Shri Rinkesh Roy
Chairman

Dear Shareholders,

1. On behalf of the Board of Directors of Dredging Corporation of India Limited., I am pleased to place before you, our esteemed shareholders, the 44th Annual Report of your Company for the financial year 2019-2020. The report enumerates exhaustively your Company's performance for the financial year ended 31st March, 2020. I take this opportunity, however, to touch upon salient features of your Company's performance during the last financial year.
2. The COVID-19 pandemic is the most unprecedented disruptive event in recent times. The resultant economic crisis has compounded the global community's hardships. The resultant socio-economic crisis has had multifarious complexities in the conduct of business or governance. The pandemic today has drastically disrupted our lives. As you are aware the COVID-19 Pandemic is causing serious threats on the business operations across the globe by restricting the interactions and movement of people, disrupting trade, supply chains, and investment flows. The situation is no different for the Company as well. We believe that soon the world will come out of this challenging situation. Measures continue to be taken and interactions between the Management and the employees continue to share mutual concerns and promote a positive environment and enthusiasm during these challenging times. Although some of the senior management personnel and those on board the dredgers have been effected during the peak of the pandemic, we have ensured that the operations of the dredgers continue unhindered, thanks to the support given by all the concerned.
3. The Company is catering to the dredging requirements of the Haldia/ Kolkata Port for the past thirty years as well as other major ports/ India Navy etc. The Company is taking up capital dredging assignments depending on the availability of the vessels and other logistic requirements. The works were executed either under the existing contracts or renewal of the contracts entered into with the Ports etc., during the previous years or new contracts entered into during the year.

4. The operational income of the Company for the year was ₹74969 lakh as compared to ₹69174 lakh for the previous year. The other income is ₹560 lakh as compared to ₹678 lakh for the previous year. The total income for the year is ₹75529 lakh as compared to ₹69852 lakh for the previous year.
5. The Profit after tax for the year is ₹551 lakh as compared to ₹3803 lakh for the previous year. The Company's earnings per share is ₹1.97 as compared to ₹13.58 for the previous year. The fall in profit is mainly because of the competitive rates as well as the ageing of the dredgers and the Company is taking steps for replacement of old dredgers with new ones. This would materialize once the cash flow position eases.
6. Your Company has also taken steps for fulfilling its responsibility towards the Society by implementing the CSR initiatives. During the year the Company has undertaken CSR activities in the form of distribution of school bags in Government schools, providing RO Water Plant in Government Schools and installation of bio-disaster toilets etc. The total amount spent for CSR activities during the year is ₹108.28 lakhs against the required amount to be spent as per Companies Act of ₹54.38 lakhs.
7. The Company is complying with the guidelines with regard to corporate governance except with regard to the fulfillment of the requirement of having the requisite number of independent (women) director which would be done within this year.
8. Your company has robust and transparent processes and structures in place. These progressive systems ensure proper accountability and effective timely disclosures/reporting. We take all steps to see that the corporate governance requirements are complied with. The Company has taken steps for improving its performance comparable with the best in the industry.
9. The greatest strength of your Company has always been its employees and the Company is fully aware of its commitment towards human resource development.
10. This is my last address as Chairman and Director on the Board of the Company. I am handing over the mantle to Shri K.Rama Mohana Rao, Chairman-Visakhapatnam Port Trust who would be taking over as Chairman of the Company from the conclusion of this AGM. I have full confidence that under his Chairmanship, the performance of the Company would improve to meet the expectations of the stakeholders.
11. I am grateful to the Honourable Minister for Shipping for the keen interest he has shown for the progress of the Company. I thank the Secretary (Shipping) for his guidance and advice. I also thank all the Officers in the Ministry of Shipping for their help in all matters. My sincere thanks are due to the Comptroller and Auditor General of India and his staff and the Statutory Auditors for their co-operation. I am grateful to our valued customers for their continued patronage. At the end, I express my sincere thanks to my colleagues on the Board for their support and valuable advice in all areas of the management.

****Wishing you a Happy New Year****

(Rinkesh Roy)
Chairman

Shri Rajesh Tripathi after retirement/resignation from the services of the DCI shall not accept any appointment or post, whether advisory or administrative, in any firm or company whether Indian or Foreign, with Which the

- company has or had business relations, within one year from the date retirement/resignation, without prior approval of the Company.
- (xvii) The above remuneration etc., is subject to the limits set out in Section 197/198 of the Companies Act read with Schedule V of the Companies Act, 2013 and Rules made thereunder and subject to approval and/or ratification of the same by shareholders in the general body meeting
- (xviii) In respect of any other item, concerning him which is not covered in preceding paras, he will be governed by the relevant Rule/instruction of the DCI.
- iii. No sitting fees will be paid to Shri Rajesh Tripathi for attending the meeting of the Board or Committees thereof.
- iv. The remuneration would be within the limits stipulated section 197/198 read with Schedule V, Section – II, Part A of the Companies Act, 2013 and the Rules made thereunder
- v. Details of Remuneration paid to Shri Rajesh Tripathi during FY 2019-20 and the period from 01/04/20 till 31st October 2020 is as under.

Amount (₹ in lakhs)			
Sl.No	Particulars of Remuneration	2019-20	1st April 2020 till 31 st October 2020
1	(a) Salary as per provisions contained in section 17(1) of the Income Tax. 1961.	41.74	26.65
	(b) Value of perquisites u/s 17(2) of the Income tax Act, 1961	4.84	3.02
	(c) Profits in lieu of salary under section 17(3) of the Income Tax Act, 1961	2.65	11.03
2	Stock option	-	-
3	Sweat Equity	-	-
4	Commission	-	-
	as % of profit	-	-
	others (specify)	-	-
5	Others, please specify	-	-
	Company Contribution to PF	3.83	2.39
	Superannuation benefits	2.91	1.82
6	Total	55.97	44.91

The remuneration paid for 2019-20 is within the limits prescribed. The remuneration for the rest of his tenure would be in the similar lines.

- In the recent past, the competitive dredging scenario requiring aggressive marketing strategies, the ageing of dredgers of the company leading to raise in overheads and other relevant factors have adversely impacted the profitability of the Company during FY-2019-20 and is continuing this year. It is therefore, possible that there could be a situation of inadequacy of profit computed in the manner prescribed under Section 198 read with 197 of the Act in current year 2020-21 and the managerial remuneration paid/payable during FY-20-21 may exceed the limits prescribed under Sections 196 to 198 of the Act. However, the same would be within the limits specified in Schedule V, Section II, Part A of the Act
- vi. It is likely that there would be inadequacy of profits for payment of remuneration paid/payable to Managerial Personnel (Shri Rajesh Tripathi- Managing Director) in FY 20-21. There is only one person under the purview of Section 197/198 of the Act in the Company as of now.
- vii. In terms of the provisions of Section 197 (as amended by the Companies (Amendment) Act, 2017), read with section 198 and Schedule V, Section II, Part A of the Act, the Company is required to obtain the approval of the members by way of an ordinary resolution for payment of remuneration to Managerial Personnel in case of no profits/ inadequacy of profits.
- viii. In view of the above, approval of the Members is sought for remuneration paid/payable to the Managerial Personnel as set out at Item nos. 4 of the Notice.
- ix. The Written Memorandum under Section 190 of the Act setting out the terms of payment of remuneration of Shri Rajesh Tripathi (DIN: 03379442) as Managing Director and Chief Executive Officer is available for inspection at the Registered Office of the Company, by the Members without any fee on all business days (except Saturday, Sunday and Public Holidays) during 10.00 AM to 4.00 PM upto the date of closure of e-voting.
- x. The Company, as on date, is not in default in payment of dues to any bank or public financial institution or to non-convertible debenture holders or to any other secured creditor, and accordingly their prior approval is not required, for approval of the proposed resolutions.
- xi. The Nomination and Remuneration Committee and Board of Directors at their respective meetings held on 17/01/20 have approved the remuneration and terms of payment payable to Shri Rajesh Tripathi, subject to the approval of Members.
- xii. Disclosure(s) in terms of Sections 197 read with Schedule V to the Companies Act, 2013, applicable Rules thereunder and SEBI LODR, as the case may be and other parameters under Section 200 of the Companies Act, 2013 read with Rule 6 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 are submitted in the Annexure.
- xiii. Shri Rajesh Tripathi is liable to retire by rotation.
- xiv. Shri Rajesh Tripathi is not disqualified from being appointed as Director in terms of Section 164 of the Companies Act, 2013.
- xv. None of the Directors and Key Managerial Personnel or their relatives, except the appointee himself, is in any way concerned or interested, financially or otherwise in the resolution.
- xvi. Shri Rajesh Tripathi is interested in the resolution.
- xvii. In view his background and experience, it will be in the interest of the Company that he continues as Managing Director and CEO of the Company.
- xviii. The Board commends the resolution for approval of the members as ordinary resolution.

