Notes

1. **A Member entitled to attend and vote at the Annual General Meeting (AGM) is entitled to appoint a proxy to attend and vote instead of himself and the proxy need not be a Member of the Company. The instrument appointing the proxy, in order to be effective, must be deposited at the Company's Registered Office, duly completed and signed, not less than FORTY-EIGHT HOURS before the meeting. Proxies submitted on behalf of limited companies, societies, trusts, etc., must be supported by appropriate resolutions / authority, as applicable**

A person can act as a proxy on behalf of Members not exceeding Fifty (50) and holding in the aggregate not more than 10% of the total paid-up share capital of the Company. In case a proxy is proposed to be appointed by a Member holding more than 10% of the total share capital of the Company carrying voting rights, then such proxy shall not act as a proxy for any other person or member

2. The relative Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ("the Act"), in respect of the business under Item No. 7 of the Notice is annexed hereto. The relevant details as required under Regulation 36 (3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 for persons seeking Appointment/ Re-appointment as Directors under Item No. 4 and 5 of the Notice are also annexed
3. Corporate Members intending to send their authorized representatives to attend the Meeting pursuant to Section 113 of the Companies Act, 2013 are requested to send to the Company a certified copy of the relevant Board Resolution together with their respective specimen signatures authorizing such representative(s) to attend and vote on their behalf at the Meeting
4. All documents referred to in the accompanying Notice and the Explanatory Statement are open for inspection by the Members at the Company's Registered Office on all working days (except Saturdays, Sundays and Public holidays) between 2.00 pm to 5.00 pm prior to the date of this Annual General Meeting
5. The Register of Beneficial Owners, Register of Members and Share Transfer Books of the Company will remain closed from Tuesday, August 2, 2016 to

Tuesday, August 9, 2016 (both days inclusive)

6. The Dividend as recommended by the Board of Directors on the Equity Shares of the Company, if approved by the Shareholders at the 16th Annual General Meeting shall be paid:
 - (i) to those Members, holding shares in physical form, whose names appear on the Register of Members at the close of business hours on Tuesday, August 9, 2016 after giving effect to all the valid transfers received in physical form lodged on or before Monday, August 1, 2016 with the Company and/ or its Registrar & Transfer Agents; and
 - (ii) to those Members, holding shares in electronic form, whose names appear as Beneficial Owners as on the closing hours of business on Monday, August 1, 2016 as per the details furnished by the Depositories for this purpose
7. Members are requested to immediately intimate changes, if any, in their registered addresses along with pin code number to the Company or the Registrar & Share Transfer Agents. Members holding shares in dematerialised mode are requested to intimate the same to their respective depository participants
8. In order to avail the facility of Electronic Clearing Service (ECS), Members holding shares in physical form are requested to provide bank account details to the Company or the Registrar & Share Transfer Agents. Members holding shares in dematerialised mode are requested to instruct their respective Depository Participants their details of bank account in which they wish to receive the dividends. The Company/Registrars & Share Transfer Agents will not act on any request received from the Members holding shares in dematerialised form for carrying out any change/deletion of such bank account details
9. Members holding shares in physical form are requested to consider converting their holding to dematerialised form to eliminate risks associated with physical shares
10. The Company is obliged to print bank details on the Dividend warrants as furnished by National Securities Depository Limited ("NSDL") and Central Depository Services (India) Limited ("CDSL")

hereinafter referred to as ("the Depositories") to the Company and the Company cannot entertain any request for deletion/change of Bank details already printed on the Dividend warrant(s) based on the information received from the concerned Depositories without confirmation from them. In this regard, Members are advised to contact their Depository Participant (DP) and furnish them the particulars of any change desired

11. In terms of the provisions of Section 205C of the Companies Act, 1956 (which are still applicable as the relevant sections under the Companies Act, 2013 are yet to be notified) dividend amount remaining unpaid/unclaimed for a period of 7 years would be transferred to the "Investor Education and Protection Fund (IEPF)", constituted by the Central Government. Members who have not yet encashed their dividend warrant(s) for the financial year 2009-10 onwards are requested to make their claims without any delay to the Company

Pursuant to the provisions of the IEPF (uploading of information regarding unpaid and unclaimed amounts lying with companies) Rules 2012, the details of unpaid / unclaimed dividend amounts lying with the Company as on August 26, 2015 (date of last AGM) have been displayed on the website of the Company (www.itnlindia.com) and are also available on the website of the Ministry of Corporate Affairs

12. The Notice of the AGM along with the Annual Report is being sent by electronic mode to those Members whose e-mail addresses are registered with the Company / Depositories, unless any Member had requested for a physical copy of the same. For Members who have not registered their e-mail addresses, physical copies are being sent by the permitted mode
13. Members intending to require information or clarifications about the Financial Accounts, to be explained at the Meeting are requested to inform the Company atleast a week in advance to enable the Company to compile the information and provide replies at the Meeting
14. Members are requested to bring their copy of the Annual Report to the Meeting
15. Process and manner for Voting through electronic means is given below:

- i. Pursuant to the provisions of Section 108 of the Companies Act, 2013 ("the Act") read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time, the Company is providing the facility of 'Remote E-voting' (voting from a place other than at the venue of the AGM) to exercise their right to vote at the 16th Annual General Meeting of the Company. The business may be transacted through remote e-voting services rendered by Central Depository Services (India) Limited (CDSL) on all resolutions set forth in this Notice. The members attending the Meeting, who have not already cast their vote through remote e-voting shall be able to exercise their voting rights at the meeting
- ii. Mrs. Jayshree S. Joshi (FCS: 1451; CP No.: 487), Proprietress of Jayshree Dagli & Associates, Company Secretaries, Mumbai has been appointed as the Scrutinizer for conducting the remote e-voting and the voting process at the AGM in a fair and transparent manner
- iii. The remote e-voting period commences on Saturday, August 6, 2016 (9.00 am IST) and ends on Monday, August 8, 2016 (5.00 pm IST). During this period, Members holding shares in physical or dematerialized form, as on the cut-off date i.e. Tuesday, August 2, 2016, may cast their votes electronically. The remote e-voting module shall be disabled by CDSL for voting thereafter. Once the vote on a resolution is cast by the Member, he shall not be allowed to change it subsequently
- iv. The voting rights of Members shall be in proportion to their share in the paid up share capital of the Company as on the cut-off date i.e. Tuesday, August 2, 2016
- v. A Member can opt for only one mode of voting i.e. either through remote e-voting or by ballot. If a Member casts votes by both modes, then the voting done through e-voting shall prevail and ballot shall be treated as invalid
- vi. The procedure and instructions for remote e-voting areas follows:
 - a. Open your web browser during the voting period and log on to the e-voting website www.evotingindia.com

- b. Now click on "Shareholders" to cast your votes.
- c. Now, fill up the following details in the appropriate boxes:

User - ID will be	a.	For members holding shares through CDSL: 16 digits beneficiary ID
	b.	For members holding shares through NSDL: 8 Character DP ID followed by 8 Digits Client ID
	c.	Members holding shares in Physical Form : Enter Folio Number registered with the Company

- d. Next, enter the Image Verification as displayed and Click on Login
- e. If you are a first time user (Both - Members holding shares in demat and physical form), follow the steps given below:

If wish to use PAN

- i. Enter your 10 digit alpha-numeric PAN issued by Income Tax Department
- ii. Members who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number which is printed on Attendance Slip indicated in the PAN field

If wish to use Dividend Bank Details or Date of Birth (DoB)

- i. Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the Company records in order to login.
- ii. If both the details are not recorded with the depository or Company please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (vi) (c) above
- f. After entering the above details appropriately, click on "SUBMIT"
- g. Members holding shares in physical form will then directly reach the Company selection screen. However, Members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password

field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided, that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential

- h. For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice
- i. Now, select the Electronic Voting Sequence Number ("EVS") for "IL&FS Transportation Networks Limited" from the drop down menu and click on "SUBMIT"
- j. On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution
- k. Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details
- l. After selecting the resolution, if you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote
- m. Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote
- n. You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page
- o. If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system

- p. **Shareholders can also cast their vote using CDSL's Mobile App "M-Voting" available for android based mobiles. The "M-Voting App" can be downloaded from Google Play Store, Apple and Windows phone users can download the app from the App Store and the Windows Phone Store respectively. Please follow the instructions as prompted by the mobile app while voting on your mobile**
- q. **Note for Non – Individual Shareholders and Custodians**
- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporates.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
 - The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote
 - A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same
- r. The Chairman shall, at the AGM, at the end of the discussion on the resolutions on which voting is to be held, allow voting, with the assistance of the Scrutinizer, by use of Poll for all those Members who are present at the AGM, but have not cast their votes by availing the remote e-voting facility
- s. The Scrutinizer shall, immediately after the conclusion of voting at the AGM, first count the votes cast at the meeting and thereafter, unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and shall not later than three days of conclusion of the meeting, issue a consolidated Scrutinizers Report of the total votes cast in favour or against, if any, to the Chairman or a person authorised by him who shall countersign the same and shall declare the Result of the voting forthwith
- t. In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com, under help section or write an email to helpdesk.evoting@cdslindia.com
- u. The Results declared alongwith the report of the Scrutinizer shall be placed on the website of the Company www.itnlindia.com and on the website of CDSL immediately after the declaration of result by the Chairman or a person authorized by him in writing. The results shall also be immediately forwarded to the Stock Exchanges

Explanatory Statement Pursuant to Section 102 of the Companies Act, 2013 and Rule 15(3) of Companies (Meetings of Board and Its Powers) Rules, 2014

Item no. 7

The Board of Directors on the recommendation of the Audit Committee, had approved the appointment of Mr. Dattatray Chivlikar, Cost Accountant, to conduct the audit of the cost records of the Company for FY 2016-17

In terms of the provisions of Section 148 of the Companies Act, 2013 read with Rule 14 of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor for FY 2016-17 is required to be approved by the Members of the Company. Accordingly, the Members are requested to approve the remuneration payable to the Cost Auditor for the financial year ending March 31, 2017, as set out in the Resolution No 7 of the Notice

None of the Directors, Promoters or Key Managerial Personnel of the Company or their relatives is concerned

or interested, financially or otherwise in the said Resolution

The Board of Directors recommend the Ordinary Resolution set out at Item No. 7 of the Notice for approval by the Members

Forward looking Statement

In this Annual Report, we have disclosed forward looking information to enable investors to comprehend our prospects and take investment decisions. This report and other statements - written and oral - that we periodically make contain forward looking statements that set out anticipated results based on the management's plans and assumptions. We have tried, wherever possible, to identify such statements by using words such as 'anticipate', 'estimate', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance.

We cannot guarantee that these forward looking statements will be realised, although we believe we have been prudent in our assumptions. The achievements of results are subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Readers should keep this in mind. We undertake no obligation to publicly update any forward looking statement, whether as a result of new information, future events or otherwise.

INDIA'S ECONOMY HAS LIVED UP TO WIDE-RANGING EXPECTATIONS IN A SLUGGISH GLOBAL ECONOMIC SCENARIO. IT IS ALREADY THE WORLD'S FASTEST GROWING MAJOR ECONOMY, AND HAS BREACHED THE TWO TRILLION DOLLAR MARK. HOWEVER, THE PROCESS OF TRANSFORMATION IS ONLY NASCENT, AS A LOT MORE NEEDS TO HAPPEN TO FULFIL ASPIRATIONS OF A BILLION PLUS POPULATION

THE GAP NEEDS TO BE BRIDGED BY RAPID AND ROBUST INFRASTRUCTURE CREATION. GIVEN THE GOVERNMENT'S FOCUS ON EXPEDITING CAPACITY CREATION AND ALLOCATING HIGHER BUDGETARY ALLOCATIONS, ITNL IS GEARED TO CONTRIBUTE TO THIS NEW PHASE OF TRANSFORMATION

OUR PRIMARY AGENDA IS TO BUILD BETTER AND SAFER ROADS, HIGHWAYS AND BRIDGES BY LEVERAGING OUR EXPERIENCE AND EXPERTISE OF PROJECT MANAGEMENT NATIONALLY AND INTERNATIONALLY

FY 2015-16 SAW US LEVERAGE OPPORTUNITIES TO BID FOR NEW PROJECTS, ACCELERATE EXECUTION, AND PUT IN PLACE STRATEGIES TO MONETISE ASSETS IN A SUSTAINABLE MANNER

WE HAVE THE RIGHT RESOURCES, TALENT AND TECHNOLOGY TO CONTRIBUTE TO NATION-BUILDING

WE ARE DESIGNING AND BUILDING A PROMISING ROADMAP FOR THE NATION AND OUR STAKEHOLDERS

Charting an Attractive Growth Trajectory

AT IL&FS TRANSPORTATION NETWORKS LIMITED (ITNL), OUR MANDATE IS TO HELP TRANSFORM INDIA'S SURFACE TRANSPORTATION INFRASTRUCTURE, PAVING THE WAY FOR SOCIO-ECONOMIC GROWTH AND EMPOWERMENT. WITH ENHANCED GOVERNMENT IMPETUS ON ROAD INFRASTRUCTURE, WE ARE LEVERAGING OUR EXPERIENCE AND EXPERTISE TO BE IN STEP WITH A NATION ON THE MOVE.

ITNL in brief

ITNL has been actively involved towards transforming India's surface transportation infrastructure and thereby helping drive India's economic growth trajectory

Engaged in developing, designing, operating, maintaining and facilitating surface transportation infrastructure projects across India and overseas

The Company's portfolio of projects comprise national and state highways, roads (including urban roads), flyovers and bridges and non-road sectors like metro rail, city bus service and border check-posts

We take pride in our strong track record of promoting and financing public infrastructure projects in India for over 15 years

We have strategic relations with Governments of various states across India. This benefits us in negotiating bilateral contracts with the state and central government entities when such bodies are seeking customised proposals

Being an integrated infrastructure enterprise, we are capable of taking on the most challenging infrastructure projects having accumulated vast experience in design, project execution and management

Operational Highlights

FY 2015-16

Trivandrum City Roads Project

Khed Sinnar Road Project

- The appointed date was declared as May 1, 2015 for the construction, operation and maintenance of Z-MORH Tunnel, including approaches on NH-1 in the state of Jammu & Kashmir
- ITNL achieved a historic and significant milestone by breaking through the last wall between Chenani (South End) and Nashri (North End) of India's Longest Road Tunnel (9 km) in the state of Jammu & Kashmir on July 13, 2015.
- Sikar Bikaner road project in Rajasthan received the provisional completion certificate effective October 10, 2015 and started commercial operations in a length of 212.56 Km out of 237.57 Km
- Provisional completion certificate was also received for an additional length of 15.30 Km in Moradabad Bareilly road project, thus increasing the tollable length to 118.82 Km effective November 19, 2015
- Baleshwar Kharagpur road project in Odisha/West Bengal, received completion certificate effective December 26, 2015
- Jorabat Shillong road project in Assam/Meghalaya received provisional completion certificate effective January 28, 2015 and started commercial operations in 56 km
- Pune Solapur road project received completion certificate for the complete length of 101.30 Km of NH-9 in Maharashtra on February 3, 2016 and commenced tolling operations on the entire length
- Provisional completion certificates were received for eight check posts under the Madhya Pradesh Border Checkpost Project, taking the total number of operational check posts to 19 out of 24
- The Company was awarded two projects by the National Highways Authority of India to be executed on BOT Toll Basis in the state of Maharashtra for which Concession Agreement were executed, namely;
 - (i) Four-laning of Amravati-Chikli (Package – I) section of NH-6 from 166 Km to 360 Km, and,
 - (ii) Four-laning of Fagne – Gujarat/ Maharashtra Border (Package-III) section of NH-6 from 510 Km to 650 Km

● Belgaum Maharashtra Border Road Project

- Jharkhand Infrastructure Implementation Company Ltd was awarded the project for development of six-laning of Ranchi Ring Road (Section VII) by Government of Jharkhand
- The Company's Subsidiary has signed the Concession Agreement for development of 8 Rail Over Bridges (ROB) in the state of Gujarat
- Projects under operations and maintenance:

Road Projects

- Vadodara - Halol Project, Gujarat
- Delhi Noida flyway, Uttar Pradesh
- Ahmedabad - Mehsana Project, Gujarat
- Belgaum - Maharashtra Border Project, Karnataka
- Jetpur - Gondal - Rajkot Project, Gujarat

- Kotakatta Bypass - Kurnool Project, Andhra Pradesh
- Hyderabad Outer Ring Road, Telangana
- Pedda Amberpet - Bongalur Project (Hyderabad Outer Ring Road), Telangana
- Various road stretches under the Mega Highways Project, Phase-I, II & III in Rajasthan
- Thiruvananthapuram City Road Improvement Project, Kerala
- Beawar - Gomti Project, Rajasthan
- Hazaribagh Ranchi Project, Jharkhand
- Five projects under Jharkhand Road Projects Implementation Company Ltd, Jharkhand
- Pune Solapur Project, Maharashtra
- Narketpally Medarametla Project, Andhra Pradesh
- Moradabad Bareilly Project, Uttar Pradesh
- Warora Chandrapur Project, Maharashtra

- Sikar Bikaner Project, Rajasthan
- Baleshwar Kharagpur Project, Odisha/West Bengal
- Jorabat Shillong Project, Assam/Meghalaya
- Autovia A-4, Madrid
- Yuhe Expressway, Chongqing China

Non-Road Projects

- 19 Border check posts in Madhya Pradesh
- Rapid MetroRail Gurgaon
- Nagpur City Bus Service
- Karyavattom Sports Stadium

Chairman's Message

Dear Friends,

2015-16 was a year of contrasts. On the one hand, we had the global economy, mired in uncertainty and volatility. On the other, India delivered a stand-out performance as the fastest growing large economy, reinforced with policy support. The Indian economy has been steadily moving towards greater structural strength and fiscal efficiency, helped in no small measure by the crude price crash and deftly controlled Government expenditure. The Government maintained momentum by unveiling multiple new initiatives like Start Up India, Stand Up India and Digital India in addition to its focus on Make in India and Ease of doing Business. These initiatives are expected to come together and provide stimulus to the Indian economy, and accelerate growth

We are growing stronger each day with a constant focus on innovation and quality. With intrinsic strengths of project execution and our engineering proficiencies, we have an optimistic and sustained commitment to build value for the nation

roads, alongside railways and ports. Plan allocation for 2016-17 in the roads and highways sector has been enhanced by around 24%. Over the last three years, allocation to roads and highways has increased at a CAGR of around 33% considering the importance of this sector.

Growing opportunity

2015-16 was a year in which ITNL braved various challenges and came out stronger and wiser. As India's infrastructure sector continues to be at the crossroads, we too have faced our fair share of angst. Despite the economic slowdown and hardened lending scenario, we managed to stand firm. We also ensured that construction progressed as per schedule and completed three highway projects and eight border check posts. We are determined as ever to deliver consistent and sustained value for our shareholders

Infrastructure opportunity

India's infrastructure development is set to accelerate, supported by the underlying commitment that extra fiscal allowance will be directed primarily into infrastructure spend. Road transportation has gradually increased over the years with improvement in connectivity between cities, towns and villages in the country. The Union Budget 2016 has proposed a high budgetary allocation for the infrastructure sector to give a boost to infrastructure and investment with a major focus on

The target for national highways construction has been set at 15,000 km during 2016-17 compared to around 4,400 km and 6,000 km constructed during 2014-15 and 2015-16 respectively. The Ministry of Road Transport and Highways has undertaken the development of about 7,000 km of national highways under the Bharatmala Pariyojana at an estimated cost of ₹ 80,000 Crore in consultation with state governments. The long-term outlook for the infrastructure sector appears satisfactory on the back of

major investment expected both from the Government and Private sector. Our long and impressive track record, diversified project mix and strong order book augur well for the Company. There will always be new challenges and new hurdles, but we are geared to capitalize on the opportunity that each such situation will usher in

Financial Performance

During 2015-16, consolidated revenues increased by 28% from ₹ 6,828.22 Crore in 2014-15 to ₹ 8,732.03 Crore due to an increase in construction, toll and other operating earnings. The EBIDTA increased from ₹ 2,465.78 Crore in 2014-15 to ₹ 3,235.39 Crore in 2015-16, showing a growth of 31% due to higher construction margin. Debt equity ratio as at March 31, 2016 on a consolidated basis stood at 4.08

The Company is widening its geographic footprint, by actively foraying into global markets. With global economies gradually returning to an encouraging growth path, the global infrastructure landscape is expected to improve. Our confidence to do well globally stems from a diversified mix of assets across infrastructure segments and healthy operational cash flows. We are performing today, while transforming for tomorrow

Rising to the Challenge

Our mission continues to be to complete each project before time by optimally utilising our technological strengths and domain expertise. The overall operational capabilities and competence in executing large scale infrastructure projects have enabled the Company to emerge as a leading infrastructure player. It has executed and delivered several projects for Governments and their related agencies, allowing the Company to expand its pan India presence and establish a strong

brand name in the industry. The 42.06 km Thiruvananthapuram City Road Improvement Project, an iconic project got recognised as a great initiative by the United Nations in its document on Urban Infrastructure Projects as well as by International Road Federation for the best project in the world in the category of urban mobility. The order book which stood at around ₹ 14,625 Crore as on March 31, 2016 is spread across states and includes both annuity and toll projects

This is despite the difficult external environment where operationally and financially, there was significant pressure on the infrastructure companies. ITNL has remained resilient on the strength of its balance sheet and execution strength, where we were able to withstand the headwinds commendably

We will continue to leverage our inherent strengths and expand our horizons to capture a larger share of the infrastructure opportunity and be seen as a preferred infrastructure partner. Our passion, professionalism and perseverance give us an exceptional future outlook. Our objective is to drive innovation across each aspect of our business and make that an integral part of a sustainable approach

We are hopeful that the current issues that the industry is facing, related to bank lending, land acquisition and multiple disputes will be progressively solved, as the Government embarks on its ambitious agenda of infrastructure creation. We have a promising roadmap ahead given the economic potential of India and the intent of the government, both at a vision level and seriousness of implementation from a regulatory and administrative standpoint

Safety

We focus on maintaining high safety levels at our construction and operational sites. During the year under review, we obtained renewed certifications for QMS and Environmental, Health and Safety Management System (EHSMS- ISO 14001:2004 and OHSAS 18001:2007), and appreciation for the level of implementation and conviction shown. We have adopted the ESPF format of project screening for all our new project bids. These certifications ensure that the Company also has an environmentally and socially sustainable business model in the long run

Looking Ahead

We are committed to build strong, lasting relationships with the communities where we operate and foster the creation of shared prosperity through empowerment and development. Employees are the soul of the company; and our performance has been driven by their commitment and perseverance. Honest hard work, a progressive attitude and adaptability by motivated members of the ITNL family have been the keys to the growth of the Company. As we move forward, we intend to carry forward our legacy by creating standards in quality execution and high degree of engineering skills, resulting in enhanced value creation for our shareholders

I would like to thank shareholders for their support and encouragement during the year.

