ANNEXURE III**Vigil Mechanism / Whistle Blower Policy**

(Pursuant to Section 177 of the Companies Act, 2013 and Rule 7 of the Companies (Meetings of Board and its Powers) Rules, 2014)

I. PREFACE:

1. The Company believes in conducting its business affairs in fair and transparent manner by adherence to high standard of professionalism, integrity, honesty, prudence and ethical behavior. The company is committed to create a culture where its director or employees feel safe in reporting of any unethical practices or event of fraud, misconduct or violations.
2. Section 177 of the Companies Act, 2013 ("the Act") and Rule 7 of the Companies (Meetings of Board and its Powers) Rules, 2014, inter alia, provides for establishment of a mechanism called 'Vigil Mechanism' for Directors and Employees to report their genuine concerns or grievances, such as instances of unethical behavior, actual or suspected, fraud or violation of the code for Directors and Employees. The Act further requires every listed Company, to establish such vigil mechanism.
3. The objective of this policy is to encourage employees to bring ethical and legal violations they are aware of to an internal authority so that action can be taken immediately to resolve the problem. This policy provides a framework to promote responsible and secure whistle blowing.
4. A vigil mechanism not only helps to detect fraud in organizations, but is also used as a corporate governance tool, which prevents and deters fraudulent activity.

The policy neither releases employees from their duty of confidentiality in the course of their work, nor is it a route for taking up a grievance about a personal situation or vendetta.

This policy should be read in conjunction with applicable laws and regulations.

II. DEFINITIONS

“Act”: means Companies Act, 2013;

“Company”: means Shreenath Investment Company Limited.

“Employees”: means every employee of the Company (whether working in India or abroad) and includes director of the Company;

ANNEXURE -VII***MANAGEMENT DISCUSSION AND ANALYSIS REPORT*****Industry Structure and Developments:****Global economic overview**

The global economy remained resilient in the year 2024 (Calendar Year 2024), expanding at 3.2% (as per IMF World economic outlook, Apr'25). The rapid rise in trade tensions and heightened policy uncertainty are likely to exert a substantial drag on global economic activity. It is estimated to grow by 2.8% in CY2025 and 3% in CY2026, much below the historical average of 3.7% (2000-19) due to global challenges on various fronts. While strong real income growth and lower interest rates boosted activity, weaker government spending, sluggish consumer confidence, and external demand fluctuations restrained growth in some regions.

In advanced economies, the U.S. growth forecast for CY2025 is expected to slow down to 1.8%, on account of greater policy uncertainty, trade tensions and softer demand momentum, whereas the euro area is expected to grow at 0.8%, before rising to 1.4% in 2026 as financial conditions improve. Other advanced economies see stable growth, with recovering incomes offset by trade uncertainties. In emerging markets and developing economies, growth is expected to slow down to 3.7% in 2025 due to various trade measures in recent times. On the back of the recently implemented tariffs and prolonged trade policy uncertainty, China's growth was revised downward to 4% in 2025. India's growth to remain stable at 6.2% in 2025 and 6.3% in 2026 supported by private consumption, particularly in rural areas.

Indian economic overview

India retained its position as the 5th largest economy, maintained its status as the fastest growing amongst large economies and is expected to be the third largest economy by 2027 (crossing GDP of \$5 Tn) after USA and China. The Indian economy is expected to grow by 6.2% in CY25.

The Indian economy has been digitalising at a remarkable pace over the last decade. By 2030, India's digital economy is projected to contribute nearly one-fifth of the country's overall economy, outpacing the growth of traditional sectors. According to the State of India's Digital Economy Report 2024, India is the 3rd largest digitalised country

in the world in terms of economy-wide digitalization, and 12th among the G20 countries in the level of digitalisation of individual users.

The Union Budget 2025-26 strikes a balance between sustaining economic growth and maintaining fiscal discipline. By streamlining regulations, supporting MSMEs, and boosting investments and exports, the budget outlines a clear roadmap toward Viksit Bharat 2047. The budget's emphasis on sectors including tourism, healthcare, and manufacturing will catalyse job creation. The commitment to fiscal consolidation, with a targeted fiscal deficit of 4.4% for FY26, strengthens India's path to debt sustainability. These measures are expected to stabilize the macroeconomic environment, encouraging private sector participation and investment. Overall, the budget lays a strong foundation for long-term economic resilience and growth.

