NOTES: -

1. The explanatory statement pursuant to Section 102 of the Companies Act, 2013 (**"the Act"**) read with Secretarial Standard-2 on General Meetings (**"SS-2"**) issued by the Institute of Company Secretaries of India (**"ICSI"**) and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (**"SEBI Listing Regulations"**) is annexed hereto and forms part of this Notice.
2. Pursuant to General Circular No. 09/2024 dated September 19, 2024 issued by the Ministry of Corporate Affairs (**"MCA"**), and Circular No. SEBI/ HO/CFD/CFD-PoD-2/P/CIR/2024/133 dated October 3, 2024 issued by SEBI read with other relevant circulars, notifications, guidelines issued by MCA and SEBI (including any amendment(s), statutory modification(s) or re-enactment(s) thereof for the time being in force) (collectively referred to as **"Circulars"**), companies are allowed to convene their AGM through VC or OAVM, without the physical presence of members at a common venue. Accordingly, in compliance with the aforesaid Circulars, AGM of the Company is being held through VC/ OAVM. The members are requested to attend and participate in the AGM through VC/ OAVM.
3. The Circulars have dispensed with the requirement of sending the physical copies of the AGM Notice and Annual Report to the shareholders. Accordingly, this Notice, along with the Annual Report for the financial year ended March 31, 2025 (**"Annual Report for F.Y. 2024- 25"**), is being sent only through electronic mode to those shareholders whose e-mail addresses are registered with the Company/ registrar and share transfer agent (**"RTA"**)/ depositories/ depository participants (**"DP"**) as on August 29, 2025.
4. In accordance with the SS-2 issued by the ICSI, the proceedings of the AGM shall be deemed to be conducted at the registered office of the Company which shall be the deemed venue of the AGM.
5. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of Companies (Management and Administration) Rules, 2014 (as amended), SS-2 issued by the ICSI, Regulation 44 of the SEBI Listing Regulations (including any amendment(s), statutory modification(s) or re-enactment(s) thereof for the time being in force) read with Circulars, the Company is providing facility of voting through electronic means to its shareholders in respect of the business(es) to be transacted at the AGM. Accordingly, the shareholders may either vote through remote e-voting facility provided by the Company (**"Remote e-voting"**) or through e-voting facility at the AGM (**"Voting at the AGM"**), collectively referred to as (**"e-Voting"**).
6. The board of directors of the Company (**"Board"**) has appointed Mr. Amit Saxena, (Membership No.: ACS 29918, CP No.: 11519) of M/s Amit Saxena and Associates, Company Secretaries, as the scrutinizer (**"Scrutinizer"**) to scrutinize the voting process in a fair and transparent manner. The Board has appointed Central Depositories Services (India) Limited (CDSL) as the e-voting agency for facilitating e-Voting.
7. Members who have cast their vote(s) by remote e-voting may also attend and participate in the AGM through VC/ OAVM means but shall not be entitled to cast their vote(s) again.
8. Members who will be attending/ participating in the AGM through VC/ OAVM facility and have not cast their vote(s) on the resolutions through Remote e-voting and are otherwise not barred in doing so, shall be eligible for Voting at the AGM.

9. Members may note that the Notice and Annual Report for the F.Y. 2024-25 is also available on the Company's website <https://m.lakhamshi.com/>, website of the stock exchanges i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com. Any member desirous of obtaining the physical copy of the said Notice and Annual Report for F.Y. 2024-25, may write a request to the Company at equity@m.lakhamshi.com or to RTA at rnt.helpdesk@in.mpms.mufg.com or may send a duly signed request in original at the registered office of the Company mentioning DP ID and Client ID/ Folio no.
10. The AGM of the Company is being conducted through VC/ OAVM facility, which does not require physical presence of the members at a common venue, therefore, the facility for appointment of proxy by the members to attend and cast vote(s) is not available for AGM. Hence the proxy form, and attendance slip including route map are not annexed to this Notice. The Body Corporates are entitled to appoint authorized representatives to attend the AGM through VC/OAVM and participate there at and cast their vote(s) through e-Voting.
11. Members of the Company, whose names appear in the register of members / list of beneficial owners as on **Saturday, September 20, 2025 ("Cut-off date")** are entitled for e-Voting on resolutions set forth in this Notice. Any holder of shares in physical form, or any individual or non-individual member, who acquires shares and becomes a member of the Company after dispatch of this Notice and holds shares as on the Cut-off date, may cast vote by following the process provided in this Notice for Remote e-voting and Voting at the AGM.
12. Members can join the AGM through VC/ OAVM mode 15 minutes before and after the scheduled time of the commencement of the AGM by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/ OAVM will be made available for 1000 members on a first come first served basis. Large shareholders (shareholders holding 2% or more shareholding), Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders' Relationship Committee, Auditors etc. are allowed to attend the AGM without restriction on account of first come first served basis.
13. Members attending the AGM through VC/ OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
14. Voting rights of members shall be in proportion to the paid-up equity share capital of the Company held by them, as on the **Cut-off date i.e. Saturday, September 20, 2025**. In the case of joint holders, the member whose name appears as the first holder in the order of the names as per the register of members of the Company/ records of the depository as on cut-off date will be entitled to vote at the meeting.
15. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of Contracts or Arrangements maintained under Section 189 of the Act and also any other document as mentioned in the notice shall be made available for inspection electronically by the members during the AGM. Members seeking to inspect such documents can send an email to equity@m.lakhamshi.com.
16. Brief profile of the director to be re-appointed including information required pursuant to

Regulation 36 of the SEBI Listing Regulations read with the applicable provisions of SS-2 issued by the ICSI, is annexed as **Annexure-A**.