Best Wishes

Deepak Dasgupta
Chairman

OPPORTUNITIES DRIVE PROMISE

SURFACE INFRASTRUCTURE CONTINUES TO BE A PRIORITY OF THE GOVERNMENT TO ELEVATE INDIA TO THE NEXT LEVEL OF GROWTH AND OPPORTUNITY. THE VISIBLE OBJECTIVE IS TO FAST-TRACK STRANDED INFRASTRUCTURE PROJECTS, AS WELL AS UNVEILING NEW ONES. THE GOVERNMENT IS ACTIVELY ENCOURAGING PRIVATE PARTICIPATION IN THESE PROJECTS TO ACCELERATE THE PACE OF EXECUTION. THIS TREND IS ALSO VISIBLE IN OTHER DEVELOPING ECONOMIES IN WHICH ITNL IS PRESENT

AT ITNL, WE ARE ENTHUSED BY THIS OPPORTUNITY LANDSCAPE, TO STRENGTHEN OUR VALUE PROPOSITION AND PERFORMANCE

Diversifying our portfolio

Over the years, we have leveraged our experience in the road transportation infrastructure sector and IL&FS's track record in infrastructure projects to expand our business in other surface transportation infrastructure. Our portfolio of assets primarily consists of a diverse mix of annuity and toll based BOT road projects spread across several states in India, which are in different stages of development, construction and operation & maintenance. Our presence across various surface transportation verticals equip us with flexibility to enter newer ones. For instance, with the Government's growing focus on EPC projects, we will evaluate venturing into EPC contracts provided they meet our overall investment objectives

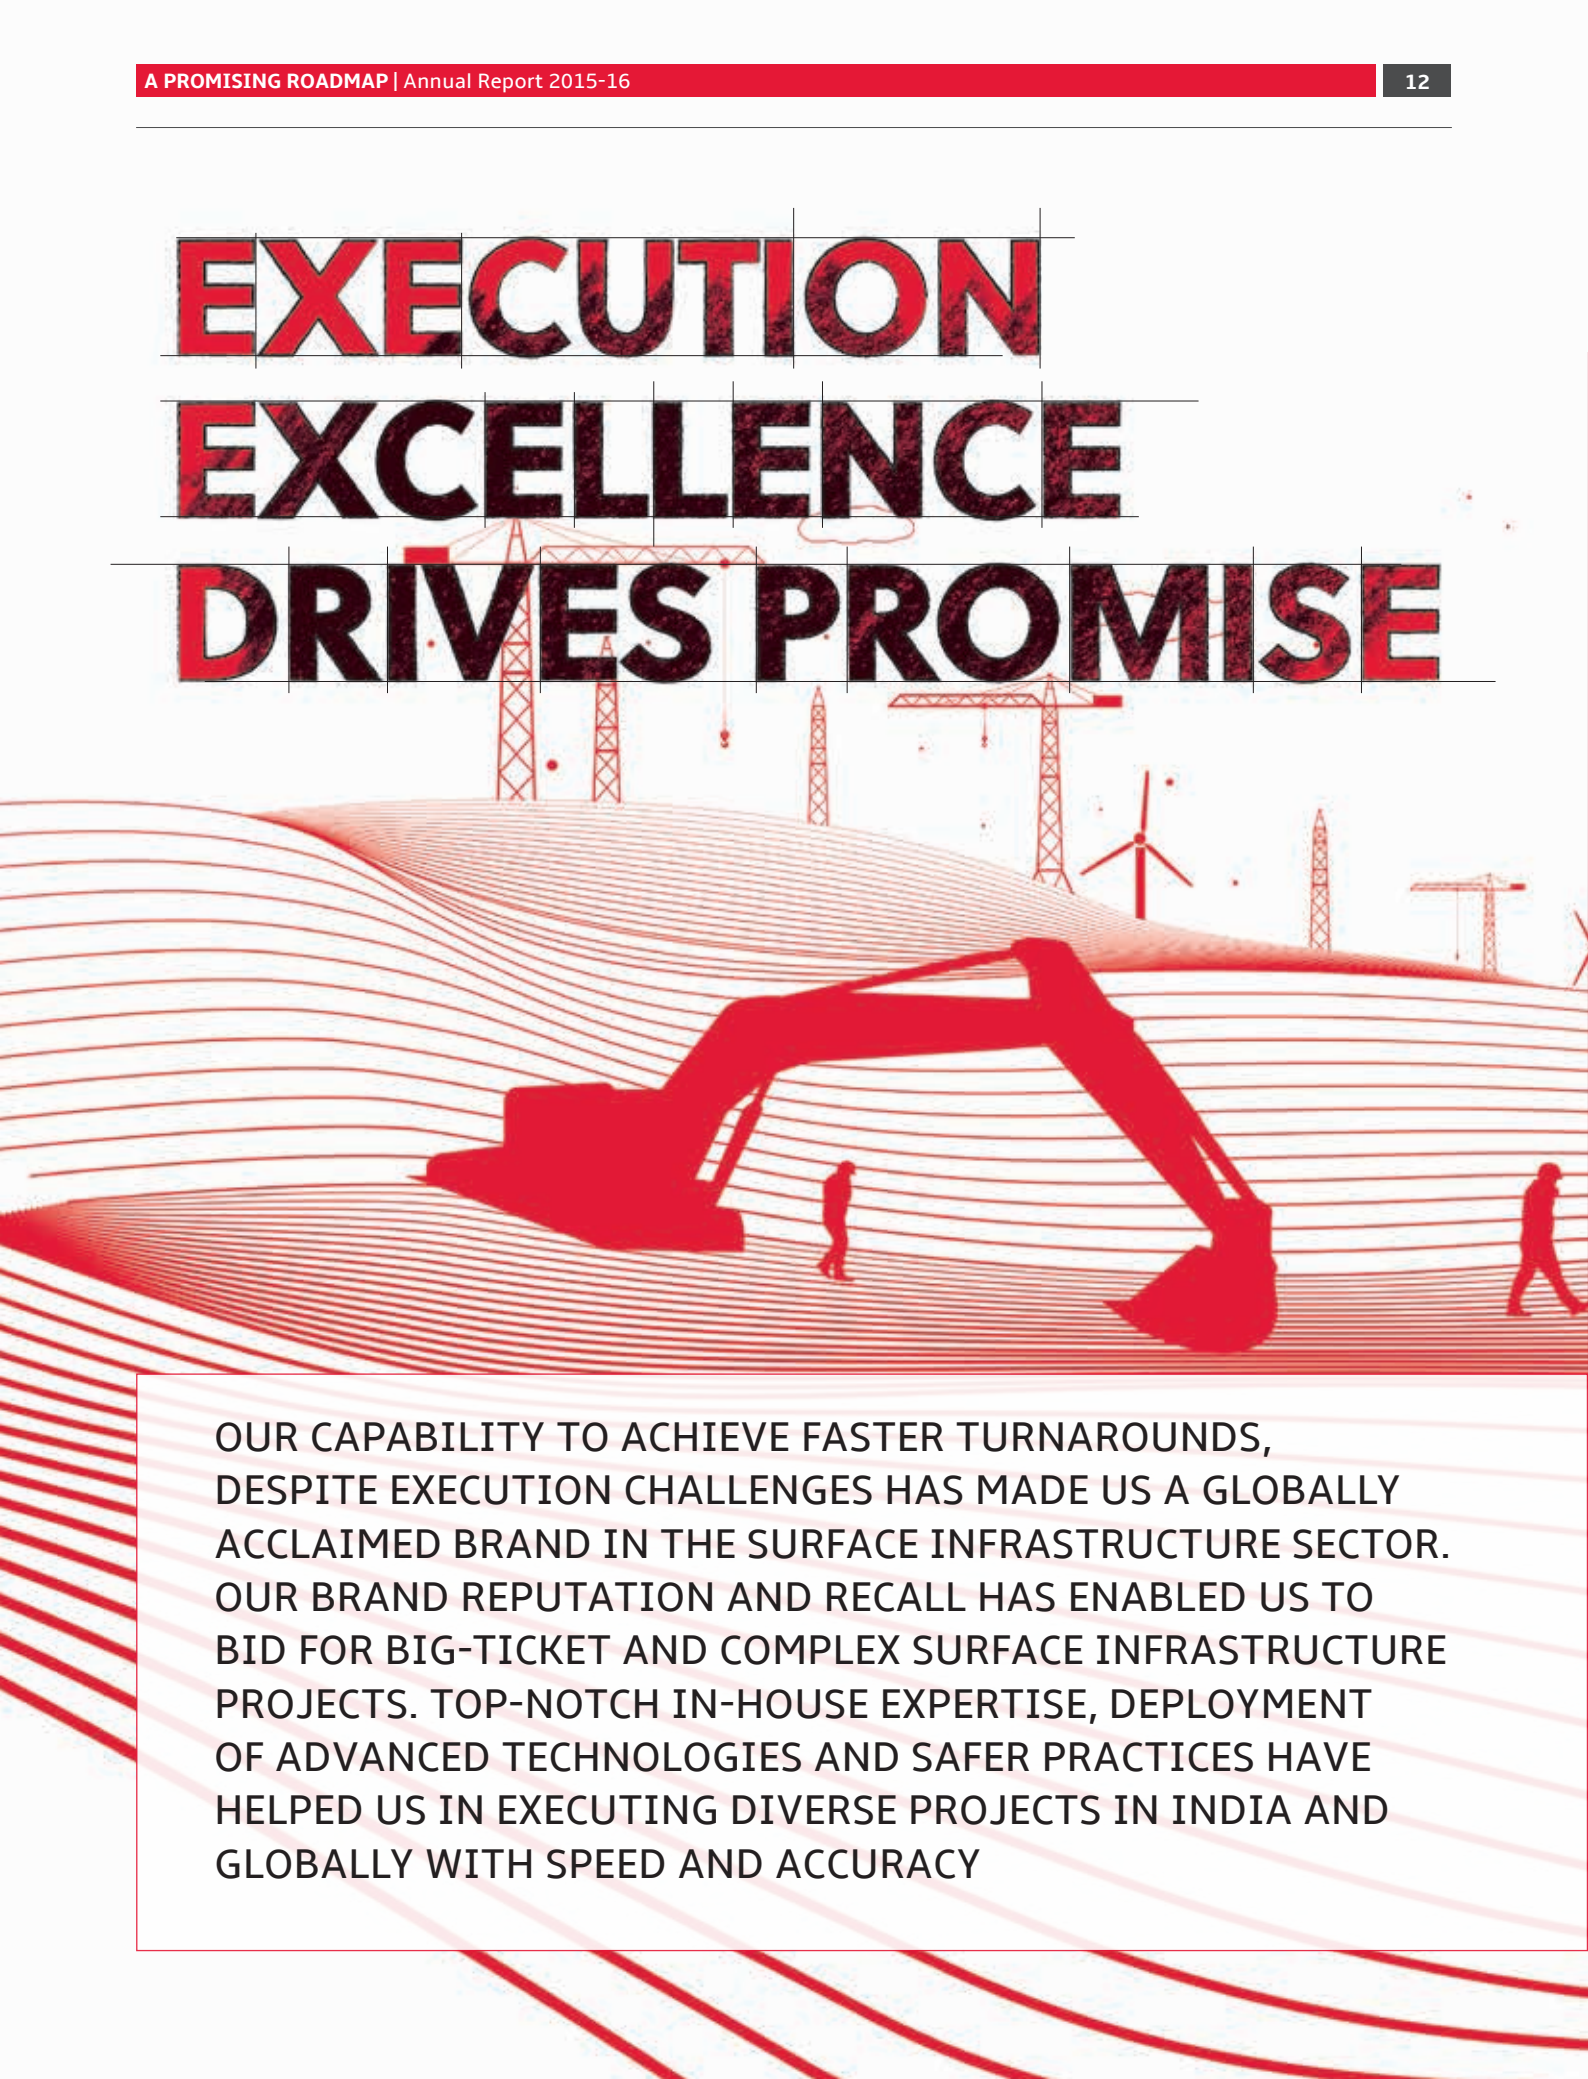

Geographical and sector diversification has made our growth trajectory robust. It has also equipped us with effective risk-mitigation strategies. We have been able to maintain our leadership and track record in the surface transportation infrastructure sector in India, a significant competitive advantage

The Government of India continues to encourage private participation and strengthen investor confidence

for infrastructure investments. The regulatory clarity on investment trusts (INVITs) and dividend distribution, together with easing the dispute resolution process are all steps in this direction. This comes at a time when private participation in infrastructure development is low and balance sheets of many developers in the sector remain stretched. We believe the rise in overall government spends will bolster execution of national highways and create a robust construction opportunity for us

We have extended our presence in Spain, Portugal, Latin America, UAE, Ethiopia, Botswana and China. Our international operations were strengthened by the excellent performance of Elsamex SA, despite a volatile economic environment in Europe. In Africa we are going beyond our traditional areas of presence by securing Output and Performance based Road Contracts (OPRC) projects in countries such as Ethiopia, and this will continue to be a focus area for us. Our development experience and O&M strengths through Elsamex make us well-positioned to exploit the OPRC opportunity in Africa, funded by multilateral organisations

EXECUTION EXCELLENCE DRIVES PROMISE

OUR CAPABILITY TO ACHIEVE FASTER TURNAROUNDS, DESPITE EXECUTION CHALLENGES HAS MADE US A GLOBALLY ACCLAIMED BRAND IN THE SURFACE INFRASTRUCTURE SECTOR. OUR BRAND REPUTATION AND RECALL HAS ENABLED US TO BID FOR BIG-TICKET AND COMPLEX SURFACE INFRASTRUCTURE PROJECTS. TOP-NOTCH IN-HOUSE EXPERTISE, DEPLOYMENT OF ADVANCED TECHNOLOGIES AND SAFER PRACTICES HAVE HELPED US IN EXECUTING DIVERSE PROJECTS IN INDIA AND GLOBALLY WITH SPEED AND ACCURACY

Project Snapshot

FY 2015-16	Toll	Annuity	Non-Road	Total
Projects				
Completed	14	8	4	26
Under Implementation	3	2	2	7
Under Development	2	2	-	4
Total	19	12	6	37
Lane km	11,549	3,131		14,680

Some of the most important strengths of our execution excellence comprise

In-house Expertise

Our in-house design team evaluates potential projects for bidding, prepares feasibility studies and assists in matters related to project development and implementation for speedy execution and design

We have established contractor relationships and the ability to source competitively. It has also enabled us to assess project value and assess risks better before bidding

Our advanced capabilities such as captive ISO 9001-2008 certified testing laboratory at Ahmedabad helps us plan our O&M activities better and ensure higher quality

Project Management

Our project management expertise encompasses a whole range of activities, beginning with a detailed design, collaborating with authorities and agencies to supervising construction and ensuring quality performance

Operation & Maintenance

Our in-house Operations & Maintenance of all road projects

through a highly skilled and adequately experienced team is a key competitive advantage. All necessary resources and equipment are mobilised for enabling the team to undertake all activities. Use of state-of-the-art technologies and material for effective maintenance of assets help increase the life of road and optimising whole life cycle costing of road projects

Accident and Emergency Services

At ITNL, we deploy round-the-clock monitoring and surveillance for emergency services on the project road. An efficient route patrol team ensures availability of smooth and hindrance free passage to users. Our accident prevention strategy prioritises provision of new safety features, such as pedestrian overpasses, concrete barriers, speed limit controls, improved signals and road widening at required locations during construction phase itself. Further, emergency equipment such as patrol vehicles, ambulances and tow cranes are stationed at appropriate locations along all our project highways to respond

immediately to any eventuality and remove any obstructions. Our proactive measures result in minimizing injury and fatalities on our roads

Tolling System

ITNL's in-house Tolling Systems Development team has developed and implemented a Semi-Automatic Toll Collection system, which is being used in our projects for greater efficiency and smoother traffic management

Cutting-edge technology

We benefit from our interactive web-based project management information system ("PMIS") in monitoring activities such as road inspection and maintenance, arboriculture, accident management, traffic updates and providing project information to our project teams. We have implemented a compliance management application called RSA Archer. It provides an access controlled environment for keeping track of compliances and ensure adherence to Standard Operating Procedures

ROBUST BALANCE SHEET DRIVES PROMISE

OUR CONTINUOUSLY GROWING BALANCE SHEET ADDS STRENGTH TO OUR OPERATIONS. OUR ROBUST NET WORTH, TOGETHER WITH HIGH-QUALITY INVESTMENTS AND ASSETS PROVIDE US MUCH NEEDED STABILITY. THIS IS CRUCIAL TO AUGMENT THE ORDER BOOK YEAR-ON-YEAR AND EXECUTE PROJECTS EFFICIENTLY AND ON TIME, DESPITE CHALLENGES POSED BY THE EXTERNAL ENVIRONMENT

STRATEGIC INITIATIVES SUCH AS ASSET MONETISATION, PROJECT DEBT REFINANCING AND A FOCUSED APPROACH TOWARDS NEW ORDER BOOKS WILL BE KEY TO FURTHER DELEVERAGING AND BUILDING STRENGTH IN THE BALANCE SHEET

Asset Monetisation

As infrastructure development gathers momentum in India, investor interest in owning infrastructure assets is growing. We will use this opportunity and focus on ways to free capital by monetising some of our matured assets. The capital that gets freed will be used judiciously to meet future expansion plans and bid for new projects

Debt Refinancing

The benign interest rate regime is an interesting and exciting opportunity to take advantages of the softer interest rates and refinance the high cost debt in our operational assets. We do this through issuing very competitively priced bonds and other instruments. We are confident of completing refinance of a few of our projects in the coming fiscal and optimize our interest rate in each of these projects by at least 250 bps

Focused project selection

To further strengthen our balance sheet, we have sharpened our focus towards Output and Performance based Road Contracts (OPRC) bids. This type of contract significantly expands the role of the private sector, from simple execution of work to the management and maintenance of the road asset, while increasing efficiency and effectiveness. The OPRC as a model for road asset management is similar to Design, Build, Maintain, Operate and Transfer (DBMOT) model of contracts, which addresses the issue of inadequate incentives. Such contracts require limited capital and hence place fewer demands on the financial resources of the company. We are concentrating on selected countries such as Senegal, Mozambique, Ethiopia, Angola, Vietnam, Myanmar and Papua New Guinea for OPRC projects

COMMUNITY INITIATIVES DRIVE PROMISE

ITNL IN LINE WITH GROUP'S ETHOS, HAS FOCUSED ON BUILDING COMMUNITIES WHILE BUILDING NATION'S HIGHWAYS. IT ENDEAVOURS TO CONTINUALLY STRENGTHEN DEVELOPMENT MULTIPLIERS OF INFRASTRUCTURE PROJECTS THROUGH SUPPORTING CSR INTERVENTIONS THAT ARE INNOVATIVE, STRATEGIC AND IMPACTFUL. PARIVARTAN, MEANING TRANSFORMATION, IS A UNIQUE CSR INITIATIVE GUIDED BY THE CONVICTION THAT EDUCATION, EMPLOYABILITY AND EMPLOYMENT ARE THE TRANSFORMATIONAL TOOLS IN THE PROCESS OF COMMUNITY DEVELOPMENT. THEY BRING IN CHANGE IN THE COMMUNITY AND BUILD A LONG-TERM LINKAGE MECHANISM TO ENSURE SUSTAINABILITY

ITNL'S VISION TO BRING POSITIVE CHANGE THROUGH THE CSR PROGRAMME IN FY 2015-16 FOCUSED ON SKILLS AND LIVELIHOODS, EDUCATION, HEALTHCARE, SANITATION, ROAD SAFETY AND RURAL INFRASTRUCTURE. DURING THE YEAR, ITNL WORKED IN CATCHMENT AREAS OF 13 ROAD PROJECTS DIRECTLY IMPACTING ABOUT 55,000 PEOPLE

SKILLS AND LIVELIHOODS

During the year, several skilling and livelihood initiatives were undertaken across areas of ITNL operations. These initiatives aimed to improve employment and livelihood generation opportunities for the community in the catchment area of the road project

Employment Linked Skill Training

We trained 620 youth in various trades including welding and hospitality and have helped them getting placed or start their enterprises. The youth were mobilized from catchment areas of the projects, namely, Kiratpur Ner Chowk, Moradabad Barielly, Hazaribagh Ranchi and Baleshwar Kharagpur

Fisheries as Alternate Livelihood in Waterlogged Areas

The rainy season used to be a curse for the paddy farmers of Basta, Jaleswar and Balasore Sadar blocks in Orissa due to submergence of the area under water. The Company designed a fishery development programme for the farmers from flood affected areas of Balasore district under its CSR activity. Started in September 2014, the programme has reached 148 farmers in 18 villages covering 6.8 acres of waste and marginal lands and 60.2 acres of unmanaged and undermanaged ponds. The farmers were supported with training, capital support and input support for fish rearing activity

Strengthening Farm based Livelihoods – Kiratpur Ner Chowk Catchment

For those embedded into local farming and off-farm activities in villages along highway, we have worked to innovate and create new livelihood options through Self Help Groups (SHGs) and individual farmers. Marginal farmers at Maura cluster, District Ropar, Punjab, were trained through partner, Yuvamitra and supported to take up seasonal vegetable cultivation (brinjal, gourd, chillies etc.) to improve their farm incomes besides learning improved agri practices for their regular crops- wheat & maize. The intent is to ensure local and substantive returns from their small land holdings to

enhance family income through changes and institutionalised support in cultivation, aggregation and marketing. In the last year, 50 Joint Liability Groups have been formed with almost 300 farmers. A farmer producer company, Kiratpur Sahib Kisan Mitra Agri Producer Company, has been incorporated with the farmers being shareholders and directors in the company

Enhancing Incomes of Poor and Marginalised Women – Khed Sinnar Catchment

With aim to create livelihood security for 500 poor & marginalised women in drought prone area of Sinnar in Nashik District of Maharashtra by 2018, we have started the sustainable goat rearing programme in April 2015 using Joint Liability Group (JLG) format. About 210 women from 5 villages are institutionalised into 42 JLGs and are supported with revolving fund and veterinary services to reduce mortality rate from 15% to less than 5%, technical and capacity building training

Creating Livelihoods for Women– Chenani-Nashri Catchment

With very limited economic opportunities available for women outside farm sector and no cash income, we have trained 50 women from Kud and Madlot villages in Udhampur District in J&K. They have

been trained in the field of tailoring, stitching and making marketable stitched products and help build their capability to run Group Enterprise. Currently, the Group Enterprise is working on establishing the market linkages for its product

EDUCATION

- ITNL is imparting educational programmes for English and Maths subject to more than 1,200 students in primary schools in villages across the Ranchi Hazaribagh project

- In Balasore-Karagpur, a mobile toy bus 'Fantoosh' is launched for fun learning based on game activities for 8 primary schools reaching out to 1,225 children

- ITNL in partnership with Magic bus provided life-skills training using sports as a medium to learn leadership, grit, team work and physical development including gender sensitisation and team building skills to more than 2,200 students in 8 rural government schools in Bilaspur District of Himachal Pradesh

● ITNL has been running education improvement programme in 12 Government Schools across the Chenani-Nashri Tunnel project since 2012 to improve quality of education of 1,950 students

HEALTHCARE

ITNL runs Mobile Medical Unit (MMU) in catchment areas of projects, namely, Chenani- Nashri Tunnelway, Hazaribagh-Ranchi, Kiratpur-Ner Chowk and Barwa-Adda providing access to healthcare to unserved

and underserved people. Footfall of 86,000 patients was recorded in the FY 2015-16 across these MMUs. The 4 MMUs conducted around 80 medical and health awareness camps last year. Some of the key activities included

● Telemedicine Vision Centre at Batote in Chenani-Nashri catchment provided free eye check-up to about 800 needy patients last year. The equipment has been donated by Rotary Club for setting the centre at Chenani

● We supported 223 cataract surgeries in Bilaspur District in Himachal Pradesh. The surgeries were conducted through Rotary Hospital

● In partnership with District Health Department, we conducted an awareness program on snake bites in Bilaspur district and trained doctors in treating the snake bite cases. Voluntary Snake Bite Mitigation Committees were established in seven villages to spread awareness to avoid snake bites and to provide first aid treatment. The programme has

helped bring down the risk of snake bite deaths by more than half

- More than 3,000 people were trained from Bilaspur, Mandi & Ropar districts including policemen, home guards, and students for first aid treatment

SANITATION

ITNL with vision to contribute to development agenda of the nation has aligned its CSR activity to Swachh Bharat Mission. With this objective in view, we have implemented sanitation programmes

across our project catchment areas. The initiatives taken included construction/repairing of toilets and creating water facilities in various schools and households

RURAL INFRASTRUCTURE DEVELOPMENT

Accessibility and lack of approach roads is one of the challenges in the economic development of the hilly area. With view to improve accessibility and transportation, 4 pipe culvert bridges and a steel foot bridge were constructed in Lower Kud and Sanasar Panchayat of Chenani. This initiative has benefited around 2,750 people in transportation of agricultural produce, plying of tractors and crossing during rainy season

Snapshot of our Projects

1 PROJECTS UNDER OPERATION

Gujarat Road and Infrastructure Company Limited
Vadodara Halol Road

Scope

Development of approximately 190 lane km on State Highway No. 87, from Vadodara to Halol in Gujarat

Concession

Concession was awarded to our promoter by the Government of Gujarat on a BOOT (toll) basis from the date of signing of the concession agreement. It shall extend till a period of 30 years from the operations date

Date of Concession Agreement

October 17, 1998

Commercial Operation Date

October 24, 2000

Value (₹ Crore)

156

Noida Toll Bridge Company Limited
Delhi to Noida, Uttar Pradesh

Scope

Development of a toll bridge and approach roads of approximately 60 lane km, connecting Delhi to Noida, Uttar Pradesh

Concession

Concession was awarded to our promoter by the New Okhla Industrial Development Authority (NOIDA) on a BOT (toll) basis for a period of 30 years (including a construction period of two and half years)

Date of Concession Agreement

November 12, 1997

Commercial Operation Date

February 7, 2001

Value (₹ Crore)

589

Gujarat Road and Infrastructure Company Limited

Ahmedabad Mehsana Road

Scope

Development of approximately 333 lane km section of State Highway No. 41 and 133, from Ahmedabad to Mehsana in Gujarat

Concession

Concession was awarded to our promoter by the Government of Gujarat on a BOOT (toll) basis from the date of signing of the concession agreement. It shall extend till a period of 30 years from the operations date

Date of Concession Agreement

May 12, 1999

Commercial Operation Date

February 20, 2003

Value (₹ Crore)

310

North Karnataka Expressway Limited

Belgaum Maharashtra Border Road

Scope

Development of four-lane highway with service roads on both sides, aggregating to approximately 472 lane km from Belgaum in Karnataka up to Maharashtra border

Concession

Concession was awarded by NHAI on a BOT (annuity) basis for a period of 17.5 years (including a construction period of two and half years)

Date of Concession Agreement

November 20, 2001

Commercial Operation Date

July 19, 2004

Value (₹ Crore)

600

Snapshot of our Projects

1 PROJECTS UNDER OPERATION

West Gujarat Expressway Limited Jetpur-Rajkot-Gondal Road

Scope

Four-laning of the existing two-lane Jetpur-Gondal Highway, improvement of the existing four-lane highway between Gondal and Rajkot, four-laning of the existing Rajkot bypass on NH8B and construction of service roads, with an aggregate length of approximately 389 lane km, in Gujarat

Concession

Concession was awarded by NHAI on a BOT (annuity) basis for a period of 20 years (including a construction period of two and half years)

Date of Concession Agreement

March 22, 2005

Commercial Operation Date

March 17, 2008

Value (₹ Crore)

276

Road Infrastructure Development Company of Rajasthan Limited Mega Highways Road Project

Scope

Development of two/four-lane roads with paved shoulder in Rajasthan with an aggregate length of 3,312 lane km

Concession

Concession awarded to the promoter by the Government of Rajasthan on a BOT (toll) basis for a period of 32 years (including a construction period of two and half years)

Date of Concession Agreement

January 17, 2006

Commercial Operation Date

Phase I: December 28, 2007

Phase II: October 1, 2011

Phase III: December 16, 2015

Value (₹ Crore)

2,704

Andhra Pradesh Expressway Limited

Kotakatta Kurnool Road

Scope

Development of 328 lane km connecting Kotakatta bypass to Kurnool on National Highway 7 in Andhra Pradesh and Telangana

Concession

Concession was awarded by NHAI on a BOT (annuity) basis for a period of 20 years (including a construction period of two and half years)

Date of Concession Agreement

March 20, 2006

Commercial Operation Date

September 30, 2009

Value (₹ Crore)

863

Ramky Elsamex Hyderabad Ring Road Limited

Hyderabad Outer Ring Road

Scope

Development of eight-lane access-controlled expressway and two-lane service roads on both sides with an aggregate length of 152 lane km for the section from Tukkuguda to Shamshabad on the Hyderabad Outer Ring Road in Telangana

Concession

Concession was awarded by the Hyderabad Urban Development Authority for a period of 15 years (including construction period of thirty months)

Date of Concession Agreement

August 18, 2007

Commercial Operation Date

November 26, 2009

Value (₹ Crore)

Board of Directors

Deepak Dasgupta

Chairman & Independent Director

Mr. Deepak Dasgupta, a retired Indian Administrative Services officer, has served the Government of Haryana and the Central Government for over 37 years. During his tenure, he headed various departments including those related to infrastructure development and policy formulation. He also served as the Chairman of National Highways Authority of India for over five years and as an advisor to the Asian Development Bank. Mr. Dasgupta was also a member of the Senior Expert Committee of IDFC Private Equity Fund and the Special Task Force on Bihar. Mr. Dasgupta holds a master's degree in Science from the University of Delhi.

