DIRECTORS' REPORT FOR THE YEAR 2016-17

Your Directors have pleasure in presenting this 41st Annual Report together with the audited accounts of the Company for the year ended 31st March, 2017.

FINANCIAL RESULTS

The financial results of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended). The Company adopted Ind AS from 1st April, 2016, and accordingly, these financial results (including for all the periods presented in accordance with Ind AS 101 - First-time Adoption of Indian Accounting Standards) have been prepared in accordance with the recognition and measurement principles of Ind AS, prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and the other accounting principles generally accepted in India. Pursuant to the adoption of the Ind AS, the Accounting Policies have been revised as on transition date and the effect of the same has been reflected in the results. The figures for the previous year have been recast as per the new Ind AS adopted by the company.

The Profit after tax of the Company is ₹ 712.27 lakh for the year as compared to ₹4350.18 lakh for the previous year.

The Company's earning per share is ₹2.54 for 2016-17 as compared to ₹15.54 for 2015-16.

The operational income of the Company is ₹58587.17 lakh as compared to ₹66585.89 lakh for the previous year. The other income is ₹1381.78 lakh as compared to ₹1532.21 lakh for the previous year. The total income for the year is ₹59968.95 lakh as compared to ₹68118.10 lakh for the previous year.

The fall in income for this year is mainly due to the lower capacity utilization which was due to the reduction in scope at the Haldia project and stopping of the Goa project which was not adequately compensated by other projects.

CAPACITY UTILISATION

The capacity utilisation in number of days and quantity dredged as against the targets during the year is as under:-

	Target	Actual	% Utilisation
No. of Days	3425	2273	66.36
Quantity (Mln. Cu.M)	719	519	72.18

CAPACITY ADDITIONS

The inland cutter suction dredger named as DCI GANGA has been inducted into the fleet on 6th December, 2016. The vessel has been put into operation at the dredging project being carried out at Puducherry. This is the first of Inland fleet being inducted into the fleet in recent times.

(A) THE INDEPENDENT AUDITORS IN THEIR REPORT FOR 2016-17 HAVE STATED AS UNDER:-
EMPHASIS OF MATTERS:

QUOTE

We draw attention to the following matters in the Notes to the financial statements. Our opinion is not qualified in respect of this matter.

a) Componentization: (Refer note No. 3 of the financial statements)

As per note 4 of Schedule II to the Companies Act, 2013 - "Useful life specified in Part C of the Schedule is for whole of the asset. Where cost of a part of the asset is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part shall be determined separately."

The above requirement is commonly known as 'component accounting'. Companies are required to identify and depreciate significant components with different useful lives separately.

However management is of the view that no component is having more than 10% value of total cost of the dredger hence component accounting is not applicable.

b) Trade Receivables includes ₹11,433.18 lakhs receivable from M/s Sethusamudram Corporation Ltd.(SCL) which is pending for more than 4 years. Out of the above, Company has provided for doubtful debts to the extent of ₹3019.27 lakhs. The company is of the view that this will be reimbursed by GOI (at whose behest the contract with SCL was entered) to DCI to compensate the actual expenditure incurred on this project. In view of this, a provision for doubtful debts is not made in respect of receivables in this regard amounting to ₹8413.91 lakhs.

c) The balances of sundry debtors, creditors, loans and advances, other receivables and other payables being subject to confirmation and reconciliation resulting in the balances as per books of account not verified by us.

UNQUOTE

Management reply to emphasis of matter:

The above emphasis of matters at Sl. (a), and (b) include the views of the management on the same. With regard balance of sundry debtors etc., at Sl.No. (c) above it is stated that confirmation for some of the amounts, particularly with regard to sundry debtors due from various ports etc., for the works executed by DCI and/or bills raised for the same, are to be received.

DIRECTORS' REPORT

(B) OBSERVATIONS/QUALIFICATIONS MADE BY THE SECRETARIAL AUDITOR:

QUOTE

".... we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Regulations 17 to 27, 46 (2) (b) to (i) and Para C, D and E of Schedule V of Chapter IV of SEBI (LODR) Regulations, 2015 and DPE Guidelines on Corporate Governance except:

Compliance of Regulation 17 (1) of Securities Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations, 2015 and Clause 3.1.4 of the DPE Guidelines on Corporate Governance for Central Public Sector Enterprises w.r.t. composition of the Board of Directors of the Company."

