NOTES:

1. A shareholder entitled to attend and vote at the Annual General Meeting (AGM) is entitled to appoint a proxy to attend and vote on poll on behalf of him and the proxy need not be a member of the Company. The instrument of proxy in order to be effective, must be deposited at the Corporate Office of the Company, duly completed and signed, not less than 48 hours before the commencement of meeting. A person can act as proxy on behalf of shareholders not exceeding fifty (50) in number and holding in aggregate not more than 10% of the total share capital of the company.
2. In terms of the provisions of section 152 of the Companies Act, 2013, Mr. Harish Agrawal director retires by rotation at the AGM. Nomination and Remuneration Committee and the Board of Directors of the Company recommend their re-appointment. Details of the Directors retiring by rotation/ seeking re-appointment at the ensuing meeting are provided in the "Annexure" to the Notice.
3. Corporate shareholders intending to send their authorized representatives to attend the AGM are requested to send a certified copy of the board resolution authorizing their representative to attend and vote on their behalf at the AGM.
4. During the period beginning 24 hours before the time fixed for the commencement of the meeting and ending with the conclusion of the meeting, a member would be entitled to inspect the proxies lodged with the Company, at any time during the business hours of the Company, provided that not less than three days of notice in writing is given to the Company.
5. The register of directors and key managerial personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, and the register of contracts or arrangements in which directors are interested, maintained under Section 189 of the Companies Act, 2013, will be available for inspection by the members at the AGM.
6. The Register of Members and the Share Transfer Books of the Company will remain closed from, **Saturday, 20th September 2025 to Friday, 26th September 2025** (both days inclusive). For the purpose of Annual General Meeting for the financial year ended 31st March 2025.
7. Notice of the AGM along with the Annual Report 2024-2025 is also being sent through electronic mode to those Members whose email address is registered with the Company/ Depositories. Members may note that the Notice and Annual Report 2024-2025 will also be available on the Company's website www.hariyanaventures.in website of the Stock Exchange, i.e. on BSE Limited at www.bseindia.com. For receiving all communication (including Annual Report) from the Company electronically members are requested to register/update their email addresses with the relevant Depository Participant.
8. Pursuant to section 108 of the Companies Act, 2013, read with rules 20 of the Companies (Management and Administration) Rules, 2014 and regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to offer voting by electronic means to the members to cast their votes electronically on all resolutions set forth in this notice. The detailed instructions for e-voting are given separately.
9. Shareholders/proxies are requested to bring their copies of the Annual Report to the AGM and the attendance slip duly filled in for attending the AGM.
10. Shareholders are requested to intimate, immediately, any change in their address or bank mandates to their depository participants with whom they are maintaining their demat accounts.
11. SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their depository participants with whom they are maintaining their demat accounts.
12. Pursuant to section 72 of the Companies Act, 2013, members are entitled to make a nomination in respect of shares held by them. Members desirous of making a nomination, pursuant to the Rule 19(1) of the Companies (Share Capital and Debentures) Rules, 2014 are requested to send their requests in Form No. SH-13 to the Registrar and Transfer Agent of the Company. Further, members desirous of cancelling / varying nomination pursuant to the Rule 19(9) of the Companies (Share Capital and Debentures) Rules, 2014, are requested to send their requests in Form No. SH- 14, to the Registrar and Transfer Agent of the Company.

13. All documents referred to in the accompanying notice will be available for inspection at the corporate office of the company during business hours on all working days up to the date of declaration of the result of the 50th AGM of the Company.
14. In case of joint holders attending the AGM, the shareholder whose name appears as the first holder in the order of name appears as per the Register of Members of the Company will be entitled to vote.
15. The Route map to the venue of the AGM is published in the Annual Report.
16. Members can opt for one mode of voting i.e. either by physical ballot or through e-voting. If Members opt for e-voting then do not vote by Physical Ballot or vice versa. However, in case Members cast their vote both by Physical Ballot and e-voting, then voting done through e-voting shall prevail and voting done by Physical Ballot will be treated as invalid.

Guidelines For Electronic Voting:

Pursuant to provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of SEBI (LODR) Regulations, 2015, the Company is pleased to provide e-voting facility to the shareholders to cast their vote on all resolutions set forth in the notice convening the 50th Annual General Meeting (AGM) to be held on Friday 26th September 2025. The Company has engaged the services of National Securities Depository Limited (NSDL) to provide the e-voting facility.

The Members whose names appear in the Register of Members / List of Beneficial Owners as on Friday, 19th September 2025 (cut-off date), are entitled to vote on the resolutions set forth in this Notice. The e-voting period will commence on **Monday, 22nd September 2025 at 9.00 a.m. and will end on Thursday, 25th September 2025 at 5.00 p.m.** During this period, shareholders of the Company, as on the cutoff date may cast their vote electronically.

The e-voting module shall be disabled by NSDL for voting thereafter. Members will not be able to cast their votes electronically beyond the date and time mentioned above. The Company has appointed Jaymin Modi & Co, Practicing Company Secretaries Firm, Mumbai, to act as the Scrutinizer, to scrutinize the electronic voting process and poll at the Annual General Meeting (AGM) in fair and transparent manner.

The members desiring to vote through electronic mode may refer to the detailed procedure on e-voting given hereunder. The shareholders who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but will not be entitled to cast their vote again. The facility for voting through ballot paper will be made available at the AGM venue and the shareholders attending the AGM, who have not cast their vote by remote e-voting will be able to exercise their right at the AGM venue through ballot paper.

Shareholders, who have not cast their vote electronically, by remote e-voting, may only cast their vote at the AGM through ballot paper. At the AGM, at the end of discussion on the resolutions on which voting is to be held, the Chairman, with the assistance of the scrutinizer, will order voting through ballot paper for all those shareholders who are present at the AGM but have not cast their votes electronically using the remote e-voting facility

The Scrutinizer shall immediately after the conclusion of voting at the meeting, first count the votes casted at the meeting, thereafter unblock the votes casted through remote e-voting in the presence of at least 2 witnesses not in the employment of the Company and make, not later than 2 days of conclusion of the meeting and after scrutinizing such votes received shall make a Scrutinizer's report of the votes cast in favor or against or invalid votes in connection with the resolution(s) mentioned in the Notice of the Meeting and submit the same forthwith to the Chairman of the Company.

The Results along with Scrutinizer's report shall be declared on the website of the Company and be placed on the Stock Exchanges. The Resolutions shall be deemed to be passed, if approved, on the date of AGM.

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING ARE AS UNDER: -

The remote e-voting period begins on **Monday, 22nd September 2025 at 9.00 a.m.** and will end on **Thursday, 25th September 2025 at 5.00 p.m.** The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. 19th

September 2025, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the **cut-off date, being 19th September 2025**.

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of “Two Steps” which are mentioned below:

Step 1: Access to NSDL e-Voting system

A. Login method for e-Voting for Individual shareholders holding securities in demat mode

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e- Voting facility.

Login method for Individual shareholders holding securities in demat mode is given below:

Type of Shareholders	Login Method
Individual Shareholders holding securities in demat mode with NSDL.	1. Existing IDeAS user can visit the e-Services website of NSDL Viz. https://eservices.nsdl.com either on a Personal Computer or on a mobile. On the e-Services home page click on the “Beneficial Owner” icon under “Login” which is available under ‘IDeAS’ section, this will prompt you to enter your existing User ID and Password. After successful authentication, you will be able to see e-Voting services under Value added services. Click on “Access to e-Voting” under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider i.e. NSDL and you will be re-directed to e-Voting website of NSDL for casting your vote during the remote e-Voting period. If you are not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com. Select “Register Online for IDeAS Portal” or click at https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp. 2. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/Member’ section. A new screen will open. You will have to enter your User ID (i.e. your sixteen digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period. 3. Shareholders/Members can also download NSDL Mobile App “NSDL Speede” facility by scanning the QR code mentioned below for seamless voting experience. NSDL Mobile App is available on  App Store  Google Play  
Individual Shareholders holding securities in demat mode with CDSL	1. Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. The users to login Easi /Easiest are requested to visit CDSL website www.cdslindia.com and click on login icon & New System Myeasi Tab and then user your existing my easi username & password. 2. After successful login the Easi / Easiest user will be able to see the e-Voting option for eligible companies where the evoting is in progress as per the information provided by company. On clicking the evoting option, the user will be able to see e-Voting page of the e-Voting service provider for casting your vote during the remote e-Voting period. Additionally, there is also links

	provided to access the system of all e-Voting Service Providers, so that the user can visit the e-Voting service providers' website directly. 3. If the user is not registered for Easi/Easiest, option to register is available at CDSL website www.cdslindia.com and click on login & New System Myeasi Tab and then click on registration option 4. Alternatively, the user can directly access e-Voting page by providing Demat Account Number and PAN No. from a e-Voting link available on www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the Demat Account. After successful authentication, user will be able to see the e-Voting option where the evoting is in progress and also able to directly access the system of all e-Voting Service Providers
Individual Shareholders (holding securities in demat mode) login through their depository participants	You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. upon logging in, you will be able to see e-Voting option. Click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period.

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login type	Helpdesk details
Individual Shareholders holding securities in demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at 022 - 4886 7000 and 022 - 2499 7000
Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at toll free no. 1800 22 55 33

B) Login Method for e-Voting shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL:
<https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.
Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically
4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then

	your user ID is 12*****
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***
5. Password details for shareholders other than Individual shareholders are given below:	
a) a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.	
b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.	
c) How to retrieve your 'initial password'?	
(i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'	
(ii) If your email ID is not registered, please follow steps mentioned below in process for those shareholders whose email ids are not registered.	
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:	
a) Click on "Forgot User Details/Password?" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com .	
b) Physical User Reset Password?" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com	
c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.	
d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL	
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.	
8. Now, you will have to click on "Login" button.	
9. After you click on the "Login" button, Home page of e-Voting will open	

Step 2: Cast your vote electronically on NSDL e-Voting system.

How to cast your vote electronically on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle
2. Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period now you are ready for e-Voting.
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory (ies) who are authorized to vote, to the Scrutinizer by e-mail to info@csjmco.com with a copy marked to evoting@nsdl.co.in. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.)

- can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "Upload Board Resolution / Authority Letter" displayed under "e-Voting" tab in their login.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
 3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 022 - 4886 7000 and 022 - 2499 7000 or send a request to Sagar S. Gudhate, Senior Manager at evoting@nsdl.com

Process for those shareholders whose email ids are not registered with the depositories/ company for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to hariyanametals@gmail.com
2. In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self-attested scanned copy of PAN card), AADHAR (self-attested scanned copy of Aadhar Card) to hariyanametals@gmail.com If you are an Individual shareholder holding securities in demat mode, you are requested to refer to the login method explained at step 1 (A) i.e. Login method for e-Voting for Individual shareholders holding securities in demat mode.

Alternatively shareholder/members may send a request to evoting@nsdl.co.in for procuring user id and password for e-voting by providing above mentioned documents.

4. In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.
Assuring you of our best services.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item Number 3

Pursuant to the amended provisions of Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI LODR Regulations') vide SEBI Notification dated December 12, 2024 and provisions of Section 204 of the Companies Act, 2013 ('Act') and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Nomination and Remuneration Committee and the Board of Directors at their respective meetings held on 04th September 2025 have approved and recommended the appointment of M/s Jaymin Modi & Co., as Secretarial Auditors of the Company for a term of upto 5(Five) consecutive years to hold office from the conclusion of this Annual General Meeting ('AGM') till the conclusion of the AGM of the Company to be held in the Year 2030 on following terms and conditions:

a. Term of appointment: Upto 5(Five) consecutive years from the conclusion of this AGM till the conclusion of the AGM of the Company to be held in the Year 2030.

b. Proposed Fees: Any amount as mutually agreed between Board and Secretarial Auditor from time to time. The proposed fees will be based on knowledge, expertise, industry experience, time and efforts required to be put in by them, which is in line with the industry benchmark.

c. Basis of recommendations: The recommendations are based on the fulfilment of the eligibility criteria & qualification prescribed under the Act & Rules made thereunder and SEBI LODR Regulations with regard to the full time partners, secretarial audit, experience of the firm, capability, independent assessment, audit experience and also based on the evaluation of the quality of audit work done by them in the past.

d. Credentials: M/s Jaymin Modi & Co., Firm of Company Secretaries in Practice ('Secretarial Audit Firm'), The firm is registered with the Institute of Company Secretaries of India and has an experience of more than 5 years in providing various corporate law services. The Firm also holds a valid Peer Review Certificate. M/s Jaymin Modi & Co. have given their consent to act as Secretarial Auditors of the Company and confirmed that their aforesaid appointment (if made) would be within the prescribed limits under the Act & Rules made thereunder and SEBI LODR Regulations. They have also confirmed that they are not disqualified to be appointed as Secretarial Auditors in terms of provisions of the Act & Rules made thereunder and SEBI LODR Regulations.