R C Sinha

Independent Director

Mr. R. C. Sinha, a retired Indian Administrative Services officer served the Government of Maharashtra and the Central Government for over three decades. During his tenure with the Central Government, he worked as Joint Secretary, Ministry of Information & Broadcasting. He also served as collector, district magistrate, secretary and additional chief secretary in the Government of Maharashtra. Mr. Sinha also served as the Vice-Chairman and Managing Director of (i) Maharashtra State Road Transport Corporation Limited, (ii) City Industrial Development Corporation of Maharashtra Limited, (iii) Maharashtra State Road Development Corporation Limited, and (iv) Maharashtra Airport Development Company Limited. He holds a bachelor's degree in law

and master's degree in economics from Lucknow University and a post-graduation in 'Urban Development' from the London University.

Deepak Satwalekar

Independent Director

Mr. Deepak Satwalekar retired as the Managing Director and Chief Executive Officer of HDFC Standard Life Insurance Company Limited. Prior to this, he was the Managing Director of HDFC Limited since 1993 and also as consultant with multi-lateral and bi-lateral agencies. He is a recipient of the 'Distinguished Alumnus Award' from the Indian Institute of Technology, Mumbai, and is now, on the Advisory Council of this institution. He is also an Independent Director on the Boards of several other companies. Currently, Mr. Satwalekar is active on the Board of Trustees of 'Isha Education Trust' (ishavidhya.org) and 'Teach to Lead' (teachforindia.org), engaged in spreading primary education to the economically and socially-disadvantaged members in rural and urban India, respectively. He holds a bachelor's degree in technology from the Indian Institute of Technology, Mumbai and a master's degree holder in business administration from the American University, Washington DC.

H P Jamdar

Independent Director

Mr. H. P. Jamdar has headed various departments of the Government of Gujarat including as Secretary and Principal Secretary. During his tenure, he also served as chairman of various state-owned corporations, especially in the roads and ports sector. He has served as the President of Indian Roads Congress and the Institution of Engineers

(India).

Mr. Jamdar holds a bachelor's degree in civil engineering from the Gujarat University.

Neeru Singh

Independent Director

Prior to joining the Company, he had worked with Engineers India Limited and Gammon India Limited and has been involved with various international projects including implementing the 'High Speed Rail Project' and evaluating the 'Cargo Airport Project' in Mexico

He holds a bachelor's degree in civil engineering and Diploma in Systems Management and Financial Management

Iconic Projects

Chenani Nashri Tunnel Project

We achieved a historic and significant milestone by breaking through the last wall of India's longest road tunnel (9 km), joining Chenani (South End) and Nashri (North End) in the state of Jammu & Kashmir on July 13, 2015. The Chenani Nashri Tunnel Project, a part of the ambitious 286 km long four-laning of the Jammu-Srinagar National Highway, will reduce the distance between the two capital cities by nearly 30 km. It is also the longest road tunnel in Asia, outside of China and Japan. The Chenani-Nashri Tunnel will be the country's first tunnel with world-class 'Integrated Tunnel Control System (ITCS)' where ventilation, fire control, signals, communication and electrical systems will be automatically actuated

Thiruvananthapuram City Road Improvement Project (TCRIP)

TCRIP has set up a world-class road network in the state capital of Kerala. The project won International Road Federation's Global Road Achievement Award (GRAA), under the category of Urban Planning and Mobility. This category recognizes efforts to plan and develop tomorrow's cities, responding to the twin challenges of enhanced mobility demand and reduced environmental foot print

TCRIP was one of the 12 PPP projects from across the world that found a place in the forum for Implementing the United Nations 2030 Agenda for Sustainable Development through effective, people –first Public- Private Partnership in Geneva. TCRIP is the first PPP project in the country for urban infrastructure (city roads) development with the active participation of the state and the private sector

The project involved developing 42.06 km of city roads by strengthening surface, widening in acquired portions, correcting geometric and vertical profiles, providing proper facilities for drainage of storm water, enhancing pedestrian facilities such as footpaths, traffic islands and pedestrian refuges, improving overall safety by installing solar-powered and GPS-enabled traffic systems and installing energy-saving street lighting systems, among others. It also had other infrastructure components such as bridges, flyovers and underpass

MP Border Project

ITNL was presented an award for innovative use of Information and Communication Technology (ICT) for E-Governance in 24 Integrated Border Check Post in the state of Madhya Pradesh by the Hon. Chief Minister of Madhya Pradesh. The award was presented in due presence of the Minister of Science & Technology, MP and Chief secretary through Madhya Pradesh Agency for Promotion of Information Technology

Management Discussion and Analysis

Colombia Bridge Project

1. Global Economy - A Snapshot¹

According to the International Monetary Fund's (IMF) World Economic Outlook, global recovery is moving ahead at a sluggish pace and in fits and starts. The picture that is emerging across geographies is one of financial turbulence and uncertainty. At the end of 2015, economic activity was largely uneven across advanced economies; large emerging economies also showed considerable stress. The result is that global growth declined marginally from 2.6% in 2014 to 2.4% in 2015

To add to these headwinds, concerns about the global impact of China unwinding its prior excesses continues to hamper overall global economic growth. Given China's important role in global trade, its rebalancing efforts can have substantial spill-over effects,

¹ Source: Compiled from World Bank's Global Economic Prospects, IMF's World Economic Outlook & RBI's Monetary Policy Report, Economic Survey, Ministry of Finance

especially on emerging market and developing economies. Oil prices responded to the weak market sentiments and fell sharply in early 2016. However, market sentiment began to improve in mid-February 2016; and by the end of March this year, market valuations had recovered most or all of the ground lost earlier in the year

Brazil and Russia also faced major challenges during FY 2015-16. The commodity exports of these countries were severely impacted by a decline in prices and owing to China's rebalancing. Export performance of Sub-Saharan Africa was also disappointing, but the region did not witness the kind of slump in prices as seen in Latin America

In major high-income earning countries, the recovery gained traction in 2015; and has been increasingly driven by stronger domestic demand as labor markets and credit conditions started improving. However, 2016 growth forecasts for high-income countries have been marked down,

considering the likely impact of dollar appreciation on USA and slowing down of trade in Asia on Japan. Conditions for a continued but fragile upturn in the Eurozone are still intact, despite soft external demand and rising geopolitical concerns

Global inflation especially in the emerging markets and developing economies is projected to decline to 4.5% in 2016, from 4.7% in 2015; reflecting decline in commodity prices and the effect of last year's currency depreciation

Global growth is projected to remain modest in 2016, at 3.2%, and a shy higher up to 3.5% in 2017. Emerging markets and developing economies will still account for the lion's share in 2016. But the growth rate is likely to rise very slightly compared to that of last year

The US

The increase in Federal funds last year in December reflects a stronger U.S. economy. At present, a broad range of indicators suggest a notable improvement in the labor

market accompanied by signs of firming wage rate. The pace of further rate increases should therefore be gradual. An effective monetary policy communication strategy will remain essential, particularly in an environment of higher financial market volatility, where spillovers through financial channels could be substantial

Growth is projected to be moderate in the US. This growth emanates from strengthening balance sheets, no further fiscal drag in 2016 and an improving housing market. These forces are expected to offset the strain of net exports due to stronger dollar, slowing growth in trading partners, further decline in energy investment, weaker manufacturing sector, and tighter domestic financial conditions for certain sectors like oil & gas and allied industries. As a result, growth is projected to level off at 2.4% in 2016, with a modest uptick in 2017. Longer-term growth prospects are weaker, with potential growth estimated to be only about 2%, weighed down by an aging population and low total factor productivity growth

Europe

In the Euro area, the ECB's asset purchase programme has supported the economic recovery, thereby improving financial conditions. But persistently low inflation and subdued growth require for the policy to remain accommodative for an extended period. The wide range of mutually reinforcing policy measures taken recently by the ECB is appropriate, in view of the increased downside risks to the growth outlook. These policy measures help to strengthen forward guidance; and signal a strong commitment to meet the region's price stability objective over the medium term. ECB issuance will also facilitate the passing of improved bank funding conditions to the real economy by encouraging greater

lending, while reducing the impact of negative deposit rates on bank profitability

The ECB should continue to signal strongly its willingness to use all available instruments until its price stability objective is met. These monetary policy efforts should be supported with measures to strengthen bank balance sheets (which would help improve monetary policy transmission), bolster credit supply and reduce banking sector vulnerabilities. The modest Euro area recovery is projected to continue in 2016–17; in the backdrop of a weakening external demand outweighed by the favourable effects of lower energy prices, a modest fiscal expansion and supportive financial conditions

Potential growth is expected to remain weak. The reasons are many: high private and public debt, low investment and eroding skills due to high long-term unemployment, aging population, and slow total factor productivity growth. Output in the euro area is expected to grow at about 1.5% in 2016 and 1.6% in 2017 and likely to remain around 1.5% in the medium term. Growth is expected to increase modestly in Germany (to 1.6% by 2017), France

(to 1.1% in 2016 and 1.3% in 2017), and Italy (to 1% in 2016 and 1.1% in 2017). Growth in Spain is projected to soften (to 2.6% in 2016 and 2.3% in 2017), while remaining above the euro area average. Economic activity is expected to decelerate in Portugal (to 1.4% in 2016 and 1.3% in 2017), while Greece is expected to return on the road to growth in 2017

In the United Kingdom, growth forecast is pegged at 1.9% in 2016 and 2.2% in 2017, driven by domestic private demand (supported by lower energy prices and a robust property market). These two key factors will help offset headwinds from fiscal consolidation and heightened uncertainty ahead of the June referendum on European Union membership

Latin America

Growth in 2016 is expected to be negative for a second consecutive year at -0.5%. However, across all countries in this region economic activity is expected to pick up in 2017, estimated to go up to 1.5%. In Brazil, output is expected to contract by further 3.8% in 2016 following similar decline in 2015. This decline can essentially be attributed to recession taking its toll on employment, along with real

➡ A4 Autovia, Madrid

Delhi Noida Flyway

income and domestic uncertainties continuing to restrain the government's ability to formulate and execute policies. With many of the major shocks that jolted the economy in FY 2015-16 expected to have run their course and a weaker currency, the growth rate is projected to turn positive in 2017

Among South America's oil exporting countries, Colombia's projected deceleration of activity, with growth easing to 2.5% in 2016 from 3.1% in 2015 is a reflection of low oil prices, along with tightening macroeconomic policies. Venezuela is projected to remain in deep recession in 2016 with output estimated to contract by 8% following a decline of 5.7% in 2015. The reasons are: political uncertainty, declining oil prices leading to macroeconomic imbalances & pressures and an average inflation rate projected to rise to close to 500% in 2016. Elsewhere in South America, the ongoing push to correct macroeconomic imbalances and microeconomic distortions can improve prospects for growth over the medium term; but this adjustment is likely to generate a mild recession in 2016

Asia

In Japan, the introduction of a negative rate on marginal reserve deposits by the Bank of Japan underscores its commitment to maintaining inflation momentum. The growth is projected to remain at 0.5% in 2016, before turning slightly negative to -0.1% in 2017 as the scheduled increase in the consumption tax rate of 2 percentage points goes into effect

Growth in China is projected to slow to 6.5% this year and 6.2% in 2017. A further weakening is expected in the industrial sector as excess capacity continues to unwind, especially in real estate (and related upstream industries) and manufacturing sector. Services sector growth is expected to be robust as the economy continues to rebalance from investment to consumption. Elsewhere in emerging and developing Asia, activity remains robust among the ASEAN-5 Economies like Indonesia, Malaysia, Philippines, Thailand and Vietnam. Growth in the ASEAN-5 is predicted to pick up further in 2017; and in subsequent years, supported by strong domestic demand and a gradual increase in exports. Indonesia, the Philippines, and Thailand are likely to grow at 4.9%,

6.0% and 3.0% respectively. On the other hand, growth is likely to ease in Malaysia and Vietnam to 4.4% and 6.3% respectively in 2016

Sub-Saharan Africa

Growth in Sub-Saharan Africa is expected to remain weak this year at 3.0%, lower than in the year 2015. It is projected to rise up to 4.0% in 2017, owing to rebound in commodity prices and timely policy implementation. The ongoing slowdown is primarily due to unfavourable external conditions faced by these countries. Resource-intensive countries have suffered a two-fold blow in the form of fall in prices of commodities and their frontier markets getting adversely affected by tighter global financing conditions. Sub-Saharan Africa's oil-exporting countries are now projected to grow at 2.0% in 2016 and 3.4% in 2017

Within this group, growth in 2016 is expected to ease to 2.5% in Angola and 2.3% in Nigeria, as the negative impact of lower oil prices is compounded by disruptions in private sector activity through exchange rate restrictions. In South Africa, growth is expected to be halved to 0.6% in 2016 owing to lower export prices, increasing policy uncertainty, tighter monetary and fiscal policy. In Ghana, growth is projected to increase to 4.5%, from 3.5% last year. In many other oil importing countries, inflationary pressures stemming from the pass-through of a strong U.S. dollar have also offset to some extent the benefits of lower oil prices. Nonetheless, ongoing investment in infrastructure and strong consumption in countries such as Côte d'Ivoire, Kenya, Rwanda, Senegal, and Tanzania are expected to drive growth, going forward

Middle East and North Africa

The outlook across the Middle

East and North Africa region has weakened considerably because of further decline in oil prices, coupled with intensifying conflicts and security risks. Since the oil prices are expected to remain low for some time now, oil-exporting countries have taken further steps to restrain government spending, cut subsidies, and generate revenues. Growth in the member countries of the Cooperation Council for the Arab States of the Gulf (GCC) is now expected to decline from 3.3% in 2015 to 1.8% in 2016. Growth is expected to rise by over 2% in the medium term

2. Indian Economy

The Indian economy has continued to consolidate the gains achieved in restoring macroeconomic stability. In the Advance Estimates of Gross Domestic Product (GDP) released by the Central Statistics Office (CSO) the growth rate of GDP at constant market prices is projected to increase to 7.6% in 2015-16 from 7.2% in 2014-15. This can primarily be attributed to the acceleration of private final consumption expenditure. Similarly, the growth rate of Gross Value Added (GVA) for 2015-16 is estimated at 7.3% vis-à-vis 7.1% in 2014-15. Agriculture registered low growth for the second year in a row on account of weak monsoon. Industry has shown significant improvement primarily on account of the surprising acceleration in manufacturing sector - 9.5% vis-à-vis 5.5% in 2014-15. Meanwhile, service sector continues to expand rapidly. According to the Advance Estimates, nominal GDP is likely to

increase by 8.6% as against 6.8% in 2015-16

Inflation remains under control; the CPI-New Series inflation has hovered around 5.5%, while measures of underlying trends like, core inflation, rural wage growth and minimum support price increases have remained muted. The Wholesale Price Index (WPI) has been in negative territory since November 2014, as a result of the slump in commodity prices, especially oil. As low inflation has taken hold and confidence in price stability has improved, gold imports have largely stabilized, notwithstanding the end of a period of import controls

The current account deficit has declined and is at a comfortable level. Further, the foreign exchange reserves rose to US\$351.5 billion in early February 2016 and net FDI inflows increased from US\$21.9 billion in April-December 2014-15 to US\$27.7 billion in the same period of 2015-16. This is the result of the government's proactive initiatives to simplify norms and enhance the ease of doing business in India

The government's initiatives have yielded encouraging results with the country jumping 12 ranks to 130 in the latest ranking on ease of doing business, compiled by the World Bank

The fiscal deficit stood at 3.9% of GDP. Thus, the Central government met its target, continuing with its commitment to fiscal consolidation. The direct and indirect tax collection numbers in the last fiscal were also encouraging

The industrial sector accelerated in the second half of 2015-16, primarily on account of growth in the manufacturing sector. By contrast, industrial output measured by the Index of Industrial Production

(IIP) could not sustain the base-effect surge in October 2015, which contracted in January 2016. Soft commodity prices brought down input costs sharply. In terms of use-based activity, all segments suffered output losses, except festival related demand for consumer durables and intermediate goods in second half

In Q4, the IIP continued to contract for the third successive month during January 2016, which again led to a decline in the manufacturing sector. Electricity generation remained resilient and is expected to sustain its performance backed by thermal supplies, while consumer durables continued to gain from favourable base effects

Consequently, the overall consumer goods sector remained flat, while basic goods decelerated. The Purchasing Manufacturers Index (PMI) for March 2016 expanded on the basis of growth of output, new orders, including exports. The Make in India drive, together with new announcements in the Union Budget, along with customs and excise concessions are expected to help lift industrial performance, going forward

Outlook for Growth

Despite declining exports (owing to weak global demand) and low private investment, India's economy is performing remarkably well. According to the Reserve Bank of India, multiple factors could impinge upon the growth outlook for 2016-17. First, slow investment recovery amid balance sheet adjustments of corporates is likely to hinder investment demand. Second, with capacity utilisation in the organized industrial sector estimated at 72.5%, revival of private investment is expected to be tentative. Third, global output and trade growth remain tepid, dragging net exports. On the positive

7.6%

GDP Growth in 2015-16

Barwa Adda Panagarh Road Project

side, the government's ambitious initiatives (Make in India, Startup India, Digital India, Skill India), strong commitment to fiscal targets and the focus on infrastructure creation is expected to brighten the investment horizon

On the other hand, household consumption demand is expected to benefit from a combination of factors: the Pay Commission award, continued low commodity prices, past interest rate cuts and measures announced in the Union Budget 2016-17 to strengthen rural income. Consumer confidence remains upbeat according to a survey conducted in March 2016 by the Reserve Bank with optimism on prospects for income and economic conditions. For 2017-18, real growth in GDP is projected at 7.9% assuming a normal monsoon

₹2,21,246 Crore

Total outlay for infrastructure sector in the Union Budget 2016

3. India's infrastructure opportunity

The government's ambitious infrastructure development programmes provide significant opportunities for investors and market players to help transform the sector and partner India's socio-economic progress. The government plans to focus on Railways, Roads, Sagarmala project (for ports and coastal development), Housing for All and Inland waterways. Total outlay for infrastructure sector has been sharply increased to ₹ 2,21,246 Crore in the Union Budget 2016

There are challenges such as risk-averse market sentiment and financial institutions largely exercising caution about investing in the infrastructure sector. However, the RBI's announcements, allowing infrastructure players to raise external commercial borrowings with a minimum maturity of five years, will augur well for the sector, going forward. Further, the National Investment and Infrastructure Fund (NIIF) is expected to address the investment gap in infrastructure with FDI and private investments supporting the fund

In addition, the government is undertaking various measures to make the sector investor friendly, according to the Kelkar Committee recommendations. It has called for a rational allocation of risks in an infrastructure project among various stakeholders in a project, and moving away from the one-size-fits-all approach to PPP Model Concession Agreements (MCAs). The government is now addressing various bottlenecks, before awarding projects. The result is better turnaround within budget and on time

Road sector

Roads and highways are the lifelines of India's growing economy, connecting India's remote corners to development and better quality of life. The total budgeted investment in the road sector is envisaged to be ₹ 97,000 Crore including Pradhan Mantri Gram Sadak Yojana. The Ministry of Road Transport & Highways has set a target of 25,000 km of National Highways to be awarded in 2016-17, as against the 10,000 km awarded in 2015-16

The construction target has been set at 15,000 km as against the 6,000 km constructed last year. Of the total length of National Highways targeted for award, 15,000 km would fall under the National Highways Authority of India (NHAI) and 10,000 km under the target of the Ministry and National Highways and Infrastructure Development Corporation Ltd. (NHIDCL). NHAI's target for construction has been fixed at 8,000 km while for the Ministry and NHIDCL, the target is 7,000 km

The last quarter of FY 2015-16 saw the beginning of a new era in the road infrastructure sector. The proposed Hybrid Annuity Model (HAM) combines features of both

– BOT and EPC models, with 40% of the project cost being funded by the Government and the private player arranging the remaining 60% through equity and funding from financial institutions. Here, the concessionaire will be assured of bi-annual sums to be paid by the government during operations, along with payments for operations and maintenance and interest on balance debt

The revenue risk (due to traffic variation) and cost escalation risk (due to inflation) is also covered by this model. After many deliberations amongst the private sector players, MORTH and NHAI, HAM received a limited response initially. Although NHAI successfully completed the bidding process and awarded few projects in the last quarter, NHAI tendered out many projects on HAM basis in the first quarter of FY 2016. It is envisaged that this model would be the most preferred model for delivering projects in the coming financial year. The government has also announced other mega programs such as Bharat Mala, District Connectivity, Expressways and Setu Bharatam to drive infrastructure resurgence in the country

The government has recently undertaken initiatives for streamlining systems and processes to fast track the implementation of National Highway projects. Major steps taken in this regard include:

- (i) **Change in Ownership:** The Ministry has issued circulars for exit policy. It has allowed promoters to exit from projects two years after COD and re-invest in their incomplete projects to ensure the projects do not result into stressed asset
- (ii) **Stressed projects:** To revive already stressed projects, NHAI

is allowed to infuse funds in such projects with a condition of preferential repayment over the Senior Debt. NHAI has further taken steps to resolve issues related to land acquisition and statutory clearances to complete stressed projects

- (iii) **Toll-Operate-Transfer Model (TOT):** The Ministry is also discussing the possibility of rolling out a new model for investors wherein the projects completed with public funding and under operation and maintenance phase shall be tendered to private sector entities for operations and maintenance for a fixed period in lieu of an upfront fee (under the toll-operate-transfer or TOT model). This is expected to make more funds available for undertaking new projects
- (iv) The Vijay Kelkar Committee issued a report on Revisiting & Revitalising the PPP model of Infrastructure Development. A host of recommendations suggested on the roads sector, include increasing the concession period, introducing viability gap funding, relaxation of the exit clause, disposing of cases in a time-bound manner and introducing shadow bids
- (v) Further, MORTH and NHAI continued taking initiatives on other aspects of infrastructure development, like implementation of ETC systems and road safety programmes. Another highpoint was issue of tax-free bond worth ₹ 1,000 Crore by NHAI with an option to retain oversubscription up to ₹ 10,000 Crore
- (vi) Attempts have been made to improve the country's road safety scenario. There are four aspects bearing upon road safety, viz. Engineering, Enforcement, Education and Emergency care, which are also known as four E's of road safety. The engineering related aspects are being taken care of right from the design stage of the NH itself. The enforcement aspect is vested with the respective States/Union Territories. Road safety is taken care of by the Ministry of Road Transport and Highways (MORTH) through

25,000 km

National Highways to be awarded in 2016-17

➡ Ahmedabad Mehsana Road Project

➔ Rapid Metro Gurgaon

print and electronic media campaigns, coupled with efforts made by various states

At the state level, certain state authorities have tendered projects on different format like Grant+Annuity, Output and Performance based Road Contract (OPRC), some of which were even funded by multilateral banks

The pace of development of road projects is likely to increase due to these policy interventions. Less number of BOT players and innovative bidding model, along with conventional BOT models will facilitate the Company to secure bids and retain its market share

Railways

Indian Railways (IR) is one of the world's largest railway networks comprising 1,15,000 km of track over a route of 65,808 km and 7,112 stations. IR carries about 8.397 Billion passengers annually or over 23 Million passengers a day and 1058.81 Million tons of freight in the year

The 2016 Railway Budget envisages an investment of ₹ 1,21,000 Crore for FY 2016-17. Moreover, it emphasises on doing away with

business as usual approach and continually innovating to find new ways of sourcing funds as well as executing projects. The Railway Budget emphasises on developing new framework for executing work on PPP basis and implementation through joint ventures with states

IR has initiated measures to attract private sector investment in the following areas:

Dedicated freight corridor project (DFC): With the emphasis on rapid expansion of freight business, it has been considered essential to build more dedicated freight corridors for increased traffic with consequent benefits for the economy and environment. The Railway Budget proposes to take up some freight corridors including, North-South, connecting Delhi to Chennai; East-West, connecting Kharagpur to Mumbai; and East Coast, connecting Kharagpur to Vijayawada. It is proposed to put these three projects on high priority to ensure structuring, award and implementation in a time-bound manner through innovative financing mechanisms, including PPP

Port Connectivity: For FY2016-17,

the Railway Budget proposes to undertake the implementation of rail connectivity for the ports of Nargol and Hazira under PPP. Considering the urgent need to provide connectivity to Indian ports on the 7,517 km coastline, IR is willing to consider and undertake any offer of partnership

Development of railway stations:

In a landmark decision, the Cabinet has approved the redevelopment of 400 stations through PPP. This is expected to be the world's largest transit-oriented development. On the basis of a bankable structure for private participation, it is proposed to undertake a bidding process for a few large and medium stations, during the course of the next financial year. Apart from taking up stations through the PPP mode, IR is also exploring the possibility of availing multilateral financial investments for the development of certain other stations and partnering with state governments

IR continues to focus on opportunities in the development of logistic parks and de-monopolising container movement

4. Threats

Factors, which can threaten the business model and the Company's market standing, emerge from changes in government policies, safety and security concerns, among others. Some possible threats include:

Market competition

The Company competes with a number of Indian and international infrastructure operators in acquiring concessions for both new and existing road projects. After two decades of consistent competition, it has now eased out relatively in the last two years. Market players

have become more cautious, leading to more rational bids. For NHAI BOT bids, FY2015-16 saw three to four bidders vying for BOT highway projects, compared to over 30 bidders in 2012. However, the hybrid annuity projects witnessed a lot more competition, given its attractive structure. Considering the ever-changing market competition, the Company adapts its policies and procedures to ensure a sustained business model. With the government keen on promoting EPC contracts, the duplicity of participants in both the EPC and the PPP sector is expected to reduce considerably, with very few and established players to remain in the PPP sector

Business environment changes

At the domestic level, the business environment is reasonably stable. However, changes are expected at the operational level with new models of project implementation being devised. Tightening credit availability to the sector from an overly cautious banking sector will remain the primary concern. The introduction of GST is another move that is being closely watched. Any adverse change in focus or policy framework regarding infrastructure development or the surface transportation industry of the Government of India and various government entities in India as well as other countries in which the Company operates, could adversely affect the Company's existing projects and reduce opportunities to secure new projects

The Company has developed various road projects, apart from possessing complementary engineering, designing, planning and project monitoring skills.

