SHRADHA - AT A GLANCE :

SHRADHA is an Infrastructure Development Company professionally managed and incorporated by Raisoni Group. Beautiful landmark buildings have been built by SHRADHA in and around Nagpur. The company has completed numerous projects effectively since it was founded. Since the beginning of our journey to make dreams into reality, SHRADHA has been driven by passion. We have set rigorous standards in order to build client satisfaction.

The team at SHRADHA is strong, well-trained, and technologically savvy, and they are ready to build excellent infrastructure of the highest caliber. When it passionately completes its fundamentals, Shradha Infraprojects Limited takes its place. The actual difficulty for a developer in the real estate sector is to mobilise all of its resources and turn desolate regions into improved locales that will one day be recognised as landmarks.

We employ a scalable outsourcing approach that prioritizes cutting-edge design and high-quality construction. We also outsource all of our construction and design work and have solid, long-standing connections with outside service providers like architects, landscape designers, and contractors. This enables us to collaborate with a number of domestic contractors that provide us cutting-edge design capabilities and high-quality construction.

We also outsource all of our construction and design work and have solid, long-standing connections with outside service providers like architects, landscape designers, and contractors. This enables us to collaborate with a number of domestic contractors that provide us cutting-edge design capabilities and high-quality construction.

We can benefit from the expertise of our service providers thanks to our outsourcing approach, which also frees up our leadership to focus on other aspects of our business. We believe that the scalability of our outsourcing models is crucial for exploring options, carrying out comparable developments, and carrying out more advancements in various parts of India in addition to being required for big developments.

We strive to build iconic projects across India's landscape using committed and responsible business practices and procedures that not only meet but also surpass the expectations of our clients, business partners, stakeholders, and the general public.

We desire to maintain our outsourcing strategy and continue to fortify our ties to important service providers like architects and contractors. By continuing to outsource the design and construction to our service providers, this will allow our management to concentrate more on our core business. Additionally, we think that by utilising the top service providers in each of their specialised disciplines, we will be able to generate projects that are of the high design and construction standards that our consumers in Nagpur and other regions of India are looking for.

Letter From Managing Director & CFO

Dear Shareholders,

The Indian economy is expanding more quickly than the majority of other major economies, and this outstanding development demonstrates the country's ability to withstand the continuous volatility in the global economy.

The real estate industry has continued its cyclical upswing despite inflationary pressures, geopolitical unrest, and rising interest rates.

I'm pleased to let you know that your company once again displayed exceptional performance throughout all of its verticals during the fiscal year. We had our largest gross booking value and best annual profitability in Financial Year 2023, which speaks to our margins, efficiency, and capability to execute across verticals.

One major trend in the market is the continued consolidation of well-known brands. The main forces behind this consolidation are the continuous consumer trust in these brands as a result of their reputation, financial strength, and capacity to create ecosystems of superior quality and sustainability.

A increasing base of aspirational consumers, a growth in earning potential, a need for a higher standard of life, and other demand drivers all contribute to the residential segment's continued strong demand. Our various creative services and strategically oriented vision have made us more tough and strong.

Interest in environmentally friendly Grade-A offices is increasing as businesses encourage workers to visit their workplaces. Given the high quality of our products' architecture and construction and our commitment to offering a comprehensive environment and facilities, we are in a good position to take advantage of this demand.

In order to take advantage of the real estate upswing, your company is actively looking into growth options in a variety of markets. We are streamlining our operations by further embedding environment, social, and governance principles throughout the value chain. Our growth as an organization is marked by continuous enhancement of our sustainable operations, our diverse workforce, continuous stakeholder engagement, improved governance and transparency.

The success of your company depends on our collaborative, societies-first culture. We have cultivated an environment where people are constantly learning, upgrading their skills, and investing in leadership training initiatives. By maximizing their potential, taking advantage of synergies, and retaining an engaged and motivated workforce, we will continue to create value.

I want to express my gratitude to all of our workers for helping us achieve growth and profitability in yet another year. I would want to use this chance to express my gratitude to the board, the bankers, and all of our stakeholders for their crucial contributions to the business. I also want to express my gratitude to the shareholders for their unwavering trust and support.

I'm wishing you all a prosperous, healthy, and happy coming year!

With my best wishes!!

Sd/-

ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY (CSR) ACTIVITIES

Annual Report on Corporate Social Responsibility (CSR) Activities for Financial Year 2022-23

1. Brief outline on CSR Policy of the Company :

The fundamental theme of the Company's CSR policy is giving back to the society from which it draws its resources and extends helping hand to the needy and the underprivileged. CSR policy encompasses the Company's philosophy for giving back to society as corporate citizens, and lays down the guidelines and mechanism for undertaking socially useful programs for the welfare and sustainable development of the community at large. CSR is not simply investment of funds for the social cause but linking of the business activity with the social activity.

The core theme of the Company's CSR policy is giving back to the society from which it draws its resources and extends helping hand to the needy and the underprivileged. The Company has framed a CSR Policy in compliance with the provisions of Section 135 of the Companies Act, 2013 read with the Companies (Corporate Social Responsibility Policy) Rules, 2014 (as amended) and Listing Regulations.

The objectives of Company's CSR Policy are:

To ensure an increased commitment at all levels in the organization and to operate its business in an economically, socially and environmentally sustainable manner, while recognizing the interests of all its stakeholders.

To directly or indirectly take up programs that benefits the communities over a period of time, and in enhancing the quality of life and economic well-being of the local populace. The Company and the employees are to actively involve and participate voluntarily in social welfare projects.

The business principles prescribe that everyone at Shradha needs to follow and support our approach to governance, corporate social responsibility and continuous improvement.

ANNEXURE VI

REPORT ON CORPORATE GOVERNANCE

1. INTRODUCTION

The Company is adamant that upholding the highest standards of corporate governance is a fundamental principle that governs a management's capacity to act morally and ethically, to make decisions that are in the best interests of its shareholders and other stakeholders, and to generate value for all.

The Company firmly believes that the two guiding principles of corporate governance are accountability and openness. The primary goal of corporate governance is to maximise the wealth of all the company's stakeholders by utilising its resources as effectively as possible, adhering to its commitments to corporate responsibility, and doing everything in its power to support nation building. In addition to providing the Board, its Shareholders, and other Stakeholders with comprehensive disclosures, it also promotes the use of transparency by the Company in all of its choices and deeds.

The aforementioned values have guided our actions administratively and will do so in the years to come. The Company is committed to upholding the Corporate Governance Code's high standards in both letter and spirit. To stay up with the evolving corporate environment, systems and procedures are continually reviewed.

1. CORPORATE GOVERNANCE PHILOSOPHY:

In accordance with Regulation 4(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), the philosophy of corporate governance is a principle-based approach that covers the fundamentals of the rights and roles of the Company's various stakeholders, timely information, equitable treatment, the role of stakeholders, disclosure and transparency, and board responsibility.

In an effort to uphold the spirit of the Code of Corporate Governance, **SHRADHA INFRAPROJECTS LIMITED** is dedicated to sound corporate governance. The company's corporate governance strategy aims to ensure openness in all activities, offer disclosures, and increase stakeholder value while maintaining strict adherence to legal and regulatory requirements. The company firmly believes that sound corporate governance leads to long-term gains for all of its stakeholders as well as sustainable corporate growth.

SHRADHA INFRAPROJECTS LIMITED adheres to the letter and spirit of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR") and has established procedures and systems to do so. The company also adheres to the mandates of the Companies Act, 2013 ("the Act") and the SEBI LODR. This report details the Company's compliance with the Act's and SEBI's LODR as of March 31, 2023.

GOVERNANCE STRUCTURE:

SHRADHA's Governance structure broadly comprises:

Strategic Management & Supervision	by the Board of Directors and Committees of the Board
Operational Management	by the Executive Management

This structure brings about a blend in governance as the Board sets the overall corporate objectives and provides strategic guidance and independent views to the Management to achieve these corporate objectives within a given framework, thereby bringing about an enabling environment for value creation through sustainable profitable growth.

The Governance Document that sets out the structure, policies and practices of governance is available on the website of the Company: www.shradhainfra.in.

The Company is in compliance with the requirements on Corporate Governance as they stood during FY 2022-23.

MANAGEMENT'S DISCUSSION AND ANALYSIS

● COMPANY OVERVIEW :

SHRADHA INFRAPROJECTS LIMITED ("SHRADHA") is an organisation that offers building and engineering services that are environmentally friendly. SHRADHA finished numerous projects and erected stunning iconic buildings. Every infrastructure project lays the groundwork for us to dream bigger and build a more contemporary structure, which enables us to establish a favourable position in the building sector. The following are some of the Shradha-created initiatives in Nagpur, Maharashtra, that have become notable accomplishments:

- ▶ Shradha House
- ▶ Victoria House
- ▶ Mangalam Shradha

● OVERVIEW :

● Introduction:

The real estate sector is one of the most globally recognized sectors. It comprises of four sub-sectors - housing, retail, hospitality, and commercial. The growth of this sector is well complemented by the growth in the corporate environment and the demand for office space as well as urban and semi-urban accommodation. The construction industry ranks third among the 14 major sectors in terms of direct, indirect and induced effects in all sectors of the economy.

In India, the real estate sector is the second-highest employment generator, after the agriculture sector. It is also expected that this sector will incur more non-resident Indian (NRI) investment, both in the short term and the long term. Bengaluru is expected to be the most favoured property investment destination for NRIs, followed by Ahmedabad, Pune, Chennai, Goa, Delhi and Dehradun.

● Market Size:

By 2040, real estate market will grow to Rs. 65,000 crore (US\$ 9.30 billion) from Rs. 12,000 crore (US\$ 1.72 billion) in 2019. Real estate sector in India is expected to reach US\$ 1 trillion in market size by 2030, up from US\$ 200 billion in 2021 and contribute 13% to the country's GDP by 2025. Retail, hospitality, and commercial real estate are also growing significantly, providing the much-needed infrastructure for India's growing needs.

India's real estate sector saw over 1,700 acres of land deals in top eight cities in the first nine months of FY22. Foreign investments in the commercial real estate sector were at US\$ 10.3 billion from 2017-2021. As of February 2022, Developers expect demand for office spaces in SEZs to shoot up after the replacement of the existing SEZs act.

Market size of real estate in India (US\$ billion)

As per ICRA estimates, Indian firms are expected to raise >Rs. 3.5 trillion (US\$ 48 billion) through infrastructure and real estate investment trusts in 2022, as compared with raised funds worth US\$ 29 billion to date.