UNQUOTE**Management's reply**

The Company is a Government of India Undertaking and as per the Articles of Association of the Company, the Directors are to be appointed by the President of India. As such disclosure under Form AOC-2 of Companies (Accounts) Rules 2014 is "NIL".
- the state of the company's affairs :- This has been explained elsewhere in this report.;
- h) the amounts, if any, which it proposes to carry to any reserves: The following amounts have been transferred to different reserves during the year:-
- | | | |
|---|---|-------------|
| a) Tonnage Tax Reserve u/s 115VT utilisation of the IT Act. | - | ₹ 72 Lakhs |
| b) Transfer to Debenture Redemption Reserve | - | ₹ 600 Lakhs |
- i) In view of the Commitments for servicing of the loans, no dividend has been recommended for the year 2016-17.
- j) material changes and commitments, if any, affecting the financial position of the company which have occurred between the end of the financial year of the company to which the financial statements relate and the date of the report: Nil
- k) the conservation of energy, technology absorption, foreign exchange earnings and outgo:
- Conservation of energy : The following measures have been taken:
 - All the dredgers in DCI fleet are installed with sophisticated and state-of-the art instrumentation like Differential Global Positioning System (DGPS) and Draft Volume Load Monitoring (DVLM) system to facilitate efficient dredging with potential energy saving.
 - While procuring new dredgers, fuel efficient design with advanced technology is selected.
 - Continuous efforts are being made to optimise the fuel consumption on board dredgers as cost of fuel constitutes approximately 35-45% of operational cost.
 - Technology absorption: There was no transfer of technology and consequently there is no absorption of technology during the year.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2017

{Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of
The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014}

To,

The Members,

Dredging Corporation of India Limited

We have conducted the Secretarial Audit of compliance of applicable statutory provisions and adherence to good corporate practices by **Dredging Corporation of India Limited** (hereinafter called DCIL/the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the DCIL's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2017 complied with the statutory provisions listed hereunder and also that the Company has proper Board- processes and Compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by DCIL for the financial year ended on 31st March, 2017 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulation, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;

 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
- (vi) Compliances/processes/systems under other specific applicable Laws (as applicable to the industry), as listed below, to the Company are being verified on the basis of periodic certificate submitted to the Board of Directors of the Company.

We have also examined compliance with the applicable clauses of the following:

- (a) Secretarial Standards issued by the Institute of Company Secretaries of India - *Generally complied with.*
- (b) The Securities Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations, Equity Listing Agreement with National Stock Exchange of India Limited & BSE Limited.
- (c) DPE Guidelines on Corporate Governance for CPSE (DPE Guidelines).

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above, subject to the following observation:

Compliance of Section 149(4) of the Companies Act, 2013, Regulation 17 (1) of Securities Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations, 2015 and Clause 3.1.4 of the DPE Guidelines on Corporate Governance for Central Public Sector Enterprises w.r.t. composition of the Board of Directors of the Company.

We further report that in the absence of requisite number of Independent Directors, the Company has not complied with the requirements pertaining to the composition of the Board of Directors, which is to be constituted as per the Companies Act, 2013, DPE Guidelines and SEBI (Listing Obligation & Disclosure Requirements) Regulations. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

The Company has explained that the appointment of Functional Directors, Part Time Official Directors (Govt. Directors) as well as Part Time Non-Official Directors (Independent Directors) on the Board of DCIL is made by Government of India (GOI) through Ministry of Shipping, being administrative ministry of DCIL. Therefore, terms & conditions of appointment as well as tenure of all directors are also decided by GOI and there is a well laid down procedure for evaluation of Directors by the Administrative Ministry.

As per the explanations/ representations received from the Company, Company is in the process of getting Board approval of policies as required under Regulation 19(4), 30 & 30 (8) of the Securities Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations.

Generally, adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. In case of convening of meeting including sending of agenda at shorter notice, consent of members present in the meeting were taken.

All the decisions made in the Board/Committee meeting(s) were carried out with unanimous consent of all the Directors/Members present during the meeting.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, no specific event has occurred in the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT FOR THE YEAR 2016-17

