MANAGEMENT DISCUSSION AND ANALYSIS REPORT

ECONOMY

The global economy grew at 3.1% in 2024, marginally slower than the previous year. Global growth continued to face headwinds from persistent geopolitical tensions, disruptions in global supply chains, elevated energy prices, and tight monetary policies adopted by major economies to curb inflation. Although inflation showed signs of cooling, high interest rates and cautious consumer sentiment prevailed across major markets.

In contrast, India's economic performance remained strong, supported by resilient domestic demand, healthy corporate earnings, and robust infrastructure investments. The Indian economy recorded a growth rate of 7.2% in FY 2024–25, as per the Reserve Bank of India (RBI), reflecting continued momentum from the previous year. The secondary sector, including manufacturing and construction, remained the key growth driver, supported by government capital expenditure and private sector participation.

India retained its position as the fifth-largest economy in the world in nominal GDP terms and the third-largest economy in terms of Purchasing Power Parity (PPP), showcasing its growing role in the global economy.

INDUSTRY STRUCTURE AND DEVELOPMENTS

The Indian financial services sector remained vibrant during FY 2024–25, supported by macroeconomic stability, increased credit penetration, and strong capital markets. The Government of India's continued thrust on infrastructure, digital transformation, and formalization of the economy contributed positively to the sector.

The Union Budget 2024–25 reiterated the government's focus on capital expenditure with an allocation of ₹11.11 lakh crore, reflecting an 11.1% increase over the previous year. This created multiplier effects across various sectors, spurring credit demand and business activity.

The Indian equity markets continued their upward trajectory during the year, buoyed by positive investor sentiment, strong retail participation, and a favorable policy environment. IPO activity remained robust, with companies leveraging market conditions to raise growth capital. Financial services, infrastructure, manufacturing, and technology were among the key contributors.

NBFCs, including companies like Haryana Capfin Limited, benefited from the overall economic recovery and increased credit demand. However, they also faced regulatory tightening under the RBI's Scale-Based Regulation (SBR) framework aimed at strengthening financial stability and risk management.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company continues to maintain a sound and effective internal control framework, in compliance with the provisions of the Companies Act, 2013. Internal controls have been designed to ensure:

- Efficient and orderly conduct of business,
- Safeguarding of assets,
- Prevention and detection of frauds and errors,
- Accuracy and completeness of accounting records, and
- Timely preparation of financial information.

Internal Auditors of the Company, continued to provide periodic reports. These were reviewed by the Audit Committee, which took appropriate actions to further strengthen the internal financial control systems.

OPPORTUNITIES & THREATS

Opportunities:

- Government policies such as 'Make in India', PLI schemes, and increased infrastructure investment continue to present growth avenues for financial service providers.
- Ongoing digitization and the rise of financial inclusion in rural and semi-urban areas open new market opportunities.
- Expansion of capital markets and growing retail investor base provide further scope for growth in the financial intermediary segment.

Threats:

- The global macroeconomic environment remains uncertain due to geopolitical tensions, inflationary pressures, and supply chain disruptions.

HARYANA CAPFIN LIMITED

- Increased regulatory oversight for NBFCs and changing compliance requirements may affect operational flexibility.
- Intensifying competition from fintech players and traditional financial institutions may put pressure on margins.

Despite these challenges, the Company remains cautiously optimistic and is proactively exploring new avenues while mitigating potential risks.

RISK MANAGEMENT

The Company's risk management framework focuses on identifying, evaluating, and mitigating key business risks. During FY 2024–25, the Company further enhanced its approach by:

- Improving risk assessment tools to capture emerging risks,
- Strengthening of risk controls,
- Ensuring compliance with the updated regulatory norms under RBI's SBR Framework.

The Company continues to maintain a prudent and proactive risk culture to safeguard stakeholder interests while supporting growth.

HUMAN RESOURCES

Haryana Capfin Limited continues to recognize the critical role of human capital in achieving its strategic objectives. During the year, efforts were made to attract and retain skilled professionals, develop leadership talent, and promote a culture of accountability and continuous learning.

Training and development programs were conducted to enhance employee competencies in line with evolving business needs. HR policies were aligned with best practices to promote diversity, collaboration, and performance-driven culture.