Outlook

India to remain relatively insulated against the global shocks in the near future and continue to grow strongly. The structural long-term growth story for India remains intact driven by favourable demographics and stable governance. According to the IMF's World Economic Outlook Report, India is expected to maintain its position as the fastest-growing major economy, Growth will be driven by continued expansion in the services sector and a boost in manufacturing, supported by government efforts to enhance infrastructure and streamline tax policies.

ANNEXURE- IX

CORPORATE GOVERNANCE REPORT

(As required under Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015)

The Directors provides the Company's Report on Corporate Governance for the financial year 2024-25.

1. COMPANY'S PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE:

Corporate Governance is the application of best management practices, compliance of laws and adherence to ethical standards to achieve the Company's objective of enhancing stakeholder value and discharge of social responsibility. The Corporate Governance framework includes corporate structures, culture, policies and the manner in which the corporate entity deals with various stakeholders, with transparency being the key word. Accordingly, timely, adequate and accurate disclosure of information on performance and ownership forms the cornerstone of Corporate Governance. It is a journey for constantly improving sustainable value creation and an upward moving target. Integrity, transparency, fairness, accountability and compliance with the law are embedded in the Company's robust business practices to ensure ethical and responsible leadership both at the Board and at the Management level.

The Corporate Governance philosophy of Shreenath Investment Company Limited is based on the following principles:

1. Management must have the executive freedom to drive the enterprise forward without undue restraints and Management is the trustee of the shareholders capital and not the owner. This freedom of management should be exercised within a framework of effective accountability.
2. Provide an enabling environment to harmonize the goals of maximizing stakeholder value and maintaining a customer centric focus.
3. Have a simple and transparent corporate structure driven solely by business needs.
4. Communicate externally, in a truthful manner, about how the Company is running internally.
5. Make clear distinction between personal conveniences and corporate resources.

6. Be transparent and maintain a high degree of disclosure levels in all facets of its operations.
7. Satisfy the spirit of the law and not just the letter of the law.
8. Our philosophy on Corporate Governance is thus concerned with the ethics, values and morals of Shreenath Investment Company Limited and its Directors, who are expected to act in the best interests of the Company and remain accountable to shareholders and other beneficiaries for their action.

2. BOARD OF DIRECTORS:

The Board of Directors and its Committees play a fundamental role in upholding and nurturing the principles of good governance which translates into ethical business practices, transparency and accountability in the Company's dealing with its members and other stakeholders and the utilization of resources for creating sustainable growth and societal wealth.

INDEPENDENT AUDITOR'S REPORT

To the Members of
SHREENATH INVESTMENT COMPANY LIMITED

Opinion

We have audited the standalone financial statements of **Shreenath Investment Company Limited** which comprise the balance sheet as at 31st March 2025, and the statement of Profit and Loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For the matter described below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matter below, provide the basis for our audit opinion on the accompanying standalone financial statements.

Key Audit Matter	How our audit addressed the key audit matter
Accuracy of recognition, measurement, presentation and disclosure of revenue from commodities sale The Company recognises revenues when control of the goods is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods. The terms of arrangements in case of sales, including the timing of transfer of control, delivery specifications and other contractual and commercial terms, are relevant factors in determining the timing and value of revenue to be recognised. The Company considers revenue as a key performance measure which could create an incentive for overstatement revenue. Based on above, revenue recognition from commodities trading has been considered as a key audit matter for the current year's audit.	Our Audit procedures involve identification of internal controls and their operating effectiveness towards application of this standard. We have also carried out the substantive testing of the transactions. We have: - Assessed the appropriateness of the revenue recognition policies by comparing with the applicable Indian accounting standards. - Evaluated the accounting policies with respect to these transactions. - Verified the internal controls towards identification of costs incurred towards the concerned transactions and ensured that only the costs related to the transactions are recorded. - Verified the documents relating to satisfying the performance obligation and costs incurred thereunder. - Assessed the disclosures made in the standalone financial statements in respect of revenue recognition in accordance with the applicable requirements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the Standalone financial statements and our auditor's report thereon.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of

the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company does not have any pending litigations which would impact its financial position.
 - ii. the Company did not have any long-term contracts including derivative contracts. As such, the question of commenting on any material foreseeable losses thereon does not arise.
 - iii. there were no amounts which were required to be transferred by the Company to the Investor Education and Protection Fund.
 - iv. the management has represented that, to the best of its knowledge and belief, other than as disclosed in the note no. 33 to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity

("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- v. the management has represented that, to the best of its knowledge and belief, other than as disclosed in the note no. 33 to the accounts, no funds have been received by the company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate;
- vi. Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), contain any material mis-statement.
- vii. The Company has neither declared nor paid any dividend during the year.
- viii. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the company as per the statutory requirements for record retention.

