THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- Step 1** : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
 - Step 2** : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
- (i) The voting period begins on 09.00 AM on Tuesday, the 28th July, 2026 and ends on 05.00 P.M on Thursday, the 30th July, 2026, during this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e., of 24.07.2026 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
 - (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

ANNEXURE - D**MANAGEMENT DISCUSSION AND ANALYSIS REPORT****INDIAN ECONOMY REVIEW:**

Reserve Bank of India in its various reports indicated that, the Indian economy, with a sustained momentum is expected to achieve a GDP growth of 7.6% for the FY 2025-26, driven by domestic consumption, investment and structural reforms. The GDP growth for FY 2026-27 is projected at 6.9%. The reason for the decline in the estimate for 2026-27 is on account of geo political tensions and the corresponding fluctuation in oil prices.

The RBI has slightly revised its quarterly projections for FY 2026-27. Growth for the first quarter has been lowered to 6.8% from 6.9%, while the second quarter estimate has been reduced to 6.7% from 7%, reflecting global headwinds and rising energy prices.

The latest update from the Ministry of Statistics and programme implementation is that the GDP for 2025-2026 is estimated at 7.7% as Compared to 7.1% in the previous Financial year 2024-2025. GDP growth in the fourth quarter of 2025-2026 stood at 7.8%

The Hon'ble Prime Minister commented that the GDP growth rate of 7.7% in 2025-2026 reflected the inherent strength of our economy, the success of reforms and the hard work of 140 Crore Indians.

The Policy reforms contemplated by the Union Government in respect of Direct tax exemption for the middle income group lifted the disposable income and rational of GST contributed to the boost to domestic demand. Public Investment and fiscal discipline and diversification of export markets on account of steep hike in US tariff are some of the policy measures which enabled the economy to face the pressures and improve the demand.

The central bank sees a strong economy in the back of solid investment demand, which is supported by healthy balance sheets of banks and corporates, the government's focus on capital expenditure and prudent monetary, regulatory and fiscal policies.

India continues to demonstrate resilience as one of the fast growing large economies supported by strong domestic demand, sustained public capital expenditure and policy continuity.

The Indian economy is navigating the drag from an adverse global macroeconomic and financial environment and is well-placed to step up growth trajectory over the next decade in an environment of macroeconomic and financial stability.

India recorded the lowest inflation rate with Apr to Dec 2025 average headline inflation coming in at 1.7% attributing to general disinflationary trends in food and fuel prices.

Head line inflation plummeted to an average of ~2.1% for FY 2025-26 as against 4.6% in the previous year FY2024-25 driven by a prolong decline in Food prices and favourable monsoon.

The RBI revised its inflation forecast for the year 2026 from 2.6% to 2% supported by good Kharif harvest and healthy Rabi sowing.

The macro economic trends in FY 2025-26 points to an economy characterised by stability alongside momentum. Growth remains broad based against agriculture, Industry and Services while inflation has moderated and labour market indicators have strengthened.

However, the recent trends in Global scenario is not encouraging on account of the ongoing war between Iran and US and other Gulf countries. This has resulted in the shortages of Petrol and Gases

from the Gulf countries as Iran has closed the strait of Hormuz. However, the Government is taking all steps to limit the impact to the minimum through diplomatic outreach.

As headline inflation eases towards the target, it will spur consumption demand especially in rural areas. It is also emphasised that the Indian economy would have to navigate challenges posed by rapid adoption of AI/ML (artificial intelligence/machine learning) technologies as well as recurrent climate shocks.

However, the risks to food inflation remains vulnerable to supply-side shocks. The prolonged wars in Asia and Middle east and the conflict between Iran and US and other gulf countries on the one side have affected the oil prices and the availability of Gas and oil which has resulted in spiralling of prices in the food and other groceries and affected the middle and lower segments of the population in India. All major countries including the United Nations Organisations (UNO) are working for an amicable solution to resolve the conflict at the earliest.