The Board commends the resolution for approval of the members as ordinary resolution.

ITEM No. 6 – Approval of Related Party Transactions

Pursuant to the share Purchase Agreement executed on 08th March, 2019 between Government of India represented by Ministry of Shipping and the four Ports ("Purchasers") – Visakhapatnam Port Trust, Paradip Port Trust, Jawaharlal Nehru Port Trust and Deendayal Port Trust, all the shares amounting to 73.47% of the Equity share Capital of the Company was transferred to the purchasers - Visakhapatnam Port Trust(19.47%) , Paradip Port Trust (18%), Jawaharlal Nehru Port Trust (18%) and Deendayal Port Trust (18%) along with transfer of management and control. Although as per the Companies Act, Section 2 (76) read with 2(6) the individual Ports do not fall under the definition of Related Parties, as the individual ports do not have control exceeding 20% of total voting power, but however on a harmonious reading of related provisions of the Share Purchase Agreement, it can be inferred that each of the four Port Trusts hold significant influence encompassing the entire decision making process of DCIL and that these four port trusts are therefore Associates, by a rebuttal of the status that each of the four port trusts holding less than 20% of equity shares and consequently because these are Associates, they are related parties to the reporting entity, DCIL and the transactions with these four ports, even when conducted in the ordinary course of business, are related party transactions. Further, Cochin Port Trust, whose Chairman is a Non-Executive Director on the Board of DCI is also a Related Party.

As per provisions of Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Section 188 read with Rules made there under and other applicable provisions, if any, of the Companies Act, 2013 and Rules made thereunder and Related Party Transactions Policy of the Company, all material Related Party Transactions shall require approval of the Shareholders of the Company and the Related Party shall abstain from voting on such resolutions. Further, a transaction with a Related Party shall be considered material if the transaction / transactions to be entered into individually or taken together with previous transactions during a financial year, exceeds ten percent of the annual consolidated turnover of the Company or ₹50 Crore whichever is lower as per the last audited financial statements of the Company. Further, in terms of provisions Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and also the relevant Accounting Standard, the promoter(s) (viz. Visakhapatnam Port Trust, Paradip Port Trust, Jawaharlal Nehru Port Trust and Deendayal Port Trust) and Cochin Port Trust and KMPs qualify as Related Party(s) of the Company and the Company has existing and continuing contracts/arrangements in the ordinary course of business and on arm's length basis with the related parties which is being continued and will continue to exist beyond 31st March, 2020 in addition to the new Contract(s)/transaction(s) to be entered into. It is difficult to specifically assess the total value of such transactions at this stage, however, it is expected that the aggregate value of all such transactions together would be beyond the threshold limit of materiality as specified above.

Therefore, the ratification/ approval as the case may be of the Members of the Company is sought for supply of goods or service during the financial year 2020-21 in the ordinary course of business and on arm's length basis, which may exceed the materiality threshold limit i.e. exceeds ten percent of the annual consolidated turnover of the company or ₹50 Cr. whichever is lower as per the latest audited financial statements of the Company.

None of the Directors and Key Managerial Personnel or their relatives, is in any way concerned or interested, financially or otherwise in the resolution except the nominee Directors representing the respective ports.

The Board commends the resolution for approval of the members as ordinary resolution.

- (c) Investment in Foreign Bonds: NIL

II. Information about the Managing Director(s):

1. Details of background, recognition or awards, job profile of the Managing Director(s) & Whole-time Director ("Managerial Personnel") and suitability thereof:

The Educational, professional qualification, experience of Shri Rajesh Tripathi is provided in the explanatory statement. There is only one whole time director.

2. Past remuneration:

Name of the Director	Rs. In lakhs		
	2017-18	2018-19	2019-20
Shri Rajesh Tripathi	47.01	66.69	55.97

3. Remuneration proposed: As set out in Explanatory statement to Item No.4 of this Notice.

4. Comparative remuneration profile with respect to industry, size of the company, profile of the position and person

Dredging Corporation of India Limited was Government Company till 08/03/2019. The remuneration, terms and conditions etc. were till then governed by the guidelines issued by Department of Public Enterprises. The Government of India, on 8th March 2019, through strategic sale and execution of Share Purchase Agreement, had transferred all of its holding to four ports – Visakhapatnam Port Trust,

Paradip Port Trust, Jawaharlal Nehru Port Trust and Deendayal Port Trust along with transfer of management and control. However, the payment of remuneration etc. to the Directors and employees are still being continued as per the DPE Guidelines. The appointment and remuneration of Shri Rajesh Tripathi was duly recommended by the Nomination & Remuneration Committee, and approved by the Board of the Company subject to approval of the shareholders.

In comparison, the overall remuneration paid to Shri Rajesh Tripathi as Managing Directors is comparable to the remuneration being paid to the chief Executives of Schedule B companies to which Category DCI belonged prior to the strategic sale.

5. Pecuniary relationship directly or indirectly with the company, or relationship with the managerial personnel, if any.

Shri Rajesh Tripathi has pecuniary relationship with the Company in terms of the remuneration proposed at Item Nos. 4 of this Notice.

III. Other information:

1) Reasons of loss or inadequate profits:

In the recent past, the competitive dredging scenario requiring aggressive marketing strategies, the ageing of dredgers of the company leading to raise in overheads and other relevant factors have adversely impacted the profitability of the Company during FY-2019-20 and is continuing this year. It is therefore, possible that there could be a situation of inadequacy of profit computed in the manner prescribed under Section 198 read with 197 of the Act in current year 2020-21 and the managerial remuneration paid/payable during FY-20-21 may exceed the limits prescribed under Sections 196 to 198 of the Act. However, the same would be within the limits specified in Schedule V, Section II, Part A of the Act

2) Steps taken or proposed to be taken for improvement:

The Company believes that it is well positioned to capture opportunities for growth and profitability, basis its principal competitive strengths particularly with the support of four promoter ports. The Company has also taken steps for augmentation of capacity in the form procurement of new dredger of higher capacity, reducing the expenditure towards dry-dock, better monitoring of projects etc.

3) Expected increase in productivity and profits in measurable terms:

The Company has taken numerous initiatives to improve its financial position, and will continue endeavour although it is difficult to quantify the same in this regard at this juncture. The overall maintenance dredging capacity for major ports is about 80 Mln. Cu.M. The available capacity is 60.Mln. Cu.M. the Company is making efforts to procure a new dredger of higher capacity to fill this gap which would help increasing the profitability as well as productivity. This is apart several capital dredging and inland dredging works being taken up in the Country. The turnover of the Company in the last few years is as under: -

	₹ in lakhs		
Particulars	2017-18	2018-19	2019-20
Total Income from continuing operations	61212	69852	75529

The above turnover figures clearly show that the Company is on a growth trajectory. The management is concentrating on improving the bottom line by concentrating on close monitoring of projects, reducing fuel consumption, reducing dry-dock period etc.

B. Other parameters under Section 200 of the Companies Act, 2013 read with Rule 6 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

1) Financial and operating performance of the Company during the three preceding financial years

Details provided above.

2) Remuneration or commission drawn by individual concerned in any other capacity from the Company
Shri Rajesh Tripathi has not drawn remuneration or commission in any other capacity from the Company

3) Remuneration or Commission drawn by Managerial Personnel from any other company: NIL

4) Professional qualification and experience

Details provided above.

5) Relationship between remuneration and performance

The remuneration consists of the Basic, Dearness Allowance, perquisites and superannuation benefits and the variable component of performance linked incentive.

6) The principle of proportionality of remuneration within the company, ideally by a rating methodology which compares the remuneration of directors to that of other directors on the board who receives remuneration and employees or executives of the company

Your Company has a strong performance management culture. Every employee undergoes evaluation of his/her performance against the goals and objectives for the year, and increase in compensation and reward by way of variable bonus is linked to the evaluation of individual's performance. All employees of the Company, including Managing Director are governed by the Company's Performance Management System, in addition to the Board-approved Remuneration Policy.

7) Whether remuneration policy for directors differs from remuneration policy for other employees and if so, an explanation for the difference

(A) THE INDEPENDENT AUDITORS IN THEIR REPORT FOR 2019-20 HAVE STATED AS UNDER: - EMPHASIS OF MATTERS:

QUOTE

We draw attention to the following matters. Our opinion is not modified in respect of this matter.

Note No 9 to the financial results regarding estimating Unbilled Operational Income pertaining to M/s Jawaharlal Nehru Port Trust wherein due to Covid-19 lockdown situation, joint progressive Survey could not be conducted during first week of April

2020 and hence a technical methodology was adopted by the Management for estimating the Income upto 31st March 2020. We have relied upon the technical estimate provided by the Management.

