NOTES TO NOTICE

1. The Ministry of Corporate Affairs (“MCA”) has, vide its General Circular dated September 19, 2024 read together with circulars dated April 8, 2020, April 13, 2020, May 5, 2020, January 13, 2021, December 8, 2021, December 14, 2021, May 5, 2022, December 28, 2022 and September 25, 2023 (collectively referred to as “MCA Circulars”), permitted convening the Annual General Meeting (“AGM” / “Meeting”) through Video Conferencing (“VC”) or Other Audio Visual Means (“OAVM”), without physical presence of the members at a common venue. In accordance with the MCA Circulars and applicable provisions of the Companies Act, 2013 (“Act”) read with Rules made thereunder and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”), the AGM of the Company is being held through VC / OAVM. The deemed venue for the AGM shall be the registered office of the Company.
2. A statement pursuant to the provisions of Section 102(1) of the Act, relating to the Special Business to be transacted at the AGM, is annexed hereto. Further, additional information as required under Listing Regulations and Circulars issued thereunder are also annexed.
3. Generally, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself / herself and the proxy need not be a member of the Company. Since this AGM is being held through VC / OAVM pursuant to the MCA Circulars, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the AGM and hence, the Proxy Form and Attendance Slip are not annexed hereto.
4. Since the AGM will be held through VC / OAVM, the route map of the venue of the Meeting is not annexed hereto.
5. Details of Directors retiring by rotation at this Meeting are provided in the “Annexure” to this Notice.
6. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can

submit their PAN to the Company or its Registrar and Share Transfer Agent M/s. Adroit Corporate Services Private Limited.

7. Queries, if any, may be sent to the Company Secretary seven days in advance of the meeting so as to enable the Management to keep the information ready at the meeting.
8. Members whose shareholding is in electronic mode are requested to direct notifications about change of address and updates about bank account details to their respective depository participant(s) on or before Monday, 22nd September, 2025.
9. In case of joint holders attending the Meeting, only such joint holder who is high in the order of names in the Register of Members will be entitled to vote.
10. Members are requested to advise immediately about any change of address:
 - a) To their Depository Participants (DPs) in respect of their electronic share accounts.
 - b) To the Company's Registrar & Share Transfer Agents Adroit Corporate Services Private Limited in respect of their physical share folios if, any.
11. Under Section 72 of the Act, members are entitled to make nomination in respect of shares held by them in physical mode. Members desirous of making nominations are requested to send their request in Form No. SH.13 to the Company's Registrar and Share Transfer Agent.
12. The Notice of Annual General Meeting (AGM) of the Company circulated to the members of the Company will be made available on the Company's website at www.hitkitglobal.com
13. The Company or its Registrars and Transfer Agents, Adroit Corporate Services Private Limited cannot act on any request received directly from the Members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participants.
14. SEBI has notified that requests for effecting transfer of securities shall not be processed by listed entities unless the securities are held in the dematerialized form with a depository. In view of the above and to avail various other benefits of dematerialization like easy liquidity, since trading is permitted in dematerialized form only, electronic transfer, savings in stamp duty and elimination of

any possibility of loss of documents and bad deliveries, members are advised to dematerialize shares held by them in physical form.

15. To support green initiative of the Government in full measure, Members who have not registered their e-mail addresses, so far, are requested to register their e-mail addresses in the following manner:
 - a. In respect of electronic holdings with the Depository through their concerned Depository Participants.
 - b. Members who hold shares in physical form are requested to register their e-mail ID with Hitkit.global@gmail.com quoting your name and folio number.
16. M/s. Nishant Bajaj & Associates, Practicing Company Secretary (COP No.: 21538), has been appointed as the scrutinizer to scrutinize the voting and remote e-voting process in a fair and transparent manner.
17. The Scrutinizer shall after the conclusion of voting at the AGM, first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and shall make, not later than forty-eight hours of the conclusion of the AGM, a consolidated scrutinizer's report of the total votes cast in favor or against, if any, to the Chairman or a person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith.
18. The Results declared along with the report of the Scrutinizer shall be placed on the website of the Company www.hitkitglobal.com and on the website of NSDL immediately after the declaration of result by the Chairman or a person authorized by him in writing. The results shall also be immediately forwarded to the BSE Limited, Mumbai
19. The Register of Members and the Share Transfer books of the Company will remain closed from Monday, 22nd September, 2025 to Monday, 29th September, 2025 (both days inclusive) for annual closing for the financial year 2024-25.
20. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members

on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

21. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
22. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.hitkitglobal.com. The Notice can also be accessed from the website of the Stock Exchange i.e. BSE Limited at www.bseindia.com respectively and the AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.
23. AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 08, 2020 and MCA Circular No. 17/2020 dated April 13, 2020, MCA Circular No. 20/2020 dated May 05, 2020 and MCA Circular No. 2/2021 dated January 13, 2021.