GLOBAL DREDGING MARKET

1. Global dredging market is around Euro 12 billion growing at 4.1% per annum during 2005 to 2014. Seaborne trade has been the largest contributor to global dredging demand with ~56% share. Other major contributors are urban settlement (20% share) & Energy sector (15% share). The open dredging market excluding closed markets of China and USA, was around Euro 7.1 billion in 2015.
2. Global dredging market is expected to grow at 4% CAGR to reach ~Euro 22 billion by 2030. Major growth is expected to come from seaborne trade with its share of total dredging demand increasing from 56% in 2014 to 67% in 2030. The share of open dredging market in 2030 is expected to be around Euro 13 – 14 billion.
3. Middle East, South-East Asia and Africa are likely to generate a bulk of seaborne trade related demand as the trade momentum is expected to shift from developed economies to developing economies. New trade lanes expected to emerge between Asia and Africa; China - India trade lane is expected to be the fastest growing pair and likely to be seventh largest in terms of trade flows by 2030; Trade links between China and other low cost South East Asian economies and Africa will also intensify.
4. Open market global dredging supply is dominated by about 4 international dredging players together controlling ~ 40% - 45% of dredging supply. Global demand supply gap analysis suggests that the global dredging market is expected to remain oversupplied in the near term. However, in the medium - long term, the supply is expected to get engaged with initiation of big dredging projects such as Garuda project (Investment of USD 40 bn), Singapore project (5000 ha land reclamation until 2030, investment Euro 23 bn), Nicaragua - New canal (USD 50 bn). The Big players are likely to continue dominating the global dredging market. However, emergence of China in global dredging sector is a threat to established players. Sovereign Support is very important for geographical expansion of dredging companies.

INDIAN DREDGING MARKET

5. The Indian dredging market for FY16 was about ₹ 3000 Cr. out of which ₹ 1750 Cr (₹1550 Cr – Major Ports and ₹200 Cr non-major ports) is the third party dredging (i.e.dredging by dredging companies like DCI and other players) and ₹1250 is captive dredging i.e dredging by ports like Adani, Essar etc., which are serviced by their own dredging assets. Out of the ₹1750 Cr third party dredging, capital dredging market is ₹900 Cr and ₹850 Cr is towards maintenance dredging.
6. Seaborne trade is the single largest demand driver for growth of dredging market in India. Indian ports handled ~1070 MTPA of cargo in 2016 growing at ~4% over last 5 years, wherein the cargo at non-major ports grew at ~ 8%. The cargo handling capacity of Indian ports has grown from 1100 MTPA in 2011 to ~ 1700 MTPA in 2016. While the capacity of major ports grew at 8%, the capacity of non-major ports grew at 12%
7. Sagarmala initiative by Government is expected to drive dredging demand in India. Third party Indian dredging market is expected to be INR 2400 - 2500 crs in 2030; Maintenance and capital dredging to contribute equally towards dredging demand.
8. Indian dredging market is expected to remain oversupplied in short to medium term. The international dredging companies have consolidated their position in high value capital dredging projects in India. DCI and other Indian private dredging companies are focused in Maintenance dredging market.
9. Indian dredging market is tender based and hence focus on low cost dredging is essential through high productivity and depreciated fleet. Capturing perennial maintenance dredging markets of - Cochin, Kandla and Haldia provides flexibility to service seasonal markets and save idling cost of dredgers. High capacity hopper dredgers provide an edge in capital dredging projects. Possessing technology to execute high value dredging projects including rock dredging is essential for bidding and successful completion of capital dredging projects. Based on existing competition and technology capabilities, a single player is not expected to capture more than INR 700 - 1000 cr in Indian dredging market.

GUIDELINES ON UNDERTAKING DREDGING AT MAJOR PORTS ISSUED BY MINISTRY OF SHIPPING

11. As per the Guidelines on undertaking dredging at major ports issued by Ministry of Shipping, all major ports shall invite open competitive bids for capital/maintenance dredging works.
12. The present slump in the global dredging market and consequent entry of global players either directly or through their Indian arms competing to get the contracts at competitive rates has constrained DCI to quote competitively. This has put the financials of the Company under severe strain because of increasing cost due to frequent repairs and lay-up of the ageing dredgers.

CORPORATE STRATEGY

13. With the materialisation of the efforts taken for laying its foot hold outside the country and also consolidating the maintenance dredging market in the country, DCI is expected to be a ₹900~ ₹1000 Crore company by 2020. With focus on developing Inland waterways of India, DCI is expected to capture a sizeable market share for inland dredging in years to come.