INDEPENDENT AUDITORS' REPORT

To

The Members

Haryana Capfin Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the Financial Statements of Haryana Capfin Limited ("the Company"), which comprise the Balance sheet as at 31st March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flow for the year then ended, and Notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and the accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at March 31, 2025 and its profit, (financial performance including other comprehensive income), changes in equity and the cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matters

Attention is invited to Note No. 27 of Notes to Financial Statements which disclose the ratios. As per RBI Master Direction – Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023, "NBFCs shall maintain a minimum capital ratio consisting of Tier 1 and Tier 2 capital which shall not be less than 15 percent of its aggregate risk weighted assets on balance sheet and of risk adjusted value of off-balance sheet items." However, the Company do not maintain the Minimum Capital Adequacy Ratio of 15% for the year ended 31st March 2025.

Our opinion is not modified in respect of the matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report:-

Key Audit Matters	How our audit addressed the key audit matter
1. Related Party Disclosure and Transactions (Refer Note No. 22 and 33(2) of Notes to Financial Statements)	
The Company has entered into material related party transactions and a substantial amount of assets are owed to Related Parties. The said matter is Key Audit Matter due to the significance of transactions with related parties during the year ended 31st March, 2021.	Our audit procedures included the following: - Obtaining an understanding of the Company's policies and procedures in respect of the capturing of related party transactions and how management ensures all transactions and balances with related parties have been disclosed in the Financial Statements. - Obtaining an understanding of the Company's policies and procedures in respect of evaluating

HARYANA CAPFIN LIMITED

	arm's length pricing and approval process by the Audit Committee and the Board of Directors. - Designing and performing audit procedures in accordance with the guidelines laid down by ICAI in the Standard on Auditing (SA 550) to identify, assess and respond to the risks of material misstatement arising from the entity's failure to appropriately account for or disclose material related party transactions, which includes obtaining necessary approvals at appropriate stages of such transactions as mandated by applicable laws and regulations. - Evaluating the disclosures through reading of statutory information, books and records and other documents obtained during the course of our audit.
2. Assessment of carrying value of equity investments in subsidiary and fair value of other investments (Refer Note No. 4 and 35 of Notes to Financial Statements)	
The Company being a Non-Banking Financial Corporation (NBFC) is engaged into investment business and granting loans. The Company has Rs. 42,364.23 Lakhs in form of Investment in Equity Shares of Entities in the same group that are designated at Fair Value through Other Comprehensive Income out of Total Assets of Rs. 43,344.50 Lakhs. That Investment representing 97.74% of Total Assets of the Company as on 31st March 2025. The Investments carried at fair values, a fair valuation is done at the year-end as required by Ind AS 109. The accounting for investments is a Key Audit Matter as the determination of recoverable value for impairment assessment/fair valuation involves significant management judgement and estimates such as future expected level of operations and related forecast of cash flows, market conditions, discount rates, terminal growth rate etc.	Our audit procedures included the following: - Obtained an understanding from the management, assessed and tested the design and operating effectiveness of the Company's key controls over the impairment assessment and fair valuation of material investments. - Evaluated the Company's process regarding impairment assessment and fair valuation assessment of the underlying assumptions relating to discount rate, terminal value etc. - Assessed the carrying value/fair value calculations of all individually material investments. - Checked the mathematical accuracy of the impairment model and agreed the relevant data on sample basis with the latest budgets, actual past results and other supporting documents. - Evaluated the adequacy of the disclosures made in the Financial Statements. Based on the above procedures performed, we did not identify any significant exceptions in the management's assessment in relation to the carrying value of equity investments in group companies designated at Fair Value through Other Comprehensive Income of other investments.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Management and Board of Directors are responsible for the preparation of other information. The other information comprises the information included in the Management discussion and analysis, Director's Report, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS prescribed under section 133 of the Act read together with the Companies (Accounts) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143 (3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with respect to the Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of reasonable knowledgeable user to the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in planning the scope of our audit and in evaluating the result of our work; and to evaluate the effect of any identified misstatement in the Financial Statements.