Note No 2 to the financial results which states that Trade Receivables include a sum of Rs. 9772 lakhs due from M/s Sethusamudram Corporation Limited (SCL) towards works executed during 2005-06 to 2008-09 as has been settled by a Committee chaired by Additional Secretary & Financial Advisor, Ministry of Shipping, Government of India (AS & FA Committee). The Committee stated that a Note seeking approval of the Cabinet needs to be moved for seeking Government Budgetary resources for SCL to make payment of balance outstanding dues to the Company.

Note No 11 to the financial results which states that Outstanding balances under Trade Payables, Other Payables, Trade Receivables and Advance to Suppliers are subject to reconciliation, the impact of which is not ascertainable.

Note No 10 of the financial results regarding Arbitral Award of Rs.57.34 Cr. in favour of M/s Mercator Lines Limited (MLL). The Company has challenged the Arbitral Award before the High Court of Delhi and also before the jurisdictional High Court of Justice, Business and Property Courts of England and Wales, Commercial Court and the same have been dismissed. MLL filed Execution Petition before the High Court of Delhi seeking execution/enforcement of Arbitral Awards. DCI has contested the Award under Section 48 of the Arbitration and Conciliation Act 1996, while praying for rejecting the execution petition of MLL, on the ground that the Award is contrary to the public policy of India and also on the ground that arbitral procedure was not in accordance with the agreement of parties, particularly LMAA Rules. Accordingly, the said Arbitral Award is shown as contingent liability. We have relied upon the legal opinions obtained by the Company from Senior Counsels.

UNQUOTE

Management comments to emphasis of matter:

Note No 2 - A Committee chaired by Additional Secretary & Financial Advisor, Ministry of Shipping, Government of India (AS & FA Committee) considered the issue of outstanding issues to the Company by SCL and decided that the payments to be made to DCI. SCL has released some payments to the Company in line with the decisions. Ministry of Shipping has confirmed that release of balance fund is being considered at appropriate level.

Note No. 11 - With regard to balance of Payables, Other Payables, Trade Receivables, Advance to Suppliers at Sl.No. (b) above it is stated that confirmation for some of the amounts, particularly with regard to sundry debtors due from various ports etc., for the works executed by DCI and/or bills raised for the same, is being followed up.

The comments of Statutory auditor on Note No. 9 and Note No. 10 are self-explanatory.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT FOR THE YEAR 2019-20

GLOBAL SCENARIO

1. The global economy grew at 2.4% in CY 2019, slowing from 3% in CY 2018 amid global trade war, tariff related uncertainties, and Brexit. Chinese growth moderated but held up at 6.1% despite escalation of trade tensions with the United States (US). Amidst trade tensions and Brexit related uncertainty, EU growth also weakened to 1.1%. However, with talks of trade resolution in second half of 2019, Europe started to see some recovery in growth. Brexit, which was a key uncertainty for Europe over the last two years, also saw resolution towards end 2019. The US economy remained relatively strong growing at 2.3%. Global trade environment remained challenging due to heightened trade tensions. Global growth outlook has changed since the outbreak of COVID-19. There has been coordinated global monetary policy easing and fiscal support from governments. These policy support measures would act as cushions offsetting weakness in growth to some extent. However, global economic activity is likely to contract in 2020 and global growth environment will remain challenging in the short term till COVID-19 situation eases.

2. Large European dredging companies have traditionally dominated the international dredging market. Europe has been the traditional hub of the international dredging market with activities concentrated in the Netherlands, Belgium and the United Kingdom with the five leading Dutch and Belgian companies controlling a substantial portion of the international dredging market.

3. The major European companies account for a large proportion of the total international dredging fleet. Responding to demands from customers, continuous efforts are being made to increase the size of dredgers, improve technology and reduce costs. Jumbo trailer suction hopper dredgers with hopper capacities as large as 46,000 cubic meters are being deployed.

4. Many new markets have begun to open in recent years as dredging projects have become more complex and as international dredging companies develop new dredging techniques and more efficient dredgers to reduce unit costs well below that of most local contractors. In addition, dredging contracts increasingly include more demanding environmental clauses that must be satisfied during the performance of the work. Those contractors able to meet stringent environmental requirements are therefore better placed to win contracts.

5. In addition to the leading international dredging companies, countries including China, Japan, Korea, the United Kingdom and the Ukraine also have large dredging companies mostly focused on their respective domestic markets. In addition, new players, especially from Asia, are entering the dredging market, although they are smaller in size.

6. Increasing emphasis on globalization and the need to synergize existing fleet strengths and competition may lead to consolidation in the international dredging industry.

7. Internationally, the dredging industry is experiencing changing regional patterns. Demand in Europe, which was formally concentrated in specific countries such as the Netherlands, Belgium and the United Kingdom, has spread throughout Europe in recent years. However, overall growth for Europe has been only marginal. Singapore, Hong Kong and the Middle East have witnessed higher levels of growth in dredging operations, which is expected to continue in the coming years. Governments or port management authority issue port maintenance contract for dredging which has given impetus to the dredging maintenance business in the coastal areas. However, volatility in the oil & gas sector owing to ongoing coronavirus pandemic is expected to cause stagnancy in the global dredging market for next couple of years as governments have stopped or reduced investment for port maintenance amid COVID-19 pandemic. For instance, in its budget for fiscal year 2021, the US proposed reduction in funds for ports which led to a 22% cut in funds of U.S. Army Corps of Engineers which manages dams, canals & inland waterways. As a result, countries will have to hold back maintenance of ports, which will substantially affect the dredging market.

8. As such, the COVID-19 situation which had an impact on the global shipping industry is also bound to have serious impact on the dredging volumes owing to the reduced trade and liquidity issues. It is difficult to quantify the same at this juncture and a clearer picture is expected to emerge in near future as the COVID-19 situation eases.

INDIA SCENARIO

9. The Indian economy grew by 4.2% in FY 2019-20 still remaining one of the fastest growing major economies in the world. Industrial activity remained healthy in the beginning of the year, but saw some weakness later particularly with the offset of COVID-19 followed-up by the lockdown measures. Auto sales suffered due to weak credit conditions, demand softness, and change in regulatory norms. However, services credit averaged at a healthy 10% y-o-y growth even as credit growth deteriorated. Despite weak trade environment amid increasing protectionism, services exports remained resilient at about 8%. On the rural side, with food prices firming up, demand saw some recovery with three-wheeler sales returning to positive growth in December quarter (+8% y-o-y), but reversed the recovery in 4Q. FY 2019-20 saw consolidation of Public Sector Banks, which should strengthen the banking sector. Non-performing loans in the banking sector have come down to 9.3% from >10% before FY 2019-20. Resolution under the Insolvency and Bankruptcy Code (IBC) is bringing procedural predictability with higher recovery rates (43% in 2019 vs 14% in 2017). With continued policy initiatives, India further continued its climb in the Ease of Doing Business rankings, climbing up 14 places to reach the 63rd rank. India is the only major country to have moved up by 67 places in just 4 years. FY 2019-20 also saw corporate tax cut being announced, further easing business environment. Government also announced significant rebates for new manufacturing units to attract global supply chains. Outbreak of COVID-19 would make growth environment challenging in first half of FY 2020-21 but liquidity measures announced by the government should help provide support.

INDIAN DREDGING MARKET

10. Indian dredging industry is driven largely by the dredging demand coming from its major and non-major ports. With recent developments to boost domestic manufacturing and Government's focus to improve Indian maritime sector, dredging industry is expected to be a direct beneficiary. Indian ports are preparing themselves to handle more cargo by accommodating bigger vessels and aspire to meet international standards in port infrastructure in a bid to achieve economies of scale. As a result, ports are moving towards improving the basic infrastructure like deepening of channels, mechanization and creation of more berths which will create demand for dredging industry. Further, creation of new greenfield ports would also drive the demand for dredging in the domestic market.

11. As per Ministry of Shipping (MoS), over the next few years, most of the major ports would improve their capacity to accommodate bigger ships. Given these prospects, coupled with new developments coming in from Navy, national waterways and off shore exploration, scope of Indian dredging industry seems vast. Indian Shipping Industry has over the years played a crucial role in the transport sector of India's economy, providing an essential means of transport for crude oil, petroleum products and other cargos. Approximately 95% of the country's trade by volume and 68% by value are moved through Maritime Transport. The Ports in the country handle around 90% of EXIM Cargo by volume and 70% by value. In order to meet the ever increasing trade requirements, expansion of Port Capacity is accorded the highest priority. While increasing the capacity of the major ports, action has been initiated by the Government to improve the operational efficiencies through mechanization, digitization and process simplification. As a result, over the years the installed capacity & cargo handled by the Major Ports have increased considerably. Besides the efficiency parameters like average turnaround time, average output per ship berth-day have also improved considerably.