Credit availability

Over the last few years, PPP projects in the road sector witnessed aggressive bidding by newcomers, resorting to inflated traffic growth estimates. The stagnant economic growth further worsened the traffic growth scenario, leading to debt defaults. This has prompted banks to resort to a micro-analysis of the project including the financial model. Credit availability has become one of the most significant threats of the year. Debt financing and loan arrangements by banks have become comparatively stringent owing to the growing defaults by other developers. However, the Company maintains a good track record with infrastructure financiers; and achieves timely financial closure for its projects. Besides, it manages its working capital needs adequately. With the introduction of Hybrid Annuity Model, it is expected that the lenders would be more comfortable in providing funding for road projects, although it can be ascertained only once the implementation of the projects awarded on HAM starts

Dispute resolution and claims settlement

Although, the recent past saw slight improvement in the claim settlement scene, the pace of settlement of claims remains slow and tedious. Closure of arbitration and accrual of claims is critical to restore concessionaire trust and ensure timely completion. Ball has been set rolling to set up an independent regulator for the road sector, which is expected to address this issue comprehensively

5. Sector-Wise Performance

The Company has a large and diversified BOT road asset portfolio. Besides, it also has an optimum mix of toll and annuity projects across India. The Company has developed

various road projects, apart from possessing complementary engineering, designing, planning and project monitoring skills. The Company will focus on maintaining its record of delivering quality assets within limited budget and time

Roads

The Company performed well, both in India and globally

Domestic operations

There was hectic activity at the construction front. Despite the economic slowdown and hardened lending scenario, the Company managed to stand firm and provide rewarding returns to its shareholders. The Company also ensured that construction was progressing as per schedule and completed three highway projects and eight border check posts. The details are as follows:

- During the financial year, the appointed date was declared as May 1, 2015 for the construction, operation and maintenance of Z-MORH Tunnel, including approaches on NH-1 in the state of Jammu & Kashmir
- The final breakthrough of the 9 km-long main tunnel of Chennai Nashri was achieved on July 13, 2015, thus completing excavation of the heading portion of the main tunnel
- Sikar Bikaner road project in Rajasthan received the provisional completion certificate effective October 10, 2015 and started commercial operations in a length of 212.56 Km out of 237.57 Km
- Provisional completion certificate was also received for an additional length of 15.30 Km in Moradabad Bareilly road project, thus increasing the tollable length to 118.82 Km (effective November 19, 2015)
- Baleshwar Kharagpur road project in Odisha/West Bengal,

➤ Chenani Nashri Tunnel Project

- received completion certificate effective December 26, 2015
- Jorabat Shillong road project in Assam/Meghalaya received provisional completion certificate effective January 28, 2016 and started commercial operations in a length of 56 km
- The Company received completion certificate for Pune Solapur road project for the complete length of 101.30 Km of NH-9 from Km 144.400 to Km 249.000 in Maharashtra under NHDP Phase III on February 3, 2016 and commenced tolling operations on the entire length
- Provisional completion certificates were received for eight check posts under the Madhya Pradesh Border Checkpost Project, taking the total number of operational check posts to 19
- The Company was awarded following two projects by the National Highways Authority

of India to be executed as BOT (Toll) basis on DBFOT pattern under NHDP Phase – IV and Concession Agreement was executed for the same:

- Four-laning of Amravati-Chikli (Package – I) section of NH-6 in Maharashtra from Km. 166.000 to Km. 360.000
- Four-laning of Fagne – Gujarat/Maharashtra Border (Package-III) section of NH-6 in Maharashtra from 510.000 Km to 650.794 Km

The following road projects are under operation and maintenance:

- Vadodara - Halol Project, Gujarat
- Noida Toll Bridge Project
- Ahmedabad - Mehsana Project, Gujarat
- Belgaum - Maharashtra Border Project, Karnataka
- Jetpur- Gondal- Rajkot Project, Gujarat
- Kotakatta Bypass - Kurnool Project, Andhra Pradesh
- Hyderabad Outer Ring Road
- Pedda Amberpet - Bongulur Project (Hyderabad Outer Ring Road)

- Various road stretches under the Mega Highways Road Project, Phase-I, II & III, Rajasthan
- Thiruvananthapuram City Road Improvement Project, Kerala
- Beawar Gomti road stretch, Rajasthan
- Ranchi Hazaribagh road stretch, Jharkhand
- Five road stretch projects under Jharkhand Road Projects Implementation Company Ltd, Jharkhand
- Pune Solapur road stretch, Maharashtra
- Narketpally Medarametla road stretch, Andhra Pradesh
- Moradabad Bareilly Road Project, Uttar Pradesh
- Warora Chandrapur Road Project, Maharashtra
- Sikar Bikaner Road Project, Rajasthan
- Baleshwar Kharagpur Road Project, Odisha/West Bengal
- Jorabat Shillong Road Project, Assam/Meghalaya
- 19 check posts in the Madhya Pradesh Border Checkpost Company Ltd

International operations

The following sections highlight the key projects being pursued in Asia Pacific, the Middle East and Africa, European Union, South America and North America regions, where the Company is actively pursuing business opportunities:

Asia Pacific

The Company continues to focus on opportunities in Vietnam, while identifying feasible projects in the Philippines, Sri Lanka, Myanmar, Brunei, Cambodia, Papua New Guinea and East Timor. In April 2016, Elsamex Maintenance Services Limited, a subsidiary, signed an agreement with CIENCO4 (Vietnam State Owned Enterprise) for 200,000 square metre of road sector for

19

Total number of operational check posts

carrying out micro-surfacing application in Vietnam

YUHE Expressway

During the year, Yuhe Expressway recorded revenues of US\$ 79.11 Million as against budget of US\$ 75.29 Million. It reported Profit after Tax (PAT) of US\$ 26.21 Million against a target of US\$ 22.98 Million for the year ended March 31, 2016. The Company holds 49% stake in the project

Middle East & Africa

UAE

ITNL Infrastructure Developer LLC (IIDL) received a Letter of Award (LOA) from Dubai Courts Authority for Development of office space for Dubai Supreme Courts and automated car parks on DBFOT basis. Subsequently, a special purpose vehicle namely Park Line LLC was incorporated by the consortium and concession agreement was executed with the Dubai Court Authority on May 4, 2016. IIDL has been qualified for the development of Union Oasis Transit-Oriented Development Project on PPP basis. IIDL is under discussion with potential JV partner for participation in the bidding stage

Africa

The Company in JV with ELSAMEX SA has submitted 12 bids, of which OPRC projects amounting to US\$ 220 Million in Ethiopia was awarded to the JV, for which the contract was signed on March 18, 2016

North America

The Company through its subsidiary, IIPL USA, LLC has submitted bids for performance based asset maintenance projects, with the primary areas of focus being Florida in the US and British Columbia in Canada

Recently, the Texas Transportation Commission awarded a contract for the operation and maintenance of

highways in Van Zandt County in Texas to IIPL USA, LLC

Elsamex SA

Elsamex SA reported revenues of € 187.31 Million for FY 2015, which is around 18% higher than that of the previous financial year. However, the PAT is € 7.65 Million, which is 7% lower, compared to the last year. This is primarily on account of change in depreciation accounting principles

Urban transport

During the year, Rapid Metro Rail completed its second year of operation, achieving a service level of 99.89% for the current financial year. Rapid Metro Rail is operating with a flat fare of ₹ 20 per trip for the entire network, irrespective of the distance travelled. This flat fare had been derived from the formula stated in the Model Concession Agreement for initial fixation of fare. In Q4, the average traffic stood at 25,002 passengers per day as against 22,103 in the corresponding quarter of the previous financial year

During the year, construction of the south extension of rapid metro, domiciled in Rapid Metrorail Gurgaon South Limited, progressed well with station and viaduct construction as well as other system-related activities making good progress. For the Viaduct, till the end of reporting

€187.31 Million

FY 2015 Elsamex SA revenue

period, majority of work relating to piling, construction of pile caps, piers and pier caps has been completed. The construction activities for station and depot have achieved approximately 80% completion, paving the way for finishing, roofing and E&M works. On the system side, all the seven train sets have been received at the project site and six of these have already been commissioned. Most of the signalling and power equipment have been received and installation commenced. Other items of equipment for systems (communication, AFC, lifts and escalators) are in an advanced stage of procurement and/ or installation. The project is targeting completion by the end of 2016

In addition, the proposal for development of the north extension of the existing Gurgaon Metro Rail Project is being evaluated subject to development of a suitable viability package that is being discussed with the authority. The development of this project will have the option

➔ Moradabad Bareilly Road Project

➡ Jorabat Shillong Road Project

to connect the existing metro rail project under operation with Old Gurgaon going through the industrial corridors of Udyog Vihar on the Old Delhi - Gurgaon road. Besides, it will provide interfacing with the link to Delhi Metro Rail Corridor station at Dwarka, Sector 21 in West Delhi

The Company also proposes to venture into the field of consultancy in rail business at various levels, to capitalise on its experience gained from the Gurgaon metro projects. The Company has become a leader in the development and execution of metro projects in India, with the successful operation of RMGL project and its proposed participation in upcoming projects

6. Risks and Concerns

India's infrastructure sector remains the backbone of the country's socio-economic development. However, new risks and concerns have emerged in recent years. Operating in a dynamic environment, the Company has evolved a robust framework for identification, management and mitigation of potential risks. Some of these risks are discussed below:

Land acquisition

Land acquisition continues to be a bottleneck, severely affecting timely implementation of the projects. With land acquisition being executed under the new Act, a lot of uncertainty exists on the ground. New demands have risen, especially in projects where part acquisition was carried out as per the old Act with owners seeking higher compensation as per the new Act, thereby stalling several on-going projects

Timely completion of the project

In a tightly contested space like BOT projects, especially Toll projects, timely completion can very often be the only factor that contributes to the projects financial viability and any stress on the project timelines will severely affect the project's financial model. In addition to the land acquisition and clearance related issues plaguing the projects, the year also witnessed stressed cash flow due to the reluctance and increased diligence from the banking sector, resulting in delaying the project. The Company takes a proactive stand and tends to these issues by assisting the Authority in land acquisition process and obtaining clearances

Due to delay in handing over of the land for 3 projects developed by the Company, there have been huge cost overruns resulting in higher costs, leading to delay in realisation of revenues for which claims were filed with the authorities. The Project Companies have invoked arbitration proceedings against the authorities and is pending before the Arbitration Tribunal for resolution

Retention of experienced manpower

The infrastructure sector is witnessing a shortfall in civil engineers. Finding quality human resources and retaining them is a key challenge. The Company's focus is to build an organisation of highly motivated employees, having the ability to execute ambitious business goals with passion and commitment, thereby exceeding customer aspirations. Besides, its scalable recruitment and retention strategies enable it to attract and retain high calibre employees

Debt financing

The Company has substantial debt and debt service obligations, and is therefore subject to various risks associated with debt financing. The level of debt and the limitations imposed on the Company, by present or future loan arrangements could have significant adverse consequences. This is primarily due to cost of borrowings. The Company's experienced and knowledgeable team ensures that these risks are always covered through adequate cash flow planning and other measures

Exchange rate risks

The Company looks to avail External Commercial Borrowings (ECBs) for financing and refinancing its existing debt in certain projects with repayment in rupee terms. This exposes the Company to risks

of higher repayment and higher interest, when measured in rupee terms; where rupee devalues against the dollar/euro. The Company is looking to hedge this risk and ensure least impact of currency fluctuations

Revenues from toll road projects

Traffic growth rate on roads has been known to be closely related to economic growth. Given the muted growth over the last few years, traffic growth rates continue to be reason affecting the operational revenues. Negative inflation in the reporting year also contributed to reduction in toll rates which further impacted the operational revenues. The Company has taken up numerous measures in order to improve the traffic on its roads, besides resorting to other means like securitisation of projects, improving toll collection systems to improve and shore up the revenue from toll projects. The Company also tries to maintain an optimal mix of toll and annuity projects in order to have a healthy mix of toll, which offers scope for huge upsides, and annuity projects, which offers assured revenues

7. Outlook

The Government is committed to address various issues plaguing the infrastructure sector, which will help build the confidence of players in the sector. Infrastructure is expected to remain a focus area for the Government in the coming future, which augurs well for the Company. With the Government shifting its focus to developing road projects on EPC mode, it is

Aims to achieve a near-term target of 17 km of highway a day; and escalate it to 30 km of highway per day

expected that the competition will ease out significantly in the BOT (Toll space). The advent of HAM model will contribute to improving cash flows in the companies and also help restore the confidence of the banks in lending to the sector. The revived target of 30 km of highway construction per day and the order pipeline of 25,000 km will ensure that the Company gets its fair share of projects. The Company also plans to operationalise few of its projects which are currently under development in the coming year, which will contribute to the operational revenue positively

Whilst the Company will continue to track the domestic markets closely, it will also actively pursue projects in emerging world markets through its established networks. The Company will focus on bidding for projects under Output and Performance Based Contracts which does not require capital investment but will contribute to improving cash flows

During the year under review, the Company renewed its certifications for QMS and Environmental, Health and Safety Management System (EHSMS- ISO 14001:2004 and OHSAS 18001:2007), with appreciation for the level of implementation and conviction shown. The Company has adopted the ESPF format of project screening for all its new project bids. These certifications ensure that the Company has an environmentally and socially sustainable business model in the long run

The Company is optimistic about the growth of India's infrastructure industry and its ability to achieve targets on account of:

- Significantly reduced number of competitors in the PPP sector
- Improved dispute resolution mechanisms
- The continued thrust on infrastructure development

- Higher number of projects expected to be bid out on Hybrid Annuity Model

8. Internal Control Systems and its Adequacy

The Company has implemented a well-established internal audit and risk management framework, which covers all aspects of financial and operational controls. The Internal Control Framework (ICF) covers various aspects of the business. It enables a stage-wise/process-wise confirmation of the compliance of the control, and requires a self-assessment by the maker together with documentary support. It is then confirmed by the reviewer of each transaction. This also facilitates audit at the corporate and project levels. The Company implemented SAP in July 2013, and consequential changes were aligned in ICF in that year. The internal audit is carried out by a firm of chartered accountants, using the ICF. They report directly to the Audit Committee of the Board of Directors

The corporate audit function plays a key role in providing both the operating management and the Board's Audit Committee, with an objective view and reassurance of the overall control systems. It also offers them perspectives on the effectiveness of the pan-organizational risk management processes. The ICF is periodically modified, so as to be consistent with operating changes for improved controls and effectiveness of internal control and audit. During the year, the ICF was thoroughly reviewed for testing the Design, Implementation and Operating effectiveness of internal controls on financial reporting. There were few gaps and improvements identified, which were subsequently mitigated

Delhi Noida Flyway

The Internal Auditor's scope and authority are derived from the Internal Audit Plan, which is approved by the Audit Committee. The plan is modified periodically to meet requirements arising from changes in law, as well as out of improved controls, resulting from the implementation of the ICF including the Internal Controls on Financial Reporting. Internal audits are conducted every quarter and covers operations, accounting, secretarial and administration functions. It also provides special reference to compliances, based on the audit plan. Internal audit reports are placed before the Audit Committee at regular intervals for review, discussion and suitable action

Every employee plays a key role to foster a working environment of responsibility, accountability and ethical behaviour. Risk management

₹ 1,367.43
Crore

EBITDA in 2015-16

and internal audit systems complement each other

The Company has grown over the last few years with consequent changes in the risk profile. It strives to identify opportunities that enhance organisational values, while managing and mitigating risks that adversely impact its future performance

9. Financial and Operational Performance

Standalone

During FY 2015-16, the Company's turnover increased by approximately 36% to ₹ 5,262.24 Crore, up from ₹ 3,881.83 Crore in the previous year. This is primarily on account of higher construction income. Other key operating data for the year comprises the following:

Earnings before interest, tax, depreciation and amortization (EBITDA) increased from ₹ 1,132.12 Crore in 2014-15 to ₹ 1,367.43 Crore in 2015-16, around 21% increase in EBITDA mainly on account of higher construction margin

Administrative and general expenses have been largely flat. During 2015-

16, the Company reviewed its loans and receivables and provided for doubtful loans and receivables for ₹ 115.06 Crore

Financing cost increased by ₹ 364.23 Crore as a result of higher borrowings for partially funding the increased investments and higher working capital requirement. There has been a marginal increase in borrowing cost. The debt-equity ratio as at March 31, 2016 stood at 2.29 : 1

Profit before tax declined from ₹ 384.13 Crore in 2014-15 to ₹ 250.55 Crore in 2015-16, a 35% dip over the previous year. Profit after tax decreased by 46% from ₹ 318.66 Crore in 2014-15 to ₹ 173.49 Crore in 2015-16

During the year under review, the Company had issued equity shares on Rights basis at a price of ₹ 90 per share including premium of ₹ 80 per share for an aggregating ₹ 740.16 Crore. Earnings per share on basic and diluted basis stood at ₹ 2.79 per share as at March 31, 2016, as against ₹ 9.15 per share as at March 31, 2015. The reduction in earnings per share on basic and diluted basis is primarily due to additional shares issued as aforesaid during the current year and lower profits

Consolidated

During FY 2015-16, consolidated revenues increased by 28% from ₹ 6,828.22 Crore in 2014-15 to ₹ 8,732.03 Crore in 2015-16 due to an increase in income (construction, toll and other operating earnings), compared to the previous year

The EBITDA increased from ₹ 2,465.78 Crore in 2014-15 to ₹ 3,235.39 Crore in 2015-16, approximately 31% escalation owing to a higher construction margin

Financing cost increased by ₹ 697.75 Crore during FY 2015-16 due to draw down of debt in the SPVs to fund construction activity, increase in borrowing in the corporate to fund investments and higher working capital requirements, net of interest capitalised. Debt equity ratio as at March 31, 2016 on a consolidated basis stood at 4.38:1

Profit before tax decreased from ₹ 480.54 Crore in 2014-15 to ₹ 429.14 Crore in 2015-16, a 11% decline over the previous year

Profit after tax decreased by 30% from ₹ 443.60 Crore in 2014-15 to ₹ 311.54 Crore in 2015-16

10. Human Resources and Industrial Relations

We strengthen a culture of inclusiveness that nurtures top-notch capabilities, high performance and foresight through various employee engagement initiatives. These initiatives encourage continuous learning and sharing of insights and skills to create enduring sustainable stakeholder value in a dynamic industry scenario

We also focus on creating best health and safety standards for our people in line with international norms. Our people initiatives revolve around meritocracy, transparency, collaboration and care to attract and retain the best industry talent.

11. Cautionary Statement

Certain statements made in the Management Discussion and Analysis Report relating to the Company's objectives, projections, outlook, expectations, estimates and others may constitute 'forward

looking statements' within the meaning of applicable laws and regulations. Actual results may differ from such expectations, projections and so on whether express or implied. Several factors could make significant difference to the

Company's operations. These include climatic conditions and economic conditions affecting demand and supply, government regulations and taxation, natural calamities and so on, over which the Company does not have any direct control

Dividend

Your Directors have recommended dividend on Equity Shares at the rate of ₹ 2/- per share (Previous Year: ₹ 4/- per share) for the year under review. The proposed dividend, if approved at the Annual General Meeting, will absorb a sum of ₹ 79.18 Crore including tax on dividend of ₹ 13.39 Crore (Previous Year: ₹ 118.78 Crore including dividend tax of ₹ 20.09 Crore)

Your Directors had declared an interim dividend on Preference

Shares of ₹ 94.91 Crore including tax on dividend of ₹ 16.05 Crore (Previous Year: ₹ 94.91 Crore including dividend tax of ₹ 16.05 Crore)

Issue of Equity Shares on rights basis

During the year under review, the Company had offered 8,22,40,007 equity shares of the face value of ₹ 10 each to the Members of the Company on a rights basis in the ratio of 1:3 at a price of ₹ 90 per share (including premium of ₹ 80 per

share) aggregating to approximately, ₹ 740.16 Crore. Your Directors are pleased to inform that the issue was fully subscribed

Issue of Debentures

During the year under review, the Company issued five series of Unsecured, Redeemable, Non-Convertible Debentures ("NCD's") for refinancing the short term loans availed by the Company, the details of which are given below:

Sr. No.	No. of Debentures	Face Value (In ₹)	Date of Allotment
1	2,250	10,00,000	27 – April – 2015
2	1,250	10,00,000	08 – May – 2015
3	1,000	10,00,000	10 – July – 2015
4	7,800	5,00,000	23 – March– 2016
5	4,250	10,00,000	30 – March– 2016

Operational Performance Review

The year 2015-16 started with a muted growth on the Public Private Partnership (PPP) front, taking off from the previous year, with very few BOT projects being tendered till the third quarter. Out of around 8,000 km of road projects awarded last year, less than 1,000 km were awarded on PPP basis, some of which were in the form of re-bidding due to non-receipt of bids through earlier bidding process or termination. Considering the current market scenario, only the bidders with sound financial position and sufficient strength for undertaking the PPP projects submitted realistic bids. The Company was successful in securing award for two projects of National Highway Authority of India (NHAI) on BOT Toll basis in the State of Maharashtra

The last quarter witnessed beginning of a new era in the development of road infrastructure in the country. NHAI successfully completed the bidding process for few projects on Hybrid Annuity Model (HAM), a new and much talked about format of concession which did not receive any response initially. After many deliberations amongst the private sector players and the authorities, HAM received a limited response as few construction companies submitted their bid for projects. NHAI had tendered about 20 more projects on HAM basis in March 2016, however, most of them were postponed to April / May 2016. It was observed that the projects tendered were in the form of packages with TPC ranging from ₹ 500 Crore to ₹ 800 Crore. The Company had undertaken analysis for these tenders on selective basis by assessing the hurdles in implementation of the projects and likely competition

The Company had evaluated 52 bids tendered by the NHAI and other State Authorities on Build, Operate, Transfer (BOT) (Toll/Annuity/Hybrid Annuity)/ Output Performance based Road Contract (OPRC)/ Engineering Procurement and Construction (EPC) basis. Out of the 52 projects, 7 failed to attract even a single bidder and some were offered for rebid. After careful evaluation of all the bids based on the viability and strong strategic content, the Company submitted 20 bids. In June 2015, the Company secured 2 Four Laning road projects namely (i) Amravati-Chikli (Package – I) section of NH-6 from km. 166.000 to km. 360.000 and (ii) Fagne – Guj/Maharashtra Border (Package-III) section of NH-6 from Km. 510.000 to Km. 650.794, both in the State of Maharashtra to be executed as BOT (Toll) basis on DBFOT pattern under NHDP Phase –IV

The Company's portfolio increased to 37 projects as compared to 33 projects in last Fiscal year, which includes 31 Road projects and 6 Non Road projects. Presently, 22 Road projects and 4 Non Road projects are Operational, 5 Road projects and 1 Non Road project are under Implementation and 4 Road projects and 1 Non Road project are under development. The total portfolio in terms of length stands at 14,680 lane-km of which 11,549 lane-km are Toll based and 3,131 lane-km is Annuity based out of the aforesaid total length, (i) 10,176 lane-km projects are operational, (ii) 2,232 lane-km are under implementation and (iii) 2,262 lane-km are under development

During the year under review, the Company commissioned three road projects viz. (i) Sikar Bikaner Road Project in Rajasthan, (ii) Baleshwar Kharagpur Road Project in Odisha & West Bengal and (iii) Jorabat Shillong Road Project in Assam & Meghalaya

The Company also commissioned eight Border Check Posts in Madhya Pradesh during the financial year taking the total tally of operational check posts to 19

On the International front, ITNL Infrastructure Developer LLC received a Letter of Award from Dubai Courts Authority for development of office space for Dubai Supreme Courts and automated car parks on DBFOT basis. The Company in joint venture with ELSAMEX SA was awarded works of US\$ 220 Million on Output based Performance Road Contract basis in Ethiopia. Other existing international operations under Elsamex SA and YuHe Expressway

continued to contribute positively to the Company's financials

Environmental, Health & Safety

The Company's business processes are certified as compliant with ISO 9001:2008, ISO 14001:2007 & OHSAS 18001:2008 standards. In its endeavor to bring about continual improvement in its business processes, the Company plans to upgrade its Quality and Environment, Health & Safety (EHS) Management systems to the newly released standards namely, ISO 9001:2015 and ISO 14001:2015 and amalgamate them into an Integrated Management System. These systems will be further complimented by the Environmental and Social Policy Framework (ESPF) adopted by the Company which helps to identify and mitigate Environmental and Social concerns relating to a project at bidding stage itself. The implementation of this system is also audited and certified by Ernst & Young LLP

EHS audits are conducted on a regular basis at the project sites to ensure implementation and adherence to the Management System and Safety standards. The EHS Committee of the Board reviews the findings of the audit and advise on improving safety aspects and mitigation measures on a quarterly basis to help achieve the Company's EHS objectives. The Company had engaged experts to undertake studies to ascertain the cause of accidents on the project roads based on Behavioural characteristics of road users and to suggest remedial measures. The interventions suggested by them were implemented on select road stretches which have helped in reducing the number of fatalities

Subsidiaries, Joint Ventures & Associate Companies

In terms of Section 129(3) of the Companies Act, 2013 and Regulation 34 (2) (b) of SEBI (LODR) Regulations, 2015, the Consolidated Financial Statements of the Company forms part of this Report. Disclosures pertaining to remuneration and other details as required under Section 197(12) of the Act read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 are provided as **Annexure V** to this Report

Corporate Social Responsibility

In an effort to proactively add value, reduce risk and enhance sustainability in its projects, the Board of Directors of Infrastructure

Leasing & Financial Services Limited ("IL&FS"), the parent company had approved an Environmental and Social Report ("ESR") as early as 1995. The objectives of the ESR were (a) to mainstream Environmental and Social ("E&S") considerations in the overall project cycle, (b) to set examples of environmentally sound and socially acceptable practices and (c) to inspire and encourage all stakeholders, including partners and co-investors

Subsequent thereto, in 2008, the Environmental and Social Policy Framework ("ESPF") was formulated to establish an outcome-oriented framework that guides integration of E&S considerations within all businesses of IL&FS which guidelines were then formulated and adopted by the Company

The endeavor is to extend E&S efforts to the community in general and incorporate Corporate Social Responsibility ("CSR") as a part of the DNA of the organization. In order to empower the community along its road projects, the Company launched its CSR initiative in the year 2010 by the name of "Parivartan". For the Company, CSR expands beyond responsibility within business operations, to include all voluntary actions undertaken to benefit the community and the environment around the project areas. The Company strongly believes that the surface transportation infrastructure it is building and financing today will shape the communities of tomorrow

CSR is, therefore, the organization's commitment to operate in an economically, socially and environmentally sustainable manner, while recognizing the interest of its stakeholders

The CSR Policy and Framework has been adopted by the Company and is available on the website of the Company. The same can be viewed through the link: <http://www.itnlindia.com>

The Annual Report on CSR Activities is annexed herewith marked as **Annexure VI**

Directors' Responsibility Statement

In terms of provisions of Section 134(5) of the Companies Act, 2013, your Directors confirm that:

- (a) in the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- (b) they have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the Company for that period;
- (c) they have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- (d) they have prepared the annual accounts on a going concern basis;

- (e) they have laid down internal financial control to be followed by the Company and that such internal financial controls are adequate and were operating effectively; and
- (f) they have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively

Acknowledgments

The Directors place on record their appreciation for the continued support and co-operation received from the various Government Authorities, including National Highways Authority of India and other Regulatory Authorities, Banks, Financial Institutions and Members of the Company

The Directors would also like to place on record their appreciation for the contribution and dedication of the employees of the Company at all levels.

