DECLARATION BY INDEPENDENT DIRECTORS

Mrs. Sumita Chhetry w.e.f. 15.10.2024 and Mr. Surjit Singh are Independent Directors on the Board of your Company as on 31st March, 2025. Mr. Surjit Singh has given declaration to the company stating that he fulfills the conditions of Independence

specified in Section 149(6) of the Companies Act, 2013 and Rules made thereunder and the same have been placed and noted in the meeting of the Board of Directors held on 3rd April, 2024. A format of letter of appointment to Independent Director as provided in Companies Act, 2013 and the Listing Regulations has been issued and disclosed on the website of the Company at <http://www.jjfc.co.in>.

FAMILIARISATION PROGRAMME FOR DIRECTORS

As a practice, all Directors (including Independent Directors) inducted to the Board go through a structured orientation programme. Presentations are made by Senior Management giving an overview of the operations, to familiarize the new Directors with the Company's business operations. The Directors are given an orientation on the products of the business, group structure and subsidiaries, Board constitution and procedures, matters reserved for the Board, and the major risks and risk management strategy of the Company.

During the year under review, the Independent Directors attended two familiarisation programmes and one new Independent Director was inducted to the Board.

VIGIL MECHANISM

Pursuant to the requirement of the Act and Regulation 22 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has in place a vigil mechanism policy to report genuine concerns or grievances. The Vigil Mechanism Policy has been posted on the website of the Company at <http://www.jjfc.co.in>.

PERFORMANCE EVALUATION

Pursuant to the provisions of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, the Board has carried out annual performance evaluation of its own performance, the Directors individually as well as the evaluation of all Committees of the Board for the Financial Year 2024-25. A structured questionnaire was prepared after taking into consideration inputs received from the Directors, covering various aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, Board culture, execution and performance of specific duties, obligations and governance. A separate exercise was carried out to evaluate the performance of individual Directors, who were evaluated on parameters such as level of engagement and contribution, independence of judgment, safeguarding the interest of the Company and its shareholders. The performance evaluation of the Independent Directors was carried out by the entire Board. The performance evaluation of the Non Independent Directors was carried out by the Independent Directors. The Directors expressed their satisfaction with the evaluation process.

COMPANY'S POLICY ON APPOINTMENT AND REMUNERATION

In accordance with Section 178 of the Companies Act, 2013, the Board of Directors has in place a Policy on Directors' appointment and remuneration including criteria for determining qualifications, positive attributes, independence of a director and remuneration policy for Key Managerial Personnel and others. The Policy of Nomination and Remuneration Committee has been framed to encourage diversity of thought, experience, knowledge, perspective, age and gender in the Board. The Remuneration Policy for Directors, Key Managerial Personnel and all other employees is aligned to the philosophy on the commitment of fostering a culture of leadership with trust. The Remuneration Policy aims to ensure that the level and composition of the remuneration of the Directors, Key Managerial Personnel and all other employees is reasonably sufficient to attract, retain and motivate them to successfully run the Company. The policy has been uploaded on the website of the Company at <http://www.jjfc.co.in>

Based on the recommendations of the Nomination and Remuneration Committee, the Board approved a Nomination and Remuneration Policy which is enclosed as **Annexure 3**.

DISCLOSURE ON REMUNERATION TO EMPLOYEES EXCEEDING SPECIFIED LIMITS

The Company had no employees who were in receipt of remuneration in excess of ₹ 102 lakh per annum during the year ended 31st March, 2025 or of more than ₹ 8.5 lakh per month during any part thereof, hence no information under Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 is required to be given.

PARTICULARS OF EMPLOYEES

The information required pursuant to Section 197(12) of the Companies Act, 2013 read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 as amended, containing, inter alia, ratio of remuneration of directors and KMP to median remuneration of employees and percentage increase in the median remuneration are annexed to this Directors' Report as '**Annexure 4**'. In terms of Section 136 of the Act, the Report and Accounts are being sent to Members and others entitled thereto excluding the information on employees particulars which is available for inspection by the Members at the Registered Office of the Company during business hours on working days of the Company up to the date of the ensuing Annual General Meeting. There are no employees drawing salaries in excess of the limit prescribed under Section 197(12) of the Companies Act, 2013 read with Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

The Company affirms that remuneration is as per the Remuneration Policy of the Company.