HARYANA CAPFIN LIMITED

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and records of the Company as well as considered appropriate and according to the information and explanation given to us, we give in the "**Annexure – A**", statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure – A to the Independent Auditor’s Report

With reference to the Annexure – A to Independent Auditor’s Report to the members of the Company on the Financial Statements for the year ended 31st March 2025. In terms of the information and explanation sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we report the following: -

I. Property Plant and Equipment

- (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment and relevant details of right of use assets.
- (B) The Company has not have any intangible assets. Thus, the paragraph is not applicable.
- (b) As explained to us, the Property, Plant and Equipment of the Company have been physically verified by the management at reasonable intervals. According to the information and explanation given to us by the management, no material discrepancies have been noticed on such verification.
- (c) According to the information and explanations given to us and based on our examination of the records of the Company, the title deeds of immovable properties included in the Property, Plant & Equipment are held in the name of the Company.
- (d) The Company has not revalued any of its Property, Plant and Equipment (including right of use assets) or intangible assets during the year.
- (e) According to the information and explanation given to us, No proceedings have been initiated during the year or are pending against the Company as at 31st March, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

II. Inventories

- (a) The company is a service company, primarily rendering financial services. Accordingly, it does not hold any physical inventories. Thus paragraph 3(ii)(a) of the order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned working capital limits of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets hence reporting under clause 3(ii)(b) of the Order is not applicable.

III. Investment made or Loans given

- (a) Since the Company’s principal business is to give loans, the provisions of clause 3(iii) (a) of the order are not applicable to it.
- (b) According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinions that the investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees provided are, prima facie, not prejudicial to the company’s interest.
- (c) The Company, being a Non-Banking Financial Company (“NBFC”), registered under provisions of RBI Act, 1934 and rules made thereunder, in pursuance of its compliance with provisions of the said Act/Rules, particularly, the Income Recognition, Asset Classification and Provisioning Norms, monitors repayment of Principal and payment of interest by its borrowers as stipulated. In cases where repayment of principal or payment of interest is not received as stipulated, the cognizance thereof is taken by the Company in course of its periodic regulatory reporting.
- (d) The Company, being a Non-Banking Financial Company (“NBFC”), registered under provisions of RBI Act, 1934 and rules made thereunder, in pursuance of its compliance with provisions of the said Act/Rules, particularly, the Income Recognition, Asset Classification and Provisioning Norms, monitors repayment of Principal and payment of interest by its borrowers as stipulated. In cases where repayment of principal or payment of interest is not received as stipulated, the cognizance thereof is taken by the Company in course of its periodic regulatory reporting.
- (e) The company being an NBFC whose principal business is to give loans is exempt from clause 3(iii) (e) of the Order.

- (f) The company has not granted demand loan to related party and does not provide any loans or advances in the nature of loans without specifying the terms or period of repayment during the year.

IV. Compliance of Section 185 & 186

According to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act, with respect to the loans given, investments made, guarantees and securities, as applicable.

V. Public Deposit

According to the information and explanations given to us and as verified by us, the Company has not accepted any deposits or amounts which are deemed to be deposits from the public and hence the direction issued by Reserve Bank of India and the provision of section 73 to 76 or any other relevant provision of the Act and the Rules framed there under apply are not applicable. Accordingly, Paragraph 3(v) of the Order is not applicable to the Company.

VI. Cost Records

According to the information and explanations given to us and as verified by us, the maintenance of cost records has not been specified by the Central Government under section 148(1) of the Act for the business activities carried out by the Company. Thus, reporting under clause 3(vi) of the order is not applicable to the Company.

VII. Statutory Dues

- a) The Company is generally regular in depositing the undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Sales-tax, Wealth Tax, Goods and Services Tax, Custom Duty, Excise Duty and other statutory dues, as applicable, with the appropriate authorities in India; According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding on the last day of the financial year concerned for a period of more than six months from the date they became payable.
- b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income tax or goods and service tax, provident fund, employees' state insurance, income tax, sales tax, service tax, custom duty, excise duty, value added tax, Cess and other statutory dues which have not been deposited on account of any dispute.

VIII. Unrecorded Income

According to the records of the Company and information and explanations given to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

IX. Repayment of borrowings

- a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- c) In our opinion, and according to the information and explanations given to us, the Company has not obtained any term loans. Hence compliance to clause (c) of the paragraph 3 of the order is not applicable.
- d) On an overall examination of the Financial Statements of the Company, the Company has not raised funds for short term basis and utilized for long term purposes.
- e) On an overall examination of Financial Statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.

X. Application of fund raise through public offer

- a) According to the records of the Company and information and explanations given to us and on the basis of examination of books of accounts, The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable to the Company.

