and Rs. 68,585 lacs as related capital advances as of 31 March 2021. However, the process could not be completed within planned timeframe due to COVID-19 lockdown and restrictions imposed across the country during the year. The management of the subsidiary Company is in the process of concluding all the planned investments in the near future. As further described in note 10, management has concluded that no material adjustments is required in the carrying value of intangible assets under development and the related advances. |