FINANCIAL CONTROLS

Effective Internal Controls are necessary for building up an efficient organization. Our Company has adequate Internal Control systems in place to ensure accuracy, transparency and accountability in its operations. A dedicated concurrent audit team functioning within the Company confirms that the activities are in compliance with its policies and occurrences of deviations are reported to the Management. The concurrent audit report is reviewed by the internal auditors - M/s. Chaturvedi & Partners, a firm of practicing Chartered Accountants. Internal auditors review operations of the Company and ensure that the Company is functioning within the limits of all applicable statutes. Any Internal Control weaknesses, non-compliance with statutes and suggestions on improvements in existing practices forms part of internal audit report. Audit Committee reviews the internal audit report and ensures that observations pointed out in the report are addressed in a timely and structured manner by the Management. The Internal Audit Report is reviewed by Statutory Auditors while performing audit functions to confirm that there are no transactions conflicting with interests of the Company. The Internal Financial Controls with reference to the Financial Statements are commensurate with the size and nature of business of the Company. Further, it is believed that the controls are largely operating effectively since there has not been any identification of any major material weakness in the company. The directors have in the Directors Responsibility Statement under paragraph (e) confirmed the same to this effect.

STATUTORY AUDITORS AND THEIR REPORT

Pursuant to the provisions of Section 139 of the Companies Act, 2013 and the recommendation of the Board of Directors and the Audit Committee the members in the 39th Annual General Meeting held on 15th September, 2022 had appointed M/s A K Dubey & Co, Chartered Accountants (ICAI Firm Registration Number 329518E) as the Statutory Auditors of the Company for a term of five consecutive years, to hold office from the conclusion of the 39th Annual General Meeting until the conclusion of 44th Annual General Meeting of the Company to be held in the calendar year 2027, on such remuneration as may be decided by the Audit Committee of the Board.

SECRETARIAL AUDITOR AND THEIR REPORT

In terms of Section 204 of the Act and Rules made there under, Ms. Disha Dugar, Practicing Company Secretary, had been appointed Secretarial Auditor of the Company for the financial year 2024-25. The Secretarial Audit Report in Form MR-3, enclosed as **Annexure 2** has no observations (including any qualification, reservation, adverse remark or disclaimer) and hence does not call for any explanation from the Directors.

INTERNAL AUDITOR AND THEIR REPORT

The Company had appointed Internal Auditors, M/s. Chaturvedi & Partners, a firm of practicing Chartered Accountants to carry out the internal audit functions. The Internal auditor submits half yearly reports to the audit committee. The Internal Auditors' Reports have no observations (including any qualification, reservation, adverse remark or disclaimer) and hence does not call for any explanation from the Directors.

**INSTANCES OF FRAUD, IF ANY REPORTED BY THE AUDITORS**

There have been no instances of fraud reported by the Auditors under Section 143(12) of the Companies Act, 2013.

PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS

The provisions of Section 186 of the Act pertaining to granting of loans to any persons or bodies corporate and giving of guarantees or providing security in connection with loans to any other bodies corporate or persons are not applicable to the Company since the Company is a Non-Banking Financial Company. However, details of loans, guarantees or investments are given in notes to the Financial Statements.

RELATED PARTY TRANSACTIONS

In line with the requirements of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, your Company has in place a Policy on Related Party Transactions which is also available on Company's website at <http://www.jjfc.co.in>. The Policy intends to ensure that proper reporting; approval and disclosure processes are in place for all transactions between the Company and Related Parties. All Related Party Transactions are placed before the Audit Committee for review and approval. The Company obtains prior omnibus approvals, if required, for Related Party Transactions on a quarterly basis for transactions which are of repetitive nature and / or entered in the Ordinary Course of Business and are at Arm's Length basis. The provisions of Section 188(1) do not attract as all Related Party Transactions entered during the year were in Ordinary Course of the Business and on Arm's Length basis. No Material Related Party Transactions, i.e. transactions exceeding ten percent of the annual consolidated turnover as per the last audited financial statements, were entered during the year by your Company. Accordingly, the disclosure of Related Party Transactions as required under Section 134(3)(h) of the Companies Act, 2013 in Form AOC-2 is not applicable. Further, details of Related Party Transactions as required to be disclosed by Indian Accounting Standard – 24 (Ind-AS 24) are given in the notes to the Financial Statements.