None of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution except to the extent of their shareholding, if any, in the Company. The Board of Directors of the Company recommends the resolution set out at Item Number 3 for approval of the Members as an Ordinary Resolution.

Notes:

- i) If you opt to cast your vote by e-voting, there is no need to fill up and sign this form.
- ii) Last date for receipt of Assent/ Dissent Form is 5.00 pm on 25th September 2025.
- iii) Please read the instructions printed overleaf carefully before exercising your vote.

General Instructions:

1. Shareholders have option to vote either through e-voting i.e. electronic means or to convey assent / dissent. If a shareholder has opted for physical Assent/Dissent Form, then he/she should not vote by e-voting and vice versa. However, in case Shareholders cast their vote through physical assent/dissent form and e-voting, then vote cast through e-voting shall be considered as invalid.

2. The notice of Annual General Meeting is e-mailed to the members and voting rights shall be reckoned on the paid-up value of the shares registered in the name of the shareholders as on 29th August, 2025.

3. Voting through physical assent/ dissent form cannot be exercised by a proxy. However, corporate and institutional shareholders shall be entitled to vote through their authorized representatives with proof of their authorization, as stated below.

Instructions for voting physically on Assent / Dissent Form:

1. A member desiring to exercise vote by Assent/Dissent should complete this Form (no other form or photocopy thereof is permitted) and send it to the Scrutinizer, at their cost to reach the Scrutinizer at the registered office of the Company on or before the close of working hours i.e. 5.00 pm on 25th September 2025. All Forms received after this date will be strictly treated as if the reply from such Member has not been received.

2. This Form should be completed and signed by the Shareholder (as per the specimen signature registered with the Company/ Depository Participants). In case of joint holding, this Form should be completed and signed by the first named Share holder and in his absence, by the next named Shareholder.

3. In respect of shares held by corporate and institutional shareholders (companies, trusts, societies etc.) the completed Assent/ Dissent Form should be accompanied by a certified copy of the relevant Board Resolution/ appropriate authorization, with the specimen signature(s) of the authorized signatory (ies) duly attested.

4. The consent must be accorded by recording the assent in the column "FOR" or dissent in the column "AGAINST" by placing a tick mark (✓) in the appropriate column in the Form. The assent or dissent received in any other form shall not be considered valid.

5. Members are requested to fill the Form in indelible ink and avoid filling it by using erasable writing medium(s) like pencil.

6. There will be one Assent/ Dissent Form for every folio / Client id irrespective of the number of joint holders.

7. A member may request for a duplicate Assent/ Dissent Form, if so required and the same duly completed should reach the Scrutinizer not later than the specified under instruction No.1 above.

8. Members are requested not to send any other paper along with the Assent / Dissent Form. They are also requested not to write anything in the Assent/ Dissent form except giving their assent or dissent and putting their signature. If any such other paper is sent the same will be destroyed by the Scrutinizer.

9. The Scrutinizers decision on the validity of the Assent/ Dissent Form will be final and binding. Incomplete, unsigned or incorrectly ticked Assent/ Dissent Forms will be rejected.

ANNEXURE D TO THE DIRECTORS' REPORT

**FORM NO. MR-3
SECRETARIAL AUDIT REPORT**

FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2025

[Pursuant to regulation 24A of SEBI (LODR) 2015 and section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Hariyana Ventures Limited
Plot No. 158, 1st floor Small Factory Area Bagadganj Nagpur
Maharashtra - 440008.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Hariyana Ventures Limited (hereinafter called "The Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period ended on 31st March, 2025, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, Forms and returns filed and other records maintained by The Company for the year ended on 31st March, 2025 to the extent applicable to the provisions of:

- I. The Companies Act, 2013 (the Act) and the rules made there under to the extent applicable;
- II. The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the Rules made thereunder;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- IV. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI Act") to the extent applicable to the Company: -
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; Not Applicable to the Company during the period under review;
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; Not Applicable to the Company during the period under review;
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 and The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; Not Applicable to the Company during the period under review;
 - (f) The Securities and Exchange Board of India (Registrars to and Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; Not Applicable to the Company during the period under review;

(g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 and The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; Not Applicable to the Company during the period under review;

(h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; Not applicable to the Company during the Audit Period; and

(i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

I have also examined compliances with the applicable clauses of the following:

a) Secretarial Standards 1 and 2 issued by the Institute of Company Secretaries of India; and

b) Listing Agreements entered into by the Company with BSE Limited.

During the year under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines and Standards as mentioned above, except:

- *Some of the Intimations under the provisions of the Companies Act, 2013 have been filed after the lapse of statutory time period. However, necessary additional fees have been remitted for such delay*

I further report that:

The Board of Directors of the Company is constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes if any in the composition of Board of Directors that took place during the year under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

Hariyana Ventures Limited
Annual Report 2024-2025

ANNEXURE E TO THE DIRECTORS' REPORT

MANAGEMENT DISCUSSION AND ANALYSIS

Your Directors have pleasure in presenting the Management Discussion and Analysis report for the year ended on 31st March 2025.

INTRODUCTION:

Steel production and consumption are frequently seen as measures of a country's economic development because it is both a raw material and an intermediary product. The Indian steel industry is classified into three categories - major producers, main producers, and secondary producers. India is the world's second-largest producer of crude steel, with an output of 137.96 MT of crude steel and finished steel production of 132.57 MT in FY25.

India's domestic steel demand is estimated to grow by 9-10% in FY25 as per ICRA.

The growth in the Indian steel sector has been driven by the domestic availability of raw materials such as iron ore and cost-effective labour. Consequently, the steel sector has been a major contributor to India's manufacturing output.

The Indian steel industry is modern, with state-of-the-art steel mills. It has always strived for continuous modernisation of older plants and up-gradation to higher energy efficiency levels.

Market Size

In the past 10-12 years, India's steel sector has expanded significantly. Production has increased by 75% since 2008, while domestic steel demand has increased by almost 80%. The capacity for producing steel has grown concurrently, and the rise has been largely organic.

In FY25 (April to February), the production of crude steel stood at 137.96 MT.

In FY25 (April to February), the production of finished steel stood at 132.57 MT.

In FY25 (April - February) exports of finished steel stood at 3.60 metric tonnes (MT), while imports stood at 6.07 MT.

In FY25 (April-February), the consumption of finished steel stood at 137.85 MT.

The per-capita consumption of steel stood at 97.7 kgs in FY24.

In FY24, the consumption of finished steel stood at 136 MT.

In FY24, the production of crude steel and finished steel stood at 143.6 MT and 138.5 MT, respectively

In FY24, the consumption of finished steel stood at 135.90 MT.

In FY24, the exports and imports of finished steel stood at 7.49 MT and 8.32 MT, respectively.

The annual production of steel is anticipated to exceed 300 million tonnes by 2030-31. By 2030-31, crude steel production is projected to reach 255 million tonnes at 85% capacity utilisation achieving 230 million tonnes of finished steel production, assuming a 10% yield loss or a 90% conversion ratio for the conversion of raw steel to finished steel. With net exports of 24 million tonnes, consumption is expected to reach 206 million tonnes by the years 2030-1931. As a result, it is anticipated that per-person steel consumption will grow to 160 kg.

Government Initiatives

Some of the other recent Government initiatives in this sector are as follows:

- Indian government plans to reduce imports by 50% in FY26 to become net exporter of steel in the near future. The Directorate General of Trade Remedies (DGTR) has recommended a 12% provisional safeguard to protect domestic players from surge in imports and potentially increasing their profitability. This development could potentially lead to a decrease in imports and increase market competitiveness.
- Up to December 2024, RINL dispatched about 1,400 MT of steel to Northeast projects, including National Highways Authority of India (NHAI) and National Highways and Infrastructure Development Corporation Limited (NHIDCL). Plans are in progress to set up a two-tier steel distribution network in Guwahati.
- Union Minister Mr. H. D. Kumaraswamy launched Steel Import Monitoring System 2.0 (SIMS 2.0) on July 25, 2024. SIMS 2.0 improves data transparency, quality control, and integration with government portals to support steel sector growth and better import management.
- The Union Ministry of Steel launched PLI Scheme 1.1 on January 6, 2025, with a Rs. 6,322 crore (US\$ 733.40 million) outlay to boost specialty steel production and attract investments. Covering five key product categories, the scheme eases norms to reduce imports, enhance domestic manufacturing, and improve energy efficiency, with applications open until January 2025.

Road Ahead

The steel industry has emerged as a major focus area given the dependence of a diverse range of sectors on its output as India works to become a manufacturing powerhouse through policy initiatives like Make in India. With the industry accounting for about 2% of the nation's GDP, India ranks as the world's second-largest producer of steel and is poised to overtake China as the world's second-largest consumer of steel. Both the industry and the nation's export manufacturing capacity have the potential to help India regain its favourable steel trade balance.

The National Steel Policy, 2017 envisage 300 million tonnes of production capacity by 2030-31. The per capita consumption of steel has increased from 57.6 kgs to 74.1 kgs during the last five years. The government has a fixed objective of increasing rural consumption of steel from the current 19.6 kg/per capita to 38 kg/per capita by 2030-31.

FINANCIAL HIGHLIGHTS:

- Paid up Share Capital of the Company as on 31 March 2025, stands at 58,05,000 divided into 5,80,500 number of equity Shares of Rs. 10/- each fully –paid up.
- Income from operation stood at Rs. 50,56,820/- for fiscal 2025.
- Profit/Loss before Taxes of fiscal 2025 was Rs. 32,47,528/-.
- Basic Earnings per Share for fiscal 2025 was Rs (5.67).
- Net Worth of the company stood at Rs. 1,66,72,752/- as on March 2025.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

The Directors personally oversee the internal control system, ensuring that day-to-day operations align with management instructions, guidelines, and policies. Regular review of Internal Audit reports by management reinforces this commitment. Our company boasts a robust and adequate internal control system, tailored to our business size, which enhances operational efficiency, protects assets, optimizes resource utilization, and ensures statutory compliance. We continually strive for improvements in our internal control system, demonstrating our dedication to excellence and adherence to best practices..

HUMAN RESOURCES VIS-À-VIS INDUSTRIAL RELATIONS:

The Company's Human Resources philosophy is to establish and build a strong performance and competency driven culture with greater sense of accountability and responsibility. Effective industrial relations are also critical. This involves ensuring compliance with labour laws and regulations, such as minimum wage, working hours, and safety standards. Open and transparent communication channels with employees and their representatives are also necessary. Finally, providing benefits and programs that support employees' well-being, such as health insurance, retirement plans, and work-life balance initiatives, demonstrates a commitment to employee welfare. With the changing and turbulent business scenario, the Company's basic focus is to upgrade the skill and knowledge level of the existing human

assets to the required level by providing appropriate leadership at all levels motivating them to face the hard facts of business, inculcating the attitude for speed of action and taking responsibilities. A fair and transparent performance management system is vital to evaluate and reward employees. Employee engagement is also important, fostering a positive work culture and encouraging participation and feedback. Additionally, promoting diversity and inclusion in the workplace ensures equal opportunities for all. In order to keep the employees skill, knowledge and business facilities updated, ongoing in house and external training is provided to the employees at all levels. The effort to rationalize and streamline the workforce is a continuous process.