The office market in the top eight cities recorded transactions of 22.2 msf from July 2020 to December 2020, whereas new completions were recorded at 17.2 msf in the same period. In terms of share of sectoral occupiers, Information Technology (IT/ITeS) sector dominated with a 41% share in the second half of 2020, followed by BSFI and Manufacturing sectors with 16% each, while Other Services and Co-working sectors recorded 17% and 10%, respectively.

Around 40 million square feet were delivered in India in 2021. It is expected that the country will have a 40% market

share in the next 2-3 years. India is expected to deliver 46 million square feet in 2022.

According to Savills India, real estate demand for data centres is expected to increase by 15-18 million sq. ft. by 2025.

In 2020, the manufacturing sector accounted for 24% of office space leasing at 5.7 million square feet. SMEs and electronic component manufacturers leased the most between Pune, Chennai and Delhi NCR, followed by auto sector leasing in Chennai, Ahmedabad and Pune. The 3PL, e-commerce and retail segments accounted for 34%, 26% and 9% of office space leases, respectively. Of the total PE investments in real estate in Q4 FY21, the office segment attracted 71% share, followed by retail at 15% and residential and warehousing with 7% each.

In 2022, office absorption in the top seven cities stood at 38.25 million Sq. ft.

In the third quarter of 2021 (between July 2021-September 2021), new housing supply stood at ~65,211 units, increased by 228% YoY across the top eight cities compared with ~19,865 units launched in the third quarter of 2020.

In 2021-22, the commercial space is expected to record increasing investments. For instance, in October 2021, Chintels Group announced to invest Rs. 400 crore (US\$ 53.47 million) to build a new commercial project in Gurugram, covering a 9.28 lakh square feet area.

According to the Economic Times Housing Finance Summit, about three houses are built per 1,000 people per year compared with the required construction rate of five houses per 1,000 population. The current shortage of housing in urban areas is estimated to be ~10 million units. An additional 25 million units of affordable housing are required by 2030 to meet the growth in the country's urban population.

● Global Economy

The baseline forecast is for growth to fall from 3.4% in 2022 to 2.8% in 2023, before settling at 3.0% in 2024. Advanced economies are expected to see an especially pronounced growth slowdown, from 2.7% in 2022 to 1.3% in 2023. With further financial sector stress, global growth declines to about 2.5% in 2023 with advanced economy growth falling below 1.0%.

Global headline inflation in the baseline is set to fall from 8.7% in 2022 to 7.0% in 2023 on the back of lower commodity prices but underlying (core) inflation is likely to decline more slowly. Inflation's return to target is unlikely before 2025 in most cases.

● Indian Economy

India's growth continues to be resilient despite some signs of moderation in growth, although significant challenges remain in the global environment, India was one of the fastest growing economies in the world.

The overall growth remains robust and is estimated to be 6.9% for the full year with real GDP growing 7.7% year on year during the first three quarters of FY 2022-23. There were some signs of moderation in the second half of FY 2022-23. Growth was underpinned by strong investment activity bolstered by the government's capex push and buoyant private consumption, particularly among higher income earners. Inflation remained high, averaging around 6.7% in FY 2022-23 but the current account deficit narrowed in Q3 on the back of strong growth in service exports and easing global commodity prices.

The World Bank has revised its FY 2023-24 GDP forecast to 6.3% from 6.6% (December 2022). Growth is expected to be constrained by slower consumption growth and challenging external conditions. Rising borrowing costs and slower income growth will weigh on private consumption growth and government consumption is projected to grow at a slower pace due to the withdrawal of pandemic related fiscal support measures.

Although headline inflation is elevated, it is projected to decline to an average of 5.2% in FY 2023-24, amid easing global commodity prices and some moderation in domestic demand. The Reserve Bank of India has withdrawn accommodative measures to rein in inflation by hiking the policy interest rate. India's financial sector also remains strong, buoyed by improvements in asset quality and robust private sector credit growth.

The central government is likely to meet its fiscal deficit target of 5.9% of GDP in FY 2023-24 and combined with consolidation in state government deficits, the general government deficit is also projected to decline. As a result, the debt to GDP ratio is projected to stabilize. On the external front, the current account deficit is projected to narrow to 2.1% of GDP from an estimated 3.0% in FY 2022-23 on the back of robust service exports and a narrowing merchandise trade deficit.

Spillovers from recent developments in financial markets in the US and Europe pose a risk to short-term investment flows to emerging markets, including India.

● Indian Infrastructure Sector:

Indian economy is driven through multiple economic sectors and infrastructure is one of the major sector contributions to continuous growth. The infrastructure sector in India is poised to grow at a CAGR of 8.2% by 2027. The launch of a quadrilateral economic forum by India, the US, Israel & the UAE in November 2021 has further added to the influx of infrastructure growth perspectives. Alternatively, the introduction to the "Infrastructure for Resilient Island States" program in November 2021 has shown a significant opportunity to improve the lives of vulnerable nations across the globe by enabling Indian infrastructure growth to flourish in tri-folds.

In order to meet India's aim of reaching a US\$ 5 trillion economy by 2025, infrastructure development is the need of the hour. The government has launched the National Infrastructure Pipeline (NIP) combined with other initiatives such as 'Make in India' and the production-linked incentives (PLI) scheme to augment the growth of the infrastructure sector. Historically, more than 80% of the country's infrastructure spending has gone toward funding for transportation, electricity, and water& irrigation.

In India, about 42% of the projects in the NIP are under implementation, which means construction work is already going on. Another 19% is under the development stage, while a significant 31% is still in the conceptual stage. During the fiscals 2020 to 2025, sectors such as Energy (24%), Roads (19%), Urban (16%), and Railways (13%) amount to around 70% of the projected capital expenditure in infrastructure in India.

Infrastructural Projects in India

Major/Key infrastructural projects undertaken in India are

- ▶ Gati Shakti and Industrial Corridors
- ▶ Bharatmala Pariyojana
- ▶ Delhi Mumbai Industrial Corridor

Gati Shakti and Industrial Corridors:

The main objective of the Gati Shakti and Industrial Projects corridor implemented in India in 2019 is to ensure integrated planning and implementation of basic infrastructure projects over the next four years, with a focus on expediting on-groundwork, cost reduction, and employment generation. The 'National Infrastructure Pipeline' of US\$ 1,327 billion (Rs 110 lakh crores) launched in the year 2019 under the Gati Shakti scheme will be included.

Bharatmala Pariyojana

Bharatmala Pariyojana is a new umbrella program for the highways sector that focuses on optimizing the efficiency of freight and passenger movement across the country by bridging critical infrastructure gaps through effective interventions like the development of Economic Corridors, Inter Corridors, and Feeder Routes, National Corridor Efficiency Improvement, Border and International connectivity roads, Coastal and Port connectivity roads, and Green-field expressways. Under the first phase of the ambitious 'Bharatmala Project' of the Ministry of Road Transport and Highways, 34,800 km of national highways will be constructed at a cost of US\$ 64 billion (Rs 5,35,000 crores).

Delhi-Mumbai Industrial Corridor

The Delhi-Mumbai Industrial Corridor (DMIC) is the first industrial corridor development project announced by the Government of India. The Delhi-Mumbai Industrial Corridor Development Corporation (DMICDC), the implementing agency of this development project, was incorporated in the year 2008.

The total sanctioned amount for this program is about US\$ 2.4 billion (Rs 20,084 crores). 11 industrial corridor projects have been taken up under the programme, and a total of 30 projects will be developed under the program in four phases by 2024-25. The National Industrial Corridor Development and Implementation Trust (NICDIT) is functioning under the administrative control of the Department for Promotion of Industry and Internal Trade (DPIIT) for coordinated & integrated development of all the Industrial Corridors that are at various stages of development and implementation.

● FDI in Infrastructure in India

Foreign Direct Investment (FDI) in the construction development (townships, housing, built-up infrastructure, and construction development projects) and construction (infrastructure) activity sectors stood at US\$ 26.17 billion and

US\$ 26.30 billion, respectively, from April 2000 – Dec 2021, according to the Department for Promotion of Industry and Internal Trade (DPIIT). Infrastructure-related operations made about 13% of the US\$ 81.72 billion total FDI inflows in the financial year (FY) 2021. India's infrastructure is anticipated to expand at a compound annual growth rate (CAGR) of almost 7% during the forecast period (2019-2028).

Highway construction would be done, with 2,500 km of access control highways, 9,000 km of economic corridors, 2,000 km of coastline and land port roads, and 2,000 km of strategic highways. The FASTag system promotes greater highway commercialization, allowing the National Highways Authority of India (NHAI) to raise more funds. Before 2024, it was projected to monetize at least 12 lots of roadway bundles totalling more than 6,000 km. The government has set aside US\$ 236 billion (Rs. 1,963,943 crores) in the budget for road infrastructure.

The government-sponsored National Investment and Infrastructure Fund (NIIF) received a funding commitment of US\$ 100 million from the multilateral Asian Development Bank (ADB) in 2020. Between the financial years (FY) 2000 and (FY) 2019, inflows in the verticals of townships, construction development projects, and housing were estimated at US\$ 25.5 billion. The "Smart Cities Mission" and "Housing for All" programmes have benefited from these initiatives. Saudi Arabia seeks to spend up to US\$ 100 billion in India in energy, petrochemicals, refinery, infrastructure, agriculture, minerals, and mining.

Infrastructure Growth Highlights

● Surety Bond Insurance

The road, transport, and highways ministry launched the country's first-ever surety bond insurance product, a move that would reduce the dependence of infra developers on bank guarantees.

Surety Bond Insurance acts as a security arrangement for infrastructure projects and insulates the contractor as well as the principal. The product caters to the requirements of a diversified group of contractors, many of whom are operating in today's increasingly volatile environment. The Surety Bond Insurance is a risk transfer tool for the principal and shields the principal from the losses that may arise in case the contractor fails to perform their contractual obligation.

● Research Development

According to the Ministry of Road Transport & Highways, National Institute of Technology, Silchar, (NIT Silchar) and National Highways Infrastructure Development Corporation Limited (NHIDCL), have signed an MoU to boost cooperation in the field of highway engineering and other infrastructure works.

"National Highways & Infrastructure Development Corporation Ltd (NHIDCL), a CPSE under the Ministry of Road Transport & Highways has signed MoU with NIT, Silchar on 26th October 2022 for seeking and promoting innovative technologies to find pragmatic solutions to the challenges posed in the construction of highways facing extreme climatic conditions".

● Road & Transport System

National highways account for 2% of the total road network and carry over 40% of total traffic. Highway construction in India increased at 17.00% CAGR between FY16-FY21. Despite the pandemic and lockdown, India has constructed 13,298 km of highways in FY21. In FY21, 13,298 km of the highway was constructed across India.

The market for roads and highways is projected to exhibit a CAGR of 36.16% during 2016-2025. Almost 40% (824) of the 1,824 PPP projects awarded in India until December 2019 were related to roads.