HUMAN RESOURCES/INDUSTRIAL RELATIONS

At J. J. Finance Corporation Limited, Human Resources follow an integrated approach that combines employee recognition, training and mentoring. The Company maintains open communication channels with workforce and keeps them engaged with its objectives towards attainment of healthy employer-employee relationship. Industrial relations were cordial throughout the year under review.

RISK MANAGEMENT POLICY

In terms of the requirement of the Act, the Company has developed and implemented the Risk Management Policy and the Audit Committee of the Board reviews the same periodically. The Risk Management policy inter alia provides for review of the risk assessment and minimization procedure, laying down procedure to inform the Board in the matter and for periodical review of the procedure to ensure that management controls the risks through properly defined framework.

CORPORATE GOVERNANCE

Since the paid up share capital of your Company and its net-worth was below the prescribed limits under Regulation 15(2) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015; Corporate Governance is not applicable on the Company in the financial year 2024-2025.

CORPORATE SOCIAL RESPONSIBILITY

Since your Company does not fall under the threshold laid down in section 135 of the Companies Act, 2013, the provision of section 134(3)(o) of the Companies Act, 2013 is not applicable and hence no disclosure is required by the Board.

SECRETARIAL STANDARDS

The Directors confirm that the applicable Secretarial Standards, i.e. SS-1 and SS-2, relating to 'Meetings of the Board of Directors' and 'General Meetings', respectively, which have been approved by the Central Government have been duly followed by your Company.

**SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS**

There are no significant and material orders passed by the Regulators/Courts that would impact the going concern status of the Company and its future operations.

**ANNEXURE 1****MANAGEMENT DISCUSSION AND ANALYSIS****INDUSTRY STRUCTURE AND DEVELOPMENTS**

The Indian economy has witnessed profound positive transformation in the last ten years. The Indian economy has showed resilience and strong growth across sectors and continues to be among the fastest-growing economies in the world. The accelerated pace of economic reforms and strong domestic consumption have led to higher and sustainable growth of the Indian economy and strengthened its position in the world. The geopolitical tensions, supply chain disruptions, high inflation, and tighter monetary conditions were some of the challenges for the economic recovery.

NBFCs has always been an important component of the financial sector and has seen higher credit growth over the past few years. The NBFC sector in India is expected to grow due to several factors like government's commitment to financial inclusion, sector's digital transformation, regulatory changes that aim to ensure the sector's stability and prevent excessive risk-taking and also due to impressive growth projections. With strategic moves by industry leaders, the market is set to expand further. NBFCs are leveraging their superior understanding of regional dynamics and customized products and services to expedite financial inclusion in India. Lower transaction costs, quick decision making, customer orientation and prompt service standards have typically differentiated NBFCs from banks. Systemically Important NBFCs have demonstrated agility, innovation, and frugality to provide formal financial services to millions of Indians.

OPPORTUNITIES AND THREATS**Opportunities**

Reports from the World Bank indicate that Non Banking Financial Institutions act as critical pillars contributing to macroeconomic stability and sustained economic growth and prosperity, due to their ability to finance firms and individuals at a reasonable cost, reduce volatility by providing multiple sources to finance and park funds and enable creation of a competitive environment characterized by a diverse array of products. This has been proven time and again in developed markets. Non-Banking Finance Companies (NBFCs) continue to play a critical role in making financial Services accessible to a wider set of India's population and are emerging as strong intermediaries in the retail finance space. Going forward, one should expect NBFCs to further strengthen their presence in retail finance and grow at a reasonably healthy pace. Your Company is committed to addressing the changes boosted by its strengths in market position, agile execution capabilities, robust early warning systems and extensive use of analytics for risk mitigation and resource allocation. It will ensure to take advantage of the tailwinds that may emerge during the course of the year.