HARYANA CAPFIN LIMITED

- b) According to the records of the Company and information and explanations given to us and on the basis of examination of books of accounts, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.

XI. Fraud

- a) No fraud by the Company and on the Company has been noticed or reported during the year.
- b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- c) No whistle-blower complaints were received by the Company during the year (and up to the date of this report) and hence reporting under clause 3(xi) (c) of the Order is not applicable.

XIX. Material Uncertainty

According to the records of the Company and information and explanations given to us, on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Financial Statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

XX. Transfer to fund specified under Schedule VII of Companies Act, 2013

In our opinion and according to the information and explanations given to us, Since the Company's profit is not more than the prescribed limit as per the requirement of Section 135 of the Companies Act, providing towards Corporate Social Responsibility (CSR) in respect of unspent amounts towards CSR is not applicable to the Company. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

Annexure – B to the Independent Auditor's Report

With reference to the Annexure – B referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' section of the Independent Auditor's Report to the members of the Company on the Financial Statements for the year ended 31st March 2025.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls with reference to Financial Statements of Haryana Capfin Limited ("the Company") as of 31 March, 2025 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgments, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Financial Statements.

Meaning of Internal Financial Controls With reference to Financial Statements

A Company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes

HARYANA CAPFIN LIMITED

in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls With reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to be best of our information and according to the explanations given to us, the Company has, broadly, in all material respects, an adequate internal financial controls with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at March 31, 2025, based on the internal control with reference to Financial Statement criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

HARYANA CAPFIN LIMITED

NOTES TO THE FINANCIAL STATEMENTS

1) Background

Haryana Capfin Limited ("the Company") is registered as Non-Banking Financial Company (NBFC) as defined under Section 45-1A of the Reserve Bank of India Act, 1934 (RBI). The Company is primarily a holding company, holding investment in its subsidiaries, associates and other group companies. The Company's subsidiaries and associates are engaged in a wide array of business in the financial service sector.

2) Significant Accounting Policies

The significant accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements.

a) Statement of compliance with IND AS:

The Standalone Financial Statements have been prepared in accordance with Indian Accounting Standards (hereinafter referred to as the "Ind-AS") as notified by the Ministry of Corporate Affairs, pursuant to section 133 of the Companies Act 2013 (The Companies (Indian Accounting Standards) Rules, 2015) and comply in all material aspects with their provisions .

Basis of preparation:

The financial statements have been prepared under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair values by Ind AS. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

b) Reporting Presentation Currency:

All amounts in the standalone financial statements and notes thereon have been presented in Indian Rupees (INR) (reporting and primarily functional currency of the company).

c) Use of estimates and critical accounting judgments:

In preparation of the financial statements, the Company makes judgments, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected.

Due to the nature of the Company's operations, critical accounting estimates and judgements principally relate to the:

d) Recoverability of Trade Receivables

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

e) Provisions and contingent liabilities

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognized in the financial statements. Contingent assets are neither recognised nor disclosed in the financial statements.

f) Property, plant and equipment:

An item of property, plant and equipment is recognised as an asset if it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to the costs incurred initially to acquire an item of property, plant and equipment and also to costs incurred subsequently to add to, replace part of, or service it. All other repair and maintenance costs, including regular servicing, are recognised in the statement of profit and loss as incurred. When a replacement occurs, the carrying value of the replaced part is derecognised . Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items.

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment. Cost includes all direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use. Borrowing costs incurred during the period of construction is capitalised as part of cost of the qualifying assets.

The gain or loss arising on disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of profit and loss.

On transition to Ind-As, the company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at 1st April 2019, measured as per the previous GAAP and use that carrying value as the deemed cost of such property, plant and equipment.

g) Intangible assets:

Intangible assets are capitalized where it is expected to provide future enduring economic benefits. Expenses incurred on up gradation I enhancements are charged off as revenue expenditure unless they bring similar significant additional benefits.