PERFORMANCE

14. The capacity utilisation in number of days and quantity as against the targets during the year is as under:-

PHYSICAL

	Target	Actual	% Utilisation
No.of Days	3425	2273	66.36
Quantity (Mln. Cu.M)	719	519	72.18

FINANCIAL PERFORMANCE (as per Ind AS – Previous year figures also recast as per Ind AS)(₹ Lakhs)

	2016-17	2015-16
Income from Operations	59587	66586
Other income	1382	1532
Total Income	59969	68118
Total Comprehensive income (Profit after Tax)	712	4350
Earnings Per Share (₹)	2.54	15.54

OUR COMPETITIVE STRENGTHS

15. We believe that we are well -positioned to maintain and enhance our leadership position in the Indian dredging market, on account of our competitive strengths, which include the following:

Premier and the only PSU dredging company in India

16. We are a premier and the only PSU dredging company in India. We are also the preferred dredging company for Major Ports and the Indian Navy. We have been in this business since 1976 and have been catering to the dredging requirements of the major ports/ Indian Navy since then. Owing to the long association with the Major Ports, our Company is the most preferred company for dredging requirements of most of the Major Ports and the India Navy.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT....

Largest hopper capacity in the Indian market and Flexible portfolio of dredging assets

17. DCI has the largest hopper capacity in the Indian market which provides flexibility to handle projects involving larger dredging volumes as well as higher number of projects compared to any of the competitors in the Indian maintenance dredging market.
18. Our Company operates a diverse dredging fleet which is the largest in India in terms of capacity. The size, versatility and technical capabilities of our fleet improves its competitiveness as it generally permits our Company to select the appropriate equipment for a particular maintenance dredging job. To maintain the value and effectiveness of fleet, the Company emphasizes preventive maintenance so as to reduce the downtime, increase profitability, enhance the vessel life. With the addition of the Inland cutter suction dredger this year, the Company has re-entered into the inland dredging sector and is expecting to be a major player in the same.
19. The new dredgers (Dredge – XIX, XX and XXI) are the premium assets of DCI. They are equipped with the best technology among the fleet of Indian companies. The dredgers have shore pumping facilities which enables them to carry out the high premium jobs like aggregate dredging, beach nourishment and reclamation works.

Strong relationships with Customers

20. Our Company caters to the dredging requirements of the Major Ports and the Indian Navy right from its inception in 1976 and has a better understanding of the dredging requirements of the Indian Ports. Our Company is the leader in maintenance dredging in India through its combination of usage of advanced equipment and experience. Our Company believes that its size as the largest dredging company in India and its extensive experience significantly enhanced its ability to profitably bid for and complete the contracts awarded to it.

Forty years of dredging experience

21. DCI has 40 years of dredging experience at the Major ports in India, which gives DCI the experience of dredging at locations with varying soil characteristics. Although the pre-qualification criteria in the dredging tenders needs the recent dredging operation history (5-7 years), 40 years' experience provides credibility to DCI for bidding in the projects outside the country.
22. Our Company's senior managers have vast experience in the dredging and maritime industries. Our Company believes that this experience provides the Company with a significant advantage over its competitors. The Company's floating personnel who manage the dredgers and the management team who give the support services are well trained professionals having vast experience in the dredging and maritime industries

Fully depreciated fleet

23. A majority of the fleet of DCI is fully depreciated which reduces the operating cost. The lower operating cost increases the competency of DCI in the cost-driven Indian maintenance dredging market.

OUR WEAKNESSES/ CONSTRAINTS AND STEPS TAKEN TO OVERCOME THE SAME

24. The dredging fleet of DCI has an average age of more than 20 years. Some of the major equipment of the old vessels have already crossed their useful life. These equipment need extensive refurbishment.. Also, some of the ports limiting the age of equipment to be deployed in the project as their pre-qualification criteria.

To this extent, the Company has already taken steps to scrap some of the assets which have outlived their useful life and found not to be profitable after a techno economic viability study. DCI is also engaged technical consultants for condition study and preparation of dry dock package close supervision of dry-dock repairs.

25. The dredgers in the fleet of DCI are comparatively of the small to medium hopper size and cutter capacity. The higher operating cost of lower capacity dredgers affect the competitiveness of DCI in the bidding process.

The Company has taken steps for procurement of higher capacity trailer suction hopper dredger. The DPR for the same is ready and action for procurement will be initiated once the financial position improves in the form realization of the dues from Sethusamudram Corporation and other Major ports.

26. High attrition leading to increased contractual manpower: The dredging industry has a shortage of skilled manpower which makes the retention of employee very difficult for DCI a PSU. It is easier for people to get expertise in the industry and leave the company for lucrative offers from its competitors. In the past DCI has lost a lot of its experts to private and the international counterparts in the Indian market.

The Company is taking steps by increasing intake of dredging cadets both on engine side as well as on deck side. Further to prevent attrition of skilled manpower company is taking steps taking into consideration the recommendations of the consultant appointed for the purpose.