Threats

The biggest challenge before NBFCs is that they are facing stiff competition from banks and financial institutions, due to their ability to raise low cost funds which enables them to provide funds at much cheaper rate. More stringent capital adequacy norms have been stipulated by RBI for NBFCs which is making difficult for them to give cheaper finance. Ever-increasing competition from commercial counterparts whose capacity to absorb losses is higher, counter-party failures, recommendations being made to increase the purview of monitoring by regulatory authorities increase the threat of losing the essence of Non-banking Finance Companies which are specifically designed to reach out and finance certain target groups.

SEGMENT WISE / PRODUCT WISE PERFORMANCE

The Company is engaged in investment activities and other financial services during the year under review, hence the requirement of segment-wise reporting is considered irrelevant.

**OUTLOOK**

The Company being an investment Company seeks opportunities in the capital market. While interest rate were steady in 2024-25. The volatility in stock indices represents both an opportunity and challenge for the Company. We continue to see significant volatility in the market and will use periods of weakness as investment opportunities for long term.

The Company has a strong Risk Management System for identification, monitoring, mitigation and reporting of the risks associated with its operations. The Company has an established practice of compliance reporting covering all operations and support functions; compliance reporting is periodically reviewed to ensure comprehensive coverage.

RISKS AND AREAS OF CONCERN

The NBFC industry in general faces the risk of re-entry and new entry of players and existence of several unorganized regional players increasing the competition which mainly affects the asset quality. This is further characterized by captive NBFCs floated by other business houses. The ever existing systemic and delinquency risks and fluctuations in interest rates make the companies more vulnerable. Deployment of funds in sensitive and volatile sectors increases the risk exposure while concentration risk increases dependency.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Internal Control measures and systems are established to ensure the correctness of the transactions and safeguarding of the assets of the Company. The Management ensures adherence to all internal control policies and procedures as well as compliance with regulatory guidelines. The audit committee of the Board of Directors reviews the adequacy of internal controls. This has improved the management of the affairs of the Company and strengthened transparency and accountability.

DISCUSSION ON FINANCIAL PERFORMANCE

During the year, the net revenue from operations of your Company increased from ₹ 76.18 Lakh to ₹ 78.39Lakh. For FY 2024-25, your Company's profit after tax stood at ₹ 26.18 Lakh vis-à-vis ₹ 36.57 Lakh in the previous year.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES, INCLUDING NUMBER OF PEOPLE EMPLOYED

The Company always considers its human resources as a valuable asset and is committed towards their development for continuous growth. Focus on training to enhance the skill-sets of employees in line with the business and market requirements continued throughout the year and it confers recognition based on merit. The employee relations have continued to be harmonious throughout the year. The Company has two (2) permanent employees as on 31st March, 2025.

DETAILS OF SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS

Ratios are used to make a holistic assessment of financial performance of the entity, and also help evaluating the entity's performance vis-à-vis its peers within the industry. The NBFC sector is growing rapidly with borrowings comprising the largest source of funding. The key financial ratios of the company for F.Y. 2024-25 have shown an downward trend due to decrease in the revenue of the company while the liability has increased during the year in concern. The Company is not a manufacturing unit and does not have any Non-Performing Assets (NPA), hence ratios related to those are not applicable. The significant changes in the other applicable key financial ratios are as follows:

Name of Ratios	FY 2024-25	FY 2023-24	Change (%)	Reasons for Change
Debtors Turnover	N.A.	N.A.	N.A.	
Current Ratio	100.24	110.31	-9.13	Increase in current liabilities
Debt Equity Ratio	0.006	0.005	20	Increase in liabilities
Net Profit Margin (%)	33.40	48.01	30.43	Decrease in profit

**CHANGE IN RETURN ON NET WORTH AS COMPARED TO PREVIOUS YEAR**

Return on Net Worth (RONW) is a measure of profitability of a company expressed in percentage. Return on Net Worth for the financial year 2024-2025 is 2.61% while the Return on Net Worth for the financial year 2023-2024 was 3.81%. The Decrease in Return on Net Worth is mainly due to the Decrease in Total income of the company. The company is making continuous effort to make optimum utilization of the shareholders' fund and perform better in the time to come.

CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis Report describing the Company's objectives, projections, estimates, expectations or predictions may be "forward looking statements" within the meaning of the applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could influence the Company's operations include economic and political conditions in which the Company operates, interest rate fluctuations, changes in Government / RBI regulations, Tax laws, other statutes and incidental factors.

INDEPENDENT AUDITORS' REPORT

To the Members of J. J. Finance Corporation Limited

REPORT ON THE AUDIT OF STANDALONE INDAS FINANCIAL STATEMENTS

OPINION

We have audited the accompanying standalone Ind AS financial statements of **JJ Finance Corporation Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2025 and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year ended on that date, and Notes to the standalone IndAS financial statements, (including summary of the significant accounting policies and other explanatory information (herein after referred to as "the Standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India and the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read together with Companies (Indian Accounting Standards) Rules, 2015, of the state of affairs of the Company as at 31st March, 2025, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

INFORMATION OTHER THAN THE STANDALONE IND AS FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual report comprising Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, among others; but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE IND AS FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF THE IND AS FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing (SAs) will always detect material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the Ind AS standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

OTHERS MATTERS

Our opinion on the standalone Ind AS financial statements and our report on Other Legal and Regulatory Requirements below, is not modified in respect of these matters.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

- As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable that:
 - We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act & Rules made thereunder.
 - On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - With respect to the adequacy of the internal financial controls over financial reporting of the Company, and the operating effectiveness of such controls, refer to our separate Report in **"Annexure A"**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 (16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

J. J. FINANCE CORPORATION LIMITED

42ND ANNUAL REPORT 2024-25

- h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- The Company did not have any pending litigation which impact its financial position in its financial statements.
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - There is no amount which were required to be transferred, to the Investors Education and Protection Fund by the Company during the year.
 - The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company
 - or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
 - The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
 - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party, or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
 - Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (iv) (a) and (iv) (b) contain any material mis-statement.
 - No dividend has been declared or paid during the year by the Company; hence, the question of compliance with the provisions of Section 123 of the Companies Act, 2103, does not arise.
 - Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility, and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2025.

2. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure B**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ Section of our report of even date to the Members of J J Finance Corporation Limited)

REPORT ON THE INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (“THE ACT”)

We have audited the internal financial controls over financial reporting of **J J Finance Corporation Limited** (“the Company”) as of 31st March, 2025 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management represented by the Board of directors, is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over the Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS’ RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements, due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting, and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on 'Audit of Internal Financial Controls Over Financial Reporting' issued by the Institute of Chartered Accountants of India.

- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The Company is not covered by the provisions of section 135 of the Companies Act, 2003; hence, clause 3(xx) of the Order, is not applicable.

NOTES TO THE FINANCIAL STATEMENT for the year ended 31st March, 2025

1. CORPORATE INFORMATION

J J Finance Corporation Limited ("the Company") is a public limited company domiciled and incorporated in India and its shares are listed with the Bombay Stock Exchange ("BSE") and with the Calcutta Stock Exchange ("CSE"), India. The registered office of the company is situated at Unit No. 14, 8th Floor, Premises No. IID/14, Action Area-IID, New Town, Rajarhat, Kolkata - 700 0156.

The financial statements were authorised for issue in accordance with a resolution passed by the Board of Directors on 30th May 2025.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation

The financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 ('the Act') in conformity with generally accepted accounting principles in India and other relevant provisions of the Act.

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities which have been measured at fair value (refer accounting policy regarding financial instruments).

The financial statements are presented in Indian Rupees ("INR" or "₹").

