Password details for shareholders other than Individual shareholders are given below:
If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.

If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.

How to retrieve your 'initial password'?

If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.

If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**

If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:

Click on "**Forgot User Details/Password?**"(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.

Physical User Reset Password?" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.

If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.com mentioning your demat account number/folio number, your PAN, your name and your registered address etc.

Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.

After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.

Now, you will have to click on "Login" button.

After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically on NSDL e-Voting system.

How to cast your vote electronically on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies “EVEN” in which you are holding shares and whose voting cycle is in active status.
2. Select “EVEN” of company for which you wish to cast your vote during the remote e-Voting period.
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on “Submit” and also “Confirm” when prompted.
5. Upon confirmation, the message “Vote cast successfully” will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to kirti.sharma2593@yahoo.com with a copy marked to evoting@nsdl.com. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "**Upload Board Resolution / Authority Letter**" displayed under "**e-Voting**" tab in their login.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the “[Forgot User Details/Password?](#)” or

“[Physical User Reset Password?](#)” option available on www.evoting.nsdl.com to reset the password.

3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on : 022 - 4886 7000

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/S. SHALIMAR PRODUCTIONS LIMITED** (hereinafter referred as 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31 March 2025 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31 March 2025, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999, and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct

Investment and External Commercial Borrowings;

- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
- a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 – **No events / actions occurred during the Audit Period in pursuance of this regulation;**
 - d. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 – **No events / actions occurred during the Audit Period in pursuance of this regulation;**
 - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 – **No events / actions occurred during the Audit Period in pursuance of this regulation;**
 - f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 – **No events / actions occurred during the Audit Period in pursuance of this regulation;**
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 – **No events / actions occurred during the Audit Period in pursuance of this regulation; and**
 - i. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015; and
- (vi) Other applicable laws are as under:
- The Information Technology Act, 2000.
 - The FEMA Act, 1999.

I report that, having regard to the compliance system prevailing in the Company and

on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with all the laws applicable specifically to the Company.

I have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India.

I have relied on the representation made by the Company and its Officers for systems and mechanism formed by the Company for compliances under other applicable Acts, Laws and Regulations to the Company.

During the period under review and as per the explanations and representations made by the management and subject to clarifications given to us, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, etc., except the following:

1. *The Company was imposed late Fine under Regulation 44(3) of SEBI (LODR) Regulations, 2015 for delayed submission of one day of voting results beyond the stipulated time frame of 48 hours of its conclusion of General Meeting held on 30th September, 2024 by The BSE Limited of Rs. 10000/- plus GST.*

However, the Company has paid the same on 27th October, 2024.

2. *Intimation of resignation of Mr. Kailash Ram Gopal Chhapparwal, non Executive Director dated 30th April, 2024 was intimated to The BSE Limited on 7th May, 2024.*
3. *Registration of Mr. Shubham Gupta and Mrs. Shiwaginee Jaiswal, Independent Directors is expired under the Database of Independent Directors and renewal is due as on date.*

I further report that:

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors including Woman Director. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- Adequate notice is given to all directors for the Board Meetings, including Committees thereof, along with agenda and detailed notes on agenda at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting by the directors.

- All decisions at Board Meetings and Committee Meetings are carried out unanimously and recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

I further report that the compliance by the Company of applicable financial laws such as direct and indirect tax laws and maintenance of financial records and books of accounts have not been reviewed in this audit since the same have been subject to review by the statutory financial auditors, tax auditors and other designated professionals.

I further report that as per the explanations given to me and the representation made by the Management and relied upon by me, there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, there was no other event/action having major bearing on the Company's affairs.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

Pursuant to Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Management Discussion and Analysis Report is as under:

Media & Entertainment industry

Introduction

The Media & Entertainment industry has immense power to influence, shape, and transform society. The industry is witnessing a massive transformation in the current scenario. It was a rollercoaster ride in the past few years for the whole industry when it came up with a few struggles, difficulties in producing content, the closure of cinema halls and a cut back in spending on advertisements during the pandemic. However, this situation was followed by a cycle of a strong revival. The agility and inclination to face and overcome challenges are being proven by this industry through the ways it has revived its charm and performed better than pre-pandemic. The core of this industry is to keep pace with the changing environment to produce quality and relatable content. The disruptive innovations that are at their peak are changing consumer behaviour, and technology is leading to a risk for the irrelevance of the [media and entertainment industry](#). The popularity of YouTube videos, podcasts, Over-the-Top (OTT) media services, and digital broadcasting has given rise to a variety of occupations in the sector, including journalism, advertising, digital marketing, and public relations.