INDUSTRY STRUCTURE AND DEVELOPMENTS:

REAL ESTATE SECTOR:

As one of the largest contributors to India's economy accounting for 7.3% of GDP and generating significant employment across construction and allied sectors, real estate remains central to the growth trajectory. Yet growing project scale, persistent cost pressures and tighter regulatory oversight are exposing the limitations of fragmented manual operating models. In response developers and investors are turning to digital and data driven tools to improve execution, certainty, transparency and capital efficiency

The Indian Real Estate sector is experiencing a phase of stabilisation and moderation for the financial year 2025-2026 following robust growth in the past decade both in Commercial and Residential Sectors. There has been a significant decrease in new project launches by 17 to 18% indicating a cautious approach to prevent over supply. The real estate prices are expected to increase by 5 to 7% annually

The Real Estate growth in 2025-2026 saw a controlled cool down in volume with sales in eight major cities showing a downward trend, Yet total market value increased highlighting a rise in per square foot up to 8%

Luxury and premium segment (ie more than Rs 1 crore) continue to drive demand while affordable housing faces pressure. However, the affordable housing has received a significant boost from Government. PMAY-Urban & PMAY-Urban 2.0 have been scaled up with a substantial outlay of Rs. 21,625 crores, a nearly threefold increase compared to the previous Rs. 7,500 crores. This expansion supports the goal of sanctioning 1 crore additional houses under PMAY-Urban 2.0 (between 2024-2029) to address the housing needs of the urban poor and middle class. For rural development the SWAMIH (Special window for Affordable and Mid Income housing) initiative is effectively transitioning to its next phase SWAMIH 2.0 backed by a planned corpus of Rs 15000 Crores. This phase builds on the successful milestone of delivering over 58000 housing units as of December 2025 providing much needed relief to home buyers in the stalled projects and further strengthening the real estate ecosystem.

Strong urbanisation and Infrastructure development are sustaining demand. Urban infrastructure development remains a central pillar for India's growth strategy. The investment is being channelled through key programmes such as Bharatmala pariyojana, Sangamala, Smart cities mission and UDAN which are enhancing connectivity, improving logistics efficiency and reducing transport cost.

Infrastructure development in Tier 2 and Tier 3 Cities particularly those with population of more than 5 Lakhs is being prioritised to support more balanced and decentralised urbanisation.

Institutional investors and domestic investors created a balanced land scape in 2025.

The outlook for 2026-2027 is towards sustainable growth rather than runaway boom.

Office demand is set to stabilise at 70-75 Million Sq.feet with Global capacity centres driving growth

Continued moderate growth in residential pricing is anticipated due to persistent demand.

OPPORTUNITIES AND CHALLENGES:

OPPORTUNITIES:

As explained earlier, the demand for Commercial and Residential spaces are increasing and your Company diligently safeguarded the inventories in the form of lands in both Bengaluru and Chennai waiting for the rightful opportunity to invest, construct commercial properties, expand and optimise the returns to the stake holders. Our Company has a Zero Debt policy and would like to expand on the internal accruals and revenue.

The Company is constantly evaluating to develop Joint venture development to develop Housing or commercial buildings in the real estate sector. There are some parcels of land which are not ideal to JV development and hence is weighing options to lease the land for exhibitions and car parking and also seeking suitable buyers to dispose of some of the parcels not ideal for JV development.

CHALLENGES:

As in every Industry, your Company also faces both Macro and Micro challenges;

- Global economic volatility and elevated domestic interest rates impacted homebuyer affordability and increased the cost of capital for the developers. The rise of housing prices is faster than incomes and hence affordability constraints are visible in mid income and affordable segments.
- Supply chain disruptions, rising material cost and margin pressure strained project visibility
- Land acquisition complexities, delayed environmental clearances and slower municipal approval processes continued to cause project delays and added execution risks
- Evolving consumer preferences necessitating Developers to adapt project designs and marketing strategies
- External macro factors such as geopolitical tensions, commodity price fluctuations and global capital flow uncertainties hinder investor sentiment in cross border investments

SEGMENT – WISE PERFORMANCE:

At present, the Company is engaged only in the business of real estate activities and there is no other separate reportable segment.