CAUTIONARY STATEMENT:

Certain statements in this Management Discussion and Analysis report may be considered forward-looking statements within the meaning of applicable securities laws. These statements are based on current expectations, estimates, and projections about the steel industry, the company's business, and the economic environment in which it operates. Forward-looking statements are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied in the statements. Factors that could cause such differences include changes in global economic conditions, demand for steel products, competition, regulatory requirements, and other risks and uncertainties. The company does not undertake to update any forward-looking statements, whether as a result of new information, future events, or otherwise

INDEPENDENT AUDITORS' REPORT

**TO THE MEMBERS OF,
HARIYANA VENTURES LIMITED
(Formerly Known as HARIYANA METALS LIMITED)**

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **HARIYANA VENTURES LIMITED (Formerly Known as HARIYANA METALS LIMITED)** (the "Company"), which comprises the Balance Sheet as at **March 31, 2025**, the Statement of Profit and Loss {including the Other Comprehensive Income / (Losses)}, the Statement of Cash Flows and the Statement of Changes in Equity for the year ended on that date and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion, and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act"), in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS"), and other accounting principles generally accepted in India, of the state of affairs of the Company as at **March 31, 2025**, and its losses including total comprehensive income / (losses), its cash flows and the changes in equity for the year ended on that date.

Basis of Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the financial statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence, we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters and to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risk of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matter below, provide the basis for our audit opinion on the accompanying financial statements.

The Key Audit Matters	How was the matter addressed in our Audit
Revenue Recognition (Refer Note No. 1.4.(d) and 18 of the Financial Statements)	
Revenue is one of the key profit drivers and is therefore susceptible to misstatements. Revenue is measured in net of any discounts and rebates. Revenue from sale of products is considered as key audit matter as there is a risk of accuracy of recognition and measurement of sales	Our audit procedures with regards to revenue recognition is a combination of internal controls and substantive procedures which included the following: * Evaluated the design of internal control.

in the financial statements considering the following aspects: * Determination of performance obligation for recognition of revenue. * Estimation of variable consideration in pricing. * Cut-off is the key assertion in so far as revenue recognition is concerned, since an inappropriate cut-off can result in material misstatement of results for the periods.	* For evaluation of operating effectiveness of internal controls, tested revenue by verifying, on sample basis, agreements executed with the customers, relevant documentary evidence of satisfaction of performance obligation for timing of recognition of revenue, accuracy of revenue recognition including variable consideration included pricing, cut off transactions at the year end and tax amount of the invoices. * Performed substantive testing by verifying the sales invoice and other relevant documentary evidence on sample basis. * Obtain the balance confirmation from selected samples and verified the reconciliation, if any, for the confirmation received. * Evaluated the appropriateness of accounting policies, related disclosures made and overall presentation in the financial statements.
---	---

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Management and the Board of Directors are responsible for the other information. The other information comprises the information included in the Management's Discussion and Analysis, Board's Report including Annexure to the Board's Report, Report on Corporate Governance, Business Responsibility and Sustainability Report and Shareholder's information, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Management and the Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, the financial performance including the other comprehensive income/ (losses), cash flows and changes in equity of the Company in accordance with the accounting principle generally accepted in India, including the Indian Accounting Standards (Ind AS) as specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentations of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Company's Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Company's management and Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Company's Management and Board of Directors.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the **Annexure "A"**, a statement on the matters specified in paragraph 3 and paragraph 4 of the said Order.

2. As required by Section 143(3) of the Act, based on our audit, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss including the Other Comprehensive Income / (Losses), the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, time to time.
 - e. On the basis of the written representation received from the directors as on March 31, 2025, taken on the record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in term of Section 164(2) of the Act.
 - f. With respect to adequacy of the internal financial controls with reference to these financial statements of the Company and the operating effectiveness of such control, refer to our separate report in **Annexure "B"**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended time to time, in our opinion and to the best of our information and explanations given to us, the remuneration paid / provided by the Company to its directors during the reporting period is in accordance with the provision of Section 197 of the Act.
 - h. With respect to the other matters to be included in the Independent Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, time to time, in our opinion and to the best of our information and according to the explanations given to us;
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer "Note No. 29" of the financial statements.
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) There has been no delay in transferring amounts, required to be transferred, to Investor Education and Protection Fund by the Company.
- iv)a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed fund or share premium or any other sources or kind of funds) by the Company to or in any other person or entities, including the foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediaries shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries;

b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

c) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

(v) The Company has neither declared nor paid any dividend during the reporting period. Accordingly, reporting on compliance with the provisions of section 123 of the Companies Act, 2013 is not applicable.

(vi) Based on our examination, which included test check, the Company has used accounting software for maintaining its books of accounts for the financial period ended March 31, 2025, which has a feature of recording audit trail (edit log) facilities and the same has operated throughout the period for all the relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with and the audit trails have been preserved by the Company as per the statutory requirements for the record retention.

ANNEXURE "A" TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in Paragraph 1 under "Report on the Other Legal and Regulatory Requirements" Section of our report of Even Date)

In terms of the information and explanations sought by us and given by the Company and the books of accounts and records examined by us in the normal course of our audit and to the best of our knowledge and belief, we state that:

1. In respect of the Company's Property, Plants and Equipments and Intangible Assets;

a)i) The Company has maintained proper records showing full particulars, including the quantitative details and situation of property, plants and equipment and capital work-in-progress.

ii) The Company has not owned any intangible assets, during the reporting period, hence the requirement to report under clause 3(i)(a)(ii) of the said Order is not applicable to the Company.

b) The Company has a regular program at reasonable interval for physical verification of property, plants and equipment and capital work-in-progress, so as to cover all the items of assets, the periodicity of physical verification, in our opinion, is reasonable having regard to the size of the Company and nature of its assets. According to the information and explanation given to us, no material discrepancies were noticed on such physical verification.

c) Based on our examination of the property tax receipts and lease agreement for land on which building is constructed, registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title deeds in respect of self - constructed buildings and title deeds of all other immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favor of the Company), disclosed in the financial statements and included under property, plants and equipment and capital work-in-progress are held in the name of the Company as at the Balance Sheet date. In respect of the immovable properties taken on lease by the Company, the lease agreements are held in the name of the Company as at the Balance Sheet date, if any.

d) The Company has not revalued any of its property, plants and equipments and intangible assets during the reporting period.

e) According to information and explanations given to us and on the basis of our examination of the records of the Company, no proceedings have been initiated during the reporting period or are pending against the Company as at March 31, 2025, for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and Rules made thereunder.

2. In respect of Company's inventories;

a) As explained to us, inventories except goods-in-transit and the stock lying with third parties have been physically verified during the year by the management at reasonable intervals. In our opinion and according to information and explanations given to us, in respect of stock lying with the third parties at the end of the year, written confirmations have been obtained. In our opinion, the frequency of such verification is reasonable. In our opinion and according to information and explanations given to us, the coverage and the procedure adopted by the management for the physical verification are appropriate considering the size and the nature of the products dealt in by the Company. As explained to us, there were no discrepancies of 10% or more in the aggregate for each class of inventories that were noticed on such physical verification of inventories. However, any other discrepancies if any, noticed on such physical verification have been properly dealt with in the books of accounts.

b) During the reporting period, the Company has not been sanctioned working capital limit in excess of five crore rupees, in aggregate, at any point of time, during the reporting period, from banks or financial institutions on the basis of security of current assets. Hence the requirement to report under clause 3(ii)(b) of the said Order is not applicable to the Company.

3. The Company has made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnerships or other parties, during the reporting period, in respect of which;

a) According to information and explanations given to us and on the basis of our examination of the records, the Company has not provided any loans or advances in the nature of loans or stood guarantee, or provided security to any

other entities other than subsidiaries, associates and joint ventures during the reporting period, and hence requirement to report under clause 3(iii)(a)(A) and 3(iii)(a)(B) of the said Order is not applicable.

b) The Company has not made investment in nor granted any loans and advances in the nature of loans, during the reporting period, hence the requirement to report under clause 3(iii)(b) in respect of terms and conditions of investment made in and grants of loans, during the reporting period, prima facie, not prejudicial to the interest of the Company's interest is not applicable.

c) The Company has not granted any loans and advances in the nature of loans, to any other entities including subsidiaries, associates and joint ventures, hence the requirement to report under clause 3(iii)(c), in respect of schedule of repayment of principal and payment of interest has been stipulated and the repayments of the principal amounts and receipts of interest have generally been regular as per stipulation is not applicable.

d) The Company has not granted any loans and advances in the nature of loans, to any other entities including subsidiaries, associates and joint ventures, hence the requirement to report under clause 3(iii)(d), in respect of overdue amounts remain outstanding for more than ninety days as at the balance sheet date is not applicable.

e) The Company has not granted any loans or advances in the nature of loans, to any other entities including subsidiaries, associates and joint ventures, hence the requirement to report under clause 3(iii)(e), in respect of the details of loans which has fallen due, during the reporting period, or has been renewed or extended or fresh loans granted to settle the overdue of the existing loans given to the same parties is not applicable.

f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment during the reporting period. Hence, the requirement to report under clause 3(iii)(f) of the said Order is not applicable.

The Company has not made any investment in firms and limited liabilities partnership, during the reporting period. Further the Company has not provided any guarantees or securities or granted any loans or advances in the nature of loans, secured or unsecured, to the companies, firms and limited liability partnership or any other parties.

4. In our opinion and according to the information and explanations given to us, and based on our examination of the records of the Company, the Company has not granted any loans, provided any guarantees, given any securities, or made any investments covered under the provision of section 185 and section 186 of the Companies Act, 2013. Accordingly, the provisions of clause 3(iv) of the said Order are not applicable to the Company.

5. The Company has neither accepted any deposits from public nor accepted any amounts which are deemed to be the deposits of the Company, within the meaning of section 73 to section 76 of the Act or any other relevant provisions and Rules made thereunder, during the reporting period, therefore, the requirement to report, under clause 3(v) of the said Order is not applicable.

6. According to the information and explanations given to us and on the basis of our examination of the records of the Company, requirement to report under clause 3(vi) of the said Order is not applicable as the Company's business activities are not covered by the Companies (Cost Records and Audit) Rule, 2014, as amended, time to time.

7. According to the information and explanations given to us and on the basis of our examination of the records of the Company, in respect of statutory dues, we report that;

a) The Company has generally been regular in depositing undisputed statutory dues, including goods and service tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duties of custom, duties of excise, value added tax, cess and other material statutory dues applicable to it with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of goods and service tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duties of custom, duties of excise, cess and other material statutory dues were in arrears as at March 31, 2025, for a period of more than six months from the date they became payable.

b) According to the information and explanation given to us, there are no material statutory dues referred to in sub-clause (a) above which have not been deposited with the appropriate authority on account of any dispute.

8. According to the information and explanation given to us and on the basis of our examination of the record of the Company, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the reporting period in the tax assessments under the Income Tax Act, 1961. (43 of 1961)

9.a) In our opinion and according to the information and explanation given to us by the Company, the Company has not defaulted on the repayment of any loans or other borrowings or in the payment of interest thereon to any lender, hence the requirement to report under clause 3(ix)(a) of the said Order is not applicable to the Company.

b) The Company has not been declared as willful defaulter by banks or financial institutions or government or any government authority.

c) The Company has not taken term loan during the reporting period and there was no unutilized balance of term loan at the beginning of the reporting period, hence the requirement to report under clause 3(ix)(c) of the said Order is not applicable in case of the Company.

d) On an overall examination of the financial statements of the Company, the funds raised on short - term basis have, prima facie, not been used during the reporting period for long - term purposes by the Company.

e) According to the information and explanation given to us and on the basis of our examination of the record of the Company, we report that, the Company has not taken any funds from any entity or persons on account of or to meet the obligations of its subsidiaries, associates or joint ventures as defined under the Companies Act, 2013. Hence, the requirement to report under clause 3(ix)(e) of the said Order is not applicable.

f) According to the information and explanation given to us and on the basis of our examination on the record of the Company, we report that, the Company has not raised any loans during the reporting period on the basis of pledge of securities held in its subsidiaries, joint ventures or associate companies as defined under the Companies Act, 2013. Hence, the requirement to report under clause 3(ix)(f) of the said Order is not applicable.

10.a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments), during the reporting period, and hence requirement to report under clause 3(x)(a) of the said Order is not applicable to the Company.

b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence, the requirement to report under clause 3(x)(b) of the said Order is not applicable.