27. Improvements required for inventory management system etc.

The shortcomings in the existing inventory management system/ project management system/ preventive maintenance management systems etc., were analysed and identified with the help of consultants appointed for the purpose in order to improve the effectiveness of these systems and the suggestions of the consultants are in the implementation stage.

OPPUORTUNITIES

28. Since its inception DCI has been involved predominantly in the maintenance dredging works at the major ports. Although it has executed many capital dredging projects in the past, the expertise is not developed to the levels of the international players. As the growth opportunity in the Indian maintenance dredging market for a single player is limited up to about INR 1,000 crore DCI needs to diversify to other segments and businesses related to the dredging industry. The diversification opportunities can be classified into following categories:

Diversification in core business:

29. The core business diversification opportunities include the dredging services in segments other than maintenance and capital dredging as well as the geographical diversification. The other segments in dredging would include aggregate dredging, dredging for oil & gas sector, shallow water dredging, inland waterways, offshore mining and land reclamation activities.

Diversification to new businesses:

30. Diversification to new businesses include the forward and backward integration opportunities for DCI which can bring high synergy among the businesses. Forward integration would include the diversifying to the businesses which use dredging services like ports, marine construction and offshore installation activities. Backward integration includes the opportunities like ship building, ship repair, bunker barge and spare parts manufacturing.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT....

OUR STRATEGIES

31. We intend to increase income from operations and strengthen our domestic and international competitive position by expanding our operations in both our traditional and new dredging services and adopting a pro-active marketing strategy for our domestic and foreign operations. We aim to achieve our mission by pursuing the following business strategies:
- In order to improve the operations of the Company and also position itself amongst the global players, the company has appointed a leading consultant to formulate the strategic plan for the company for the years to come. The draft report submitted by the consultant will be implemented after finalisation of the same. In continuation of this endeavour, the company has also appointed consultants with regard to benchmarking, technical consultancy, project consultancy etc., and the reports submitted by them are under various stages of implementation.
 - Making forays in foreign dredging market: Apart from consolidation in the Indian dredging market, we have plans to make forays in the foreign dredging market. The initiatives taken for setting our foot once again in foreign waters is likely to materialise in this financial year. DCI has already secured the dredging contract for Mongla Port, Bangladesh. The agreement in this regard was already signed on 16/7/17 and the work is scheduled to begin by September 2017. The Company is making efforts to start dredging operations in other foreign countries like Turkey, Bahrain etc., where the negotiations are in an advanced stage.
 - Enhancement of the fleet capability :The Company plans to procure a higher volume hopper capacity trailer suction hopper dredger, action for which would be taken after improvement of the financial position and realisation of outstanding dues from ports and Sethusamudram Corporation. Further, with the impetus given to inland waterways by the Government and the consequent necessity and demand for inland dredging, the company has added to its fleet an inland cutter suction dredger which has already joined the fleet and has executed its maiden project at Puducherry.
 - Reducing operational costs :The Company also has taken initiatives to reduce operational costs by focusing on fuel efficiency in dredger operations and streamlining the spare parts procurement systems. The Company also has a tie-up with Cochin Shipyard Ltd for carrying out the drydock repairs of the dredgers. The company has also tied-up with another PSU – BEML for indigenisation of select spare parts
 - Nodal Agency : The Company has proposed to act as nodal agency to meet all dredging requirements for major ports in the country and submitted a proposal in this regard to the Ministry. The Company is also taking up with Ports and Ministry for allocation of the maintenance dredging for major ports in the country on a turnkey basis at agreed rates which would help in optimal utilisation and deployment of the dredgers and also economies of scale both for the ports and the Company.
 - Optimize capacity utilisation : - The Company continues to optimize its capacity utilization by continuous project monitoring and review, reducing equipment downtime through preventive maintenance and working with repair yards to accelerate dry dock repair periods, and increasing computerization, including introducing online connectivity between dredgers, projects and the head office.

THREATS

34. The Company perceives the following threats

- Increasing foreign competition.
- Increasing competition from Indian dredging companies.
- Frequent and expensive repairs to dredgers due to ageing.

The increased competition has in a way helped the company to tighten up and become more competitive. The company has taken steps in this regard by appointing a consultant to benchmark different parameters -both technical and operational against the best in the world as well take corrective steps to match the same.