(h) With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act: In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its director/s during the current year is in accordance with the provisions of Section 197 of the Act.

- 14.
- In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
 - We have considered the internal audit report for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
15. According to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. Accordingly, provisions of section 192 of the Companies Act, 2013 are not applicable.
16. In respect of Non-Banking Finance Company (NBFC):
The provisions of section 45-IA of the Reserve Bank of India Act, 1934, are not applicable to the Company. Accordingly, the requirement to report on clauses (xvi)(a), (b) and (c) of the Order is not applicable to the Company.
17. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
18. There has been no resignation of the statutory auditors of the Company during the year.
19. On the basis of financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report that Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

20. In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF SHREENATH INVESTMENT COMPANY LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Shreenath Investment Company Limited** ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that :

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future years are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Explanatory Paragraph

We have also audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India as specified under Section 143(10) of the Act, the financial statements of the Company, which comprise the Balance Sheet as at March 31, 2025 and the related Statement of Profit and Loss for the year then ended and a summary of significant accounting policies and other explanatory information and in our Report dated May 27, 2025 we have expressed an unqualified opinion thereon.

1. Corporate Information

Shreenath Investment Company Limited (the Company) is a Public Limited Company (Category - Limited by shares and sub-category - Non-Government Company) domiciled in India and is incorporated under the provisions of the Companies Act, 1956 on 26/12/1979. The Corporate Identification Number (CIN) is L67120MH1979PLC022039. The Company has commenced commodity trading from the financial year 2023-24. The Company operates in India.

2. Basis of preparation

2.1 Statement of compliance responsibility statement

The financial statements are prepared and comply in all material aspects with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standard) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rule, 2016 and other relevant provisions of the Act.

Details of the accounting policies of the Company are included in Note 3.

2.2 Functional and presentation currency

The Financial statements are prepared in Indian Rupees (INR), which is also the Company's functional currency. These financial statements are presented in Indian Rupees (rounded off to nearest lakhs, unless otherwise stated).

2.3 Basis of measurement

The financial statements have been prepared and presented under the historical cost convention on the accrual basis of accounting except certain financial assets and liabilities that are measured at fair value.

2.4 Use of judgments, estimates and assumptions

In preparing these financial statements, Management has made judgements, estimates and assumptions that affect the accounting policies and the reported amounts of revenues, expenses, assets and liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised prospectively in current and future periods.

Estimates

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing material adjustments to the carrying amounts of assets and liabilities within the next financial year are discussed below:

a) Useful lives of property, plant and equipment assets

The charge in respect of periodic depreciation is derived after estimating the assets expected useful life and the expected residual value at the end of its life. The depreciation method, useful lives and residual values of Company's assets are estimated by Management at the time the asset is acquired and reviewed during each financial year.

b) Valuation of deferred tax assets

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. The policy for the same has been explained under Note 3.1(h)

c) Provisions and contingent liabilities

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date adjusted to reflect the current best estimates. Contingent liabilities are not recognised in the financial statements. A contingent asset is neither recognised nor disclosed in the financial statements.

d) Taxes

Significant judgements are involved in determining the provision for income taxes and deferred taxes including the amount expected to be paid or involved expected to be paid or recovered in connection with uncertain tax positions.

e) Financial assets and financial liabilities

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, their fair value is determined using valuation techniques including the discounted cash flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgments is required in establishing fair values. The judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

3.1 Summary of significant accounting policies

a. Cash and cash equivalents Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

b. Current-non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- it is expected to be realised in, or is intended for sale or consumption in the Company's normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is expected to be realised within 12 months after the reporting date; or
- it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- a. it is expected to be settled in the Company's normal operating cycle;
- b. it is held primarily for the purpose of being traded;
- c. it is due to be settled within 12 months after the reporting date; or
- d. the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

Current liabilities include current portion of non-current financial liabilities.

Deferred tax assets are classified as non-current assets.

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

c. Foreign exchange transactions

Foreign currency transactions, if any, are recorded at the rates of exchange prevailing on the dates of the respective transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the statement of profit and loss.

