Irdai unveils reforms to boost sector, improve policyholder security

GEORGE MATHEW
Mumbai, July 29

THE INSURANCE REGULATORY Authority of India (Irdai) has unveiled a comprehensive set of regulatory, supervisory and developmental reforms, marking a major milestone in its efforts to modernise the insurance sector, strengthen governance and accelerate insurance penetration across the country.

The reforms, approved by the Irdai board meeting on Tuesday, are designed to provide insurers with greater operational flexibility, facilitate capital formation, improve governance standards and reinforce policyholder protection while enhancing the ease of doing business across the insurance ecosystem.

These measures aim to support implementation of the Saksham Bima Saksh Raksha (Amendment of Insurance Laws) Act, 2025 (SBSRA), it said.

According to Irdai, the changes provide insurers with "greater operational and financial flexibility through liberalised investment norms,

AT A GLANCE

■ Measures are expected to improve ease of doing business, enhance financial resilience and support insurers' long-term growth

■ Changes provide insurers with "greater operational and financial flexibility via liberalised investment norms"

a facilitative framework for capital infusion and corporate restructuring, and streamlined provisions relating to transfer of shares and amalgamations while strengthening actuarial oversight and financial governance."

The reforms are expected to improve the ease of doing business, enhance financial resilience and support the long-term growth of insurers

without compromising policyholder interests, it said. A major policyholder-centric initiative approved by the regulator is the IRDAI (Policyholders' Education and Protection Fund) (PEPF) Regulations, 2026, which operationalise the Policyholders' Education and Protection Fund (PEPF) constituted under Section 16A of the IRDA Act, 1999, as introduced by the SBSRA.

Intermediaries get revised framework

In another significant move to strengthen accountability within insurance distribution, the regulator has approved amendments to the regulations governing insurance intermediaries. A key feature of the reforms is the mandatory tagging of the authorised sales person to every insurance proposal, policy and certificate of insurance.

"The requirement enhances accountability and traceability across the insurance distribution process, strengthens regulatory oversight and promotes greater transparency for policyholders," Irdai said.

Key capabilities of the new platform include accurate time stamping to ensure transparency in trade execution related to applicable NAV, universal SIP autopay to activate SIP mandates across all major UPI applications, clear failure reasons for easier query resolution during onboarding, flexible transaction support, SIP options aimed at investors with irregular income and end-to-end support for all investment transactions.

Arun Raste, managing director and chief executive, said: "As we build towards a multi-asset future, this identity gives us a foundation built to grow with us but one that is still anchored in the trust, transparency, and market integrity that have defined us since inception."

The new platform aims to increase the reach of mutual fund industry in smaller locations by collaborating with the top fund houses of the country and NCDEX's existing network of about 800 farmer producer

organizations (FPOs), each with an average size of about 250 members.

He expressed hope that the combination of brand value of top AMCs and familiarity of rural investors with NCDEX will increase trust in mutual fund products among villages and small towns.

He added that the exchange is helping FPOs in attaining the pre-requisite certification to become mutual fund distributors and aims to expand this network as new FPOs join the exchange.

Irdai clears ProTec General Insurance to begin ops

FE BUREAU
Chennai, July 29

THE INSURANCE REGULATORY Authority of India (Irdai) has granted a certificate of registration to M Pallonji Group-backed ProTec General Insurance, enabling it to commence general insurance operations in India.

The approval was granted at Irdai's 137th Authority meeting held on Tuesday, the regulator said in a press release on Wednesday.

ProTec joins the country's fast-growing non-life insurance sector, which already has 26 general insurers, including private players and four public sector insurers. ProTec General Insurance is promoted by the M Pallonji Group in partnership with Divya Sehgal, partner at private equity firm True North. According to Ministry of Corporate Affairs records, Mehli Mistry and Pheroze Mistry, promoters of the M Pallonji Group, along with Sehgal, are directors of the new venture. Aditya Sharma, former Chief Distribution Officer at Bajaj General Insurance, is also on the board.

ProTec's approval marks the fourth insurance registration granted by Irdai in calendar year 2026. The regulator has so far licensed two general insurers, one health insurer and one reinsurer—Prudential ICIL Health Insurance, Kiwi General Insurance, Allianz Jio Reinsurance, and now ProTec General Insurance.

Bonds slip as oil prices hurt; Fed verdict in focus

GOVERNMENT BONDS fell on Wednesday after the resumed air strikes in West Asia, widening the Gulf war and driving oil prices and US Treasury yields higher ahead of the Federal Reserve's policy decision. The benchmark 6.94% 2036 bond yield ended at 6.7964%, after closing Tuesday at 6.7774%. Bond yields moved inversely to prices.

A more hawkish Federal Reserve or even a renewed debate around further policy tightening, could keep global yields elevated and constrain the scope for significant rallies in both Indian fixed income and risk assets. Axis Mutual Fund wrote. REUTERS