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

h) Depreciation and amortization of property, plant and equipment and intangible assets:

Depreciation commences when the assets are ready for their intended use. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on property, plant and equipment has been provided on "Straight Line Method". Depreciation on property, plant and equipment is provided on pro-rata basis based on the useful life as per Schedule II to the Companies Act, 2013. Freehold Land and construction in progress are not depreciated. Leasehold lands are depreciated over the period of lease tenure. The estimated useful lives of assets and residual values are reviewed regularly and, when necessary, revised. The estimated useful lives for the main categories of property, plant and equipment and other intangible assets are:

Estimated useful life of the tangible asset, based on the useful life as per Schedule II to the Companies Act, 2013

i) Impairment of Assets:

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

Where an impairment loss subsequently reverses, the carrying value of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount so that the increased carrying value does not exceed the carrying value that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised in the statement of profit and loss immediately.

j) Leases:

Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating lease.

k) Finance lease: As

a lessee

Assets held under finance leases are initially recognised as Assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalized. A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

As a lessor

When assets are leased out under a finance lease, the present value of minimum lease payments is recognised as a receivable. The difference between the gross receivable and the present value of receivable is recognised as unearned finance income. Lease income is recognised over the term of the lease using the net investment method before tax, which reflects a constant periodic rate of return.

Operating Leases As a lessee

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company, as lessee, are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

As a lessor

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

l) Investment in subsidiaries and associates:

Investment in subsidiaries and associates are shown at cost. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is transferred to the Statement of Profit and Loss. On disposal of investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the Statement of Profit and Loss.

m) Financial Instruments:

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

(i) Financial assets

Cash and bank balances

Cash and bank balances consist of:

- (a) **Cash and cash equivalents** - which includes cash at bank and in hand, short term deposits and highly liquid investments with an original maturity of three months or less which are readily convertible into known amounts of cash, are subject to an insignificant risk of change in value. These balances with banks are unrestricted for withdrawal and usage.
- (b) **Other bank balances** - which includes balances and deposits with banks that are restricted for withdrawal and usage.

Financial assets at amortised cost:

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair value through other comprehensive income (FVOCI):

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company in respect of equity investments (other than in subsidiaries, associates and joint ventures) which are not held for trading has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of such equity instruments. Such an election is made by the Company on an instrument by instrument basis at the time of initial recognition of such equity investments.

Fair value through profit or loss:

Financial asset not measured at amortised cost or at fair value through other comprehensive income is carried at fair value through the statement of profit and loss.

Impairment of financial assets:

Loss allowance for expected credit losses is recognised for financial assets measured at amortised cost and fair value through other comprehensive income.

For trade receivables, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

De-recognition of financial assets

The Company derecognizes a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset and the transfer qualifies for derecognition under Ind AS 109.

(ii) Financial liabilities and equity instruments Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in Statement of Profit and Loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortized cost, using the effective interest rate method where the time value of money is significant. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

De-recognition of financial liabilities:

The Company de-recognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

iii) Offsetting financial instruments

Financial assets and liabilities are being offset and the net amount reported in the Financial Statements when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

iv) Derivative financial instruments:

The Company uses derivative financial instruments i.e. Forward Contracts to hedge its risks associated with foreign exchange fluctuations. These derivative financial instruments are used as risk management tools only and not for speculative purposes. The fair values of these derivative financial instruments are recognized as assets or liabilities at the balance sheet date and gain/loss is recognised in statement of profit and loss unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in Statement of Profit and Loss depends on the nature of the hedge item.

n) Employee benefits:

(i) Short Term Employee Benefits

All employee benefits payable within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages etc. and the expected cost of bonus, exgratia, compensatory leave encashment, incentives are recognized in the period during which the employee renders the related service.

(ii) **Post-Employment Benefits**

a) **Defined contribution plan:**

This benefit includes contribution to provident fund and employee's state insurance scheme administered by government. Expenses are recognized in the statement of profit and loss for the year in which the employee has rendered services.

b) **Defined Benefit Plan:**

The present value of obligation is determined based on actuarial valuation using the projected unit credit method and the retirement benefit obligation (Liabilities) is recognized in the Balance Sheet net of fair value of planned assets. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. The service cost and net interest on the net defined benefit liability/(asset) is treated as a net expense within employment costs.

o) **Inventories:**

Inventories are valued at lower of cost (FIFO basis) or net realisable value.

p) **Provisions:**

Provisions are recognised in the balance sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date. Where the time value of money is material, provisions are measured on a discounted basis.

q) **Income taxes:**

i) **Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

ii) **Deferred tax**

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

iii) **Minimum Alternate Tax**

Minimum Alternate Tax credit is recognized, as an asset only when and to the extent there is convincing evidence that the group will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT Credit Entitlement under Other Assets. The group reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that group will pay normal Income Tax during the specified period.