17. Nomination facility as per the provisions of section 72 of the Act is available to members holding shares in the Company. Members holding shares in physical form and who have not yet registered their nomination are requested to register the same by submitting Form No. SH13. If a member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/ she may submit the same in Form No. ISR-3 or SH-14 as the case may be. Members holding shares in demat form may approach their respective DP to complete the nomination formalities.
18. Members are requested to intimate changes, if any, about their name, postal address, e-mail address, telephone/ mobile numbers, PAN, power of attorney registration, bank mandate details, etc. to their respective DPs in case the shares are held in demat form and to the RTA in case the shares are held in physical form, in prescribed Form No. ISR-1, quoting their folio number and enclosing the self-attested supporting document(s). Further, members may note that SEBI has mandated the submission of PAN by every participant in the securities market.
19. The Register of Members and Share Transfer Books of the Company will remain closed from, **Sunday, 21st September, 2025 to Saturday, 27th September, 2025 (both day inclusive).**
20. **Remote e-voting**

The Remote e-voting period shall commence on **Wednesday, September 24, 2025 at 9.00 A.M. (IST) and ends on Friday, September 26, 2025 at 5.00 P.M. (IST)**. The said Remote e-voting module shall be disabled by CDSL for voting immediately thereafter. During this period, members of the Company holding shares either in physical form or in demat form, as on the Cut-off date i.e. **Friday, September 20, 2025**, may cast their vote by Remote e-voting. A person who is not a member on the Cut-off date should treat this Notice for information purposes only.

THE INTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- (i) **The voting period begins on Wednesday, September 24, 2025 at 9:00 A.M. and ends on Friday, September 26, 2025 at 5:00 P.M.** During this period, shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the **cut-off date i.e. Saturday, September 20, 2025 may cast their vote electronically**. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs

and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e- voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Revenue from operations increased during current financial year 2024-2025. The revenue generated from operations amounted to INR 10815.88 Lakhs in F.Y. 2024-25 as compared to F.Y. 2023-2024 in which revenue generated amounted to INR 10477.71 Lakhs.

Opportunities and Threats**Opportunities:**

- Rising global demand for plant-based and sustainable food products

- Expansion into new geographies and customer segments
- Increasing preference for organic, non-GMO, and traceable agricultural products
- Value addition through modern processing, packaging, and branding

Threats:

- Fluctuating commodity prices and exchange rates
- Climate change impacting agricultural output
- Stringent international food safety and phytosanitary regulations
- Geopolitical tensions and trade restriction

Internal Control Systems and Their Adequacy:

The Company strongly believes that a robust internal control mechanism is a prerequisite to ensure that an organization functions ethically, complies with all legal and regulatory requirements and observes the generally accepted principles of good corporate governance. To enable this, the Company has established a strong internal control system for the Company, which is comprised of policies, guidelines and procedures to ensure the orderly and efficient financial and business conduct.

The Company has adopted strong internal control systems backed by constant reviews and up-gradation. Internal Audit, Statutory Audit by external agencies and the Audit Committee, look into the internal control aspects and further advice on the corrective measures as and when required.

Human Resource/Industrial Relations:

The Company values and appreciates the dedication and drive with which its employees have contributed towards improved performance during the year under review. The relations with workers and staff are cordial during the year under review. All issues pertaining to staff matters are resolved in harmonious and cordial manner.

Disclosure of accounting treatment:

Financial Statements are prepared as per Ind AS duly following the principles laid in the Ind AS. Management has not adopted any other standards other than the prescribed Accounting Standards in preparing the financial statements.

Outlook:

Global demand for Indian agricultural exports is expected to remain positive, driven by evolving food consumption patterns, health consciousness, and supply chain diversification strategies of international buyers.

Your Company is committed to expanding its market presence, introducing value-added product lines, and adopting sustainable practices across operations. Investments in technology, process automation, and digital traceability are also on the roadmap.

The Management remains confident about the long-term prospects of the business and will continue to focus on innovation, efficiency, and customer satisfaction.

Cautionary Statement:

The statements in this section describe the Company's objectives, projections, estimates, expectations and predictions, which may be "forward looking statements" within the meaning of the applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make difference to the Company's operations include economic conditions affecting demand/supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government regulations, tax laws and other incidental factors.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of **M Lakhamsi Industries Limited**

Report on the Audit of the Standalone Financial

Results

Opinion

We have audited the accompanying standalone financial results of **M Lakhamsi Industries Limited ("the Company")** for the quarter ended 31 March 2025 and for the year ended 31 March 2025 ("the Statement" or "standalone financial results"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us the aforesaid standalone financial results:

- are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards, and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information for the quarter ended 31 March 2025 and for the year ended 31 March 2025

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Company, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Managements and Board of Director's Responsibilities for the Standalone Financial Results

These standalone financial results have been prepared on the basis of the standalone financial statements.