Some facts about the Media and Entertainment industry—

- By 2024, it is expected that India's media & entertainment industry will reach US\$ 30.9 billion.
- By 2025, there will likely be more than 40 million smart connected TVs, up from 10 million in 2021.
- The digital media segment grew 29% to reach US\$ 5.2 billion in 2021.
- The online gaming segment grew 28% in 2021 to reach US\$ 1.2 billion and is expected to reach US\$ 1.9 billion by 2024.
- In 2021, there was a 28% growth in the filmed entertainment segment. Around 757 films were released, with over 100 films released directly on video streaming platforms.
- In 2021, the animation and VFX segment grew 103% to reach US\$ 1 billion and is expected to reach US\$ 2.2 billion by 2024.

Industry Overview and Opportunities

India is the second-largest online news-consuming nation, the world's second-largest market in terms of app downloads and the world's largest fantasy sports market with a user base of 130 million. India also secures fourth rank in Information and Communication Technology (ICT) services export. The growth in television households will continue to grow at over 5%

till 2025, which is driven by connected TVs. It is estimated to cross 40 million by 2025 and DD-free dishes could cross 50 million in the same year.

The subscriber base of the Indian telecommunications market is 1.18 billion which results in India being the world's second largest in the segment. The mobile economy is booming at a good pace and constitutes around 98% of all telephone subscriptions.

Ministry of Electronics and Information Technology (MeitY) aims to have a tectonic shift in digital strategy to harness the opportunity to create an economic value addition of US\$ 800 billion by the year 2024 and US\$ 1 trillion by the year 2025 through the right digital interventions.

- With the rise in demand for regional content consumption, the share of regional content in TV and OTT consumption is expected to reach 60% and 50% respectively by 2025.
- The number of video viewers has increased to 497 million.
- Indians spent the maximum time (1.5 billion hours) on online sports worldwide, around a third of the global time spent on sports apps.
- It is estimated that digital ad spending in India will reach US\$ 21 billion by 2028.

The industry growth is being supported by various government initiatives, such as digitizing the cable distribution sector to attract greater institutional funding, increasing the FDI limit from 74% to 100% in cable and direct-to-home (DTH) satellite platforms, and granting industry status to the film industry for easy access to institutional finance. The Ministry of Information and Broadcasting set up Film Facilitation Office (FFO) which acts as a single window clearance and facilitation point for producers and production companies with a view to assisting them in getting the requisite filming permissions. In 2020, the government of India also announced the plan to support and develop a centre specifically for Animation, Visual-effects, Gaming, and Comic (AVGC).

Opportunities

India is the world's second-largest telecommunications market with a subscriber base of 1.17 billion as of August 2022. In a country with 300 million households, there are around one-third of households who are still without television set and this data depicts that there's an opportunity for growth and development in the sector. The broadcasting industry can work as a powerful source which can educate, inspire, and empower viewers with strong opinions and views. Therefore, it is important that the government and industry work together to give every Indian home access to television.

Globally, the Animation, Visual-effects, Gaming and Comics (AVGC) sector is an industry of US\$ 800 billion. However, India has a huge talent force supporting this industry while it accounts for less than one percent share in the industry. The AVGC sector has the potential to boom and become the next IT sector of India and the target could be around 5% in a year, which will be close to a US\$ 40 billion opportunity. The same growth has the potential to create around 1,60,000 jobs across the nation. The gaming industry is booming as a high-

growth segment along with the contribution of skill-based gaming. Under this segment, India has least percentage share if compared globally, however, India has a substantial growth opportunity with the availability of skills and policies supporting it.

Film making industry in India is being supported by nature itself, the opportunity expands with the beautiful and diverse locations and landscapes, good infrastructure, and high-quality manpower; India has all the ingredients required to unlock and expand this opportunity and become a preferred destination for international film shoots.

The opportunities are not only in India, but there is also an option to take Indian content to global audiences. South India has set a great example of the same across the globe as it has demonstrated that good content travels beyond boundaries and language barriers. India has a strong set of ecosystems of talent, production efficiencies and creative capabilities, and it generates huge opportunities to mark our strength and culture on the global stage. The industry can come together, explore, and create content that can break all global boundaries and become a storyteller to the world. The growth and stories of regional movies are better than other cumulative work. However, the industry has an opportunity to create masterpieces that can cross geographical boundaries and establish relatability around the globe. Moving towards print media, music, and radio, these subsectors continue to be important contributors to the industry. There are various changes in this industry with ongoing development and improvements.