2.2 Estimates and Judgements

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions effect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in Note 2.14. Accounting estimates could change from period to period. Actual results may differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

2.3 Property, Plant and Equipment

Freehold land is carried at cost. All other items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The cost of an item of property, plant and equipment comprises of its purchase price, any costs directly attributable to its acquisition and an initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which the company incurs when the item is acquired. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation on property, plant and equipment is calculated using the straight-line method. The useful lives estimated for the major classes of property, plant and equipment are as follows:

NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025 (Contd.)

Class of property, plant and equipment	Useful life (in years) As per Companies Act, 2013	Useful life (in years) as followed by the Company
Plant & Machineries	15, 22 Years	15, 22 Years
Office Equipment	5 Years	5 Years
Electrical Installations	10 years	10 years
Data Processing Machines	3 Years	3 Years
Vehicles	8 Years	8 Years
Furniture & Fixtures	10 Years	10 Years

The useful lives have been determined based on technical evaluation done by the management's experts, which in some cases may differ from the lives as specified by Schedule II to the Companies Act, 2013. The residual values are not more than 5% of the original cost of acquisition of the asset including the assets as on the date of transition. The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in the statement of profit and loss when the asset is derecognised.

2.4 Cash and Cash Equivalent

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits maturing within twelve months from the date of Balance Sheet, which are subject to an insignificant risk of changes in value.

2.5 Financial Instruments

A. Financial Instruments -Initial recognition and measurement

Financial assets and financial liabilities are recognised in the company's statement of financial position when the company becomes a party to the contractual provisions of the instrument. The company determines the classification of its financial assets and liabilities at initial recognition. All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

B.1. Financial assets –Subsequent measurement

The Subsequent measurement of financial assets depends on their classification which is as follows:

a. Financial assets at fair value through profit or loss

Financial assets at fair value through profit and loss include financial assets held for sale in the near term and those designated upon initial recognition at fair value through profit or loss.

b. Financial assets measured at amortised cost

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowance for estimated irrecoverable amounts based on the ageing of the receivables balance and historical experience. Additionally, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. Individual trade receivables are written off when management deems them not to be collectible.

NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025 (Contd.)

c. **Financial assets at fair value through OCI**

All equity investments, except investments in subsidiaries, joint ventures and associates, falling within the scope of Ind AS 109, are measured at fair value through Other Comprehensive Income (OCI). The company makes an irrevocable election on an instrument-by-instrument basis to present in other comprehensive income subsequent changes in the fair value. The classification is made on initial recognition and is irrevocable.

If the company decides to designate an equity instrument at fair value through OCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI.

B.2. Financial assets –Derecognition

The company derecognises a financial asset when the contractual rights to the cash flows from the assets expire or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset.

Upon derecognition of equity instruments designated at fair value through OCI, the associated fair value changes of that equity instrument is transferred from OCI to Retained Earnings.

C.1. Financial liabilities – Subsequent measurement

The Subsequent measurement of financial liabilities depends on their classification which is as follows:

a. **Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading, if any.

b. **Financial liabilities measured at amortised cost**

Interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method (EIR). Amortised cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are integral part of the EIR. The EIR amortised is included in finance costs in the statement of profit and loss.

C.2. Financial liabilities – Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or expires.

D. Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount reported in the statement of financial position, if and only if, there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

E. Fair value measurement

The company measures certain financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the assets or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible to the company.

The company uses valuation technique that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025 (Contd.)

2.6 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is received. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes, duties or other charges collected on behalf of the government/authorities.

The specific recognition criteria for the various types of the company's activities are described below:

Interest income

Interest on Loan is recognised using the effective interest rate method. The effective interest rate is that rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. While calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Dividends

Revenue is recognised when the Company's right to receive the payment is established.

Other Income

Other Income is accounted for on accrual basis except, where the receipt of income is uncertain.

2.7 Employee benefits

Short Term employee benefits

Liabilities for wages, salaries and other employee benefits that are expected to be settled within twelve months of rendering the service by the employees are classified as short-term employee benefits. Such short-term employee benefits are measured at the amounts expected to be paid when the liabilities are settled.