The Company's Management's and the Board of Director's are responsible for the preparation and presentation of these standalone financial results that give a true and fair view of the net profit/loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial results made by the management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the standalone financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Annexure B to the Independent Auditors' report on the standalone financial statements

Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to standalone financial statements of **M Lakhamshi Industries Limited** ("the Company") as of 31 March 2025 in conjunction with our audit of the standalone financial statements of the Company as at and for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at 31 March 2025, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone

financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with Reference to Standalone Financial Statements

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

M LAKHAMSI INDUSTRIES LIMITED

Notes to Standalone Financial Statements for the year ended 31-03-2025

NOTE 1:

Significant accounting policies and other explanatory information

1. Company information

M Lakhamsi Industries Limited is Manufacturer, Exporter, Trader of Oil Seeds, Pulses and Oil having unit at Rajkot and Mumbai - India. The registered office of the Company is situated at Mumbai. The Company is listed on the Bombay Stock Exchange (BSE).

2. Basis of preparation

(i) Compliance with Ind AS

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with Companies (Indian Accounting Standards) Rules, 2015, as amended, and other relevant provisions of the Act and guidelines issued by the Securities and Exchange Board of India (SEBI).

(ii) Historical cost convention

The standalone financial statements have been prepared on a historical cost convention and accrual basis, except for the following assets and liabilities:

- 1) Certain financial assets and liabilities that are measured at fair value;
- 2) Assets held for sale — measured at lower of carrying amount or fair value less cost to sell; and
- 3) Defined benefit plans - plan assets measured at fair value.

(iii) Current and non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle of twelve months and other criteria set out in Schedule III to the Act.

(iv) Rounding of amounts

All amounts disclosed in the standalone financial statements and notes have been rounded off to two decimals of the nearest lakh as per the requirement of Schedule III, unless otherwise stated.

3. Use of estimates and judgements

The estimates and judgements used in the preparation of the standalone financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the year in which the results are known/materialized.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

4. Investment in subsidiaries

Investments in subsidiaries are accounted at cost less impairment in accordance

with Ind AS 27, 'Separate Financial Statements', except where investments initially accounted at cost are subsequently accounted and presented in accordance with Ind AS 105, 'Non-current Assets Held for Sale and Discontinued Operations', when they are classified as held for sale.

5. Foreign Currency Transactions and Translations

(i) Functional and presentation currency

The standalone financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

(ii) Transactions and balances

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the standalone statement of profit and loss. Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the standalone statement of profit and loss. Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not translated thereafter.

6. Revenue Recognition

Revenue is recognised on satisfaction of performance obligation upon transfer of control of promised products or services to customers, at an amount that reflects the consideration expected to be received by the Company in exchange for those products or services. Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and returns, etc., if any.

The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- i. The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs; or
- (ii) The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- (iii) The Company's performance does not create an asset with an alternative use to the Company and the Company has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue is measured at the amount of consideration which the Company expects to be entitled to in exchange for transferring distinct goods to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government). Consideration is generally due upon satisfaction of performance obligations and a receivable is recognised when it becomes unconditional. Generally, the credit period upto 45-60 days from the shipment or delivery of goods as the case may be. Consideration are determined based on its most likely amount.

The Company recognises provision for sales return, based on the historical results. The Company accounts for sales returns accrual by recording an allowance for sales returns concurrent with the recognition of revenue at the time of sale of product. The estimate of sales returns is determined primarily by the Company's historical experience in the markets in which the Company operates.

Export benefits are recognised in the year of export when right to receive the

benefit is established and conditions attached to the benefits are satisfied.

Trade Receivable:

Trade receivables are amounts due from customers for goods sold in the ordinary course of business and reflects company's unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.

7. Other Income

Interest income for all debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Dividend is recognised in standalone statement of profit and loss only when the right to receive payment is established.

8. Income tax

The income tax expense for the year is the tax payable on the current year's taxable income based on the applicable income tax rate adjusted for changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax expense is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Company and its subsidiaries, associates and joint ventures operate and generate taxable income. The Company periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is accounted in full, using the Balance Sheet approach, on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the standalone financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

There are many transactions and calculations for which the ultimate tax determination is uncertain. The Company recognises liabilities for anticipated tax issues based on estimates of whether additional taxes will be due. The uncertain tax positions are measured at the amount expected to be paid to taxation authorities when the Company determines that the probable outflow of economic resources will occur. Where the final tax outcome of these matters is different from the amounts that were initially recorded, such differences will impact the current and deferred income tax assets and liabilities in the period in which such determination is made.

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are excepted to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Tax assets and tax liabilities are off set where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in the standalone statement of profit and loss, except to the extent it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

Minimum Alternate Tax (MAT) credit is recognized as deferred tax asset only when and to the extent it is reasonably certain that the Company will pay normal income tax during the specified period. Such asset is reviewed at each balance sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

The Company elected to exercise the option permitted under section 115BAA of the Income Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019.

9. Impairment of non-financial assets

The carrying amount of the non-financial assets are reviewed at each balance sheet date if there is any indication of impairment based on internal /external factors. An impairment loss is recognized whenever the carrying amount of an asset or a cash generating unit exceeds its recoverable amount. The recoverable amount of the assets (or where applicable, that of the cash generating unit to which the asset belongs) is estimated as the higher of its fair value less costs of disposal and its value in use. Impairment loss is recognized in the standalone statement of profit and loss.