11.a) According to the information and explanation given to us and on the basis of examinations of records of the Company, considering the principles of materiality outlined in Standards of Auditing, we report that, no fraud by the Company and no material fraud on the Company by its officers or employees has been noticed or reported during the reporting period.

b) According to the information and explanation given to us and on the basis of examinations of records of the Company, we report that, no report under sub - section (12) of section 143 of the Companies Act, 2013, has been filled in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the reporting period and up to the date of this report.

c) In our opinion and according to the information and explanation given to us, the Company has not received any complaints from whistle - bower, hence the requirement to report under clause 3(xi)(c) of the said Order is not applicable.

12. The Company is not a Nidhi Company as prescribed under section 406 of the Companies Act, 2013, and hence the requirement to report under clause 3(xii) of the said Order is not applicable.

13. According to information and explanations given to us and based on our examination of the records of the Company, all the transactions with related parties are in compliance with section 177 and section 188 of the Companies Act, 2013, wherever applicable and details of such related party transactions have been disclosed in the financial statements, under "Note No. 38 - the transactions with Related Parties" as required under Indian Accounting Standards (Ind AS) - 24, "Related Party Disclosure" specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rule, 2014, as amended, time to time.

14. a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.

b) We have considered, the internal audit report for the year under audit, issued to the Company during the reporting period and till the date of this report, covering the period up to March 31, 2025, in determining the nature, timing and extent of our audit procedures.

15. In our opinion and according to the information and explanation given to us, during the reporting period, the Company has not entered into any non - cash transactions with its directors, or the persons connected with him and hence provisions of section 192 of the Act are not applicable. Hence, the requirement to report under clause 3(xv) of the said Order is not applicable.

16. a) In our opinion, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934, therefore, the requirement to report under clause 3(xvi)(a) and (b) of the said Order is not applicable to the Company.

b) In our opinion, the Company is not a core investment company (CIC) also there is no CIC within the Group, as defined in the regulation made by the Reserve Bank of India in Core Investment Companies (Reserve Bank) Directions, 2016, and accordingly the requirement to report under clause 3(xvi)(c) and (d) of the said Order are not applicable to the Company.

17. The Company has not incurred any cash losses during the financial year covered by our audit and the cash losses of ` 23.96 Lakhs in the immediately preceding financial year has been reported as per the requirement to report under clause 3(xvii) of the said Order.

18. There has been no resignation of the Statutory Auditor of the Company during the reporting period, hence the requirement to report under clause 3(xviii) of the said Order is not applicable.

19. On the basis of financial ratios disclosed in the notes to financial statements, Refer "Note No. 37", ageing and expected due dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and the Management plans and based on our examination of evidence supporting the assumptions, nothing has come to our attention, which cause us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not as assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of this audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the date of balance sheet, will get discharged by the Company as and when they fall due.

20. The Company does not fall within the purview of the eligibility criteria prescribed under section 135 of the Companies Act, 2013. Accordingly, the provision of clause 3(xx) of the said Order are not applicable to the Company.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 2(f) under “Report on the Other Regulatory Requirements” section of our report of even date)

Report on the Internal Financial Controls with reference to Financial Statements over the Financial Reporting under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to these financial statements of **“HARIYANA VENTURES LIMITED” (Formerly Known as HARIYANA METALS LIMITED** (“the Company”), as of **March 31, 2025**, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to these financial statements based on the internal controls with reference to these financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to these financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to these financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide the basis for our audit opinion on the Company’s internal financial controls with reference to these financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial controls with reference to these financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial controls with reference to these financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over the Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to these financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to these financial statements to future periods are subject to the risk that the internal financial controls with reference to these financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls with reference to these financial statements and such internal financial controls with reference to these financial statements were operating effectively as at **March 31, 2025**, based on the criteria for internal financial control with reference to these financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI").

Notes to the Financial Statements for the year then ended on March 31, 2025

Corporate Information

HARIYANA VENTURES LIMITED (Formerly Known as HARIYANA METALS LIMITED) ("the Company") (CIN No. L99999MH1975PLC018080) is a Public Limited Company, domiciled and incorporated in India, under the provisions of the Companies Act, 1956. The Registered office of the Company is situated at *Plot No. 158 1st Floor Small Factory Area, Bagadganj Nagpur Maharashtra, India, 440008*. The books of accounts and other related documents and information are maintained at *Old Motor Stand, Itwari, Nagpur (M.H.) - 440008*. The Company's shares are listed on "Bombay Stock Exchange" (BSE).

The Company is primarily engaged in the business of selling, distribution and trading of Iron and Steel and their related products.

The Board of Directors approved the Financial Statements for the year ended March 31, 2025, and authorized for issue on May 24, 2025.

1. MATERIAL ACCOUNTING POLICIES AND KEY ACCOUNTING ESTIMATES AND JUDGEMENTS

MATERIAL ACCOUNTING POLICIES

1.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

These Financial Statements are the separate financial statements of the Company (also called as "Financial Statements") prepared in accordance with Indian Accounting Standard ("Ind AS") as notified under section 133 of the Companies Act, 2013 ("the Act") read together with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standard) Rule, 2016, as amended, time to time. The preparation and presentation of the Financial Statements is based on the Indian Accounting Standards (Ind AS), Division - II of the Schedule - III of the Companies Act, 2013.

Entity specific disclosure of material accounting policies, where the Indian Accounting Standards permits options are disclosed hereunder:

The Company's management and the Board of Directors has assessed the materiality of the accounting policy information, which involves exercising judgements and considering both qualitative and quantitative factors, taking into account not only the size and nature of the items or conditions but also the characteristics of the transactions, events or conditions that could make the information more likely to impact the decisions of the users of the Financial Statements.

Entity's conclusion that an accounting policy is immaterial does not affect the disclosures requirements set out in the Indian Accounting Standards.

The Company adopted Ind AS from April 01, 2016. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policies hitherto adopted. These Financial Statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between the market participants at the measurement date.

The Statement of Cash Flows has been prepared under indirect method, whereby the profit and loss are adjusted for the effect of transactions of a non-cash nature, any deferrals and accruals or future operating cash receipts or payments and items of income and expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The Company considers all highly liquid instruments that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value to be cash equivalents.

The Company's Financial Statements are prepared and presented in Indian Rupee (₹) in Lakhs, which is also the functional currency for the Company. All amounts have been rounded off to the nearest (₹) in Lakhs up to two decimals, except when otherwise specified.

1.2 APPLICATION OF NEW ACCOUNTING PRONOUNCEMENTS

Ministry of Corporate Affairs (the “MCA”) notifies the new standards or amendments to the existing standards under the Companies (Indian Accounting Standard) Rule, as issued from time to time. For the period ended March 31, 2025, MCA has notified amendments to Ind AS - 116, “Lease”, relating to the sale and leaseback transactions, which is applicable to the Company w.e.f. April 01, 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it is not likely to have any significant impact in its Financial Statements.

1.3 CURRENT AND NON - CURRENT CLASSIFICATION

The Company presents the assets and liabilities in the balance sheet based on current / non-current classification. An asset or liabilities are classified as current when it satisfies any of the following criteria:

- i) The assets / liabilities are expected to be realized / settled in the Company’s normal operating cycle.
- ii) The assets are intended for sales or consumption.
- iii) The assets / liabilities are held primarily for the purpose of trading.
- iv) The assets / liabilities are expected to be realized / settled within twelve months after the end of reporting date.
- v) The assets are cash or cash equivalents unless they are restricted from being exchanged or used to settle liabilities for at least twelve months after the reporting period.
- vi) In the case of liabilities, the Company does not have an unconditional right to defer the settlement of the liabilities for at least twelve months after the reporting date.

All other assets and liabilities are classified as non-current.

For the purpose of current / non-current classification of assets and liabilities, the Company has ascertained its operating cycle as twelve months (12 months). This is based on the nature of services and the time between the acquisition of the assets or inventories for processing and their realization in cash and cash equivalents.

1.4 SUMMARY OF MATERIAL ACCOUNTING POLICIES

a) Property, Plant and Equipment

Measurement at Recognition

An item of property, plant and equipment that qualifies as an asset is measured on the initial recognition at cost. Following the initial recognition, item of property, plant and equipment are carried at its cost less accumulated depreciation and accumulated impairment losses, *if any*. The Company identifies and determines cost of each part of an item of property, plant and equipment separately, if the part has a cost which is significant to the total cost of that item of property, plant and equipment and has useful life that is materially different from that of the remaining items.

The cost of an item of property, plant and equipment comprises of its purchase price net of discounts, if any, including import duties and other non-refundable purchase taxes or levies, directly attributable to cost of bringing the assets to its present location and working condition for its intended use and the initial estimate of decommissioning, restoration, and similar liabilities, *if any*. Cost includes the cost of replacing a part of the plants and equipment, if the recognition criteria are met. Expenses directly attributable to new manufacturing facilities during its construction period are capitalized, if the recognition criteria are met. Expenditure related to plans, designs and drawings of buildings or plants and machinery are capitalized under the relevant heads of property, plant and equipment, if the recognition criteria are met. When significant parts of property, plant and equipment are required to be replaced at periodical intervals, the Company recognizes such parts as individual assets with specific useful lives and depreciates them accordingly.

Subsequent costs are included in the asset’s carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any components accounted for as a separate asset is de-recognized when replaced.

All the costs, including administrative, financing and general overhead expenses, as are specifically attributable to construction of a specific projects or to the acquisition of a property, plant and equipment or bringing it to its present location and working condition, is includes, as a part of the cost of construction of the project or as a part of the cost of property, plant and equipment, till the commencement of its commercial production. Any adjustments arising from exchange rate variations attributable to the property, plant and equipment are capitalized as aforementioned.

Borrowing costs relating to the acquisition / construction of property, plant and equipment which takes the substantial period of time to get ready for its intended use are also included in the cost of property, plant and equipment / cost of constructions, to the extent they relate to the period till such property, plant and equipment are ready to be put to use.

Any subsequent expenditure related to an item of property, plant and equipment is added to its book value only and only if it increases the future economic benefits from the existing assets beyond its previously assessed standard of performance.

Any items such as spare parts, stand-by equipment and servicing equipment that meet the definitions criteria of the property, plant and equipment are capitalized at cost and depreciated over the useful life of the respective property, plant and equipment. Cost is in the nature of repairs and maintenances are recognized in the Statement of Profit and Loss as and when incurred.

Capital Work-in-Progress and Capital Advances

Cost of property, plant and equipment not ready for intended use, as at the balance sheet date, is shown as a *"Capital Work-in-Progress"*. The capital work-in-progress is stated at cost. Any expenditure in relation to survey and investigation of the properties is carried out as capital work-in-progress, such expenditure is either capitalized as cost of the projects on completion of construction project or the same is expensed in the period in which it is decided to abandon such projects. Any advances given towards acquisition of property, plant and equipment outstanding at each balance sheet date is disclosed as *"Other Non - Current Assets"*.

The Company has elected to consider the carrying value of all its property, plants and equipment appearing in its Financial Statements and used the same as deemed cost in the opening Ind AS Balance Sheet prepared at April 01, 2016.

Depreciation

Depreciation on each part of property, plant and equipment are provided to the extent of the depreciable amount of the assets on the basis of *"Straight Line Method (SLM)"* on the useful lives of the tangible property, plant and equipment as estimated by the Company's management and is charged to the Statement of Profit and Loss, as per the requirement of *Schedule - II to the Companies Act, 2013*. The estimated useful lives of the property, plant and equipment have been assessed based on the technical advice, which is considered in the nature of the property, plant and equipment, the usage of the property, plant and equipment, expected physical wear and tear of such property, plant and equipment, the operating conditions, anticipated technological changes, manufacturer warranties and maintenance support of the property, plant and equipment etc.

When the parts of an item of the property, plant and equipment have different useful lives, they are accounted for as separate items (major components) and are depreciated over their useful lives or over the remaining useful lives of the principal property, plant and equipment, whichever is less.

The useful lives of the items of property, plants and equipment as estimated by the Company's management is mentioned below:

S. No.	Name of Property, Plants and Equipment	Useful Life (In Years)
1.	Factory Building	30 Years
2.	Building (Other than Factory Building)	60 Years
3.	Plant and Machineries (Including Continuous Process Plant)	15 Years
4.	Furniture and Fixtures	10 Years
5.	Office Equipment	10 Years
6.	Computer and Other Data Processing units	3 Years
7.	Motor Vehicles	8 Years

The Company based on technical assessment made by the technical experts and the Company's management estimate, depreciate certain items of property, plant and equipment over the estimated useful lives which are different from the

useful lives as prescribed under *Schedule - II of the Companies Act, 2013*. The Company's management believes that the useful lives given above are best to represent the period over which Company's management expects to use this property, plant and equipment.