The highways sector in India has been at the forefront of performance and innovation. The government has successfully rolled out over 60 projects worth over US\$ 10 billion based on the Hybrid Annuity Model (HAM). HAM has balanced risk appropriately between private and public partners and boosted PPP activity in the sector.

● Road to Future

The roadmap to India's infrastructure is exciting and the new decade seems to be promising. More and more green and clean initiatives are happening across government bodies in major countries, especially, the Indian government has given the much-needed push to the infrastructure sector in the recent 2021 budget. India is looking at a US\$ 5 trillion economy dream.

As per the Department for Promotion of Industry and Internal Trade (DPIIT), FDIs in the construction development and construction sector stood at US\$ 26.17 billion and US\$ 26.30 billion, respectively, between the period of April 2000 and December 2021. The logistics sector in India is rising at a CAGR of 10.5% annually which shows that both in

terms of investments and revenue the infra game is going strong.

India is now at a juncture where a huge investment in R&D for energy-efficient and green fuel is much-needed. Thus, boosting the overall infrastructure.

● Investments/Developments

Indian real estate sector has witnessed high growth in the recent times with rise in demand for office as well as residential spaces. The Private Equity Investments in India's real estate sector, stood at US\$ 3.4 billion in 2022.

The Securities and Exchange Board of India lowered the minimum application value for Real Estate Investment Trusts from Rs. 50,000 (US\$ 685.28) to Rs. 10,000-15,000 (US\$ 137.06 - US\$ 205.59) to make the market more accessible to small and retail investors.

FDI in the sector (including construction development & activities) stood at US\$ 55.5 billion from April 2000-December 2022.

Some of the major investments and developments in this sector are as follows:

- ▶ Between January-July 2022, private equity investment inflows into the real estate sector in India stood at US\$ 3.27 billion.
- ▶ Home sales across top eight cities in India surged 68% YoY to reach ~308,940 units in 2022, signifying a healthy recovery in the sector.
- ▶ Retail real estate segment attracted institutional investments of US\$ 492 million in 2022.
- ▶ In the third quarter of 2021, the Institutional real estate investment in India increased by 7% YoY. Investment registered in the first nine months of 2022 stood at US\$ 2,977 million, as against US\$ 1,534 million in the same period last year.
- ▶ In November 2021, Ascendas India bought Aurum Ventures' 16-storey commercial tower in Navi Mumbai for Rs. 353 crore (US\$ 47 million), making it the largest deal of a standalone commercial tower by a global institutional investor during the past few years.
- ▶ REA India-owned online real estate company Housing.com tied up with online legal assistance start-ups LegalKart, Lawrato, Vidhikarya and Vakil to offer legal advice and assistance to homebuyers.
- ▶ Top three cities—Mumbai (~39%), NCR-Delhi (~19%) and Bengaluru (~19%)—attracted ~77% of the total investments recorded in the third quarter.
- ▶ India's flexible space stock is likely to expand by 10-15% YoY, from the current 36 million sq. ft., in the next three years, according to a report by CBRE.
- ▶ To establish an investment platform for the Indian retail-led mixed-use assets, in June 2021, GIC announced to acquire a minority stake in Phoenix Mills' portfolio (worth US\$ 733 million).
- ▶ In May 2021, Blackstone Real Estate acquired Embassy Industrial Parks for Rs. 5,250 crore (US\$ 716.49 million) to expand its presence in the country.
- ▶ To expand into the Indian real estate market, SRAM & MRAM Group collaborated with Area CAS Developers and Infrastructure Private Limited (Area Group), and Gupta Builders and Promoters Private Limited (GBP Group) of India. It plans to invest US\$ 100 million in the real estate sector.
- ▶ Private market investor, Blackstone, which has significantly invested in the Indian real estate sector (worth Rs. 3.8 lakh crore (US\$ 50 billion) is seeking to invest an additional Rs. 1.7 lakh crore (US\$ 22 billion) by 2030.

● GOVERNMENT INITIATIVES

Government of India along with the governments of respective States has taken several initiatives to encourage development in the sector. The Smart City Project, with a plan to build 100 smart cities, is a prime opportunity for real estate companies. Below are some of the other major Government initiatives:

- ▶ In the Union Budget 2023-24, the Finance Ministry has announced a commitment of Rs. 79,000 crore (US\$ 9.64 billion) for PM Awas Yojana, which represents a 66% increase compared to the last year.
- ▶ In October 2021, the RBI announced to keep benchmark interest rate unchanged at 4%, giving a major boost to the real estate sector in the country. The low home loan interest rates regime is expected to drive the housing demand and increase sales by 35-40% in the festive season in 2021.

- ▶ Under Union Budget 2021-22, tax deduction up to Rs. 1.5 lakh (US\$ 2069.89) on interest on housing loan, and tax holiday for affordable housing projects have been extended until the end of fiscal 2021-22.
- ▶ The Atmanirbhar Bharat 3.0 package announced by Finance Minister Mrs. Nirmala Sitharaman in November 2020 included income tax relief measures for real estate developers and homebuyers for primary purchase/sale of residential units of value (up to Rs. 2 crore (US\$ 271,450.60) from November 12, 2020 to June 30, 2021).
- ▶ In order to revive around 1,600 stalled housing projects across top cities in the country, the Union Cabinet has approved the setting up of Rs. 25,000 crore (US\$ 3.58 billion) alternative investment fund (AIF).
- ▶ Government has created an Affordable Housing Fund (AHF) in the National Housing Bank (NHB) with an initial corpus of Rs. 10,000 crore (US\$ 1.43 billion) using priority sector lending short fall of banks/financial institutions for micro financing of the HFCs.
- ▶ As of December 31, 2022, India formally approved 425 SEZs, and as of January, 2023, 270 SEZs are operational. Most special economic zones (SEZs) are in the IT/ BPM sector.

● Road Ahead

The Real Estate Investment Trust (REIT) platform, which will allow all types of investors to invest in the Indian real estate market, has been approved by the Securities and Exchange Board of India (SEBI). In the ensuing years, it would produce a market opportunity in India worth Rs. 1.25 trillion (US\$ 19.65 billion). Indian real estate developers have changed tactics and embraced new challenges in response to a consumer base that is becoming more aware and keeping in mind the impact of globalisation.

The transition from family-owned to professionally managed firms has been the most obvious change. Real estate developers are hiring qualified experts in fields like project management, architecture, and engineering in order to fulfil the increased need for managing many projects across cities. They are also investing in centralised processes to source materials and organise labour.

With the ambitious Pradhan Mantri Awas Yojana (PMAY) scheme of the Union Ministry of Housing and metropolitan Affairs, the central government intends to build 20 million affordable houses in metropolitan areas across the country by 2022, the residential sector is likely to increase dramatically. The need for commercial and retail office space will rise as more homes are expected to be built in urban areas.

An estimated 10 million housing units are currently needed in urban areas. By 2030, the country would need an additional 25 million affordable dwelling units to accommodate the increase in the urban population.

The amount of FDI in Indian real estate is increasing, which promotes greater openness. Developers have updated their accounting and management systems to meet due diligence criteria in order to seek investment. Indian real estate is anticipated to draw a sizable amount of FDI over the next two years, with a capital influx of \$8 billion by FY22.

● COMPANY'S VISION

Throughout the past three decades, the Company has expanded in number and joined growing infrastructure segments. After achieving success in the select areas of businesses, the company today has a much more focused approach and is picking projects which suit its credentials, improve its credibility and enrich the society in general. Shradha has secured orders in all these segments for infrastructure development which helped the company grow faster. Shradha is now looking forward to major prospects for new contracts in selected markets. Manufacturing Systems are observed to see growth with some steady feedback from other industrial and infrastructure sectors.

Shradha has adopted a policy to carefully choose new projects based on proper risk assessment. Revenue and Order Book are expected to grow at steady pace. Having achieved a strong market share, the focus is now on improving Operational Excellence, Digitalization of key business processes, improving the Engineering methods by adoption of new techniques in general, Execution capabilities and leadership teams.

On the occasion of completing 26 years in business, we take this opportunity to thank every individual and stakeholder who has contributed to this success story.

● OPPORTUNITIES AND CHALLENGES

Opportunities

As India awaits policy reforms to pick up speed, your Company firmly believes that the demand for Real Estate in a

country like India should remain strong in the medium to long term. Your Company's well accepted brand, contemporary architecture, well designed projects in strategic locations, strong balance sheet and stable financial performance even in testing times make it a preferred choice for customers and shareholders. Your Company is ideally placed to further strengthen its development potential by acquiring new land parcels.

Challenges

While the management of your Company is confident of creating and exploiting the opportunities, it also finds the following challenges:

- ▶ Unforeseen delays in project sanctions;
- ▶ Readiness of accomplished and trained labour force;
- ▶ Concerns due to ongoing pandemic situation;
- ▶ Increased cost of labor manpower;
- ▶ Rising cost of construction lead by increase in commodity prices;
- ▶ Growth in auxiliary infrastructure facilities; and
- ▶ Over regulated environment.

Company Strengths

Your Company continues to capitalize on the market opportunities by leveraging its key strengths.

These include:

1. Brand Reputation: Enjoys higher recall and influences the buying decision of the customer. Strong customer connects further results in higher premium realizations.
2. Execution: Possesses a successful track record of quality execution of projects with contemporary architecture.
3. Strong cash flows: Has built a business model that ensures continuous cash flows from their investment and development properties ensuring a steady cash flow even during the adverse business cycles.
4. Significant leveraging opportunity: Follows conservative debt practice coupled with enough cash balance which provides a significant leveraging opportunity for further expansions.
5. Outsourcing: Operates an outsourcing model of appointing globally renowned architects/contractors that allows scalability and emphasizes contemporary design and quality construction – a key factor of success.
6. Transparency: Follows a strong culture of corporate governance and ensures transparency and high levels of business ethics.
7. Highly qualified execution team: Employs experienced, capable and highly qualified design and project management teams who oversee and execute all aspects of project development.

● INTERNAL CONTROL SYSTEM

The Company has a sufficient system of internal controls to support management's evaluation of the effectiveness of the financial and operational controls and to provide assurance on adherence to the Company's established systems and procedures. Internal Controls and paperwork are in place for all actions in accordance with the requirements of the Companies Act, 2013, which was passed in 2013. Internal auditors and statutory auditors have independently examined internal financial controls (IFC) at the entity and operational levels and have both expressed satisfaction with the efficacy of the controls. To guarantee that transactions are properly authorised, accurately recorded, and that assets are protected, controls are periodically reviewed. The Audit Committee periodically examines the conclusions and suggestions made by the Auditors and makes any necessary corrections.