Outlook

For the entertainment and media industries, 2022 marked an important inflection point. Total global entertainment and media (E&M) revenue rose 5.4% in 2022, to US\$2.32 trillion. That represents a sharp deceleration from the 10.6% growth rate in 2021, when economies and industries globally were starting to rebound from the upheaval caused by the covid-19 pandemic. And in each of the next five years, the rate of growth will decline sequentially, so that by 2027, revenue will grow just 2.8% from 2026. That's slower than the 3.1% rate of overall economic growth that the International Monetary Fund (IMF) projects for that year.

The slowdown, caused in large measure by sluggish consumer spending, is pushing companies to reset expectations, refocus inward and seek ways to recharge growth. They're doing so by tapping into the many geographical and sectoral hotspots that offer opportunities and by harnessing emerging technology—in particular, by exploring the power of generative AI as an engine of productivity for the creative process.

The causes of the slowdown are many. For some key sectors, the surge in revenue and attention that they experienced early in the pandemic ran out of steam. The creation of podcasts, which was among the industry's major success stories during the pandemic, fell by an estimated 80% between 2020 and 2022.

The Indian Digital Ecosystem

According to a report by EY, (as seen in the data below) the M&E industry increased by Rs. 348 billion (US\$ 4.17 billion) (19.9%) to Rs. 2.1 trillion (US\$ 25.2 billion), a 10% increase over pre-pandemic 2019 levels. Television remained the largest segment with 10% growth

and 166 million households. The digital media reinforced its position as a strong number two with a growth rate of more than 30%, followed by a resurgent print. Digital media expanded the greatest, reaching Rs. 132 billion (US\$ 1.58 billion), increasing its contribution to the M&E sector from 16% in 2019 to 27% in 2022.

The Way Forward

The media and entertainment industry has seen robust growth with continuous improvement and various approaches as well. For the past two years, the industry has shown immense resilience and there has been a bounce back to the pre-covid scenarios. The pandemic undoubtedly created a disruption in the consumption habits of consumers. However, with the advent of ongoing digitalization and new technologies, the media and film industry is expected to show significant growth over the next few years. The strong growth in OTT, gaming, animation and VFX is cumulatively estimated to contribute to around US\$ 55-70 billion by 2030. The industry continuously showcases multimodal growth with digital video leading to a consumption boom, however the potential growth depends on the realization of supply and demand side factors. The integration of content and advertisement is growing more prevalent as digital advertising moves toward more "interactive" commercials. Platforms for short-form video are expanding and offer advertisers a special value proposition. With a more than ten-fold increase in gaming companies over the past ten years, India is also growing as a talent hotspot. Over the past few years, this has caused a boom in VC funding for the industry. After a challenging 2020, the film industry has demonstrated optimistic indications of resurgence. Future growth prospects include the expansion of content films, direct-to-digital releases, and regional box office growth. The development of

the industry's infrastructure, intellectual capital, and financial incentives depends on the post-production, VFX, and animation sectors in India.

Company Overview

M/s. Shalimar Productions Limited (the "Company"), originally incorporated in 1985 and rebranded from Shalimar Agro Products Ltd to its current name in 2004, has long been a player in the media and entertainment industry. Over the years, the Company has made significant contributions to the production of regional albums and films.

In line with its vision to enhance its presence in the dynamic film and entertainment landscape, the Company is excited to announce the forthcoming launch of the NJOYMAX OTT platform. Management is confident that this platform will debut in the fiscal year 2024-25. The strategic shift towards digital content, including original films and web series, positions the Company to capitalize on the expanding digital production market.

Additionally, the Company has made notable strides in the North Indian Punjabi market with the successful release of the Punjabi film “Majnoo” earlier this year. This achievement has established a strong foothold in the region, and the Company anticipates gaining further traction and recognition within the Punjabi film industry in the future.