Freehold land is not depreciated. Leasehold land and their improvement cost are amortized over the period of the lease.

The useful lives, residual value of each part of an item of property, plant and equipment and method of depreciation is reviewed at the end of each reporting period, *if any*, of these expectations differ from the previous estimates, such change is accounted for as a change in accounting estimate and adjusted prospectively, if appropriate.

Derecognition

The carrying amount of an item of property, plant and equipment and other intangible assets are recognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from derecognition of the property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the assets and is recognized in the Statement of Profit and Loss, as and when the assets are de-recognized.

b) Intangible Assets

Measurement at Recognition

Intangible assets acquired separately measured on the initial recognition at cost. Intangible assets arising on the acquisition of businesses are measured at fair value as at the date of acquisition. Internally generated intangible assets including research costs are not capitalized and the related expenditure is recognized in the Statement of Profit and Loss in the period, in which the expenditure is incurred. Following the initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment loss, *if any*.

Amortization

Intangible assets with the finite lives are amortized on a "*Straight Line Basis*" over the estimated useful economics lives of such intangible assets. The amortization expenses on intangible assets with finite lives are recognized in the Statement of Profit and Loss.

The amortization period and the amortization method for an intangible asset with the finite useful lives are reviewed at the end of each financial year. If any of these expectations differ from the previous estimates, such changes are accounted for as a change in an accounting estimate and adjusted prospectively, if appropriate.

Derecognition

The carrying amount of an intangible asset is de-recognized at disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the de-recognition of an intangible assets is measured as the difference between the net disposal proceeds and the carrying amount of the intangible assets and is recognized in the Statement of Profit and Loss, as and when such assets are de-recognized.

c) Impairment

Assessment for impairment is done at each Balance Sheet date as to whether there is any indication that a non-financial asset may be impaired. Assets that have an indefinite useful life are not subject to amortization and are tested for impairment annually and whenever there is an indication that the assets may be impaired.

Assets that are subject to depreciation and amortization and assets representing investment in subsidiary and associate companies are reviewed for impairment, whenever events or changes in circumstances indicate that carrying amount may not be recoverable. Such circumstances include, though are not limited to, significant or sustained decline in revenues or earnings and material adverse changes in the economic environments.

The Company assesses at each reporting date, whether there is an indication that assets may be impaired, if any indication exists based on internal or external factors, or when Annual impairment testing for assets is required, the Company estimates the asset's recoverable amount. Where the carrying amount of the assets or its cash generating unit (CGU) exceeds its recoverable amount, the assets are considered impaired and written down to its recoverable amount. The recoverable amount is greater of the fair value less cost to sell and value-in-use. In assessing value-in-use, the

estimated future cash flows are discounted to their present value using a pre-tax rate that reflects current market rates and the risk specific to the assets. For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the CGU to which the assets belong. Fair value less cost to sell is the best estimate of the amount obtainable from the sale of an assets in an arm's length transactions between knowledgeable, willing parties, less cost of disposal. After the impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful lives.

Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the assets no longer exists or has decreased. However, the increase in the carrying amount of assets due to the reversal of an impairment loss is recognized to the extent it does exceed the carrying amount that would have been determined (net of depreciation) had no impairment loss been recognized for the assets in the prior years.

Impairment losses, if any, are recognized in the Statement of Profit and Loss and included in depreciation and amortization expense. Impairment losses are reversed in the Statement of Profit and Loss only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognized.

d) Revenue Recognition

Revenue from Contracts with Customers

Revenue from contracts with customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled in exchange for those goods or services. Revenue towards satisfaction of a performance obligation is measured in the amount of transaction price (net of variable consideration on accounts of various discounts and schemes offered by the Company as a part of the Contracts) allocated to that performance obligation. These variable considerations are estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

Sale of Products

Revenue from sales of goods is recognized when control on the goods has been transferred to the customers. The performance obligation in the case of sale of goods is satisfied at a point in time i.e. when the material is shipped to the customers or delivery to the customers as may be specified in the contracts with them.

Sales (Gross) excludes Goods and Service Tax (GST) and is a net of discounts and incentives to the customers.

Sale of Services

Revenue from sales of service is recognized over the period of time by measuring the progress towards satisfaction of performance obligation for the service rendered. The revenue is recognized based on the agreements / arrangements with the customers as the service is performed and based on the satisfaction of performance obligation.

Advances from customers are recognized under "*Other Current Liabilities*" and released to revenue on satisfaction of performance obligation.

Interest

Revenue from interest income is recognized using the effective interest method. Effective interest rate (EIR) is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instruments or a shorter period, where appropriate, to the gross carrying amount of the financial assets or to the amortized cost of financial liabilities.

Other Income

Other items of income are recognized as and when the right to receive such income arises and it is probable that the economic benefits will flows to the Company and the amount of income can be measured reliably.

e) Inventories

Raw material, work-in-progress, finished goods, packing material, stores and spares, components, consumables and trading stock are carried at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written-down below cost, if the finished goods in which they will be incorporated are expected to be sold at or above costs. The comparison of costs and net realizable value is made on an item-by-item basis. In determining the cost of raw materials, work-in-progress, finished goods, packing materials, stores and spares, components and trading stock, "*Weighted Average*" method is used. Cost of inventories comprises all costs of purchase, non-refundable duties and taxes, cost of conversion including an appropriate share of fixed and variable production overheads and all other costs incurred in bringing the inventory to its present location and conditions.

"*Net Realizable Value*" is the estimated selling price of inventories in the ordinary course of business, less estimated costs of completion and estimated cost necessary to make the sales of the products.

The Company considers factors like estimated shelf life, product discontinuances and aging of inventory in determining the provision for slow moving, obsolete and other non-saleable inventory and adjusts the inventory provision to reflect the recoverable value of the inventory.

f) Financial Instruments

A financial instrument is in any contract that gives rise to the financial assets of one entity and financial liabilities or equity instruments of another entity.

Financial Assets

Initial Recognition and Measurements

The Company recognizes a financial asset in its Balance Sheet as and when it becomes party to the contractual provisions of the instruments. All the financial assets are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial assets. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Where the fair value of a financial assets at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss at initial recognition, if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input).

In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognized as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to a change in factor that market participants taken into account, when pricing the financial assets.

Subsequent Measurements

For subsequent measurements, the Company classifies a financial asset in accordance with the below criteria:

- i) The Company's business model for managing the financial assets and
 - ii) The contractual cash flows characteristics of the financial assets.
- Based on the above criteria, the Company classifies, its financial assets into the following categories:
- i) Financial assets measured at amortized costs
 - ii) Financial assets measured at fair value through other comprehensive income (FVTOCI)
 - iii) Financial assets measured at fair value through profit or loss (FVTPL)

Financial Assets measured at Amortized Costs

A financial asset is measured at the amortized costs if both the following conditions are met:

- a) The Company's business model objective for managing the financial assets is to hold financial assets in order to collect contractual cash flows, and

b) The contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

This category applies to cash and bank balances, trade receivables, loans and other financial assets of the Company. Such financial assets are subsequently measured at amortized cost using the effective interest method. Under the effective interest method, the future cash receipts are discounted to the initial recognition value using the effective interest rate. The cumulative amortization using the effective interest method of the difference between the initial recognition amounts and the maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial assets over the relevant period of the financial assets to arrive at the amortized costs at each reporting date. The corresponding effect of the amortization, under effective interest method is recognized as interest income over the relevant period of the financial assets. The same is included under "*Other Income*" in the Statement of Profit and Loss. The amortized costs of financial assets are also adjusted for loss allowance, if any.

Financial Assets measured at FVTOCI

A financial asset is measured at FVTOCI, if both of the following conditions are met:

- a) The Company's business model objective for managing the financial assets is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

This category applies to certain investments in debt instruments. Such financial assets are subsequently measured at fair value at each reporting date. Fair value changes are recognized in the Other Comprehensive Income (OCI). However, the Company recognizes interest income and impairment losses and its reversals in the Statement of Profit and Loss.

On de-recognition of such financial assets, cumulative gain or loss previously recognized in OCI, is reclassified from equity to the Statement of Profit and Loss.

Further, the Company, through an irrevocable election at initial recognition, has measured certain investments in equity instruments at FVTOCI. The Company has made such selection on an instrument-by-instrument basis. These equity instruments are neither held for trading nor are contingent consideration recognized, under a business combination. Pursuant to such irrevocable election, subsequent changes in the fair value of such equity instruments are recognized in other comprehensive income. However, the Company recognizes dividend income from such instruments in the Statement of Profit and Loss, when the right to receive such payment is established, it is probable that the economic benefits will flow to the Company and the amount can be measured reliably.

On de-recognition of such financial assets, cumulative gain or loss previously recognized in OCI is not reclassified from equity to the Statement of Profit and Loss. However, the Company may transfer such cumulative gain or loss into retained earnings within equity.

Financial Assets measured at FVTPL

A financial asset is measured at FVTPL unless it is measured at amortized costs or at FVTOCI as explained above. This is a residual category applied to all other investments of the Company excluding investments in subsidiary and associate companies. Such financial assets are subsequently measured at fair value at each reporting date. Fair value changes are recognized in the Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial assets or part of a group of similar financial assets) is de-recognized (i.e. removed from the Company's Balance Sheet) when any of the following occurs:

- i) The contractual rights to cash flows from the financial assets expire.
- ii) The Company transfers its contractual rights to receive cash flows of the financial assets and has substantially transferred all the risks and rewards of ownership of the financial asset.

- iii) The Company retains the contractual rights to receive cash flows but assumes a contractual obligation to pay the cash flows without material delay to one or more recipients under a “*pass-through*” arrangement (thereby substantially transferring all the risks and rewards of ownership of the financial assets).
- iv) The Company neither transfers nor retains substantially all risk and rewards of ownership and does not retain control over the financial assets.

In cases, where the Company has neither transferred nor retained substantially all the risks and rewards of the financial assets, but retains control of the financial assets, the Company continues to recognize such financial assets to the extent of its continuing involvement in the financial assets. In that case, the Company also recognizes an associated liability. The financial assets and the associated liabilities are measured on a basis that reflects the rights and obligations that the Company has retained.

On de-recognition of financial assets, (except as mentioned in above for financial assets measured at FVTOCI), the difference between the carrying amount and the consideration received is recognized in the Statement of Profit and Loss.

Impairment of Financial Assets

The Company applies expected credit losses (ECL) model for measurements and recognition of loss allowance on the following:

- i) Trade receivables
- ii) Financial assets measured at amortized costs (other than trade receivables)
- iii) Financial assets measured at fair value through other comprehensive income (FVTOCI)

In the case of trade receivables, the Company follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognized as loss allowance. In the case of other assets (listed as ii and iii above), the Company determines if there has been a significant increase in credit risk of the financial assets since the initial recognition. If the credit risk of such assets has not increased significantly, an amount equal to twelve months ECL is measured and recognized as loss allowance. However, if credit risk has increased significantly, an amount equal to lifetime ECL is measured and recognized as loss allowance.

Subsequently, if the credit quality of the financial assets improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognizing impairment loss allowance based on twelve months ECL.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expected to receive (i.e., all cash shortfalls), discounted at the original effective interest rate. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of financial assets. Twelve months ECL is a portion of the lifetime ECL which results from default events that are possible within twelve months from the reporting date.

ECL are measured in a manner that they reflect unbiased, and probability weighted amounts determined by a range of outcomes, taking into account the time value of money and other reasonable information available as a result of past events, current conditions and forecasts of future economic conditions.

As a practical expedient, the Company uses a provision matrix to measure lifetime ECL on its portfolio of trade receivables. The provision matrix is prepared based on historically observed default rates over the expected life of trade receivables and is adjusted for forward-looking estimates. At each reporting date, the historically observed default rates and changes in the forward-looking estimates are updated.

ECL impairment loss allowance (or reversal) recognized during the reporting period are recognized as income/ expense in the Statement of Profit and Loss under the head “*Other Expenses*”.