Monetary assets and liabilities denominated in foreign currencies, if any, as at the balance sheet date are translated at the closing exchange rates on that date, the resultant exchange differences are recognised in the statement of profit and loss.

d. Property, plant and equipment

Property, plant and equipment (PPE) are measured at cost, net of accumulated depreciation and/or accumulated impairment losses, if any. The cost of PPE includes freight, duties, taxes and other incidental expenses related to the acquisition or construction of those PPE. Likewise, when a major inspection is performed, its costs are recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in statement of profit or loss in the year the asset is derecognized.

Subsequent measurement

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company. All other repairs and maintenance costs are recognised in statement of profit and loss as incurred.

Depreciation

Depreciation is provided on the written down value method over the estimated useful life of the assets, which are equal/lower than the rates prescribed under Schedule II of the Companies Act,

2013. In order to reflect the actual usage of assets, the estimated useful lives of the assets is based on a technical evaluation.

Asset category	Estimated useful life (Years)
Buildings	60 years
Furniture and Fixtures	10 years
Office equipment	5 years

Depreciation is charged on a proportionate basis for all assets purchased and sold during the year.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date are shown as capital advances under long-term loans and advances and the cost of property, plant and equipment not ready for their intended use before such date are disclosed under capital work-in-progress.

e. Impairment of assets

Impairment of non-financial assets

The Company assesses at each balance sheet date whether there is any indication that an asset or a group of assets comprising a cash generating unit may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. For an asset or group of assets that does not generate large independent cash inflows, the recoverable amount is determined for the cash-generating unit to which the asset belongs. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost. An impairment loss is reversed only to the extent that the carrying amount of asset does not exceed the net book value that would have been determined, if no impairment loss had been recognized.

f. Employee benefits

The Company has three employees. The Company is of the opinion that the provisions of the Payment of Gratuity Act, 1972 are not applicable to it. Accordingly, no provision is considered necessary in respect of the same.

In respect of recognition and measurement of short term accumulated compensated absences, the Company's policy is that employee is not entitled to cash payment for unused leave entitlement. Accordingly, no provision is considered necessary in respect of the same.

g. Revenue recognition

Effective April 1, 2018, the Company has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts. The impact of the adoption of the standard on the financial statements of the Company is insignificant.

Professional Fees

The Company recognises professional fees income on accrual basis.

Profit on sale of Investments

Profit on sale of investments is recorded on transfer of title from the Company and is determined as the difference between the sales price and carrying value of the investment.

Dividend Income

Dividend income on investments is accounted for when the right to receive the payment is established. Profit on sale of Investment is recognised at the time of redemption/sale based on contract note.

Interest Income

Under Ind AS 109, Interest income is recognised by applying the Effective Interest Rate (EIR) to the gross carrying amount of loans and advances (financial assets recognized at amortized cost) other than credit-impaired assets and financial assets classified as measured at fair value through Profit and loss (FVTPL).

Commodities Sale

The Company recognises revenues when control of the goods is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods. The terms of arrangements in case of sales, including the timing of transfer of control, delivery specifications and other contractual and commercial terms, are relevant factors in determining the timing and value of revenue to be recognised. The Company believes that the control gets transferred to the customer on dispatch of the goods from the warehouse.

Goods & Service Tax (GST)

Goods & Services Tax is credited separately as liability and payments are debited to that account. No charge is made to Statement of Profit and Loss in respect of GST collected and paid except when the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable.

Any undisputed GST demand from the respective authorities is charged to the Statement of Profit and Loss on the completion of assessment. Similarly, refund due is accounted as revenue and credited to the Statement of Profit and Loss on completion of assessment.

Commodity Derivative Contracts

Initial recognition and subsequent measurement

The Company enters into derivative instruments such as commodity future contract to manage its exposure to risk associated with commodity prices fluctuations. The counter party for those contracts are multi-commodity exchange.

The Company's use of these instruments is intended to mitigate exposure to market variables. The Company's senior management has assessed and evaluated that committed purchase and sales contracts are in scope of 'Financial Instrument' as per Ind AS 109.

All such contracts are initially recognised at fair value through profit or loss and subsequently re-measured at fair value. The changes in fair value of commodity derivatives are recognised in Statement of Profit or Loss.

h. Taxation

Income tax expense comprises current tax and deferred tax charge or credit. Income tax expense is recognized in statement of profit or loss except to the extent that it relates to items recognized in other comprehensive income (OCI) or directly in equity.