The Company has also concentrated on modernising the IT infrastructure, including the hardware and software components. To make sure that the controls are operating effectively in all of the company's major functional areas, the company is now examining the process documentation.

● RISKS AND CONCERNS:

To manage risks with the ultimate goal of maximising stakeholders' value, the company has an integrated and organised enterprise risk management process. At Shradha, the risk management process typically entails risk identification, assessment, prevention, prioritisation, and monitoring. With the aid of this technique, the Company is better able to take informed decisions about the creation of opportunities, effectively manage risks to acceptable levels, and enhance confidence in the accomplishment of its desired goals and objectives.

● Risk Management Framework

The Company has a defined Risk Management policy applicable to all businesses of the Company. This aids in locating, evaluating, and minimising risk that might affect the Company's productivity and attainment of its corporate goals. The various business and functional chiefs across the organisation keep a close eye on the risks. The Company is subject to a number of risk factors because of the nature of the industry it operates in. These risk factors can be broadly categorised as political, competitive, operational, and financial concerns. From the pre-bid phase through project execution and project conclusion, risk management procedures are followed at all times.

Future projects incorporate the key project takeaways after an analysis of the key project learnings. The Company regularly holds knowledge-sharing workshops to reinforce the fundamentals of risk management, as well as its requirements and advantages. Independent directors and senior management make up the company's risk management committee. The Risk Management Committee evaluates each major risk that has been identified as well as any new threats on a quarterly basis and determines the status of any plans or mitigation measures.

● HUMAN RESOURCE (HR)

SHRADHA always believes in 'Human Resources are an important asset' of our organization. In this current rapidly changing Economic, Socio-Political business world of VUCA (Volatile, Uncertain, Complex and Ambiguous) environment, sustainability of the companies for decades is a rare instance. The Company draws its strength from a highly skilled and engaged workforce whose collective commitment has helped the organization to scale new heights by celebrating 24 years of successful execution of projects. HR function is fully specialized to respond to varied Human Resource needs of Company's business verticals to enable each Division to maintain the human strategic advantage.

● HEALTH AND SAFETY:

SHRADHA has always held the view that our company's human resources are a valuable asset. Sustainability of the firms for decades is an uncommon occurrence in today's fast evolving economic, sociopolitical, and business climate of VUCA (Volatile, Uncertain, Complex, and Ambiguous) environment. The Company's highly experienced and dedicated personnel, whose combined dedication has enabled the organisation to reach new heights by celebrating 24 years of project success, is its greatest asset. Each Division is able to preserve the human strategic advantage

thanks to the HR function's complete specialisation in responding to the various human resource needs of the Company's business verticals.

● HEALTH AND SAFETY:

SHRADHA is dedicated to the workers' health and safety at all times. All employees are given a tidy, sanitary, and welcoming workplace by your company. Your company has increased its efforts to guarantee the health and safety of its employees during the epidemic. All buildings and sites undergo routine cleaning, social distance standards are observed, sanitizers are installed in various places, visitor entryways are kept to a minimum, and masks are required. Weekly mailers are distributed to employees to inform them of the safety precautions to be taken during pandemic times..

● OUTLOOK

The historical sales momentum may slow down a little as we move into 2022–2023, but it will still be strong enough to tell a happy tale. Contrary to the previous year, the infrastructure and real estate sectors are presently expanding thanks to motivated home purchasers. Construction activity has restarted and work is progressing more quickly to meet obligations now that the majority of the workers who were forced to leave during the lockdown have returned.

There are many homes in India that are unsold but are ready for occupants, and there is no GST to be paid because occupation certificates have already been given. Additionally, this has encouraged homebuyers to approach real estate as a proactive investment.

● CAUTIONARY STATEMENT

The forward-looking statements in this management discussion and analysis reflect the current beliefs of your company on upcoming developments and financial performance. Numerous factors could cause the actual outcomes to significantly deviate from those projected in the forward-looking statements.

The Company disclaims all liability and obligation to publicly update or revise any forward-looking statements to reflect new information, future developments, or other factors. Actual results could significantly vary from those projected in the statement. The regulatory authority's determination of tariff and other charges and levies, changes to government rules and tax laws, local economic trends, as well as other elements on a worldwide scale, are important variables that could have an impact on the company's operations.

The Company's financial statements are prepared using the historical cost convention, on the accrual basis of accounting, and in compliance with Section 133 of the Companies Act, 2013 (the "Act") and the Indian Accounting Standards. In order for the financial statements to accurately and fairly depict the situation and profit for the year, the management of SHRADHA INFRAPROJECTS LIMITED ("SHRADHA") has employed estimates and judgements relevant to the financial accounts on a cautious and reasonable basis.

INDEPENDENT AUDITOR'S REPORT

To the Members of,
Shradha Infraprojects Limited,
CIN- L45200MH1997PLC110971,

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **Shradha Infraprojects Limited (CIN- L45200MH1997PLC110971)** ("the Company"), which comprise the Balance Sheet as at 31st March 2023, and the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and Notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current year. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

A. Inventories -

Key Audit Matter	How the matter was addressed in our audit
Assessment of net realisable value (NRV) of inventories. Inventories on construction of residential/ commercial units comprising ongoing and completed projects, initiated but un-launched projects and land stock, represents a significant portion of the Company's total assets.	Our audit procedures to assess the net realisable value (NRV) of inventories included and were not limited to the following:: Enquiry with the Company's personnel to understand the basis of computation and justification for the estimated recoverable amounts of the unsold units ("the NRV assessment");

Key Audit Matter	How the matter was addressed in our audit
	● Considered the ready reckoner / stamp duty valuation rates for land and construction thereof considering the location of the projects. ● Considered market rates prevailed during the year for land and construction thereof based on the location of the projects, based on available information. ● Obtained & reviewed the management assessment of the NRV including judgement and estimates applied in valuations. ● Performed subsequent event procedures upto the date of the audit report

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A- a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act read with relevant rules.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing

or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The interim dividend declared and paid by the Company during the year and until the date of this report is in compliance with Section 123 of the Act.
- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

- iv) In our opinion and according to the information and explanations provided by the management, the Company has complied with the provisions of Sections 185 and 186 of the Act, to the extent applicable in respect of grant of loans, making investments and providing guarantees and securities.
- v) The Company has not accepted deposits within the meaning of section 73 and 76 of the act and the companies (acceptance of deposits) rules, 2014 (as amended) during the year and does not have any unclaimed deposits as at March 31, 2023 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
- vi) The maintenance of cost records has not been specified by the Central Government under subsection (1) of section 148 of the Act, for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.

- vii) a) According to the records of the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Income Tax, and other material statutory dues applicable to it with the appropriate authorities.
- There were no undisputed amounts payable in respect of Goods and Service tax, Income Tax and other material statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable.
- b) According to the records of the Company, there are no disputed dues of Goods and Services tax, Income Tax and other material statutory dues, which have not been deposited on account of any dispute.
- viii) To the best of our knowledge and according to the information and explanation provided by the management, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix) a) The company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender
- b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- d) On an overall examination of the Standalone Financial Statements of the Company, no short-term funds have been utilized for long term purpose and hence, reporting under clause 3(ix)(d) of the Order is not applicable.
- e) On an overall examination of the Standalone Financial Statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary company.
- f) The company has not raised any loans during the year, hence reporting on clause 3(ix)(f) of the orders is not applicable.
- x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) According to the information and explanation given to us, the Company has not received any whistle-blower complaints during the year.
- xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii) In our opinion and according to the information and explanations given to us transactions with related parties are in compliance with the provisions of section 177 and 188 of companies act, 2013 wherever applicable and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv) a. In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- b. We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

- xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi) a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii) There has been no resignation of the statutory auditors of the Company during the year.
- xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx) During current year, the Company is not required to spend funds towards Corporate Social Responsibility and accordingly reporting under this clause (xx) is not applicable. However, it has voluntarily contributed towards CSR a sum of Rs.1 lakh.

Annexure - B to the Independent Auditors' Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Shradha Infraprojects Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Shradha Infraprojects Limited (CIN-L45200MH1997PLC110971)**, ("the Company") as of 31st March, 2023 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safe guarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Control over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

The Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. The Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and

expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

SHRADHA INFRAPROJECTS LIMITED
Notes forming part of the financial statements
For the year ended 31st March, 2023

NOTE 1: Corporate Information

Shradha Infraprojects Limited was incorporated under the Companies Act, 1956 as a private limited company in the state of Maharashtra. The status of the company was changed from Private to Public and subsequently to, the Listed-Public Limited Company. The Registered office of company is situated at Shradha House, Near Shri Mohini Complex, Kingsway, Block No F/8, Nagpur- 440001 Maharashtra, India.

The Company is engaged in the business of construction of commercial complexes, residential houses, business premises or civil work of every type and dealing in real estate properties.

NOTE 2 :Statement on Significant Accounting Policies

The significant accounting policies applied by the company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements, unless otherwise indicated.

1. Statement of compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

2. Basis of Presentation :

These financial statements have been prepared in Indian Rupee (Rs.) which is the functional currency of the Company.

The financial statements have been prepared under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair values by Ind AS and inventories at Cost or NRV whichever is lower. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in orderly transaction between market participants at the measurement date.

3. Use of Estimates :

In preparation of the financial statements, the Company makes judgments, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Significant judgments and estimates relating to the carrying values of assets and liabilities include useful lives of property, plant and equipment and intangible assets, impairment of property, plant and equipment, intangible assets and investments, provision for employee benefits and other provisions, recoverability of deferred tax assets, commitments and contingencies.

4. Revenue Recognition :

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The specific recognition criteria described below must also be met before revenue is recognized.

i) Recognition of revenue from real estate projects

Revenue is recognized upon transfer of control of units to customers, in an amount that reflects the consideration the Company expects to receive in exchange for those units. The Company shall determine the performance obligations associated with the contract with customers at contract inception and also determine whether they satisfy the performance obligation over time or at a point in time. In case of residential units, the company satisfies the performance obligation and recognizes revenue at a point in time i.e., upon handover of the residential units.

ii) Dividend income

Dividend income is accounted in the period in which the right to receive the same is established.

iii) Interest income

Interest income, including income arising from other financial instruments, is recognized using the effective interest rate method on time proportionate basis.

iv) Rental Income

Rental income is accounted for on accrual basis except in cases where ultimate collection is considered doubtful. Income earned through rental of company's properties invoiced for fixed monthly charges or time proportionate basis.

5. Property, Plant and Equipment :

All the items of Property, Plant and Equipment are carried at its cost less any accumulated depreciation and any accumulated impairment losses under Cost Model. The cost of an item of property, plant and equipment comprises:

- (a) Its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- (b) Any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.
- (c) The initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which a company incurs, either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.

Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item depreciated separately. However, significant part(s) of an item of PPE having same useful life and depreciation method are grouped together in determining the depreciation charge.

Costs of the day-to-day servicing described as for the 'repairs and maintenance' are recognized in the statement of profit and loss in the period in which the same are incurred.

Subsequent cost of replacing parts significant in relation to the total cost of an item of property, plant and equipment are recognized in the carrying amount of the item, if it is probable that future economic benefits associated with the item will flow to the company; and the cost of the item can be measured reliably. The carrying amount of those parts that are replaced is de-recognized in accordance with the de-recognition policy mentioned below.

When major inspection is performed, its cost is recognized in the carrying amount of the item of property, plant and equipment as a replacement if it is probable that future economic benefits associated with the item will flow to the company; and the cost of the item can be measured reliably. Any remaining carrying amount of the cost of the previous inspection (as distinct from physical parts) is de-recognized.

An item of Property, plant or equipment is de-recognized upon disposal or when no future economic benefits are expected from the continued use of assets. Any gain or loss arising on such de-recognition of an item of property plant and equipment is recognized in Profit and Loss.

Depreciation on property, plant and equipment, except freehold land, is provided as per cost model on written down value over the estimated useful lives of the asset as follows:

Building	:	60 Years
Plant and Machinery	:	15 years
Furniture and Fixtures	:	10 years
Computers	:	3 years
Office equipment	:	5 years
Electrical Installation	:	10 Years

Based on technical evaluation, the management believes that the useful lives given above best represents the period over which the management expects to use the asset. Hence the useful lives of the assets are same as prescribed under Part C of schedule II of Companies Act, 2013.

The estimated useful life of the assets is reviewed at the end of each financial year. The residual value of Property, plant and equipment considered as 5% of the original cost of the asset. Depreciation on the assets added / disposed of during the year is provided on pro-rata basis with reference to the month of addition / disposal.

Transition to Ind AS

The company elected to continue with the carrying value as per cost model for all of its property, plant and equipment as recognized in the financial statements as at the date of transition to Ind ASs, measured as per the previous GAAP.

6. Intangible Assets

Intangible assets comprise of Trademark. These assets are stated at cost, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably, less accumulated amortization and accumulated impairment losses, if any.

The cost of an item of Intangible assets comprises of its purchase price including import duties and other nonrefundable purchase taxes or levies, and directly attributable cost of bringing the asset to its working condition for its intended use, if any. Any trade discounts and rebates are deducted in arriving at the purchase price. Expenditure related to plans, designs and drawings of buildings or plant and machinery is capitalized under relevant heads of intangible assets if the recognition criteria are met.

7. Depreciation:

Depreciation on Tangible Assets is provided on WDV basis in the manner and at the rates prescribed in Schedule II to the companies Act, 2013.

The carrying cost of assets is reviewed at each balance sheet date to determine if there is any indication of impairment thereof based on external/ internal factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds their recoverable amounts, which represent the greater of the net selling price of assets and their 'value in use'. The estimated future cash flows are discounted to their present value at appropriate rate arrived at after considering the prevailing interest rate and weighted average cost of capital.

8. Impairment (Other than Financial Assets) :

At each balance sheet date, the Company reviews the carrying values of its property, plant and equipment and intangible assets to determine whether there is any indication that the carrying value of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss (if any).

Where the asset does not generate cash flows that are independent from other assets, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current

market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. An impairment loss is recognized in the statement of profit and loss as and when the carrying value of an asset exceeds its recoverable amount.

Where an impairment loss subsequently reverses, the carrying value of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount so that the increased carrying value does not exceed the carrying value that would have been determined had no impairment loss been recognized for the asset (or cash generating unit) in prior years. The remaining reversal of an impairment loss is recognized in the statement of profit and loss immediately.

9. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets and Financial Liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognized in the statement of profit and loss.

Effective interest method

The effective interest method is a method of calculating the amortized cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

(a) Financial assets:

Cash and Bank Balances :

- (i) Cash and cash equivalents - which includes cash in hand, deposits held at call with banks and other short term deposits which have maturities of less than one year from the date of such deposits.
- (ii) Other bank balances - which includes balances and deposits with banks that are restricted for withdrawal and usage.

Financial assets at amortized cost:

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at Fair Value:

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company in respect of equity investments (other than in subsidiaries, associates and joint ventures) which are not held for trading has made an irrevocable election to presentation other comprehensive income subsequent changes in the fair value of such equity instruments. Such an election is made by the Company on an instrument by instrument basis at the time of initial recognition of such equity investments.

Financial asset not measured at amortized cost or at fair value through other comprehensive income is carried at fair value through the statement of profit and loss.

Impairment of financial assets

Loss allowance for expected credit losses is recognized for financial assets measured at amortized cost and fair value through other comprehensive income. The Company recognizes life time expected credit losses for all trade receivables that do not constitute a financing transaction.

For financial assets whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognized. Loss allowance equal to the lifetime expected credit losses is recognized if the credit risk on the financial instruments has significantly increased since initial recognition.

De-recognition of financial assets

The Company de-recognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

(b) Financial Liabilities and Equity Instruments:**Classification as debt or equity**

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortized cost, using the effective interest rate method where the time value of money is significant.

Interest bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortized cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognized over the term of the borrowings in the statement of profit and loss.

De-recognition of financial liabilities

The Company de-recognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

Reclassification of financial assets

The company determines classification of financial assets and liabilities on initial recognition. After initial recognition of financial assets and financial liabilities, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The company's senior management determines change in the business model as a result of external or internal changes which are significant to the company's operations.

Such changes are evident to external parties. A change in the business model occurs when the company either begins or ceases to perform an activity that is significant to its operations. If the group reclassifies financial

assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The company does not restate any previously recognized gains, losses (including impairment gains or losses) or interest.

The following table shows various reclassification and how they are accounted for:

Original classification	Revised classification	Accounting treatment
Amortised cost	FVTPL	Fair value is measured at reclassification date. Difference between previous amortized cost and fair value is recognised in P&L.
FVTPL	Amortised Cost	Fair value at reclassification date becomes its new gross carrying amount. EIR is calculated based on the new gross carrying amount.
Amortised cost	FVTOCI	Fair value is measured at reclassification date. Difference between previous amortised cost and fair value is recognised in OCI. No change in EIR due to reclassification.
FVTOCI	Amortised cost	Fair value at reclassification date becomes its new amortised cost carrying amount. However, cumulative gain or loss in OCI is adjusted against fair value. Consequently, the asset is measured as if it had always been measured at amortised cost.
FVTPL	FVTOCI	Fair value at reclassification date becomes its new carrying amount. No other adjustment is required.
FVTOCI	FVTPL	Assets continue to be measured at fair value. Cumulative gain or loss previously recognized in OCI is reclassified to P&L at the reclassification date.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

10. Inventories :

Inventories are stated at the lower of cost and net realizable value. Costs comprise direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the inventories to their present location and condition. Net realizable value is the price at which the inventories can be realized in the normal course of business after allowing for the cost of conversion from their existing state to a finished condition and for the cost of marketing, selling and distribution.

10. Cash and cash equivalents :

Cash and cash equivalents comprise cash at bank and in hand and short-term investments with a balance maturity of three months or less.

11. Income Taxes :

A. Current Tax

Provision for current income tax is made in accordance with the Income Tax Act, 1961. As book profit is in excess of profit as per income tax act, provision for taxation has been created for taking into consideration MAT provisions as laid down in Section 115 JB of the Income Tax Act, 1961 and MAT credit receivable has been disclosed under current assets.

B. Deferred Tax

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying values of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using the balance sheet liability method.

Deferred tax liabilities are generally recognized for all taxable temporary differences. In contrast, deferred tax assets are only recognized to the extent that it is probable that future taxable profits will be available against

which the temporary differences can be utilized. Current and deferred tax are recognized as an expense or income in the statement of profit and loss, except when they relate to items credited or debited either in other comprehensive income or directly in equity, in which case the tax is also recognized in other comprehensive income or directly in equity.

C. **Minimum Alternative Tax (MAT)**

Minimum Alternative Tax (MAT) paid in accordance with the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability is considered as an asset if there is convincing evidence that the Company will pay normal tax after the tax holiday period. Accordingly, it is recognized as an asset in the Balance Sheet when it is probable that the future economic benefit associated with it will flow to the Company and the asset can be measured reliably.

13. Provisions :

A provision is recognized when the Company has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or reliable estimate of the amount cannot be made, is also termed as contingent liability. A contingent asset is neither recognized nor disclosed in the financial statements.

14. Employee Benefits

Short term Employees Benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and they are recognized in the period in which the employee renders the related service. The Company recognize the undiscounted amount of short-term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

Post Employee Benefits:

i. **Defined Benefit Plans:**

Gratuity, which is a defined benefit plan, is accrued based on an independent actuarial valuation, which is done based on project unit credit method as at the balance sheet date. The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability / (asset) are recognized in other comprehensive income. In accordance with Ind AS, re-measurement gains and losses on defined benefit plans recognized in OCI are not to be subsequently reclassified to statement of profit and loss. As required under Ind AS compliant Schedule III, the Company transfers it immediately to retained earnings.

15. Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per shares is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per shares and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

SHRADHA INFRAPROJECTS LIMITED

Notes forming part of Balance Sheet as on 31st March, 2023

Note 29:**Financial risk management**

The Company's activities expose it to the following risks:

Credit risk
Interest risk
Liquidity risk

A Credit risk

Credit Risk is the risk that counter party will not meet its obligations under a financial instruments or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and unbilled revenue) and from its financing activities including deposits with banks and financial institutions, investments, foreign exchange transactions and other financial instruments.

i Trade receivables

Credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored.

The impairment analysis is performed at each reporting date on an individual basis for clients. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security.

Credit risk exposure

The Company's credit period generally ranges from 30 – 60 days are as below.

(Rs. In lakhs)

Particulars	As at 31 March 2023	As at 31 March 2022
Trade receivables	42.71	65.62
Work in progress	1,523.39	984.08
Total	1,566.10	1,049.70

The Company evaluates the concentration of risk with respect to trade receivables as low as they are spread across multiple geographies and multiple industries.

ii Financial instruments and deposits with banks

Credit risk is limited as we generally invest in deposits with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies. Counterparty credit limits are reviewed by the Company periodically and the limits are set to minimize the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

B Liquidity risk

Liquidity is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company believes that the cash and cash equivalents is sufficient to meet its current requirements. Accordingly no liquidity risk is perceived.

The break-up of cash and cash equivalents, deposits and investments is as below.