12. Since about more than 90% of India's trade by volume is conducted via the country's maritime route, there is a continuous need to develop India's ports and trade related infrastructure to accelerate growth in the manufacturing industry and to assist the 'Make in India' initiative. India has 12 major ports and approximately 200 non-major ports administered by Central and State Governments respectively.

13. As per the studies conducted under the Sagarmala Programme, it is expected that by 2025, cargo traffic at Indian ports will be approximately 2500 MMTPA while the current cargo handling capacity of Indian ports is only 1500 MMTPA. A roadmap has been prepared for increasing the Indian port capacity to 3300+ MMTPA by 2025 to cater to the growing traffic. This includes port operational efficiency improvement, capacity expansion of existing ports and new port development.

14. Under Project Unnati, the global benchmarks were adopted to improve the efficiency and productivity KPIs for 12 major ports. Around 116 initiatives were identified across 12 major ports to unlock more than 100 MTPA capacity just through efficiency improvement. Out of which, 93 initiatives have been implemented to unlock more than 80 MTPA capacity. For all the 12 major ports, master plans have been finalized. From the port master plans, 92 port capacity expansion projects (cost: Rs. 58,884 Cr) have been identified for implementation over next 20 years and are expected to add 712 MTPA to the capacities at major ports.

15. To fill the demand gap, 2 new major ports at VadHAVAN (Maharashtra) and Paradip Outer Harbour (Odisha) are planned which will bring in significant capacity expansion. The locations of these new ports are deliberated after detailed origin-destination study of cargo commodities and there are mainly three levers that propel the need for building new ports: New port locations have been identified based on the cargo flow for key commodities and the projected traffic:

16. As per Industry estimates, the Indian annual dredging market, was estimated at around 147 – 157 Million cubic meter (mcm) with maintenance dredging constituting around 70% of Indian dredging market. Capital dredging segment in India has been impacted by a number of factors such as delay in land acquisition and receiving necessary environment and project clearances. Since major ports had been created at natural harbors (Kandla) or at the mouth of rivers (Haldia) or at Cochin, the siltation pattern is very high at these ports leading to a very high maintenance dredging demand at major ports. While non-major ports have been largely created with artificial harbors and break water, reducing the demand for annual maintenance dredging. For the FY 2019-20, the market shares of DCI in major ports for maintenance dredging is 74% and for capital dredging is 100%.

GUIDELINES ON UNDERTAKING DREDGING AT MAJOR PORTS ISSUED BY MINISTRY OF SHIPPING

17. As per the Guidelines on undertaking dredging at major ports issued by Ministry of Shipping, all major ports shall invite open competitive bids for capital/maintenance dredging works. The major ports broadly follow these dredging guidelines which also provide for RoFR for Indian Dredging Companies for the DCI is also awarded works on Nomination basis by Ports in emergency situations.

18. The present slump in the global dredging market and consequent entry of global players either directly or through their Indian arms competing to get the contracts at competitive rates has constrained DCI to quote competitively. This has put the financials of the Company under severe strain because of increasing cost due to frequent repairs and lay-up of the ageing dredgers.

Growth Drivers :

19. New capacity creation by Indian ports, including channel deepening, is the single largest factor determining growth of Indian dredging market. Although, dredging demand would also come from other players such as Navy and shipyards, but the demand is miniscule as compared to ports.

20. Shallow water dredging demand due to development of national waterways is considered separately as the asset requirements, technology and players are completely different from maintenance and capital dredging market.

21. Sagarmala Plan: - The Government of India has envisioned the Sagarmala Program, which aims to exploit India's 7,500 km coastline and 14,500 km of potentially navigable waterways. It promotes port-led development in the country by harnessing strategic locations on key international maritime trade routes. A National Perspective Plan has been developed

under this program, paving the way for 150 projects with investments of ~INR 4,00,000 Crore in the next 10 years. These projects have been identified across areas of port modernization and new port development, port connectivity enhancement, port-led industrial development and coastal community development.

22. Additional infrastructure would include development of coastal economic zones ("CEZs") covering all maritime states and union territories. The CEZs would be segregated on the basis of manufacturing clusters and basic input industries. The manufacturing cluster would include labor intensive sectors of electronics, apparel, leather products, furniture and food-processing. However, basic input industries would include clusters for power, refineries and petrochemicals, steel and downstream industries and cement. Setting up infrastructure for these clusters will require an investment of INR 1,00,000 Cr. and is expected to attract an additional INR 7,00,000 Cr. of industrial investment.

23. Deeper draft at ports at least 18 meter: - The Government has plans to create a minimum depth of 18 meter at all 12 ports it owns, where depths currently range from 9-12 meter. The current upgrade would still be lower than the global average, which is around 23 meter, enabling berthing of latest built up ultra-size container, tanker and dry bulk vessels.

24. Subsequently, a number of channel/port deepening projects are currently being undertaken by various ports. In India, many ports are incapable of berthing fully-laden large vessels. Large vessels can be berthed only by dredging, which offers significant potential for higher dredging activity in the Indian market.

25. Given the prospects of development and maintenance of existing major ports, building new ports, onshore resources exploration, demand from navy and, more interestingly, projects envisaged for national waterways, the scope for dredging is potentially vast.

26. However, the actual materialization of the projects would depend on the impact of COVID – 19, clear picture of which is expected to emerge in second half of FY 2020-21

PERFORMANCE

27. The capacity utilisation in number of days and quantity as against the targets during the year is as under: -

	Target	Actual	% Utilisation
No. of Days	3232	2970	91.89%
Quantity (Mln. Cu.M)	56.80	63.30	111.44%

FINANCIAL PERFORMANCE

28. The Financial performance during the year is as under: -

PARTICULARS	2019-20	2018-19
TOTAL INCOME	75529	69852
TOTAL EXPENDITURE	74188	65513
Profit after Tax	551	3803
EPS	1.97	13.58

KEY STRENGTHS OF DCIL

29. Premier dredging company in India: - DCIL is a premier dredging company in India. The Company is also the preferred dredging company for Major Ports and the Indian Navy. The Company has been in this business since 1976 and has been catering to the dredging requirements of the major ports/ Indian Navy since then. Owing to the long association with the Major Ports, the Company is the most preferred company for dredging requirements of most of the Major Ports and the Indian Navy.

30. One of the largest hopper capacity in the Indian market: - DCIL has one of the largest hopper capacity in the Indian market which provides flexibility to handle projects involving larger dredging volumes as well as higher number of projects compared to any of the competitors in the Indian maintenance dredging market.

31. To maintain the value and effectiveness of the fleet, the Company emphasizes preventive maintenance so as to reduce the downtime, increase profitability, enhance the vessel life. With the addition of the Inland cutter suction dredger, the Company has re- entered into the inland dredging sector and is expecting to be a major player in the same.

32. The dredgers (Dredge – XIX, XX and XXI) are the premium assets of DCIL. They are equipped with the best technology among the fleet of Indian companies. The dredgers have shore pumping facilities which enables them to carry out the high premium jobs like aggregate dredging, beach nourishment and reclamation works.

33. Strong relationships with Customers: - The Company has been catering to the dredging requirements of the Major Ports and the Indian Navy right from its inception in 1976 and has a better understanding of the dredging requirements of the Indian Ports. The Company is the leader in maintenance dredging in India through its combination of usage of advanced equipment and experience.

34. Forty years of dredging experience: - DCIL has more than 40 years of dredging experience at the Major ports in India, which gives DCI the experience of dredging at locations with varying soil characteristics. Although the pre-qualification criteria in the dredging tenders needs the recent dredging operation history (5-7 years), 40 years' experience provides credibility to DCIL for bidding in the projects outside the country.

35. The Company's senior managers have vast experience in the dredging and maritime industries. The Company believes that this experience provides the Company with a significant advantage over its competitors. The Company's floating personnel who manage the dredgers and the management team who give the support services are well trained professionals having vast experience in the dredging and maritime industries.

OUR WEAKNESS/ CONSTRAINTS AND STEPS TAKEN TO OVERCOME THE SAME

36. The dredging fleet of DCI has an average age of more than 20 years. Some of the equipment of the old vessels have already crossed their useful life. This equipment need extensive refurbishment which has resulted in the loss of production due to lower performance of vessels and increased breakdown days. Also, some of the dredging contracts limit the age of equipment to be deployed in the project as their pre-qualification criteria. To this extent, the Company has already taken steps to scrap some of assets which have outlived their useful life and found not to be profitable after a techno economic viability study. Accordingly, Dr.VI and Tug- VII have been decommissioned and sold as scrap during the year. In order to overcome the reduction in capacity, DCI has initiated action procurement of 12000 Cu.M Hopper Capacity Dredger.