Financial Liabilities

Initial Recognition and Measurements

The Company recognizes financial liabilities in its balance sheet when it becomes party to the contractual provisions of the instruments. All financial liabilities are recognized initially at fair value, in the case of financial liabilities not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial liabilities.

Where the fair value of a financial liabilities at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss at initial recognition, if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input).

In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognized as a gain or loss in the Statement of Profit and Loss, only to the extent that such gain or loss arises, due to a change in factor that market participants taken into account when pricing the financial liabilities.

Subsequent Measurements

All the financial liabilities of the Company are subsequently measured at amortized costs using the effective interest method.

Under the effective interest method, the future cash payments are exactly discounted to the initial recognition value using the effective interest rate. The cumulative amortization using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial liabilities over the relevant period of the financial liabilities to arrive at the amortized costs at each reporting date. The corresponding effect of the amortization, under effective interest method are recognized as interest expense over the relevant period of the financial liabilities. The same is included under finance costs in the Statement of Profit and Loss.

Derecognition

A financial liability is de-recognized when the obligation under the liabilities is discharged or cancelled or expires. When existing financial liabilities are replaced by another from the same lender on substantially different terms, or the terms of an existing liabilities are substantially modified, such an exchange or modification are treated as the de-recognition of the original liabilities and the recognition of a new liability. The difference between the carrying amount of the financial liabilities de-recognized and the consideration paid is recognized in the Statement of Profit and Loss.

Offsetting of Financial Assets and Financial Liabilities

Financial assets and financial liabilities are offset, and the net amount is reported in the balance sheet, if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

g) Fair Value

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the assets or transfer the liabilities takes place either:

* In the principal market for the assets or liabilities, or

* In the absence of a principal market, in the most advantageous market for the assets or liabilities.

All the assets and liabilities for which fair value is measured or disclosed in the Financial Statements are categorized within fair value hierarchy that categorizes into three levels, described are as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the assets or liabilities, either directly or indirectly.

Level 3 - Inputs that are unobservable for the assets or liabilities.

For assets and liabilities that are recognized in the Financial Statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

h) Taxes on Income

Tax expense comprises current tax and deferred income tax. Tax expenses are the aggregate amount included in the determination of profit or loss for the reporting period current tax and deferred income tax. Tax expenses are recognized in the Statement of Profit and Loss, except to the extent that it relates to the items recognized in the other comprehensive income or in the equity. In that case, tax is also recognized in other comprehensive income or equity.

Current income tax is the amount of income tax payable in respect of taxable profit for the reporting period. Taxable profit differs from "*Profit Before Tax*" as reported under the Statement of Profit and Loss because of item of expenses or income that are taxable or deductible in other years and items that are never taxable or deductible under Income Tax Act, 1961.

Current tax assets and liabilities are measured by using the tax rates that have been enacted by the end of the reporting period for the amounts expected to be recovered from or paid to the income tax authorities. Current tax also includes any adjustment amount to tax payable / receivable in respect of previous reporting period.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit under Income Tax Act, 1961 and their carrying amounts. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax assets and liabilities are generally recognized for all deductible and taxable temporary differences. However, in the case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profits nor the accounting profits or does not give rise to equal taxable and deductible temporary difference, deferred tax assets and liabilities are not recognized. Also, for temporary differences, if any, that may arise from initial recognition of goodwill, deferred tax liabilities are not recognized.

Deferred tax assets are generally recognized for all deductible temporary differences, and any unused tax losses and unused tax credits, to the extent, it is probable that taxable profits will be available against which that deductible temporary difference can be utilized. In the case of temporary differences that arise from initial recognition of assets or liabilities in a transaction that affect neither the taxable profits nor the accounting profits, deferred tax assets are not recognized.

The carrying amount of deferred tax assets / liabilities are reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow the benefits of part or all such deferred tax assets to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Uncertain Tax Positions

The Company's management periodically evaluates the positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and consider whether it is probable that a taxation authority will accept uncertain tax treatments. The Company reflects the effect of uncertainty for each uncertain tax treatment by using one of two methods, the expected value method (the sum of the possibility-weighted amounts in range of possible outcomes) or the most likely amount (single most likely amount method in a range of possible

outcomes), depending on which is expected to better predict the resolution of the uncertainty. The Company applies consistent judgments and estimates, if an uncertain tax treatment affects both the current and deferred income tax.

Presentation

Current tax and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in other comprehensive income, in which case, the current tax and deferred tax income / expense are recognized in other comprehensive income.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the assets and settle the liabilities simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset, if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

i) Lease

A lease is classified at the inception date, as finance lease or an operating lease. A lease that transfers substantially all the risk and rewards incidental to the ownership of the Company is classified as a finance lease. All other leases are classified as operating leases.

The Company as a Lessee

- a) **Operating Lease:** Rental payable under the operating lease is charged to the Statement of Profit and Loss on a “Straight - line” basis over the term of the relevant lease except where another systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.
- b) **Finance Lease:** Finance leases are capitalized at the commencement of the lease, at the lower of the fair value of the property or the present value of the minimum lease payments. The corresponding liabilities for the lessor are included in the Balance Sheet as a finance lease obligation. Lease payments are appropriated between finance expenses and the reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liabilities. Finance expenses are charged directly against the income over the period of the lease unless they are directly attributable to the qualifying assets, in which case they are capitalized. Contingent rental is recognized as an expense in the period in which they are incurred.

A leased assets are depreciated over the useful lives of the assets, however, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the assets are depreciated over the shorter of the estimated useful lives of the assets and the lease terms.

The Company as a Lessor:

Lease payments under operating leases are recognized as an income on a straight-line basis in the Statement of Profit and Loss over the lease term except where the lease payments are structured to increase in line with expected general inflation. The respective leased assets are included in the Balance Sheet based on their nature.

j) Borrowing Costs

Borrowing cost include the interest, commitments charges on bank borrowings, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the finance cost.

Borrowing costs, if any, that are directly attributable to the acquisition or constructions or production of qualifying property, plant and equipment are capitalized as a part of cost of that property, plant and equipment until such time that the assets are substantially ready for their intended use. Qualifying assets are assets which take a substantial period of time to get ready for the intended use or sale.

When the Company borrows the funds specially for the purpose of obtaining the qualifying assets, the borrowing costs incurred are capitalized with the qualifying assets. When the Company borrows fund generally and uses them for obtaining a qualifying asset, the capitalization of borrowing costs is computed on weighted average cost of general costs

that are outstanding during the reporting period and used for acquisition of the qualifying assets. Capitalization of the borrowing costs ceases when substantially all the activities necessary to prepare the qualifying assets for intended use are complete.

Other borrowing costs are recognized as expenses in the period in which they are incurred. Any interest income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

k) Employee Benefits

Short-Term Employee Benefits

All the employee benefits payable wholly within twelve months of rendering the services are classified as short-term employee benefits and they are recognized in the period in which the employee renders the related services. The Company recognizes the undiscounted amount of short-term employee benefits expected to be paid in exchange for services are rendered as a liability (accrued expense) after deducting any amount already paid.

Post - Employment Benefits

a) Defined Contribution Plans

Defined contribution plans are employee state insurance scheme and Government administrated pension fund scheme for all the applicable employees and superannuation scheme for all the eligible employees, who met eligible criteria. The Company's contribution to defined contribution plans is recognized in the Statement of Profit and Loss in the reporting period to which they relate.

i) Recognition and Measurement of Defined Contribution Plans

The Company recognizes contribution payable to a defined contribution plan as an expense in the Statement of Profit and Loss, when the employees render services to the Company during the reporting period. If the contributions payable for services received from employees before the reporting date exceed the contributions already paid, the deficit payable is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the reporting date, the excess is recognized as an asset to the extent that the prepayment will lead to, for example, a reduction in future payments or a cash refund.

b) Defined Benefits Plans

i) Gratuity

The Company operates a defined benefits plan for its employees. The Company pays the gratuity to employee whoever has completed its five years of service with the Company at the time of retirement or resignation or superannuation. The gratuity is paid @ 15 Days salary for every completed year of service as per the Payment of Gratuity Act, 1972.

The liabilities in respect of gratuity are calculated using "*Project Unit Credit Method*" and spread over the period during which the benefits are expected to be derived from employee services. The remeasurements of defined benefits plan in respect of post-employments are charged to the other comprehensive income (OCI).

ii) Provident Fund Scheme

Provident fund is defined contribution plan covering certain eligible employees. The Company and the eligible employees make a monthly contribution to the provident fund maintained by the regional provident fund commissioners equal to the specified percentage of the basic salary of the eligible employees as per the scheme. The contributions to the provident fund are charged to the Statement of Profit and Loss for the period when the contributions are due.

Recognition and Measurement of Defined Contribution Plans

The cost of providing defined benefits is determined using the "*Projected Unit Cash Credit*" method with actuarial valuations being carried out at each Balance Sheet date. The defined benefit obligations recognized in the Balance Sheet represent the present value of the defined benefit obligations as reduced by the fair value of plan assets, *if any*. Any

defined benefit assets (negative benefit defined obligations resulting from these calculations) are recognized representing the present value of available refunds and reductions in future contributions to the plan.

All expenses represented by current service cost, past service cost, if any, and net interest on defined benefit liabilities / (assets) are recognized in the Statement of Profit and Loss. Remeasurement of the net defined benefits liabilities/ (assets) comprising actuarial gains and losses and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liabilities /assets), are recognized in other comprehensive income. Such remeasurements are not reclassified to the Statement of Profit and Loss in the subsequent periods.

Past service cost is recognized immediately to the extent that the benefits are already vested, else is amortized on a straight-line basis over the average period until the amended benefits become vested. Actuarial gain or losses in respect of the defined benefits plan are recognized in the Statement of Profit and Loss in the year in which they arise.

The Company presents the above liabilities as current and non-current in the balance sheet as per the actuarial valuation by the independent actuary.

The Company generally operates with the policy to hire the outsourcing man power supply agencies, thus the total employee strength of the Company is below the threshold limit as prescribed under the Payment of Gratuity Act, 1972 and Employee Provident Fund Act and Miscellaneous Provision Act, 1952. Hence, the said Act is not applicable in the case of the Company. The cost of providing defined benefits is determined using the *"Projected Unit Cash Credit method"* with actuarial valuations being carried out at each balance sheet date. The defined benefit obligations recognized in the balance sheet represent the present value of the defined benefit obligations as reduced by the fair value of plan assets, *if applicable*. Any defined benefit assets (negative benefit defined obligations resulting from these calculations) are recognized representing the present value of available refunds and reductions in future contributions to the plan.

All expenses represented by current service cost, past service cost, *if any*, and net interest on defined benefit liabilities / (assets) are recognized in the statement of profit and loss. Re-measurements of the net defined benefits liabilities / (assets) comprising actuarial gains and losses and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liabilities / assets), are recognized in other comprehensive income. Such re-measurements are not reclassified to the statement of profit and loss in the subsequent periods.

Past service cost is recognized immediately to the extent that the benefits are already vested, else is amortized on a straight-line basis over the average period until the amended benefits become vested. Actuarial gain or losses in respect of the defined benefits plan are recognized in the statement of profit and loss in the year in which they arise.

The Company presents the above liabilities as current and non-current in the balance sheet as per the actuarial valuation by the independent actuary.

The Company generally operates with the policy to hire the outsourcing man power supply agencies, thus the total employee strength of the Company is below the threshold limit as prescribed under the Payment of Gratuity Act, 1972 and Employee Provident Fund Act and Miscellaneous Provision Act, 1952. Hence, the said Act is not applicable in the case of the Company.

l) Earnings per Share

The Company reports the basic and diluted Earnings per Share (EPS) in accordance with Ind AS - 33, *"Earnings per Share"*. Basic EPS is computed by dividing the net profit or loss attributable to the equity shareholders of the Company for the period by the weighted average number of Equity shares outstanding during the period.

Diluted EPS is computed by dividing the net profit or loss attributable to the equity shareholders for the period by the weighted average number of Equity shares outstanding during the period as adjusted for the effects of all potential equity shares, except where the results are anti-dilutive.

The weighted average number of Equity shares outstanding during the period is adjusted for events such a bonus Issue, bonus elements in right issue, share splits, and reverse share split (consolidation of shares) that have changed the number of Equity shares outstanding, without a corresponding change in resources.

m) Provisions and Contingencies

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists, and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated.