After impairment, depreciation / amortization is provided on the revised carrying amount of the asset over its remaining useful life.

A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation / amortization if there was no impairment.

10. Cash and cash equivalents

For the purpose of presentation in the standalone statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

11. Inventories

- Raw Materials and components, Work-in-progress, Finished goods and Stock-in-trade are valued at lower of cost and net realisable value.
- Goods in transit are valued at cost to date.
- 'Cost' includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition. In the case of finished goods and work-in-progress, cost includes an appropriate share of overheads based on normal operating output. Cost formulae used is 'First In First Out'.
- Inter-unit transfers are valued either at works or factory costs of the transferor unit.
- Stores and spares are inventories that do not qualify to be recognized as property, plant and equipment and consists of packing materials, engineering spares (such as machinery spare parts) which are used in operating machines or consumed as indirect materials in the manufacturing process. Stores and spares, excluding certain gases are charged to standalone statement of profit and loss during the year in which they are purchased.

The factors that the Company considers in determining the provision for slow moving, obsolete and other non-saleable inventory include estimated shelf life, planned product discontinuances, price changes and ageing of inventory, to the extent each of these factors impact the Company's business and markets. The Company considers all these factors and adjusts the inventory provision to reflect its actual experience on a periodic basis.

12. Investments and financial assets Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through statement of profit or loss), and
- those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in standalone statement of profit and loss or Other comprehensive income / (loss). For investments in equity instruments, it will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the profit and loss are expensed in the standalone statement of profit and loss.

Measurement of debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into following categories:

- (1) **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interests are measured at amortised cost. Interest income from these financial assets is included in other income using the effective interest rate method.
- (2) **Fair value through profit and loss:** Assets that do not meet the criteria for amortised cost are measured at fair value through statement of Profit and Loss.

Interest income from these financial assets is included in other income.

Measurement of equity instruments

The Company measures its equity investment other than in subsidiaries at fair value through profit and loss. However, where the Company's management makes an irrevocable choice on initial recognition to present fair value gains and losses on specific equity investments in other comprehensive income, there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the Statement of Profit and Loss.

Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

De-recognition of financial assets

A financial asset is derecognised only when.

- The Company has transferred the rights to receive cash flows from the financial asset, or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.
- Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.
- Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

13. Property, plant and equipment (including capital work-in-progress)

Property, plant and equipment are stated at cost net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, the cost of replacing a part of plant and equipment and borrowing costs if capitalization criteria are met and any attributable cost of bringing the asset to its working condition and location for the intended use. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Spare parts are capitalized when they meet the definition of property, plant and equipment i.e., when the Company intends to use them for more than a period of 12 months.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the standalone statement of profit and loss during the year in which they are incurred.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from de-

recognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and is recognized in the standalone statement of profit and loss when the asset is derecognized.

On transition to Ind AS, the Company had elected to continue with carrying value of all its property, plant and equipment recognized as at 1 April 2016, measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Freehold land is carried at historical cost. Capital Work-in- progress includes expenditure incurred till the assets are put into intended use. Capital Work in-Progress are measured at cost less accumulated impairment losses, if any.

Depreciation:

- (i) Depreciation is provided on the straight line method as per the useful life prescribed in Schedule II to the Act, with residual value of 5%, except in respect of the following categories of the assets, in whose case the useful life of the assets have been assessed based on the technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturer's warranties and maintenance support, etc.

Significant components of each of the individual assets are depreciated separately over their respective useful lives; the remaining components are depreciated over the life of the principal asset.

- (ii) Depreciation on additions to assets or on sale/disposal of assets is calculated pro-rata from the date of such addition or upto the date of such sale/disposal as the case may be. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

14. Borrowings and other financial liabilities

Borrowings and other financial liabilities are initially recognized at fair value (net of transaction costs incurred). Difference between the fair value and the transaction proceeds on initial recognition is recognized as an asset / liability based on the underlying reason for the difference.

Subsequently, all financial liabilities are measured at amortized cost using the effective interest rate method.

Borrowings are derecognized from the standalone balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in standalone statement of profit and loss. The gain / loss is recognized in other equity in case of transaction with shareholders.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

15. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs

consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

16. Provisions, contingent liabilities and contingent assets

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are measured at the present value of management's best estimate of the amount required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects the current market assessments of time value of money and the risks specific to the liability. The increase in the provision due to passage of time is recognized as interest expense. The provisions are reviewed at each balance sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent assets are not recognized in the standalone financial statements. However, it is recognized only when an inflow of economic benefits is probable.

17. Employee Benefits

A) **Short term employee benefits:** All employee benefits which are due within twelve months of rendering the services are classified as short-term employee benefits. Benefits such as salaries, wages, short term compensated absences, etc. and the expected cost of bonus, ex-gratia are recognized in the year in which the employee renders the related service.

18. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss [excluding other comprehensive income / (loss)] for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events such as bonus issue, bonus element in a rights issue, share split and reverse share splits (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss (excluding other comprehensive income / (loss)) for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

	Year ended 31 March 2025	Year ended 31 March 2024
Net Profit after tax attributable to equity share holders (in Lakhs)	73,65,464.33	71,08,702.63
Weighted average number of equity shares outstanding during the year (in numbers)	59,65,687	59,65,687
Basic and diluted earnings per share (`)	1.24	1.20
Face value per share (`)	10	10

19. Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

20. Contributed equity

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

21. Exceptional items

When items of income and expense within standalone statement of profit and loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the year, the nature and amount of such material items are disclosed separately as exceptional items.

Critical estimates and judgements

The preparation of standalone financial statements in conformity with Ind AS requires estimates and assumptions to be made by the management of the Company that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period.

The Management believes that these estimates are prudent and reasonable and are based upon the Management's best knowledge of current events and actions. Actual results could differ from these estimates and differences between actual results and estimates are recognized in the year in which the results are known or materialized.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

(i) Estimated useful life of property, plant and equipment, intangible assets, and investment property:

The Company reviews the useful lives of property, plant and equipment, Investment properties and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortization expense in future periods.

(ii) Impairment of carrying value of property, plant and equipment, capital work-in-progress, intangible assets and investment property:

The recoverable amount of property plant and equipment, capital work-in-progress is based on estimates and assumptions regarding the expected Depreciated Replacement Cost (DRC) method under Cost Approach. Any changes in these assumptions may have a material impact on the measurement of the recoverable amount and could result in impairment. Fair value less cost to sell for assets classified as held for sale:

The fair valuation of the investment property is determined using 'Sales Comparison Method' under Market Approach using composite rate of

commercial offices by comparing the investment property with similar properties that have recently been sold near the location of investment property. Comparable properties are selected for similarity to the subject property by considering attributes like age, size, shape, quality of construction, building features, condition, design, etc.

(iii) Estimation of current tax expenses and recognition of deferred tax assets:

The Company calculates income tax expense based on reported income and estimated exemptions / deduction likely available to the Company. Recognition of deferred tax assets depends upon the availability of future profits against which tax losses carried forward can be used.

(iv) Probable outcome of matters included under contingencies:

Management has estimated the possible outflow of resources at the end of each annual reporting financial year, if any, in respect of contingencies/ litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

(v) Provision for doubtful debts:

Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowances for estimated irrecoverable amounts. Under Ind AS, impairment allowance has been determined based on Expected Credit Loss (ECL) model. Estimated irrecoverable amounts are based on the ageing of the receivable balance and historical experience. Individual trade receivables are written off if the same are not collectible.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
M LAKHAMSI INDUSTRIES LIMITED

Report on the Audit of Consolidated Financial Results

Opinion

We have audited the accompanying Statement of consolidated financial results of **M\ S M LAKHAMSI INDUSTRIES LIMITED** ("the Holding Company") and its subsidiary **M\ S LAKHAMSI FZE** (the Holding Company and its subsidiary together referred to as "the Group"), for the quarter and year ended March 31, 2025 ("the Statement"), being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of report of other auditors on separate audited financial statements /financial results/ financial information of the subsidiaries referred to in "Other Matters" paragraph below, the Statement:

- i. includes the annual financial results of the following entities:

Name of the Entity	Relationship
LAKHAMSI FZE	Subsidiary

- ii. is presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- iii. gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards, and other accounting principles generally

accepted in India, of the net profit, other comprehensive income and other financial information of the Group for the quarter and year ended March 31, 2025.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Results* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial results under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities for the Consolidated Financial Results

This Statement of the consolidated financial results has been prepared on the basis of the consolidated financial statements.

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial results that give a true and fair view of the consolidated net profit and consolidated other comprehensive income and other financial information of the Group in accordance with the recognition and measurement principles laid down in Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of

the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial results by the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial results, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/ financial information of the entities within the Group to express an opinion on the consolidated financial results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated financial results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial results.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by SEBI under Regulation 33(8) the Listing Regulations, as amended, to the extent applicable.

Other Matters

The accompanying Statement includes the unaudited financial results/statements and other unaudited financial information in respect of subsidiary located outside India, whose financial results/financial statements/financial information reflect total assets of Rs. 160.15 lac as at March 31, 2025, total revenue of Rs. 1112.77 lac and total net profit/(loss) after tax (including due to exchange translation) of Rs.(-)11.64 lac, and net cash outflows of Rs. 7.80 Lac for the year ended on March 31, 2025. These unaudited financial statements/financial results/financial information are prepared and certified by the management of the Holding Company in accordance with the Indian GAAP and accounting principles generally accepted in India and our opinion on the Statement, in so far as it relates to the amounts and disclosures in respect of these subsidiaries, is based solely on such financial results/financial statements/financial information. In our opinion and according to the information and explanations given to us by the management of the Holding Company, these unaudited financial results/financial statements/financial information are not material to the Group.

Our opinion on the Statement is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors as referred to above and the financial results/financial statements/financial information certified by the management of the Holding Company in above.

The figures of the consolidated financial results as reported for the quarter ended March 31, 2025 and the corresponding quarter ended in the previous year are the balancing figures between audited figures in respect of the full financial year and the published year-to-date figures up to the end of third quarter of the relevant financial year. Also, the figures upto the end of the third quarter of the current and previous financial year had only been subjected to limited review by us.