BUSINESS OUTLOOK:

As mentioned earlier and as per RBI, India is the only large Economy in the World to have continuous GDP growth of above 6.5% in the previous 3 financial Years and FY 2025-26 India real GDP growth is projected at 7.6% for FY 2026-27, the central bank has estimated growth at 6.9%, indicating a likely moderation amid rising global uncertainties and cost pressures. The RBI has slightly revised its quarterly projections for FY 2026-27. Growth for the first quarter has been lowered to 6.8% from 6.9%, while the second quarter estimate has been reduced to 6.7% from 7%, reflecting global headwinds and rising energy prices. India's GDP growth stood at 7.8% in the December quarter of FY 2025-26, compared to 8.4% in the preceding quarter.

In the Real Estate Sector after record performance in 2025 there has been a controlled cool down in volume with sales in major cities dipping though market value has increased highlighting a rise in per square foot up to 8% at the national level. Luxury and premium housing continue to drive demand while affordable housing faces pressure.

Luxury and premium housing continue to drive demand while affordable housing faces pressure. The Key drivers for sustaining demand are urbanisation and infrastructure demand. Institutional investors and domestic investor created a balanced land scape in 2025.

For the year 2026-2027 the real estate sector is aiming at sustainable growth rather than a runaway boom. Office demand is said to stabilise at 70-75 Million square feet with Global capability centres driving growth. Data centres are expected to grow rapidly by 2027.

To achieve the targeted GDP growth, the need of the hour is investments in the Commercial Space, Logistics & Warehousing which is gaining significant importance. We can see spurt of rentals of Commercial spaces in Metros by World's top 10 Companies like Meta, Apple, Amazon and various start-ups and Unicorn Companies. Your Company is constantly looking for suitable avenues to identify and venture in to new projects and business opportunities.

RISKS AND CONCERNS:

The Company is exposed to a number of risks such as economic, regulatory, taxation and environmental risks as well as sectoral investment outlook. Some risks that may arise in the normal course of business and could impact their ability to address future developments, comprise credit risk, liquidity risk, counterparty risk, regulatory risk, commodity inflation risk and market risk. The Company's strategy on focusing real estate activity for various geographical segments is exposed to economic and fluctuating market conditions. The Company continues to implement robust risk management policies that set-out the tolerance for risk management and the requisite mitigation plans.

Cautionary Statement: The above Management Discussion and Analysis contains certain forward-looking statements within the meaning of applicable security laws and regulations. These pertain to the Company's future business prospects and business profitability, which are subject to several risks and uncertainties and the actual results could materially differ from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, fluctuations in earnings, ability to manage growth, competition, economic growth in India, ability to attract and retain highly skilled professionals, time and cost over-runs on contracts, Government policies and actions with respect to investments, fiscal deficits, regulations etc. In accordance with the Regulations on Corporate Governance as approved by the Securities and Exchange Board of India, shareholders and readers are cautioned that in the case of data and information external to the Company, no representation is made on its accuracy or comprehensiveness, though the same are based on sources thought to be reliable. The Company does not undertake to make any announcement, in case any of these forward-looking statements become materially incorrect in future or update on any forward-looking statements made from time to time on behalf of the Company

ECONOMIC RISKS:

An economic slowdown and uncertainty in the economic system like the natural risks associated with the construction sector are beyond the control of a company so also the risks that have to do with the economy. A sluggish economy or even recession in a specific industry such as IT/ITES can lead to a decrease in sales or market rates for residential projects. In extreme cases of an economic downturn, a company may also run the risk of customer insolvency though the registration of property happens only on the receipt of all the dues from a customer. These factors could decrease the revenue generation

from some or all company's businesses, adversely affecting its business and future growth. Further, uncertainties in the national or global economic scenario, a changing demographic profile of the country and inflation also have a bearing on the functioning of a company operating in the real estate sector. In India, a real estate company's business is dependent on the easy availability of finance. An economic slowdown can result in fund shortages as lenders may want to act safe.