(Rs. In lakhs)

Particulars	As at 31st March 2023	As at 31st March 2022
Cash and cash equivalent	4.80	4.76
Bank balance other cash and cash equivalent	0.18	-
Total	4.99	4.76

Note 30:**Financial instruments**

The fair value of the financial assets are included at amounts at which the instruments could be exchanged in a current transaction between willing parties other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair value:

(a) Fair value of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, approximate their carrying amounts largely due to the short-term maturities of these instruments.

b) Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, if require, allowances are taken to account for the expected losses of these receivables.

A Financial instruments by category

(₹ in lakhs)

The carrying value and fair value of financial instruments by categories as at 31st March 2023 were as follows:

INDEPENDENT AUDITOR'S REPORT

To the Members of,

Shradha Infraprojects Limited,

CIN : L45200MH1997PLC110971

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Shradha Infraprojects Limited CIN : L45200MH1997PLC110971** (hereinafter referred to as the 'Holding Company') and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March 2023, and the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and Statement of, and the Consolidated Cash Flows Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements, give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2023 and their consolidated profit, their consolidated total comprehensive income, their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current year. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

A. Inventories -

The Key Audit matters	How our audit addressed the key audit matter/Auditor's Response
Assessment of net realisable value (NRV) of inventories. Inventories on construction of residential/ commercial units comprising ongoing & completed projects, initiated but un-launched projects and land stock, represents a significant portion of the Company's total assets.	Our audit procedures to assess the net realisable value (NRV) of inventories included and were not limited to the following: ● Enquiry with the Company's personnel to understand the basis of computation and justification for the estimated recoverable amounts of the unsold units ("the NRV assessment"); ● Considered the ready reckoner / stamp duty valuation rates for land and construction thereof considering the location of the projects. ● Considered market rates prevailed during the year for land and construction thereof based on the location of the projects, based on available information. ● Obtained and reviewed the management assessment of the NRV including judgement and estimates applied in valuations. ● Performed subsequent event procedures upto the date of the audit report.

Information Other than the Consolidated Financial Statements and Auditor's Report

Thereon The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Boards of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Boards of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Boards of Directors either intend to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

The respective Boards of Directors of the companies included in the Group are also responsible for overseeing the

financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion.

Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements for the financial year ended March 31, 2023 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the Financial Statements of 3 subsidiary companies whose financial statements reflect total assets of **Rs. 21,586.53 Lakhs** as at March 31, 2023, total revenue of **Rs. 8,939.83 Lakhs** and net cash (outflow)/ inflow amounting to **Rs. 9.11 Lakhs** for the year ended on that date. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the other subsidiary company, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiary companies, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept by the Company so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Company as on 31st March, 2023 taken on record by the Board of Directors of the Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in **"Annexure A"** which is based on the auditors' reports of the Company and its subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of those companies.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

Annexure - A to the Independent Auditors' Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Shradha Infraprojects Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Shradha Infraprojects Limited CIN : L45200MH1997PLC110971** (hereinafter referred to as the "Company") and its subsidiary companies as of 31st March, 2023 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Boards of Directors of the Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI") and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide

reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the criteria for internal financial control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to standalone financial statements of its subsidiaries which is company incorporated in India, is based on the corresponding report of the auditor of such company.

SHRADHA INFRAPROJECTS LIMITED
Notes forming part of the Consolidated Financial Statements
For the year ended 31st March, 2023

Note 1: Corporate Information :

Shradha Infraprojects Limited was incorporated under the Companies Act, 1956 as a private limited company in the state of Maharashtra. The status of the company was changed from Private to Public and subsequently to, the Listed-Public Limited Company. The Registered office of company is situated at Shradha House, Near Shri Mohini Complex, Kingsway, Block No F/8, Nagpur- 440001 Maharashtra, India.

The Holding Company and its subsidiaries are engaged in the business of construction of commercial complexes, residential houses, business premises or civil work of every type and dealing in real estate properties.

NOTE 2: Statement on Significant Accounting Policies

The significant accounting policies applied by the company in the preparation of its consolidated financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements, unless otherwise indicated.

1. Statement of compliance

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

2. Basis of Presentation :

These financial statements have been prepared in Indian Rupee which is the functional currency of the Company.

The financial statements have been prepared under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair values by Ind AS and inventories at weighed average cost or net realizable value whichever is lower (Refer Note number 2.8 & 2.9). Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in orderly transaction between market participants at the measurement date.

3. Principles of Consolidation:

The Consolidated financial Statements relate to Shradha Infraprojects Limited ('The Company') and its subsidiaries. The Consolidated Financial Statements have been prepared on the following basis:

- i) The financial statements of the company and its subsidiaries companies have been combined on a line by line basis by adding together book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions in accordance with the Indian Accounting Standard (Ind AS) 110 - "Consolidated Financial Statements."
- ii) The consolidated financial statements have been prepared using uniform accounting policies for the like transactions and other events in similar circumstances and are presented in the same manner as the Company's separate financial statements except revenue recognition. Revenue recognition policy of the Holding company and its subsidiaries (i.e. Mrugnayani Infrastructures Private limited, Suntech Infraestate Nagpur Private Limited & Active Infrastructures Private Limited) and step down subsidiaries (i.e. Achievers Ventures Private Limited and Digvijay Shradha Infrastructures Private Limited) is different and that is set out under this Note 2.5. No adjustments has been done in accounting in order to use uniform revenue accounting policy as it is not practicable in preparing the consolidated financial statements.

- iii) The difference between the cost of investment in the subsidiaries, over the net assets at the time of acquisition of shares in the Subsidiaries is recognized in the financial statements as Goodwill or Capital Reserve, as the case may be.
- iv) The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as of the date of disposal is recognized in the consolidated Profit and Loss Statement being the profit or loss on disposal of investment in subsidiary.
- v) The share of non-controlling interest in net profit of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- vi) Share of non-controlling interest in net assets of consolidated subsidiaries is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the Company's shareholders.
- vii) As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in same manner as the company's separate financial statements.

The Subsidiaries considered in the preparation of these consolidated financial statement are:

Name of the Subsidiary	Type of company	Proportionate of ownership as on 31st Mar, 2023	Proportionate of ownership as on 31st Mar, 2022
Mrugnayani Infrastructures Private Limited	Subsidiary company	51 %	51%
Suntech Infraestate Nagpur Private Limited	Wholly Owned Subsidiary company	100%	100%
Active Infrastructures Private Limited	Wholly Owned Subsidiary company	100%	100%
Achievers Ventures Private Limited	Step Down Subsidiary Company	51%	51%
Digvijay Shradha Infrastructures Private Limited	Step Down Subsidiary Company	50.5%	-

4. Use of Estimates:

In preparation of the consolidated financial statements, the Company makes judgments, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Significant judgments and estimates relating to the carrying values of assets and liabilities include useful lives of property, plant and equipment and intangible assets, impairment of property, plant and equipment, intangible assets and investments, provision for employee benefits and other provisions, recoverability of deferred tax assets, commitments and contingencies.

5. Revenue Recognition:

- i) **Revenue recognition criteria:** Revenue is recognized when it is probable that the economic benefits will be received by the company and when the revenue can be reliably measured. This involves considering the fair value of the consideration received or receivable, taking into account contractual terms of payment and excluding government taxes or duties.

- a. **Residential and commercial units:** Revenue is recognized upon the transfer of control of residential and commercial units to customers. The amount of revenue recognized reflects the consideration expected to be received in exchange for those units. The company determines

the performance obligations associated with the contract at the beginning and decides whether they are satisfied over time or at a specific point in time. For residential and commercial units, revenue is recognized at a specific point in time, which is the handover of the units to the customers.

b. Turnkey Projects: Revenue is recognized upon satisfaction of stipulated milestones specified in the contract with customers. The amount of revenue recognized reflects the consideration expected to be received in exchange of satisfaction of performance obligations. The company determines the performance obligations associated with the contract at the beginning and decides whether they are satisfied over time or at a specific point in time. For turnkey projects, revenue is recognized at a specific point in time, which is the satisfaction of stipulated milestones specified in the contract with customers.

c. Financing component: If a contract contains a significant financing component, the promised amount of consideration may be adjusted to account for the time value of money. In such cases, revenue recognition is based on the cash selling price of the transferred residential or commercial unit or turnkey projects.

ii) Dividend income

Revenue is recognized when the shareholders' or unit holders' right to receive payment is established, which is generally when shareholder approve the dividend.

iii) Interest income

Interest income, including income arising from other financial instruments, is recognized using the effective interest rate method.

iv) Rental Income

Rental income is accounted for on accrual basis except in cases where ultimate collection is considered doubtful. Income earned through rental of group's properties invoiced for fixed monthly charges or time proportionate basis.

6. Property, Plant and Equipment:

All the items of Property, Plant and Equipment are carried at its cost less any accumulated depreciation and any accumulated impairment losses under Cost Model. The cost of an item of property, plant and equipment comprises:

- (a) Its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- (b) Any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.
- (c) The initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which a group incurs, either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.

Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item depreciated separately. However, significant part(s) of an item of PPE having same useful life and depreciation method are grouped together in determining the depreciation charge.

Costs of the day-to-day servicing described as for the 'repairs and maintenance' are recognized in the statement of profit and loss in the period in which the same are incurred.

Subsequent cost of replacing parts significant in relation to the total cost of an item of property, plant and equipment are recognized in the carrying amount of the item, if it is probable that future

economic benefits associated with the item will flow to the group; and the cost of the item can be measured reliably. The carrying amount of those parts that are replaced is de-recognized in accordance with the de-recognition policy mentioned below.

When major inspection is performed, its cost is recognized in the carrying amount of the item of property, plant and equipment as a replacement if it is probable that future economic benefits associated with the item will flow to the group; and the cost of the item can be measured reliably. Any remaining carrying amount of the cost of the previous inspection (as distinct from physical parts) is de-recognized.

An item of Property, plant or equipment is de-recognized upon disposal or when no future economic benefits are expected from the continued use of assets. Any gain or loss arising on such de-recognition of an item of property plant and equipment is recognized in Profit and Loss.

Depreciation on property, plant and equipment, except freehold land, is provided as per cost model on straight line basis over the estimated useful lives of the asset as follows:

Building	:	60 Years
Plant and Machinery	:	15 years
Furniture and Fixtures	:	10 years
Computers	:	3 years
Office equipment	:	5 years
Electrical Installation	:	10 Years

Based on technical evaluation, the management believes that the useful lives given above best represents the period over which the management expects to use the asset. Hence the useful lives of the assets are same as prescribed under Part C of schedule II of Companies Act, 2013 estimated useful life of the assets is reviewed at the end of each financial year. The residual value of Property, plant and equipment considered as 5% of the original cost of the asset. Depreciation on the assets added / disposed of during the year is provided on pro-rata basis with reference to the month of addition / disposal.