37. High lead time for the procurement of the spares and stores is resulting in delays in repairs and dry docks. This is primarily due to the aged dredgers and as stated the company has taken steps to scrap some of the dredgers which are not economically viable and outlived their life. Further ERP is being implemented for better management of inventory.

38. Retirement and non-availability of skilled manpower in the areas of project management and limited availability of ship repair facility is leading to the delays in project execution as well as dry-docking of the vessels. The project management process needs to be fine tuned to make the execution of projects more efficient and time bound. Preventive maintenance dry-dock planning also needs to be fine-tuned to cut down both cost and time overruns. In this direction, the Company has outsourced the manpower requirement and technical maintenance of two vessels. Further action will be taken in similar lines after cost benefit analysis of the same. DCI exploring the possibility of establishment of Dredge Training Institute & Repair facility.

39. High attrition leading to increased contractual manpower: The dredging industry has a shortage of skilled manpower which makes the retention of employee very difficult for DCI a PSU. It is easier for people to get expertise in the industry and leave the company for lucrative offers from its competitors. In the past DCI has lost a lot of its experts to private and the international counterparts in the Indian market. To this end, the company has in place a robust career progression policy for shore based employees. The remuneration package for floating employee is at par with the industry standards in India. The company is trying its best to keep the attrition levels at manageable levels.

OPPORTUNITIES

40. Since its inception DCI has been involved mainly in the maintenance dredging works at the major ports. Although it has executed capital dredging projects in the past, the expertise is not developed to the levels of the international players. As the growth opportunity in the Indian maintenance dredging market for a single player is limited up to INR 1,000 crore DCI needs to diversify to other segments and businesses related to the dredging industry. The diversification opportunities can be classified into following categories:

Diversification in core business:

41. The core business diversification opportunities include the dredging services in segments other than maintenance and capital dredging as well as the geographical diversification. The other segments in dredging would include beach nourishment, inland dredging, aggregate dredging, oil & gas dredging, shallow water dredging, offshore mining and land reclamation activities. However, the priority would be to further strengthen the presence in the core dredging market.

Diversification to new businesses:

42. Diversification to new businesses include the forward and backward integration opportunities for DCI which can bring high synergy among the businesses. Forward integration would include the diversifying to the businesses which use dredging services like ports, marine construction and offshore installation activities. Backward integration includes the opportunities like ship building, ship repair, bunker barge and spare parts manufacturing.

OUR STRATEGIES

43. We intend to increase income from operations and strengthen our domestic and international competitive position by expanding our operations in both our traditional and new dredging services and adopting a pro-active marketing strategy for our domestic and foreign operations.

44. Enhancement of market share in maintenance dredging and more participation in capital dredging in India. Making forays in foreign dredging market: Apart from consolidation in the Indian dredging market, we have plans to make forays in the foreign dredging market. The initiatives taken for setting our foot once again in foreign waters is likely to materialise in this financial year. DCI has already executing the dredging contract for Mongla Port, Bangladesh.

45. Enhancement of the fleet capability: In continuation of the efforts to sustain the existing capacity our Company plans to higher hopper capacity trailer suction hopper dredgers. Our Company also plans to refurbish the existing aged dredgers so as to increase their effectiveness and enhance their economic life. Further, with the impetus given to inland waterways by the Government and the consequent necessity and demand for inland dredging, the company has added to its fleet an inland cutter suction dredger which has already joined the fleet.

46. Reducing operational costs: Further, to the capacity enhancement initiatives discussed above, your Company also has taken initiatives to reduce operational costs by focusing on fuel efficiency in ship operations and ship procurement and further streamlining the spare parts procurement systems. Your Company also proposes to have tie-ups with ship repair yards for continued maintenance of our vessels for a period of time so as to make available the dredgers for a guaranteed minimum number of days every year.

47. Strategic alliances through long term contracts with major ports: - The Company is exploring to have strategic alliances with major ports. This will ensure assured business for the Company and enable the Company to plan in advance regarding the deployment of the vessels. The Company is also exploring to act as nodal agency to meet all dredging requirements for major ports in the country.

48. Optimize capacity utilization: - The Company intends to continue to optimize its capacity utilization by continuous project monitoring and review, reducing equipment downtime through preventive maintenance and working with repair yards to accelerate dry dock repair periods, and increasing computerization, including introducing online connectivity between dredgers, projects and the head office. The Company also intends to continue to invest in quality pre-dredging surveys and equipment and continue to invest in repairs and maintenance. Through a renewed focus on training, your Company intends to introduce specific project planning and management initiatives to educate its staff to identify and develop new market opportunities. The Company believes in the introduction of best practices in procurement, costing and working capital management, along with the introduction of tailored human resources practices, participatory management and new technologies, which will create new competencies in its organization and add value for its dredging customers.

THREATS

49. The Company perceives the following threats
- i Increasing foreign competition.
 - ii Increasing competition from Indian dredging companies.
 - iii Frequent and expensive repairs to dredgers due to ageing.
 - iv Possible reduction in expenditure on dredging by Government/Ports post COVID- 19 situation in the short term,
50. The increased competition has in a way helped the company to tighten up and become more competitive.

FOREIGN EXCHANGE RISKS AND CONCERNS

51. The foreign exchange variations may cause a dent in the cash flows apart from effecting the results of the Company due the debt service obligations in foreign exchange.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

52. The Company has reasonable system of delegation at proper levels and an adequate system of internal control commensurate with its size and nature of its business. The Company has an adequate and independent internal audit department for conducting extensive audit of various important operational and financial matters. The internal audit work at Head Office and some of the projects has been outsourced to Chartered Accountant firms. The internal controls are reviewed by the Internal Audit Department. The Vigilance Department deals with vigilance and disciplinary cases with emphasis on preventive vigilance. C&AG conducts proprietary audit. The Company has constituted an Audit Committee and significant audit observations and follow up action thereon are reported to the Audit Committee. The proceedings of the Audit Committee meetings and also other Sub-Committee meeting of Directors are submitted to the Board.

INDUSTRIAL RELATIONS

53. The industrial relations in the Corporation continued to be cordial throughout the year 2019-20.

CORPORATE SOCIAL RESPONSIBILITY

54. The Board of Directors of the Company have formulated the Corporate Social Responsibility Policy for the Company and also constituted a Sub-Committee of Directors for implementation of the same. The report of the Corporate Social Responsibilities activities of the Company is attached to the Director's Report.

FUTURE READYING THE BUSINESS FOR A POST COVID-19 WORLD

55. Company's normal operations have been impacted in a number of ways as Lockdown impeded conducting surveys. Lockdown imposed across the country, regimented deployment of manpower leading to shortages at the work sites and yards, inordinate delays in import of emergency Spares which are required to carry out the scheduled dry-docks, closure of workshops, lack of OEM support, logistic constraints and risk of virus infection in FY 2019 20 as well as 2020-21. It also imposed delays in both Dry-docking / running repairs in yards, impeded conducting surveys and resulted in postponement of securing new work orders. Some of the vessels became either non-operational or operating at suboptimal efficiencies in FY 2019 20 as well as 2020-21. Notwithstanding constraint, management has taken a number of measures in the last three months and will continue to take best possible steps to keep the operations. A definitive assessment of the impact on business is highly dependent upon the circumstances as they evolve. The management is monitoring the situation closely.

CAUTIONARY STATEMENT

INDEPENDENT AUDITOR'S REPORT

To the Members of Dredging Corporation of India Limited

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements ("financial statements") of Dredging Corporation of India Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the statement of changes in equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act"), in the manner so required, and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2020 and the profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

1. Revenue Recognition:

The company executed different types of dredging contracts. Each type of contract has various clauses in the agreement for determining the milestones, quantity executed for the purpose of arriving at the transaction price for the performance obligation based on the survey, stages of completion and also has clauses relating to various deductions that are made from the Bills. The estimate of works executed which is based on quantitative and qualitative parameters for both billed and unbilled

Operational Income for the purpose of determining the Revenue Recognition and deductions involves high degree of Management judgement and assessment.

Auditor's Response:

Our audit approach included an analysis of systems and procedures as under:

- Reviewed the Accounting Principles and Internal Assessment procedure adopted by the company for recognition of Revenue.
- Analysed for the Performance obligations, milestones and Surveys and identified the Transaction price with the data available and also considering the terms and conditions stipulated in the contract agreement. Evaluated subsequent output technical data and receipts after the reporting date wherever available.
- Compared the outcomes as above with the performance obligations and Transaction Price recorded by the Company.
- Performed Analytical Procedures to assess the reasonableness of the basis for revenue recognition.

Emphasis of Matter

We draw attention to the following matters in the notes to the financial statements. Our opinion is not modified in respect of these matters.