POLITICAL RISKS:

Changes in government policy, social and civil unrest, and political developments in or affecting India could affect the Company's business interests. Specific laws and policies affecting real estate, foreign investments and other matters affecting investments in the company's securities could also change.

LIQUIDITY RISKS & CREDIT RISKS:

LIQUIDITY RISKS: The real estate industry has its own challenges and dynamics. The time required to liquidate a real estate property can vary depending on the size, volume, demand, quality and location of the project.

CREDIT RISKS: In most of the cases properties are on a joint venture/sale basis. Credit risks arise when its JV partners or the buyers do not discharge their obligations and, in such circumstances, it may be required to make additional investments in a joint venture or become liable for the other party's obligations

POLICY AND REGULATORY RISKS:

REGULATORY RISKS: Local, state, and central regulatory bodies control the real estate sector through laws and regulations governing the acquisition, construction and development of land including zoning, permitted land use, fire safety standards, height of buildings and access to water and other utilities. Our business is subject to all these laws and regulations. Any delay in obtaining an approval under these laws and regulations will expose the business to higher risks.

LEGAL RISKS: In some legal proceedings relating to the land, in relation to taxation matters, any adverse decision may have a significant effect on the company's business, prospects, and financials.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has a comprehensive Internal Financial Control System commensurate with the size, scale and complexity of its operations. Your Company lays greater importance on internal control systems across the organization. The Company has adequate system of internal control which helps the management to review the effectiveness of financial and operating control as well as to ensure that all the assets are safeguarded and more productive. The system encompasses the major processes to ensure reliability of financial reporting, compliance with policies, procedures, laws, and regulations, safeguarding of assets and economical and efficient use of resources. We have a qualified and independent Audit Committee from the Board and quarterly meetings are attended by the Internal Auditors & Statutory Auditors. The Audit Committee reviews the adequacy and efficiency of internal controls and recommends any improvements or corrections. These internal controls ensure efficiency in operations, compliance with the policies of the Company.

DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT:

Employees are at the heart of your Company and a major resource for the future. It's their inexorable commitment that helps your Company to create spaces that enhance quality of life. Keeping the spirits

high at workplace needs a sound mental and physical fitness and deep-rooted culture which promotes work life balance.

Your Company's focus is to continue building organizational capability and capacity, leverage and nurture key talent, encourage meritocracy and enhance people utilization aligned with the business strategy. As on March 31, 2026 your Company had 15 employees.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
M/ S V GLOBAL MILL LIMITED**

Report on the audit of Standalone Financial Statements

Opinion

We have audited the standalone financial statements of M/s S V Global Mill Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss, (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of Cash Flows for the year then ended and notes to the Standalone Financial Statements, including a summary of the material accounting policies information and other explanatory information, [hereinafter referred to as Ind AS Financial Statements].

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profit, the changes in Equity, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to the following matter in the Notes to the statement:

- (i). The company's case for additional compensation pertaining to the compulsory acquired land which was pending before the Hon'ble Supreme Court of India was disposed off vide its final

judgement order dated 9th Feb 2026 and the matter was remanded back to the Hon'ble High Court of Karnataka. Following a request for reference to mediation, the High Court has referred the case to Karnataka Mediation Centre on 6th April 2026.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of Standalone Financial Statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we have obtained prior to the date of auditor's report, we conclude that if there is a material mis-statement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the Financial Position, Financial Performance (including Other Comprehensive Income), Changes in Equity and Cash Flows of the Company in accordance with Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial

controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Standalone Financial Statements that give a true and fair view and are free from material mis-statement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material mis-statement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material mis-statement when it exists. Mis-statements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material mis-statement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material mis-statement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate Internal Financial Controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of mis-statements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified mis-statements in the Standalone Financial Statements. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in Internal Control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Ind AS Standalone financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015.
- (e) On the basis of the written representations received from the Directors as on 31st March, 2026 taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March 2026 from being appointed as a Director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the Internal Financial Controls with reference to the financial statements of the Company, and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer Note 30 & 31 to the financial statements.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There has been no delay in transferring amounts required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv) (a) The management has represented that, to the best of its knowledge and belief, as disclosed in notes to the financial statements no funds have been advanced or loaned or

invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in notes to financial statements no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries ; and

(c) Based on such audit procedures we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material mis-statement.