“Annexure A” to Board’s Report**MANAGEMENT DISCUSSION AND ANALYSIS REPORT****1. GLOBAL ECONOMY:**

The global economy in FY 2024-25 showed a trend of slowing but steady growth, with the International Monetary Fund (IMF) projecting global growth at around 3.1-3.2% for 2024 and 3.2-3.3% for 2025. This period was marked by falling global inflation, a resilient services sector, and a slowdown in manufacturing. Geopolitical risks, high levels of debt, and withdrawal of fiscal support posed significant challenges, while India emerged as a key driver of global growth.

Some other growth-inducing forces, such as growth in income levels, commercialization of agriculture, patent protection systems and intellectual rights over plant varieties, have given an impetus to the market. Owing to these factors, the Indian market is expected to exhibit growth in future.

2. INDIAN ECONOMY:

India, a services-driven economy with a youthful and adaptable workforce, the adoption of AI offers the potential to support economic growth and improve labour market outcomes. Prioritising education and skill development will be crucial to equipping workers with the competencies needed to thrive in an AI-augmented landscape. The recent Survey brings out the fact that there are at present barriers to large-scale AI adoption, leading to a window for policymakers to act.

3. INDUSTRY OVERVIEW:

India’s retail sector continues to demonstrate robust growth, driven by rising disposable incomes, urbanization, and evolving consumer preferences. The market is undergoing a transformation with the rise of quick-commerce, AI-driven personalization, and the expansion of organized retail formats, particularly in malls and high-footfall zones. The retail market is projected to cross ₹82 lakh crore in 2024, growing at an annual rate of 8.9%.

India’s tourism sector is experiencing a resurgence, supported by infrastructure development, government initiatives, and a growing appetite for experiential travel. The sector contributed approximately \$267 billion to GDP in 2025, reflecting a 7.4% annual growth rate. India’s rich cultural heritage, diverse landscapes, and expanding hospitality infrastructure position it as a rising global leader in travel and leisure.

4. OPPORTUNITY & THREATS:

An increasing number of Indian consumers are ascending the economic pyramid to form an emerging customer base. A large young working population with median age of 24 years, nuclear families in urban areas, along with increasing working women population and emerging opportunities in the services sector are going to be the key factors in the growth of the organized Retail sector in India. The growth pattern in organized retailing and in the consumption made by the Indian population will follow a rising graph helping the newer Businessman to enter the India Retail Industry.

5. CHALLENGES, RISK AND CONCERN:

The decline in consumer spending is the greatest danger facing retail stores, as it has a material impact on cash flows, which in turn affects the day-to-day operations any shortcomings in consumer satisfaction may quickly impact reputation and hence its revenue.

Headwinds to growth include elevated geopolitical and trade uncertainties and possible commodity price shocks. Domestically, the translation of order books of private capital goods sector into sustained investment pick-up, improvements in consumer confidence, and corporate wage pick-up will be key to promoting growth.

6. HUMAN RESOURCES:

Your Company continues to maintain an effective and agile workforce structure through a balanced blend of permanent employees and contractual labour. This approach enables operational flexibility while ensuring continuity in core functions. Permanent staff provide strategic depth and institutional knowledge, whereas contractual personnel support seasonal, project-based, and specialized requirements. The model allows Your Company to optimize manpower costs, respond efficiently to dynamic business needs, and uphold productivity across all operational segments.

Intellectual capital is one of the key resources of Your Company to ensure business sustainability and growth.

7. COMPANY'S FINANCIALS:**Revenue From Operations:**

During the FY 2024-25, Your Company earned Gross Revenue from operations of Rs. 84.24 lakhs as against Rs. 27.36 lakhs in previous FY 2023-24.

Other income:

During the FY 2024-25, Other income mainly comprising of ancillary income from resort project site of Your Company was Rs. 19.06 lakhs as compared to Other Income of Rs.13.87 lakhs in the previous FY 2023-24.

8. BUSINESS PLAN:

During the financial year ended 31 March 2025, Your Company undertook sustained efforts to reinforce its competitive positioning within the market. This was achieved through consistent supply chain management in the fruits and vegetables retail segment, underpinned by a strategic focus on cost optimization, dynamic alignment of the product portfolio with evolving consumer preferences, and adaption of digital transformation initiatives.