INDEPENDENT AUDITOR'S REPORT

To the Members of **Shalimar Production Limited**
Report on the Audit of Financial Statements

Opinion

We have audited the standalone financial statements of **Shalimar Production Limited** ("the Company"), which comprise the balance sheet as at March 31, 2025, the statement of Loss and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and Loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

The balances of Loans & Advances, Sundry Debtors and Sundry Creditors are subject to confirmation, reconciliation and consequent adjustment, if any. In the absence of such confirmations, we are unable to comment on the accuracy and completeness of the same and their consequential impact on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors' report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that

fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and Cash Flow Statement of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls systems in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in the standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Balance Sheet, the Statement of Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.
- g) With respect to the matter to be included in the Auditor’s Report under section 197(16), In our opinion and according to the information and explanations given to us and after relying on the certificate of company secretary of the company, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts,
 - (i) no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities 'Intermediaries', with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company 'Ultimate Beneficiaries' or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (ii) no funds have been received by the company from any person(s) or entity (ies), including foreign entities 'Funding Parties', with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party 'Ultimate Beneficiaries' or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (iii) Based on audit procedures carried out by us, that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us believe that the representations under sub-clause (i) and (ii) contain any material misstatement.
- v. The Company has not declared or paid any dividends during the year and accordingly reporting on the compliance with section 123 of the Companies Act, 2013 is not applicable for the year under consideration.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **Shalimar Production Limited** ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI) (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls With Reference to Financial Statements

A Company's internal financial control with reference to financial statements is a process

designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, based on the management's assessment and internal control procedures conducted in-house, the Company has internal financial controls pertaining to financial statements that are adequate in all material respects. These controls, based on the criteria established by the Company and considering the essential components outlined in the Guidance Note, were operating effectively as at March 31, 2025.

1. Significant Accounting Policies

1.1 Basis of Preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

These financial statements for the year ended 31st March, 2025 are the Seventh financials with comparatives, prepared under Ind AS and the financial statements for the year ended 31st March, 2018 are the first financials with comparatives, prepared under Ind AS. For all previous periods, the Company had prepared its financial statements in accordance with the accounting standards notified under companies (Accounting Standard) Rule, 2006 (as amended) and other relevant provisions of the Act (hereinafter referred to as 'Previous GAAP') used for its statutory reporting requirement in India.

The accounting policies are applied consistently to all the periods presented in the financial statements, including the preparation of the opening Ind AS Balance Sheet as at 1st April, 2017.

The financial statements have been prepared on a historical cost basis, except for the following:

- a) Certain financial assets and liabilities that are measured at fair value;
- b) Assets held for sale-measured at lower of carrying amount or fair value less cost to sell;
- c) Defined benefit plans – plan assets measured at fair value

1.2 Summary of Significant Accounting Policies

a) Current vs Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- Expected to be settled in normal operating cycle.
- Held primarily for the purpose of trading
- Due to be settled within twelve months after reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalent. The Company has identified twelve months as its operating cycle.

b) Use of estimates and judgements

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and

factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

c) Property, Plant & Equipment

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at April 1, 2017, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment.

Property, plant & equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. In case of assets acquired in exchange for a non-monetary asset, the cost of such an item of property, plant and equipment is measured at fair value unless (a) the exchange transaction lacks commercial substance or (b) the fair value of neither the asset received nor the asset given up is reliably measurable. All other repair and maintenance costs are recognised in profit or loss as incurred.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

An item of Property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of Property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

d) Depreciation on Property, Plant & Equipment

Depreciation on Property, Plant & Equipment is calculated on a written down value (WDV) basis using the rates arrived at based on the useful lives estimated by the management which is as per the rates specified in Schedule II to the Companies Act, 2013.

e) Inventories

Inventories are valued at the lower of cost or net realizable value.

f) Revenue Recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

g) Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

h) Employee Benefits

Short term benefits and post employment benefits are accounted in the period during which the services have been rendered.

i) Taxation

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

j) Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal or its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of

an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses, are recognised in the statement of profit and loss.

k) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to any provision is presented in the statement of profit or loss, net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognised as part of finance costs.

l) Contingent Liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

m) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

n) Investments and other financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- (1) Those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) Those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

Debt Instruments:

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into following categories:

Amortised Cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit and loss: Assets that do not meet the criteria for amortised cost are measured at fair value through Profit and Loss. Interest income from these financial assets is included in other income.

Equity instruments:

The Company measures its equity investment other than in subsidiaries, joint ventures and associates at fair value through profit and loss.

(iii) Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

o) Earnings Per Share

Basic earnings per share

Basic earnings per share is calculated by dividing:

- The profit attributable to owners of the Company
- By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

Diluted earnings per shares

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.