FOREIGN EXCHANGE RISKS AND CONCERNS

35. The foreign exchange variations may cause a dent in the cash flows apart from effecting the results of the Company due the debt service obligations in foreign exchange.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

36. The Company has reasonable system of delegation at proper levels and an adequate system of internal control commensurate with its size and nature of its business. The Company has an adequate and independent internal audit department for conducting extensive audit of various important operational and financial matters. The internal audit work at Head Office and some of the projects has been outsourced to Chartered Accountant firms. The internal controls are reviewed by the Internal Audit Department. The Vigilance Department deals with vigilance and disciplinary cases with emphasis on preventive vigilance. C&AG conducts proprietary audit. The Company has constituted an Audit Committee and significant audit observations and follow up action thereon are reported to the Audit Committee. The proceedings of the Audit Committee meetings and also other Sub-Committee meeting of Directors are submitted to the Board.

INDUSTRIAL RELATIONS

37. The industrial relations in the Corporation continued to be cordial throughout the year 2016-17. The Unions representing the Non-Executives and Crew & Petty Officer of Dredging Corporation of India Limited were on one day strike on 11/4/17 in protest against rumors of strategic sale of DCI. However, there was no disruption of any nature of the day to day working of the Company. Further, there was no impact of the Strike on the operations of the DCI vessels and all the operational vessels are in uninterrupted dredging operations. There were no untoward incidents/disruption in any of the offices of the Company or onboard vessels.

CORPORATE SOCIAL RESPONSIBILITY

38. The Board of Directors of the Company have formulated the Corporate Social Responsibility Policy for the Company and also constituted a Sub-Committee of Directors for implementation of the same. The report of the Corporate Social Responsibility activities of the Company is attached to the Director's Report.

CAUTIONARY STATEMENT

39. Statements in this "Management Discussion and Analysis" describing the objectives, expectations, assumptions or predictions of the Company may be forward-looking statements within the meaning of applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the operations of the Company include economic conditions affecting demand/supply, price conditions in the domestic and international markets, Government policies and regulations, statutes and other incidental factors.

**INDEPENDENT AUDITORS' REPORT**

TO
THE MEMBERS OF
DREDGING CORPORATION OF INDIA LIMITED

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of **DREDGING CORPORATION OF INDIA LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2017, and the Statement of Profit and Loss (including other comprehensive income), statement of cash flows and statement of changes in equity for the year then ended, and a summary of significant accounting policies and other explanatory information (herein after referred to as "Standalone Ind AS financial statements").

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with relevant rules thereunder.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS of the financial position of the Company as at March 31, 2017, its financial performance including other comprehensive income, its cash flows and changes in equity for the year ended on that date.

Emphasis of Matters:

We draw attention to the following matters in the Notes to the financial statements. Our opinion is not qualified in respect of this matter.

a) **Componentization: (Refer Note No. 3 of the financial statements)**

As per note 4 of Schedule II to the Companies Act, 2013 - "Useful life specified in Part C of the Schedule is for whole of the asset. Where cost of a part of the asset is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part shall be determined separately."

The above requirement is commonly known as 'component accounting'. Companies are required to identify and depreciate significant components with different useful lives separately.

However management is of the view that no component is having more than 10% value of total cost of the dredger hence component accounting is not applicable.

b) Trade Receivables includes, ₹11,433.18 lakhs receivable from M/s Sethusamudram Corporation Ltd (SCL) which is pending for more than 4 years. Out of the above, Company has provided for doubtful debts to the extent of ₹ 3019.27 lakhs. The company is of the view that this will be reimbursed by GOI (at whose behest the contract with SCL was entered) to compensate the actual expenditure incurred on this project. In view of this, a provision for doubtful debts is not made in respect of receivables in this regard amounting to ₹8413.91 lakhs.

c) The balances of sundry debtors, creditors, loans and advances, other receivable and other payables being subject to confirmation and reconciliation resulting in the balances as per books of account not verified by us.

Report on Other Legal and Regulatory Requirements

1 As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the *Annexure A*, a statement on the matters specified in paragraphs 3 and 4 of the Order.

2 As required by section 143(3) of the Act, we report that:

INDEPENDENT AUDITORS' REPORT.....

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **DREDGING CORPORATION OF INDIA LIMITED** ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

CAG REPORT

**COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143 (6) (B) OF
THE COMPANIES ACT, 2013 ON THE ACCOUNTS OF DREDGING CORPORATION OF INDIA LIMITED,
VISAKHAPATNAM FOR THE YEAR ENDED 31ST MARCH 2017**

The preparation of financial statements of Dredging Corporation of India Limited, Visakhapatnam for the year ended on 31 March 2017 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 is the responsibility of the management of the company. The Statutory Auditor appointed by the Comptroller and Auditor General of India under Section 139(5) of Act is responsible for expressing opinion on these financial statements under Section 143 of the Act based on the independent audit in accordance with the standards on Auditing prescribed under Section 143 (10) of the Act. This is stated to have been done by them vide their Audit Report dated 29th May 2017.