By the Order of the Board

Deepak Dasgupta
Chairman

Mumbai, May 13, 2016

Annexure I to Directors' Report

Performance and Financial position of the Subsidiaries, Joint Venture and Associate Companies

Subsidiaries

PS: Attached hereto is our Secretarial Audit Report (Form No. MR-3) of Even Date.

Form No. MR-3 Secretarial Audit Report

For The Financial Year ended March 31, 2016

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,
IL&FS Transportation Networks Limited
Mumbai

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by IL&FS Transportation Networks Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory

compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended 31st March, 2016 complied

with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

- (A) We have examined the books, papers, minute books, forms and returns filed and other records maintained by IL&FS Transportation Networks Limited ("the Company") for the financial year ended 31st March, 2016 according to the provisions of:

1. The Companies Act, 2013 ("the Act") and the rules made thereunder;	Act and dealing with client;	entered into by the Company with BSE Limited and National Stock Exchange of India Limited.
2. The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the rules made thereunder;	(f) The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015.	
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;	6. Based on the nature of activities of the Company, Labour Laws and other Laws to the extent applicable as enumerated below:	The compliance of applicable financial laws including Direct and Indirect Tax laws by the Company has not been reviewed in this Audit since the same has been subject to review by the Statutory Auditors and other designated professionals
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Overseas Direct Investment; RBI Master Circulars No. RBI/2014-15/100 and RBI/2015-16/56 dated July 1, 2014, and July 1, 2015, respectively; and Operational Guidelines issued by FIMMDA (Fixed Income Money Market and Derivatives Association of India) effective from 30th June, 2001 (as amended from time to time) w.r.t. Issue of commercial Papers.	a) Industrial Disputes Act, 1947 b) Payment Of Wages Act, 1936 c) Employees' State Insurance Act, 1948 d) The Employees' Provident Fund And Miscellaneous Provisions Act, 1952 e) The Payment Of Bonus Act, 1965 f) The Payment Of Gratuity Act, 1972 g) The Employees' Compensation Act, 1923 (Earlier Known As Workmen's Compensation Act, 1923) h) Equal Remuneration Act, 1976 i) The Employment Exchange (Company Notification Of Vacancies) Act, 1956 j) The Child Labour (Prohibition And Regulation) Act, 1986 k) The Industrial Employment (Standing Orders) Act, 1946 l) The Maternity Benefit Act, 1961 m) Shops And Establishments Act, 1948 n) The Sexual Harassment Of Women At The Workplace (Prevention, Prohibition & Redressal) Act, 2013.	During the period under review, the Company has complied with the provisions of the Acts, Rules, Regulations, Guidelines, Standards, etc. mentioned above except some delay in filing of some of the Forms with the Ministry of Corporate Affairs (MCA).
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI Act"):- (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992 and The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; (d) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (e) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies	(B) We have also examined compliance with the applicable clauses of the following: 1. Secretarial Standards (SS-1 & SS-2) issued by the Institute of Company Secretaries of India approved by the Central Government, effective from 1st July, 2015. 2. The Listing Agreements	During the period under review, the provisions of the following regulations (as enumerated in the prescribed format of Form MR-3) were not applicable to the Company: (i) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; and The Securities Exchange Board of India (Share Based Employee Benefits) Regulations 2014; (ii) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations 2009; and (iii) The Securities and Exchange Board of India (Buyback of Securities) Regulations 1998.
		We further report that - The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There were no changes in the composition of the Board of Directors that took place during the year under review.
		Adequate notice had been given to all

the Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and that a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Unanimous decisions were carried through as there was no case of dissent of any Director in respect of any decision and was accordingly captured and recorded as part of the minutes.

We further report that–

There are adequate systems and processes in place in the Company

commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that –

During the year under audit, the Company has following specific events / actions having impact on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.:

- (i) Allotment of 2,250 Non-Convertible Debentures of ₹ 10.00 lacs each on April 27, 2015

Corporate Social Responsibility Report

Pursuant to clause (o) of sub-section (3) of Section 134 of the Companies Act, 2013 and Rule 9 of the Companies (Corporate Social Responsibility) Rules, 2014

Sr. No	Particulars	Details
1.	A brief outline of the Company's Corporate Social Responsibility (CSR) Policy, including overview of projects or programs proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programs	In an effort to proactively add value, reduce risk and enhance sustainability in its projects, the Board of Directors of Infrastructure Leasing & Financial Services Limited ("IL&FS"), the parent company had approved an Environmental and Social Report ("ESR") as early as 1995. The objectives of the ESR were (a) to mainstream Environmental and Social ("E&S") considerations in the overall project cycle, (b) to set examples of environmentally sound and socially acceptable practices and (c) to inspire and encourage all stakeholders, including partners and co-investors Subsequent thereto, in 2008, the Environmental and Social Policy Framework ("ESPF") was formulated to establish an outcome-oriented framework that guides integration of E&S considerations within all businesses of IL&FS which guidelines were then formulated and adopted by the Company The endeavor is to extend E&S efforts to the community in general and incorporate Corporate Social Responsibility ("CSR") as a part of the DNA of the organization. In order to empower the community along its road projects, the Company launched its CSR initiative in the year 2010 by the name of "Parivartan". For the Company, CSR expands beyond responsibility within business operations, to include all voluntary actions undertaken to benefit the community and the environment around the project areas. The Company strongly believes that the surface transportation infrastructure it is building and financing today will shape the communities of tomorrow CSR is, therefore, the organization's commitment to operate in an economically, socially and environmentally sustainable manner, while recognizing the interest of its stakeholders The CSR Policy and Framework has been adopted by the Company and is available on the website of the Company. The same can be viewed through the link: http://www.itnlindia.com

Report on Corporate Governance

Trivandrum City Roads Projects

1. Company's Philosophy on Corporate Governance

IL&FS Transportation Networks Limited ("The Company") has a strong legacy of fair, transparent and ethical governance practices. The Company believes that adhering to corporate governance norms is essential to enhance shareholder value and achieve long term corporate goals. The Company undertakes periodic review of business plans, performance and compliance to regulatory requirements

The Corporate Governance framework in the Company has been strengthened with the adoption of the Code of Conduct for the business and associated activities. The Company has therefore adopted various codes and policies as required under the Companies Act, 2013 ("the Act") and SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 ("LODR") to carry out duties in a fair and ethical manner

2. Board of Directors

The Board is entrusted with the ultimate responsibility of the management, directions and performance of the Company. The Board acts on its own and through its duly constituted Committees

(i) Composition

The Company maintains an optimum combination of Executive & Non-Executive Directors. The Board presently comprises of 12 Directors, including 2 Executive and 10 Non-Executive Directors, of which 5 are Independent Directors. The Directors have expertise in their respective functional areas and bring a wide range of skills and experience to the Board

During the year under review, 7 meetings were held on the following dates:

(i) May 15, 2015, (ii) August 10, 2015 (iii) August 26, 2015, (iv) October 6, 2015, (v) November 6, 2015 (vi) February 11, 2016 and (vii) March 16, 2016

The Company provides information as set out in Regulation 17 to 27 of LODR to the Board and its Committees to the extent applicable and relevant along with the Agenda accompanied with explanatory notes thereto to all the Directors. Presentations are made at the Meeting of the Board of Directors providing status on operations of the projects along with risk matrix by the Management

(ii) Category & Attendance of Directors

The names and categories of the Directors on the Board, their attendance at the Board

Meetings held during FY 2015-16, alongwith the number of directorships and committee memberships held by them in other companies as on March 31, 2016 are given below. The directorships in other companies exclude those held in private limited companies, associations, companies incorporated outside India and

alternate directorships. The Chairmanship / Membership of the Committees include memberships of Audit and Stakeholders' Relationship Committees. The details of attendance of the Directors at the Annual General Meeting (AGM) held on August 26, 2015 are also provided in the table below:

Mr. Hari Sankaran	Member	Non-Executive	1	1

- (ii) The terms of reference of the Committee inter alia include:

- (1) formulation of the criteria for determining qualifications, positive attributes and independence of a director and recommend to the board of directors a policy relating to, the remuneration of the directors, key managerial personnel and other employees;
- (2) formulation of criteria for evaluation of performance of independent directors and the board of directors;
- (3) devising a policy on diversity of board of directors;
- (4) identifying persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, and recommend to the board of directors their appointment and removal
- (5) whether to extend or continue the term of appointment of the independent director, on the basis of the report of performance evaluation of independent directors

- (iii) Managerial Remuneration

The Company's remuneration policy is driven by the success and performance of the Company

and the individual employee. Through its compensation programme, the Company endeavours to attract, retain, develop and motivate a high performance workforce. The Company follows a compensation mix of fixed pay, benefits and performance related pay. The performance related pay is determined by business performance and the performance of individual employee measured through the annual appraisal process

(a) Executive Directors

The Company pays remuneration to its Managing Director and Executive Director by way of salary, perquisites and allowances (fixed component) & performance related pay (variable component). The performance related pay is determined based on individual performance and the Company's overall performance determined by the Nomination & Remuneration Committee at the end of each financial year, subject to the overall ceiling stipulated in Section 197 of the Companies Act, 2013

The details of remuneration and perquisites of Mr. K Ramchand, Managing Director and Mr. Mukund Sapre, Executive Director for the Financial Year 2015-16 are as follows:

Managing Director

May 13, 2016

Independent Auditor's Certificate

To the Members of
IL&FS TRANSPORTATION NETWORKS LIMITED

1. We have examined the compliance of conditions of Corporate Governance by IL&FS TRANSPORTATION NETWORKS LIMITED ("the Company"), for the year ended on March 31, 2016, as stipulated in:
 - Clause 49 (excluding clause 49(VII)(E)) of the Listing Agreements of the Company with stock exchanges for the period from April 01, 2015 to November 30, 2015.
 - Clause 49(VII)(E) of the Listing Agreements of the Company with the stock exchange(s) for the period from April 01, 2015 to September 01, 2015.
 - Regulation 23(4) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations") for the period from September 02, 2015 to March 31, 2016 and
 - Regulations 17 to 27 (excluding regulation 23(4)), clauses (b) to (i) of regulation 46(2) and paragraphs C, D and E of Schedule V of the Listing Regulations for the period from December 01, 2015 to March 31, 2016.
2. The compliance of conditions of Corporate Governance is the responsibility of the Company's Management. Our examination was limited to the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
3. We have examined the relevant records of the Company in accordance with the Generally Accepted Auditing Standards in India, to the extent relevant, and as per the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India.
4. In our opinion and to the best of our information and according to our examination of the relevant records and the explanations given to us and the representations made by the Directors and the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Clause 49 of the Listing Agreement and Regulations 17 to 27, clauses (b) to (i) of regulation 46(2) and paragraphs C, D and E of Schedule V of the Listing Regulations for the respective periods of applicability as specified under paragraph 1 above, during the year ended March 31, 2016.
5. We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Independent Auditor's Report

TO THE MEMBERS OF
IL&FS TRANSPORTATION NETWORKS LIMITED

I. Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **IL&FS TRANSPORTATION NETWORKS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

II. Management's Responsibility for the Standalone Financial Statements

- 1) The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act, as applicable.
- 2) This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

III. Auditor's Responsibility

- 1) Our responsibility is to express an opinion on these standalone financial statements based on our audit.
- 2) We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under section 143(11) of the Act.
- 3) We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
- 4) An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
- 5) We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

IV. Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flows for the year ended on that date.

V. Report on Other Legal and Regulatory Requirements

- 1) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under section 133 of the Act, as applicable.
 - e) On the basis of the written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- 2) As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure "A" to the Independent Auditor's Report

(Re: IL&FS TRANSPORTATION NETWORKS LIMITED)

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **IL&FS Transportation Networks Limited** ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply

with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company

has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure "B" to the Independent Auditor's Report

(Re: IL&FS TRANSPORTATION NETWORKS LIMITED)

(Referred to in paragraph (2) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) In respect of Fixed Assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) All fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered Conveyance deed provided to us, we report that, the title deed of one immovable property of building is freehold and is held in the name of the Company as at the balance sheet date. The Company does not have immovable properties of leasehold land and buildings and disclosed as fixed assets in the financial statements.
- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals and no material discrepancies were noticed on physical verification.
- (iii) According to the information and explanations given to us, the Company has granted loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013, in respect of which:
 - (a) The terms and conditions of the grant of such loans are, in our opinion, prima facie, not prejudicial to the Company's interest.
 - (b) The schedule of repayment of principal and payment of interest has been stipulated and the repayments or receipts of principal amounts and interest have been generally regular as per stipulations.
 - (c) There is no amount overdue for more than 90 days as at March 31, 2016.
- (iv) The Company has not granted any loans covered under section 185 of the Companies Act, 2013. The Company is in the business of providing Infrastructural facilities and hence provisions of section 186 of the Companies Act, 2013 do not apply to the Company, however, the company is in compliance of section 186(1).
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year as provided under section 73 to 76 or any other relevant provisions of the Companies Act, 2013. There are no unclaimed deposits with the Company any time during the year.
- (vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended and prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013 and are of the opinion that prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
 - (a) The Company has generally been regular in depositing undisputed statutory dues of Income-tax and Service Tax. The Company has been regular in depositing Provident Fund, Sales Tax, Value Added Tax, Cess and other material statutory dues applicable to it to the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of Provident Fund, Income-tax, Sales Tax, Value Added Tax, Service Tax, Cess and other material statutory dues in arrears as at March 31, 2016 for a period of more than six months from the date they became payable.

- (c) Details of dues of Income-tax, Service Tax, Value Added Tax and Cess which have not been deposited as on March 31, 2016 on account of disputes are given below:

₹ in crore					
Name of the Statute	Nature of Dues	Forum where dispute is pending	Period to which the amount relates	Amount involved	Amount Unpaid
Income Tax Act, 1961	Income Tax	Income Tax Appellate Tribunal - Mumbai	FY 2007-2008	1.26	-
Income Tax Act, 1961	Income Tax	Commissioner of Income Tax (Appeals) - Mumbai	FY 2008-09, 10-11 and 11-12	8.89	-
Finance Act, 1994	Service Tax	Commissioner of Service Tax	FY 2011-2012	1.20	1.20
Madhya Pradesh Vat Act	Value Added Tax	Commercial Tax Appellate Board, MP	FY 2012-2013	0.68	0.16
Madhya Pradesh Vat Act	Value Added Tax	Additional Commissioner of Commercial Tax, MP	FY 2013-2014	2.09	-
Rajasthan Vat Act	Value Added Tax	Appellate Authority, Rajasthan	FY 2011-2012	0.08	0.08

- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to financial institutions, banks, government and dues to debenture holders.
- (ix) In our opinion and according to the information and explanations given to us, money raised by way of further public offer and the term loans have been applied by the Company during the year for the purposes for which they were raised, other than temporary deployment pending application of proceeds.
- (x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- (xi) In our opinion and according to the information and explanations given to us, the Company has paid / provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us the Company is
- in compliance with Section 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv) During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of the Order is not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Companies Act, 2013 are not applicable.
- (xvi) The Company is not required to be registered under section 45-I of the Reserve Bank of India Act, 1934.

Notes

forming part of the Financial Statements for the year ended March 31, 2016

1. Significant Accounting Policies

Background :

IL&FS Transportation Networks Limited ("ITNL") is a surface transportation infrastructure company incorporated in the year 2000 under the provisions of the Companies Act, 1956, by Infrastructure Leasing & Financial Services Limited, a promoter company, in order to consolidate their existing road infrastructure projects and to pursue various new project initiatives in the area of surface transportation infrastructure

ITNL is a developer, operator and facilitator of surface transportation infrastructure projects, taking projects from conceptualisation through commissioning to operations and maintenance under public to private partnership on build-operate transfer ("BOT") basis in India

I Basis for preparation of Financial Statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013 ("the Act"), as applicable and the relevant provisions of the Act. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year

II Use of estimates

The preparation of financial statements requires the Management to make estimates and assumptions considered in the reported amounts of Assets and Liabilities (including Contingent Liabilities) as of the date of the Financial Statements and the reported Income and Expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. In case the actual results are different those from estimates, the effect thereof is given in the financial statements of the period in which the events materialise. Any change in such estimates is accounted prospectively

III Fixed Assets and Depreciation/Amortisation

(a) Tangible assets

Tangible fixed assets acquired by the Company are reported at acquisition cost, with deductions for accumulated depreciation and impairment losses, if any

The acquisition cost includes the purchase price (excluding refundable taxes) and expenses such as delivery and handling costs, installation, legal services and consultancy services, directly attributable to bringing the asset to the site and in working condition for its intended use

Where the construction or development of any asset requiring a substantial period of time to set up for its intended use is funded by borrowings, the corresponding borrowing costs are capitalised up to the date when the asset is ready for its intended use

Depreciation on tangible fixed assets is computed using Straight Line Method of depreciation. Useful lives are as under:

Asset	Useful life based on SLM
Premises	60 Years
Computers and Data Processing Equipment (other than Server & Networking)	3 Years
Office Equipments	5 Years
Furniture and Fixtures	10 Years
Plant & Machinery	15 Years
Electrical Installation	10 Years
Data Processing Equipment (Server & Networking)	4
Mobile Phones and I pad / Tablets	Fully depreciated in the year of purchase
Specialised office equipments	3
Vehicles	5
Assets provided to employees	3
Leasehold improvement costs	Amortised over Primary period of Lease
All categories of assets costing less than ₹ 5,000/- each	Fully depreciated in the year of purchase

The residual value of all the assets is retained at ₹ 1/- each

Notes

forming part of the Financial Statements for the year ended March 31, 2016

(b) Leased Assets

Type of Lease	Capitalisation	Depreciation Policy
Operating Lease	At Cost including incidental expenses to bring the asset to its working condition for its intended use	Straight Line Method at the rates provided under Schedule II to the Act
Capital Expenditure on renovation / Improvements to Lease-hold Premises	At Cost	Amortised over the primary period of the Lease

(c) Intangible assets and amortisation

Intangible assets comprise of software and amounts paid for acquisition of commercial rights under an "Operation and Maintenance" agreement of a toll road project

Intangible assets are reported at acquisition cost with deductions for accumulated amortisation and impairment losses, if any

Intangible assets are amortised on a "straight line" basis over their estimated useful lives. The estimated useful life of software is four years. The amount paid for the Commercial Rights acquired under the "Operations and Maintenance" agreement, is amortised over the minimum balance period of the concession agreement relating to the corresponding toll road project as it existed at the time of acquisition

IV Impairment of Assets

The carrying values of assets of the Company's cash-generating unit are reviewed for impairment annually or more often if there is an indication of decline in value. If any indication of such impairment exists, the recoverable amounts of those assets are estimated and impairment loss is recognised, if the carrying amount of those assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the estimated future cash flows to their present value based on appropriate discount factor

V Investments

- (a) Investments are capitalised at actual cost including costs incidental to acquisition. Dividend received attributable to the period prior to acquisition of investment is reduced from the cost of investment in the year of receipt

- (b) Cost of investment property acquired in exchange for an asset is determined by reference to the fair value of the asset given up
- (c) Investments are classified as long-term or current at the time of making such investments
- (d) Long-term investments are individually valued at cost, less provision for diminution that is other than temporary
- (e) Current investments are valued at the lower of cost and fair value

VI Revenue Recognition

- (a) The Company's service offerings include advisory and management services, supervisory services (including as lenders' engineers), operation and maintenance services, toll collection services for toll road projects and rendering assistance to applicant for toll road concessions with the bidding process

Revenue is recognised when it is realised or realisable and earned. Revenue is considered as realised or realisable and earned when it has persuasive evidence of an arrangement, delivery has occurred, the sales price is fixed or determinable and collectability is reasonably assured

Advisory, Design and Engineering fees are billed as services are rendered, however they are due for payment one year from the date of billing. Disclosure with respect to such Trade Receivables as been made considering above policy

Revenue in respect of arrangements made for rendering services is recognised over the

Notes

forming part of the Financial Statements for the year ended March 31, 2016

contractual term of the arrangement. In respect of arrangements, which provide for an upfront payment followed by additional payments as certain conditions are met (milestone payments), the amount of revenue recognised is based on the services delivered in the period as stated in the contract. In respect of arrangements where fees for services rendered are success based (contingent fees), revenue is recognised only when the factor(s) on which the contingent fees is based, actually occur and the collectibility is reasonably assured

Revenue from development projects under fixed - price contracts, where there is no uncertainty as to measurement or collectability of consideration is recognised based on the milestones reached under the contracts

- (b) Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable provided it is not unreasonable to expect ultimate collection
- (c) Dividend, other than attributable to the period prior to acquisition of investment, is recognised as income when the unconditional right to receive the payment is established
- (d) **Revenue from construction contracts:**
When the outcome of a construction contract can be estimated reliably, contract revenue and contract costs associated with the construction contract are recognised as revenue and expenses respectively by reference to the percentage of completion of the contract activity at the reporting date. The percentage of completion of a contract is determined considering the proportion that contract costs incurred for work performed upto the reporting date bear to the estimated total contract costs

For the purposes of recognising revenue, contract revenue comprises the initial amount of revenue agreed in the contract, the variations in contract work, claims and incentive payments to the extent that it is probable that they will

result in revenue and they are capable of being reliably measured

The percentage of completion method is applied on a cumulative basis in each accounting period to the current estimates of contract revenue and contract costs. The effect of a change in the estimate of contract revenue or contract costs, or the effect of a change in the estimate of the outcome of a contract, is accounted for as a change in accounting estimate and the effect of which are recognised in the Statement of Profit and Loss in the period in which the change is made and in subsequent periods

When the outcome of a construction contract cannot be estimated reliably, revenue is recognised only to the extent of contract costs incurred of which recovery is probable and the related contract costs are recognised as an expense in the period in which they are incurred

When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognised as an expense in the Statement of Profit and Loss in the period in which such probability occurs

Any excess revenue recognised in accordance with the stage of completion of the project, in comparison to the amounts billed to the clients in accordance with the milestones completed as per the respective development agreements, is carried forward as "Unearned Revenue"

Any short revenue recognised in accordance with the stage of completion of the project, in comparison to the amounts billed to the clients in accordance with the milestones completed as per the respective development agreements, is carried forward as "Unbilled Revenue"

VII Foreign Currency Transactions

Transactions in foreign currencies are translated to the reporting currency based on the exchange rate on the date of the transaction. Exchange difference

Notes

forming part of the Financial Statements for the year ended March 31, 2016

arising on settlement thereof during the period is recognised as income or expense in the Statement of Profit and Loss

Foreign currency denominated cash and cash equivalents, assets (other than those that are in substance the Company's net investment in a non integral foreign operation), and liabilities (monetary items) outstanding as at the period end are valued at closing-date rates, and unrealised translation differences are included in the Statement of Profit and Loss

Non monetary items (such as equity investments) denominated in foreign currencies are reported using the exchange rate as at the date of the transaction. Where such items are carried at fair value, these are reported using exchange rates that existed on dates when the fair values were determined

Inter-company assets and liabilities for which settlement is neither planned nor likely to occur in the foreseeable future and are in substance an extension to or a deduction from the Company's net investments in a non - integral foreign operations are also translated at closing rates but the exchange differences arising are accumulated in the foreign currency translation reserve until disposal of the net investment, at which time they are recognised as income or expense in the Statement of Profit and Loss. Any repayment of receivables or payables forming part of net investment in foreign operations is considered as partial disposal of investments in foreign operations and amounts previously recognised in the foreign currency translation reserve is adjusted on such recovery

The Company has exercised the option of amortising / capitalising the exchange differences arising on long-term foreign currency monetary items as given under Ministry of Corporate Affairs (MCA) Notification No. G.S.R 914(E) dated December 29, 2011

VIII Employee Benefits

(a) Short term

Short term employee benefits are recognised as an expense at the undiscounted amount expected to be paid over the period of services rendered by the employees to the Company

(b) Long term

The Company has both defined-contribution and defined-benefit plans, of which some have assets in special funds or securities. The plans are financed by the Company and in the case of some defined contribution plans by the Company along with its employees

(i) Defined-contribution plans

These are plans in which the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. These comprise of contributions to the employees' provident fund, family pension fund and superannuation fund. The Company's payments to the defined-contribution plans are reported as expenses in period in which the employees perform the services that the payment covers

(ii) Defined-benefit plans

Expenses for defined-benefit gratuity plans are calculated as at the balance sheet date by independent actuaries in a manner that distributes expenses over the employee's working life. These commitments are valued at the present value of expected future payments, with consideration for calculated future salary increases, using a discount rate corresponding to the interest rate estimated by the actuary having regard to the interest rate on government bonds with a remaining term that is almost equivalent to the average balance working period of employees

The actuarial gains and losses are recognised immediately in the Statement of Profit and Loss

(c) Others

Compensated absences which accrue to employees and which can be carried to future periods but are expected to be encashed or availed in twelve months immediately following the period end are reported as expenses in the period in which the employees perform the services that the benefit covers at the

Notes

forming part of the Financial Statements for the year ended March 31, 2016

undiscounted amount of the benefits after deducting amounts already paid. Where there are restrictions on availment or encashment of such accrued benefit or where the availment or encashment is otherwise not expected to wholly occur in the next twelve months, the liability on account of the benefit is actuarially determined using the projected unit credit method

IX Taxes on Income

Taxes include taxes on the Company's taxable profits, adjustment attributable to earlier periods and changes in deferred taxes. Current tax is the amount of income tax determined to be payable in respect of the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961

Deferred tax is calculated to correspond to the tax effect arising when final tax is determined. Deferred tax corresponds to the net effect of tax on all timing differences which occur as a result of items being allowed for income tax purposes during a period different from when they are recognised in the financial statements

Deferred tax assets are recognised with regard to all deductible timing differences to the extent that it is probable that taxable profit will be available in future against which deductible timing differences can be utilised

When the Company carries forward unused tax losses and unabsorbed depreciation, deferred tax assets are recognised only to the extent there is virtual certainty backed by convincing evidence that sufficient future taxable income will be available against which deferred tax assets can be realised