- v) The Company has not declared or paid any dividend during the year and accordingly reporting on the compliance with section 123 of the Act, is not applicable for the year under consideration.
- vi) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023. Based on our examination which included test checks, the company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been in operation since 1st January 2025, for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with since then.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE Ind AS FINANCIAL STATEMENTS OF S V GLOBAL MILL LIMITED**Report on the Internal Financial Controls under Clause (i) of sub Section (3) of Section 143 of the Companies Act, 2013 (“the Act”).**

We have audited the Internal Financial Controls with reference to the financial statements of S V Global Mill Limited (“the Company”) as of March 31, 2026 in conjunction with our audit of the Ind AS Standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining Internal Financial Controls based on the Internal Control over Financial Reporting criteria established by the Company, considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting, issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls with reference to the financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls with reference to the financial statements of the Company and their operating effectiveness. Our audit of Internal Financial Controls with reference to the financial statements of the Company included obtaining an understanding of Internal Financial Control

over Financial Reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditors' judgement, including the assessment of the risks of material mis-statement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls System over Financial Reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's Internal Financial Controls with reference to the financial statements of the Company is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's Internal Financial Control over Financial Reporting includes those policies and procedures that:

- (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and Directors of the Company; and
- (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls with reference to the financial statements

Because of the inherent limitations of, Internal Financial Controls with reference to the financial statements of the Company, including the possibility of collusion or improper management override of controls, material mis-statements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls with reference to the financial statements of the Company to future periods are subject to the risk that the Internal Financial Controls with reference to the financial statements of the Company may

become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate Internal Financial Controls with reference to the standalone financial statements of the Company and such Internal Financial Controls with reference to the standalone financial statements of the Company were operating effectively as at March 31, 2026, based on the Internal Controls over Financial Reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by ICAI.

1. REPORTING ENTITY

S V Global Mill Ltd (S V Global or the Company) is a company registered under the erstwhile Companies Act, 1956 with its registered office at New No. 5/1, Old No. 3/1, 6th Cross Street, CIT Colony, Mylapore, Chennai - 600004 and is also listed with the Bombay Stock Exchange Limited. The Company is engaged in the business of real estate.

2. BASIS OF PREPARATION

2.1 Statement of Compliance

The Company adopted the Ind AS in preparation of the financial statements notified by the Ministry of Corporate Affairs vide Notification No. G.S.R. 111(E) dated 16th February 2015 as amended from time to time. Accordingly, the financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') as prescribed under section 133 of the Companies Act, 2013 (the "Act"), read together with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, relevant provisions of the Act and other accounting principles generally accepted in India.

2.2 Functional Currency

The management has determined the currency of the primary economic environment in which the Company operates i.e., functional currency, to be Indian Rupees (INR). The financial statements are presented in Indian Rupees ('INR') which is the Company's functional currency and presentational currency.

2.3 Basis of Measurement

The financial statements have been prepared on a historical cost basis, except otherwise stated.

2.4 Significant Estimates and Judgements

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes, requiring a material adjustment in the carrying amounts of assets or liabilities in the future periods. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

- i. Estimation of useful life of Property, Plant and Equipment and residual values
- ii. Estimation and evaluation of provisions and contingencies

3 SIGNIFICANT ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

3.1 Current and non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- i. It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- ii. It is held primarily for the purpose of being traded;

- iii. It is expected to be realized within 12 months after the reporting date; or
- iv. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- i. It is expected to be settled in the Company's normal operating cycle;
- ii. It is held primarily for the purpose of being traded;
- iii. It is due to be settled within 12 months after the reporting date; or
- iv. There is no an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include the current portion of financial liabilities some part of which may be non-current. All other liabilities are classified as non-current.

Deferred tax assets are classified as non-current assets.

Operating cycle

The operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. Based on the nature of operations and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle being a period of 12 months for the purpose of classification of assets and liabilities as current and non-current.