Current tax

Current tax is the tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of the previous year. It is measured using tax rates (and tax laws) enacted or substantially enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net asset basis.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each balance sheet date and are recognised/ reduced to the extent that it is probable / no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

Deferred tax relating to items recognised outside statement of profit or loss is recognised outside statement of profit or loss (either in OCI or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

i. Cash flow statement

Cash flows are reported using the indirect method, whereby net profit / (loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, investing and financing activities of the Company are segregated.

j. Earnings per share

Basic earnings per share are computed by dividing profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The Company did not have any potentially dilutive securities in any of the periods presented.

k. Provisions and contingent liabilities

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources, and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

l. Financial Instruments

i. Initial recognition of financial instruments:

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Financial asset and liability not recorded at fair value through profit and loss (FVTPL), is initially measured at fair value plus transaction costs that are directly attributable to its acquisition or issue.

ii. Subsequent measurement of financial assets:

Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial assets at amortized cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

iii. Subsequent measurement of Financial liability

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximates fair value due to the short maturity of these instruments.

iv. De-recognition of financial instruments

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expired or it transfers the financial asset and the transfer qualifies for de-recognition under Ind-As 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

v. Fair value measurement

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

For all other financial instruments, the carrying amount approximates fair value due to the short maturity of those instruments.

27 Financial Instruments by Category

Financial assets and financial liabilities are measured at fair value in the financial statement and are grouped into three levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Fair value hierarchy

Level 1: quoted prices (unadjusted) in active markets for financial instruments.

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or

Level 3: unobservable inputs for the asset or liability.

Fair value of instruments :

Particulars	Level	Year Ended March 31, 2025	Year Ended March 31, 2024
Investments (FVOCI)	Level 1	31,647.71	26,967.06
Investments (FVPL)	Level 1	6,995.11	4,219.90

Financial assets not measured at fair value includes cash and cash equivalents, loans and advances. These are financial assets whose carrying amounts approximate fair value, due to their short-term nature.

Additionally, financial liabilities such other financial liabilities are not measured at FVTPL, whose carrying amounts approximate fair value, because of their short-term nature.

Valuation techniques used to determine fair value

Quoted equity investments - Quoted closing price on stock exchange

Mutual fund - Based on Net Asset Value of the mutual fund scheme

28 Financial Risk Management**i) Financial instruments by category**

For amortised cost instruments, carrying value represents the best estimate of fair value.

ii) Risk Management

The Company's activities expose it to market risk, credit risk and liquidity risk. The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

A) Credit risk

Credit risk arises from the possibility that the counterparty will cause financial loss to the company by failing to discharge its obligation as agreed. To manage this, the Company periodically assesses the financial reliability of the counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable.

Credit risk arises primarily from financial assets such as trade receivables, investments, other balances with banks and loan and advances.

The company provides for expected credit loss in case of trade receivables when there is no reasonable expectation of recovery. The company continues to engage to recover the receivable due. Where recoveries are made, these are recognised in profit or loss. Credit risk arising from investments in mutual funds and other balances with banks is limited as the counterparties are banks and financial institutions with high credit ratings.

The company did not have any outstanding receivables as at March 31, 2025 and March 31, 2024. Accordingly, the company has not made any ECL provisions

B) Liquidity Risk

Liquidity risk is defined as the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company's principal sources of liquidity are cash and cash equivalents and investments. The Company has consistently generated sufficient cash flows from its operations and believes that these cash flows along with its current cash and cash equivalents and funding arrangements are sufficient to meet its financial obligations as and when they fall due. Accordingly, liquidity risk is perceived to be low.

C) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The value of a financial instrument may change due to changes in the interest rates. Financial instruments affected by market risk includes quoted equity shares and debt mutual funds.

29 Capital Management

The Company's objectives when managing capital are to safeguard its ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders, and maintain an optimal capital structure to maximise shareholder value.

For the purpose of the Company's capital management, capital includes capital and all other equity reserves. The Company manages its capital structure and makes adjustments in the light of changes in the economic environment. In order to maintain or achieve an optimal capital structure, the Company allocates its capital for distribution as dividend or re-investment into business based on its long term financial plans. As at March 31, 2025, the Company has only one class of equity shares. Hence, there are no externally imposed capital requirements.