Tax expense for the year comprises current and deferred tax.

r) Revenue recognition:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable excluding taxes or duties collected on behalf of the government.

Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividend income

Dividend income from investments is recognised when the shareholder's rights to receive payment have been established.

s) Borrowing costs:

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. Transaction cost in respect of long-term borrowings are amortised over the tenure of respective loans using effective interest method.

All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

t) Contingent Liabilities and Contingent Assets:

A contingent liability is a possible obligation that arises from a past event, with the resolution of the contingency dependent on uncertain future events, or a present obligation where no outflow is probable. Major contingent liabilities are disclosed in the financial statements unless the possibility of an outflow of economic resources is remote. Contingent assets are not recognized in the financial statements but disclosed, where an inflow of economic benefit is probable.

u) Earnings Per Share:

Earnings per share are calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

(ii) Amendment to Existing issued Ind AS

The MCA has also carried out amendments of the following accounting standards:

- i. Ind AS 21 - The Effects of Changes in Foreign Exchange Rates
- ii. Ind AS 40 - Investment Property
- iii. Ind AS 12 - Income Taxes
- iv. Ind AS 28 - Investments in Associates and Joint Ventures and
- v. Ind AS 112 - Disclosure of Interests in Other Entities

Applications of above standards are not expected to have any significant impact on the Company's Financial Statements.

Fair Value Techniques:

The fair value of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- Fair value of cash and short term deposits, trade receivables, trade payables, current loans, other current financial assets, short term borrowings and other current financial liabilities approximate to their carrying amount largely due to the short term maturities of these instruments.
- The fair value of investment in quoted Equity Shares and Mutual Funds is measured at quoted price or NAV.
- All foreign currency loans and liabilities are translated using exchange rate at reporting date

Fair Value Hierarchy

The following table provides the fair value measurement hierarchy of Company's asset and liabilities grouped into Level 1 to Level 3 as described below:

Quoted prices / published Net Asset Value (NAV) in an active markets (Level 1): This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities and financial instruments like mutual funds for which NAV is published by mutual funds. This category consist mutual fund investments and equity share instrument of other companies.

HARYANA CAPFIN LIMITED

Valuation techniques with observable inputs (Level 2): This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Valuation techniques with significant unobservable inputs (Level 3): This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (that is, unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

Assets and Liabilities Measured at Fair Value (Accounted)

The fair values of the financial assets and financial liabilities included in the level 2 categories above have been determined in accordance with generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparties. Following table describes the valuation techniques used and key inputs to valuation for level 2 of the fair value hierarchy as at 31.03.2025 and 31.03.2024.

36 Financial Risk Management Objectives and Policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's activities exposed to various risk such as market risk, credit risk and liquidity risk.

The sensitivity analyses exclude the impact of movement in market variables on the carrying value of post-employment benefit obligations, provisions and on non-financial assets and liabilities. The sensitivity of the relevant statement of profit and loss item is the effect of the assumed changes in respective market rates. The company's activities are exposed to varieties of financial risk including the effect of changes in foreign currency exchange rates and interest rates. The company uses derivatives financial instruments such as foreign exchange forward contracts of varying maturity depending upon the underlying contract and risk management strategy to manage its exposures to foreign exchange fluctuation and interest rates.

The Board of Directors reviews and agrees policies for managing each of these risks which are summarised below.

Market risk and sensitivity

1 Foreign Currency Risk and Sensitivity

Foreign Currency Risk is the risk that the present exposure or Future Cash Flows will fluctuate because of changes in foreign currency rates. The company follow natural hedging to the extend of inward and outward of forex exposure and takes forward contracts to minimise the risk of fluctuation in foreign exchange rates for remaining amount. Exposures can arise on account of the various assets and liabilities which are denominated in currencies other than Indian Rupee.

The following table shows foreign currency exposures in US Dollar & other foreign currencies.

3 Credit risk

Credit risk is the risk that a customer or counterparty to a financial instrument fails to perform or pay the amounts due causing financial loss to the Company. Credit risk arises from Company's activities in investments, dealing in derivatives and receivables from customers.