Annexure B to the Independent Auditors' report on the consolidated financial statements

Report on the internal financial controls with reference to the aforesaid consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to consolidated financial statements of **M Lakhamshi Industries Limited** ("the Company") as of 31 March 2025 in conjunction with our audit of the consolidated financial statements of the Company as at and for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31 March 2025, based on the internal financial controls with reference to consolidated financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of such internal

financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls with Reference to Consolidated Financial Statements

A company's internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to consolidated financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

M LAKHAMSI INDUSTRIES LIMITED

(Formerly Known as Specular Marketing and Financing Limited)

Notes to consolidated Financial Statements for the year ended 31-03-2025

1. Group Information :

M Lakhamsi Industries Limited (the 'Company' or the 'Holding Company') and its subsidiaries (collectively referred to as the 'Group') is a Manufacturer, Exporter, Trader of Oil Seeds, Pulses and Oil having unit at Rajkot and Mumbai – India and having subsidiary in Dubai named Lakhamsi Fze. The registered office of the Company is situated at Mumbai. The Company is listed on the Bombay Stock Exchange (BSE). M Lakhamsi Industries Limited (the 'Company' or the 'Holding Company') and its subsidiaries (collectively referred to as the 'Group') is a Manufacturer, Exporter, Trader of Oil Seeds, Pulses and Oil having unit at Rajkot and Mumbai

India and having subsidiary in Dubai named Lakhamsi Fze. The registered office of the Company is situated at Mumbai. The Company is listed on the Bombay Stock Exchange (BSE).

2. Basis of preparation:

(i) Compliance with Ind AS :

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with Companies (Indian Accounting Standards) Rules, 2015, as amended, and other relevant provisions of the Act and guidelines issued by the Securities and Exchange Board of India (SEBI).

The accounting policies are applied consistently to all the periods presented in the financial statements. The financial statements of the Group have been consolidated using uniform accounting policies.

(ii) Historical cost convention :

The consolidated financial statements have been prepared on a historical cost convention and accrual basis, except for the following assets and liabilities:

Certain financial assets and liabilities that are measured at fair value;

Assets held for sale – measured at lower of carrying amount or fair value less cost to sell;

Defined benefit plans - plan assets measured at fair value.

(iii) Current and non-current classification

All assets and liabilities have been classified as current or non-current as per the entity's normal operating cycle and other criteria set out in Schedule III to the Act.

(iv) Rounding of amounts

All amounts disclosed in the consolidated financial statements and notes have been rounded off to two decimals of the nearest lakh as per the requirement of Schedule III, unless otherwise stated.

3. Principles of consolidation and equity accounting

- Subsidiaries

Subsidiaries are all entities over which the Holding Company has control. The Holding Company controls an entity when the Holding Company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Holding Company. They are deconsolidated from the date control ceases.

The acquisition method of accounting is used to account for business combinations by the Group.

The Group combines the financial statements of the Holding Company and its subsidiaries line by line by adding together like items of assets, liabilities, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between Group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Holding Company.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and consolidated balance sheet respectively.

The interest of non-controlling shareholders is initially measured either at fair value or at the non-controlling interests' proportionate share of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition by-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity of subsidiaries.

- Equity method

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses of the investee in consolidated statement of profit and loss, and the Group's share of other comprehensive income/(loss) of the investee in other comprehensive income/(loss).

When the Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the Group and its joint ventures are eliminated to the extent of the Group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the Group.

The carrying amount of equity accounted investments are tested for impairment in accordance with the policy described in note 10 below.

4. Use of estimates and judgments

The estimates and judgements used in the preparation of the consolidated financial statements are continuously evaluated by the Group and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Group believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/ materialized. The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

5. Property, plant and equipment (including capital work-in- progress)

Property, plant and equipment are stated at cost net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, the cost of replacing a part of plant and equipment and borrowing costs if capitalisation criteria are met and any at tributable cost of bringing the asset to its working condition and location for the intended use. When significant parts of plant and equipment are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. Spare parts are capitalized when they meet the definition of property, plant and equipment i.e., when the Group intends to use them for more than a period of 12 months.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the consolidated statement of profit and loss during the year in which they are incurred.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from de- recognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and is recognised in the consolidated statement of profit and loss when the asset is derecognised.

On transition to Ind AS, the Group had elected to continue with carrying value of all its property, plant and equipment recognised as at 1 April 2016, measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Freehold land is carried at historical cost. Capital Work-in- progress includes expenditure incurred till the assets are put into intended use. Capital Work-in-Progress are measured at cost less accumulated impairment losses, if any.

Freehold land is carried at historical cost. Capital Work-in- progress includes expenditure incurred till the assets are put into intended use. Capital Work-in-Progress are measured at cost less accumulated impairment losses, if any.

Depreciation:

Depreciation on the property, plant and equipment of the Holding Company, subsidiaries of the Holding Company have been provided on the straight line method as per the useful life prescribed in Schedule II to the Act, except in respect of the following categories of the assets, in whose case the useful life of the assets has been assessed based on the technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturer's warranties and maintenance support, etc.

Significant components of each of the individual assets are depreciated separately over their respective useful lives; the remaining components are depreciated over the life of the principal asset.

In respect of certain foreign subsidiaries, depreciation has been charged on pro-rata basis at the rates and methods as prescribed in the respective local regulations of the country of incorporation, which generally represents useful life of these assets.