If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liabilities. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure for contingent liabilities is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

A provision is recognized if, as a result of a past event, the Company has a present legal obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as Contingent Liabilities.

Contingent assets are a possible asset arising from past events, the existence of which will be confirmed, only by the occurrence and non-occurrence of one or more uncertain future events not wholly within the controls of the Company. Contingent assets are not recognized till realization of the income is virtually certain and are not recognized in the Financial Statements. The nature of such assets and an estimate of its financial effects are disclosed in the notes to the Financial Statements.

n) Exceptional Items

Exceptional items are disclosed separately in the Financial Statements, where it is necessary to do so to provide further understanding of the financial performance of the Company. These are the material items of income or expenses that have shown separately due to their nature and incidence. An ordinary item of income or expense which by its size, nature, occurrence or incidence requires a disclosure in order to improve understanding of the performance of the Company is treated as an exceptional item in the Statement of Profit and Loss.

o) Event after Reporting Date

Adjusting events are those events that provides further evidence of conditions that existed at the end of the reporting period. The Financial Statements are adjusted for such events before authorization for issue. Non-adjusting events are those events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the end of the reporting period are not accounted, but disclosed if material.

All the events occurring after the balance sheet date up to the date of the approval of the Financial Statement of the Company by the board of directors on **May 24, 2025**, have been considered, disclosed and adjusted, wherever applicable, as per the requirement of Indian Accounting Standards.

p) Cash Flow Statements

Cash flows statements are reported using the method set out in the Ind AS - 7, "*Cash Flow Statements*" and is prepared by using indirect method adjusting the net profit / (losses) before tax excluding exceptional items for the effect of:

- i) Changes during the period in inventories and other operating receivables and payables;
- ii) Non-cash items such as depreciation, provisions, unrealized foreign currency gain / (losses); and
- iii) all other items for which the cash effects are investing and financing cash flows.

The cash flows from operating, investing and financing activities of the Company are segregated. The cash and cash equivalents (including balances with banks), shown in the Statement of Cash Flows exclude items, which are not available for general use as at the date of Balance Sheet.

q) Cash and Cash Equivalents

Cash and cash equivalents include cash and cheques-in-hand, balances with banks, and demand deposits with banks where the original maturity is three months or less and other short-term highly liquid investments net of bank of overdrafts, which are repayable on demand as these from an integral part of the Company's cash management.

r) Commitments

Commitments are the future liabilities for contractual expenditure, classified and disclosed as follows:

- i) estimated amounts of contracts remaining to be executed on capital account and not provided for;
- ii) other non-cancellable commitment, if any, to the extent they are considered material and relevant in the opinion of the Company's management.

Other commitments related to sales / procurements made in the normal course of business are not disclosed to avoid the excessive details.

1.5 RECENT ACCOUNTING PRONOUNCEMENT

Ministry of Corporate Affairs (the "MCA") notifies new standards or amendments to the existing standards under the Companies (Indian Accounting Standard) Rules as issued from time to time. For the period March 31, 2025, the MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

1.6 KEY ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of the Company's Financial Statements is in conformity with the Ind AS, which requires the Company's managements to make judgments, estimates and assumptions that affect the application of the accounting policies and the reported amounts of the assets, liabilities, incomes, and expenses (including the contingent liabilities) and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities effected in future periods. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revision to accounting estimates is recognized in the period in which the estimates are revised and in any future periods affected.

The key assumptions concerning the future and other key resources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amount of the assets and liabilities within the next financial year, are described as follow:

- a) **Income Tax**: The Company's tax jurisdiction is in India. Significant judgments are involved in estimating budgeted profits for the purpose of paying advance tax, determining the income tax provisions, including the amount expected to be paid / recovered for uncertain tax provisions (Refer "Note No. 6").
- b) **Property, Plants and Equipment**: Property, plants and equipment represent a significant proportion of assets base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and expected residual value at the end of its life. The useful lives and residual values of assets are determined by the Company's management at the time the assets are acquired and reviewed periodically, including at each financial year end. The useful lives of each of these assets are based on the life prescribed in Schedule - II to the Companies Act, 2013, or based on the technical estimates, taken into the account the nature of the assets, estimated usage, expected residual values and operating conditions of the assets. The useful lives are based on historical experience with the similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the assets.
- c) **Fair Value measurements of Financial Instruments**: When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cashflow model, which involves various judgments and assumptions. The input to these models is taken from observable markets wherever possible, where this is not feasible, a degree of judgment is required in establishing fair value. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of the financial instruments.

d) **Recoverability of Trade Receivables:** Judgment is required in assessing the recoverability of overdue trade receivables and determining whether a provision is against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payments.

e) **Provisions and Contingent Liabilities:** The Company's management estimates the provision that have present obligation as a result of past events, and it is probable that outflow of resources will be required to settle the obligation. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates.

The Company uses significant judgements to assess contingent liabilities. Contingent liabilities are disclosed when there is possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the controls of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognized nor disclosed in the Financial Statements.

f) **Impairment of Financial and Non-Financial Assets:** The impairment provision of financial assets is based on the assumptions about the risk of default and expected cash loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's history, existing market conditions as well as forward looking estimates at the end of the reporting period.

In case of non-financial assets, the Company estimates asset's recoverable amount, this is higher of an assets or cash generating units (CGU) fair value less the cost of disposal and the value-in-use. In assessing the value-in-use, the estimated future cash flows are discounted using the pre-tax discount rate that reflects current market assessments of the time value of money and the risk specific to the assets. In determining the fair value less cost of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is being used.

g) **Recognition of Deferred Tax Assets and Liabilities:** Deferred tax assets and liabilities are recognized for deductible temporary differences and unused tax losses or unused tax credit for which there is probability of utilization against the future taxable profits. The Company uses judgments to determine the amount of deferred tax that can be recognized, based upon the likely timing and the level of future taxable profits and business developments.

h) **Amortization of Leasehold Land:** The Company's lease assets primarily consist of lease for industrial land. The lease premium is the fair value of land paid by the Company to the respective authorities at the time of acquisition and there is no liability at the end of the lease term. The lease premium paid by the Company has been amortized over the lease period on systematic basis and the same has been classified under Ind AS - 16, "Property, Plant and Equipment" and therefore, the requirements of both the Ind AS - 116 and Ind AS - 17, as to the period over which, and the manner in which, the right of use assets (under Ind AS - 116) or the assets arising from the finance lease (under Ind AS - 17) amortized as similar.

Statement of Changes in Equity for the year then ended on March 31, 2025

Description of Nature and Purpose of the Reserves

- Capital Reserve:** The Capital Reserve was created out of the capital incentive received from the Sales Tax Department for the purpose of setting up manufacturing plants. The incentive is subject to certain terms and conditions, and any non-compliance with these conditions may result in the forfeiture of the incentive.
- Equity Instruments through Other Comprehensive Income:** This represents the cumulative gains or losses arising from the revaluation of equity instruments measured at fair value through other comprehensive income, under an irrevocable option, net of amounts reclassified to retained earnings upon disposal of such assets.
- Retained Earnings:** The Retained Earnings reserve represents the undistributed accumulated profits of the Company as at the reporting date of the financial statements.

13 Borrowings

Total...(C) (A + B)	49.98	101.29

Nature of Securities and Terms of Repayments

a) Hire purchase loans from banks and financial institutions are secured by way of hypothecation of the respective vehicles for which the funds were borrowed. These loans have been repaid in accordance with their respective repayment schedules provided by the banks and financial institutions, and generally carry interest rates ranging from 8.00% to 9.00% per annum.

b) Term loans from directors, promoters, and related parties are generally unsecured and are repayable on demand.

c) All loans from banks and financial institutions are further secured by the unconditional and irrevocable personal guarantees of two Directors, Shri Harish Agrawal and Shri Dinesh Agrawal.

Nature of Securities and Terms of Repayments

The overdraft facilities availed from Nagpur Nagrik Sahakari Bank Limited (NNSB) are secured by way of lien or pledge of term deposits currently held and to be held in the near future by the Company with NNSB. These credit facilities are further secured by the irrevocable personal guarantees of two Directors, Shri Harish Agrawal and Shri Dinesh Agrawal.

16 Trade Payables*		
	31.03.2025	31.03.2024
Trade Payables (Including Acceptance)**		
Due to Micro and Small Enterprises***	-	-
Due to Others#	0.001	0.001
Total...(C)	0.001	0.001

* Refer "Note No. 37" for ageing analysis of Trade Payables.

** Acceptances include arrangements wherein operational creditors for goods and services are initially paid by banks and financial institutions, while the Company continues to recognise the corresponding liabilities until settlement with the respective banks and financial institutions. Such settlements are generally effected within a period of 90 days and amounted to ₹ NIL (Prev Year ₹ NIL).

*** The Company has certain dues to the suppliers of Micro, Small and Medium Enterprises Development Act, 2006 ("MSMED Act 2006"). The disclosure pursuant to the said MSMED Act, 2006 are as follows:

	31.03.2025	31.03.2024
Principal amount due to the suppliers registered under the MSMED Act, 2006 and remaining amount unpaid at the end of the period	-	-
Interest due to the suppliers registered under the MSMED Act, 2006 and remaining unpaid at the end of the period	-	-
Principal amount paid to the suppliers registered under the MSMED Act, 2006 beyond the stipulated day during the period	-	-
Interest paid, under Section 16 of MSMED Act, 2006 to the suppliers registered under the Act, beyond the "Appointed Day" during the period	-	-
Interest due or payable towards the suppliers registered under the MSMED Act, 2006 for the payments already made	-	-
Further interest remaining due and payable for the earlier period	-	-

The Company has not received any memorandum, as required to be filed by the suppliers with the notified authority under the Micro, Small and Medium Enterprises Development Act, 2006, claiming their status as Micro, Small and Medium Enterprises as at March 31, 2025. Consequently, as informed by the management, the amount paid or payable to such parties during the current and previous reporting periods is ₹ NIL.

Refer "Note No. 35B" for the information of credit risk and market risk for Trade Payables.

17 Other Financial Liabilities

26 Consolidated Financial Statements		
During the current and previous reporting periods presented in these Ind AS financial statements, the Company did not have any subsidiaries, associates, or joint ventures. Accordingly, the disclosure requirements under Ind AS 110 – "Consolidated Financial Statements" are not applicable to the Company.		

27 Corporate Social Responsibility		
As per section 135 of the Companies Act, 2013, a company meeting the prescribed threshold criteria is required to spend at least 2% of its average net profits of the immediately preceding three financial years on Corporate Social Responsibility (CSR) activities. The areas of CSR activities include eradication of hunger and malnutrition, promotion of education, art and culture, healthcare, destitute care and rehabilitation, environmental sustainability, disaster relief, and rural development projects, as specified under Schedule VII of the Companies Act, 2013. A CSR Committee is required to be constituted to administer the CSR funds and ensure proper allocation and utilisation for the specified purposes. However, the Company does not meet the eligibility criteria specified under section 135 of the Companies Act, 2013, and accordingly, the provisions relating to CSR are not applicable for the current and previous reporting periods presented in the financial statements.		

28 Segment Reporting		
During the current and previous reporting periods presented in these Ind AS financial statements, the Company has operated under a single reportable segment, i.e., trading of Iron and Steel. Accordingly, the disclosure requirements under Ind AS 108 – "Operating Segments" are not applicable to the Company for the periods presented.

31	Dividend		
	During the current and previous reporting periods presented in these Ind AS financial statements, the Board of Directors of the Company has not declared any interim dividend at its respective meetings, in accordance with Section 123 of the Companies Act, 2013. Further, the Board of Directors has not proposed any final dividend at its meeting held on May 24, 2025, for the financial year ended March 31, 2025		

32	Details of Hedge and Unhedged Exposures in Foreign Currency Denominated Monetary Items		
A)	Exposure in Foreign Currency - Hedged		
	The Company has not entered into any forward exchange contracts to hedge its foreign currency exposures relating to underlying transactions and firm commitments. Further, the Company has not undertaken any derivative transactions for trading or speculative purposes during the current and previous reporting periods presented in these Ind AS financial statements.		