As part of its ongoing diversification strategy, Your Company is making a focused endeavour into the property segment. Your Company is exploring revenue opportunities by leveraging its existing land assets for leisure tourism on an 'as-is-where-is' basis, until requisite development approvals are secured. This move is aimed at unlocking new streams of revenue and capitalizing on emerging opportunities within the real estate and hospitality landscape. The initiative reflects Your Company's commitment to long-term growth, asset optimization, and value creation for stakeholders.

INDEPENDENT AUDITOR'S REPORT

To the Members of **HIT KIT GLOBAL SOLUTIONS LIMITED**

Report on the Audit of the Ind AS Financial Statements**Opinion**

We have audited the Ind AS financial statements of **HIT KIT GLOBAL SOLUTIONS LIMITED** ("the Company"), which comprises the balance sheet as at 31st March, 2025 and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the period from 01st April, 2024 to 31st March, 2025, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Companies Act, 2013("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and profit and total comprehensive income (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Ind AS Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 23 to the Financial Statement, which describes following:-

1. Reversal of Impairment Loss on Land:

During the quarter ended 31st March 2024, the Company had recorded an impairment loss of Rs 2.4 crore on the Land. Management has reversed the said loss in the current year with the reasoning of change in external factors and market value assessment and recognized it as an Impairment Gain.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no Key audit matters to communicate in this report.

Responsibilities of Management and Those Charged with Governance for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in the Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- (d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 4 of the Companies (Indian Accounting Standard) Rules, 2015.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company’s internal financial controls over financial reporting.
 - (g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position in the aforesaid Ind AS financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. The company is not liable to transfer any amounts to the Investor Education and Protection Fund. Therefore, there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- 3.
- i. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - ii. The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received

by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- iii. Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (i) and (ii) contain any material misstatement.
4. Based on our examination carried out in accordance with the Implementation Guidance on Reporting on Audit Trail under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 issued by the Institute of Chartered Accountants of India, which included test checks, we report that the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has not been operated throughout the year for all relevant transactions recorded in the software.
 - a. Further, during the course of our audit, we were unable to check any instance of audit trail feature being tampered with. Our examination of the audit trail was in the context of an audit of financial statements carried out in accordance with the Standard of Auditing and only to the extent required by Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - b. We were unable to carry out any audit or examination of the audit trail beyond the matters required by the aforesaid Rule 11(g) nor were we able to carried out any standalone audit or examination of the audit trail.

ANNEXURE“B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2(f) under Report on Other Legal and Regulatory Requirements section of our report to the members of **HIT KIT GLOBAL SOLUTIONS LIMITED** of even date)

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (“THE ACT”)

We have audited the internal financial controls over financial reporting of **HIT KIT GLOBAL SOLUTIONS LIMITED** (“the Company”) as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR’S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The carrying amounts of trade receivables, cash and bank balances, current loans, current borrowings, and trade payables are considered to be approximately equal to the fair value.

I. Fair value hierarchy

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are

(a) recognised and measured at fair value and,

(b) measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the Indian accounting standard. An explanation of each level is as follows :

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. For example, listed equity instruments that have quoted market price.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

II. Valuation techniques used to determine fair value

Significant valuation techniques used to value financial instruments include:

- o Use of quoted market price or dealer quotes for similar instruments
- o Using discounted cash flow analysis.

The fair values computed above for assets measured at amortised cost are based on discounted cash flows using a current borrowing rate. They are classified as level 2 fair values in the fair value hierarchy due to the use of unobservable inputs.

25 Financial Risk Management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk

A. Credit risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The company is exposed to credit risk from its operating activities (primarily for trade receivables and loans) and from its financing activities (deposits with banks and other financial instruments).

Credit risk management

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

The Company's maximum exposure to credit risk as at 31 March, 2025 and 2024 is the carrying value of each class of financial assets

i Trade and other receivables

Credit risk on trade receivables is limited based on past experience and management's estimate.

Ageing of trade and other receivables that were not impaired was as follows.

Carrying amount	As at 31 March 2025	As at 31 March 2024
Neither Past due nor impaired	-	-
Past due but not impaired	-	-
Past due more than 180 days	56.89	32.39
TOTAL	56.89	32.39

ii Cash and Cash Equivalents

The Company held cash and bank balance with credit worthy banks of Rs. 24,70,648 /- at 31st March 2025 , and (Rs. 73,560/- at March 31, 2024). The credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with banks where credit risk is largely perceived to be extremely insignificant.

B. Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. For the Company, liquidity risk arises from obligations on account of financial liabilities – trade payables and borrowings.

Liquidity risk management

The Company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions. A material and sustained shortfall in our cash flow could undermine the Company's credit rating and impair investor confidence.