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced by the extent that it is no longer probable that sufficient taxable profit will be available to allow all or a part of the aggregate deferred tax asset to be utilised

X Lease Accounting

Leases of assets where the lessor retains substantially all the risks and benefits of ownership of the assets are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight line basis over the lease term. Any compensation, according to agreement, that the lessee is obliged to pay to the lessor if the leasing contract is terminated prematurely is expensed during the period in which the contract is terminated

XI Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provision for final dividend payable (including dividend tax thereon) is made in the financial statements of the period to which the dividend relates when the same is proposed by the Board of Directors after the Balance Sheet date but before the approval of financial statements of the period to which the dividend relates. Provisions (excluding employee benefits) are not discounted to their present value and are determined based on best estimates required to settle the obligation at the Balance Sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised but are disclosed in the notes to the financial statement. A contingent asset is neither recognised nor disclosed

XII Borrowing Costs

Borrowing costs are recognised in the period to which they relate, regardless of how the funds have been utilised, except where it relates to the financing of construction or development of assets requiring a substantial period of time to prepare for their intended future use. Borrowing Costs are capitalised up to the date when the asset is ready for its intended use. The amount of borrowing costs capitalised (gross of tax) for the period is determined by applying the interest rate applicable

Notes

forming part of the Financial Statements for the year ended March 31, 2016

to appropriate borrowings outstanding during the period to the average amount of accumulated expenditure for the assets during the period

XIII Cash and Cash Equivalents

Cash comprises of Cash on Hand, Cheques on Hand, current account and demand deposits with Banks. Cash Equivalents are short term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risks of changes in value

XIV Cash Flow Statement

The Cash Flow Statement is prepared in accordance with the "Indirect Method" as explained in the Accounting Standard (AS) 3 on Cash Flow Statements

XV Earnings per Share

Basic earnings per share is calculated by dividing the net profit after tax for the period attributable to equity shareholders of the Company (after deducting preference share dividend, attributable tax thereon and related redemption premium) by the weighted average number of equity shares in issue during the period

Diluted earnings per share is calculated by dividing the net profit after tax for the period attributable to equity shareholders of the Company (after deducting preference share dividend, attributable tax thereon and related redemption premium) by the weighted average number of equity shares determined by assuming conversion on exercise of conversion rights for all potential dilutive securities

XVI Derivative

- (a) Premium paid on acquisition of option contracts is treated as a current asset until maturity. If the premium paid exceeds the premium prevailing as at the date of the balance sheet, the difference is charged to the Statement of Profit and Loss. If the prevailing premium as at the balance sheet date exceeds the premium paid for acquiring option contracts, the difference is not recognised

- (b) Premium received on option contracts written is treated as a current liability until maturity. If the premium prevailing on the balance sheet date exceeds the premium received on such options, the difference is charged to the Statement of Profit and Loss. If the prevailing premium as at the balance sheet date falls short of the premium received for writing option contracts, the difference is not recognised

- (c) The Company uses foreign currency derivative contracts to hedge its risks associated with foreign currency fluctuations relating to highly probable forecast transactions. The Company designates such contracts in a cash flow hedging relationship by applying the hedge accounting principles set out in "Accounting Standard 30 Financial Instruments: Recognition and Measurement" issued by the ICAI. These contracts are stated at fair value at each reporting date. Changes in the fair value of these contracts that are designated and effective as hedges of future cash flows are recognised directly in "Cash flow hedge reserve" under Reserves and surplus, net of applicable deferred income taxes and the ineffective portion is recognised immediately in the Statement of Profit and Loss. Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting

XVII Redemption Premium on Preference Shares

Fixed premium on redemption of Preference Shares, is recognised by the Company out of Securities Premium Account prior to the contractual date of redemption of the Preference Shares

Premium on redemption which is contractually accruing annually to the preference shareholders is accrued by way of appropriation out of Securities Premium Account as is permissible within the Act as may be amended from time to time

- v. The Company has one class of equity shares with face value of ₹ 10 each fully paid-up. Each shareholder has a voting right in proportion to his holding in the paid-up equity share capital of the Company. Where final dividend is proposed by the Board of Directors, it is subject to the approval of the shareholders in the Annual General Meeting

During the previous year, the Company had issued 52,452,288 equity shares on rights basis in the ratio of 27:100 at a price of ₹ 100 per share having a face value of ₹ 10 each aggregating ₹ 52.45 Crore and premium of ₹ 90 each aggregating to ₹ 472.07 Crore

During the current year, the Company issued 82,240,007 equity shares on rights basis in the ratio of 1:3 at a price of ₹ 90 per share having a face value of ₹ 10 each aggregating ₹ 82.24 Crore and premium of ₹ 80 each aggregating to ₹ 657.92 Crore. The Earnings per share has been accordingly adjusted for the effects of Rights Issue for the years ended March 31, 2016 and March 31, 2015

The details of utilisation of proceeds of above issue are given below :

Particulars	₹ in Crore	
	FY 2015-16	FY 2014-15
Amount received from the issue	740.16	524.52
Utilisation :		
For repayment of loans	733.21	510.00
For working capital payments (including issue expenses)	6.95	14.52
Total utilisation	740.16	524.52
Balance amount unutilised as at year end	Nil	Nil

Notes

forming part of the Financial Statements for the year ended March 31, 2016

vi. The Company has issued the following series of CRPS and CNCRPS :

Series Name	Number of shares	Face value per share	Premium received per share	Maturity date	Dividend payout	Redemption terms
20.50% CRPS	200,000,000	10	10	Refer footnote vi.(a) below	20.50% per annum	Refer footnote vi.(a) below
10.40% ITNL CNCRPS 2017	107,250,000	10	10	June 23, 2017	21.06% per annum	Redemption at face value plus premium of ₹ 10 per share
10.50% ITNL CNCRPS 2018	19,200,000	10	10	December 23, 2018	21.44% per annum	
11% ITNL CNCRPS 2021	50,000,000	10	10	January 17, 2021	22.32% per annum	

Footnote vi.(a) :

The 20.50% CRPS will be redeemed starting from May 31, 2017 to May 31, 2025 at a premium of ₹ 10 per share and an additional redemption premium of 2.50% p.a. on the face value from the date of issue. See below table for details:

Date of redemption	No of shares to be redeemed (in Crore)	Redemption Amount ₹ in Crore
31-May-17	2.00	41.84
31-May-18	2.00	42.34
31-May-19	3.00	64.26
31-May-20	3.00	65.01
31-May-21	3.00	65.76
31-May-22	3.00	66.51
31-May-23	3.00	67.26
31-May-24	0.50	11.34
31-May-25	0.50	11.48
Total	20.00	435.80

Rights of CRPS and CNCRPS holders are as follows:

The holder(s) of CRPS and CNCRPS shall have no voting rights other than in respect of matters directly affecting the rights attached to the CRPS and CNCRPS. In the event of any due and payable dividends on the CRPS and CNCRPS remaining unpaid for a period of two years prior to the start of any General Meeting of the Equity Shareholders, the holder(s) of CRPS and CNCRPS shall gain voting rights in respect of all matters placed by the Company at a General Meeting of its Equity Shareholders in accordance with the provisions of the Companies Act and the Articles of Association of the Company. In the event of winding up or repayment of capital, the holder(s) of the CRPS and CNCRPS shall carry a preferential right vis-à-vis equity shareholders to be repaid the amount of paid up capital, unpaid dividends and fixed premium, in accordance with the provisions of the Companies Act and the Articles of Association of the Company. The claims of holder(s) of CRPS and CNCRPS shall be subordinated to the claims of all secured and unsecured creditors of the Company but senior to equity shareholders and pari passu amongst other preference shareholders

Notes

forming part of the Financial Statements for the year ended March 31, 2016

2 Employee Benefit Obligations

(a) Defined-Contribution Plans

The Company offers its employees defined contribution plans in the form of provident fund, family pension fund and superannuation fund. Provident fund, family pension fund and superannuation fund cover substantially all regular employees. Contributions are paid during the period into separate funds under certain statutory/fiduciary-type arrangements. While both the employees and the Company pay predetermined contributions into the provident fund and pension fund, the contribution to superannuation fund are made only by the Company. The contributions are normally based on a certain proportion of the employee's salary

A sum of ₹ 5.23 Crore (for the year ended March 31, 2015 : ₹ 2.79 Crore) has been charged to the Statement of Profit and Loss in this respect

(b) Defined-Benefits Plans

The Company offers its employees defined-benefit plans in the form of a gratuity scheme (a lump sum amount). Benefits under the defined benefit plans are typically based on years of service rendered and the employee's eligible compensation (immediately before retirement). The gratuity scheme covers substantially all regular employees. In the case of the gratuity scheme, the Company contributes funds to the Life Insurance Corporation of India which administers the scheme on behalf of the Company. Commitments are actuarially determined at year-end. Actuarial valuation is based on "Projected Unit Credit" method. Gains and losses of changed actuarial assumptions are charged to the Statement of Profit and Loss

The net value of the defined-benefit commitment is detailed below:

Particulars	₹ in Crore	
	As at March 31, 2016	As at March 31, 2015
Present Value of Commitments	9.70	6.39
Fair value of Plans	(8.67)	(8.45)
Provision / (Prepaid) amount taken to the balance sheet	1.03	(2.06)

Defined benefit Commitments: Gratuity	₹ in Crore	
	Year ended March 31, 2016	Year ended March 31, 2015
Opening balance	6.39	4.53
Interest costs	0.48	0.34
Current service cost	1.66	1.21
Benefits paid	(0.51)	(0.31)
Actuarial loss	1.68	0.62
Closing Balance	9.70	6.39

Plan Assets: Gratuity	₹ in Crore	
	Year ended March 31, 2016	Year ended March 31, 2015
Opening balance	8.45	6.64
Expected return on plan assets	0.69	0.60
Contributions by the Company	0.29	1.22
Benefits paid	(0.51)	(0.31)
Actuarial gain	(0.25)	0.30
Fair value of plan assets	8.67	8.45

Notes

forming part of the Financial Statements for the year ended March 31, 2016

	₹ in Crore	
	Year ended March 31, 2016	Year ended March 31, 2015
Return on plan assets: Gratuity		
Expected return on plan assets	0.69	0.60
Actuarial gain	(0.25)	0.30
Actual return on plan assets	0.44	0.90

Expenses on defined benefit plan recognised in the Statement of Profit and Loss:

	₹ in Crore	
	Year ended March 31, 2016	Year ended March 31, 2015
Return on plan assets: Gratuity		
Current service costs	1.66	1.21
Interest expense	0.48	0.34
Expected return on investment	(0.69)	(0.60)
Net actuarial loss	1.93	0.31
Charge to the Statement of Profit and Loss	3.38	1.26

The actuarial calculations used to estimate defined benefit commitments and expenses are based on the following assumptions, which if changed, would affect the defined benefit commitment's size, funding requirements and pension expense

Particulars	Year ended March 31, 2016	Year ended March 31, 2015
Rate for discounting liabilities	7.77%	7.84%
Expected salary increase rate	6.50%	6.50%
Expected return on scheme assets	8.00%	8.00%
Attrition rate	2.00%	2.00%
Mortality table used	Indian Assured Lives Mortality (2006-08) Ultimate	Indian Assured Lives Mortality (2006-08) Ultimate

The estimates of future salary increases considered in the actuarial valuation take into account inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market

The amounts of the present value of the obligation, fair value of the plan assets, surplus or deficit in the plan, experience adjustments arising on plan liabilities and plan assets for the current period and previous four annual periods are given below:

	₹ in Crore				
Particulars	As at March 31, 2016	As at March 31, 2015	As at March 31, 2014	As at March 31, 2013	As at March 31, 2012
Defined benefit obligations	9.70	6.39	4.53	5.06	3.73
Plan Assets	8.67	8.45	6.64	5.96	4.62
Unfunded liability transferred from Group Company	-	-	-	-	-
Surplus / (Deficit)	(1.03)	2.06	2.11	0.90	0.89

Notes

Independent Auditor's Report

TO THE MEMBERS OF IL&FS TRANSPORTATION NETWORKS LIMITED

I. Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **IL&FS TRANSPORTATION NETWORKS LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associates and jointly controlled entities / operations, comprising of the Consolidated Balance Sheet as at March 31, 2016, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

II. Management's Responsibility for the Consolidated Financial Statements

- 1) The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associates and Jointly controlled entities / operations in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act and exposure draft on the Guidance note on accounting for Service Concession Arrangements issued by the Institute of Chartered Accountants of India in 2008, to the extent it does not conflict with the accounting standards.
- 2) The respective Governing Board of the entities included in the Group and of its associates and jointly controlled entities / operations are responsible for maintenance of adequate

accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group, its associates and jointly controlled entities / operations and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

III. Auditor's Responsibility

- 1) Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
- 2) We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.
- 3) An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated

financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

- 4) We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraphs (VI) (1) and (VII) (1) (a) below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

IV. Opinion

In our opinion and to the best of our information and according to the explanations given to us, and:

- a) based on consideration of the reports of the other auditors referred to in paragraphs (VI) (1) and (VII) (1) (a) below; and
- b) the unaudited financial information certified by the respective Management referred to in paragraph (VI) (2) below; and
- c) read with paragraphs (V) (1) (a) and (b) and paragraph (VII) (1) (b) below,

the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associates and jointly controlled entities / operations as at March 31, 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

V. Emphasis of Matters

- 1) Our opinion on the consolidated financial statements is not modified in respect of the following matters listed below in paragraphs (2) (a) and (b).
- 2) We draw attention to:
 - a) the following elements of the early adopted Draft Guidance note on Service Concession Arrangements issued by ICAI in 2008, adopted by the Company which, inter-alia, requires accounting of:
 - i) **Intangible Assets / Intangible Assets under development:** As explained in Note 8 of the consolidated financial statements in respect of Intangible Assets / Intangible Assets under development under the Service Concession Arrangements, the:
 - technical evaluation made by the experts with respect to estimated units of usage and toll rates used over respective concession periods for amortisation of Intangible Assets and the provision for overlay expenditure / liability and the timing of the same,
 - fair value of construction services arrived at based on internal evaluation by the Management of the construction margin.
 - ii) **Financial Assets:** As explained Note 11 of the consolidated financial statements in respect of Receivable under the Service Concession Arrangements (Financial Assets), the:
 - technical evaluation made by experts with respect to future estimated operating and maintenance costs and the estimated provision for overlay / renewal costs and the timing of the same, as considered in determining the Effective Interest rate for revenue recognition
 - fair value of construction services arrived at based on internal evaluation by the Management with respect to the construction margin

- b) An emphasis of matter paragraph is given by the auditors of a Subsidiary Company, in respect of the matter explained in Note 28 of the consolidated financial statements, drawing attention with regards to the subsidiary company's management estimate on the extension of concession period, recoverability of proposed claim from Authority, loss incurred by the Subsidiary Company and excess of total liabilities over total assets. Considering the extension of concession period and expected recovery on account of the proposed claim, impairment loss does not arise on Intangible Assets.

VI. Other Matters

- 1) We did not audit the financial statements/ financial information of:
 - a) Fifty subsidiaries, whose financial statements reflect total assets of ₹ 24,634.62 crore as at March 31, 2016, total revenues of ₹ 2,824.75 crore and net cash outflows amounting to ₹ 121.55 crore for the year ended on that, as considered in the consolidated financial statements.
 - b) Six jointly controlled entities, whose financial statements reflect total assets of ₹ 3,796.82 crore as at March 31, 2016, total revenues of ₹ 606.33 crore and net cash inflows amounting to ₹ 3.09 crore for the year ended on that date, as considered in the consolidated financial statements.
 - c) Six associates, in which the Group's share of net profit of ₹ 6.89 crore for the year ended March 31, 2016, as considered in the consolidated financial statements,

The consolidated financial statements have been prepared by the Holding Company's Board of Directors based on the audited financial statements of these aforesaid sixty two entities as audited by other auditors and whose reports

have been furnished to us by the Management and our opinion on the consolidated financial statements and our report in terms of sub section (3) and (11) of Section 143 of the Act, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, associate and jointly controlled entities, is based solely on the reports of the other auditors.

- 2) We did not audit the financial statements/ financial information of:
 - a) Five subsidiaries, whose financial statements reflect total assets of ₹ 1.04 crore as at March 31, 2016, total revenues of ₹ Nil and net cash flows amounting to ₹ Nil for the year ended on that date, as considered in the consolidated financial statements.
 - b) One jointly controlled entity, whose financial statements / financial information reflect total assets of ₹ 1.43 crore as at March 31, 2016, total revenues of ₹ 1.78 crore and net cash flows amounting to ₹ Nil for the year ended on that date, as considered in the consolidated financial statements.
 - c) Four associates, wherein the Group's share of net loss of ₹ 4.56 crore for the year ended March 31, 2016, and carrying value of ₹ 137.54 crore as considered in the consolidated financial statements.

These financial statements / financial information are unaudited and have been furnished to us by the Holding Company's Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these aforesaid ten entities, is based solely on such unaudited financial statements / financial information certified by the Management as stated above. Any adjustment upon audit by the respective auditors to the unaudited financial statements / financial information could have consequential effects on the consolidated financial

statements. In our opinion and according to the information and explanations given to us by the Holding Company's Management, these financial statements / financial information are not material to the Group.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the unaudited financial statements / financial information certified by the Management of the respective companies.

VII. Report on Other Legal and Regulatory Requirements

1) As required by Section 143(3) of the Act:

- a) Our report includes forty eight Subsidiary Companies, six Associate Companies and six Jointly Controlled Companies, which have been audited by other auditors and our report in respect of these entities is based solely on the reports of the other auditors, to the extent considered applicable for aforesaid reporting in the case of these consolidated financial statements. There are three Subsidiary Entities which are incorporated in India, to whom aforesaid reporting is not applicable and hence no reporting under the Section has been made.
- b) In addition, in respect of four Subsidiary Companies, four Associate Companies and one Jointly Controlled Company, which have been included in the consolidated financial statements based on unaudited Financial Statements / Financial Information of these entities provided to us by the Management of Holding Company as explained in paragraph (VI) (2) above. Since these entities are unaudited, the possible effects of the same on our reporting have not been considered.
- 2) We report hereunder, to the extent applicable as explained above:
 - a) We have sought and obtained all the

information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, as applicable.
- e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2016 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies, associate companies and jointly controlled companies incorporated in India, none of the directors of the Group companies, its associate companies and jointly controlled companies incorporated in India is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditors' reports of the Holding Company, subsidiary companies, associate companies and jointly controlled companies incorporated in India. Our report

expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over financial reporting of the Holding Company, subsidiary companies, associate companies and jointly controlled companies incorporated in India.

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, its associates and jointly controlled entities / controlled operations.
- ii. The Group, its associates and jointly controlled entities / operations did not

have any material foreseeable losses on long-term contracts including derivative contracts.

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its subsidiary companies, associate companies and jointly controlled companies incorporated in India.

(Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal controls over financial reporting of **IL&FS Transportation Networks Limited** (hereinafter referred to as "the Holding Company") its subsidiary companies, its associate companies and jointly controlled companies, which are companies incorporated in India, as of March 31, 2016 in conjunction with our audit of the consolidated financial statements of the Company as of and for the year then ended.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary companies, its associate companies and jointly controlled companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company, its subsidiary companies, its associate companies and its jointly controlled companies, which are companies incorporated in India, based on our audit and in terms of the reports of the other auditors referred

to in the Other Matters paragraph below. We conducted our audit in accordance with the Guidance Note issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies, associate companies and jointly controlled companies, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the aforesaid entities.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and taking into consideration the reports of the other auditors referred to in the Other Matters paragraph (a) below and read with our comments referred to in the Other Matters paragraph (b) to (d) below, the Holding Company, its subsidiary companies, its associate companies and its jointly controlled companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

Other Matters

- a) Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to twenty nine subsidiary companies, three associate companies and two jointly controlled companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India. There are three Subsidiary Entities which are incorporated in India, to whom aforesaid reporting is not applicable and hence no reporting under the Section has been made;
- b) Auditors of one jointly controlled entity incorporated in India, have reported that the said jointly controlled company has not established its internal financial control over financial reporting criteria and because of this he is unable to obtain sufficient appropriate audit evidence to provide a basis for his opinion whether the said jointly controlled company had adequate internal financial controls over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2016 and the said disclaimer does not affect his opinion on the financial statements of the said jointly controlled company;
- c) In respect of three subsidiary companies and three associates incorporated in India, which have been audited by other auditors, whilst in our opinion, and according to the information and explanations given to us, reporting under the section 143(3)(i) is applicable in respect of these entities, since the report of the other auditor under the section 143 (3) (i) has not been provided to us, the possible effects of the same on our reporting under section 143(3)(i) have not been considered
- d) In addition, in respect of one associate Company, which have been included in the Consolidated Financial Statements based on unaudited Financial Statements / Financial Information of the entity provided to us by the Management of Holding Company and since the entity is unaudited, the possible effects of the same on our reporting under section 143(3)(i) has not been considered.

Notes

forming part of the Consolidated Financial Statements for the year ended March 31, 2016

1. Principles of Consolidation, Significant Accounting Policies

A. Basis of Consolidation:

- (a) The Consolidated Financial Statements ("CFS") relates to IL&FS Transportation Networks Limited (the "Company"), its subsidiaries, jointly controlled entities, jointly controlled operations and associates, which together constitute "the Group"
- (b) The CFS are prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards (AS) prescribed under Section 133 of the Companies Act, 2013 ("the Act"), as applicable and Exposure Draft on the Guidance Note on Accounting for Service Concession Agreement (SCA) for Public-to-Private SCA, issued by the Institute of Chartered Accountants of India in the financial year 2008, to the extent it does not conflict with current Accounting Standards. The accounting policies adopted in the preparation of the CFS are consistent with those followed in the previous year
- (c) The preparation of the consolidated financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the consolidated financial statements, the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of its consolidated financial statements are prudent and reasonable. Actual results could differ from these estimates. In case the actual results are different from estimates, the effect thereof is given in the consolidated financial statements of the period in which the events materialise

B. Principles of Consolidation:

- (a) The Financial Statements of the Company and its Subsidiaries have been consolidated as a single economic entity to show the economic resources controlled by the Group and then on a line-by-line basis by adding together the book values of the like items of assets, liabilities, income and expenses, after eliminating intra-group balances and unrealized profits / losses on intra-group transactions, and are presented to the extent possible, in the same manner as the Company's Standalone Financial Statements

As the financial assets and intangible assets recognised under service concession arrangement are acquired in exchange for infrastructure construction / upgrading services, gains / losses on intra group transactions are treated as realised and not estimated on consolidation

- (b) The gains / losses in respect of part dilution of stake in Subsidiary Companies pursuant to issue of additional shares to minority shareholders are recognized directly in Reserves and Surplus in the Balance Sheet
- (c) Investments in Associate Companies have been accounted for by using the equity method, whereby an investment is initially recorded at cost and the carrying amount is adjusted thereafter for post-acquisition change in the Group's share of net assets of the Associate. The carrying amount of investment in Associate Companies is reduced to recognise any decline which is other than temporary in nature and such determination of decline in value, if any, is made for each investment individually. The unrealized profits / losses on transactions with Associate Companies are eliminated by adjusting the carrying amount of investments

Notes

forming part of the Consolidated Financial Statements for the year ended March 31, 2016

- (d) The Group's interest in Joint Ventures are consolidated as follows:

Type of Joint Venture	Accounting treatment
Jointly Controlled Operations (JCO)	The Group's share of revenues, common expenses, assets and liabilities are included in revenues, expenses, assets and liabilities respectively
Jointly Controlled Entities (JCE)	The Group's interest in JCE are proportionately consolidated on a line-by-line basis by adding together the book values of assets, liabilities, income and expenses, after eliminating the unrealized profits/losses on intra-group transactions

- (e) The Accounting Policies of the Consolidating Entities have been adjusted as necessary so as to ensure consistent accounting within the Group
- (f) In case of Foreign Subsidiaries and JCE, items of income and expenses are converted at the average rate prevailing during the year. All assets and liabilities are converted at the rates prevailing as at the end of the year, any resultant difference is recognised in Foreign Currency Translation Reserve
- (g) The financial statements of the subsidiaries, associates and jointly controlled entities used in the consolidation are drawn up to the same reporting date as that of the Company i.e. March 31, 2016 except for one overseas subsidiary viz. Elsamex S.A. whose audited consolidated financial statements (incorporating the financial statements of its subsidiaries, jointly controlled entities/ operations and its associates) have been drawn for a period of twelve months up to December 31, 2015 and adjusted for effects of significant transactions and other events that have occurred between January 01, 2016 and March 31, 2016

C. Minority Interest :

Minority interest in the net assets of consolidating Subsidiaries consists of the amount of equity

attributable to the Minority Shareholders as at the Balance Sheet date

D. Goodwill on consolidation:

- (a) Goodwill comprises the portion of the purchase price for an acquisition that exceeds the Group's share in the identifiable assets, with deductions for liabilities, calculated on the date of acquisition
- (b) Goodwill arising from the acquisition of associates is included in the value of the holdings in the associate
- (c) Goodwill is deemed to have an indefinite useful life and is reported at acquisition value with deduction for accumulated impairments. An impairment test of goodwill is conducted once every year or more often if there is an indication of a decrease in value. The impairment loss on goodwill is reported in the Consolidated Statement of Profit and Loss
- (d) Goodwill on consolidation pertaining to subsidiaries/jointly controlled entities (special purpose vehicles) having a definite concession period is amortize, over the balance concession period on a systematic basis
- (e) Goodwill on acquisition of the foreign subsidiary is restated at the rate prevailing at the end of the period

E. Debenture issue expenditure

Incremental costs directly attributable to the issue of debentures are being charged to the Consolidated Statement of Profit and Loss over the period of redemption of debentures

F. Accounting for Rights under Service Concession Arrangements

i. Recognition and measurement

The Group builds infrastructure assets under public-to-private Service Concession Arrangements (SCAs) which it operates and maintains for periods specified in the SCAs

Under the SCAs, where the Group has received the right to charge users of the public service,