Depreciation on additions to assets or on sale/disposal of assets is calculated pro-rata from the date of such addition or upto the date of such sale/disposal as the case may be. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

6. Cash and cash equivalents

For the purpose of presentation in the consolidated statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the consolidated balance sheet.

7. Inventories

- The inventories resulting from intra-group transactions are stated at cost after deducting unrealised profit on such transactions;
- Raw Materials and components, Work-in-progress, finished goods and Stock-in-trade are valued at lower of cost and net realisable value;
- Goods in transit are stated 'at cost';
- Other inventories are stated 'at cost or net realisable value', whichever is lower;
- 'Cost' includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition. In the case of finished goods and work-in-progress, cost includes an appropriate share of overheads based on normal operating output. Cost formulae used is 'First in First Out' as applicable.
- Stores and spares are inventories that do not qualify to be recognised as property, plant and equipment and consists of packing materials, engineering spares (such as machinery spare parts) which are used in operating machines or consumed as indirect materials in the manufacturing process. Stores and spares, excluding certain gases, are charged to consolidated statement of profit and loss during the year in which they are purchased.

- The factors that the Group considers in determining the provision for slow moving, obsolete and other non-saleable inventory include estimated shelf life, planned product discontinuances, price changes and ageing of inventory, to the extent each of these factors impact the Group's business and markets. The Group considers all these factors and adjusts the inventory provision to reflect its actual experience on a periodic basis.

8. Investments and financial assets Classification

The Group classifies its financial assets in the following measurement categories:

those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those measured at amortised cost.

The classification depends on the Group's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments, it will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held.

Measurement

At initial recognition, the Group measures a financial asset (excluding trade receivables which do not contain a significant financing component) at its fair value plus, in the case of a financial asset not at fair value through profit or loss (FVTPL), transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in consolidated statement of profit and loss.

Measurement of Debt instruments

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the cash flow characteristics of the asset. The Group classifies its debt instruments into following categories:

Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interests are measured at amortised cost. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit and loss: Assets that do not meet the criteria for amortised cost are measured at fair value through Profit and Loss. Interest income from these financial assets is included in other income.

Measurement of equity instruments

The Group subsequently measures all equity investments at fair value. Where the Group's management has elected to present fair value gains and losses on equity

investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss.

Changes in the fair value of financial assets at FVTPL are recognised in other gain / (losses) in the consolidated statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at fair value through other comprehensive income (FVOCI) are not reported separately from other changes in fair value.

Impairment of financial assets

The Group measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

De-recognition of financial assets

A financial asset is derecognised only when , the Group has transferred the rights to receive cash flows from the financial asset or; retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Group has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Group has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

9. Borrowings and other financial liabilities

Borrowings and other financial liabilities are initially recognised at fair value (net of transaction costs incurred). Difference between the fair value and the transaction proceeds on initial recognition is recognised as an asset / liability based on the underlying reason for the difference. Subsequently, all financial liabilities are measured at amortised cost using the effective interest rate method. Borrowings are derecognised from the consolidated balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in consolidated statement of profit and loss. The gain / (loss) is recognised in other equity in case of transaction with shareholders.

Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

10. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other

borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

11. Provisions, contingent liabilities and contingent assets

A provision is recognised when the Group has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are measured at the present value of management's best estimate of the amount required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects the current market assessments of time value of money and the risks specific to the liability. The increase in the provision due to passage of time is recognised as interest expense. The provisions are reviewed at each balance sheet date and adjusted to reflect the current management estimates. Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made. Contingent assets are not recognised in the consolidated financial statements. However, it is recognised when an inflow of economic benefits is probable.

12. Revenue Recognition

Revenue is recognised on satisfaction of performance obligation upon transfer of control of promised products or services to customers, at an amount that reflects the consideration expected to be received by the Group in exchange for those products or services. Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and returns, etc., if any.

The Group satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

The customer simultaneously receives and consumes the benefits provided by the Group's performance as the Group performs; or

The Group's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or

The Group's performance does not create an asset with an alternative use to the Group and the Group has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue is measured at the amount of consideration which the Company expects to be entitled to in exchange for transferring distinct goods to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government). Consideration is generally due upon satisfaction of performance obligations and a receivable is recognised when it becomes unconditional. Generally, the credit period upto 30-60 days from the shipment or delivery of goods as the case may be. Consideration are determined based on its most likely amount. The Group recognises provision for sales return, based on the historical results. The Company accounts for sales returns accrual by recording an allowance for sales

returns concurrent with the recognition of revenue at the time of sale of product. The estimate of sales returns is determined primarily by the Group's historical experience in the markets in which the Group operates.

Revenue from shipping and handling services are recognised over the period of time on the basis of satisfaction of performance obligation.

In case of revenue from long term contracts, contract revenue is matched with the contract costs incurred in reaching the stage of completion, which is an output method of revenue recognition, resulting in the reporting of revenue, expenses and profit which can be attributed to the proportion of work completed. However, where the total project cost is estimated to exceed total revenues from the project, the loss is recognised immediately in the consolidated statement of profit and loss. Revenue in excess of invoicing are classified as contract asset while invoicing in excess of revenues are classified as contract liabilities.