3.2 Property, Plant & Equipment

Recognition and Measurement

Items of property, plant and equipment are measured at cost, less accumulated depreciation and accumulated impairment losses, if any. Cost of acquisition is inclusive of taxes, duties, freight, installation allocated incidental expenditure during construction / acquisition, borrowing cost and necessary adjustments in the year of final settlement. The cost of Property, Plant and Equipment also includes the present value of obligations arising, if any, from decommissioning, restoration and similar liabilities related to the same. The present value of those costs (decommission and/or restoration costs) is capitalized as an asset and depreciated over the useful life of the asset.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labor, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Capital Work-in-Progress

Capital work-in-progress includes assets under construction and cost attributable to construction of assets not ready for use before the year end.

Subsequent Expenditure

Subsequent expenditure is included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.

Depreciation

Depreciation is provided on the cost of the property, plant and equipment less their estimated residual values over their estimated useful lives, and is recognized in the Statement of Profit and Loss. The company depreciates property, plant and equipment as per guidance set out in Schedule II of the Companies Act, 2013 on written down value (WDV) method except in respect of the assets mentioned (II) below. Items of Property, Plant and Equipment are depreciated over the useful life as provided below:

Sl. No	Category	Useful Life
1.	Buildings-1	60
2.	Buildings -2*	3
3.	Computer & Computer Accessories	3
4.	Electrical Equipment's	5
5.	Furniture & Fixtures	5
6.	Motor Vehicles	8
7.	Office Equipment's	5
8.	Plant and Machinery	5

- Assets costing up to INR 5,000 are depreciated fully in the Year of Purchase
- In the year of commissioning/retirement of assets, depreciation is calculated on pro-rata basis, for the period the asset is available for use
- * Represents temporary structure written off over a period of 3 years

3.3 Borrowing Costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences in respect of long-term foreign currency liabilities of the respective asset to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs (net of interest earned on temporary investments) directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. Interest is computed on weighted average cost of funds deployed.

All other borrowing costs are expensed in the year in which they occur

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

3.4 Inventories

Land and building held as Stock-in-Trade for Property Development is stated at lower of cost and net realizable value.

3.5 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Initial Recognition and Measurement

All financial assets are initially recognized when the Company becomes a party to the contractual provisions of the instrument. All financial assets are initially measured at fair value plus or minus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset.

Classification

The company classifies its financial assets in the following categories

- i. Financial Assets at amortized cost
- ii. Financial Assets measured subsequently at fair value (either through other comprehensive income, or through profit or loss)

Debt Instruments

A financial asset being 'debt instrument' is measured at the amortised cost if both of the following conditions are met:

1. The financial asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
2. The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset is measured at Fair Value through Other Comprehensive Income (FVTOCI), if both of the following conditions are met:

- i. the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- ii. the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Assets that do not meet the criteria for amortised cost or Fair Value through Other Comprehensive Income (FVTOCI) are measured at Fair Value through Profit or Loss (FVTPL).

Equity Instruments

The Company subsequently measures all investments in equity (except of the subsidiaries/associate) at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss.

Subsequent Measurement

Financial assets at amortised cost: These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses, if any. Interest income and impairment are recognised in the statement of profit and loss.

Financial assets at FVTOCI or FVTPL: These assets are subsequently measured at fair value. Net gains and losses, including any interest income, are recognised in OCI or the statement of profit and loss as the case may be. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends/Interest Income from such investments are recognised

in profit or loss as other income when the Company's right to receive payments is established.

Impairment

The Company recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not fair valued through profit or loss.

Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL.

For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition, in which case those financial assets are measured at lifetime ECL. The changes (incremental or reversal) in loss allowance computed using ECL model, is recognised as an impairment gain or loss in the statement of profit and loss.

Impairment losses (and reversal of impairment losses) on equity investments measured at FVTOCI are not reported separately. Where the Company elects to measure FVTPL, changes in the fair value of such financial assets are recognised in the statement of profit and loss.

Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset. Any gain or loss on derecognition is recognised in the statement of profit and loss.