7. Depreciation:

Depreciation on Tangible Assets is provided on WDV basis in the manner and at the rates prescribed in Schedule II to the companies Act, 2013.

The carrying cost of assets is reviewed at each balance sheet date to determine if there is any indication of impairment thereof based on external/ internal factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds their recoverable amounts, which represent the greater of the net selling price of assets and their 'value in use'. The estimated future cash flows are discounted to their present value at appropriate rate arrived at after considering the prevailing interest rate and weighted average cost of capital.

8. Impairment (Other than Financial Assets):

At each balance sheet date, the Group reviews the carrying values of its property, plant and equipment and intangible assets to determine whether there is any indication that the carrying value of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss (if any).

Where the asset does not generate cash flows that are independent from other assets, the Group estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. An impairment loss is recognized in the

statement of profit and loss as and when the carrying value of an asset exceeds its recoverable amount. Where an impairment loss subsequently reverses, the carrying value of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount so that the increased carrying value does not exceed the carrying value that would have been determined had no impairment loss been recognized for the asset (or cash generating unit) in prior years. The remaining reversal of an impairment loss is recognized in the statement of profit and loss immediately.

9. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets and Financial Liabilities are recognized when the Group becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit & loss are immediately recognized in the statement of profit & loss.

Effective interest method

The effective interest method is a method of calculating the amortized cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

(a) Financial assets :

Cash and Bank Balances :

- (i) Cash and cash equivalents - which includes cash in hand, deposits held at call with banks and other short term deposits which have maturities of less than one year from the date of such deposits.
- (ii) Other bank balances - which includes balances and deposits with banks that are restricted for withdrawal and usage.

Financial assets at amortized cost:

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at Fair Value:

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Group in respect of equity investments (other than in subsidiaries, associates and joint ventures) which are not held for trading has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of such equity instruments. Such an election is made by the Company on an instrument-by-instrument basis at the time of initial recognition of such equity investments.

Financial asset not measured at amortized cost or at fair value through other comprehensive income is carried at fair value through the statement of profit and loss.

Impairment of financial assets

Loss allowance for expected credit losses is recognized for financial assets measured at amortized cost and fair value through other comprehensive income. The Group recognizes life time expected credit losses for all trade receivables that do not constitute a financing transaction.

For financial assets whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognized. Loss allowance equal to the lifetime expected credit losses is recognized if the credit risk on the financial instruments has significantly increased since initial recognition.

De-recognition of financial assets

The Group de-recognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

b) Financial Liabilities and Equity Instruments:**Classification as debt or equity**

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortized cost, using the effective interest rate method where the time value of money is significant.

Interest bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortized cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognized over the term of the borrowings in the statement of profit and loss.

De-recognition of financial liabilities

The Group de-recognizes financial liabilities when, and only when, the Group's obligations are discharged, cancelled or they expire.

Reclassification of financial assets

The group determines classification of financial assets and liabilities on initial recognition. After initial recognition of financial assets and financial liabilities, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The group's senior management determines change in the business model as a result of external or internal changes which are significant to the company's operations.

Such changes are evident to external parties. A change in the business model occurs when the company either begins or ceases to perform an activity that is significant to its operations. If the group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The company does not restate any previously recognized gains, losses (including impairment gains or losses) or interest.

The following table shows various reclassification and how they are accounted for :

Original classification	Revised classification	Accounting treatment
Amortised cost	FVTPL	Fair value is measured at reclassification date. Difference between previous amortized cost and fair value is recognised in P&L.
FVTPL	Amortised Cost	Fair value at reclassification date becomes its new gross carrying amount. EIR is calculated based on the new gross carrying amount.
Amortised cost	FVTOCI	Fair value is measured at reclassification date. Difference between previous amortised cost and fair value is recognised in OCI. No change in EIR due to reclassification.
FVTOCI	Amortised cost	Fair value at reclassification date becomes its new amortised cost carrying amount. However, cumulative gain or loss in OCI is adjusted against fair value. Consequently, the asset is measured as if it had always been measured at amortised cost.
FVTPL	FVTOCI	Fair value at reclassification date becomes its new carrying amount. No other adjustment is required.
FVTOCI	FVTPL	Assets continue to be measured at fair value. Cumulative gain or loss previously recognized in OCI is reclassified to P&L at the reclassification date.

10. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

11. Cash and cash equivalents:

Cash and cash equivalents comprise cash at bank and in hand and short-term investments with a balance maturity of three months or less.

12. Inventories:

Inventories are stated at the lower of weighted average cost and net realizable value. Costs comprise direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the inventories to their present location and condition. Net realizable value is the price at which the inventories can be realized in the normal course of business after allowing for the cost of conversion from their existing state to a finished condition and for the cost of marketing, selling and distribution.

13. Income Taxes:

A. Current Tax

Provision for current income tax is made in accordance with the Income Tax Act, 1961. As book profit is in excess of profit as per income tax act, provision for taxation has been created for taking into consideration MAT provisions as laid down in Section 115 JB of the Income Tax Act, 1961 and MAT credit receivable has been disclosed under current assets.

B. Deferred Tax

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying values of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognized for all taxable temporary differences.

In contrast, deferred tax assets are only recognized to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilized. Current and deferred tax are recognized as an expense or income in the statement of profit and loss, except when they relate to items credited or debited either in other comprehensive income or directly in equity, in which case the tax is also recognized in other comprehensive income or directly in equity.

C. Minimum Alternative Tax (MAT)

Minimum Alternative Tax (MAT) paid in accordance with the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability is considered as an asset if there is convincing evidence that the Group will pay normal tax after the tax holiday period. Accordingly, it is recognized as an asset in the Balance Sheet when it is probable that the future economic benefit associated with it will flow to the Group and the asset can be measured reliably.

14. Provisions:

A provision is recognized when the Group has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group. A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or reliable estimate of the amount cannot be made, is also termed as contingent liability. A contingent asset is neither recognized nor disclosed in the financial statements.

15. Employee Benefits

Short term employee benefits are recognized on an accrual basis.

Defined Benefit Plans:

Gratuity, which is a defined benefit plan, is accrued based on an independent actuarial valuation, which is done based on project unit credit method as at the balance sheet date. The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability / (asset) are recognized in other comprehensive income. In accordance with Ind AS, re-measurement gains and losses on defined benefit plans recognized in OCI are not to be subsequently reclassified to statement of profit and loss. As required under Ind AS compliant Schedule III, the Company transfers it immediately to retained earnings.

16. Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per shares is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per shares and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

SHRADHA INFRAPROJECTS LIMITED

Notes forming part of Consolidated Financial Statement as on 31st March, 2023

Note 36 : Financial risk management

(Rs. In Lakhs)

The Company's activities expose it to the following risks:

Credit risk
Interest risk
Liquidity risk

A Credit risk

Credit Risk is the risk that counter party will not meet its obligations under a financial instruments or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and unbilled revenue) and from its financing activities including deposits with banks and financial institutions, investments, foreign exchange transactions and other financial instruments.

i Trade receivables

Credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored.

The impairment analysis is performed at each reporting date on an individual basis for clients. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security.

Credit risk exposure

The Company's credit period generally ranges from 30 – 60 days are as below.

Particulars	As at 31st March 2023	As at 31st March 2022
Trade receivables	629.87	67.12
Inventory	21,087.94	23,682.54
Total	21,717.82	23,749.66

The Company evaluates the concentration of risk with respect to trade receivables as low as they are spread across multiple geographies and multiple industries.

ii Financial instruments and deposits with banks

Credit risk is limited as we generally invest in deposits with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies. Counterparty credit limits are reviewed by the Company periodically and the limits are set to minimize the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

B Liquidity risk

Liquidity is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company believes that the cash and cash equivalents is sufficient to meet its current requirements. Accordingly no liquidity risk is perceived.

The break-up of cash and cash equivalents, deposits and investments is as below.

Particulars	As at 31st March 2023	As at 31st March 2022
Cash and cash equivalent	180.66	171.50
Bank balance other cash and cash equivalent	0.18	-
Total	180.84	171.50

Note 37: Financial instruments

The fair value of the financial assets are included at amounts at which the instruments could be exchanged in a current transaction between willing parties other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair value:

(a) Fair value of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, approximate their carrying amounts largely due to the short-term maturities of these instruments.

b) Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, if require, allowances are taken to account for the expected losses of these receivables.

Note 38 : Employees benefit

(Rs. In Lakhs)

The Company operates an unfunded defined benefit gratuity plan for its employees. Under the gratuity plan, every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service.

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

NOTES

1. The relevant details in respect of Directors seeking reappointment at the AGM, in terms of Regulations 26(4) and 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and Clause 1.2.5 of Secretarial Standard-2 on General Meetings are also annexed.
2. Pursuant to the General Circular No. 10/2022 dated 28/12/2022 and Circular No. 2/2022 dated May 5, 2022 and other circulars issued by the Ministry of Corporate Affairs ("MCA Circulars"), companies are allowed to convene their AGMs through VC / OAVM, without the physical presence of the members at a common venue. Hence, in compliance with the MCA Circulars, the AGM of the Company is being held through VC / OAVM. The MCA Circulars read with the Securities and Exchange Board of India ("SEBI") Circular no. SEBI/HO/CFD/CMD2/ CIR/P/2022/62 dated May 13, 2022 ("SEBI Circular"), has dispensed with the requirement of sending the physical copies of the AGM Notice and Annual Report to the members. Accordingly, the Notice of the AGM and the Annual Report (2022-23) of the Company are being sent only through electronic mode to those members whose e-mail addresses are registered with the Company / Depositories. Members may note that the copies of the Notice of the AGM and the Annual Report (2022-23) are also available on the website of the Company at www.shradhainfra.in, websites of the Stock Exchanges, National Stock Exchange of India Limited at www.nseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM/EGM) i.e. www.evotingindia.com for the AGM. Members who wish to obtain physical copies of the AGM Notice and the Annual Report (2022-23), may write to us at investorinfo@shradhainfra.in.
3. In accordance with the SEBI Circular and the MCA Circulars, the facility to appoint a proxy to attend and cast votes for the members is not available for this AGM. Since this AGM is held through VC, the facility of appointment of proxies is not available for this AGM, in terms of the said Circulars. Accordingly, no proxy form is enclosed with this notice. However, representatives of member's u/s 112 and 113 can be appointed to participate and vote at this AGM.
4. Members are encouraged to attend and vote at this AGM through VC. The attendance of the Members attending this AGM through VC will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Relevant documents referred to in the Notice including Explanatory Statement thereof, are open for inspection by the Members at the Company's Registered Office on all working days, during the office hours except Saturdays, Sundays and all public holidays up to the date of the Meeting.
6. As the AGM will be held through VC / OAVM, the route map, proxy form and attendance slip are not required and accordingly, not attached to this Notice.
7. The Register of Directors' and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of contracts or arrangements in which the Directors are interested under Section 189 of the Companies Act, 2013 and all other documents referred to in the Notice will be available for inspection in electronic mode.
8. The Members can join the EGM/AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the EGM/AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.
9. Members holding shares in electronic form are requested to register / update their postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their Depository Participants, with whom they are maintaining their Demat accounts.
10. The Members, whose names appear in the Register of Members / list of Beneficial Owners as on 15th Day of July 2023, being the cut-off date, shall be entitled to vote on the Resolutions set forth in this Notice or attend AGM. A person who is not a Member as on the cut-off date should treat this Notice of AGM for information purpose only.