- a) Note N026(7) to the financial statements regarding estimating Unbilled Operational Income pertaining to M/s. Jawaharlal Nehru Port Trust wherein due to Covid-19 lockdown situation, joint progressive survey could not be completed during the first week of April 2020 and hence a technical methodology was adopted by the Management for estimating the income up to 31st March 2020. We have relied upon technical estimate provided by the management.
- b) Note No 26(9) to the financial statements which state that Trade Receivables include a sum of ₹97.72 Crores due from M/s. Sethusamudram Corporation Limited (SCL) towards work executed during 2005-06 to 2008-09 as has been settled by a Committee chaired by Additional Secretary and Financial Advisor, Ministry of Shipping, Government of India (AS & FA Committee). The Committee stated that a note seeking approval of the Cabinet needs to be moved for seeking Government Budgetary resources for SCL to make payment of balance outstanding dues to the Company.
- c) Note No 26(11) to the financial statements which states that Outstanding balances under Trade Payables, Other Payables, Trade Receivables, Advance to Suppliers are subject to reconciliation, the impact of which is not ascertainable.
- d) Note No 26(1)(A) to the financial statements regarding Arbitral Award of ₹ 57.34 Crores in favour of M/s. Mercator Lines Limited (MLL). The Company has challenged the Arbitral Award before the High

Court of Delhi and also before the Jurisdictional High Court of Justice, Business and Property Courts of England and Wales, Commercial Court and the same have been dismissed. MLL filed Execution petition before the High Court of Delhi seeking execution/enforcement of Arbitral Awards. DCI has contested the award under Section 48 of the Arbitration and Conciliation Act, 1996 while praying for rejecting the execution petition of MLL on the ground that the award is contrary to the public policy of India and also on the ground that Arbitral procedure was not in accordance with the agreement of parties, particularly LMAA Rules. Accordingly, the said Arbitral Award is shown as contingent liability. We have relied upon the legal opinions obtained by the Company from Senior Counsels.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. The said reports are expected to be made available to us after the date of this audit report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the given reports, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures,

and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of branch at Bangladesh included in the financial statements of the Company which reflect total assets of ₹15691 lakhs as at 31st March, 2020 and the total revenue of ₹ 7701 lakhs for the year ended on that date, as considered in the financial statements. The financial statements of this branch have not been audited and have been incorporated based on management certified accounts. Our opinion in so far as it relates to the amounts and disclosures included in respect of this branch, is based solely on the financial statements certified by the Management. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - e. On the basis of written representations received from the directors on 31 March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2020 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"
 - g. With respect to the other matters to be included in Auditors' Report under Section 197(16) of the Act: In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limits laid down under section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) of the Act which are required to be commented upon by us.
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, (as amended) in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 26(1)(A) to the financial statements;
 - ii. The company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
3. As required under the directions and sub-directions issued by the Comptroller and Auditor General of India in terms of Sub-section (5) of Section 143 of the Companies Act 2013, we are enclosing our report in "Annexure C".

Annexure - B to the Independent Auditors' Report

(Referred to in paragraph 2(f) under 'Reports on Other Legal and Regulatory Requirements' section of our report of even date to the members of Dredging Corporation of India Limited on the financial statements for the year ended 31st March 2020)

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

Opinion

We have audited the internal financial controls over financial reporting with reference to financial statements of Dredging Corporation of India Limited ('the Company') as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2020, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls with reference to Financial Statements

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to financial statements that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to financial statements includes those policies and procedures that

- (1) Pertain to the maintenance of records, that in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF DREDGING CORPORATION OF INDIA LIMITED FOR THE YEAR ENDED 31 MARCH 2020

The preparation of financial statements of Dredging Corporation of India Limited for the year ended on 31 March 2020 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) of Act are responsible for expressing opinion on these financial statements under Section 143 of the Act based on the independent audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 30 July 2020.

I, on the behalf of the Comptroller and Auditor General of India have conducted a supplementary audit under Section 143(6)(a) of the Act, of the financial statements of Dredging Corporation of India Limited for the year ended on 31 March 2020. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and Company personnel and selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under section 143(6)(b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report:

A. Comments on Profitability

Statement of Profit and Loss

Revenue from Operations (Note-18): ₹74,968.93 lakh

(i) Sale of Service (core) - ₹73,343.42 lakh

1. This does not include ₹183.54 lakh being the amount payable to Paradip Port Trust and Gangavaram Port towards net de-escalation of fuel charges for maintenance dredging works carried out at respective ports during the year 2019-20. This resulted in overstatement of 'Sale of Service' and understatement of 'Payables to Customers' under 'Other Current Liabilities' by ₹183.54 lakh each. Consequently, the Profit before tax for the year was overstated by ₹183.54 lakh.
2. In the months of November 2019 and December 2019, DCI deployed the contractual dredgers of Cochin Port Trust (CoPT) at Cochin Shipyard Limited (CSL) for dredging work. While releasing the payments for the months of November 2019 and December 2019, CoPT recovered ₹107.54¹ lakh towards the release of Dredgers for purposes other than repair/bunkering, etc. without necessary approvals on the plea that DCI earned revenue at CSL during the contract period of CoPT. However, DCI did not withdraw the deducted amount of ₹75.89² lakh from the books of accounts. This resulted in overstatement of Sale of Services as well as Trade Receivables by ₹75.89 lakh. Consequently, the Profit Before Tax for the year was overstated by ₹75.89 lakh.
3. While releasing the payments for the year 2019-20 against the maintenance dredging work at Cochin Port Trust (CoPT), CoPT recovered ₹36.12³ lakh towards (i) shortfall in working / deploying the Dredgers below the limits specified, (ii) non-working of both dredgers beyond 24 hrs at a time in a day as per Clause No.2.47.2 of Special Conditions of Contract and (iii) non-conducting fortnightly survey as per Clause No. 10 of technical specifications. Though CoPT recovered the above amount as per contractual terms, DCI did not withdraw the deducted amount from the books of accounts. This resulted in overstatement of Sale of Services as well as Trade Receivables by ₹36.12 lakh. Consequently, the Profit Before Tax for the year was overstated by ₹36.12 lakh.

B. Comments on Financial Position

Balance sheet

Assets

Non-current assets

(b) Capital Work-in-progress (Note-09): ₹827.97 lakh

4. DCI awarded the works of construction of DCI Office building at Seethammadhara to CPWD at a cost of ₹4126.00 lakh. As on 31 March 2020, CPWD completed 90.50% of the work amounting to ₹3778.64 lakh. Against this, DCI paid ₹2950.67 lakh as advance and showed the amount under Other Current Assets as Advances on Capital Assets. Since the work is of capital nature and CPWD also submitted the work completion certificate, the advance amount paid should be shown under Capital Work-in-progress instead of Advances on Capital Assets. This resulted in understatement of Capital Work-in-progress and overstatement of Advances on Capital Assets by ₹2950.67lakh.

¹ ₹28,44,618.05 (Nov'19) + ₹79,09,548.61 (Dec'19) = ₹1,07,54,166.66

² CoPT considered ₹14.51 lakh per day. However, as per DCI the deductible amount per day is ₹10.57 lakh. Accordingly, Audit considered ₹75.89 lakh for 7.18 days (₹10.57 lakh per day x 7.18 days)

³ (a) shortfall in working/ deploying the Dredgers below the limits specified-₹6,89,075.63 (Aug'19); and (b) non-working of both dredgers beyond 24 hrs at a time in a day - ₹10,00,000 (Nov'19) + ₹4,53,781.51 (Dec'19) + ₹2,68,907.56(Jan'2020); and (c)non conducting fortnightly survey (Jan'2020) ₹12,00,000 = ₹36,11,764.70

**Balance sheet Assets****Current Assets****(a) Inventories (Note-12)- ₹20816.53 lakh**

5. As per the Inventory statement, the closing stock of fuel shows a balance of 5289.59 MT with a value of ₹3494.28 lakh as on 31 March 2020. However, as per the Daily Utilisation Reports (DURs) maintained at respective Dredgers, the closing stock of Fuel was 2965.39 MT only. This indicates that a quantity of 2324.20 MT consumed in dredgers was not accounted for. This resulted in overstatement of Inventories and understatement of Power and Fuel under Other Expenses by ₹1392.84 lakh. Consequently, the Profit before tax for the year was overstated by ₹1392.84 lakh.

Balance sheet Assets**Current Assets****(b) Financial Assets****(i) Trade Receivables (Note-13) - ₹25142.95 lakh**

6. As per the clause No.13.5 of MOU entered with Cochin Shipyard Limited, "idle time charges shall not be in addition to daily hire charges". However, it was noticed that DCI claimed ₹23.78 lakh towards idle time charges over and above the daily hire charges. This resulted in overstatement of Trade Receivables as well as Sale of Services by ₹23.78 lakh. Consequently, the Profit Before Tax for the year was overstated by ₹23.78 lakh.