I, on the behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit under Section 143(6)(a) of the Act of the financial statements of Dredging Corporation of India Limited, Visakhapatnam for the year ended 31 March 2017. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditor and company personnel and a selective examination of some of the accounting records. On the basis of my audit, nothing significant has come to my knowledge, which would give rise to any comment upon or supplement to Statutory Auditor's report.

NOTES....

(All amounts in ₹lakhs, except share data and unless otherwise stated)

- Notes: 1. As per the requirement of Schedule II to the companies Act, 2013 where cost of a part of the asset is significant to the total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part shall be determined separately for depreciation purpose. After careful examination, the company is of the view that none of the component part of the fixed asset is considered to be significant as compared to total cost of the asset except Dry Dock expenses incurred for dredgers which are less than 25 years in usage. Consequently, other than for Dry Dock expenses, the charging of depreciation for component parts was not required. Dry Dock expenses are capitalized to the respective dredger and depreciated over a period of 2.5 years from the date of capitalization based on management evaluation.
2. The Cutter Suction Dredger, DCI-XVIII after major repair came out of the Dry-dock yard in Dec, 15 & sailed to Goa for operation in April, 16. The management is of the view that there is no impairment required for this vessel as in "Value in use" is more than carrying amount.
3. Capital-Work in progress includes advances paid to CPWD - ₹1412.60

NOTES....**(All amounts in ₹lakhs, except share data and unless otherwise stated)****12. ACCOUNTING POLICIES:****1. BASIS OF PREPARATION OF FINANCIAL STATEMENTS:****1.1 Statement of Compliance:**

- a. These financial statements comply in all material respects with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016, provisions of the Act to the extent notified and guidelines issued by the Securities and Exchange Board of India ("SEBI").
- b. The financial statements up to year ended March 31, 2016 were prepared in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act ("previous GAAP").
- c. These financial statements are the first financial statements of the Company under Ind AS. Refer note.2 for an explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows.

1.2 Basis of Measurement:

- a. The Financial Statements have been prepared under the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.
- b. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.
- c. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or liability, the entity takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.
- d. In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:
 - Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
 - Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
 - Level 3 inputs are unobservable inputs for the asset or liability.

2. ACCOUNTING ESTIMATES:

The preparation of the financial statements in conformity with IndAS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

3. OPERATIONAL INCOME- REVENUE RECOGNITION:

- a. Revenue is measured at the fair value of the consideration received or receivable and is reduced for allowances wherever applicable as per the contract.
- b. Revenue from a contract to provide services is recognized by reference to the stage of completion of the contract. The stage of completion of the contract is determined based on internal assessment/survey.
- c. Claims preferred on customers for works/items not contemplated are considered as income on their acceptance.

4. OTHER INCOME:

- a. Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the entity and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.
- b. Interest on Tax refunds are accounted on receipt basis.

5. OPERATIONAL EXPENSES:

- a. All operational expenses are charged to revenue under accrual basis.
- b. Insurance:
 - i. Final adjustments to insurance premium paid are considered in accounts on the basis of demands received
 - ii. Expenses on account of general average claims/damages to ships are written off in the year in which they are incurred.
 - iii. In respect of hull and machinery insurance claims, the claim is accounted as claims recoverable from underwriters on submission of average adjuster report to the underwriter under operational income. Necessary

NOTES....

(All amounts in ₹lakhs, except share data and unless otherwise stated)

adjustments are made to the claims recoverable account as and when the actual claims are received from the underwriters. In respect of other claims, the same are accounted for on realization /settlement of the same by the underwriters and is accounted under operational income.

6. DEPRECIATION:

- a. Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method.
- b. Freehold land is not depreciated.
- c. Dry Dock Expenses:
 - i. Dry Dock Expenses incurred on Dredgers where estimated useful life of 25 years is completed is charged to the statement of Profit and Loss.
 - ii. Dry Dock Expenses incurred on Dredgers where estimated useful life of 25 years is not completed is capitalized to property plant and Equipment and depreciated as a separate component over its estimated useful life of 2.5 years.
- d. The Company depreciates property, plant and equipment over their estimated useful lives using the straight-line method as per the useful life prescribed in schedule II of the Companies Act, 2013 except for the following categories of assets in which case the estimated useful life has been assessed based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support.