B) Exposure in Foreign Currency - Unhedged

The Company does not have any unhedged foreign currency exposure as at the end of the current or previous reporting periods, either in the form of receivables or payables. Accordingly, the disclosure requirements in this regard are not applicable to the Company.

33 The Code of Social Security, 2020 (the "Code") relating to employee benefits during employment and post-employment benefits has received the Presidential assent on September 28, 2020. The Code has been published in the Official Gazzate of India. However, the date on which the Code will come into effect has not been notified and the final rules / interpretation have not yet been issued. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective. Based on the preliminary assessment, the entity believes the impact of such changes will not be significant.

"Note No. - 35A" - Fair Value Measurements

i) Financial Instruments measured at fair value through other comprehensive income

(Amounts ` in Lakhs)

Financial Assets / Financial Liabilities	Fair Value As At 31.03.2025	Fair Value Hierarchy		
		Quoted Price in Active Market (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investment in Quoted Equity Instruments	` 73.83	` 01.35	` 72.48	--

(Amounts ` in Lakhs)

Financial Assets / Financial Liabilities	Fair Value As At 31.03.2024	Fair Value Hierarchy		
		Quoted Price in Active Market (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investment in Quoted Equity Instruments	` 74.05	` 01.57	` 72.48	--

The Company does not hold any quoted or unquoted debentures or bonds that are measured at Fair Value through Other Comprehensive Income (FVTOCI). Accordingly, the disclosure requirements under Ind AS 109 - "*Financial Instruments: Recognition and Measurement*", relating to such instruments, are not applicable to the Company for the reporting periods presented in the financial statements.

ii) Financial Instruments measured at fair value through profit or loss

The Company neither holds unquoted equity shares (other than investments in associates measured at amortized cost), nor foreign currency forward exchange contracts, nor quoted mutual funds that are required to be measured at Fair Value through Profit or Loss (FVTPL). Accordingly, the fair value disclosure requirements under Ind AS 109 - "*Financial Instruments*" are not applicable to the Company for the reporting periods presented in these financial statements. The Company holds certain unquoted equity instruments which, at initial recognition, were designated to be measured at amortized cost.

The Company does not have any financial liabilities that are measured at Fair Value through Profit or Loss (FVTPL). Accordingly, the disclosure requirements under Ind AS 109 - "*Financial Instruments*" relating to such liabilities are not applicable to the Company for the reporting periods presented in these financial statements.

iii) Financial Instruments measured at amortized costs

The carrying amounts of financial assets and financial liabilities measured at amortized cost in these Ind AS financial statements approximate their fair values, as the Company does not expect any significant difference between the carrying amounts and the amounts that would be received or settled in the normal course of business.

"Note No. - 35B" - Financial Risk Management - Objectives and Policies

The Company's financial assets primarily comprise loans, investments, security deposits, cash and cash equivalents, other bank balances, trade receivables, and other receivables arising directly from its business operations. The Company's financial liabilities primarily consist of loans and borrowings in Indian currency, retention money payable to vendors, trade payables, and other payables, which also arise directly from its business operations. The principal purpose of these financial liabilities is to finance the Company's operational activities and to provide guarantees in support of its business operations.

The Company is exposed to market risk, credit risk, and liquidity risk arising from its financial instruments. The Board of Directors oversees the management of these financial risks. The Company has a risk management policy, formulated by the management and approved by the Board, which outlines the Company's approach to addressing uncertainties in its efforts to achieve both stated and implicit objectives. The policy defines the roles and responsibilities of the management, the organizational structure for managing risks, and the overall risk management framework. This framework is designed to identify, assess, and mitigate financial risks to minimize their potential adverse impact on the Company's financial

performance. Based on the information and circumstances presented, the Board has taken all necessary actions to mitigate the identified risks

The following disclosures summarize the Company's exposure to financial risks and the information regarding use of derivatives employed to manage the exposures to such risks. Quantitative sensitivity analysis has been provided to reflect the impact of reasonably possible changes in market rate on financial results, cash flows and financial positions of the Company.

1) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of Risk: *"Interest rate risk, Currency risk and Other price risk"*. Financial instruments affected by the market risk include the loans and borrowings in domestic currency, retention money related to vendors, trade payable, trade receivables and other payables.

a) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash outflows of a financial instrument will fluctuate because of changes in market interest rates. An upward movement in the interest rate would adversely affect the borrowing cost of the Company. The Company is exposed to long-term and short-term borrowings. The Company manages interest rate risk by monitoring its mix of fixed and floating rate instruments and taking actions as necessary to maintain an appropriate balance. The Company has not used any interest rate derivatives.

i) Interest Rate Risk Exposure

(Amounts ` in Lakhs)		
Particulars	31.03.2025	31.03.2024
Variable Rate Borrowing	9.75	165.80
Fixed Rate Borrowing	52.06	103.64

ii) Sensitivity Analysis

Profit and loss estimate to higher / lower interest rate expense from borrowings as a result of changes in interest rate.

(Amounts ` in Lakhs)		
Particulars	31.03.2025	31.03.2024
Interest Rate - Increase by 70 Basis Points	(0.43)	(1.89)
Interest Rate - Decrease by 70 Basis Points	0.43	1.89

b) Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash outflows of an exposure will fluctuate due to changes in foreign exchange rates. The Company operates only in domestic markets, hence the risk related to the foreign currency is not applicable in the case of the Company for all the reporting period presented under the financial statements.

c) Other Price Risk

Others price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market-traded price. Other price risk arises from financial assets such as investments in equity instruments. The Company is exposed to price risk arising mainly from investments in quoted equity instruments recognized at FVTOCI. As at March 31, 2025, the carrying value of such quoted equity instruments recognized at amounts FVTOCI amounts to ` 73.83 Lakhs (March 31, 2024 ` 74.05 Lakhs). The details of such investments in quoted equity instruments are given in *"Note No. 3"*.

The Company is mainly exposed to changes in market traded rate of its investments in quoted equity instruments recognized in other comprehensive income. A sensitivity analysis demonstrating the impact of change in market prices of these instruments from the prices existing as at the reporting date is given below:

If the equity prices have been higher / lower by 10% from the market price existing as at March 31, 2025, other comprehensive income (OCI) for the period ended would increase by ` 07.38 Lakhs (Previous Year ` 07.41 Lakhs) and decrease by ` 07.38 Lakhs (Previous Year ` 07.41 Lakhs) respectively with a corresponding increase / decrease in total equity of the Company as at March 31, 2025. 10% represents the management's assessment of reasonably possible changes in equity prices.

The Company is not exposed to price risk arising from investments in bonds recognized at FVTOCI.

2) Credit Risk

Credit risk refers to the risk that the counterparty will default on its contractual obligations resulting in financial losses to the Company. Credit risk arises primarily from financial assets such as trade receivables, cash and cash equivalents, other balances with banks and other financial assets with the Company.

The Company has adopted a policy of only dealing with counter parties that have sufficiently high credit rating. The Company's exposure and credit ratings of its counterparties are continuously monitored and the aggregate value of transactions is reasonably spread amongst the counterparties.

Credit risk arising from term deposits and other balances with banks is limited and there is no collateral held against these because the counterparties are banks and recognized financial institutions with high credit rating assigned by the international credit rating agencies.

The average credit period on sale of products ranges from 60 to 90 days. Credit risk arising from trade receivable is managed in accordance with the Company's established policy, procedures and control relating to customer credit risk management. The credit quality of a customer is assessed based on detailed study of credit worthiness and accordingly individual credit limits are defined / modified. The concentration on credit risk is limited due to the fact that the customer base is large. For trade receivables, as a practical expedient, the Company computes credit loss allowance based on provision matrix. The provision matrix is prepared on historically observed default rate over the expected life of trade receivable and is adjusted for forward-looking estimates. The provision matrix at the end of reporting period as follows:

Net Outstanding > 365 Days	Percentage of Collection to Gross Outstanding in Current Year	Credit Loss Allowances
Yes	< 25%	Yes, to the extent of lifetime expected credit losses outstanding as at reporting date.
Yes	> 25%	Yes, to the extent of lifetime expected credit losses pertaining to balances outstanding for more than one year.

(Amounts ` in Lakhs)

Movement in Expected Credit Loss Allowance on Trade Receivables	31.03.2025	31.03.2024
Balance at the beginning of the reporting period	105.53	20.73
Add: Loss Allowance measured at lifetime expected credit losses	2.54	84.80
Less: Bad Debts Written off during the reporting period	--	--
Balance at the end of reporting period	108.07	105.53

3) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in raising the funds to meet the commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value.

The Company has an established liquidity risk management framework for managing its short-term, medium-term and long-term funding and liquidity management requirements. The Company's exposure to liquidity risk arises primarily from mismatches of maturities of financial assets and liabilities. The Company manages the liquidity risk by maintaining adequate funds in the cash and cash equivalents. The Company also has adequate credit facilities agreed with banks to ensure that there is sufficient cash to meet all its normal operating commitments in a timely and cost-effective manner.

The Company believes that its liquidity position {As at March 31, 2024 ` 24.88 Lakhs (Prev Year ` 196.24 Lakhs)}, anticipated future internally generated funds from operations and its fully available revolving undrawn credit facilities will enable it to meet its future known obligations in the ordinary course of business. However, if liquidity needs were to arise, the Company believes it has excess to financing arrangements, value of unencumbered assets, which should be unable it to meet its ongoing capital, and other liquidity requirements.

The liquidity position of the Company mentioned above, includes;

- i) Cash and Cash Equivalents as disclosed in the Cash Flows Statements
- ii) Current / Non - current term deposits as disclosed in the financial assets

The Company's liquidity position monitored by the managements, includes;

- i) Day to day funding, managed by monitoring future cash flows to ensure that requirements can be met;
- ii) Maintaining rolling forecasts of the Company's liquidity positions on the basis of expected cash flows;
- iii) Maintaining diversified credit lines.

The below table analysis shows the financial liabilities of the Company into the relevant maturity grouping based on the remaining period from the reporting date to the contractual maturity date. The amounts disclosed in the table are the contractual undiscounted cash flows:

(Amounts ` in Lakhs)					
Particulars	Less than 1 Year	Between 1 to 5 Year	More than 5 Year	Total	Carrying Value
As at March 31, 2025					
Borrowings	11.82	49.98	--	61.80	61.80
Other Financial Liabilities	01.98	--	--	01.98	01.98
Trade Payables	00.001	--	--	00.001	00.001
As at March 31, 2024					
Borrowings	168.16	101.29	--	269.45	269.45
Other Financial Liabilities	11.13	00.90	--	12.03	12.03
Trade Payables	00.001	--	--	00.001	00.001

"Notes - 35C" - Capital Management

The Company adheres to a robust Capital Management framework which is underpinned by the following guiding principles;

- a) Maintain the financial strength to ensure good rating domestically and Investment grade ratings internationally.
- b) Ensure financial flexibility and diversify source of financing and their maturities to minimize liquidity risk while meeting investment requirements.
- c) Ensure sufficient liquidity is available (either through cash and cash equivalents, investments or committed credit facilities) to meet the needs of businesses.
- d) Minimize the finance costs while taking into consideration current and future industry, market and economic risks and conditions.
- e) Safeguard its ability to continue as going as a going concern.
- f) Leverage optimally in order to maximize shareholder returns while maintaining strength and flexibility of the Balance Sheet.

This framework is adjusted based on underlying macro-economic factors affecting business environments, financial market conditions and interest rates environment.

The Board of Director of the Company has primary responsibilities to maintain a strong capital base and reduce the cost of capital through prudent management of deployed fund and leveraging in domestic and international financial market so as to maintain investors, creditors and market confidence and to sustain future development of the business.

For the purpose of the Company's Capital Management, capital includes issued equity capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value.

As at March 31, 2025, the Company has only one class of equity shares and has debts which is secured against the term deposits held by the Company as at the balance sheet date. Consequent to such capital structure, there are no externally imposed capital requirements in order to maintain or achieve an optimal capital structure, the Company allocates its capital for distribution as dividend or reinvestment into business based on its long-term financial plans.

The Company manages its capital on the basis of Net Debt to Equity Ratio which is Net Debt (Total Borrowings net of Cash and Cash Equivalents) divided by total equity.

(Amounts ` in Lakhs)

Particulars	March 31, 2025	March 31, 2024