Notes

forming part of the Consolidated Financial Statements for the year ended March 31, 2016

such rights are recognised and classified as "Intangible Assets". Such right is not an unconditional right to receive consideration because the amounts are contingent to the extent that the public uses the service and thus are recognised and classified as intangible assets. Such an intangible asset is recognised by the Group at cost (which is the fair value of the consideration received or receivable for the construction services delivered) and is capitalized when the project is complete in all respects and when the Company receives the final completion certificate from the authority as specified in the Concession Agreement and not on completion of component basis as the intended purpose of the project is to have the complete length of the road available for use. The economics of the project is for the entire length of the road as per the bidding submitted by the Company. The component based certification which is received is an intermediate mechanism provided in the Concession Agreement to provide a right to collect a discounted toll to compensate the company for cost recovery during construction period and for any delays beyond the control of the Company. However, where there is other than temporary delay due to reasons beyond the control of the Company, the management may treat constructed portion of the road as a completed project

Under the SCAs, where the Group has acquired contractual rights to receive specified determinable amounts, such rights are recognised and classified as "Financial Assets", even though payments are contingent on the Group ensuring that the infrastructure meets the specified quality or efficiency requirements. Such financial assets are classified as "Receivables against Service Concession Arrangements"

Consideration for various services (i.e. construction or upgrade services, operation and maintenance services, overlay services) under the SCA is allocated on the basis of costs actually incurred or the estimates of cost of services to be delivered

ii. Contractual obligation to restore the infrastructure to a specified level of serviceability

The Group has contractual obligations to maintain the infrastructure to a specified level of serviceability or restore the infrastructure to a specified condition before it is handed over to the grantor of the SCA. Such obligations are measured at the best estimate of the expenditure that would be required to settle the obligation at the balance sheet date. In case of intangible assets, the timing and amount of such cost are estimated and recognised on an undiscounted basis by charging costs to revenue on the units of usage method i.e. on the number of vehicles expected to use the project facility, over the period at the end of which the overlay is estimated to be carried out based on technical evaluation by independent experts. In case of financial assets, such costs are recognised in the period/ year in which such costs are actually incurred

iii. Revenue recognition

Revenue from financial asset is recognised in the Consolidated Statement of Profit and Loss as interest, finance income calculated using the effective interest method from the year in which construction activities are started

Revenue from operating and maintenance services and from overlay services is recognised in the period in which such services are rendered

Discounted Revenue collected on receipt of the component based certification is reduced from the cost of the Intangible asset as the construction work on remaining portion is still in progress and the entire asset is not ready for its intended purpose

Revenue from intangible assets is recognised in the period of collection which generally coincides with the usage of the public service or where from such rights have been auctioned, in the period to which auctioned amount relates

Notes

forming part of the Consolidated Financial Statements for the year ended March 31, 2016

Revenue from construction contracts

When the outcome of a construction contract can be estimated reliably, contract revenue and contract costs associated with the construction contract are recognised as revenue and expenses respectively by reference to the percentage of completion of the contract activity at the reporting date. The percentage of completion of a contract is determined considering the proportion that contract costs incurred for work performed upto the reporting date bear to the estimated total contract costs

For the purposes of recognising revenue, contract revenue comprises the initial amount of revenue agreed in the contract, the variations in contract work, claims and incentive payments to the extent that it is probable that they will result in revenue and they are capable of being reliably measured

The percentage of completion method is applied on a cumulative basis in each accounting period to the current estimates of contract revenue and contract costs. The effect of a change in the estimate of contract revenue or contract costs, or the effect of a change in the estimate of the outcome of a contract, is accounted for as a change in accounting estimate and the effect of which are recognised in the Statement of Profit and Loss in the period in which the change is made and in subsequent periods

When the outcome of a construction contract cannot be estimated reliably, revenue is recognised only to the extent of contract costs incurred of which recovery is probable and the related contract costs are recognised as an expense in the period in which they are incurred

When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognised as an expense in the Statement of Profit and Loss in the period in which such probability occurs

iv. **Borrowing cost**

In respect of a financial asset, borrowing costs attributable to construction of the road are

charged to Consolidated Statement of Profit and Loss in the period in which such costs are incurred

In respect of an intangible asset, borrowing costs attributable to the construction of roads are capitalised up to the date of the final completion certificate of the asset / facility received from the authority for its intended use specified in the Concession Agreement. All borrowing costs subsequent to the final completion certificate of the asset / facility as specified in Concession Agreement are charged to the Statement of Profit and Loss in the period in which such costs are incurred

v. **Amortisation of Intangible Asset**

The intangible rights which are recognised in the form of right to charge users of the infrastructure asset are amortized by taking proportionate of actual revenue earned for the year / period over Total Projected Revenue from project to Cost of Intangible assets i.e. proportionate of actual revenue earned for the year / period over Total Projected Revenue from the Intangible assets expected to be earned over the balance concession period as estimated by the management

Total Projected Revenue shall be reviewed at the end of the each financial year and the total projected revenue shall be adjusted to reflect any changes in the estimates which lead to the actual collection at the end of the concession period

vi. **Amortisation of Toll Receivable Account**

Toll receivable account amortised over the balance estimated period of concession. Amortisation is been done on the basis of revenue for the period / year to the total estimated revenue over the balance estimated period of concession

G. **Fixed Assets and Depreciation/Amortisation:**

(a) **Tangible fixed assets and depreciation**

Tangible fixed assets acquired by the Group are reported at acquisition cost, with deductions for accumulated depreciation and impairment losses, if any

Notes

forming part of the Consolidated Financial Statements for the year ended March 31, 2016

The acquisition cost includes the purchase price (excluding refundable taxes) and expenses, such as delivery and handling costs, installation, legal services and consultancy services, directly attributable to bringing the asset to the site and in working condition for its intended use

Where the construction or development of any asset requiring a substantial period of time to set up for its intended use is funded by borrowings, the corresponding borrowing costs are capitalised up to the date when the asset is ready for its intended use

Depreciation on tangible fixed assets is computed as under:

Asset	Useful life based on SLM
Premises	60 Years
Computers and Data Processing Equipment (other than Server & Networking)	3 Years
Office Equipments	5 Years
Furniture and Fixtures	10 Years
Plant & Machinery	15 Years
Electrical Installation	10 Years
Data Processing Equipment (Server & Networking)	4
Mobile Phones and I pad / Tablets	Fully depreciated in the year of purchase
Specialised office equipment's	3
Vehicles	5
Assets provided to employees	3
Leasehold improvement costs	Amortised over Primary period of Lease
All categories of assets costing less than ₹ 5,000/- each	Fully depreciated in the year of purchase

The residual value of all the assets is retained at ₹ 1/- each

(b) Leased assets

Type of Lease	Capitalisation	Depreciation Policy
Operating Lease	At Cost including incidental expenses to bring the asset to its working condition for its intended use	Straight Line Method at the rates provided under Schedule II to the Companies Act, 2013
Capital Expenditure on renovation / Improvements to Lease-hold Premises	At Cost	Amortised over the primary period of the Lease

(c) Intangible assets and amortisation

Intangible assets, other than those covered by SCAs, comprise of software and amounts paid for acquisition of commercial rights under an "Operation and Maintenance" agreement for a toll road project and are depreciated as follow:

Asset Type	Useful Life
Licensed Software	Over the licence period
Intellectual Property Rights	5 - 7 years
Commercial Rights acquired under Operations and Maintenance Agreement	The minimum balance period of the concession agreement relating to the corresponding toll road project

Notes

forming part of the Consolidated Financial Statements for the year ended March 31, 2016

Intangible assets are reported at acquisition cost with deductions for accumulated amortisation and impairment losses, if any

Acquired intangible assets are reported separately from goodwill if they fulfil the criteria for qualifying as an asset, implying they can be separated or they are based on contractual or other legal rights and that their market value can be established in a reliable manner

An impairment test of such intangible assets is conducted annually or more often if there is an indication of a decrease in value. The impairment loss, if any, is reported in the Consolidated Statement of Profit and Loss

Intangible assets, other than those covered by SCAs, are amortised on a "straight line" basis over their estimated useful lives. The estimated useful life of software is four years. The amount paid for acquisition of the rights under the "Operations and Maintenance" agreement is amortised over the minimum balance period (as at the time of acquisition) of the concession agreement relating to the corresponding toll road project

H. Impairment of Assets:

The carrying values of assets of the Group's cash-generating units are reviewed for impairment annually or more often if there is an indication of decline in value. If any indication of such impairment exists, the recoverable amounts of those assets are estimated and impairment loss is recognised, if the carrying amount of those assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the estimated future cash flows to their present value based on appropriate discount factor

I. Government Grants:

- (a) Government grants are recognised only when it is reasonably certain that the related entity will comply with the attached conditions and the ultimate collection is not in doubt

- (b) Grants received as compensation for expenses or losses are taken to the Consolidated Statement of Profit and Loss is accounted in the period to which it relates. Grants in the nature of promoter's contribution are treated as Capital Reserve
- (c) Grants related to specific fixed assets are treated as deferred income, which is recognised in the Consolidated Statement of Profit and Loss in proportion to the depreciation charge over the useful life of the asset

J. Investments:

- (a) Investments are capitalised at actual cost including costs incidental to acquisition, net of dividend received (net of tax) attributable to the period prior to acquisition of investment
- (b) Investments are classified as long term or current at the time of making such investments
- (c) Long term investments are individually valued at cost, less provision for diminution, which is other than temporary
- (d) Current investments are valued at the lower of cost and market value
- (e) Cost of investment property acquired in exchange for an asset is determined by reference to the fair value of the asset given up

K. Inventories:

- (a) Inventories are valued at the lower of cost and net realisable value. Net realisable value is estimated at the expected selling price less estimated selling costs
- (b) Costs for trading goods are determined using the annual weighted average principle and includes purchase price and non-refundable taxes
- (c) Cost of raw material includes purchase price and non-refundable taxes

Notes

forming part of the Consolidated Financial Statements for the year ended March 31, 2016

(d) Cost of manufactured goods include direct and indirect cost

(e) Inventories of electronic cards (prepaid cards) and on-board units are valued at the lower of cost and net realisable value. Cost is determined on first-in-first-out basis

L. Recognition of Revenue other than from Service Concession Arrangements:

(a) Revenue is recognised on an accrual basis

(b) Revenue in respect of arrangements made for rendering services is recognised over the contractual term of the arrangement. In respect of arrangements which provide for an upfront payment followed by additional payments as certain conditions are met (milestone payments), the amount of revenue recognised is based on the services delivered in the period as stated in the contract. In respect of arrangements where fees for services rendered are success based (contingent fees), revenue is recognised only when the factor(s) on which the contingent fees is based actually occur. In respect of the Group's trading activities, revenue is recognised on dispatch of goods, which coincides with the significant transfer of risks and rewards

(c) Revenue realised from grant of advertisement rights is recognised as follows:

- (i) Development fees are recognised as income during the year / period in which the advertisement rights are granted
- (ii) License fees are recognised as income on a "Straight-Line" basis over the duration of the license

(d) Revenue from development projects under fixed - price contracts, where there is no uncertainty as to measurement or collectability of consideration is recognised based on the milestones reached under the contracts. Pending completion of any milestone, revenue recognition is restricted to the relevant cost which is carried forward as part of Unbilled Revenue

(e) Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable provided it is not unreasonable to expect ultimate collection

(f) Dividend income is recognised once the unconditional right to receive the same is established

M. Foreign Currency Transactions:

(a) Transactions in foreign currencies are translated to the reporting currency based on the exchange rate on the date of the transaction. Exchange difference arising on settlement thereof during the year is recognised as income or expenses in the Consolidated Statement of Profit and Loss

(b) Cash and bank balances, receivables, (other than those that are in substance the Group's net investment in a non integral foreign operation), and liabilities (monetary items) denominated in foreign currency outstanding as at the period-end are valued at closing date rates, and unrealised translation differences are included in the Consolidated Statement of Profit and Loss

(c) Non monetary items (such as equity investments) denominated in foreign currencies are reported using exchange rate as at the date of the transaction. Where such items are carried at fair value, these are reported using exchange rates that existed on dates when the fair values were determined

(d) Inter-company receivables or payables for which settlement is neither planned nor likely to occur in the foreseeable future and are in substance an extension to or a deduction from the Group's net investments in a foreign entity are translated at closing rates but the exchange differences arising are accumulated in a foreign currency translation reserve until disposal of the net investment, at which time they are recognised as income or expense in the Consolidated Statement of Profit and Loss. Any repayment of receivables or payables forming

Notes

forming part of the Consolidated Financial Statements for the year ended March 31, 2016

part of net investment in foreign operations is not considered as partial disposal of investments in foreign operations and amounts previously recognised in the foreign currency translation reserve are not adjusted until the disposal of the ownership interest occurs

- (e) The Group's forward exchange contracts are not held for trading or speculation. The premium or discount arising on entering into such contracts is amortised over the life of the contracts and exchange difference arising on such contracts is recognised in the Consolidated Statement of Profit and Loss
- (f) The Group has exercised the option of amortising / capitalising the exchange differences arising on long-term foreign currency monetary items as given under Ministry of Corporate Affairs (MCA) Notifications No. G.S.R. 914 (E) dated December 29, 2011.

N. Employee Benefits:

a. Short Term

Short term employee benefits are recognised as an expense at the undiscounted amount expected to be paid over the period of services rendered by the employees to the Group

b. Long Term

The Group has both defined-contribution and defined-benefit plans, of which some have assets in special funds or securities. The plans are financed by the Group and in the case of some defined contribution plans by the Group along with its employees

(i) Defined-contribution plans

These are plans in which the Group pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. These comprise of contributions to the employees' provident fund, family pension fund and superannuation fund. The Group's payments to the defined contribution plans are reported as expenses in the period in which the

employees perform the services that the payment covers

(ii) Defined-benefit plans

Expenses for defined-benefit gratuity plans are calculated as at the balance sheet date by independent actuaries in a manner that distributes expenses over the employee's working life. These commitments are valued at the present value of the expected future payments, with consideration for calculated future salary increases, using a discount rate corresponding to the interest rate estimated by the actuary having regard to the interest rate on government bonds with a remaining term that is almost equivalent to the average balance working period of employees

The actuarial gains and losses are recognised immediately in the Consolidated Statement of Profit and Loss

c. Other Employee Benefits

Compensated absences which accrue to employees and which can be carried to future periods but are expected to be encashed or availed in twelve months immediately following the period end are reported as expenses during the period in which the employees perform the services that the benefit covers and the liabilities are reported at the undiscounted amount of the benefits after deducting amounts already paid. Where there are restrictions on availment or encashment of such accrued benefit or where the availment or encashment is otherwise not expected to wholly occur in the next twelve months, the liability on account of the benefit is actuarially determined using the projected unit credit method

O. Taxes on Income:

- (a) Taxes include taxes on income, adjustment attributable to earlier periods and changes in deferred taxes. Taxes are determined in accordance with enacted tax regulations and tax rates in force and in the case of deferred taxes at rates that have been substantively enacted

Notes

forming part of the Consolidated Financial Statements for the year ended March 31, 2016

- (b) The provision for tax has been taken for each consolidating entity on the basis of the standalone financial statements prepared under Indian GAAP by that entity and has been aggregated for the purpose of the CFS
- (c) Deferred tax is calculated to correspond to the tax effect arising when final tax is determined. Deferred tax corresponds to the net effect of tax on all timing differences, which occur as a result of items being allowed for income tax purposes during a period different from when they are recognised in the financial statements
- (d) Deferred tax assets are recognised with regard to all deductible timing differences to the extent that it is probable that taxable profit will be available against which deductible timing differences can be utilised. When the Group's entities carry forward unused tax losses and unabsorbed depreciation, deferred tax assets are recognised only to the extent there is virtual certainty backed by convincing evidence that sufficient future taxable income will be available against which deferred tax assets can be realised
- (e) The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced by the extent that it is no longer probable that sufficient future taxable profit will be available to allow all or a part of the aggregate deferred tax asset to be utilised
- (f) Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal tax in the future period. Accordingly, it is recognized as an asset in the Balance Sheet when it is probable that the future economic benefit associates with it will flow to the Company

P. Provisions, Contingent Liabilities and Contingent Assets:

- (a) A provision is recognised when the Group has a present obligation as a result of a past event and

it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made

- (b) Provision for final dividend payable (including dividend tax thereon) is made in the financial statements of the period to which the dividend relates when the same is proposed by the Board of Directors after the Balance Sheet date but before the approval of financial statements of the period to which the dividend relates. Provision for interim dividend payable (including dividend tax thereon) is made in the financial statements of the period in which the same is declared by the Board of Directors
- (c) Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on best estimates required to settle the obligation at the Balance Sheet date
- (d) These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates
- (e) Contingent liabilities are not recognised but are disclosed in the notes to the financial statement
- (f) A contingent asset is neither recognised nor disclosed

Q. Segment Reporting:

- (a) Segment revenues, expenses, assets and liabilities have been identified to segments on the basis of their relationship to the operating activities of the Segment
- (b) Revenue, expenses, assets and liabilities, which relate to the Group as a whole and are not allocable to segments on a reasonable basis, are included under "Unallocated Revenue / Expenses / Assets / Liabilities"

R. Borrowing Costs:

Borrowing costs are recognised in the period to which they relate, regardless of how the funds have been utilised, except where it relates to the financing of construction of development of assets requiring a substantial period of time to prepare for

Notes

forming part of the Consolidated Financial Statements for the year ended March 31, 2016

their intended future use. Interest is capitalised up to the date when the asset is ready for its intended use. The amount of interest capitalised (gross of tax) for the period is determined by applying the interest rate applicable to appropriate borrowings outstanding during the period to the average amount of accumulated expenditure for the assets during the period

S. Earnings Per Share:

- (a) Basic earnings per share is calculated by dividing the net profit after tax for the period attributable to equity shareholders of the Group by the weighted average number of equity shares in issue during the period
- (b) Diluted earnings per share is calculated by dividing the net profit after tax for the period attributable to equity shareholders of the Group by the weighted average number of equity shares determined by assuming conversion on exercise of conversion rights for all potential dilutive securities

T. Derivative Transactions:

- (a) Premium paid on acquisition of option contracts is treated as a current asset until maturity. If the premium paid exceeds the premium prevailing as at the date of the balance sheet, the difference is charged to the Consolidated Statement of Profit and Loss. If the prevailing premium as at the balance sheet date exceeds the premium paid for acquiring option contracts, the difference is not recognised
- (b) Premium received on option contracts written is treated as a current liability until maturity. If the premium prevailing on the balance sheet date exceeds the premium received on such options, the difference is charged to the Consolidated Statement of Profit and Loss. If the prevailing premium as at the balance sheet date falls short of the premium received for writing option contracts, the difference is not recognised
- (c) The Group uses foreign currency derivative contracts to hedge its risks associated with foreign currency fluctuations relating to

highly probable forecast transactions. The Group designates such contracts in a cash flow hedging relationship by applying the hedge accounting principles set out in "Accounting Standard 30 Financial Instruments: Recognition and Measurement" issued by the ICAI. These contracts are stated at fair value at each reporting date. Changes in the fair value of these contracts that are designated and effective as hedges of future cash flows are recognised directly in "Cash flow hedge reserve" under Reserves and surplus, net of applicable deferred income taxes and the ineffective portion is recognised immediately in the Consolidated Statement of Profit and Loss. Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting

Premium paid on option contracts acquired is treated as an asset until maturity. Premium received on option contracts written is treated as liability until maturity. In case of Forward exchange contracts which are not intended for trading or speculation purposes, the premium or discount arising at the inception of such a forward exchange contract is amortised as expense or income over the life of the contract. Exchange differences on such a contract are recognised in the Consolidated Statement of Profit and Loss in the reporting period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of such a forward exchange contract is recognised as income or as expense for the period

U. Leases:

- (a) Finance leases, which effectively transfer to the Group substantial risks and benefits incidental to ownership of the leased item, are capitalised and disclosed as leased assets. Lease payments are apportioned between finance charges and reduction of lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against income
- (b) Leases where the lessor retains substantially all the risks and benefits of ownership of the asset

Notes

forming part of the Consolidated Financial Statements for the year ended March 31, 2016

are classified as operating leases. Operating lease payments are recognised as an expense in the Consolidated Statement of Profit and Loss on a straight line basis over the lease term. Any compensation, according to agreement, that the lessee is obliged to pay to the lessor if the leasing contract is terminated prematurely is expensed during the period in which the contract is terminated

V. Cash and Cash Equivalents:

Cash comprises of Cash on Hand, Cheques on Hand and demand deposits with Banks. Cash Equivalents are short term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risks of changes in value

W. Consolidated Cash Flow Statement:

The Consolidated Cash Flow Statement is prepared in accordance with the "Indirect Method" as explained in the Accounting Standard (AS) 3 on "Cash Flow Statements"

X. Redemption Premium on Preference Shares:

Fixed premium on redemption of Preference Shares is recognised by the Company out of Securities Premium Account prior to the contractual date of redemption of the Preference Shares

Premium on redemption which is contractually accruing annually to the preference shareholders is accrued by way of appropriation out of Securities Premium Account as is permissible within the Companies Act, 2013 as may be amended from time to time

2. Share capital

Particulars	As at March 31, 2016		As at March 31, 2015	
	Number of Shares	₹ in Crore	Number of Shares	₹ in Crore
Authorised				
Equity Shares of ₹ 10/- each	500,000,000	500.00	500,000,000	500.00
Preference Shares of ₹ 10/- each	1,000,000,000	1,000.00	1,000,000,000	1,000.00
Issued, Subscribed and Paid up (Refer footnote no. i to vi)				
Equity Shares of ₹ 10/- each fully paid	328,960,027	328.96	246,720,020	246.72
Cumulative Non-Convertible Compulsorily Redeemable Preference Shares of ₹ 10/- each fully paid	376,450,000	376.45	376,450,000	376.45
Total	705,410,027	705.41	623,170,020	623.17

Footnotes:

- Of the above, 236,582,632 (As at March 31, 2015 : 171,450,000) equity shares are held by the Holding Company viz. Infrastructure Leasing & Financial Services Limited ("IL&FS"), 4,266,368 (As at March 31, 2015 : 3,199,776) equity shares are held by a fellow subsidiary viz. IL&FS Financial Services Limited
- 100,000,000 Cumulative Redeemable Preference Shares ("CRPS") each are held by two fellow subsidiaries viz. IL&FS Maritime Infrastructure Company Limited ("IMICL") and IL&FS Financial Services Limited ("IFIN")
- Reconciliation of the number of equity shares, CRPS and Cumulative Non-Convertible Compulsorily Redeemable Preference Shares ("CNCRPS") outstanding at the beginning and at the end of the year:

Equity Shares	Year ended March 31, 2016		Year ended March 31, 2015	
	Number of Shares	₹ in Crore	Number of Shares	₹ in Crore
Shares outstanding at the beginning of the year	246,720,020	246.72	194,267,732	194.27
Shares issued during the year	82,240,007	82.24	52,452,288	52.45
Shares outstanding at the end of the year	328,960,027	328.96	246,720,020	246.72

- v. The Company has one class of equity shares with face value of ₹ 10 each fully paid-up. Each shareholder has a voting right in proportion to his holding in the paid-up equity share capital of the Company. Where final dividend is proposed by the Board of Directors, it is subject to the approval of the shareholders in the Annual General Meeting.

The Board of Directors have recommended dividend of ₹ 2 per equity share of ₹ 10 each (20%) for the year ended March 31, 2016 on the existing 328,960,027 fully paid-up equity shares of the Company.

During the previous year, the Company had issued 52,452,288 equity shares on rights basis in the ratio of 27:100 at a price of ₹ 100 per share having a face value of ₹ 10 each aggregating ₹ 52.45 Crore and premium of ₹ 90 each aggregating to ₹ 472.07 Crore.

During the current year, the Company issued 82,240,007 equity shares on rights basis in the ratio of 1:3 at a price of ₹ 90 per share having a face value of ₹ 10 each aggregating ₹ 82.24 Crore and premium of ₹ 80 each aggregating to ₹ 657.92 Crore. The Earnings per share has been accordingly adjusted for the effects of Rights Issue for the years ended March 31, 2016 and March 31, 2015.

Notes

forming part of the Consolidated Financial Statements for the year ended March 31, 2016

The details of utilisation of proceeds of above issue are given below :

Particulars	₹ in Crore	
	FY 2015-16	FY 2014-15
Amount received from the issue	740.16	524.52
Utilisation :		
For repayment of loans	733.21	510.00
For working capital payments (including issue expenses)	6.95	14.52
Total utilisation	740.16	524.52
Balance amount unutilised as at year end	Nil	Nil

vi. The Company has issued the following series of CRPS and CNCRPS :

Series Name	Number of shares	Face value per share (Amount in ₹)	Premium received per share (Amount in ₹)	Maturity date	Dividend payout	Redemption terms
20.50% CRPS	200,000,000	10	10	Refer foot note vi(a) below	20.50% per annum	Refer foot note vi(a) below
10.40% ITNL CNCRPS 2017	107,250,000	10	10	June 23, 2017	21.06% per annum	Redemption at face value plus premium of ₹ 10 per share
10.50% ITNL CNCRPS 2018	19,200,000	10	10	December 23, 2018	21.44% per annum	
11% ITNL CNCRPS 2021	50,000,000	10	10	January 17, 2021	22.32% per annum	

Footnote vi(a) :

The 20.50% CRPS will be redeemed starting from May 31, 2017 to May 31, 2025 at a premium of ₹ 10 per share and an additional redemption premium of 2.50% p.a. on the face value from the date of issue. See below table for details:

Date of redemption	No of shares to be redeemed (in Crore)	Redemption Amount ₹ in Crore
31-May-17	2.00	41.84
31-May-18	2.00	42.34
31-May-19	3.00	64.26
31-May-20	3.00	65.01
31-May-21	3.00	65.76

31-May-23	3.00	67.26
31-May-24	0.50	11.34
31-May-25	0.50	11.48
Total	20.00	435.80

Notes

forming part of the Consolidated Financial Statements for the year ended March 31, 2016

Rights of CRPS and CNCRPS holders are as follows:

The holder(s) of CRPS and CNCRPS shall have no voting rights other than in respect of matters directly affecting the rights attached to the CRPS and CNCRPS. In the event of any due and payable dividends on the CRPS and CNCRPS remaining unpaid for a period of two years prior to the start of any General Meeting of the Equity Shareholders, the holder(s) of CRPS and CNCRPS shall gain voting rights in respect of all matters placed by the Company at a General Meeting of its Equity Shareholders in accordance with the provisions of the Companies Act and the Articles of Association of the Company. In the event of winding up or repayment of capital, the holder(s) of the CRPS and CNCRPS shall carry a preferential right vis-à-vis equity shareholders to be repaid the amount of paid up capital, unpaid dividends and fixed premium, in accordance with the provisions of the Companies Act and the Articles of Association of the Company. The claims of holder(s) of CRPS and CNCRPS shall be subordinated to the claims of all secured and unsecured creditors of the Company but senior to equity shareholders and pari passu amongst other preference shareholders.