11. A statement giving additional details of the Directors seeking appointment / re-appointment as set out at Item No. 3 is annexed herewith as required under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

12. In the general interest of the Members, it is requested of them to update their bank mandate/NECS/Direct credit details/name/address/power of attorney and update their Core Banking Solutions enabled account number:

- For shares held in physical form: with the Registrar and Transfer Agent of the Company.
- For shares held in dematerialized form: with the depository participant with whom they maintain their demat account.

Kindly note that as per Regulation 12 read with Schedule I of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, for distribution of dividends or other cash benefits to the investors, electronic mode of payments like National Electronic Clearing Service (NECS), Electronic Clearing Service (ECS), Real Time Gross Settlement (RTGS) and National Electronic Funds Transfer (NEFT) shall be used. In cases where the details like MICR no., IFSC no. etc. required for effecting electronic payments are not available, physical payment instrument like dividend warrants, will be used.

Accordingly, we recommend you to avail the facility of direct electronic credit of your dividend and other cash benefits, as and when declared, through electronic mode and in all cases keep your bank account details updated in your demat account/physical folio.

13. The Register of Members and Share Transfer Books of the Company shall remain closed from Saturday, 08th July 2023 to Saturday, 22nd July 2023 (both days inclusive) for the purpose of Annual General Meeting.

14. Shareholders desiring any information relating to the accounts are requested to write to the Company at least 7 (seven) days in advance of the AGM to enable the Company to provide the information required at the meeting.

15. Depository Participants/ Shareholders/ Investors of the Company are advised to send all documents/ correspondences such as requests for Dematerialization of Shares, Transfer of Shares, Change of Address, Registration of e-mail Id, Change of Bank Mandate/ NECS and other Shares related documents to the Company's RTA.

16. Non Resident Indian members are requested to immediately inform their depository participant (in case of shares held in dematerialized form) or the Registrar and Transfer Agent of the Company (in case of shares held in physical form), as the case may be, about:

- (i). the change in the residential status on return to India for permanent settlement;
- (ii). the particulars of the NRE account with a bank in India, if not furnished earlier.

17. GREEN INITIATIVE

As a responsible corporate citizen, your Company welcomes and supports the 'Green Initiative' taken by the Ministry of Corporate Affairs, Government of India. We strongly urge you to support this 'Green Initiative' by opting for electronic mode of communication and making the world a cleaner, greener and healthier place to live. For receiving all communication (including Annual Report) from the Company electronically, the members are requested to register / update their email addresses with the Registrar and Share Transfer Agent or relevant Depository Participant (DP), as the case may be.

18. SCRUTINIZER

The Company has appointed CS Riddhita Agrawal, Company Secretary in Practice, Mumbai (Membership No. FCS 10054 & Certificate of Practice No. 12917 & Peer Review Certificate No. 1838/2022) as the scrutinizer for conducting the process of remote e-voting in a fair and transparent manner.

2. THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i). The voting period begins on Wednesday, 19th July, 2023 at 9.00 a.m. and will end on Friday, 21st July, 2023 at 5.00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. Saturday, 15th July, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii). Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting.
- (iii). Pursuant to SEBI Circular No. SEBI/HO/CFD/ CMD/CIR/P/2020/242 dated 9th December, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e -voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv). In terms of SEBI circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated 9th December, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility. Pursuant to above said SEBI Circular dated 9th December, 2020, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode, is given below:

FOR KIND ATTENTION OF SHAREHOLDERS

Subject: Deduction of tax at source on dividend

Dear Member,

We hope that you are safe and healthy. Please take care of yourselves.!

We wish to inform you that the Board of Directors of your Company has, in its meeting held on 27th May, 2023, recommended a final dividend of Rs. 0.25/- Paise [Rupees Twenty Five Paise Only] per equity share having a nominal value of Rs. 5/- each for the financial year ended 31st March, 2023.

The dividend, if approved at the ensuing Twenty Sixth Annual General Meeting of the Company, will be paid to the Members on the basis of the details of beneficial ownership furnished by the Depositories, as at the close of Friday, 07th July, 2023 and in respect of shares held in physical form to those Members whose names will appear in the Register of Members of the Company as on the close of Friday, 07th July, 2023.

As you may be aware that in terms of the provisions of the Income Tax Act, 1961 ("the Act") as amended by the Finance Act, 2020, dividend paid or distributed by a Company on or after 1st April, 2020 is taxable in the hands of the Members. The Company is, therefore, required to deduct tax at source at the time of payment of dividend to the Members.

For resident members : Tax will be deducted at source ("TDS") under Section 194 of the Act (read with Press Release dated May 13th, 2020) @ 10% on the amount of dividend payable unless exempt under any of the provisions of the Act. However, in case of individuals, TDS would not apply if the aggregate of total dividend distributed to them by the Company during FY 2022-23 does not exceed Rs. 5,000/-.

Tax at source will not be deducted where a member provides Form 15G (applicable to Individual in case of dividend) / Form 15H (applicable to an individual above the age of 60 years), provided that the eligibility conditions are being met. Blank Form 15G and 15H can also be downloaded from the link given at the end of this communication ie or from the website of the RTA viz. [https:// www.bigshareonline.com/form15](https://www.bigshareonline.com/form15)

Needless to mention, the Permanent Account Number (PAN) will be mandatorily required. If PAN is not submitted, Tax at source will be deducted @ 20% as per Section 206AA of the Act.

In order to provide exemption from withholding of tax, the following organisations must provide a self-declaration as listed below:

- ▶ **Insurance companies** : A declaration that they are beneficial owners of shares held.
- ▶ **Mutual Funds** : A declaration that they are governed by the provisions of Section 10(23D) of the Act along with copy of registration documents (self-attested).
- ▶ **Alternative Investment Fund (AIF) established in India** : A declaration that its income is exempt under Section 10(23FBA) of the Act and they are established as Category I or Category II AIF under the SEBI Regulations. Copy of registration documents (self- attested) should be provided.
- ▶ **New Pension System Trust** : A declaration that they are governed by the provisions of Section 10(44) [subsection 1E to Section 197A] of the Act along with copy of registration documents (self-attested);
- ▶ **Corporation established by or under a Central Act** which is, under any law for the time being in force, exempt from income tax on its income - Documentary evidence that the person is covered under Section 196 of the Act.

For non-resident members : Tax is required to be withheld in accordance with the provisions of Section 195 of the Act at applicable rates in force. As per the relevant provisions of the Act, the tax shall be withheld @ 20% (plus applicable surcharge and cess) on the amount of dividend payable. However, as per Section 90 of the Act, a non-resident member has the option to be governed by the provisions of the Double Tax Avoidance Agreement ("DTAA") between India and the country of tax residence of the member, if they are more beneficial to the member. For this purpose, i.e. to avail tax treaty benefits, the non-resident member will have to provide the following:

- i. Self-attested copy of Permanent Account Number (PAN Card), if any, allotted by the Indian income tax authorities;

- ii. Self-attested copy of Tax Residency Certificate (TRC) obtained from the tax authorities of the country of which the member is resident;
- iii. Self-declaration in Form 10F, if all the details required in this form are not mentioned in the TRC;
- iv. Self-declaration by the non-resident member of having no permanent establishment in India in accordance with the applicable Tax Treaty;
- v. Self-declaration of beneficial ownership by the non-resident member.

The documents referred to in point nos. (iii) to (v) can be downloaded from the link given at the end of this communication or from the website of the RTA viz. <https://www.bigshareonline.com/form15>

The Company is not obligated to apply the beneficial DTAA rates at the time of tax deduction / withholding on dividend amounts. Application of beneficial DTAA rate shall depend upon the completeness and satisfactory review by the Company, of the documents submitted by non- resident member.

Notwithstanding the above, tax shall be deducted at source @ 20% (plus applicable surcharge and cess) on dividend paid to Foreign Institutional Investors and Foreign Portfolio Investors under section 196D of the Act. Such rate shall not be reduced on account of the application of the lower DTAA rate, if any.

To enable us to determine the appropriate TDS / withholding tax rate applicable, we request you to provide the above details and documents not later than before Friday, 07th July, 2023 by 05:00 PM IST.

To summarize, dividend will be paid after deducting the tax at source as under:

- ▶ NIL for resident members receiving dividend upto Rs. 5000/- or in case Form 15G / Form15H (as applicable) along with self-attested copy of the PAN is submitted.
- ▶ 10% for resident members in case PAN is provided / available.
- ▶ 20% for resident members, if PAN is not provided / not available.
- ▶ Tax will be assessed on the basis of documents submitted by the non-resident members.
- ▶ 20% plus applicable surcharge and cess for non-resident members in case the aforementioned documents are not submitted.
- ▶ Lower / NIL TDS on submission of self-attested copy of the certificate issued under Section 197 of the Act.

Kindly note that the aforementioned documents should be uploaded with Big Share Services Private Limited, the Registrar and Transfer Agent at <https://www.bigshareonline.com/form15>.

No communication on the tax determination / deduction shall be entertained after Friday, 07th July, 2023 by 05:00 PM IST.

In case tax on dividend is deducted at a higher rate in the absence of receipt of the aforementioned details / documents, you would still have the option of claiming refund of the excess tax paid at the time of filing your income tax return. No claim shall lie against the Company for such tax deducted.

We request you to submit / update your bank account details with your Depository Participant, in case you are holding shares in the demat form. In case your shareholding is in the physical form, you will have to submit a scanned copy of a covering letter, duly signed by the first member, along with a cancelled cheque leaf with your name and bank account details and a copy of your PAN card, duly self- attested, to BigShare Services Private Limited. This will facilitate receipt of dividend directly into your bank account. In case the cancelled cheque leaf does not bear the members' name, please attach a copy of the bank pass-book statement duly self-attested. **We also request you to register your email IDs and mobile numbers with the RTA.**

Stay healthy and safe.

Yours sincerely,

For Shradha Infraprojects Limited