Export benefits are recognised in the year of export when right to receive the benefit is established and conditions attached to the benefits are satisfied.

13.Trade Receivable:

Trade receivables are amounts due from customers for goods sold in the ordinary course of business and reflects company's unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.

14.Other Income

Interest income for all debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Dividend is recognised in consolidated statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of the dividend can be measured reliably.

15.Employee Benefits

Short-term obligations: Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

16.Foreign currency transactions and translations

Items included in the financial statements of each of the Group's entities are measured using the currency of the primary economic environment in which the respective entity operates (their 'functional currency'). The consolidated financial statements are presented in Indian Rupee (INR), which is Holding Company's functional and presentation currency.

Transactions in foreign currency are recorded at exchange rate prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the balance sheet date and exchange gain or loss arising on their settlement and restatement are recognised in the consolidated statement of profit and loss. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not re-translated.

For the purpose of consolidation, the amounts appearing in foreign currencies in the financial statements of the foreign subsidiaries are translated at the following rates of exchange:

assets and liabilities are translated at the closing rate at the date of the balance sheet; and income and expenses are translated at average exchange rates (unless this is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated at the rates prevailing on the dates of the transactions).

On consolidation, exchange differences arising from the translation of any net investment in foreign entities are recognised in other comprehensive income.

17. Income tax

The income tax expense for the year is the tax payable on the current year's taxable income based on the applicable income tax rate adjusted for changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax expense is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Holding Company and its subsidiaries, associates and joint ventures operate and generate taxable income. Group periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

There are many transactions and calculations for which the ultimate tax determination is uncertain. The Company recognises liabilities for anticipated tax issues based on estimates of whether additional taxes will be due. The uncertain tax positions are measured at the amount expected to be paid to taxation authorities when the Company determines that the probable outflow of economic resources will occur. Where the final tax outcome of these matters is different from the amounts that were initially recorded, such differences will impact the current and deferred income tax assets and liabilities in the period in which such determination is made.

Deferred income tax is accounted in full, using the Balance Sheet approach, on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the consolidated financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the end of the reporting period and are expected to

apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are off set where the Group has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the consolidated statement of profit and loss, except to the extent it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Minimum Alternate Tax (MAT) credit is recognised as deferred tax asset only when and to the extent it is reasonably certain that the Group will pay normal income tax during the specified period. Such asset is reviewed at each balance sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Group will pay normal income tax during the specified period.

18. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss (excluding other comprehensive income) for the year attributable to equity shareholders of the Holding Company by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events such as bonus issue, bonus element in a rights issue, share split and reverse share splits (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss (excluding other comprehensive income) for the year attributable to equity shareholders of the Holding Company and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Basic and diluted earnings per share are disclosed separately for continuing and discontinued operations.

Particulars	Year ended 31 March 2025	Year ended 31 March 2024
Net Profit after tax attributable to equity share holders (in Lakhs)	62,01,733.19	74,77,993.38
Weighted average number of equity shares outstanding during the year (in numbers)	59,65,687	59,65,687
Basic and diluted earnings per share (₹)	1.04	1.25
Face value per share (₹)	10	10

19. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the consolidated balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

20. Contributed equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

21. Exceptional items

When items of income and expense within consolidated statement of profit and loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

22. Critical estimates and judgements

The preparation of consolidated financial statements in conformity with Ind AS requires estimates and assumptions to be made by the Group's management of the Company that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period.

The Group's management believes that these estimates are prudent and reasonable and are based upon the Management's best knowledge of current events and actions. Actual results could differ from these estimates and differences between actual results and estimates are recognised in the year in which the results are known or materialised.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

Estimated useful life of property, plant and equipment, intangible assets, and investment property:

The Group reviews the useful lives of property, plant and equipment, Investment properties and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortization expense in future periods.

Impairment of carrying value of property, plant and equipment, capital work-in-progress, intangible assets and investment property:

The recoverable amount of property plant and equipment, capital work-in-progress is based on estimates and assumptions regarding the expected Depreciated Replacement Cost (DRC) method under Cost Approach. Any changes

in these assumptions may have a material impact on the measurement of the recoverable amount and could result in impairment.

Fair value less cost to sell for assets classified as held for sale:

The fair valuation of the investment property is determined using 'Sales Comparison Method' under Market Approach using composite rate of commercial offices by comparing the investment property with similar properties that have recently been sold near the location of investment property. Comparable properties are selected for similarity to the subject property by considering attributes like age, size, shape, quality of construction, building features, condition, design, etc.

Estimation of current tax expenses and recognition of deferred tax assets:

The Company calculates income tax expense based on reported income and estimated exemptions / deduction likely available to the Company. Recognition of deferred tax assets depends upon the availability of future profits against which tax losses carried forward can be used.

Probable outcome of matters included under contingent liabilities:

Management has estimated the possible outflow of resources at the end of each annual reporting financial year, if any, in respect of contingencies/ litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

Provision for doubtful debts:

Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowances for estimated irrecoverable amounts. Under Ind AS, impairment allowance has been determined based on Expected Credit Loss (ECL) model. Estimated irrecoverable amounts are based on the ageing of the receivable balance and historical experience. Individual trade receivables are written off if the same are not collectible.