Assets**Current Assets (b) Financial Assets****(iv) Other Financial Assets (Note-15): ₹16,843.63 lakh****Unbilled Operational Income - ₹11,986.04 lakh**

7. This does not include ₹21.55 lakh being the amount receivable from Cochin Port Trust (CoPT) towards fuel escalation charges for maintenance of channel and basins at Cochin Port for the period from November 2019 to March 2020. This resulted in understatement of Unbilled Operational Income as well as Sale of Services by ₹21.55 lakh. Consequently, the Profit Before Tax for the year was understated by ₹21.55 lakh.

Liabilities**Current Liabilities****(c) Other Current Liabilities (Note-8): ₹15,171.09 lakh****(c) Payables to Customers - ₹2,726.92 lakh**

8. This does not include ₹28.14 lakh being the amount payable to Visakhapatnam Port Trust towards various port charges for the maintenance dredging work done at New Sand Trap during the period February 2020 and March 2020. This resulted in understatement of Payables to Customers and Other expenses by ₹28.14 lakh each. Consequently, the Profit Before Tax for the year was overstated by ₹28.14 lakh.

Liabilities**Current Liabilities****(c) Other Current Liabilities (Note-8): ₹15,171.09 lakh****(e) Other Payables - ₹ 12,108.62 lakh**

9. This does not include ₹372.72 lakh being the amount payable to M/s. J.M. Baxi (Agency) towards Port Charges, Pilotage charges, etc., which was raised by Mumbai Port Trust (MPT) during the maintenance dredging work carried out at Mumbai Navy for the year 2018-19. As per the Contract with Mumbai Navy, "the Port Charges, Pilotage charges are to be borne by the Contractor (DCI) only and the same should be included in the rate quoted by the Contractor". However, DCI did not provide the liability towards Port Charges. Non-provision of the same resulted in understatement of Other payables under Current Liabilities as well as Other expenses by ₹372.72 lakh. Consequently, the Profit before tax for the year was overstated by ₹372.72 lakh.

REPLIES OF THE MANAGEMENT ON COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF DREDGING CORPORATION OF INDIA LIMITED FOR THE YEAR ENDED 31 MARCH 2020

SN	Comments of C&AG	Replies of the Management
1	This does not include ₹183.54 Lakh being the amount payable to Paradeep Port Trust and Gangavarm Port towards net de-escalations of fuel charges for maintenance dredging works carried out at respective ports during the year 2019-20. This resulted in overstatement of sale of service and understatement of Payables to customers under other current liabilities by 183.54 Lakh each. Consequently, the profit before tax for the year was overstated ₹183.54 Lakh.	Necessary accounting entries were passed during the Half year ended 30-09-2020.
2	In the month of November 2019 and December 2019, DCI deployed the contractual dredgers of Cochin Port Trust (CoPT) at Cochin Shipyard Limited (CSL) for dredging work. While releasing the payments for the month of November 2019 and December 2019, CoPT recovered ₹ 107.54 lakh on the plea that DCI earned revenue at CSL during the contract period of CoPT. However, DCI did not withdraw the deducted amount of ₹ 75.89 lakh from the books of accounts. This resulted in overstatement of Sale of Services as well as Trade Receivables by ₹ 75.89 lakh. Consequently, the Profit before tax for the year was overstated by ₹ 75.89 lakh.	The recoveries and corresponding adjustments in view of operational issues are normal business events which has taken time to resolve due to present COVID 19 situation. CoPT has been requested to review the recoveries made and the matter is being followed up. Requisite entries would be made in FY 2020-21 to the extent required.
3	While releasing the payment for the year 2019-20 against the Maintenance dredging Cochin Port Trust (CoPT) recovered ₹ 36.12 lakh towards i) shortfall in working / deploying the Dredgers below the limits specified, ii) both dredgers for not working beyond 24 hrs as per Clause No.2.47.2 of Special Conditions of Contract and iii) non conducting fortnightly survey as per Clause No.10 of technical specifications. Though CoPT recovered the above amount as per contractual terms, DCI did not withdraw the deducted amount from the books of accounts. This resulted in overstatement of Sale of Services as well as Trade Receivables by ₹ 36.12 lakh. Consequently, the Profit before tax for the year was overstated by ₹ 36.12 lakh.	The recoveries and corresponding adjustments in view of operational issues are normal business events which has taken time to resolve due to present COVID 19 situation. CoPT has been requested to review the recoveries made and the matter is being followed up. Requisite entries would be made in FY 2020-21 to the extent required.
4.	DCI awarded the construction of DCI Office building at Seetahmmadhara to CPWD at a cost of ₹ 4126.00 lakh. As on 31 March 2020, CPWD completed 90.50% of the work amounting to ₹ 3778.64 lakh. Out of which, DCI paid ₹ 2950.67 lakh as advance and shown under Other Current Assets as Advances on Capital Assets. Since the work is of capital nature and CPWD also submitted the work completion certificate, the advance amount paid should be shown under Capital Work-in-progress instead of Advances on Capital Assets. This resulted in understatement of Capital Work-in-progress and overstatement of Advances on Capital Assets by ₹ 2950.67 lakh.	Necessary Classification made while preparation of financials for the Half year ended 30-09-2020.
5	As per the Inventory statement, the closing stock of fuel shows a balance of 5968.98 KL with a value of ₹ 3924.78 lakh as on 31 March 2020. However, as per the Daily Utilisation Reports (DURs) maintained at respective Dredgers, the closing stock of Fuel was 3924.88 KL only. This indicates that a quantity of 2044.10 KL consumed in dredgers was not accounted for. This resulted in overstatement of Inventories and understatement of Power and Fuel under Other Expenses by ₹ 1344.05 lakh. Consequently, the Profit before tax for the year was overstated by ₹ 1344.05 Lakh.	A provision of ₹ 9.39 crore made for difference upto September 30, 2020 in half yearly accounts ending on September 30, 2020. However, the Company is reconciling the differences and corresponding entries would be made in FY 2020-21.
6	As per the clause No.13.5 of MOU entered with CSL "idle time shall not be in addition to daily hire charges". During the review of above bill, it was noticed that DCI claimed ₹ 23.78 lakh towards idle time charges over and above the daily hire charges. This resulted in overstatement of Trade Receivables as well as Sale of Services by ₹ 23.78 lakh. Consequently, the Profit before tax for the year was overstated by ₹ 23.78lakh.	DCI is pursuing the matter with CSL authorities. Requisite entries would be made in FY 2020-21 to the extent required.
7	This does not include ₹21.55 lakh being the amount receivable from Cochin Port Trust towards fuel escalation charges for maintenance of channel and Basins at Cochin	Necessary entries were passed during the Q1 of FY 2020-21

SN	Comments of C&AG	Replies of the Management
	Port for the period from November 2019 to March 2020. This resulted in understatement of Unbilled Operational Income as well as Sale of Services by ₹ 21.55 lakh. Consequently, the Profit before tax for the year was understated by ₹ 21.55 lakh.	
8	This does not include ₹ 28.14 lakh being the amount payable to Visakhapatnam Port Trust towards survey charges, pilotage charges, Port dues, cold move & shifting charges, berth hire charges, Tug charges and crane charges for the maintenance dredging work done at New Sand Trap during the period from February 2020 and March 2020. This resulted in understatement of Payable to Customers and Other expenses by ₹ 28.14 lakh each. Consequently, the Profit before tax for the year was overstated by ₹ 28.14 lakh.	Necessary accounting entries were passed during the Half year ended 30-09-2020.
9	This does not include ₹ 372.72 lakh being the amount payable to M/s. J.M. Baxi (Agency) towards Port Charges, Pilotage charges etc., which was raised by Mumbai Port Trust (MbPT) during the maintenance dredging work carried out at Mumbai Navy for the year 2018-19. As per the Contract with Mumbai Navy, "the Port Charges, Pilotage charges are to be borne by the Contractor (DCI) only and the same should be included in the rate quoted by the Contract". Hence, there is a liability on the part of DCI for payment of above port dues to Mumbai Port Trust through the above agency. However, DCI did not provide the liability towards Port Charges. Non-provision of the same resulted in understatement of Other payables under Current Liabilities as well as Other expenses by ₹ 372.72 lakh. Consequently, the Profit before tax for the year was overstated by ₹ 372.72 lakh.	Provision of ₹ 3.72 crore made in half yearly accounts ending on September 30, 2020 which would be reviewed while preparing the accounts for FY 2020-21. Meanwhile MbPT was requested to review levy of charges and the same is being pursued.