Less : Provision reversed during the year	0.75	-	-	-
Closing balance	-	-	0.75	-

- (ii) Provision for overlay in respect of toll roads maintained by the Group under service concession arrangements and classified as intangible assets represents contractual obligations to restore an infrastructure facility to a specified level of serviceability in respect of such asset. Estimate of the provision is measured using a number of factors, such as contractual requirements, technology, expert opinions and expected price levels. Because actual cash flows can differ from estimates due to changes in laws, regulations, public expectations, technology, prices and conditions, and can take place many years in the future, the carrying amounts of provision is reviewed at regular intervals and adjusted to take account of such changes

Accordingly, financial and accounting measurements such as the revenue recognized on financial assets, allocation of annuity into recovery of financial asset, carrying values of financial assets and depreciation of intangible assets and provisions for overlay in respect of service concession agreements are based on such assumptions

Movements in provision made for overlay are tabulated below:

Particulars	₹ in Crore

Notes

forming part of the Consolidated Financial Statements for the year ended March 31, 2016

Footnote:

- i Depreciation on assets used during the construction period ₹ 0.05 crore (previous period ₹ 0.18 crore) has been included in "Capital Work in Progress" and credit impact of change of depreciation policy of ₹ Nil (previous year ₹ 3.92 crore) has been included in depreciation charge to the statement of profit and loss. Therefore, the charge to the statement of profit and loss is lower by this amount
- ii Estimates under Service Concession Arrangement - Right under Service Concession Arrangements / Intangible assets under Developments

Estimates under Service Concession Arrangements

Under Service Concession Arrangement (SCA), where a Special Purpose Vehicle (SPV) has received the right to charge users of a public service, such rights are recognized and classified as "Intangible Assets". Such a right is an unconditional right to receive consideration however the amounts are contingent to the extent that the public uses the service

The book value of such an Intangible Asset is recognized by the SPV at the fair value of the constructed asset which comprises of the actual construction cost plus the margins as per the SCA

The Intangible Asset is amortised on the basis of units of usage method over the lower of the remaining concession period or useful life of such intangible asset, in terms of each SCA

Estimates of margins are based on internal evaluation by the management. Estimates of units of usage, toll rates, contractual liability for overlay expenditure and the timing of the same are based on technical evaluations and / or traffic study estimates by external agencies

These factors are consistent with the assumptions made in the previous years

The key elements have been tabulated below:

Particulars	₹ in Crore	
	Upto / As at March 31, 2016	Upto / As at March 31, 2015
Cumulative Margin on construction in respect of Intangible Assets / Intangible Assets under development	1,672.62	1,324.47
Year ended		
	March 31, 2016	March 31, 2015
Amortisation charge in respect of intangible assets	219.50	122.04

- iii Adjustments includes additions to Gross Block and Accumulated Depreciation towards foreign exchange fluctuation / acquisition of new subsidiaries / jointly controlled entities during the year and deductions to Gross Block and Accumulated Depreciation towards foreign exchange fluctuation / sale / cessation of subsidiaries / jointly controlled entities and regrouping of previous year figures
- iv Intangibles assets under SCA are capitalised when the project is complete in all respects and when the Company receives the final completion certificate from the authority as specified in the Concession Agreement and not on completion of component basis as the intended purpose of the project is to have the complete length of the road

Notes

Notes

forming part of the Consolidated Financial Statements for the year ended March 31, 2016

Footnote:

During the previous year ended March 31, 2015, an Associate Company (erstwhile a Subsidiary Company upto August 7, 2014) had received a formal communication from the Corporate Debt Restructuring (CDR) Empowered Group with respect to it having formally exited from the CDR system on May 20, 2014. Consequent to the Associate Company's exit from the CDR, the matter with respect to the classification of Advances towards Capital / Debt given by the promoters i.e. the Holding Company and Government of Gujarat (GoG) as Advance towards Capital / Debt until the repayment of DDBs and NCDs till July 2018, was discussed with the promoters. The Holding Company has given consent to continue the classification as requested by the Associate Company, however the approval from GOG is still pending to be received. In the view of the Management of the Associate Company, the amounts payable, if any, for the aforesaid item is currently unascertainable and accordingly, no liability/charge has been created in its financial statements

Total	9,321.55	1,979.98	8,654.26	818.02

Footnote:

(i) Estimates under Service Concession Arrangement - Financial assets

Under a Service Concession Arrangement (SCA), where a Special Purpose Vehicle (SPV) has acquired contractual rights to receive specified determinable amounts (Annuity) for use of an asset, such amounts are recognised as "Financial Assets" and are disclosed as "Receivable against Service Concession Arrangements"

The value of a Financial Asset covered under a SCA includes the fair value estimate of the construction services which is estimated at the inception of the contract and is based on the fair value of the constructed asset and comprises of the actual construction cost, a margin as per the SCA, estimates of the future operating and maintenance costs, including overlay / renewal costs

The cash flows from a Financial Asset commences from the Provisional / Final Commercial Operation Date as certified by the granting authority for the SCA

Notes

forming part of the Consolidated Financial Statements for the year ended March 31, 2016

The cash flow from a Financial Asset is accounted using the effective interest rate method. The intrinsic interest element in each Annuity receipt is accounted as finance income and the balance amount is accounted towards recovery of dues from the "Receivable against Service Concession Arrangements"

These factors are consistent with the assumptions made in the previous years

The key elements have been tabulated below:

Particulars	₹ in Crore	
	As at March 31, 2016	As at March 31, 2015
Cumulative Margin on construction and operation & maintenance and renewal services recognised in respect of Financial Assets	729.11	663.82
Future Operation and maintenance and renewal services considered in respect of Financial Assets	2,456.10	2,559.20
Revenue recognised on Receivables against Service Concession Arrangement on the basis of effective interest method	3,632.30	2,800.52

12. Inventories (lower of cost and net realisable value)

- Income tax demands contested by the Group	39.53	39.92
- Other tax liability	74.19	8.39
- Royalty to Nagpur Municipal Corporation	1.07	1.07
- Guarantees/ counter guarantees issued in respect of other companies	21.18	22.07
(iii) In case of Income Tax disputes decided in favour of the Group at the First Appellate Authority for amounts disallowed amounting to ₹ 103.01 crore (Previous year : March 31, 2015 ₹ 82.01 crore), the Income Tax department has gone for further appeal in all the cases. If decided against the Group, it will result in reduction of unabsorbed depreciation as per the Income -Tax law		

Footnote:

The Company does not expect any outflow of economic resources in respect of the above and therefore no provision is made in respect thereof.

(B) Capital commitments

Particulars	₹ in Crore	
	As at March 31, 2016	As at March 31, 2015
(i) Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances paid aggregate ₹ 303.31 crore) (as at March 31, 2015 ₹ 502.21 crore)	9,184.16	7,119.46
(ii) Investment Commitments [net of advances of ₹ Nil, (As at March 31, 2015 : ₹ 20.00 crore)]	20.00	20.00

Notes

forming part of the Consolidated Financial Statements for the year ended March 31, 2016

(C) Other commitments

Particulars	₹ in Crore	
	As at March 31, 2016	As at March 31, 2015
(i) Negative grant to National Highways Authority of India ("NHAI") (upto 2019-20)	180.00	215.00
(ii) Premium to National Highways Authority of India ("NHAI") (upto 2033-34)	1,302.67	1,346.77
(iii) Premium to National Highways Authority of India ("NHAI") (upto 2036-37)	1,469.19	1,498.92
(iv) Connectivity charges to Haryana Urban Development Authority	2,740.96	2,748.98
(v) Put option on sale of investment	Unascertainable	Unascertainable

(D) Litigations against the Group :

- (i) A Public interest litigation has been filed in the Allahabad High Court to make one of the project of a Jointly Controlled Entity ("JCE"), a toll free facility for general public. Based on the legal opinion, the management of the company believes that there is reasonable probability of success in the matter and has no impact on the financial position of the Group at this stage.
- (ii) During the year, Income Tax Department has raised a demand of ₹ 49.80 crore (Group's share) u/s 143(3) of the income tax Act, 1961 against said JCE which is primarily on account of addition of arrears of designated returns to be recovered in future from toll, revenue subsidy on account of allotment of Land. The said JCE has filed an appeal with the first level Appellate Authority and based on legal opinion, management believes that the outcome of the same will be in favour of the Company and it has no impact on the financial position of the Group at this stage.

Earlier, Income Tax Department has initiated reassessment U/s 147 of the Income Tax Act, 1961 for Assessment Years 2007-08, 2008-09 and 2012-13 and raised a demand of ₹ 107.66 crore (Group's share) primarily on account of arrears of designated returns to be recovered in future from toll and other recoveries as per the Concession Agreement of one of the JCE. The said JCE has filed an appeal with the first level Appellate Authority and based on legal opinion, the management believes that the outcome of the same will be in favour of the Company and it has no impact on the financial position of the Group at this stage.

In few other matters, income tax demands of ₹ 1.70 crore (Group's share) have also been raised for which necessary rectification applications U/s 154 of the Income Tax Act, 1961 have been filed by the JCE. The management of the Company expects that the demands will be deleted post rectification by the department and it has no impact on the financial position of the Group at this stage.

- (iii) Certain other matters i.e. encroachment onto land & installation of unipoles, size of advertisement structures, exemption from paying toll to armed forces personnel's, etc. are under litigation in one of the project of a JCE. Based on the legal opinion from the counsel of the JCE, the management of the Company believes that there is reasonable probability of success in the matters and have no impact on the financial position of the Group at this stage.
- (iv) For collecting Municipal Corporation of Delhi ("MCD") toll on behalf of SMS AAMW Tollways Private Limited, the JCE is deducting service charges @ 13.5% of MCD toll as against 3% as directed by MCD. MCD has send a legal notice to take coercive action against withholding such amount. The JCE has filed suit for injection from such notice. The court has passed an interim order restraining the defendants from taking any coercive action. On prudence basis, till settlement of dispute, service charges has been recognised as income @ 3% of MCD toll. Necessary adjustment, if any, will be recognised on finalisation of matter.

Notes

forming part of the Consolidated Financial Statements for the year ended March 31, 2016

The management of the Company does not expect any impact on financial position of the Group on this account at this stage.

- (v) Since August 01, 2009, a JCE was contesting imposition of monthly license fee @ ₹ 115/- per sq.ft. of the total display area (as against 25% of the gross revenue generated) by MCD. In May 2010, The Hon'ble Court has directed the said entity to deposit license fees at 50% of ₹ 115/- per sqft of the display till the final disposal of the matter. As an abundant caution the management had decided to provide for the license fee as demanded by MCD in full.

In November 2014, the entity has entered into MOU with MCD whereby the entity has obtained permission to display advertisement against payment of monthly license fees @ 25% of total income or 25% of zonal rate (whichever is higher).

In February 2015, Hon'able High Court ordered that the imposition of License Fees do not have the authority of law, accordingly set aside the MCD demand & ordered MCD to refund amount deposited pursuant to its order of May 2010. The entity has stopped paying license fees to MCD from February 2015 and filed an application for refund of the amount paid. The entity had written back the provision recognised in this respect in previous financial year.

In August 2015, MCD has issued show-cause notice alleging violation of various terms of MOU and subsequently removed all outdoor advertisement/display on the Delhi side of DND flyway. The entity has initiated legal action and is in process of amicable settlement with MCD.

- (vi) The JCE has acquired the land on Delhi side for the construction of Bridge from the Government of Delhi and Delhi Development Authority and the amount paid has been considered as a part of the project cost. However pending final settlement of the dues, the said entity had estimated the cost at ₹ 0.74 crore (Group Share) and provided the same as a part of the project cost. A sum of ₹ 0.23 crore (Group share) has so far been paid against the demand out of the aforesaid provision. The actual settlement may result in probable obligation to the extent of ₹ 0.51 crore (Group Share) based on management estimates.

(d) Deputation cost	7.50	510.47	6.50	459.13
Total		510.47		459.13

Footnote:

(i) Employee benefit obligations:

(A) Defined-contribution plans

- (i) The Group offers its employees defined contribution benefits in the form of provident fund, family pension fund and superannuation fund. Provident fund, family pension fund and superannuation fund cover substantially all regular employees. Contributions are paid during the year into separate funds under certain statutory / fiduciary-type arrangements. While both the employees and the Group pay predetermined contributions into the provident fund and pension fund, contributions to superannuation fund are made only by the Group. The contributions are normally based on a certain proportion of the employee's salary.
- (ii) A sum of ₹ 8.35 (previous year ₹ 6.40) crore has been charged to the consolidated Statement of Profit and Loss in this respect.

(B) Defined-benefit plans:

The Group offers its employees defined-benefit plans in the form of gratuity (a lump sum amount). Amounts payable under defined benefit plans are typically based on years of service rendered and the employee's eligible compensation (immediately before retirement). The gratuity scheme covers substantially all regular employees. In the case of the gratuity scheme, the Group contributes funds to the Life Insurance Corporation of India which administers the scheme on behalf of the Group. Commitments are actuarially determined at year end. Actuarial valuation is based on "Projected Unit Credit" method. Gains and losses due to changes in actuarial assumptions are charged to the Consolidated Statement of Profit and Loss.

The net value of the defined-benefit commitment is detailed below:

Particulars	As At	
	March 31, 2016	March 31, 2015

27. The concession arrangements of the Group relate primarily to the construction, operation and maintenance of carriageways (roads) and gas stations by special purpose entities within the Group, which at the end of the concession period must be returned in the stipulated conditions to the grantors of the concessions. In consideration for having designed, constructed, operated and maintained such carriageways, the Group is entitled either to "Annuities" from grantors or is entitled charge "Toll" to the users of the carriageways or in the case of gas stations, to compensation from the oil companies besides other revenue from ancillary commercial activities.

(I) The following are toll based service concession arrangements of the Group which have been classified as "Intangible Assets":

1	Group Entity	ITNL Road Infrastructure Development Company Limited	Baleshwar Kharagpur Expressway Limited	Charminar Robo Park Limited	N.A.M. - iii) Elsamex SA, its subsidiaries and joint ventures, (the "Elsamex Group") have entered into Service Concession Arrangements("SCA") for construction and operation and maintenance of five gas stations in Spain and for the construction and operation and maintenance of a road project in Spain with the Government authorities. The periods for which the SCAs have been granted are as under:

Project	Year of SCA	Status	Operations and Maintenance period	Extension of period
Orihuela Gas Station	2001	Construction completed	29 years	At the discretion of grantor
Villavidel Gas Station	2001	Construction completed	44 years	At the discretion of grantor
Zamora Gas Station	2002	Construction completed	46 years	At the discretion of grantor
Ponferrada Gas Station	2004	Construction completed	46 years	At the discretion of grantor
Coiros Gas Station	2004	Construction completed	39 years	At the discretion of grantor
A4 Road	2007	Construction completed	19 years	At the discretion of grantor
Area de servicio Punta Umbria	2010	Construction completed	30 years	At the discretion of grantor
Alcantarilla Fotovoltaica, S.L.U.	2010	Construction completed	30 years	At the discretion of grantor
Ramky Elsamex Hyderabad	2007	Construction completed	15 years	At the discretion of grantor
Beasolatra	2013	Construction completed	30 years	At the discretion of grantor

Maintenance activities for the gas stations and road project include routine operating and maintenance as well as periodic overhauling and refurbishment to maintain the stations to the defined standards. In consideration for performing its obligations under the SCA, Elsamex is entitled to compensation from the oil companies computed at a predefined proportion of the sale of products at the gas stations and in the form of a "shadow toll" based on the units of usage i.e. the number of vehicles using the road in respect of road project.

28. One of the Subsidiary Company has submitted the request for extension of concession period and is in the process of filing claim for the losses incurred by it on account of delay in handing of ROW, compensation for revenue loss against loading / unloading, bypassing from Alternate Routes near checkpoints, etc. The Independent Engineer of the project has recommended extension of the concession period and a part of such extended period has already been consented by the Authority. The Board of Directors and the Management of the Subsidiary Company are confident that the extension of concession period will be granted and the proposed claim from Authority shall be recovered in due course and accordingly, the realisation of proposed claim and extended useful life of the Intangible Asset is considered for measurement of recoverable value of the Intangible Asset.

Notes

1. **A Member entitled to attend and vote at the Annual General Meeting (AGM) is entitled to appoint a proxy to attend and vote instead of himself and the proxy need not be a Member of the Company. The instrument appointing the proxy, in order to be effective, must be deposited at the Company's Registered Office, duly completed and signed, not less than FORTY-EIGHT HOURS before the meeting. Proxies submitted on behalf of limited companies, societies, trusts, etc., must be supported by appropriate resolutions / authority, as applicable**

A person can act as a proxy on behalf of Members not exceeding Fifty (50) and holding in the aggregate not more than 10% of the total paid-up share capital of the Company. In case a proxy is proposed to be appointed by a Member holding more than 10% of the total share capital of the Company carrying voting rights, then such proxy shall not act as a proxy for any other person or member

2. The relative Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ("the Act"), in respect of the business under Item No. 7 of the Notice is annexed hereto. The relevant details as required under Regulation 36 (3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 for persons seeking Appointment/ Re-appointment as Directors under Item No. 4 and 5 of the Notice are also annexed
3. Corporate Members intending to send their authorized representatives to attend the Meeting pursuant to Section 113 of the Companies Act, 2013 are requested to send to the Company a certified copy of the relevant Board Resolution together with their respective specimen signatures authorizing such representative(s) to attend and vote on their behalf at the Meeting
4. All documents referred to in the accompanying Notice and the Explanatory Statement are open for inspection by the Members at the Company's Registered Office on all working days (except Saturdays, Sundays and Public holidays) between 2.00 pm to 5.00 pm prior to the date of this Annual General Meeting
5. The Register of Beneficial Owners, Register of Members and Share Transfer Books of the Company will remain closed from Tuesday, August 2, 2016 to

Tuesday, August 9, 2016 (both days inclusive)

6. The Dividend as recommended by the Board of Directors on the Equity Shares of the Company, if approved by the Shareholders at the 16th Annual General Meeting shall be paid:
 - (i) to those Members, holding shares in physical form, whose names appear on the Register of Members at the close of business hours on Tuesday, August 9, 2016 after giving effect to all the valid transfers received in physical form lodged on or before Monday, August 1, 2016 with the Company and/ or its Registrar & Transfer Agents; and
 - (ii) to those Members, holding shares in electronic form, whose names appear as Beneficial Owners as on the closing hours of business on Monday, August 1, 2016 as per the details furnished by the Depositories for this purpose
7. Members are requested to immediately intimate changes, if any, in their registered addresses along with pin code number to the Company or the Registrar & Share Transfer Agents. Members holding shares in dematerialised mode are requested to intimate the same to their respective depository participants
8. In order to avail the facility of Electronic Clearing Service (ECS), Members holding shares in physical form are requested to provide bank account details to the Company or the Registrar & Share Transfer Agents. Members holding shares in dematerialised mode are requested to instruct their respective Depository Participants their details of bank account in which they wish to receive the dividends. The Company/Registrars & Share Transfer Agents will not act on any request received from the Members holding shares in dematerialised form for carrying out any change/deletion of such bank account details
9. Members holding shares in physical form are requested to consider converting their holding to dematerialised form to eliminate risks associated with physical shares
10. The Company is obliged to print bank details on the Dividend warrants as furnished by National Securities Depository Limited ("NSDL") and Central Depository Services (India) Limited ("CDSL")

hereinafter referred to as ("the Depositories") to the Company and the Company cannot entertain any request for deletion/change of Bank details already printed on the Dividend warrant(s) based on the information received from the concerned Depositories without confirmation from them. In this regard, Members are advised to contact their Depository Participant (DP) and furnish them the particulars of any change desired

11. In terms of the provisions of Section 205C of the Companies Act, 1956 (which are still applicable as the relevant sections under the Companies Act, 2013 are yet to be notified) dividend amount remaining unpaid/unclaimed for a period of 7 years would be transferred to the "Investor Education and Protection Fund (IEPF)", constituted by the Central Government. Members who have not yet encashed their dividend warrant(s) for the financial year 2009-10 onwards are requested to make their claims without any delay to the Company

Pursuant to the provisions of the IEPF (uploading of information regarding unpaid and unclaimed amounts lying with companies) Rules 2012, the details of unpaid / unclaimed dividend amounts lying with the Company as on August 26, 2015 (date of last AGM) have been displayed on the website of the Company (www.itnlindia.com) and are also available on the website of the Ministry of Corporate Affairs

12. The Notice of the AGM along with the Annual Report is being sent by electronic mode to those Members whose e-mail addresses are registered with the Company / Depositories, unless any Member had requested for a physical copy of the same. For Members who have not registered their e-mail addresses, physical copies are being sent by the permitted mode
13. Members intending to require information or clarifications about the Financial Accounts, to be explained at the Meeting are requested to inform the Company atleast a week in advance to enable the Company to compile the information and provide replies at the Meeting
14. Members are requested to bring their copy of the Annual Report to the Meeting
15. Process and manner for Voting through electronic means is given below:

- i. Pursuant to the provisions of Section 108 of the Companies Act, 2013 ("the Act") read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time, the Company is providing the facility of 'Remote E-voting' (voting from a place other than at the venue of the AGM) to exercise their right to vote at the 16th Annual General Meeting of the Company. The business may be transacted through remote e-voting services rendered by Central Depository Services (India) Limited (CDSL) on all resolutions set forth in this Notice. The members attending the Meeting, who have not already cast their vote through remote e-voting shall be able to exercise their voting rights at the meeting
- ii. Mrs. Jayshree S. Joshi (FCS: 1451; CP No.: 487), Proprietress of Jayshree Dagli & Associates, Company Secretaries, Mumbai has been appointed as the Scrutinizer for conducting the remote e-voting and the voting process at the AGM in a fair and transparent manner
- iii. The remote e-voting period commences on Saturday, August 6, 2016 (9.00 am IST) and ends on Monday, August 8, 2016 (5.00 pm IST). During this period, Members holding shares in physical or dematerialized form, as on the cut-off date i.e. Tuesday, August 2, 2016, may cast their votes electronically. The remote e-voting module shall be disabled by CDSL for voting thereafter. Once the vote on a resolution is cast by the Member, he shall not be allowed to change it subsequently
- iv. The voting rights of Members shall be in proportion to their share in the paid up share capital of the Company as on the cut-off date i.e. Tuesday, August 2, 2016
- v. A Member can opt for only one mode of voting i.e. either through remote e-voting or by ballot. If a Member casts votes by both modes, then the voting done through e-voting shall prevail and ballot shall be treated as invalid
- vi. The procedure and instructions for remote e-voting areas follows:
 - a. Open your web browser during the voting period and log on to the e-voting website www.evotingindia.com

- b. Now click on "Shareholders" to cast your votes.
- c. Now, fill up the following details in the appropriate boxes:

User - ID will be	a. For members holding shares through CDSL: 16 digits beneficiary ID b. For members holding shares through NSDL: 8 Character DP ID followed by 8 Digits Client ID c. Members holding shares in Physical Form : Enter Folio Number registered with the Company
-------------------	--

- d. Next, enter the Image Verification as displayed and Click on Login
- e. If you are a first time user (Both - Members holding shares in demat and physical form), follow the steps given below:

If wish to use PAN

- i. Enter your 10 digit alpha-numeric PAN issued by Income Tax Department
- ii. Members who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number which is printed on Attendance Slip indicated in the PAN field

If wish to use Dividend Bank Details or Date of Birth (DoB)

- i. Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the Company records in order to login.
- ii. If both the details are not recorded with the depository or Company please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (vi) (c) above
- f. After entering the above details appropriately, click on "SUBMIT"
- g. Members holding shares in physical form will then directly reach the Company selection screen. However, Members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password

field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided, that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential

- h. For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice
- i. Now, select the Electronic Voting Sequence Number ("EVSN") for "IL&FS Transportation Networks Limited" from the drop down menu and click on "SUBMIT"
- j. On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution
- k. Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details
- l. After selecting the resolution, if you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote
- m. Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote
- n. You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page
- o. If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system

- p. **Shareholders can also cast their vote using CDSL's Mobile App "M-Voting" available for android based mobiles. The "M-Voting App" can be downloaded from Google Play Store, Apple and Windows phone users can download the app from the App Store and the Windows Phone Store respectively. Please follow the instructions as prompted by the mobile app while voting on your mobile**
- q. **Note for Non – Individual Shareholders and Custodians**
- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporates.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
 - The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote
 - A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same
- r. The Chairman shall, at the AGM, at the end of the discussion on the resolutions on which voting is to be held, allow voting, with the assistance of the Scrutinizer, by use of Poll for all those Members who are present at the AGM, but have not cast their votes by availing the remote e-voting facility
- s. The Scrutinizer shall, immediately after the conclusion of voting at the AGM, first count the votes cast at the meeting and thereafter, unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and shall not later than three days of conclusion of the meeting, issue a consolidated Scrutinizers Report of the total votes cast in favour or against, if any, to the Chairman or a person authorised by him who shall countersign the same and shall declare the Result of the voting forthwith
- t. In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com, under help section or write an email to helpdesk.evoting@cdslindia.com
- u. The Results declared alongwith the report of the Scrutinizer shall be placed on the website of the Company www.itnlindia.com and on the website of CDSL immediately after the declaration of result by the Chairman or a person authorized by him in writing. The results shall also be immediately forwarded to the Stock Exchanges

Explanatory Statement Pursuant to Section 102 of the Companies Act, 2013 and Rule 15(3) of Companies (Meetings of Board and Its Powers) Rules, 2014

Item no. 7

The Board of Directors on the recommendation of the Audit Committee, had approved the appointment of Mr. Dattatray Chivlikar, Cost Accountant, to conduct the audit of the cost records of the Company for FY 2016-17

In terms of the provisions of Section 148 of the Companies Act, 2013 read with Rule 14 of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor for FY 2016-17 is required to be approved by the Members of the Company. Accordingly, the Members are requested to approve the remuneration payable to the Cost Auditor for the financial year ending March 31, 2017, as set out in the Resolution No 7 of the Notice

None of the Directors, Promoters or Key Managerial Personnel of the Company or their relatives is concerned

or interested, financially or otherwise in the said Resolution

The Board of Directors recommend the Ordinary Resolution set out at Item No. 7 of the Notice for approval by the Members