Type of Asset	Estimated Useful Life
Dredgers	25 years
Mild steel pipe lines equipment	4 years
High density polyethylene pipe line equipment	8 years
Second hand assets	As per estimated balance Service period.
Building on lease hold land	Cost of building construction on leasehold land amortized over the lease period or useful life of the building Whichever is lower.
- e. An item of property, plant and equipment is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in profit or loss.
- f. Items of Fixed Assets whose cost does not exceed ₹5000/- (Rupees five thousand) are capitalized and depreciated 100% during the year.

7. PROPERTY, PLANT & EQUIPMENT:

- a. Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Cost includes professional fees and, for qualifying assets, borrowing costs capitalized in accordance with the Entity's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.
- b. Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses.
- c. Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognized impairment loss.
- d. Dry Dock Expenses: Dry Dock Expenses incurred on Dredgers where estimated useful life of 25 years is not completed is capitalized to property plant and Equipment.
- e. Items of Fixed Assets whose cost does not exceed ₹5,000/- (Rupees five thousand) are capitalized and depreciated 100% during the year.
- f. Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire non-current assets are recognised as deferred revenue in the balance sheet and transferred to profit or loss on systematic and rational basis over the useful lives of the related assets.

8. BORROWING COSTS:

- a. As per the transitional provisions given in the notification issued by the Ministry of Corporate Affairs, Government of India dated 31st Mar, 2009 read with the notification dated 9th August,2012, the Company has opted for adjusting the exchange difference on the long term foreign currency monetary items to the cost of the assets acquired out of these foreign currency items.
- b. Borrowing costs attributable to acquisition, construction or production of qualifying assets are capitalised as part of the cost of that asset, till the time the asset is put to use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

9. FOREIGN CURRENCY TRANSACTIONS:

Transactions in foreign currency are recorded at exchange rates prevailing at the dates of the transactions. As per the notification issued by the Ministry of Corporate Affairs dated 31st Mar, 2009, the Company has opted for adjusting the exchange difference on the long term foreign currency monetary items to the cost of the assets acquired out of these foreign currency items. The Company has accordingly aligned its accounting policy based on the above notification. Exchange

NOTES....**(All amounts in ₹lakhs, except share data and unless otherwise stated)**

differences arising out of fluctuation in exchange rates on settlement/restatement at the period end are accounted based on the nature of transaction as under:

- i. Short term foreign currency monetary assets and liabilities recognized in the profit and loss account.
- ii. Long term foreign currency monetary liabilities used for acquisition of fixed assets: adjusted to the cost of the fixed assets and amortized over the remaining useful life of the asset.

10. INVENTORIES:

- a. Stock of spares and stores is valued at lower of weighted average cost and net realizable value.
- b. Spares are accounted for as per respective delivery/ shipment terms as material-in transit/ stock accounts, valued as per (a) above and are charged to revenue as and when consumed.
- c. Stores and lubricants delivered to crafts during the year are charged to revenue.

11. FINANCIAL INSTRUMENTS:

Financial assets and financial liabilities are recognised when an entity becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

11.1 Initial Recognition:

The company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

12. EMPLOYEE BENEFITS:

- a. All short-term employee benefits are recognized at their undiscounted amount in the accounting period in which they are incurred.
- b. Employee benefits under defined contribution plans comprising of Provident fund, post-retirement medical benefits (wef 01.01.2007) and pension contribution are recognized based on the undiscounted amount of obligations of the company to contribute to the plan.
- c. Employee benefits under defined benefit plans comprising of gratuity, leave salary benefits are recognized based on the present value of defined benefit obligation which is computed on the basis of actuarial valuation using the projected unit credit method. Actuarial liability in excess of respective plan assets is recognized during the year. Actuarial gains and losses are recognized in the statement of Profit & Loss during the period in which they occur.
- d. For defined retirement gratuity benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur.
- e. Provision for Gratuity, Provident Fund, Post retirement Medical and Pension benefits is funded with separate Trusts formed for the purpose.

13. PROVISIONS, CONTINGENT LIABILITIES & CONTINGENT ASSETS:

- a. Provisions are recognized when the entity has a present obligation (legal or constructive) as a result of a past event, it is probable that the Entity will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.
- b. Contingent Assets and Contingent Liabilities are disclosed by way of notes.

14. TAX EXPENSES:
