Re: Corrigendum to the Annual Report of the Company for FY 2018-19

With reference to captioned subject, you are requested to kindly note that due to inadvertent printing and typographical error, the name one of the shareholder company in Note No. 15 (c) of the Standalone and Consolidated Financial Statements (Note on Equity Share Capital), appearing on page nos. 101 and 145 of Annual Report for the financial year ended 31st March, 2019 has been misprinted as Skyline Millars Ltd. instead of Millars Machinery Company Pvt. Ltd.

Please find enclosed copy of Corrigendum dated August 1, 2019 with respect to the said corrections, which has been published in the newspaper(s) today, for your information and record.

Kindly take the same on record.

Thanking you,

Yours faithfully,

For **GMM PFAUDLER LIMITED**

નયા પડકાર

શુક્રવાર, તા. ૨-૮-૨૦૧૯

A photograph of a large industrial facility, likely a refinery or chemical plant, at night. The facility is illuminated by numerous yellow lights, creating a bright contrast against the dark sky. Two prominent tall smokestacks are visible; one has a red and white striped pattern. The complex structure of pipes, tanks, and scaffolding is clearly visible. The foreground shows a dark, reflective surface, possibly water, mirroring the lights from the facility.

Achieving Excellence

The theme for the penultimate year of Mission 2020 is Achieving Excellence. We believe that by tightening up our systems and processes, we can reduce wastes (both materials and time) and therefore, decrease costs. We aim to make our business more efficient by:

- Determining where our company is “leaving money on the table”
- Determining where operational inefficiencies are impacting our bottom line
- Empowering our employees to look for inefficiencies and identify ways to save time and money

Strategic initiatives for financial year 2018-19

Managing Director's Message

We are pleased to announce the acquisition of Industrial Mixing Solutions Division from Sudarshan Chemical Industries Ltd. With this acquisition we will create a business vertical that will have a greater focus in the industrial mixing space and will provide our customers with innovative mixing technologies which will help them improve efficiencies and reduce costs.

TARAK PATEL
MANAGING DIRECTOR

DEAR SHAREHOLDERS,

It gives me great pleasure to talk about the year gone by. Our growth story remains intact and we have further strengthened our competitive position and continue to remain the preferred supplier for engineered equipment and systems to the chemical process industry. I am delighted to report that many of 'Mission 2020' strategic initiatives are finally paying rich dividends and have helped us and will continue to help us grow profitably. I believe that improvement is a never-ending process and we will continue to offer our customers new products, innovative technologies, faster delivery times and prompt after sales service. I am confident that we can continue our growth journey in the coming year.

India is expected to remain the world's fastest growing large economy in 2019-20, with a GDP growth rate of 7.3%. Lower oil prices, softening interest rates and

expected structural policy reforms will further strengthen our economy. The Indian economy remains well placed to achieve robust growth on the back of a stable government, favourable policies, lower inflation rates and increasing government spending on infrastructure and the rural sectors. However, trade uncertainty, global economic slowdown and volatile market conditions may pose a challenge.

The key industries that we serve, Pharmaceutical (Pharma), Agrochemical (Agro) and Speciality Chemical (Specialty) all continued to invest in new manufacturing facilities. Agro and Specialty showed significant increase in investment and accounted for nearly 59% of our total revenue. Pharma showed a slow down in capital spending due to FDA issues and pricing pressure in the US markets but still accounted for 30% of our total revenue. Looking forward, we believe that investment in these sectors will

continue and we expect both Agro and Specialty to drive growth in the coming year. We have also seen significant traction in new sectors such as Oil & Gas, Petrochemical, Fertilizers and Minerals & Metals and we expect promising opportunities in the coming months.

As I had mentioned earlier, the initiatives undertaken over the last few years have created a strong foundation for growth that has helped us to seamlessly transition into the penultimate year of our 'Mission 2020' Strategic Plan - 'Achieving Excellence'. Under the 'Achieving Excellence' initiative we have shown significant improvement in both revenues and profitability; we reported a consolidated and standalone revenue growth of 24% and 34% respectively and a consolidated and standalone profit before tax growth of 21% and 40% respectively over the previous year.

This year was noteworthy in terms of major projects launched and completed. We continued to create additional capacity for our Glass Lined and Heavy Engineering businesses. In our Glass Lined division, we hit a new high of 200 EU's (equivalent units) manufactured in a single month, this was a first for us and will hopefully become a new benchmark for throughput. In another first, our Heavy Engineering division manufactured the biggest equipment with a length of 41 meter, diameter of 4.8 meter and a weight of 154 MT column which puts us in a small and exclusive group of companies that can handle such large sizes. We went live with a new cloud based ERP solution which will help us improve efficiencies, decrease costs and streamline internal systems and processes. We have also recently launched an internal budgeting system which will help us build budgets from a bottom up approach rather than a top down approach and will also help us monitor and reduce costs.

We believe that our employees are our most important asset, with this in mind we have undertaken several initiatives in the last few years. During the year we began campus recruitment process to further strengthen our organization. We approached premier Business Schools and Technical Institutes, and following a rigorous evaluation process selected 8 Management Interns, 3 Engineering Interns and employed 4 Management Trainees. While the interns will go back to their academics after their internship period, the Management Trainees will be inducted into the Management Acceleration Program, an initiative that will help us build a young leadership pipeline.

Lastly, I am pleased to announce the acquisition of Industrial Mixing Solutions Division from Sudarshan Chemical Industries Ltd. With this acquisition we will create a business vertical that will have a greater focus in the industrial mixing space and will provide our customers with innovative mixing technologies which will help them improve efficiencies and reduce costs. We believe that this acquisition is a strategic fit and will reinforce our strategy of growing profitably and creating long term value for our shareholders.

Our relationship with our parent company - Pfaudler continues to remain strong. Our close and regular interaction with each other has helped both companies increase revenue, margins and market share and has also helped in strengthening our respective competitive positions in both India and globally.

Our CSR's initiatives have also seen substantial progress, we are grateful that we have been able to make a difference in the areas of healthcare, education and environment sustainability in the areas that we operate. We are thankful for all the hard work that our CSR partners – Charutar Arogya Mandal, JVP ITI and Reefwatch continue to put in day in and day out, tirelessly working to improve and enrich the lives of the communities that we operate in and also play an important part in their social and economic development.

Finally, we have begun work on our next 5-year strategic plan which will be launched next year and will take us to 2025. Over the coming months we will have both internal and external discussion to finalize this document which will align all employees to a common goal and vision and will also chart out the direction that your company will take over the next 5 years.

I would like to place on record my appreciation to the Board of Directors for ensuring effective corporate governance and also thank them for their continued support and guidance. I would also like to acknowledge all our employees, customers, supplier partners and shareholders for their support and faith in GMM Pfaudler. Thank you for being a part of our exciting journey.

Best Regards,

Tarak Patel
Managing Director

Board of Directors

DR. S. SIVARAM
Chairman & Independent
Director

Dr. S. Sivaram is a Polymer Chemist by profession, mentor and science manager of distinction. He is a former director of the National Chemical Laboratory, Pune. Currently he is a INSA Senior Scientist and Honorary Professor at the Indian Institute of Science Education and Research (IISER), Pune. He has authored two hundred and twenty papers in peer-reviewed journals, edited two books and authored one book. He is cited as an inventor in fifty-one US and European patents and fifty-two Indian patents to his credit. Dr. Sivaram is a highly decorated Scientist with numerous awards to his credit. He was conferred Padma Shri by the President of India in 2006.

Dr. Sivaram serves on the Board of Apcotex Industries Limited, Asian Paints Limited, Deepak Nitrite Limited, Supreme Petrochem Limited, Vyome Therapeutics Limited and Gharda Chemicals Limited.

Dr. Sivaram is an alumnus of IIT-Kanpur (MSc. 1967). He has a PhD in Chemistry from Purdue University, W. Lafayette, Indiana, USA.

Dr. Amrita Patel is the former Chairperson of National Dairy Development Board (NDDB) and was responsible for the implementation of national dairy programme, Operation Flood-the largest programme in the world using food aid for development.

Dr. Patel has played a leading role in advocacy of environment protection and stability. She is strongly committed to healthcare services for rural people and women in particular. Dr. Patel is currently Chairperson of Sardar Patel Renewable Energy Research Institute, Vallabh Vidya Nagar. Dr. Patel is a Trustee of Charutar Arogya Mandal, Sir Dorabji Tata Trust and Sardar Patel Trust. She is on the Board of Society for Promotion of Wastelands Development, New Delhi and Foundation of Ecology Security, Anand.

Dr. Patel, BVSc & AH, has been conferred the Padma Bhushan and numerous other awards and honorary degrees.

DR. AMRITA PATEL
Independent Director

NAKUL TOSHNIWAL
Independent Director

Mr. Nakul Toshniwal is the Chairman & Managing Director of Toshvin Analytical Pvt. Ltd. which is recognized as one of the largest analytical instrumentation companies in India. He started his career as an Analyst with AT Kearney Inc. in New York and has over 20 years of experience in managing, investing and growing companies in diverse industries.

Mr. Toshniwal is also a Designated Partner in Royal Opera Music LLP and a member of the Council of Directors of Kodaikanal International School.

He graduated summa cum laude from The Wharton School, University of Pennsylvania, Philadelphia, PA and has a Master of International Public Policy degree from The School of Advanced International Studies, Johns Hopkins University, Washington DC.

Mr. Khurshed Thanawalla is the Country Representative – India for Oerlikon Group.

He serves on the Board of Stovec Industries Ltd.

Mr. Thanawalla is a Fellow of the Institute of Chartered Securities and Administrators of London and the British Institute of Management. He is the associates of the Textile Institute, UK.

KHURSHED THANAWALLA
Director

THOMAS KEHL
Director

Mr. Thomas Kehl is the Chairman on the Board of Pfaudler Inc. Before joining Pfaudler, Mr. Kehl was the President and CEO of Coperion Group. Prior to this position he was responsible for Coperion's Compounding Machines and Service business. His extensive experience in the industry includes two years as CEO of Freudenberg Nonwovens and several executive positions within the Hoechst Group and their subsidiaries. His international experience includes five years in various management positions in the USA.

Mr. Kehl holds a degree in Marketing and General Management from the University for Applied Sciences Mainz.

Dr. Dominic Deller is the Chief Financial Officer of the Pfaudler Group. Dr. Deller joined Pfaudler after successfully closing the sale of SimonsVoss Technologies, a digital access control company, to Allegion PLC. Prior to this, Dr. Deller was CFO and CEO EMEA for Lincoln Industrial, a manufacturing company for centralized lubrication systems, headquartered in St. Louis, USA.

Dr. Deller is the Managing Director of Pfaudler GmbH and on the Board of Pfaudler UK Ltd. He is also the Vice President and Treasurer at Pfaudler US Holding Inc. and Pfaudler US Inc.

Dr. Deller holds a Master degree and a PhD in Business Administration from Frankfurt/Main University, Germany and a post-graduate degree in Business Analysis from Lancaster University, UK.

He is on the Board of Skyline Millars Limited and Ready Mix Concrete Limited.

Mr. Patel has a B. Sc degree from the University of Manchester Institute of Science & Technology, UK and an MBA from the Columbia University, USA.

Mr. Tarak Patel has been the Managing Director of the Company since June 2015. He has also served as the Executive Director of the Company since 2007.

He is on the Board of Skyline Millars Limited and Ready Mix Concrete Limited.

Mr. Patel is on the Governing Council of the Charutar Arogya Mandal.

Mr. Patel has a BA in Economics from the University of Rochester, USA and an MBA jointly conferred by Columbia Business School, London Business School and University of Hong Kong (HKU) Business School.

TARAK PATEL
Managing Director

GMM Pfaudler Limited, a Leading Supplier of Engineered Equipment and Systems for Critical Applications in the Chemical and Pharmaceutical Industries

GMM Pfaudler Limited (“GMM Pfaudler” or “the Company”) was incorporated in the year 1962 as Gujarat Machinery Manufacturers Private Limited and listed on the Bombay Stock Exchange in 1963. In 1987, Pfaudler Inc., USA the world leader in Glass Lined equipment subscribed to 40% equity of the Company to form a joint venture. Pfaudler Inc. further increased their stake to 51% in 1999 and the name of the Company was changed to GMM Pfaudler Limited.

With over five decades of manufacturing experience, GMM Pfaudler is a well-established Company with a strong brand and customer goodwill. The Company is currently the market leader in Glass Lined equipment.

Over the years, the Company has diversified its product portfolio to include Heavy Engineering, Mixing Systems, Engineered Systems and Filtration & Drying Equipment to grow revenue and reduce the cyclicity of the business.

Recently, the Company acquired the Industrial Mixing Solutions Division (“IMSD”) of Sudarshan Chemical Industries Ltd., Pune. The acquisition of IMSD is expected to enhance GMM Pfaudler’s industrial mixing business vertical by bringing in new products, technologies, customers and industry segments.

With this acquisition, GMM Pfaudler would now have access to other markets namely minerals, metals, sugar, food, etc. and have deeper penetration in paint manufacturing industry. Significant cost synergies are expected due to economies of scale, value engineering and by leveraging the strengths of both the organisations in their markets. The two businesses once consolidated would become India’s premier industrial mixing solutions provider.

The Company has a state-of-the-art manufacturing facility spread over 20 acres in Karamsad, Gujarat.

GMM Pfaudler currently employs 480 people and has regional sales and service offices in Ahmedabad, Ankleshwar, Chennai, Hyderabad, Mumbai, Pune, Roha, Vadodara and Visakhapatnam.

Much More Than Glass Lined

GMM Pfaudler is a global leader in providing corrosion-resistant technologies systems and services for the chemical and pharmaceutical industries.

CSR Highlights For the Year 2018-19

GMM Pfaudler, recognizes the impact it has among communities in which it operates and believes that it has a responsibility to improve and enrich the lives of these communities and play a part in their social & economic development and environmental sustainability. With its dedicated and focused approach, the Company has been contributing its time expertise and resources to help local communities. The Company is committed to focus its CSR activities in and around the areas in which it operates and would support activities in areas beyond on a case to case basis.

As a responsible corporate citizen, the Company is committed to sustainable development and inclusive growth and has been and will continue to focus on issues relating to healthcare, education & skill development and environment sustainability.

HEALTHCARE

Providing modern healthcare to the local village communities with Charutar Arogya Mandal

GMM Pfaudler has partnered with Charutar Arogya Mandal to provide modern healthcare to the local communities through Project SPARSH.

Project SPARSH (Shree Krishna Hospital Programme for Advancement of Rural and Social Health), implemented by Charutar Arogya Mandal in Anand, Kheda and Panchmahals districts, aims at connecting the last person in villages to appropriate levels of healthcare through trained Village Health Workers (VHWs) in their own villages, health centres in towns/villages close by and a tertiary care centre for critical cases. GMM Pfaudler funds the activities of the programme in 60 of the 150 villages covered by it. In terms of the population covered, while the entire programme covers a population of 4.5 lakhs, the villages funded by GMM Pfaudler have a population of approximately 1.5 lakhs.

During the year, through project SPARSH, 17,850 patients were reached through 595 camps. In the project villages covered by GMM Pfaudler, 405 camps were conducted and 16,285 patients were reached and received consultation.

A total of 57,475 rural people were educated about various issues related to chronic diseases such as Hypertension and Diabetes through 2,299 sessions undertaken by the Village Health Workers ("VHWs") across 150 villages. In the project villages covered by GMM Pfaudler, 39,806 persons were educated about chronic diseases through 1,531 sessions undertaken.

**Village Health
Workers conducting
training and medical
check-up
camps**

At the end of the year, there were 1,169 patients with chronic diseases such as Hypertension and Diabetes enrolled with the programme for receiving health care delivered at their door step through the VHWs, saving the patients cost of travel and consultation at higher centres. In the project villages funded by GMM Pfaudler, the number of patients enrolled with the programme was 955 compared to 730 in the previous year.

The average monthly cost of treatment for patients with Hypertension, Diabetes and those having both Hypertension and Diabetes was Rs.38, Rs.84 and Rs.126 respectively. The cost of treatment last year was Rs.40, Rs.106 and Rs.133 respectively. The increase in the number of members enrolled in the programme and the reduction in the cost of treatment indicate that, with passage of time, the project is now creating a significant impact.

SPARSH 150 is also focused on prevention of diseases as well through multiple interventions at school and community level, cancer screening and diagnosis and palliative care.

Summary of initiatives taken under SPARSH during the financial year 2018-19:

1. The SPARSH Android application was revised and upgraded. Training plans for the VHWS to use the app have been devised and attempts to have the entire data collected online.
2. A new and comprehensive Management Information System and a concept of Technical In-charges for various activities was introduced.
3. Referral of at-risk but asymptomatic patients to the VHWS was put in place for Hypertension and Diabetes patients. At camps those identified with BP reading ($>140/90 - 160/100$) & DM ($>150 - 300\text{mg/dl}$ with no symptoms) were referred to the VHWS for follow up for confirmatory tests and further management.
4. Palliative care visits were made regular - every Wednesday, a specialized team of a Medical Officer, a physiotherapist, a palliative care specialist and a nurse conduct visits to bed-ridden patients which primarily aims at rehabilitation of the palliative care patient and providing necessary support. At the end of the year, 173 patients were being supported with Palliative care.
5. New flip charts to be used by the VHWS were designed for Hypertension, Diabetes, Congestive Obstructive Pulmonary Diseases and Healthy lifestyle promotion activities.

A small evaluation study to assess the effectiveness of SPARSH activities (reduced cost of treatment, better adherence to the medications, prevention of complications) in 6 SPARSH and 6 non SPARSH villages is being undertaken. Baseline data collection has been completed. Two follow up assessments will be done in the next two years to assess the impact of the SPARSH program.

Charutar Arogya Mandal (CAM) is a charitable trust set up by the late Dr. H. M Patel, and has been working for providing modern and professional healthcare to the rural community in Anand and Kheda districts of Gujarat for over 3 decades. CAM manages Shree Krishna Hospital, one of the largest (850 bed), modern and professionally run institutions in Gujarat along with Pramukhswami Medical College, the KM Patel Institute of Physiotherapy and GH Patel School of Nursing among other educational institutions at its 100-acre campus in Karamsad.

For more information about Charutar Arogya Mandal please visit www.charutarhealth.org

EDUCATION & SKILL DEVELOPMENT

Providing technical training to the local youth with JV Patel Industrial Training Institute

GMM Pfadler has partnered with JV Patel Industrial Training Institute ("JVP ITI") to promote education and skill development in the local community.

Upgraded workshop with new state-of-the-art equipment at J V Patel ITI

JVP ITI a well-equipped institute with qualified and experienced instructors offers eight trades certified by the National Council for Vocational Training and two trades certified by the Technical Education Board. Currently, JVP ITI has about 400 students on its rolls who are from the surrounding villages.

J V Patel Industrial Training Institute has been recently approved as a “Training Centre” under the “Pradhan Mantri Kaushal Vikas Yojana” (PMKVY 2.0) to impart skill development training to school and college dropouts or unemployed youths on four trades. These trades are Solar Panel Installation, Welding, Fitter Fabrication and Draftsman (Mechanical). Upon successful completion of the course, students will be provided placement by the program partners.

During the year, the Company has contributed to improve and upgrading the facilities of JVP ITI which will help students gain better knowledge, experience and enhance their employment opportunities.

JVP ITI at Karamsad, Gujarat was established in the year 1979 under Bombay Public Trust Act, 1950 and Societies Registration Act 1860 with the objective of enhancing the livelihood of local communities by promoting education through vocational skill development.

For more information about JV Patel Industrial Training Institute please visit www.jvpiti.org

ENVIRONMENTAL SUSTAINABILITY

Restoring marine coral reefs in the Andaman Islands with ReefWatch Marine Conservation

GMM Pfaudler has partnered with ReefWatch Marine Conservation to restore and rebuild marine coral reefs in the Andaman Islands through the Re(ef) Generate project.

The Re(ef) Generate project aims to restore and rehabilitate corals in the Andaman Islands and actively create conditions for corals to thrive. 75% of the world’s coral reefs are classified as ‘threatened’ and are likely to be the first eco-systemic victims to global warming, fossil fuel emissions and deforestation of mangroves. Though coral reefs occupy only 0.02% of the ocean’s surface, they contain about one third of all marine life. The loss of coral reefs could have catastrophic impacts on the marine biodiversity.

While the international community comes together to combat fossil fuel usage and carbon emissions, we believe it is imperative to protect and rehabilitate corals at a local level too.

GMM Pfaudler has contributed to the conservation program that restores coral reefs in India by:

- **Re(ef)Build** - Setting up artificial reefs with mineral accretion technology. This involves rescuing broken coral fragments around a coral reef and attaching them on to metal frames designed to replicate reef structure placed in the water. The mineral accretion device is set up by giving the structure a low electric current through floating solar panels allowing corals to grow faster by the process of electrolysis.
- **Re(ef)Grow** – Growing genetically stronger and more resilient corals in a lab set up to transplant onto the artificial reefs. This involves collecting small amounts of coral spawn (gametes) from healthy, resilient coral colonies, fertilizing them and growing them in labs to then transplant back into the ocean.

Reefwatch Marine Conservation is a non-profit Organization involved in research, education and outreach activities aimed at Environmental Sustainability. Its efforts are targeted towards protecting and nurturing the diversity of life in India’s coastal and marine environments.

**Restoration
and
Rehabilitation
of Corals in
the Andaman
Islands**

Its activities include coral reef monitoring in the Lakshadweep and Andaman & Nicobar Islands, documentary films, beach clean ups in Mumbai, SCUBA training for scientists and education programs in schools across the country. ReefWatch was established in 1993 as a Public Charitable Trust under the Societies Registration Act and has served as a Member of the National Board for Wildlife (Government of India) since May 2007.

For further information about Reefwatch Marine Conservation please visit www.reefwatchindia.org

Beautifying and maintaining public facilities in our local area with Sardar Patel Trust

GMM Pfaudler has partnered with Sardar Patel Charitable Trust to promote Environmental Sustainability in our local area by maintaining the public facilities at the Sardar Vallabhbhai Patel Memorial and Veer Vithalbhai Patel Memorial at Karamsad, Gujarat ("The Memorial"). The Sardar Patel Charitable Trust plays an active role in the beautification of local area by maintaining the gardens and cleanliness of the Memorial.

The Memorial is visited by locals, students from nearby schools and colleges, tourists from across India and many visitors from abroad as well. The number of visitors during the previous year was 38,537 which also included some eminent personalities.

The Memorial, in collaboration with local schools and colleges plays host to various student activities like study camps, research works, youth camps, group discussions, elocution competitions and socio-cultural programs.

The Memorial organizes lectures and seminars by eminent scholars, writers, leaders in public life and administrators from Government and Non-Government Organization with emphasis on personal development and leadership.

Sardar Patel Charitable Trust was established in the year 1975 and is registered under Bombay Public Trust Act, 1950 and Societies Registration Act 1860. The main objective of the Trust is to promote and perpetuate the memory of Shri Sardar Patel, The Iron Man of India and his brother Shri Veer Vithalbhai who both played an important role in India's freedom struggle. The Memorial was established in the year 2000 and is managed by the Sardar Patel Charitable Trust.

For further information about Sardar Patel Trust please visit www.sardarpateltrust.org

Ten Years' Financial Highlights

Management Discussion and Analysis

A) ECONOMY

1. Global economy:

Global economic growth is expected to slow down from 3.6% in 2018 to 3.3% in 2019. This is due to increasing trade tensions between US and China, uncertainty related to Brexit and decline in business and consumer confidence across economies. However, the economy is expected to pick up in the second half and as such global economic growth is expected to return to 3.6% in 2020.

2. Indian economy:

According to IMF estimates, Indian economy grew at 7.1% in 2018-19 and is expected to be the fastest growing economy in the world in 2019-20, with a GDP growth of 7.3%. Lower oil prices, softening interest rate and ongoing structural policy reforms will further strengthen our economy. The sweeping environmental reforms in China has led to closures and dislocation of several industries in their chemicals sector. This disruption has benefited the Indian chemical industry which has added additional capacities to meet global demand.

The Reserve Bank of India is expected to reduce the interest rate in response to slowing economic growth and low inflation outlook. The announcement of incentives for the middle-class and the farmer community in the form of tax exemptions, income support to farmers and pension schemes for unorganized sector is likely to further boost the rural sector and stimulate consumer spending.

The Indian economy remains well placed to achieve robust growth in light of favourable government policies, low inflation leading to decline in interest rates and increased government spending on infrastructure and rural economy.

B) INDUSTRY DEVELOPMENTS

GMM Pfaunder caters to the following industries - Pharmaceuticals, Specialty Chemicals and Agrochemicals. Most of the companies in these industries continue to invest in increasing their capacity to cater to the growing demand for their products.

1. Pharmaceuticals

The Bulk Drugs or Active Pharmaceutical Ingredients (API) industry is expected to retain its growth trajectory and grow at a CAGR of 8% through FY25.

In the short term, however, there could be growth acceleration, owing to several large proposals of companies investing to build capacity ahead of demand, with a CAGR of 15% through FY19-22.

Indian pharma companies capitalised on export opportunities in regulated and semi-regulated markets. The export market has also been thriving due to strong presence in the generics space. The domestic pharmaceutical market turnover reached ₹ 1,290 billion in 2018, growing 9.4% year-on-year from ₹ 1,164 billion in 2017. With 71% market share, generic drugs form the largest segment of the Indian pharmaceutical sector and account for 20% of global exports in terms of volume, making the country the largest provider of generic medicines globally.

India remains an attractive destination for generic R&D and manufacturing of pharmaceutical owing to its strong capabilities across the value chain. The 'Pharma Vision 2020' by the government's Department of Pharmaceuticals aims to make India a major hub for end-to-end drug discovery. The Indian pharmaceutical sector is expected to grow at a CAGR of 15% in the near future, driven by the following factors:

- **Increasing demand in global markets**

Generic penetration in high value healthcare markets has grown significantly, with India supplying more than 20% of the generics demand in major geographies.

- **Stable growth in domestic market consumption**

India's pharmaceutical market has grown rapidly over the last decade and is likely to become one of the Top 3 Pharma markets by 2030, owing to rising lifestyle-related diseases and expansion in healthcare penetration due to Ayushman Bharat. This is expected to boost volume growth.

- **Low cost manufacturing capability in India**

Indian bulk drugs manufacturers have a distinct advantage in terms of their low manufacturing costs and advanced chemistry skills. Low direct input costs (labour and raw material) will give Indian bulk drug companies an added advantage over their peers operating in regulated markets such as the US. Cost of production in India is 65% lower than in the US and 50% of that in Europe.

India has the second largest number of US-FDA approved facilities outside the USA. The cost of manufacturing formulations in India remains 30-40% lower than other comparative manufacturing hubs such as China and Eastern Europe.

Management Discussion and Analysis (Contd.)

- **Patent expiry**

About 120 drugs are expected to go off-patent in the next ten years, with expected worldwide revenue between ₹ 5,528 billion to ₹ 17,275 billion.

- **China slowdown**

API supply disruption from China will urge domestic companies to produce APIs and key materials in-house, thus increasing sales domestically.

2. Specialty Chemicals

According to India Ratings, the domestic specialty chemical sector is expected to grow by about 10% annually to almost double the market size by FY25. This will be driven majorly by growth in end-user industries like textile, glass, construction and paints, all of which are expected to register double digit growth by FY22. The market size of this sector in India is expected to touch ₹ 5,864 billion by FY25. Stringent environmental regulations and their enforcement in China, have led to rising labour costs for their companies, thus becoming favourable to Indian players. India, with its competitive manufacturing cost, skilled manpower, stringent intellectual property protection laws and favourable government policies, has been able to capture the resultant opportunity and thus build global competitive capacity. Chemical companies in India have also been able to fetch better realizations due to production cuts in China, leading to gradual scaling up of operations and capacity addition.

Government of India has allowed 100% foreign direct investment in the chemicals sector and the industry remains one of the focus areas of the government under its "Make in India" initiatives. Chemical hubs have been established to provide the ecosystem for sustainable growth in the industry. The governments focus on affordable housing, agriculture and increased expenditure on infrastructure development will further spur demand for performance-enhancing chemicals. Future market drivers also include regulatory factors like the launch of the PCPIR (Petroleum, Chemicals and Petrochemicals Investment Region), that will boost domestic manufacturers through scale of manufacture and increased cost effectiveness.

The current penetration of specialty chemicals within the domestic end-markets is low as compared to international benchmarks. Higher-than-expected growth in demand, stable feedstock availability at low prices and ability to comply with regulatory norms promises favourable growth in the industry.

Sharp changes in oil prices due to an unfavourable macroeconomic scenario, uncertainty about feedstock procurement and an uptick in global capacity expansion pose major challenges.

3. Agrochemicals

India is currently the 4th largest manufacturer of agrochemicals after the USA, Japan and China and is the 13th largest exporter of agrochemicals globally. Currently, its agrochemicals market is valued at ₹ 283.31 billion and is expected to grow at a rate of 8.35% to reach ₹ 559.71 billion by 2025.

India's agrochemical consumption is one of the lowest in the world, with a per hectare consumption of less than 1 kg as compared to the United States' 5-7 kgs per hectare and Japan's 11-12 kgs per hectare. Per hectare productivity is also very low at 3 MT per hectare versus world average of 4 MT per hectare, due to lack of scientific agricultural methods. Exports contribute about 50% of the Indian agrochemical market and is expected to grow at a CAGR of 8-10% over the next 7-8 years.

Over the past couple of years, the exports from China have seen a slowdown. This is owing to the implementation of stringent environmental norms by the Chinese government and impending duties from the US on Chinese products. The main drivers of growth for agrochemical exports from India include low-cost manufacturing capability, availability of technically trained manpower and around ₹ 207.3 billion worth of agrochemicals going off-patents globally. Many Indian and global players are investing significantly in capacity expansion in India to meet the rising domestic demand and potentially creating an agrochemical manufacturing hub in India. Structural rise in pest infestation, coupled with rising awareness amongst farmers, growing rural income and the resultant willingness to spend on crop protection chemicals, is expected to provide a significant fillip to the domestic consumption of agrochemicals.

Amidst rising rural distress, both central and state governments have provided significant help to farmers by resorting to loan waivers, compensating farmers for difference between the model rate and minimum support price, providing free power, Life Insurance at minimal premium, etc. Doubling farmers' income, making them tech savvy, boosting agriculture research and education and building farm related infrastructure are some of the major goals on which the government is working, for the growth of the agricultural sector and farmers' welfare.

Management Discussion and Analysis (Contd.)

The government also intends to implement a comprehensive action plan to empower farmers throughout the farming cycle. Increasing rural spending, consistent monsoon and decreasing arable land will only increase the application of agrochemicals, thus boosting growth.

4. Other Industry Segments

While pharmaceutical and chemical remain our largest industry segments we are seeing significant traction in Oil & Gas, Petrochemical, Fertilizer and Metals & Minerals. We will continue to build our capabilities to cater to these industry segments especially through our Heavy Engineering and Mixing Systems businesses. These sectors will see significant investment in the coming years and we need to be prepared to address these opportunities as and when they arise.

C) OUTLOOK

Revival in economic growth along with necessary policy initiatives by the government, for boosting industry growth, is likely to result in capacity upgradation by our end user industries through both new facilities and adding to existing manufacturing capabilities. Hence, demand outlook remains positive for the next couple of years.

D) COMPANY OVERVIEW

Established in the year 1962, GMM Pfaudler is a leading supplier of engineered equipment and systems to the global pharmaceutical and chemical markets. GMM Pfaudler has a state-of-the-art factory with a covered area of over 41,000 square meters.

GMM Pfaudler is a leading supplier of process equipment to the pharmaceutical and chemical industries. It is the market leader and has more than five decades' experience in manufacturing Glass lined Equipment. Over the years, GMM Pfaudler has diversified its product portfolio to include Mixing Systems, Filtration & Drying Equipment, Engineered Systems and Heavy Engineering Equipment and is today a one stop shop for the chemical process industry.

Mavag AG is GMM Pfaudler's wholly owned subsidiary based out of Switzerland. It was acquired in 2008 and is a supplier of Filtration & Drying Equipment to the Pharma, Biotech and Fine Chemical industries.

E) FINANCIAL PERFORMANCE

GMM Pfaudler continued to accelerate its growth amid challenging and dynamic economic conditions in both domestic and global environments in the past year. The Company ended the fiscal on a high note, registering a significant revenue and profitability growth. GMM Pfaudler remains committed to meeting expectations and enhancing shareholder's value, which is reflected in increase in its market capitalization of over 11 times in the last 5 years.

In the financial year 2018-19, GMM Pfaudler recorded standalone revenues of ₹ 4,187.02 million, up by 34% from the previous year's ₹ 3,124.10 million and consolidated revenues of ₹ 5,026.43 million, up by 24% from the previous year's ₹ 4,056.99 million.

Standalone Earnings Before Interest, Tax, Depreciation and Amortization (EBITDA) increased by 37% to ₹ 728.05 million as compared to ₹ 532.32 million in FY 2018 and consolidated EBITDA increased by 20% to ₹ 854.16 million as compared to ₹ 714.71 million.

Profit Before Tax (PBT) increased by 40% to ₹ 612.73 million as compared to ₹ 438.95 million in FY 2018 on standalone basis and increased by 21% to ₹ 732.70 million as compared to ₹ 606.51 million in FY 2018 on a consolidated basis.

The initiatives taken in last few years, namely Comprehensive Plant Transformation Program to increase throughput, commissioning of new Natural Gas furnace and adding new production Bays helped to increase output across all product lines which resulted in higher revenue and profitability. Further our new cloud based ERP solution, which went live this year, will help us to strengthen internal systems and processes, improve efficiencies and reduce costs and expenses. In the current year, the Company has been able to reap the benefits from these investments and will continue to do so in the coming years as well.

F) BUSINESS SEGMENTS AND OPERATIONAL HIGHLIGHTS

The Company has five business verticals:

i) Glass Lined Equipment (GL)

GMM Pfaudler is the largest manufacturer of Glass Lined equipment in India, which is primarily used in Pharmaceutical, Speciality Chemicals and Agrochemical Industries. In FY19, 68% of the Company's total revenue came from the GL business.

Management Discussion and Analysis (Contd.)

The Company adopted a new rationalised method of measuring production output: Equivalent Units (EU's), which is based on the amount of effort that goes into making one unit rather than the actual count of the units produced.

This year, the Company manufactured 1860 EU's versus 1552 EU's in the previous year. GL hit a new high of 200 EU's manufactured in a single month. The Company is making continuous efforts to make this a new benchmark for throughput.

GL shipment and orders grew by 33% from ₹ 2,185.99 million to ₹ 2,850.05 million and by 21% from ₹ 2,412.70 million to ₹ 3,512 million respectively in the FY19. This business segment will continue to remain the Company's largest and most important business vertical in the coming year.

ii) Heavy Engineering (HE)

The HE business accounted for 13% of the Company's total revenue. This business line has been a focus area for the Company in FY19 and will continue to be so in the future. Significant steps have been taken to further improve its position in the market. The Company has been able to create a remarkable competitive advantage for itself by leveraging its brand, strong engineering capabilities, multiple code accreditations and proven track record of manufacturing complex equipment.

During the year, a new manufacturing Bay was commissioned for HE and the Company handled equipment with a total weight of 770 MT. In terms of value, the break-up of the materials used was Carbon Steel (12%), Stainless Steel (55%), Clad Steel (26%) and Exotic Materials (7%).

The HE division manufactured the biggest equipment with a length of 41 meter, diameter of 4.8 meter and a weight of 154 MT which puts GMM Pfaudler in a small and exclusive group of companies that can handle such large sizes.

The Company exported Stainless Steel Reactors received through the Pfaudler network.

As the Company has ambitious growth plans for this segment, steps have been taken to add capacity and capability. This involved adding key equipment in the new bay to handle heavier thickness steel in-house. Simultaneously, GMM Pfaudler will work to get the necessary qualifications and approvals from large Engineering & Construction companies in the Oil and Gas sector to increase its presence in this segment.

iii) Mixing Systems (MS):

The MS business accounted for 5% of the Company's total revenue. The Company's cost effective and user-friendly agitators have helped Pharmaceutical, Agrochemical and Specialty Chemical Companies to improve their efficiencies and productivity.

Recently, the Company acquired the Industrial Mixing Solutions Division ("IMSD") of Sudarshan Chemical Industries Ltd., Pune. The acquisition of IMSD is expected to enhance GMM Pfaudler's industrial mixing business vertical by bringing in new products, technologies, customers and industry segments. With this acquisition, GMM Pfaudler would now have access to other markets, including minerals, metals, sugar, food, etc. and have deeper penetration in paint manufacturing industry. Significant cost synergies are expected due to economies of scale, value engineering and leveraging the strength of both the organisations in their markets. The two businesses, once consolidated, would become India's premier industrial mixing solutions provider.

iv) Engineered Systems (ES):

The ES business accounted for 6% of the Company's total revenue. The Company has extensive experience in designing and manufacturing complete Modular Skids, Wiped Film Evaporators, Temperature Control Units and Kilo labs. As the Company moves from being an equipment supplier to a solution provider, it is developing process engineering capabilities to provide complete modular Engineered Systems along with process guarantees to its customers.

v) Filtration & Drying (F&D):

The F&D business accounted for 8% of the Company's total revenue. The Company continued to strengthen its position in the market by targeting critical applications, such as high potency and sterile applications, where it has a competitive advantage. This business line has seen significant growth over the last few years and the Company will continue to focus on critical applications in both domestic and export markets. The business also provides low cost components and assemblies to Mavag AG.

G) MAVAG'S PERFORMANCE

Mavag AG currently contributes 17% and 16% to the consolidated revenue and profit respectively. Mavag has been able to cement its position as a technology leader in Europe and with its low-cost

Management Discussion and Analysis (Contd.)

sourcing initiative, they have been able to significantly increase their market share. Mavag is also working with Pfaudler, USA to develop the US market and has already had some success. They will continue to leverage the Pfaudler sales network to further increase their penetration and increase their market share around the world. Mavag's profitability has also improved considerably over the last couple of years and their performance is expected to further improve in the coming years.

H) OPPORTUNITIES & THREATS

As chemical companies set up new facilities and Pharmaceutical companies begin to upgrade their plants and equipment, their need for good quality equipment and latest technologies will enable GMM Pfaudler to remain their preferred supplier.

Competitive sourcing strategy within the Pfaudler group will also result in increased business for GMM Pfaudler.

The global economic slowdown may have an impact on the Company's exports business. Uncertain monsoons, weak investment and volatile industrial output are ongoing concerns for sales in the domestic market.

I) RISKS AND CONCERNS

The Company has a well-documented Risk Management Policy. The policy is reviewed periodically by the Management and the Risk Management Committee. It is appropriately modified, as and when necessary. Based on the operations of the Company, risks are identified and steps are taken to mitigate them.

- i) **Foreign Exchange:** GMM Pfaudler has market exposure to foreign exchange mainly on account of exports and imports and therefore, is subjected to foreign exchange fluctuation risk.

Mitigation: Foreign exchange risk arising from mismatch of foreign currency assets and liability is monitored and managed within the Company's risk management framework. The Company adheres to foreign exchange regulations and ensures its compliance.

- ii) **Raw Material:** The Company's primary raw material is steel. Any fluctuation in its pricing will impact the profitability of the Company. Certain orders with long manufacturing cycle time may be exposed to the risk of material price volatility.

Mitigation: The Company follows a typical rolling forecast process to procure and stock primary raw material largely to cover its backlog. Any significant increase in the price of raw material is passed over to the customer by way of upward revision in the price list.

- iii) **Cyclical business:** The Company is into a cyclical business and is highly dependent for revenue generation on its end user industry expansions.

Mitigation: The Company has strategically diversified into other businesses like Heavy Engineering, Mixing Systems, Engineered Systems and Filtration & Drying Equipment businesses for cross-selling opportunities.

- iv) **Skilled Manpower:** Skilled labourers are key input for the Company.

Mitigation: The Company provides Swiss Vocational Education & Training ("Swiss VET"), a course approved by National Skill Development Corporation, that includes course content, training aids and assessment as well as Train the Trainer methodologies. Fresh ITI apprentices are trained under Swiss VET program in GMM Pfaudler for 2 years and later absorbed into the Company. This helps in maintaining a steady supply of skilled workforce along with adequate bench strength.

J) INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The internal controls of the Company operate through standard operating procedures, policies and process guidelines. The Company has an adequate system of Internal Financial Control commensurate with its size and nature of business, which helps in ensuring orderly and efficient business conduct.

Policies have been laid down for operation, approval and control of expenditure. Investment decisions involving capital expenditure are subject to formal detailed appraisal and review by appropriate levels of authority. Capital and Revenue expenditure are monitored and controlled with reference to pre-approved budgets and forecasts.

The Company's Financial Statements are prepared on the basis of the Significant Accounting Policies selected by Management and approved by the Audit Committee and the Board. These Accounting policies are reviewed and updated from time to time. The Company uses LN ERP System as a business enabler and as a means to maintain its Books of Account.

Management Discussion and Analysis (Contd.)

The transactional controls built into the LN ERP systems ensure appropriate segregation of duties, appropriate level of approval mechanisms and maintenance of supporting records. The Information Management Policy reinforces the control environment.

Significant internal audit observations are reported to the Audit Committee on a quarterly basis. The Audit Committee reviews these observations and assesses the adequacy of the actions proposed and monitors their implementation. Internal Auditors conduct a quarterly follow up for implementation/ remediation of all audit recommendations and the status report is presented to the Audit Committee regularly. The Management undertakes a periodic review and ensures appropriate actions.

In accordance with the requirements of Section 143(3)(i) of the Companies Act, 2013, the Statutory auditors have confirmed the adequacy and operating effectiveness of the internal financial control systems over financial reporting.

K) HUMAN RESOURCES & INDUSTRIAL RELATIONS

Human Resource ("HR") in GMM Pfaudler has come a long way from being a transactional and administrative function to now co-partnering in the Business Strategy.

HR Strategy is an important part of a successful Business Strategy. All HR processes - Selection, Remuneration, Performance Appraisal, Training & Development, Talent Management & several others have a direct impact on the business. Several initiatives have come to life in the last two years. The focus of our Company has been on ensuring effective corporate governance, making available critical talent for key positions and engagement of key talent.

While we tread further on the business-driven HR strategy, we took the first step into the digital world – taking our appraisal process online. The online Performance Management System was introduced in FY19 which captured Goal Setting, Mid-year Review, Annual Appraisal followed by data calibration on a cloud-based platform.

The new system brought in work-flow transparency, authenticity & structure to the entire process. FY18 saw the launch of "Parivartan", an employee engagement survey. Subsequently, department-wise Action Planning workshops were conducted in FY19 to sensitize teams on focus areas to improve employee engagement.

Campus hiring was initiated in FY19. Premier Business schools & Technical institutes were approached and following a rigorous evaluation process, the Company selected eight Management Interns, three Engineering Interns and four Management Trainees. While the interns returned to their academics post the internship period, the Management Trainees will be inducted into the Management Acceleration Program (MAP) – an initiative to build a young leadership pipeline. They will work on Action Learning Projects, addressing real time business challenges, directly guided by the senior management team.

FY20 will focus on a more structured Learning & Development program and also create a Reward and Recognition platform – both of which are crucial to a growing organization.

“**RESOLVED THAT** pursuant to the provisions of Sections 149 and 152 read with Schedule IV and other applicable provisions, if any, of the Companies Act, 2013 and Companies (Appointment and Qualification of Directors) Rules, 2014 and the applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (including any statutory modification(s) and/or re-enactment(s) thereof for the time being in force)(hereinafter referred to as “the SEBI Listing Regulations”) including Regulation 17(1A) of the said Regulations, notified by Securities and Exchange Board of India effective from April 1, 2019, approval of members of the Company be and is hereby accorded for reappointment of Dr. Sivaram (DIN: 00009900), who will be attaining the age of 75 years on November 4, 2021, as an Independent Director of the Company to hold office for a second term for the continuous period from February 11, 2020 upto the conclusion of 59th Annual General Meeting to be held for the financial year 2021-22.

RESOLVED FURTHER THAT the Board of Directors and/or the Company Secretary, be and are hereby authorized to settle any question, difficulty or doubt, that may arise in giving effect to this resolution and to do all such acts, deeds and things as may be necessary, expedient and desirable for the purpose of giving effect to this resolution.”

NOTES:

- i. A MEMBER ENTITLED TO ATTEND AND VOTE AT THE ANNUAL GENERAL MEETING (“THE MEETING” OR “AGM”) IS ENTITLED TO APPOINT A PROXY TO ATTEND AND TO VOTE ON A POLL, INSTEAD OF HIMSELF AND SUCH PROXY NEED NOT BE A MEMBER OF THE COMPANY.

A person can act as proxy on behalf of Members not exceeding fifty and holding in the aggregate not more than 10% of the total share capital of the Company.

In case a proxy is proposed to be appointed by a Member holding more than 10% of the total share capital of the Company carrying voting rights, then such proxy shall not act as a proxy for any other person or shareholder.

- ii. The Proxy Form in order to be effective must be received at the registered office of the Company not less than 48 hours before the commencement of the Meeting.
- iii. Corporate Members intending to send their representatives to attend the Meeting pursuant to Section 113 of the Companies Act, 2013 are requested to send to the Company, a certified copy of the Board Resolution authorizing their representative to attend and vote on their behalf at the Meeting.
- iv. The Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013, setting out material facts concerning the business under Item nos. 5 and 6 of the accompanying Notice, is annexed hereto.
- v. A brief profile of Directors seeking appointment / re-appointment pursuant to Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“the SEBI Listing Regulations”) and other applicable provisions is annexed to this Notice.
- vi. The Register of Members and Share Transfer Books of the Company will remain closed from Thursday, August 8, 2019 to Wednesday, August 14, 2019 (both days inclusive).
- vii. The final dividend on equity shares as recommended by the Board of Directors, if approved at the Meeting, will be paid on or before September 5, 2019.
 - In respect of shares held in demat form, to the Beneficial Owners as per details furnished by Depositories viz. National Securities Depositories Limited and Central Depository Services (India) Limited as at the end of business hours on August 7, 2019.
 - In respect of shares held in physical form, to the shareholders whose names appear on the Company’s Register of Members as at the end of business house on August 7, 2019.
- viii. As per SEBI Regulations, dividend is required to be credited to shareholders’ bank account through Electronic Clearing Service (“ECS”) wherever the facility is available and the requisite details/ mandate have been provided by the shareholders.

Notice: (Contd.)

Shareholders desirous of availing of this facility may send the ECS form (available on the website of the Company), along with a Xerox copy the cheque pertaining to the bank account where the shareholders like the payment to be credited, to their Depository Participants in case of shares held in dematerialized form or to the Company's Registrar and Share Transfer Agents ("RTA") in case of shares held in physical form.

- ix. Pursuant to the provisions of Section 123 and 125 of the Companies Act, 2013 read with the "Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Amendment Rules, 2017", the amounts of dividends remaining unclaimed for a continuous period of seven years and shares thereon shall be transferred to the Investor Education and Protection Fund ("IEPF").

As required under the said Rules, the Company publishes quarterly notice in newspapers and sends individual communication to the concerned Members whose shares / unpaid dividend is liable to be transferred to IEPF Account, requesting them to take immediate action in the matter.

The Company has uploaded the required information in respect of dividend remaining unpaid / unclaimed for the last seven years on the Company's website. The web-link is http://www.gmmpfaudler.com/content/unpaid_data.pdf

The details of dividend paid for the financial year 2012-13 onwards proposed to be transferred to IEPF until the conclusion of the next Annual General Meeting are given below:

Notice: (Contd.)

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

Item No. 5

The Board, based on the recommendation of the Audit Committee, has approved the appointment of M/s. Dalwadi & Associates, Cost Accountants (Firm Registration No. 000338) as Cost Auditors for conducting the Cost Audit of the Company for the financial year 2019-20 at a remuneration of ₹ 150,000 plus GST as applicable and reimbursement of out-of-pocket expenses.

Pursuant to the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, remuneration payable to M/s. Dalwadi & Associates, Cost Auditors, as stated above requires ratification by the Members.

The Board recommends the resolution set forth at Item No. 5 for the approval of Members as an Ordinary Resolution.

None of the Directors and/ or Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the resolution set out at Item No. 5.

Item No. 6

Dr. S. Sivaram (DIN: 00009900), was appointed as a Non-Executive Independent Director on the Board of the Company for a term of upto 5 (five) consecutive years upto February 11, 2020 pursuant to the provisions of Section 149, 152 read with Schedule IV of the Companies Act, 2013 read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and erstwhile Clause 49 of the SEBI Listing Agreement with the Stock Exchanges at the 52nd Annual General Meeting of the Company.

The Board of Directors at their meeting held on May 30, 2019, on the recommendation of the Nomination & Remuneration Committee, expertise, experience and contributions made by Dr. S. Sivaram to the Company, approved his re-appointment as a Non-Executive Independent Director of the Company (not liable to retire by rotation) for the second term of for the period from February 11, 2020 upto the conclusion of 59th Annual General Meeting to be held for the financial year 2021-22.

As per the provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) (Amendment) Regulations, 2018, notified on May 9, 2018, with effect from April 1, 2019 consent of the Shareholders by way of Special Resolution shall be required for reappointment of Independent Director for second term and continuation of directorship of the Non – Executive Directors of the Company who have attained the age of 75 years.

Dr. Sivaram, who will be attaining the age of 75 years on November 4, 2021, would require approval by the Shareholders of the Company by a Special Resolution for reappointment as an Independent Director of the Company.

About Dr. Sivaram:

Dr. S. Sivaram is a Polymer Chemist by profession and a mentor as well as a science administrator of distinction. He is a former director of the National Chemical Laboratory, Pune. Currently he is a INSA Senior Scientist and Honorary Professor at the Indian Institute of Science Education and Research (IISER), Pune. He has authored two hundred and twenty papers in peer-reviewed journals, edited two books and authored one book. He is cited as an inventor in fifty-one US and European patents and fifty-two Indian patents to his credit.

Dr. Sivaram is a highly decorated scientist / technologist with numerous awards and honors to his credit. He was conferred Padma Shri by the President of India in 2006 for his outstanding contributions in the field of science, technology and institution building. The Chemical Research Society of India has bestowed on him 'Gold Medal for 2019' in recognition of his life-time achievements in research. The Society of Polymer Science, Japan, recognized him with the 'International Award for the year 2018' for his meritorious contributions to polymer science.

Dr. Sivaram serves on the Board of ApcoTex Industries Limited, Asian Paints Limited, Deepak Nitrite Limited, Gharda Chemicals Limited, Supreme Petrochem Limited, Vyome Therapeutics Limited and AIC IISER Pune SEED Foundation, a S&T business incubator.

Notice: (Contd.)

Dr. Sivaram, born 1946, is an alumnus of IIT-Kanpur (MSc. 1967). He earned a PhD. (1972) in Chemistry and DSc. (h.c) (2010) from Purdue University, W. Lafayette, Indiana, USA.

Dr. Sivaram, Independent Director, has given a declaration to the Board that he meets the criteria of independence as provided under section 149(6) of the Companies Act, 2013 and Regulation 16(1)(b) of the SEBI Listing Regulations and amendments effective from April 1, 2019.

In the opinion of the Board, Dr. Sivaram fulfills the conditions specified in the Companies Act, 2013 its rules framed thereunder and the SEBI Listing Regulations for reappointment as an Independent Director and he is independent of the management.

Dr. Sivaram is not disqualified from being appointed as a Director in terms of Section 164 of the Companies Act, 2013 and has consented to act as Director of the Company.

Relevant details relating to continuation of Directorship of Dr. Sivaram as required by the Companies Act, 2013, the SEBI Listing Regulations and Secretarial Standards issued by the Company Secretaries of India are provided in the 'Annexure' to this Notice.

Copy of the draft letter of appointment setting out the terms and conditions of re-appointment of the said Independent Director shall be open for inspection by the Members at the Registered Office of the Company between 10 a.m. to 5 p.m. on all working days (except Saturday and Sunday).

In the opinion of the Nomination & Remuneration Committee and Board of Directors of the Company, considering his strong background and seniority, the role played by Dr. Sivaram towards the growth of this Company and to reap the benefits of his rich and varied experience, approval of shareholders is sought for his continuation and reappointment as an Independent Director of the Company as set out in Item No. 6 of this Notice for a second term upto the conclusion of 59th Annual General Meeting to be held for the financial year 2021-22.

Except Dr. Sivaram and his relatives, none of the other Promoters, Directors, Key Managerial Personnel and their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 6 of this Notice.

*Based on disclosures received from the Directors

Board's Report

To the Members:

The Directors have pleasure in presenting the Fifty Sixth Annual Report along with the Audited Statement of Accounts of the Company for the year ended March 31, 2019.

1. SUMMARY OF THE FINANCIAL RESULTS:

(₹ in Million)

	STAND-ALONE	
Particulars	31.03.2019	31.03.2018
Revenue from operations (Net of excise duty)	4,187.02	3,124.10
Profit before tax	612.73	438.95
Profit after tax	406.35	283.75

During the financial year 2018-19, on a standalone basis, revenue was up by 34%, profit before tax was up by 40% and profit after tax was up by 43% as compared to previous financial year.

(₹ in Million)

	CONSOLIDATED	
Particulars	31.03.2019	31.03.2018
Revenue from operations (Net of excise duty)	5,026.43	4,056.99
Profit before tax	732.70	606.51
Profit after tax	505.81	426.76

During the financial year 2018-19, on a consolidated basis, revenue was up by 24%, profit before tax was up by 21% and profit after tax was up by 19% as compared to previous financial year.

During the financial year 2018-19, there was no change in the business activities of the Company.

Detailed information on overview of the industry and important changes in the industry during the last year, external environment and economic outlook and growth of the Company and other related disclosures are made in the 'Management Discussion & Analysis Report' attached and forms part of this Report.

2. DIVIDEND:

During the year under review, the Board of Directors declared and paid three interim dividends of ₹ 1.00 per share each aggregating to ₹ 3.00 per share. The total amount distributed as interim dividends on the paid-up share capital for the year amounted to ₹ 43.85 million (excluding dividend tax of ₹ 9.01 million).

Based on the performance of the Company for the year, the Board of Directors is pleased to recommend a final dividend of ₹ 1.50 per equity share subject to approval of the Shareholders at the Annual General Meeting, which if approved will absorb ₹ 21.93 million towards dividend and ₹ 4.51 million as dividend tax.

The aggregate amount of interim dividends paid during the year and the final dividend recommended for the financial year ended March 31, 2019 amounts to ₹ 4.50 per share i.e. ₹ 65.78 million (excluding dividend tax of ₹ 13.52 million).

3. TRANSFER TO RESERVES:

No amount is proposed to be transferred to General Reserve out of the net profits of the Company for the financial year 2018-19. Hence, the entire amount of profit has been carried forward to the Profit & Loss Account.

4. REPORT ON PERFORMANCE OF SUBSIDIARIES, ASSOCIATES AND JOINT VENTURE COMPANIES:

The performance and financial position of GMM Mavag AG and Mavag AG, the wholly owned subsidiaries of the Company for the year ended March 31, 2019 are set out as 'Annexure A' forming a part of this Report.

During the financial year 2018-19, Karamsad Investment Limited and Karamsad Holdings Limited, subsidiaries of the Company have applied for Members' Voluntary Winding up under Section 59 of the Insolvency and Bankruptcy Code, 2016.

5. SHARE CAPITAL:

There was no change in Authorised and Paid up Share Capital of the Company and neither there was any reclassification of sub division of equity shares during the year under review.

6. ACQUISITION OF INDUSTRIAL MIXING SOLUTIONS DIVISION OF SUDARSHAN CHEMICAL INDUSTRIES LIMITED:

On April 26, 2019, the Company has acquired the Industrial Mixing Solutions Division of Sudarshan Chemical Industries Ltd., Pune. This acquisition is expected to enhance GMM Pfaunder's industrial mixing business vertical by bringing in new products, technologies, customers and industry segments. Significant cost synergies are expected due to economies of scale, value engineering and by leveraging the strengths of both the organisations in their markets. The two businesses once consolidated would become India's premier industrial mixing solutions provider.

7. REVISION OF FINANCIAL STATEMENTS:

None of Financial Statements of the Company, pertaining to previous financial years were revised during the financial year under review.

Board's Report (Contd.)

8. DISCLOSURE OF INTERNAL FINANCIAL CONTROLS:

The Internal Financial Controls with reference to financial statements as designed and implemented by the Company are adequate. During the year under review, no material or serious lapses have been observed by the Internal Auditors of the Company for inefficiency or inadequacy of such controls.

9. INTERNAL CONTROL SYSTEMS:

The Company's internal control procedure, which includes internal financial controls, ensures compliance with various policies, practices and statutes keeping in view the organization's pace of growth and increasing complexity of operations. The Internal Auditors carry out extensive audits throughout the year across all functional areas and submit its reports to the Audit Committee on a quarterly basis. The said Reports do not contain any observation of any serious lapse in the system.

10. MANAGEMENT DISCUSSION & ANALYSIS:

Management Discussion & Analysis Report for the year under review, under Regulation 24 of the SEBI Listing Regulations, is presented in a separate section and forming part of this Report.

11. CORPORATE GOVERNANCE:

The Report on Corporate Governance as stipulated under Regulation 34 of the SEBI Listing Regulations, together with a Certificate from the Company's Auditors is presented in a separate section forming a part of this Report.

The requisite certificate from M/s. Deloitte Haskins & Sells, LLP, Chartered Accountants, Statutory Auditors confirming compliance with the conditions of corporate governance as stipulated under the aforesaid Schedule V is enclosed to the Report on Corporate Governance.

12. CORPORATE SOCIAL RESPONSIBILITY POLICY:

The Board has constituted a Corporate Social Responsibility ("CSR") Committee as per the provisions of Section 135 of the Companies Act, 2013. The Board has also framed a CSR Policy as per the recommendations of the CSR Committee.

The CSR Policy is available on the Company's website at <http://www.gmmpfudler.com/content/CorporateSocialResponsibilityPolicy.pdf>

NOMINATION, REMUNERATION AND EVALUATION POLICY

1. APPLICABILITY

This Nomination, Remuneration and Evaluation Policy (the "Policy") applies to the Board of Directors (the "Board") and the Key Managerial Personnel (the "KMP") of GMM Pfaudler Limited (the "Company"). This Policy is in compliance with Section 178 of the Companies Act, 2013 read with the applicable rules thereto and applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015.

2. PURPOSE

The primary objective of the Policy is to provide a framework and set standards for the nomination, remuneration and evaluation of the Directors and Key Managerial Personnel. The Company aims to achieve a balance of merit, experience and skills amongst its Directors and Key Managerial Personnel.

3. ACCOUNTABILITIES

- 3.1. The Board is ultimately responsible for the appointment of Directors and Key Managerial Personnel.
- 3.2. The Board has delegated responsibility for assessing and selecting the candidates for the role of Directors and Key Managerial Personnel of the Company to the Nomination and Remuneration Committee which makes recommendations & nominations to the Board.

4. APPOINTMENT OF DIRECTORS & KMPS

- 4.1. Enhancing the competencies of the Board and attracting as well as retaining talented employees for role of KMP are the basis for the Nomination and Remuneration Committee to select a candidate for appointment to the Board. While recommending a candidate for appointment, the Nomination and Remuneration Committee will assess:

- the appointee against a range of criteria which includes but not be limited to qualifications, skills, regional and industry experience, background and other qualities required to operate successfully in the position, with due regard for the benefits from diversifying the Board;
- the extent to which the appointee is likely to contribute to the overall effectiveness of the Board, work constructively with the existing directors and enhance the efficiencies of the Company;

- the skills and experience that the appointee brings to the role of KMP;
- the nature of existing positions held by the appointee including Directorships or other relationships and the impact they may have on the appointee's ability to exercise independent judgment;

4.2. Personal specifications:

- Atleast a Degree holder in one or more relevant disciplines;
- Experience of management in a diverse organization;
- Excellent interpersonal, communication and representational skills;
- Demonstrable leadership skills;
- Commitment to high standards of ethics, personal integrity and probity;
- Commitment to the promotion of equal opportunities, community cohesion and health and safety in the workplace;
- Having continuous professional development to refresh knowledge and skills.

4.3. Letters of Appointment

Each Director / KMP is required to sign a letter of appointment, as acceptance of the offer, with the Company containing the terms of appointment and the role assigned in the Company.

5. REMUNERATION OF DIRECTORS AND KEY MANAGERIAL PERSONNEL

The guiding principle is that the level and composition of remuneration shall be reasonable and sufficient to attract, retain and motivate Directors and Key Management Personnel.

The Directors remuneration and Key Management Personnel's salary shall be based & determined on the individual person's responsibilities and performance and in accordance with the limits as prescribed statutorily, if any.

The Nominations & Remuneration Committee determines individual remuneration packages for Directors and KMPS of the Company taking into account factors it deems relevant, including but not limited to market, business performance and practices in comparable companies, having due regard to financial and commercial health of the

Annexure 'C' (Contd.)

Company as well as prevailing laws and government/ other guidelines. The Committee consults with the Chairman of the Board as it deems appropriate.

5.1. Remuneration of the Managing Director and Executive Director is recommended by the Committee to the Board of the Company.

(i) Remuneration:

a) Base Compensation (fixed salaries)

Must be competitive and reflective of the individual's role, responsibility and experience in relation to performance of day-to-day activities, usually reviewed on an annual basis; (includes salary, allowances and other statutory/non-statutory benefits which are normal part of remuneration package in line with market practices).

b) Variable salary:

The NRC may in its discretion structure any portion of remuneration to link rewards to corporate and individual performance, fulfilment of specified improvement targets or the attainment of certain financial or other objectives set by the Board. The amount payable is determined by the Committee, based on performance against pre-determined financial and non-financial metrics and statutory limits, if any.

(ii) Statutory Requirements:

- Section 197(5) of the Companies Act, 2013 provides for remuneration by way of a sitting fee to a director for attending meetings of the Board of Directors and Committee meetings or for any other purpose as may be decided by the Board.
- Section 197(1) of the Companies Act, 2013 provides for the total managerial remuneration payable by the Company to its Directors, including Managing director and Whole Time Director, and its Manager in respect of any financial year to not exceed eleven percent of the net profits of the Company computed in the manner laid down in Section 198 in the manner as prescribed under the Companies Act, 2013.
- The Company with the approval of the Shareholders and Central Government may authorise the payment of remuneration exceeding eleven percent of the net profits of the company, subject to the provisions of Schedule V.

- The Company may with the approval of the shareholders authorise the payment of remuneration upto five percent of the net profits of the Company to any one Managing Director/ Whole Time Director/Manager and ten percent in case of more than one such official.
- The Company may pay remuneration to its directors, other than Managing Director and Whole Time Director upto one percent of the net profits of the Company, if there is a managing director or whole time director or manager and three percent of the net profits in any other case.
- The net profits for the purpose of the above remuneration shall be computed in the manner referred to in Section 198 of the Companies Act, 2013.

5.2. The Independent Directors shall not be entitled to any stock option and may receive remuneration by way of sitting fee for attending meetings of the Board or Committee thereof or for any other purpose as may be decided by the Board and profit related commission as may be approved by the members. The sitting fee to the Independent Directors shall not be less than the sitting fee payable to other directors.

5.3. The remuneration payable to the Directors shall be as per the Company's policy and shall be valued as per the Income Tax Rules.

5.4. The remuneration payable to the Key Managerial Personnel shall be as may be decided by the Board having regard to their experience, leadership abilities, initiative taking abilities and knowledge base.

6. EVALUATION/ ASSESSMENT OF DIRECTORS AND KMP'S OF THE COMPANY

The evaluation/assessment of the Directors and KMPs of the Company is to be conducted on an annual basis and to satisfy the requirements of the SEBI Listing Regulations. The following criteria may assist in determining how effective the performances of the Directors and KMPs have been:

- Leadership & stewardship abilities
- contributing to clearly defined corporate objectives & plans
- Communication of expectations & concerns clearly with subordinates
- obtain adequate, relevant & timely information from external sources.

Annexure 'C' (Contd.)

- review & approve achievement of strategic and operational plans, objectives, budgets
- regular monitoring of corporate results against projections
- identify, monitor & mitigate significant corporate risks
- assess policies, structures & procedures
- direct, monitor & evaluate KMPs
- review management's succession plan
- effective meetings
- assuring appropriate board size, composition, independence, structure
- clearly defining roles & monitoring activities of committees
- review of corporation's ethical conduct

Evaluation on the aforesaid parameters will be conducted by the Independent Directors for each of the Executive/Non-Independent Directors in a separate meeting of the Independent Directors.

The Executive Director/Non-Independent Directors along with the Independent Directors will evaluate/ assess each of the Independent Directors on the aforesaid parameters. Only the Independent Director being evaluated will not participate in the said evaluation discussion.

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2019

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To
The Members,
GMM PFAUDLER LIMITED
Vithal Udyognagar,
Anand – Sojitra Road, Karamsad – 388 325,
Gujarat

Dear Sirs,

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate governance practices by GMM Pfaudler Limited (hereinafter called “the Company”). The Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conduct / statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the Financial Year ended 31st March, 2019, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

1. We have examined the books, papers, minute books, forms and returns filed and other records maintained by GMM Pfaudler Limited (“the Company”) as given in Annexure I, for the Financial Year ended on 31st March, 2019, according to the provisions of:
 - (i) The Companies Act, 2013 (the Act) and the rules made there under;
 - (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
 - (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
 - (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment and Overseas Direct Investment;
 - (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - i. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

- ii. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- iii. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; and

2. Provisions of the following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') were not applicable to the Company under the financial year under report:-
 - i. The Securities and Exchange Board of India (Registrars to a Issue and Share Transfer Agents) Regulations, 1993, regarding the Companies Act and dealing with client;
 - ii. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
 - iii. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - iv. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - v. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014.
 - vi. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018.
3. Provisions of the Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of External Commercial Borrowings were not attracted under the financial year under report.
4. We further report that having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, no other laws were specifically applicable to the Company.

We have also examined compliance with the applicable clauses Secretarial Standards issued by The Institute of Company Secretaries of India under the provisions of Companies Act, 2013.

During the financial year under report, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors including

Annexure 'D' (Contd.)

one woman Director in compliance with the provisions of the Companies Act, 2013.

The Board of Directors of the Company has a proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Mr. P. Krishnamurthy, Independent Director resigned as a Director of the Company w.e.f. May 14, 2018 pursuant to proviso of sub-section (1) of Section 167 of the Act. Meanwhile, Mr. Nakul Toshniwal was appointed as an Independent Director of the Company w.e.f. May 16, 2018 to fill in the casual vacancy created by the resignation of Mr. P. Krishnamurthy.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings, the decisions of the Board were taken unanimously.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

Report on Corporate Governance

A report for the financial year ended March 31, 2019 on the compliance by the Company the Corporate Governance requirements under Regulation 34 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), is furnished below:

1. COMPANY'S PHILOSOPHY ON THE CODE OF CORPORATE GOVERNANCE:

Corporate Governance primarily involves transparency, full disclosure, independent monitoring of the state of affairs and being fair to all stakeholders and is a combination of voluntary practices and compliance with laws and regulations.

The Company endeavors not only to meet the statutory requirements in this regard but also to go well beyond them by instituting such systems and procedures as are in accordance with the latest global trends of making management completely transparent and institutionally sound.

The Company has professionals on its Board of the Directors who are actively involved in the deliberations of the Board on all important policy matters. Your Directors view good Corporate Governance as the foundation for honesty and integrity and recognize these matters to maintain your trust.

It has been, and continues to be, the policy of your Company to comply with all laws governing its operations, to adhere to the highest standard of business ethics and to maintain a reputation for honest and fair dealings. Your Board of Directors recognizes its responsibility to oversee and monitor management and the Company's activities to reasonably assure that these objectives are achieved.

It is paramount that the Company's reputation for integrity and credibility remain at the highest standards for the benefits of all stakeholders, employees, customers and suppliers.

2. APPROPRIATE GOVERNANCE STRUCTURE WITH DEFINED ROLES AND RESPONSIBILITIES:

The Company has put in place an internal governance structure with defined roles and responsibilities of every constituent of the system. The Company's shareholders appoint the Board of Directors, which in turn governs the Company.

The Board critically evaluates the Company's strategic direction, management policies and their effectiveness. The Board's actions and decisions

are aligned with the Company's best interest. It is committed to the goal of sustainably elevating the Company's value created. The Board has established several Committees to discharge its responsibilities in an effective manner.

The Chairman of the Board is the leader of the Board. The Chairman is responsible for fostering and promoting the integrity of the Board while nurturing a culture where the Board works harmoniously for the long-term benefit of the Company and all its stakeholders. The Chairman guides the Board for effective governance structure in the Company.

The Managing Director provides overall direction for effective management of the Company. The Managing Director is responsible for corporate strategy, brand equity, planning, external contacts and all important management matters. In the operations and functioning of the Company, the Managing Director is assisted by a core group of senior level executives.

The Company Secretary assists the Chairman and Managing Director in management of the Board's administrative activities such as meetings, schedules, agendas, communication and documentation.

3. ETHICS / GOVERNANCE POLICIES:

At GMM Pfaudler, we strive to conduct our business and strengthen our relationships in a manner that is dignified, distinctive and responsible. We adhere to ethical standards to ensure integrity, transparency, independence and accountability in dealing with all stakeholders. Therefore, we have adopted various codes and policies to carry out our duties in an ethical manner. Some of these codes and policies are:

- Anti-Sexual Harassment Policy
- Anti-trust Policy
- Code of Conduct & Ethics Policy
- Code of Conduct for Prevention of Insider Trading
- Corporate Social Responsibility Policy
- Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information
- Export Compliance Policy
- Familiarization Program for Independent Directors
- Nomination, Remuneration & Evaluation Policy
- Policy and Procedure for enquiry in case of Leak/ Suspected leak of Unpublished Price Sensitive Information
- Policy on Board Diversity

Report on Corporate Governance (Contd.)

- Policy for Determining Material Subsidiaries
- Policy on Determination of Material Events
- Policy for Preservation of Documents and Archival of Documents
- Policy on Related Party Transactions
- Risk Management Policy
- Whistle Blower Policy

4. SCHEDULING OF BOARD AND COMMITTEE MEETINGS:

Minimum four pre-scheduled Board meetings are held annually. Additionally Board meetings are convened to address the Company's specific needs. In case of business exigencies or urgency, resolutions are passed by circulation. The Managing Director and the Company Secretary, in consultation with other concerned members of the senior management, finalize the agenda for Board/ Committee meetings.

The agenda along with explanatory notes are circulated to Directors in advance. All Board and Committee meetings' agenda papers are disseminated electronically on a real-time basis, by uploading them on a secured online application specifically designed for this purpose, thereby eliminating circulation of printed papers.

5. RECORDING MINUTES OF PROCEEDINGS AT BOARD AND COMMITTEE MEETINGS:

The Company Secretary records minutes of proceedings of each Board and Committee meeting. Draft minutes are circulated to Board / Committee members for their comments as prescribed under Secretarial Standard-1. The minutes are entered in the Minutes Book within 30 days from the conclusion of the meeting.

6. POST MEETING FOLLOW-UP MECHANISM:

The guidelines for Board / Committee meetings facilitate an effective post meeting follow-up, review and reporting process for decisions taken by the Board and Committees thereof.

Important decisions taken at Board / Committee meetings are communicated promptly to the concerned departments. Minutes of the previous meeting(s) is placed at the succeeding meeting of the Board / Committees for noting.

7. COMPLIANCE:

The Company Secretary, while preparing the agenda, notes on agenda and minutes of the meeting(s), is responsible for and is required to ensure adherence to all applicable laws and regulations, including the Companies Act, 2013 read with rules issued thereunder, SEBI Listing Regulations and Secretarial Standards issued by the Institute of Company Secretaries of India.

The Company Secretary plays a key role in ensuring that the Board (including committees thereof) procedures are followed and regularly reviewed. The Company Secretary ensures that all relevant information, details and documents are made available to the Directors and senior management for effective decision-making at the meetings.

8. BOARD OF DIRECTORS:

- Composition of the Board:** The Board comprises of 8 Directors, including 1 Executive and 7 Non-Executive, of which 3 are Independent Directors. The Chairman of the Board is a Non-Executive Director. As on March 31, 2019 and as on the date of this Report, the Board meets the requirement of having at least one woman Director and not less than 1/3rd of the Board strength comprising of Non-Executive Directors in compliance with Regulation 17(1) of the SEBI Listing Regulations and other applicable regulatory requirements.
- Number of Board meetings held and the dates of the Board Meetings:** Four Board Meetings were held during the year ended March 31, 2019 on May 16, 2018; August 9, 2018; October 25, 2018 and January 30, 2019. The time gap between any two meetings was not exceeding 120 days.

Report on Corporate Governance (Contd.)

Report on Corporate Governance (Contd.)

11. PROCEDURE AT COMMITTEE MEETINGS:

The Company's guidelines relating to Board meetings are applicable to Committee meetings. Each Committee has the authority to engage outside experts, advisors and counsels to the extent it considers appropriate to assist in its function. Minutes of proceedings of Committee meetings are circulated to the respective committee members and placed before Board meetings for noting.

12. TERMS OF REFERENCE AND OTHER DETAILS OF COMMITTEES:

A. Audit Committee:

The Committee's composition, terms of reference as well as powers are in conformity with the requirements of Section 177 of the Companies Act, 2013 and Regulation 18 of the SEBI Listing Regulations. The composition of the Committee is given in Point No. 9 of this Report.

Members of the Audit Committee possess the requisite qualifications.

Meeting details:

The Audit Committee met four times during the year under review viz. May 16, 2018; August 9, 2018; October 25, 2018 and January 30, 2019. The minutes of the Audit Committee Meetings were taken on record at the Board Meetings.

Scope:

The Powers and Role of the Audit Committee is as follows:

Powers of the Audit Committee:

- a) To investigate any activity within its terms of reference or such matter as may be referred to it by the Board and for this purpose obtain professional advice from external sources and have full access to information contained in the records of the Company;
- b) To seek information from any employee;
- c) To obtain outside legal or other professional advice; and
- d) To secure attendance of outsiders with relevant expertise, if it considers necessary;

Role of the Audit Committee:

- 1) Oversight of the Company's financial reporting process and the disclosure of its financial information to ensure that the Company's financial statement is correct, sufficient and credible;

- 2) Recommendation for appointment, remuneration and terms of appointment of auditors of the Company;
- 3) Approval of payment to statutory auditors for any other services rendered by the statutory auditors;
- 4) Approval of the Company's policy on determining materiality of related party transactions and also on dealing with related party transactions;
- 5) Reviewing, with the management, the annual financial statements and auditors' report thereon before submission to the Board for approval, with particular reference to:
 - a) matters required to be included in the director's responsibility statement to be included in the Board's report in terms of section 134(3)(c) of the 2013 Act;
 - b) changes, if any, in accounting policies and practices and reasons for the same;
 - c) major accounting entries involving estimates based on the exercise of judgment by management;
 - d) significant adjustments made in the financial statements arising out of audit findings;
 - e) compliance with listing and other legal requirements relating to the financial statements;
 - f) disclosure of any related party transactions; and
 - g) qualifications in the draft audit report;
- 6) Reviewing, with the management, the quarterly financial statements before submission to the Board for approval;
- 7) Reviewing and monitoring the auditor's independence and performance, and effectiveness of the audit process;
- 8) To call for the comments of the auditors about internal control systems, the scope of audit, including the observations of the auditors and review of the financial statement before their submission to the Board and discuss any related issues with the internal and statutory auditors and the management of the Company.
- 9) Approval or any subsequent modification of transactions of the Company with related parties in accordance with the Company's policy on related party transactions;

Report on Corporate Governance (Contd.)

- 10) Scrutiny of inter-corporate loans and investments;
- 11) Valuation of undertakings or assets of the Company, wherever it is necessary, in consultation with external professional advisors, as deemed fit by the Audit Committee;
- 12) Evaluation of internal financial controls and risk management systems of the Company;
- 13) Reviewing, with the management, performance of statutory and internal auditors, adequacy of the internal control systems of the Company;
- 14) Reviewing the adequacy of internal audit function, if any, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit;
- 15) Discussion with internal auditors of any significant findings and follow up thereon. To formulate the scope, functioning, periodicity and methodology for conducting the internal audit in consultation with the Internal Auditor;
- 16) Reviewing the findings of any internal investigations by the internal auditors into matters where there is suspected fraud or irregularity or a failure of internal control systems of a material nature and reporting the matter to the Board;
- 17) Discussion with statutory auditors before the commencement of audit, about the nature and scope of audit as well as post-audit discussion to ascertain any area of concern;
- 18) Reviewing, with the management, the statement of uses/application of funds raised through an issue (public issue, rights issue, preferential issue, etc.), the statement of funds utilized for purposes other than those stated in the offer document/prospectus/ notice and the report submitted by the monitoring agency monitoring the utilization of proceeds of a public or rights issue, and making appropriate recommendations to the Board to take up steps in this matter;
- 19) To look into the reasons for substantial defaults in the payment to the depositors, debenture holders, shareholders (in case of non-payment of declared dividends) and creditors;
- 20) To review the functioning of the Whistle Blower Mechanism.
- 21) Provide guidance to the Compliance Officer for setting forth policies and implementation of the Code of Conduct for Prevention of Insider Trading and review compliance with the provisions of SEBI (Prohibition of Insider Trading) Regulations, 2015.
- 22) To approve the appointment of the chief financial officer of the Company (i.e., the whole-time finance director or any other person heading the finance function or discharging that function) after assessing the qualifications, experience and background, etc. of the candidate;
- 23) To review the following information as prescribed under Regulation 18(3) of the SEBI Listing regulations:
 - (a) Management discussion and analysis of financial condition and results of operations;
 - (b) Statement of significant related party transactions (as defined by the Audit Committee), submitted by management;
 - (c) Management letter/ letters of internal control weaknesses issued by the statutory auditors;
 - (d) Internal audit reports relating to internal control weaknesses; and
 - (e) The Appointment, removal and terms of remuneration of the chief internal auditor.
- 24) To approve all the Related Party Transactions to be entered into by the Company and grant omnibus approval for the Related Party Transactions proposed to be entered into by the company subject to the following conditions:
 - a) The Audit Committee shall lay down the criteria for granting the omnibus approval in line with the policy on Related Party Transactions of the company and such approval shall be applicable in respect of transactions which are repetitive in nature.
 - b) The Audit Committee shall satisfy itself the need for such omnibus approval and that such approval is in the interest of the Company;
 - c) Such omnibus approval shall specify (i) the name/s of the related party, nature of transaction, period of transaction, maximum amount of transaction that can be entered into, (ii) the indicative base price/current contracted price and the formula for variation in the price if any and (iii) such other conditions as the Audit Committee may deem fit;

Report on Corporate Governance (Contd.)

Provided that where the need for Related Party Transactions cannot be foreseen and aforesaid details are not available, Audit Committee may grant omnibus approval for such transactions subject to their value not exceeding ₹1 crore per transaction.

- d) Audit Committee shall review, atleast on a quarterly basis, the details of RPT's entered into by the Company pursuant to which the omnibus approval was given.
- e) Such omnibus approvals shall be valid for a period not exceeding one year and shall require fresh approval after the expiry of one year.

- 25) To review financial statements of, and investments made by, unlisted subsidiaries of the Company in accordance with Regulation 24(2) of the Listing Regulations;
- 26) To formulate a policy for determining 'material subsidiaries' in accordance with Regulation 16 of the SEBI Listing Regulations;
- 27) To recommend the policy for preservation of documents in accordance with Regulation 9 of the SEBI Listing Regulations;
- 28) To carry out any other functions as may be specified by the Board from time to time.

B. Stakeholders Relationship Committee:

The Composition, Role, Terms of Reference as well as Powers of the Stakeholders Relationship Committee of the Company meet the requirements of Section 178 of the Companies Act, 2013 and Regulation 20 of the SEBI Listing Regulations. The composition of the Committee is given in Point No. 9 of this Report.

The Stakeholders Relationship Committee is primarily responsible to review all matters connected with the Company's transfer of shares and redressal of shareholders'/ investors' complaints.

Compliance Officer:

Ms. Mittal Mehta, Company Secretary is the Compliance Officer for complying with the requirements of Securities Laws.

Meeting Details:

Report on Corporate Governance (Contd.)

Criteria of making payments to non-executive directors alternatively, this may be disseminated on the listed entity's website and reference drawn thereto in the annual report

D. Corporate Social Responsibility Committee:

The Board in compliance with the requirements of Section 135 of the Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules, 2014 constituted a Corporate Social Responsibility Committee "CSR Committee".

The Composition, Role, Terms of Reference as well as Powers of the CSR Committee are in compliance with the provisions of the Companies Act, 2013. The composition of Committee is given in Point No. 9 of this Report.

Meeting Details:

The CSR Committee met on three occasions viz. April 20, 2018, August 9, 2018 and October 25, 2018. The minutes of the CSR Committee Meetings were noted at the Board Meeting.

Scope:

The Role of the Committee is as follows:

- 1) To formulate and recommend to the Board, the Corporate Social Responsibility Policy of the Company ("CSR Policy") which shall include inter alia, CSR activities (defined hereunder) to be undertaken by the Company, and the modalities of execution monitoring and implementation schedules of the same. The policy to specify that the surplus arising out of the CSR Activities (defined hereinafter) shall not form part of the business profit of the Company;
- 2) To identify the CSR projects/activities/programs to be undertaken by the Company ("CSR Activities"), in alignment with the CSR Policy, Schedule VII of the 2013 Act and the CSR Rules, as amended from time to time;
- 3) To recommend the amount of expenditure to be incurred by the Company on the CSR Activities for each financial year;
- 4) To institute a transparent monitoring mechanism for monitoring progress/status of implementation of CSR Activities;
- 5) To receive reports and review activities from executive and specialist groups managing CSR Activities;

- 6) To monitor the CSR Policy from time to time and revise the same, wherever necessary;
- 7) To issue a responsibility statement confirming that the implementation and monitoring of CSR Policy, is in compliance with CSR objectives and Policy of the Company;
- 8) To prepare an annual report on CSR Activities to be included in the Board of Director's Report in the form provided in the Annexure to the Companies (Corporate Social Responsibility Policy) Rules, 2014. The same shall be disclosed on the website of the Company;
- 9) To carry out such other functions, as may be prescribed under the 2013 Act or CSR Rules or as may be delegated by the Board from time to time.

13. INDEPENDENT DIRECTORS MEETING:

In terms of requirements of the Companies Act 2013, Rules framed there under and Regulation 25(3) of the SEBI Listing Regulations, a separate meeting of Independent Directors was held on May 16, 2018 to discuss:

- a) Evaluation of the performance of non-independent directors and the Board of Directors as a whole;
- b) Evaluation of performance of the Chairman of the Company, taking into account the views of the Executive and Non-Executive Chairman.
- c) Evaluation of the quality, content and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

14. INDUCTION AND FAMILIARIZATION PROGRAM FOR DIRECTORS:

On appointment, the concerned Director is issued a letter of appointment setting out in detail, the terms of appointment, duties, responsibilities and expected time commitments. Each newly appointed Independent Director is taken through an induction and familiarization program including the presentation and interactive session with the Managing Director & CEO and other functional heads on the Company's manufacturing, marketing, finance and other important aspects. The Company Secretary briefs the Director about their legal and regulatory responsibilities as a Director.

Report on Corporate Governance (Contd.)

The details of the familiarization programmes imparted to the Independent Directors is available on the Company's website at http://www.gmmpfaudler.com/content/FamiliarizationProgramme2018_19.pdf

15. CODE OF CONDUCT:

The Company has in place a comprehensive Code of Conduct & Ethics Policy ("the Code") applicable to the Directors and all Employees. The Code is applicable to Non-Executive Directors including Independent Directors to such an extent as may be applicable to them depending on their roles and responsibilities. The Code gives guidance and support needed for ethical conduct of business and compliance of law. The Code reflects the core values of the Company viz. Integrity, Customer Value, Cost Consciousness, Social Responsibility, Transparency, and Accountability.

A copy of the Code has been put up on the Company's website and can be accessed at <http://www.gmmpfaudler.com/content/GMMCOC.pdf>. The Code has been circulated to Directors and employees, and its compliance is affirmed by them annually.

A declaration signed by the Company's Managing Director is published in this Report.

CEO / CFO CERTIFICATE COMPLIANCE CERTIFICATE UNDER REGULATION 17(8) OF THE SEBI LISTING REGULATIONS:

We, Tarak Patel, Managing Director, and Jugal Sahu, CFO certify to the Board that:

- a) We have reviewed the Financial Statements and the Cash Flow Statement for the year ended March 31, 2019 and that to the best of their knowledge and belief:
 - i. these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - ii. these statements together present a true and fair view of the company's affairs and are in compliance with existing Accounting Standards, applicable laws and regulations.
- b) We are, to the best of their knowledge and belief, no transactions entered into by the Company during the year which are fraudulent, illegal or violative of the Company's Code of Conduct.
- c) We accept responsibility for establishing and maintaining internal controls for financial reporting and that they have evaluated the effectiveness of internal control systems of the company pertaining to financial reporting and have disclosed to the auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which they are aware and the steps they have taken or propose to take to rectify these deficiencies.
- d) We have indicated to the auditors and the Audit Committee, the following:
 - i. significant changes in internal control over financial reporting during the year, if any;
 - ii. significant changes in accounting policies during the year and that the same have been disclosed in the notes to the financial statements; and
 - iii. instances of significant fraud of which they have become aware and the involvement therein, if any, of the management or an employee having a significant role in the company's internal control system over financial reporting.

The Members,

GMM PFAUDLER LIMITED

INDEPENDENT AUDITOR'S CERTIFICATE ON CORPORATE GOVERNANCE

1. This Certificate is issued in accordance with the terms of our engagement letter dated August 17, 2018.
2. We, Deloitte Haskins & Sells LLP, Chartered Accountants, the Statutory Auditors of GMM Pfaudler Limited ("the Company"), have examined the compliance of conditions of Corporate Governance by the Company, for the year ended on March 31, 2019, as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations).

Managements' Responsibility:

3. The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in Listing Regulations.

Auditor's Responsibility:

4. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
5. We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.
6. We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India (the ICAI), the Standards on Auditing specified under Section 143(10) of the Companies Act 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
7. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

8. Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of the Listing Regulations during the year ended March 31, 2019.
9. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Independent Auditor's Report

To The Members of GMM Pfaudler Limited

REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Opinion

We have audited the accompanying standalone financial statements of GMM Pfaudler Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2019, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the -Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2019, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Revenue Recognition on long-term contracts (percentage of completion accounting)

Key Audit Matter Description

The Company generates its revenue from long-term customer specific contracts where performance obligations are satisfied over a period of time. These contracts are accounted under the percentage of completion method (POC).

This area is considered as key audit matter due to the size of revenue generated from long-term customer specific contracts. Furthermore, accounting for the contracts involves both judgement, in assessing whether the criteria set out in the accounting standards have been met, and estimates, related to future costs, the final outcome of the contract and the stage of completion.

How the Key Audit Matter was addressed in the Audit

As part of our audit we obtained an understanding of the methodology applied, the internal processes and the controls used to determine the percentage of completion. We evaluated the processes and technical systems used to record actual costs incurred, tested the manual controls and automated controls implemented in the systems.

As part of our work, we focused on management's judgement in applying the methodology and the estimates made to determine the amount of revenue to be recorded in their project calculations.

We obtained and reviewed contract list and calculation and tested the calculation of stage of completion including the cost incurred and recorded against the contract for occurrence and accuracy, assessing the basis for determining the costs to complete and total contract cost and then re performing the percentage of completion calculation.

We challenged management in respect of the reasonableness of judgements made regarding the cost to complete estimate and the timing of recognition of change orders.

We also assessed whether management's policies and processes for making these estimates continue to be appropriate and are applied consistently overtime and to contracts of a similar nature.

On the basis of the audit procedure above, we have gained sufficient evidence to address the risk of material misstatements in revenue recognition on long-term contracts (POC).

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's report including Annexures to Board's report, Corporate Governance, but does

Independent Auditor's Report (Contd.)

not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole

are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or

Independent Auditor's Report (Contd.)

in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.

e) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended.

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

To The Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of GMM Pfaudler Limited (“the Company”) as of March 31, 2019 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure “B”

To The Independent Auditor’s Report

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a program of verification of fixed assets to cover all the items in a phased manner over a period of 3 years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date.
- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals and no material discrepancies were noticed on physical verification. The physical verification of inventories lying with third parties or goods-in-transit is performed by performing alternate procedures such as obtaining confirmations.
- (iii) According to the information and explanations given to us, the Company has granted loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013, in respect of which:
 - (a) The terms and conditions of the grant of such loans are, in our opinion, prima facie, not prejudicial to the Company’s interest.
 - (b) The schedule of repayment of principal and payment of interest has been stipulated and repayments or receipts of principal amounts and interest have been regular as per stipulations.
 - (c) There is no overdue amount remaining outstanding as at the year-end.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposits from the public to which the directives issued by the Reserve Bank of India and the provisions of section 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2014, as amended, would apply. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.
- (vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
 - (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Goods & Service Tax, cess and other material statutory dues applicable to it to the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of Provident Fund, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Goods & Service Tax, cess and other material statutory dues in arrears as at March 31, 2019 for a period of more than six months from the date they became payable.
 - (c) Details of dues of Income-tax, Sales Tax, Service Tax, Excise Duty, Value Added Tax which have not been deposited as on March 31, 2018 on account of disputes are given below:

Name of Statute	Nature of Dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount Involved (₹ In millions)	Amount Unpaid (₹ In millions)
Income Tax Act, 1961	Income Tax	Income Tax Appellate Tribunal, Ahmedabad	AY 2005-06, 2010-11, 2011-12, 2012-13	38.77	38.77
Income Tax Act, 1961	Income Tax	The Commissioner of Income Tax (Appeals)	AY 2006-07, 2010-11, 2013-14, 2014-15, 2016-17	16.65	16.65
Income Tax Act, 1961	Income Tax	The Assessing Officer (AO)	AY 2007-08, AY 2008-09	10.83	10.83
Central Sales Tax Act, 1956	Sales Tax	Central Excise & Service Tax Tribunal	FY 2006-07, 2007-08, 2008-09	3.85	2.37
Central Excise Act, 1944	Excise Duty	The Commissioner (Appeals)	Various years from FY 2003-04 to FY 2010-11	2.38	1.98
Finance Act, 1994	Service Tax	Central Excise & Service Tax Tribunal	Various years from FY 2013-14 and FY 2017-18	14.94	11.49
Finance Act, 1994	Service Tax	The Commissioner (Appeals)	Various years from FY 2011-12 to FY 2017-18	2.19	1.14

According to the information and explanations given to us, there are no dues of Customs Duty that have not been deposited as on March 31, 2019 on account of disputes.

- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to banks. The Company has not issued any debentures and has not taken any loans from the financial institutions and government.
- (ix) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause (ix) of the Order is not applicable.
- (x) To the best of our knowledge and according to the information and explanations given to us, no material fraud by the Company and no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- (xi) In our opinion, according to the information and explanations given to us, the Company has paid / provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv) During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of the Order is not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Companies Act, 2013 are not applicable.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

Notes

to Standalone Financial Statements for the year ended March 31, 2019

1 CORPORATE INFORMATION

GMM Pfaudler Limited, formerly Gujarat Machinery Manufacturers Limited, ("the Company") was incorporated in India on November 17, 1962. The Company's manufacturing unit is located at Karamsad, Gujarat. The Company's principal activity is the manufacture of corrosion resistant glass-lined equipment used primarily in the chemical, pharmaceutical and allied industries. The Company also manufactures fluoro-polymer products and other chemical process equipment such as agitated nutsche filters, filter driers, wiped film evaporators and mixing systems.

2 STATEMENT OF COMPLIANCE

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read along with companies (Indian Accounting standard) Rules, as amended and other relevant provisions of the Act.

3 BASIS OF PREPERATION OF FINANCIAL STATEMENTS

a) Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. (Refer Note no. 4.g1).

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety,

which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

b) Functional and Presentation Currency

The financial statements are presented in Indian Rupees, the currency of the primary economic environment in which the Company operates. All the amounts are stated in rupee millions.

4 SIGNIFICANT ACCOUNTING POLICIES

a) Use of Estimates:

The preparation of financial statements are in conformity with the recognition and measurement principles of Ind AS which requires management to make critical judgments, estimates and assumptions that affect the reporting of assets, liabilities, income and expenditure. Estimates and underlying assumptions are reviewed on an ongoing basis and any revisions to the estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty at the date of financial statements, which may cause material adjustment to the carrying amount of assets and liabilities within the next financial year, is in respect of:

1. Useful lives of property, plant and equipment (refer note no. 4.c)
2. Impairment of property, plant and equipment as well as intangible assets (refer note no. 4.d)
3. Impairment of investments in subsidiaries (refer note no. 4.g1)
4. Provision for old and obsolete inventory (refer note no. 4.f)
5. Provision for Warranty Expense (refer note no. 4.i)
6. Employee benefits (refer note no. 4.j)
7. Expense Provisions & contingent liabilities (refer note no. 4.m)
8. Provision for Doubtful Trade Receivables (refer note no. 4.g7)
9. Valuation of deferred tax assets (refer note no. 4.n)

b) Property, Plant and Equipment and Intangible Assets

Property, Plant and Equipment are stated at cost less accumulated depreciation and accumulated impairment

Notes to Standalone Financial Statements for the year ended March 31, 2019 (Contd.)

losses, if any. Cost includes all expenses related to the acquisition and installation of Property, Plant and Equipment which comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use and other incidental expenses.

Machinery spares which can be used only in connection with an item of Property, Plant and Equipment and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant class of assets. Subsequent expenditure on property, plant and equipment after its purchase / completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Capital Work in Progress:

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost comprises direct cost, related incidental expenses and for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of profit & loss.

Intangible Assets:

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

c) Depreciation and Amortisation , Useful life of Property, Plant & Equipment and Intangible Assets:

Depreciation:

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

Name of Assets	Useful life
A) Burning Scaffold and Pilot Plant (included under Plant & Machinery)	3 years
B) Telephones (included under Office Equipment)	3 years
C) Vehicles	6 years

Items costing less than ₹ 5000/- are fully depreciated in the year of put to use/purchase.

Leasehold improvements are amortized equally over the period of lease.

Amortisation :

Intangible assets are amortised over their estimated useful life on straight line method as follows:

Name of Assets	Useful life
A) Computer Software	3-6 years
B) Technical Knowhow	3 years

d) Asset Impairment

The Company assesses at each reporting date using external and internal sources, whether there is an indication that an asset may be impaired. An impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above.

e) Foreign Exchange Transactions and Translation

Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction. The net gain or loss on account of exchange differences arising on settlement of foreign currency transactions are recognized as income or expense of the period in which they arise. Monetary assets and liabilities denominated in foreign currency as at the balance sheet date are translated at the closing rate. The resultant exchange rate differences are recognized in the statement of profit and loss. Non-monetary assets and liabilities are carried at the rates prevailing on the date of transaction.

Notes to Standalone Financial Statements for the year ended March 31, 2019 (Contd.)

f) Inventories

Inventories are stated at lower of cost and net realizable value. Cost is determined on the weighted average method and is net of tax credits and after providing for obsolescence and other losses. Cost includes all charges in bringing the goods to their existing location and conditions, including various tax levies (other than those subsequently recoverable from the tax authorities), transit insurance and receiving charges. Cost of work-in-progress and finished goods include cost of direct materials consumed, labour cost and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs.

Net realizable value is the contracted selling value less the estimated costs of completion and the estimated costs necessary to make the sales.

g) Financial Instruments

g1) Investments

Investments in mutual funds are primarily held for the Company's temporary cash requirements and can be readily convertible in cash. These investments are initially recorded at fair value and classified as fair value through profit or loss.

The Company measures investment in subsidiaries at cost less provision for impairment, if any.

The Company has not made any irrevocable election to present subsequent changes in the fair value of equity investments, not held for trading, in other comprehensive income as the same are classified as fair value through profit or loss.

g2) Trade Receivables

Trade receivables are amounts due from customers for sale of goods or services performed in the ordinary course of business. Trade receivables are initially recognized at its transaction price which is considered to be its fair value and are classified as current assets as it is expected to be received within the normal operating cycle of the business.

g3) Cash & Cash Equivalents

Cash and cash equivalents consists of cash on hand, short demand deposits and highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of change in value. Short term means investments with original maturities / holding period of three months or less from the date of investments. Bank overdrafts that are repayable on demand and form an integral part of the Company's cash management are included as a component of cash and cash equivalent for the purpose of statement of cash flow.

g4) Trade Payables

Trade payables are amounts due to vendors for purchase of goods or services acquired in the ordinary

course of business and are classified as current liabilities to the extent it is expected to be paid within the normal operating cycle of the business.

g5) Other financial assets and liabilities

Other non-derivative financial instruments are initially recognized at fair value and subsequently measured at amortized costs using the effective interest method.

g6) De-recognition of financial assets and liabilities

The Company derecognizes a financial asset when the contractual right to the cash flows from the asset expires or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction which substantially all the risk and rewards of ownership of the financial asset are transferred. If the Company retains substantially all the risk and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received. The Company derecognizes a financial liability when its contractual obligations are discharged, cancelled or expired; the difference between the carrying amount of derecognized financial liability and the consideration paid is recognized as profit or loss.

g7) Impairment of financial assets

At each balance sheet date, the Company assesses whether a financial asset is to be impaired. Ind AS 109 requires expected credit losses to be measured through loss allowance. The Company measures the loss allowance for financial assets at an amount equal to lifetime expected credit losses if the credit risk on that financial asset has increased significantly since initial recognition. If the credit risk on a financial asset has not increased significantly since initial recognition, the Company measures the loss allowance for financial assets at an amount equal to 12-month expected credit losses. The Company uses both forward-looking and historical information to determine whether a significant increase in credit risk has occurred.

h) Revenue Recognition

Effective April 1, 2018, the Company adopted Ind AS 115 "Revenue from Contracts with Customers", using the Full retrospective transition method, applied to contracts that were not completed as of April 1, 2018.

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.

The Company exercises judgement in determining whether the performance obligation is satisfied at a point in time or over a period of time. The Company considers indicators such as how customer consumes benefits as services are rendered or who controls the

Notes to Standalone Financial Statements for the year ended March 31, 2019 (Contd.)

asset as it is being created or existence of enforceable right to payment for performance to date and alternate use of such product or service, acceptance of delivery by the customer, etc.

In respect of fixed-price contracts, revenue is recognised using percentage-of-completion method ('POC method') of accounting based on the direct measurements of the value to the customer of the goods or services transferred to date relative to the remaining goods or services promised under the contract. The said measurement is carried considering the surveys of performance completed to date and appraisals of results achieved.

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, price concessions and Performance penalty, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

Unbilled Revenues are recognised when there is excess of revenue earned over billings on contracts.

Other Income:

Dividend income is recognized when the right to receive the same is established.

Interest income is recognized on accrual basis..

i) Product Warranty Expenses

Provision is made in the financial statements for the estimated liability on account of costs that may be incurred on products sold under warranty. The estimates for the costs to be incurred for providing free service under warranty are determined based on historical information, past experience, average cost of warranty claims that are provided for in the year of sale.

j) Employee Benefits

Employee benefits include provident fund, superannuation fund, family pension fund, gratuity fund and compensated absences.

Defined contribution plans:

The Company's contribution to provident fund, family pension fund and superannuation fund are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Defined benefit plans:

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets

(excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to statement of profit & loss. Past service cost is recognised in statement of profit & loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

The Company presents the first two components of defined benefit costs in statement of profit & loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the standalone balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans. A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.

Short-term and other long-term employee benefits:

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave, sick leave and other short term employee benefits in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of long-term employee benefits in form of compensated absences are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

k) Operating Expenses

Operating Expenses are charged to statement of Profit and Loss on accrual basis.

l) Leases

Lease arrangements where the risks & rewards incident to ownership of an asset substantially vest

Notes to Standalone Financial Statements for the year ended March 31, 2019 (Contd.)

with the lessor, are recognized as operating leases. Rental expense from operating leases is generally recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred.

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

m) Provisions, Contingent Liabilities and Contingent Assets:

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability is not recognized but its existence is disclosed in the financial statements. Contingent assets are not recognised and disclosed only when an inflow of economic benefits is probable in the financial statements.

n) Taxation:

Tax expense comprise of current and deferred tax. Current income tax comprises taxes on income from operations in India and in foreign jurisdictions. Income tax payable in India is determined in accordance with the provisions of the Income Tax Act, 1961. Tax expense relating to foreign operations is determined in accordance with tax laws applicable in jurisdictions where such operations are domiciled.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the standalone financial statements and the

corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Current and deferred tax are recognised in statement of profit & loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Advance taxes and provisions for current income taxes are presented in the balance sheet after off-setting advance taxes paid and income tax provisions arising in the same tax jurisdiction and the Company intends to settle the asset and liability on a net basis. The Company offsets deferred tax assets and deferred tax liabilities if it has a legally enforceable right and these relate to taxes on income levied by the same governing taxation laws.

o) Segment Reporting:

The Company identifies segments as operating segments whose operating results are regularly reviewed by the Chief Operating Decision Maker [CODM] to make decisions about resources to be allocated to the segment and assess its performance and for which discrete financial information is available.

The accounting policies adopted for segment reporting are in line with the accounting policies of the company. Segment assets include all operating assets used by the business segments and consist principally of property plant and equipment, intangible assets, debtors and inventories. Segment liabilities include the operating liabilities that result from operating activities of the business segment. Assets and Liabilities that cannot be allocated between the segments are shown as part of unallocated corporate assets and liabilities respectively. Income / Expenses relating to the enterprise as a whole and not allocable on a reasonable basis to business

Notes to Standalone Financial Statements for the year ended March 31, 2019 (Contd.)

segments are reflected as unallocated corporate income / expenses.

p) Earnings Per Share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes, if any) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in right issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

q) Operating Cycle:

All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of product and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

r) Research and development expenses:

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technical feasibility has been established, in which case such expenditure is capitalised. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the asset ready for its intended use. Property, plant and equipment utilised for research and development are capitalised and depreciated in accordance with the policies stated for Property, Plant and Equipments.

s) Cash flow statement:

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from

operating, investing and financing activities of the Group are segregated based on the available information.

t) New and amended standards adopted by the Company:

The Company has applied the following standards and amendments for the first time for annual reporting period commencing from April 01, 2018.

Ind AS 115 - Revenue from Contracts with Customers:

The core principle of the standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further, the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The standard permits two possible methods of transition:

Retrospective approach - Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8- Accounting Policies, Changes in Accounting Estimates and Errors.

Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (Cumulative catch - up approach).

The Company has adopted Ind AS 115 using the cumulative effect method. The effect of initially applying this standard is recognised at the date of initial application (i.e. April 1, 2018). The standard is applied only to contracts that are not completed as at the date of initial application and the comparatives are not restated. The adoption of the standard does not have any material impact to the financial statements of the Company.

Appendix B, Foreign Currency Transactions and Advance Consideration to Ind AS 21, The Effects of Changes in Foreign Exchange Rates:

The Appendix B to Ind AS 21 clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency. If there are multiple payments or receipts in advance, then the entity must determine the transaction date for each payment or receipt of advance consideration. Entities may apply the Appendix requirements on a fully retrospective basis. Alternatively, an entity may apply these requirements prospectively to all assets, expenses and income in its scope that are initially recognised on or after:

Notes to Standalone Financial Statements for the year ended March 31, 2019 (Contd.)

- The beginning of the reporting period in which the entity first applies the Appendix, or
- The beginning of a prior reporting period presented as comparative information in the financial statements of the reporting period in which the entity first applies the Appendix.

The interpretation does not have any impact on the Company's financial statements.

Amendment to Ind AS 12, Income Taxes

The amendments clarify that an entity needs to consider whether tax law restricts the sources of taxable profits against which it may make deductions on the reversal of that deductible temporary difference. Furthermore, the amendments provide guidance on how an entity should determine future taxable profits and explain the circumstances in which taxable profit may include the recovery of some assets for more than their carrying amount. Entities are required to apply the amendments retrospectively. However, on initial application of the amendments, the change in the opening equity of the earliest comparative period may be recognised in opening retained earnings (or in another component of equity, as appropriate), without allocating the change between opening retained earnings and other components of equity. Entities applying this relief must disclose that fact. These amendments do not have any impact on the Company as the Company has no deductible temporary differences or assets that are in the scope of the amendments.

Ind AS 112, Disclosure of Interest in Other Entities

The amendments clarify that the disclosure requirements in Ind AS 112, other than those in paragraphs B10–B16, apply to an entity's interest in a subsidiary, a joint venture or an associate (or a portion of its interest in a joint venture or an associate) that is classified (or included in a disposal Company that is classified) as held for sale.

5 CHANGES IN ACCOUNTING STANDARDS AND OTHER RECENT ACCOUNTING PRONOUNCEMENTS

Ind AS 116, Leases: The Ministry of Corporate Affairs has notified the Ind AS 116, Leases which will be effective from April 1, 2019. Ind AS 116 would replace the existing leases standard Ind AS 17. The standard sets out the principles for the recognition, measurement, presentation and disclosures for both parties to a contract, i.e. the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of profit and loss. The Company is currently evaluating the requirements of Ind AS 116 on the financial statements.

The Company believes that the definition of lease under Ind AS 116 would not significantly change the scope of contracts that meet the definition of a lease.

Amendment to Ind AS 12 'Income Taxes': On March 30, 2019, the Ministry of Corporate Affairs has notified limited amendments to Ind AS 12 'Income Taxes'. The amendments require an entity to recognise the income tax consequences of dividends as defined in Ind AS 109 when it recognises a liability to pay a dividend. The income tax consequences of dividends are linked more directly to past transactions or events that generated distributable profits than to distributions to owners. Therefore, an entity shall recognize the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. The amendment will come into force for accounting periods beginning on or after April 1, 2019. The Company is evaluating the effect of the above in the financial statements.

Appendix C to Ind AS 12, Uncertainty over Income Tax Treatments: On March 30, 2019, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2019 containing Appendix C to Ind AS 12, Uncertainty over Income Tax Treatments which clarifies the application and measurement requirements in Ind AS 12 when there is uncertainty over income tax treatments. The current and deferred tax asset or liability shall be recognized and measured by applying the requirements in Ind AS 12 based on the taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates determined by applying this appendix. The amendment is effective for annual periods beginning on or after April 1, 2019. The Company is evaluating the effect of the above in the financial statements.

Amendment to Ind AS 19 'Employee Benefits': On March 30, 2019, the Ministry of Corporate Affairs has notified limited amendments to Ind AS 19 'Employee Benefits' in connection with accounting for plan amendments, curtailments and settlements. The amendments require an entity to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement and to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling. The amendment will come into force for accounting periods beginning on or after April 1, 2019. The Company is evaluating the effect of the above in the financial statements.

(iii) Tax audit fees	0.20	0.20
Other services		
(i) Certification	0.59	0.18
Reimbursement of out-of-pocket expenses	0.32	0.23
	4.41	3.66

Notes to Standalone Financial Statements for the year ended March 31, 2019 (Contd.)

33 AS PER IND AS 19 “EMPLOYEE BENEFITS”, THE DISCLOSURES AS DEFINED IN THE ACCOUNTING STANDARD ARE GIVEN BELOW:

Defined Contribution Plans

The Company operates defined contribution retirement benefit plans for all qualifying employees in the form of provident fund, superannuation fund, family pension fund.

Contribution to Defined Contribution Plans, recognised as expense for the year is as under :

₹ in Million		
Particulars	Year March 31, 2019	Year March 31, 2018
Employer's Contribution to Provident Fund	10.39	9.63
Employer's Contribution to Superannuation Fund	4.47	4.25
Employer's Contribution to Pension Scheme	6.06	5.74

Compensated absences and earned leaves

The Company's current policy permits eligible employees to accumulate compensated absences up to a prescribed limit and receive cash in lieu thereof in accordance with the terms of the policy.

Defined Benefit Plans

The Company operates a defined benefit plan in form of gratuity plan covering eligible employees, which provide a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employees salary and the tenure of employment.

These plans typically expose the company to actuarial risks such as investment risk, interest rate risk, longevity risk and salary risk.

Investment risk

The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. For other defined benefit plans, the discount rate is determined by reference to market yields at the end of the reporting period on high quality corporate bonds when there is a deep market for such bonds; if the return on planned asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities and other debt instruments.

Interest risk

A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.

Longevity risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan liability.

In respect of the plan, the most recent actuarial valuation of the present value of the defined benefit obligation was carried out as at March 31, 2019 by M/S K A Pandit, Fellow member of the Institute of the Actuaries of India. The present value of the defined benefit obligation, the related current service cost and past service cost, were measured using the projected unit credit method.

Notes to Standalone Financial Statements for the year ended March 31, 2019 (Contd.)

k Sensitivity analysis for each significant actuarial assumption

The significant actuarial assumptions for the determination of the defined benefit obligations are discount rate and expected salary increase. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

₹ in Million

Particulars	March 31, 2019	March 31, 2018
Projected Benefit obligation on current assumption	52.49	47.11
Impact of increase in discount rate by 1%	(4.58)	(4.10)
Impact of decrease in discount rate by 1%	5.44	4.84
Impact of increase in salary escalation rate by 1%	5.48	4.89
Impact of decrease in salary escalation rate by 1%	(4.69)	(4.20)
Impact of increase in rate of employee turnover by 1%	0.79	0.72
Impact of decrease in rate of employee turnover by 1%	(0.91)	(0.83)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligations as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligations has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

Notes to Standalone Financial Statements for the year ended March 31, 2019 (Contd.)

I Investment details of plan assets

The Plan assets are managed by Insurance group viz. Life Insurance Corporation of India which has invested the funds substantially as under :

₹ in Million			
	Gratuity		Leave Encashment
	March 31, 2019	March 31, 2018	March 31, 2018
Insurance Fund	47.83	41.23	15.26
Total	47.83	41.23	15.26

m Maturity Profile

₹ in Million		
Particulars	Gratuity	
	March 31, 2019	March 31, 2018
1st Following Year	8.09	3.72
2nd Following Year	1.16	1.45
3rd Following Year	5.07	6.62
4th Following Year	3.08	4.81
5th Following Year	2.33	2.95

Sum of Years 11 and above	103.21	94.55

n Asset-liability matching strategies :

In respect of gratuity and Leave encashment plan, the Company contributes to the insurance fund based on estimated liability of the next financial year end. The projected liability statement is obtained from the actuarial valuer.

34 FINANCIAL INSTRUMENT:

34.1 Capital Management

The entity manages its capital to ensure that entity will be able to continue as going concern while maximising the return to stakeholders through the optimisation of Total Equity balance.

The company is zero debt company and its capital structure consists of own equity only. Hence, Gearing Ratio of the company for the year ended March 31, 2019 as well as March 31, 2018 comes to NIL.

The company is not subject to any externally imposed capital requirement.

34.2 Categories of Financial Instruments :

₹ in Million		
Particulars	March 31, 2019	March 31, 2018

Financial liabilities		
Measured at amortised cost		
Trade Payables	533.84	490.03
Others	93.59	95.64

Notes to Standalone Financial Statements for the year ended March 31, 2019 (Contd.)

34.3 Financial risk management objectives

The entity's corporate treasury function provides services to the business, coordinates access to domestic and international financial market, monitors and manages the financial risks relating to the operations of the entity through internal risk reports which analyse exposures by degree and magnitude of the risk. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

34.3.1 Market Risk management

Market risk refers to the possibility that changes in the market rates may have impact on the Company's profits or the value of its holding of financial instruments. The Company is exposed to market risks on account of foreign exchange rates, interest rates and underlying investment prices.

The entity's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and investment prices.

(a) Foreign currency exchange rate risk:

The Company's foreign currency risk arises from its foreign operations, investments in foreign subsidiaries, foreign currency transactions. The fluctuation in foreign currency exchange rates may have potential impact on the income statement and equity, where any transaction references more than one currency or where assets/liabilities are denominated in a currency other than the functional currency of the Company.

Since a major part of the Company's revenue and its costs are in Indian Rupees, any movement in currency rates would not have major impact on the Company's performance. Consequently, the overall objective of the foreign currency risk management is to minimize the short term currency impact on its revenue and cash-flow in order to improve the predictability of the financial performance.

The carrying amount of Foreign Currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

Particulars	Currency	₹ in Million	
		(Liabilities)/Assets as at	
		March 31, 2019	March 31, 2018
Trade Payable (Net of advances)*	USD	(0.68)	0.42
	EUR	(3.05)	(10.58)
	CHF	-	(1.53)
	JPY	-	(13.09)
	GBP	(0.00)	-
Cash & Cash Equivalents**	USD	16.60	0.00
	EUR	10.97	0.00
Trade Receivable (Net of advances)	USD	(0.70)	20.63
	EUR	6.80	34.95
	CHF	(1.14)	0.35
Other Assets	CHF	-	0.51

* The value of INR equivalent to GBP is 197.

** The value of INR equivalent to USD is 129 and to EUR is 1,575 in previous year.

With respect to the Company's financial instruments (as given above), a 5% increase / decrease in relation to foreign currency rate on the underlying would have resulted in increase /decrease of ₹ 1.44 million (₹1.58 million) in the Company's net profit for the year ended March 31, 2019 and March 31, 2018 respectively.

(b) Interest rate risk

Interest rate risk refers to the possibility that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rate. The company does not have any outstanding borrowings at the end of any reporting period and hence company is not subject to any interest rate risk.

Notes to Standalone Financial Statements for the year ended March 31, 2019 (Contd.)

34.3 Financial risk management objectives (contd.)

(c) Other price risk

The Entity is exposed to price risks arising from its investments which are held for strategic as well as trading purposes.

The sensitivity analysis have been determined based on the exposure to price risks for Investments in equity shares of other companies and mutual funds at the end of the reporting period.

If prices had been 5% higher/lower: Profit for the year ended March 31, 2019 would increase/decrease by ₹ 23.83 millions (for the year ended March 31, 2018 by ₹ 25.28 millions) as a result of the change in fair value of investments.

34.3.2 Credit risk management

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Financial instruments that are subject to concentrations of credit risk materially consists of trade receivables.

All trade receivables are subject to credit risk exposure. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country, in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through established policies, controls relating to credit approvals and procedures for continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company does not have significant concentration of credit risk related to trade receivables except the details given below for the customers contribute to more than 5% of total outstanding accounts receivable as at any reporting period end.

Custome Name	Year ended March 31, 2019		Year ended March 31, 2018	
	% of total receivables	(Amount in ₹)	% of total receivables	(Amount in ₹)
Deccan Fine Chemicals (I) Pvt. Ltd.	10.86%	62,558,728	14.38%	67,875,692
Toyo Engineering India Ltd.	1.99%	11,442,171	8.76%	41,346,914
MSN Laboratories Private Limited	7.55%	43,467,932	0.85%	4,013,497
Divi's Laboratories Limited	5.91%	34,063,934	2.28%	10,774,893

Exposure to credit risk:

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk is ₹ 1435.14 millions and ₹ 1153 millions as at March 31, 2019 and March 31, 2018 respectively, being the total of the carrying amount of balances with banks, bank deposits, trade receivables, other financial assets and investments excluding investments in subsidiary companies, and these financial assets are of good credit quality including those that are past due.

34.3.3 Liquidity risk management:

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Entity's short, medium and long-term funding and liquidity management requirements. The Entity manages liquidity risk by maintaining adequate reserves and banking facilities by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The following tables detail the Entity's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Entity can be required to pay. The table below include only principal cash flows in relation to non-derivative financial liabilities.

Notes to Standalone Financial Statements for the year ended March 31, 2019 (Contd.)

34.3.3 Financial risk management objectives (contd.)

Notes

- 1) Considering the nature of the Company's business and operations, as well as based on reviews performed by Chief operating decision maker regarding resource allocation and performance management, the Company has classified Glass lined Equipment, Heavy Engineering and Proprietary Products as reportable segments in accordance with the requirements of Ind AS 108 – "Operating segments".
- 2) Segment revenue, results, assets and liabilities include amounts that are directly attributable to the respective segments. Amounts not directly attributable have been allocated to the segments on the best judgment of the management in the absence of detailed internal financial reporting system. Expenses not directly allocable to the segments are treated as "Unallocated Expenses"
- 3) The accounting policies of the reportable segments are the same as the Company's accounting Policies described in Note 4.

Independent Auditor's Report

To The Members of GMM Pfaudler Limited

REPORT ON THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Opinion

We have audited the accompanying consolidated financial statements of GMM Pfaudler Limited ("the Parent") and its subsidiaries, (the Parent and its subsidiaries together referred to as "the Group") which comprise the Consolidated Balance Sheet as at 31st March 2019, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2019, and their consolidated profit, their consolidated total comprehensive income, their consolidated cash flows and their consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143 (10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a

separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Revenue recognition on long-term contracts (percentage of completion accounting)

Key Audit Matter Description

The Group generates its revenue from customer specific contracts where performance obligations are satisfied over a period of time. These contracts are accounted under the percentage of completion method (POC).

This area is considered as key audit matter due to the size of revenue generated from customer specific contracts. Furthermore accounting for the contracts involves both judgement, in assessing whether the criteria set out in the accounting standards have been met, and estimates, related to future costs, the final outcome of the contract and the stage of completion.

How the Key Audit Matter was addressed in the Audit

As part of our audit we obtained an understanding of the methodology applied, the internal processes and the controls used to determine the percentage of completion. We evaluated the processes and technical systems used to record actual costs incurred, tested the manual controls and automated controls implemented in the systems.

As part of our work we focused on management's judgement in applying the methodology and the estimates made to determine the amount of revenue to be recorded in their project calculations.

We obtained and reviewed contract list and calculation and tested the calculation of stage of completion including the cost incurred and recorded against the contract for occurrence and accuracy, assessing the basis for determining the costs to complete and total contract cost and then re performing the percentage of completion calculation.

We challenged management in respect of the reasonableness of judgements made regarding the cost to complete estimate and the timing of recognition of change orders.

We also assessed whether management's policies and processes for making these estimates continue to be appropriate and are applied consistently overtime and to contracts of a similar nature.

On the basis of the audit procedure above, we have gained sufficient evidence to address the risk of material misstatements in revenue recognition on long-term contracts.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Parent's Board of Directors is responsible for the other information. The other information comprises the

Independent Auditor's Report (Contd.)

information included in the Management Discussion and Analysis, Board's report including Annexures to Board's report, Corporate Governance, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

- Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the subsidiaries audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries is traced from their financial statements audited by the other auditors.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Parent's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate or cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

Independent Auditor's Report (Contd.)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditors.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Parent and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial

statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) We did not audit the financial statements of 4 subsidiaries, whose financial statements reflect total assets of ₹ 1009.15 million as at 31st March, 2019, total revenues of ₹ 930.28 million and net cash outflows amounting to ₹ 85.87 million for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit of ₹ 95.90 million for the year ended 31st March, 2019, as considered in the consolidated financial statements, in respect of 4 subsidiaries, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements above and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on the separate financial statements of the subsidiaries referred to in the Other Matters section above we report, to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books, returns and the reports of the other auditors.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss

including Other Comprehensive Income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

- d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Parent as on 31st March, 2019 taken on record by the Board of Directors of the Company, none of the directors of the Group companies incorporated in India is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditors' reports of the Parent incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of those companies, for the reasons stated therein.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended,

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Parent to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group.
 - ii) The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Parent incorporated in India.

Annexure “A”

To The Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended March 31, 2019, we have audited the internal financial controls over financial reporting of GMM Pfaunder Limited (hereinafter referred to as “Parent”) being the only company in the group to which requirements of the Act are applicable, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent being the only company in the group to which requirements of the Act are applicable, incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Parent based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting

of the Parent, being the only company in the group to which requirements of the Act are applicable as of date.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, Parent has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the criteria for internal financial control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes

to Consolidated Financial Statements for the year ended March 31, 2019

1 GROUP INFORMATION

GMM Pfadler Limited, the Parent Company ("the Company") is a public limited company incorporated and domiciled in India. The Company's manufacturing unit is located at Karamsad, Gujarat. The Company's principal activity is the manufacture of corrosion resistant glass-lined equipment used primarily in the chemical, pharmaceutical and allied industries. The Company also manufactures fluoro-polymer products and other chemical process equipment such as agitated nutsche filters, filter driers, wiped film evaporators and mixing systems.

The consolidated financial statements comprises the financial statements of the Parent Company GMM Pfadler Limited and its subsidiary companies (together referred to as "Group").

The subsidiary companies considered in the consolidated financial statements are:

Sr. No.	Name of Company	Country of Incorporation	% of Holding	
			Current Year	Previous Year
1	Karamsad Investments Ltd. (up to August 11, 2018)*	India	100%	100%
2	Karamsad Holdings Ltd. (up to August 11, 2018)*	India	100%	100%
3	GMM Mavag AG	Switzerland	100%	100%
4	Mavag AG (subsidiary of GMM Mavag AG)	Switzerland	100%	100%

The financial statements of the subsidiary companies used in the consolidation are drawn up to the same reporting date as of the Holding Company i.e. year ended March 31, 2019.

*Karamsad Holding Limited (KHL) and Karamsad Investments Limited (KIL), wholly owned subsidiary of the company has applied for voluntary liquidation pursuant to the provisions of Section 59 of the Insolvency and Bankruptcy Code 2016 w.e.f. August 11, 2018.

2 STATEMENT OF COMPLIANCE

The consolidated financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read along with Companies (Indian Accounting Standards) Rules, as amended and other relevant provisions of the Act.

3 BASIS OF PREPERATION OF CONSOLIDATED FINANCIAL STATEMENTS

a) Basis of preparation and presentation

The consolidated financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. (Refer Note no. 4.g1)

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities

to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The accounting policies have been consistently applied by the Group. The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the parent company's separate financial statements.

b) Functional and Presentation Currency

The consolidated financial statements are presented in Indian Rupees, which is the functional currency of the Parent Company. All the amounts are stated in the nearest rupee millions.

Notes to Consolidated Financial Statements for the year ended March 31, 2019 (Contd.)

4 SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Consolidation

The consolidation of the accounts of the holding company with the subsidiaries is prepared in accordance with Ind AS 110 – 'Consolidated Financial Statements'.

Consolidation of a subsidiary begins when the company obtains control over the subsidiary and ceases when the company loses control of the subsidiary. Profit or loss and each component of other comprehensive income is attributable to owners of the company only. The financial statements of the parent company and its subsidiaries are consolidated on line-by-line basis by adding together like items of assets, liabilities, income and expenses. All intra-group balances, intra-group transactions and unrealized profits or losses in intra-group balances are fully eliminated.

b) Use of Estimates:

The preparation of consolidated financial statements are in conformity with the recognition and measurement principles of Ind AS which requires management to make critical judgments, estimates and assumptions that affect the reporting of assets, liabilities, income and expenditure.

Estimates and underlying assumptions are reviewed on an ongoing basis and any revisions to the estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty at the date of financial statements, which may cause material adjustment to the carrying amount of assets and liabilities within the next financial year, is in respect of:

1. Useful lives of property, plant and equipment (refer note no. 4.c1)
2. Impairment of property, plant and equipment as well as intangible assets (refer note no. 4.d)
3. Provision for old and obsolete inventory (refer note no. 4.f)
4. Provision for Warranty Expense (refer note no. 4.i)
5. Employee benefits (refer note no. 4.j)
6. Expense Provisions & contingent liabilities (refer note no. 4.m)
7. Provision for Doubtful Trade Receivables (refer note no. 4.g7)
8. Valuation of deferred tax assets (refer note no. 4.n)

c) Property, Plant and Equipment and Intangible Assets

Property, Plant and Equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes all expenses related to the acquisition and installation of Property, Plant and Equipment which comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use and other incidental expenses.

Machinery spares which can be used only in connection with an item of Property, Plant and Equipment and whose use

is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant class of assets. Subsequent expenditure on property, plant and equipment after its purchase / completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Capital Work in Progress:

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost comprises direct cost, related incidental expenses and for qualifying assets, borrowing costs capitalised in accordance with the Group's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of profit & loss.

Intangible Assets:

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

c1) Depreciation and Amortisation useful life of Property, Plant & Equipment and Intangible Assets:

Depreciation:

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

Name Of Assets	Useful life
A) Burning Scaffold and Pilot Plant (included under Plant & Machinery)	3 years
B) Telephones (included under Office Equipment)	3 years
C) Vehicles	6 years

Notes to Consolidated Financial Statements for the year ended March 31, 2019 (Contd.)

Items costing less than ₹ 5000/- are fully depreciated in the year of put to use/purchase.

Leasehold improvements are amortized equally over the period of lease.

Amortisation:

Intangible assets are amortised over their estimated useful life on straight line method as follows:

Name Of Assets	Useful life
A) Computer Software	3-6 years
B) Technical Knowhow	3 years

d) Asset Impairment

The Group assesses at each reporting date using external and internal sources, whether there is an indication that an asset may be impaired. An impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above.

e) Foreign Exchange Transactions and Translation

Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction. The net gain or loss on account of exchange differences arising on settlement of foreign currency transactions are recognized as income or expense of the period in which they arise. Monetary assets and liabilities denominated in foreign currency as at the balance sheet date are translated at the closing rate. The resultant exchange rate differences are recognized in the statement of profit and loss. Non-monetary assets and liabilities are carried at the rates prevailing on the date of transaction.

Foreign Operations

Assets and liabilities of entities with functional currency other than presentation currency have been translated to the presentation currency using exchange rates prevailing on the balance sheet date. Statement of profit and loss has been translated using weighted average exchange rates. Translation adjustments have been reported as foreign currency translation reserve in the statement of changes in equity.

f) Inventories

Inventories are stated at lower of cost and net realizable value. Cost is determined on the weighted average method and is net of tax credits and after providing for obsolescence and other losses. Cost includes all charges in bringing the goods to their existing location and conditions, including various tax levies (other than those subsequently recoverable from the tax authorities), transit insurance and receiving charges. Cost of work-in-progress and finished goods include cost of direct materials consumed, labour cost and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs.

Net realizable value is the contracted selling value less the estimated costs of completion and the estimated costs necessary to make the sales.

g) Financial Instruments

g1) Investments

Investments in mutual funds are primarily held for the Group's temporary cash requirements and can be readily convertible in cash. These investments are initially recorded at fair value and classified as fair value through profit or loss.

The Group has not made any irrevocable election to present subsequent changes in the fair value of equity investments, not held for trading, in other comprehensive income as the same are classified as fair value through profit or loss.

g2) Trade Receivables

Trade receivables are amounts due from customers for sale of goods or services performed in the ordinary course of business. Trade receivables are initially recognized at its transaction price which is considered to be its fair value and are classified as current assets as it is expected to be received within the normal operating cycle of the business.

g3) Cash & Cash Equivalents

Cash and cash equivalents consists of cash on hand, short demand deposits and highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of change in value. Short term means investments with original maturities / holding period of three months or less from the date of investments. Bank overdrafts that are repayable on demand and form an integral part of the Group's cash management are included as a component of cash and cash equivalent for the purpose of statement of cash flow.

g4) Trade Payables

Trade payables are amounts due to vendors for purchase of goods or services acquired in the ordinary course of business and are classified as current liabilities to the extent it is expected to be paid within the normal operating cycle of the business.

g5) Other financial assets and liabilities

Other non-derivative financial instruments are initially recognized at fair value and subsequently measured at amortized costs using the effective interest method.

g6) De-recognition of financial assets and liabilities

The Group derecognizes a financial asset when the contractual right to the cash flows from the asset expires or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction which substantially all the risk and rewards of ownership of the financial asset are transferred. If the Group retains substantially all the risk and rewards of ownership of a transferred financial asset, the Group continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

The Group derecognizes a financial liability when its contractual obligations are discharged, cancelled or

Notes to Consolidated Financial Statements for the year ended March 31, 2019 (Contd.)

expired; the difference between the carrying amount of derecognized financial liability and the consideration paid is recognized as profit or loss.

g7) Impairment of financial assets

At each balance sheet date, the Group assesses whether a financial asset is to be impaired. Ind AS 109 requires expected credit losses to be measured through loss allowance. The Group measures the loss allowance for financial assets at an amount equal to lifetime expected credit losses if the credit risk on that financial asset has increased significantly since initial recognition. If the credit risk on a financial asset has not increased significantly since initial recognition, the group measures the loss allowance for financial assets at an amount equal to 12-month expected credit losses. The Group uses both forward-looking and historical information to determine whether a significant increase in credit risk has occurred.

h) Revenue Recognition

Effective April 1, 2018, the Company adopted Ind AS 115 "Revenue from Contracts with Customers", using the Full retrospective transition method, applied to contracts that were not completed as of April 1, 2018.

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.

The Company exercises judgement in determining whether the performance obligation is satisfied at a point in time or over a period of time. The Company considers indicators such as how customer consumes benefits as services are rendered or who controls the asset as it is being created or existence of enforceable right to payment for performance to date and alternate use of such product or service, acceptance of delivery by the customer, etc.

In respect of fixed-price contracts, revenue is recognised using percentage-of-completion method ('POC method') of accounting based on the direct measurements of the value to the customer of the goods or services transferred to date relative to the remaining goods or services promised under the contract. The said measurement is carried considering the surveys of performance completed to date and appraisals of results achieved.

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, price concessions and Performance penalty, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

Unbilled Revenues are recognised when there is excess of revenue earned over billings on contracts.

Other Income:

Dividend income is recognized when the right to receive the same is established.

Interest income is recognized on accrual basis.

i) Product Warranty Expenses

Provision is made in the consolidated financial statements for the estimated liability on account of costs that may be

incurred on products sold under warranty. The estimates for the costs to be incurred for providing free service under warranty are determined based on historical information, past experience, average cost of warranty claims that are provided for in the year of sale.

j) Employee Benefits

Employee benefits include provident fund, superannuation fund, family pension fund, gratuity fund and compensated absences.

Defined contribution plans

The Group's contribution to provident fund, family pension fund and superannuation fund are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Defined benefit plans

For defined benefit plans in the form of gratuity fund and pension fund, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to statement of profit & loss. Past service cost is recognised in statement of profit & loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

The Group presents the first two components of defined benefit costs in statement of profit & loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the consolidated balance sheet represents the actual deficit or surplus in the Group's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.

Short-term and other long-term employee benefits

A liability is recognised for benefits accruing to employees

Notes to Consolidated Financial Statements for the year ended March 31, 2019 (Contd.)

in respect of wages and salaries, annual leave, sick leave and other short term employee benefits in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of long-term employee benefits in form of compensated absences are measured at the present value of the estimated future cash outflows expected to be made by the Group in respect of services provided by employees up to the reporting date.

k) Operating Expenses

Operating Expenses are charged to statement of Profit and Loss on accrual basis.

l) Leases

Lease arrangements where the risks & rewards incident to ownership of an asset substantially vest with the lessor, are recognized as operating leases. Rental expense from operating leases is generally recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred.