The Company has a prudent and conservative process for managing its credit risk arising in the course of its business activities. Credit risk across the Company, is actively managed through Letters of Credit, Bank Guarantees, advance payments and security deposits.

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. The company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets.

The ageing of trade receivable is as below:

4 Liquidity risk

Liquidity risk is the risk that the company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The Company monitors its risk to a shortage of funds using a recurring liquidity planning tool. This tool considers the maturity of both its financial investments and financial assets (i.e. trade receivables, other financial assets) and projected cash flows from operations. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of working capital loans, letter of credit facility, bank loans and credit purchases.

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item no. 3

The Members of the Company at the 22nd Annual General Meeting (AGM) held on 26th September, 2020 had approved the re-appointment of M/s. AM MA & Associates, Chartered Accountants as the Statutory Auditors of the Company to hold office for a term of 5 (five) consecutive years from the conclusion of said AGM till the conclusion of the 27th AGM. They will complete their two consecutive terms as Statutory Auditors of the Company on conclusion of this AGM.

The Board of Directors of the Company (the Board), at its meeting held on 3rd September, 2025, considering the experience and expertise and based on the recommendation of the Audit Committee, has proposed to the Members of the Company, appointment of M/s. ANDRA and Company, Chartered Accountants (Firm Registration No. 028625N), as Statutory Auditors of the Company for a term of 5 (five) consecutive years from the conclusion of 27th AGM till the conclusion of the 32nd AGM.

The proposed audit fee to be paid to M/s ANDRA and Company for the financial year ending 31st March, 2026 is Rs. 30,000/- plus applicable taxes and reimbursement of out of pocket expenses.

M/s ANDRA and Company is a firm of Chartered Accountants registered and empanelled with the Institute of Chartered Accountants of India (ICAI). It is primarily engaged in providing audit and assurance services to its clients. It is amongst the well reputed audit firms.

Pursuant to Section 139 of the Companies Act, 2013 (the Act) and the Rules framed thereunder, the Company has received written consent from M/s ANDRA and Company and a certificate that they satisfy the criteria provided under Section 141 of the Act and that the appointment, if made, shall be in accordance with the applicable provisions of the Act and Rules framed thereunder. As required under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, M/s Andra and Company, has confirmed that they hold a valid certificate issued by the Peer Review Board of ICAI.

None of the Directors or other Key Managerial Personnel and their relatives, are concerned or interested (financially or otherwise) in this Resolution. The Board recommends the Ordinary Resolution set out at Item No. 3 for the approval of Members.

Item No. 4

Pursuant to amended provisions of Regulation 24A of the SEBI Listing Regulations, on the basis of recommendation of Board of Directors, the Company shall appoint or re-appoint an individual as Secretarial Auditor for not more than one term of five consecutive years; or a Secretarial Audit firm as Secretarial Auditor for not more than two terms of five consecutive years, with the approval of the shareholders in Annual General Meeting ("AGM"). The Audit Committee, and the Board of Directors at its meeting held on September 3, 2025, recommended the appointment of Mr. Rajesh Gupta, Practicing Company Secretary (FCS- 4870, CP No: 26258), having rich and varied experience in the areas of Compliances, Secretarial audits, mergers & amalgamations, Scrutinizer services, consultancy, insolvency activities and advisory services etc.

The Audit Committee and Board, after evaluating the credentials and considering various factors such as independence, industry experience, technical skills, audit team, audit quality reports, etc., has recommended appointment of Mr. Rajesh Gupta, Practicing Company Secretary, as the Secretarial Auditor of the Company, for a term of five consecutive years, on such remuneration, as may be decided by the Board. The proposed remuneration to be paid to the Secretarial Auditor for the financial year 2025-26 is Rs. 25,000/- (Rupees Twenty Five Thousand Only) excluding applicable taxes and out of pocket expenses. The remuneration for remaining term shall be decided by the Board on the recommendations of the Audit Committee. The Board is of view that the remuneration is commensurate with the size and scale of the Company and based on knowledge, expertise, industry experience, time and efforts required to be put in by the Secretarial auditor in line with the industry standard.

None of the Directors/Key Managerial Personnel of the Company or their relatives are, in any way concerned or interested financially or otherwise in the resolution. The Board recommends the resolution as set out in Item no. 4 of this Notice for approval of members by way of an ordinary resolution.