The Company maintained a cautious funding strategy, with a positive cash balance throughout the year ended 31st March, 2025 and 31st March, 2024. This was the result of cash delivery from the business. Cash flow from operating activities provides the funds to service the financing of financial liabilities on a day-to-day basis. The Company's treasury department regularly monitors the rolling forecasts to ensure it has sufficient cash on-going basis to meet operational needs. Any short term surplus cash generated by the operating entities, over and above the amount required for working capital management and other operational requirements, are retained as cash and cash equivalents (to the extent required).

C. Market risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments. The Company is exposed to market risk primarily related to interest rate risk and the market value of the investments.

i Currency Risk

The functional currency of the Company is Indian Rupee. Currency risk is not material, as the Company does not have any exposure in foreign currency.

ii Interest Rate Risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

Exposure to interest rate risk

According to the Company interest rate risk exposure is only for floating rate borrowings. Company does not have any floating rate borrowings on any of the Balance Sheet date disclosed in this financial statements.

iii Price Risk

Price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. It arises from financial assets such as investments in quoted instruments.

a Fair value sensitivity analysis for fixed rate Instruments

The Company does not account for any fixed rate financial assets or financial liabilities at fair value through Profit or Loss. Therefore, a change in interest rates at the reporting date would not affect Profit or Loss.

b Cash flow sensitivity analysis for variable rate Instruments

The company does not have any variable rate instrument in Financial Assets or Financial Liabilities.

26 Capital Management

The company's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-today needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets.

The management monitors the return on capital as well as the level of dividends to shareholders. The Company will take appropriate steps in order to maintain or if necessary adjust its capital structure

1. Significant Accounting Policies**A. Basis of Preparation & Measurement:**

These financial statements have been prepared in accordance with Indian Accounting standards (‘Ind AS’) notified by the Ministry of Corporate Affairs under section 133 of the Companies Act, 2013 (‘Act’) read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and the relevant provisions of the Act.

Accordingly, the Company has prepared these Financial Statements which comprise the Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss for the year ended 31st March, 2025, the Statement of Cash Flows for the year ended 31st March, 2025 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as ‘financial statements’).

These Financial Statements were approved by the Board of Directors and authorized for issue on 27th May, 2025.

The Financial Statements have been presented in Indian Rupees (INR), which is the Company’s functional currency. All financial information presented in INR has been rounded off to the nearest rupee, unless otherwise stated.

The financial statements have been prepared on an accrual system, based on the principle of going concern and under the historical cost convention, unless otherwise stated. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or are vision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Accounting Estimates and Judgments:

The preparation of financial statements in accordance with Ind AS requires management to make certain judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates, with the differences between the same being recognized in the period in which the results are known or materialize. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognized prospectively.

Information about areas involving a higher degree of judgment or complexity or critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities are included in the following notes:

The areas involving critical estimates or judgments are:

- a. Impairment of Financial Assets such as Trade Receivable.
- b. Impairment of Non-Financial Assets.
- c. Estimates of Tax Expenses and Liability.
- d. Revenue recognitions.

Estimates and judgments are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the company.

1. Property Plant & Equipment:

(a) Initial Measurement & Recognition

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of an item of Property, plant and equipment comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the assets to its working condition for its intended use with any trade discounts or rebates being deducted in arriving at purchase price. Cost of the assets also includes interest on borrowings attributable to acquisition, if any, of qualifying fixed assets incurred up to the date the asset is ready for its intended use.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of Property, plant and equipment.

Cost of Property, plant and equipment not ready for intended use as on the balance sheet date, is disclosed as capital work in progress. Advances given towards acquisition of property, plant and equipment outstanding at each balance sheet date are disclosed as Capital Advances under Other non-current Assets.

Any gain or loss on disposal of an item of property plant and equipment is recognized instatement of profit and loss.

(b) Subsequent expenditure

Subsequent costs are included in the asset's carrying value recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

(c) Depreciation:

Depreciation is provided on the written down value method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013. Depreciation on assets added/disposed off during the year is provided on pro-rata basis from the date of addition or up to the date of disposal, as applicable.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

2. Cash and Cash Equivalents

Cash and cash equivalents are short-term (three months or less from the date of acquisition), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

3. Impairment of Non-Financial Assets:

Assessment for impairment is done at each Balance Sheet date as to whether there is any indication that a non-financial asset maybe impaired. If any indication of impairment exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made.

Asset/cash generating unit whose carrying value exceeds their recoverable amount are written down to the recoverable amount by recognizing the impairment loss as an expense in the Statement of Profit and Loss. Recoverable amount is higher of an asset's or cash generating unit's fair value less cost of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life.

Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased. An impairment loss recognized for goodwill is not reversed in subsequent periods.

4. Financial Instruments:**(A) Financial Assets****Recognition and measurement**

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instrument. On initial recognition, a financial asset is recognized at fairvalue, in case of financial assets which are recognized at fair value through profit and loss (FVTPL), its transaction cost is recognized in the statement of profit and loss. In other cases, the transaction cost is attributed to the acquisition value of the financial asset.

Financial assets are subsequently classified as measured at

- Amortized cost

- Fair value through profit and loss (FVTPL)
- Fair value through other comprehensive income (FVOCI)
 - (a) Measured at amortized cost: Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortized cost using the effective interest rate ('EIR') method less impairment, if any. The amortization of EIR and loss arising from impairment, if any, is recognized in the Statement of Profit and Loss.
 - (b) Measured at fair value through other comprehensive income: Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognized in the Statement of Profit and Loss. On de-recognition, cumulative gain or loss previously recognized in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.
 - (c) Measured at fair value through profit or loss: A financial asset not classified as either amortized cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognized as 'other income' in the Statement of Profit and Loss.
Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

Trade Receivables and Loans:

Trade receivables and loans are initially recognized at fair value. Subsequently, these assets are held at amortized cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

Equity Instruments:

Investments in equity instruments, if any, are classified under financial assets and are initially measured at fair value.

De-recognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Impairment of Financial Assets

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financial assets in FVTPL category. For financial assets other than trade receivables, as per Ind AS 109, the Company recognizes 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measure date an amount equal to life time expected losses i.e. expected cash short fall. The impairment losses and reversals are recognized in Statement of Profit and Loss, if any.

(B) Financial Liabilities:**Initial recognition and measurement**

Financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognized at fairvalue and subsequently, these liabilities are held at amortized cost, using the effective interest method.

Subsequent measurement

Financial liabilities are subsequently measured at amortized cost using the EIR method. Financial liabilities carried at fair value through profit or loss is measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

De-recognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

5. Revenue Recognition**Sale of goods**

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods. In case of export sales, revenue is recognized as on the date of bill of lading, being the effective date of dispatch. Revenue from the sale of goods is measured at the value of the consideration received or receivable, net of returns and discounts and net of all taxes.

6. Taxation:

Income tax expense for the year comprises of current tax and deferred tax. It is recognized in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognized directly in equity or in other comprehensive income.

Current tax is the expected tax payable/receivable on the taxable income/ loss for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of previous years. Interest income/ expenses and penalties, if any, related to income tax are included in current tax expense

Deferred tax is recognized in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is recognized using the tax rates enacted, or substantively enacted, by the end of the reporting period.

Deferred tax assets are recognized only to the extent that it is probable that future taxable profits will be available against which the asset can be utilized. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

7. Provisions and Contingent Liabilities

Provisions are recognized when the Company

- (a) has a present obligation (legal or constructive) as a result of a past event,
- (b) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and
- (c) reliable estimate can be made of the amount of the obligation.

Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

8. EMPLOYEE BENEFITS/ RETIREMENT BENEFITS:

Employee benefits include provident fund, superannuation fund, gratuity fund, compensated absences, long service awards and post-employment medical benefits.

SHORT-TERM OBLIGATION:

Short-term employee benefits like salaries, wages, bonus and welfare expenses payable wholly within twelve months of rendering the services are accrued in the year in which the associated services are rendered by the employees and are measured at the amounts expected to be paid when the liabilities are settled.

LONG-TERM OBLIGATION

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognized as a liability at the present value of the defined benefit obligation as at the Balance Sheet date less the fair value of the plan assets out of which the obligations are expected to be settled. LongService Awards are recognized as a liability at the present value of the defined benefit obligation as at the Balance Sheet date.

DEFINED CONTRIBUTION PLANS

Contributions to defined contribution schemes such as employees' state insurance, labour welfare fund, superannuation scheme, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Company's provident fund contribution, in respect of certain employees, is made to a government administered fund and charged as an expense to the Statement of Profit and Loss. The above benefits are classified as Defined ContributionSchemes as the Company has no further defined obligations beyond the monthly contributions.

9. Earnings Per Share

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders of the Company by the weighted average number of equity share outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, if any, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

B. Other Notes to Accounts

- 1) In the opinion of the management, the current assets, loans and advances have the values on realization in the ordinary course of business at least equal to the amounts at which they are stated in the balance sheet, except for trade receivables and loans and advances which are covered under the management's policy in respect of bad and doubtful debts as taken in the previous years, if any.