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

m) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Group has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability is not recognized but its existence is disclosed in the financial statements. Contingent assets are not recognised and disclosed only when an inflow of economic benefits is probable in the financial statements.

n) Taxation

Tax expense comprise of current and deferred tax. Current income tax comprises taxes on income from operations

in India and in foreign jurisdictions. Income tax payable in India is determined in accordance with the provisions of the Income Tax Act, 1961. Tax expense relating to foreign operations is determined in accordance with tax laws applicable in jurisdictions where such operations are domiciled.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Any deferred tax asset or liability arising from deductible or taxable temporary differences in respect of unrealized intercompany profit or loss on inventories held by the Group in different tax jurisdictions is recognised using the tax rate of jurisdiction in which such inventories are held.

Current and deferred tax are recognised in statement of profit & loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Dividend distribution tax arising out of payment of dividends to shareholders under the Indian Income Tax Act regulation are recognized in statement of changes in equity as part of associated dividend payment.

Advance taxes and provisions for current income taxes are presented in the balance sheet after off-setting advance taxes paid and income tax provisions arising in the same tax jurisdiction and the Group intends to settle the asset and liability on a net basis. The Group offsets deferred tax assets and deferred tax liabilities if it has a legally enforceable right and these relate to taxes on income levied by the same governing taxation laws.

o) Segment Reporting

The Group identifies segments as operating segments whose operating results are regularly reviewed by the Chief Operating Decision Maker [CODM] to make decisions about resources to be allocated to the segment and assess its performance and for which discrete financial information is available.

Notes to Consolidated Financial Statements for the year ended March 31, 2019 (Contd.)

The accounting policies adopted for segment reporting are in line with the accounting policies of the Group. Segment assets include all operating assets used by the business segments and consist principally of property plant and equipment, intangible assets, debtors and inventories. Segment liabilities include the operating liabilities that result from operating activities of the business segment. Assets and Liabilities that cannot be allocated between the segments are shown as part of unallocated corporate assets and liabilities respectively. Income / Expenses relating to the enterprise as a whole and not allocable on a reasonable basis to business segments are reflected as unallocated corporate income / expenses.

p) Earnings Per Share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes, if any) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in right issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

q) Operating Cycle:

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of product and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current/ non-current classification of assets and liabilities.

r) Research and development expenses:

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technical feasibility has been established, in which case such expenditure is capitalised. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the asset ready for its intended use. property, plant and equipment utilised for research and development are capitalised and depreciated in accordance with the policies stated for Property, Plant and Equipments.

s) Cash flow statement:

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted

for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated based on the available information.

t) New and amended standards adopted by the Group:

The Group has applied the following standards and amendments for the first time for annual reporting period commencing from April 01, 2018.

Ind AS 115 - Revenue from Contracts with Customers:

The core principle of the standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further, the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The standard permits two possible methods of transition:

Retrospective approach - Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8- Accounting Policies, Changes in Accounting Estimates and Errors.

Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (Cumulative catch - up approach).

The Group has adopted Ind AS 115 using the cumulative effect method. The effect of initially applying this standard is recognised at the date of initial application (i.e. April 1, 2018). The standard is applied only to contracts that are not completed as at the date of initial application and the comparatives are not restated. The adoption of the standard does not have any material impact to the financial statements of the Company.

Appendix B, Foreign Currency Transactions and Advance Consideration to Ind AS 21, The Effects of Changes in Foreign Exchange Rates.

The Appendix B to Ind AS 21 clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency. If there are multiple payments or receipts in advance, then the entity must determine the transaction date for each payment or receipt of advance consideration. Entities may apply the Appendix requirements on a fully retrospective basis. Alternatively, an entity may apply these requirements prospectively to all assets, expenses and income in its scope that are initially recognised on or after:

- The beginning of the reporting period in which the entity first applies the Appendix, or
- The beginning of a prior reporting period presented as comparative information in the financial statements of the reporting period in which the entity first applies the Appendix.

Notes to Consolidated Financial Statements for the year ended March 31, 2019 (Contd.)

The interpretation does not have any impact on the Company's financial statements.

Amendment to Ind AS 12, Income Taxes

The amendments clarify that an entity needs to consider whether tax law restricts the sources of taxable profits against which it may make deductions on the reversal of that deductible temporary difference. Furthermore, the amendments provide guidance on how an entity should determine future taxable profits and explain the circumstances in which taxable profit may include the recovery of some assets for more than their carrying amount. Entities are required to apply the amendments retrospectively. However, on initial application of the amendments, the change in the opening equity of the earliest comparative period may be recognised in opening retained earnings (or in another component of equity, as appropriate), without allocating the change between opening retained earnings and other components of equity. Entities applying this relief must disclose that fact. These amendments do not have any impact on the Company as the Company has no deductible temporary differences or assets that are in the scope of the amendments.

Ind AS 112, Disclosure of Interest in Other Entities

The amendments clarify that the disclosure requirements in Ind AS 112, other than those in paragraphs B10–B16, apply to an entity's interest in a subsidiary, a joint venture or an associate (or a portion of its interest in a joint venture or an associate) that is classified (or included in a disposal Company that is classified) as held for sale.

5 CHANGES IN ACCOUNTING STANDARDS AND OTHER RECENT ACCOUNTING PRONOUNCEMENTS

Ind AS 116, Leases

The Ministry of Corporate Affairs has notified the Ind AS 116, Leases which will be effective from April 1, 2019. Ind AS 116 would replace the existing leases standard Ind AS 17. The standard sets out the principles for the recognition, measurement, presentation and disclosures for both parties to a contract, i.e. the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of profit and loss. The Group is currently evaluating the requirements of Ind AS 116 on the financial statements. The Group believes that the definition of lease under Ind AS 116 would not significantly change the scope of contracts that meet the definition of a lease.

Amendment to Ind AS 12 'Income Taxes'

On March 30, 2019, the Ministry of Corporate Affairs has notified limited amendments to Ind AS 12 'Income Taxes'. The amendments require an entity to recognise the income tax consequences of dividends as defined in Ind AS 109 when it recognises a liability to pay a dividend. The income tax consequences of dividends are linked more directly to past transactions or events that generated distributable profits than to distributions to owners. Therefore, an entity shall recognize the income tax consequences of dividends in profit or loss, other comprehensive income or equity

according to where the entity originally recognised those past transactions or events. The amendment will come into force for accounting periods beginning on or after April 1, 2019. The Group is evaluating the effect of the above in the financial statements.

Appendix C to Ind AS 12, Uncertainty over Income Tax Treatments

On March 30, 2019, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2019 containing Appendix C to Ind AS 12, Uncertainty over Income Tax Treatments which clarifies the application and measurement requirements in Ind AS 12 when there is uncertainty over income tax treatments. The current and deferred tax asset or liability shall be recognized and measured by applying the requirements in Ind AS 12 based on the taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates determined by applying this appendix. The amendment is effective for annual periods beginning on or after April 1, 2019. The Group is evaluating the effect of the above in the financial statements.

Amendment to Ind AS 19 'Employee Benefits'

On March 30, 2019, the Ministry of Corporate Affairs has notified limited amendments to Ind AS 19 'Employee Benefits' in connection with accounting for plan amendments, curtailments and settlements. The amendments require an entity to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement and to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling. The amendment will come into force for accounting periods beginning on or after April 1, 2019. The Group is evaluating the effect of the above in the financial statements.

(a) Numerical Reconciliation between average effective tax rate and applicable tax rate :

₹ in Million

Particulars	As at March 31, 2019	As at March 31, 2018
Profit Before tax from Continuing Operations	732.70	606.51
Income Tax using the Company's domestic Tax rate #	256.03	209.90
Tax Effect of :		
- Non deductible Expenses	41.21	27.40
- Tax - Exempt income		
- Deduction on account of Expenses allowable in Tax but not claimed in book	(42.66)	(34.69)
- Tax impact on Income charged under Capital Gain	(5.15)	(1.70)
- Changes in recognised deductible temporary differences	(1.55)	24.89
- Changes in recognised deductible temporary differences due to change in tax rate	4.68	0.24
- Tax impact on notional income / expense	(5.25)	(8.70)
- Difference between Indian Tax Rate and Foreign Tax Rate	(20.42)	(37.59)
Income Tax recognised In Statement of P&L from Continuing Operations (Effective Tax Rate)	226.89	179.75

The Tax rate used for Financial Year 2018-19 and 2017-18, in reconciliation above is the corporate tax rate of 34.994% and 34.608% payable by corporate entity in India on taxable profits under the Indian Tax Law.

(b) Income Tax Expense

₹ in Million

Particulars	Year ended March 31, 2019	Year ended March 31, 2018
Current Tax:		
Current Income Tax Charge	223.76	154.62
Deferred Tax		
Deferred Tax Charge for the year	3.13	25.13
Total Tax Expense recognised in profit and loss account	226.89	179.75

The Company controls the dividend policy of its wholly owned subsidiary. It is able to control the timing of the reversal of the temporary difference associated with that investment (including the temporary difference arising from undistributed profits). Therefore, Company has determined that profit will not be distributed in the foreseeable future and has not recognised a deferred tax liability. Undistributed profits of the subsidiary to ₹ 344.99 million (31 March, 2018 ₹ 265.26 million).

32 AS PER IND AS 19 "EMPLOYEE BENEFITS", THE DISCLOSURES AS DEFINED IN THE ACCOUNTING STANDARD ARE GIVEN BELOW:

Defined Contribution Plans

The Group operates defined contribution retirement benefit plans for all qualifying employees in the form of provident fund, superannuation fund, family pension fund. Contribution to Defined Contribution Plans, recognised as expense for the year is as under :

Particulars	₹ in Million	
	March 31, 2019	March 31, 2018
Employer's contribution to Provident Fund	10.39	9.63
Employer's contribution to Superannuation Fund	4.47	4.25
Employer's contribution to Pension Scheme	6.06	5.74

Compensated absences and earned leaves

The Group's current policy permits eligible employees to accumulate compensated absences up to a prescribed limit and receive cash in lieu thereof in accordance with the terms of the policy.

Defined Benefit Plans

The group operates a defined benefit plan in form of gratuity plan and pension scheme covering eligible employees, which provide a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employees salary and the tenure of employment.

The amounts recognized in the Group's financial statements as at the year end are as under:

Notes to Consolidated Financial Statements for the year ended March 31, 2019 (Contd.)

These plans typically expose the group to actuarial risks such as investment risk, interest rate risk, longevity risk and salary risk.

Investment risk

The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. For other defined benefit plans, the discount rate is determined by reference to market yields at the end of the reporting period on high quality corporate bonds when there is a deep market for such bonds; if the return on planned asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities and other debt instruments.

Interest risk

A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.

Longevity risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan liability.

In respect of the plan, the most recent actuarial valuation of the present value of the defined benefit obligation was carried out as at March 31, 2019. The present value of the defined benefit obligation, the related current service cost and past service cost, were measured using the projected unit credit method.

The amounts recognized in the Group's financial statements as at the year end are as under:

₹ in Million

Particulars	March 31, 2019	March 31, 2018
Pension Scheme		
Assumptions :		
Discount Rate	0.55%	0.80%
Salary Increase	1.00%	1.00%

Actuarial (Gains)/Losses on Plan Assets - Due to Experience	0.60	0.60	(0.21)	0.24
j Projected Contribution for next year	9.26	10.08	5.87	4.99
k Sensitivity analysis for each significant actuarial assumption				

The significant actuarial assumptions for the determination of the defined benefit obligations are discount rate and expected salary increase. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

₹ in Million

Particulars	March 31, 2019	March 31, 2018
Projected Benefit obligation on current assumption	52.49	47.11
Impact of increase in discount rate by 1%	(4.58)	(4.10)
Impact of decrease in discount rate by 1%	5.44	4.84
Impact of increase in salary escalation rate by 1%	5.48	4.89
Impact of decrease in salary escalation rate by 1%	(4.69)	(4.20)
Impact of increase in rate of employee turnover by 1%	0.79	0.72
Impact of decrease in rate of employee turnover by 1%	(0.91)	(0.83)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligations as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligations has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

Notes to Consolidated Financial Statements for the year ended March 31, 2019 (Contd.)

I Investment details of plan assets

The Plan assets are managed by Insurance group viz. Life Insurance Corporation of India which has invested the funds substantially as under :

Particulars	Gratuity		Leave Encashment	
	March 31, 2019	March 31, 2018	March 31, 2019	March 31, 2018

₹ in Million

n Asset-liability matching strategies :

In respect of gratuity and Leave encashment plan, the Company contributes to the insurance fund based on estimated liability of the next financial year end. The projected liability statement is obtained from the actuarial valuer.

33 FINANCIAL INSTRUMENTS :

33.1 Capital Management

The group manages its capital to ensure that group will be able to continue as going concern while maximising the return to stakeholders through the optimisation of Total Equity balance.

The group is zero debt group and its capital structure consists of own equity only. Hence, Gearing Ratio of the group for the year ended 31.03.19 as well as 31.03.18 comes to NIL.

The group is not subject to any externally imposed capital requirement.

33.2 Categories of Financial Instruments :

Particulars	₹ in Million	
	March 31, 2019	March 31, 2018

Trade Payables	639.10	608.45
Others	93.59	95.64

Notes to Consolidated Financial Statements for the year ended March 31, 2019 (Contd.)

33.3 FINANCIAL RISK MANAGEMENT OBJECTIVES

The group's corporate treasury function provides services to the business, coordinates access to domestic and international financial market, monitors and manages the financial risks relating to the operations of the group through internal risk reports which analyse exposures by degree and magnitude of the risk. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

33.3.1 MARKET RISK MANAGEMENT

Market risk refers to the possibility that changes in the market rates may have impact on the group's profits or the value of its holding of financial instruments. The group is exposed to market risks on account of foreign exchange rates, interest rates and underlying investment prices.

The group's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and investment prices.

(a) Foreign currency exchange rate risk:

The group's foreign currency risk arises from its foreign operations, investments in foreign subsidiaries, foreign currency transactions. The fluctuation in foreign currency exchange rates may have potential impact on the income statement and equity, where any transaction references more than one currency or where assets/liabilities are denominated in a currency other than the functional currency of the group.

Since a major part of the group's revenue and its costs are in Indian Rupees, any movement in currency rates would not have major impact on the group's performance. Consequently, the overall objective of the foreign currency risk management is to minimize the short term currency impact on its revenue and cash-flow in order to improve the predictability of the financial performance.

The carrying amount of Foreign Currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

Particulars	Currency	₹ in Million	
		(Liabilities)/Assets as at	
		March 31, 2019	March 31, 2018
Trade Payable (Net of advances)*	USD	(0.68)	0.42
(a) Mandatorily measured	EUR	(3.05)	(3.89)
(b) Other financial assets at amortised cost	JPY	-	(13.09)
	GBP	(0.00)	-
Cash & Cash Equivalents**	USD	16.60	0.00
	EUR	10.97	0.00
Trade Receivable (Net of advances)	USD	2.08	7.92
	EUR	12.93	34.95

* The value of INR equivalent to GBP is 197

** The value of INR equivalent to USD is 129 and to EUR is 1,575 in previous year.

With respect to the Company's financial instruments (as given above), a 5% increase / decrease in relation to foreign currency rate on the underlying would have resulted in increase /decrease of ₹ 1.94 million (₹ 1.32 million) in the Company's net profit for the year ended March 31, 2019 and March 31, 2018 respectively.

(b) Interest rate risk

Interest rate risk refers to the possibility that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rate. The group does not have any outstanding borrowings at the end of any reporting period and hence group is not subject to any interest rate risk.

Notes to Consolidated Financial Statements for the year ended March 31, 2019 (Contd.)

33.3.1 FINANCIAL RISK MANAGEMENT OBJECTIVES (CONTD.)

(c) Other price risk

The group is exposed to price risks arising from its investments which are held for strategic as well as trading purposes.

The sensitivity analysis have been determined based on the exposure to price risks for Investments in equity shares of other companies and mutual funds at the end of the reporting period.

If prices had been 5% higher/lower:

Profit for the year ended 31 March, 2019 would increase/decrease by ₹ 23.83 millions (for the year ended March 31, 2018 by ₹ 25.28 millions) as a result of the change in fair value of investments.

33.3.2 CREDIT RISK MANAGEMENT:

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Financial instruments that are subject to concentrations of credit risk materially consists of trade receivables.

All trade receivables are subject to credit risk exposure. The group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country, in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through established policies, controls relating to credit approvals and procedures for continuously monitoring the creditworthiness of customers to which the group grants credit terms in the normal course of business. The group does not have significant concentration of credit risk related to trade receivables except the details given below for the customers contribute to more than 5% of total outstanding accounts receivable as at any reporting period end.

Customer Name	Year ended March 31, 2019		Year ended March 31, 2018	
	% of total receivables	(Amount in ₹)	% of total receivables	(Amount in ₹)
Deccan Fine Chemicals (I) Pvt. Ltd.	10.86%	62,558,728	14.38%	67,875,692
Toyo Engineering India Ltd.	1.99%	11,442,171	8.76%	41,346,914
MSN Laboratories Private Limited	7.55%	43,467,932	0.85%	4,013,497
Divi's Laboratories Limited	5.91%	34,063,934	2.28%	10,774,893

Exposure to credit risk:

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk is ₹ 2242.34 millions and ₹ 2070.77 millions as at March 31, 2019 and March 31, 2018 respectively, being the total of the carrying amount of balances with banks, bank deposits, trade receivables, other financial assets and investments excluding investments in subsidiary companies, and these financial assets are of good credit quality including those that are past due.

33.3.3 LIQUIDITY RISK MANAGEMENT:

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the group's short, medium and long-term funding and liquidity management requirements. The group manages liquidity risk by maintaining adequate reserves and banking facilities by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The following tables detail the group's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the group can be required to pay. The table below include only principal cash flows in relation to non-derivative financial liabilities.

Notes to Consolidated Financial Statements for the year ended March 31, 2019 (Contd.)

33.3 LIQUIDITY RISK MANAGEMENT (contd.)

₹ in Million

Particulars	Up to 1 Year	1 to 5 years	5 years and above

Notes

- 1) Considering the nature of the Group's business and operations, as well as based on reviews performed by Chief operating decision maker regarding resource allocation and performance management, the Group has classified Glass lined Equipment, Heavy Engineering and Proprietary Products as reportable segments in accordance with the requirements of Ind AS 108 – "Operating segments".
- 2) Segment revenue, results, assets and liabilities include amounts that are directly attributable to the respective segments. Amounts not directly attributable have been allocated to the segments on the best judgment of the management in the absence of detailed internal financial reporting system. Expenses not directly allocable to the segments are treated as "Unallocated Expenses".
- 3) The accounting policies of the reportable segments are the same as the Group's accounting Policies described in Note 4.