Post-employment benefits

(a) Defined benefit plans

The liabilities recognised in the balance sheet in respect of defined benefit plan is the value of the defined benefit obligation related to gratuity at the end of the year.

The liabilities in respect of defined benefit plan related to gratuity is calculated on accrual basis at the end of every year and net changes in the liability is included in employee benefit expense in the statement of profit and loss.

Payment related to defined benefit plan related to gratuity is included in employee benefit expenses in the statement of profit & loss.

2.8 Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a Lessee

The Company recognises right-to-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-to-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-to-use assets is subsequently measured at cost less any accumulated amortisation, accumulated impairment losses, if any

**NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025 (Contd.)**

and adjusted for any remeasurement of the lease liability. The right-to-use assets is amortised from the commencement date of lease over the period of lease term or useful life of right-to-use asset.

Right-to-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company has elected not to apply the requirements of Ind AS 116 "Leases" to short term leases of all assets that have a lease term of 12 months or less and leases for which the underlying assets is of low value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

The Company recorded the lease liability at the present value of total remaining lease payments discounted at the incremental borrowing rate as on the date of commencement of lease. The lease liability is amortised during the period of lease. Payment against lease is divided into repayment of lease liabilities and interest cost on lease liabilities.

Company as a Lessor

At the inception of the lease the Company classifies each of its leases as either an operating lease or a finance lease. The Company recognises lease payments received under operating leases as income on a straight-line basis over the lease term. In case of a finance lease, finance income is recognised over the lease term based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease.

2.9 Taxes**Current Tax**

The current tax expense for the period is determined as the amount of tax payable in respect of taxable income for the period, based on the applicable income tax rates.

Current tax relating to items recognised in other comprehensive income or equity is recognised in other comprehensive income or equity, respectively.

Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences and, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, the carry forward of unused tax credits and unused tax losses can be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted at the reporting date.

Deferred tax relating to items recognised in other comprehensive income or equity is recognised in other comprehensive income or equity, respectively.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

2.10 Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the company has present determined obligations as a result of past events an outflow of resources embodying economic benefits will be required to settle the obligations. Provisions are recognised at the best estimate of the expenditure required to settle the present obligation at the balance sheet date.

NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025 (Contd.)

If the effect of the time value of money is material, provisions are discounted using a current pre tax rate that reflects, where appropriate, the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A Contingent liability is not recognised but disclosed in the notes to the accounts, unless the probability of an outflow of resources is remote.

A contingent asset is generally neither recognised nor disclosed.

2.11 Earnings per share

The Basic earnings per share (EPS) is calculated by dividing the net profit or loss for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating Diluted earnings per share, the net profit or loss for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

2.12 Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the company, on or before the end of the reporting period but not distributed at the end of the reporting period.

2.13 Impairment of assets

The company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an assets or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations are recognised in the statement of profit and loss.

2.14 Critical accounting estimates:

Property, plant and equipment

Property, plant and equipment represent a considerable proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

Recoverability of Trade Receivable/Advances and provision for the same

Judgements are required in assessing the recoverability of overdue trade receivables and advances and determining whether a provision against those receivables and advances is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

Management estimations and assumptions

- a) The management assessed that cash and cash equivalents and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- b) The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:
 - (i) The fair values of the quoted shares are based on price quotations at the reporting date.
 - (ii) The fair values of the unquoted equity shares have been determined based on last audited financial statements and have used Net Asset Value approach for determining the fair values.

NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025 (Contd.)

12.2 Fair value hierarchy

The following table presents the fair value hierarchy of assets and liabilities measured at fair value on a recurring basis :

(₹ in Hundred)

Level 3 : Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The company's policy is to recognize transfers into and the transfers out of fair value hierarchy levels as at the end of the reporting period. There are no transfers between level 1 and level 2 during the end of the reported periods.

12.3 Financial Risk Management

The Company's activities expose it to various financial risks: market risk, credit risk and liquidity risk. The company tries to foresee the unpredictable nature of financial markets and seek to minimise potential adverse impact on its financial performance. The senior management of the company oversees the management of these risks. The management has additional oversight in the area of financial risks and controls. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken.