Notes:

As per the requirement of Schedule II to the Companies Act, 2013, where cost of a part of the asset is significant to the total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part shall be determined separately for depreciation purpose. After careful examination, the company is of the view that none of the component part of the fixed asset is considered to be significant as compared to total cost of the asset except Dry Dock expenses incurred for dredgers which are less than 25 years in usage. Consequently, other than for Dry Dock expenses, the charging of depreciation for component parts was not required. Dry Dock expenses are capitalized to the respective dredger and depreciated over a period of 2.5 years from the date of capitalization based on management evaluation.

The Arbitration Tribunal passed the award in favor of MLL for an amount of ₹57.34 Crs. DCI has filed appeal on the said awards before the London court and High Court of Delhi and the same was dismissed. Subsequently, MLL has filed Execution petition before the High Court of Delhi. DCI has filed its objections under section 48 of the Arbitration and Conciliation ACT, 1996 contesting award on the ground that the award is contrary to the public policy of India and also on the ground that arbitral procedure was not in accordance with the agreement of parties, particularly LMAA Rules. This case is posted for hearing on 07/09/2020. DCI obtained opinion from senior counsels stating that DCI has fair chances of getting the execution petition of MLL dismissed / set aside.

7. Accrued Income/ Unbilled Revenue of JNPT project: - The normal practice of estimating accrued income is as per the surveys carried out in the first week of subsequent month for the works executed in previous quarter/financial year. Due

Notes to the financial statements for the year ended March 31st, 2020
(All amounts in ₹ in lakhs, except share data and unless otherwise stated)

to Covid-19 Lockdown situation, the survey personnel could not conduct progressive survey at JNPT during first week of April 2020. Later on, post surveys were conducted from 02nd May 2020 to 16th May 2020. Under these circumstances, the company arrived at accrued income upto 31st March 2020 by adopting technical methodology which is suitable and scientific and very close to the actual dredging done. Accordingly, an amount of ₹71.06 Crs has been recognized as accrued income.

8. The Company appointed an agency for carrying out physical stock verification / valuation of inventory in the 2019-20. They have commenced physical verification of inventory during March 2020. However, the agency could not complete the same due to COVID 19 Pandemic. The Company has a robust system under ERP for recording all inventory transactions online.

9. As per the minutes of the meeting of AS&FA committee held on 25.02.2019 w.r.t. outstanding dues from M/s Sethusamudram Corporation Ltd (SCL), it was recommended to release an amount of ₹ 136.72 Crs to DCI. Out of the said amount, an amount of ₹ 39 Crs already released till date. AS&FA directed SCL to move a note seeking approval of cabinet for seeking Govt budgetary resources to release balance dues to DCI.

10. Company's normal operations have been impacted in a number of ways as Lockdown impeded conducting surveys. Lockdown imposed across the country, regimented deployment of manpower leading to shortages at the work sites and yards, inordinate delays in import of emergency Spares which are required to carry out the scheduled dry-docks, closure of workshops, lack of OEM support, logistic constraints and risk of virus infection in FY 2019 20 as well as 2020-21. It also imposed unusual delays in both Dry-docking / running repairs in yards, impeded conducting surveys and resulted in postponement of securing new work orders. Some of the vessels became either non-operational or operating at suboptimal efficiencies in FY 2019 20 as well as 2020-21. Notwithstanding constraint, management has taken a number of measures in the last three months and will continue to take best possible steps to keep the operations. A definitive assessment of the impact on business is highly dependent upon the circumstances as they evolve. The management is monitoring the situation closely.

11. Reconciliation of outstanding balance of trade payables, other payables and advances to suppliers are subject to reconciliation and the same is under process.

15 ACCOUNTING POLICIES:

GENERAL INFORMATION:

Dredging Corporation of India Limited ("DCIL"/ "the Company") is a limited Company incorporated in India with the primary objective of catering to the dredging requirements of Indian ports, Indian Navy etc., The Company is engaged in providing the services of Capital Dredging, Maintenance Dredging, Beach Nourishment, Land Reclamation, Shallow water Dredging, Project Management Consultancy, Marine Construction. The Company has its Registered Office at Delhi and Corporate Office at Visakhapatnam. The Project offices are situated at different parts of the Country like Haldia, Kolkata, Cochin, Chennai, Mumbai etc. The details of the fleet etc. are included in the Annual Report."

1. BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

1.1 Statement of Compliance:

These financial statements comply in all material respects with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016, provisions of the Act to the extent notified and guidelines issued by the Securities and Exchange Board of India ("SEBI").

1.2 Basis of Measurement:

The Financial Statements have been prepared under the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or liability, the entity takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

2 ACCOUNTING ESTIMATES:

The preparation of the financial statements in conformity with IndAS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

3 OPERATIONAL INCOME: REVENUE RECOGNITION:

- a) Revenue is measured at the fair value of the consideration received or receivable and is reduced for allowances wherever applicable as per the contract.
- b) Revenue from a contract to provide services is recognized by reference to the stage of completion of the contract. The stage of completion of the contract is determined based on internal assessment/survey.
- c) Claims preferred on customers for works/items not contemplated are considered as income on their acceptance.

4 OTHER INCOME:

- a) Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the entity and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.
- b) Interest on Tax refunds are accounted on receipt basis.

5 OPERATIONAL EXPENSES:

- a) All operational expenses are charged to revenue under accrual basis.
- b) Insurance: Final adjustments to insurance premium paid are considered in accounts on the basis of demands received.
- c) INSURANCE:
 - i. Expenses on account of general average claims/damages to ships are written off in the year in which they are incurred.
 - ii. In respect of hull and machinery insurance claims, the claim is accounted as claims recoverable from underwriters on submission of average adjuster report to the underwriter under operational income. Necessary adjustments are made to the claims recoverable account as and when the actual claims are received from the underwriters. In respect of other claims, the same are accounted for on realization /settlement of the same by the underwriters and is accounted under operational income.

- f. Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire non-current assets are recognised as deferred revenue in the balance sheet and transferred to profit or loss on systematic and rational basis over the useful lives of the related assets.

8 BORROWING COSTS:

- a) As per the transitional provisions given in the notification issued by the Ministry of Corporate Affairs, Government of India dated 31st Mar, 2009 read with the notification dated 9th August, 2012, the Company has opted for adjusting the exchange difference on the long term foreign currency monetary items to the cost of the assets acquired out of these foreign currency items.
- b) Borrowing costs attributable to acquisition, construction or production of qualifying assets are capitalised as part of the cost of that asset, till the time the asset is put to use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

9 FOREIGN CURRENCY TRANSACTIONS:

- a. Transactions in foreign currency are recorded at exchange rates prevailing at the dates of the transactions. As per the notification issued by the Ministry of Corporate Affairs dated 31st Mar, 2009, the Company has opted for adjusting the exchange difference on the long term foreign currency monetary items to the cost of the assets acquired out of these foreign currency items. The Company has accordingly aligned its accounting policy based on the above notification. Exchange differences arising out of fluctuation in exchange rates on settlement/restatement at the period end are accounted based on the nature of transaction as under:
 - (i) Short term foreign currency monetary assets and liabilities recognized in the profit and loss account.
 - (ii) Long term foreign currency monetary liabilities used for acquisition of fixed assets: adjusted to the cost of the fixed assets and amortized over the remaining useful life of the asset.

Notes to the financial statements for the year ended March 31st, 2020

11 FINANCIAL INSTRUMENTS:

Financial assets and financial liabilities are recognised when an entity becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

11.1 Initial Recognition:

The company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

12 EMPLOYEE BENEFITS:

- All short-term employee benefits are recognized at their undiscounted amount in the accounting period in which they are incurred.
- Employee benefits under defined contribution plans comprising of Provident fund, post-retirement medical benefits (w.e.f 01.01.2007) and pension contribution are recognized based on the undiscounted amount of obligations of the company to contribute to the plan.
- Employee benefits under defined benefit plans comprising of gratuity, leave salary benefits are recognized based on the present value of defined benefit obligation which is computed on the basis of actuarial valuation using the projected unit credit method. Actuarial liability in excess of respective plan assets is recognized during the year. Actuarial gains and losses are recognized in the statement of Profit & Loss during the period in which they occur.
- For defined retirement gratuity benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur.
- Provision for Gratuity, Provident fund, Post-retirement Medical and Pension benefits is funded with separate Trusts formed for the purpose.

13 PROVISIONS, CONTINGENT LIABILITIES & CONTINGENT ASSETS:

- Provisions are recognized when the entity has a present obligation (legal or constructive) as a result of a past event, it is probable that the Entity will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.
- Contingent Assets and Contingent liabilities are disclosed by way of notes.

14 TAX EXPENSES:

Provisions for income tax liability is made on operational income as per special provisions relating to shipping companies under the Income Tax Act, 1961 on the basis of deemed tonnage income of the company.