Financial Liability

Recognition and initial measurement

All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial liabilities are initially measured at fair value minus, in the case of financial liabilities not recorded at fair value through profit or loss, transaction costs that are attributable to the liability.

Classification and subsequent measurement

Financial liabilities are classified as measured at amortised cost. Financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expenses are recognised in the statement of profit and loss.

Derecognition

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in the statement of profit and loss.

Any gain or loss on derecognition is also recognised in the statement of profit and loss.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the Balance Sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and

it intends either to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

3.6 Investment in subsidiaries / associates:

Investment in subsidiaries / associates is measured at cost less provision for impairment.

3.7 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/(loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, financing and investing activities of the Company are segregated.

3.8 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand, short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

3.9 Impairment of non-financial assets

The carrying amounts of the Company's non-financial assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, the Company estimates the asset's recoverable amount. Impairment losses are provided for Cash Generating Units (CGU) and also for individual assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount and is recognised in the Statement of Profit & Loss.

"On review of impairment loss at the end of each reporting period, if the carrying value of an individual asset increases, reversal of impairment loss is made to the extent that it does not exceed the carrying amount of such asset. In case of a CGU, reversal of impairment loss, if any, is allocated pro rata to the individual assets of the CGU."

3.10 Prior period items, accounting estimates and effect of change in Accounting Policy

Prior period errors of material nature, are corrected retrospectively by restating the comparative amounts for the prior period(s) presented in which the error occurred or if the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and equity for the earliest prior period presented.

The effect of change in accounting estimate is recognised prospectively in the Statement of Profit and Loss except where they relate to assets and liabilities, the same is recognised by adjusting the carrying amount of related assets/liability/equity in the period of change.

Changes in accounting policy due to initial application of Ind AS are dealt with in accordance with specific transitional provisions, if any in the Ind AS. In other cases, the changes in accounting policy are recognised retrospectively, the application of such change is limited to the earliest period practicable.

3.11 Events occurring after the balance sheet date

Events occurring after the balance sheet date are those events that occur between the end of the reporting period and the date when the financial statements are approved by the Board of Directors. Such events are disclosed or given effect to in the financial statements as provided for in Ind AS 10.

3.12 Revenue

Revenue is recognized to the extent that it is probable that economic benefits will flow to the company and the revenue can be reliably measured. Revenue should be recognized initially at transaction price when the entity satisfies the performance obligation.

Revenue from cancellation of contracts

Revenue from cancellation of contracts in the usual course of real estate business is recognized when the compensation/interest/fee payable to the company is determined and agreed between the parties.

Revenue from Rentals

Revenue includes revenue earned through rental of company's properties invoiced for fixed monthly charges or on time proportionate basis.

Interest Income

Interest income from debt instruments is recognized using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying value of a financial asset. While calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

Dividend

Dividend income is recognized in the Profit and Loss account when the right to receive the same is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of dividend can be reliably measured.

Others

Sale proceeds of scrap are taken to other non-operating income in the year of disposal.

3.13 Income Taxes

Income tax expense comprises current and deferred tax. It is recognized in profit and loss except to the extent that it relates to a business combination, or items recognized directly in equity or in OCI.

Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax is the best estimate of the tax amount expected to be paid or received that reflects uncertainty related to income taxes, if any. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

Deferred Tax

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is not recognized for:

- i. temporary differences on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit and loss;

- ii. temporary differences related to investments in subsidiaries to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and

Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized; such reductions are reversed when the probability of future taxable profits improves.

Unrecognized deferred tax assets are reassessed at each reporting date and recognized to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

Minimum Alternate Tax

Minimum Alternative Tax ('MAT') expense under the provisions of the Income-tax Act, 1961 is recognized as an asset when it is probable that future economic benefit associated with it in the form of adjustment of future income tax liability, will flow to the Company and the asset can be measured reliably. MAT credit entitlement is set off to the extent allowed in the year in which the Company becomes liable to pay income taxes at the enacted tax rates. MAT credit entitlement is reviewed at each reporting date and is written down to reflect the amount that is reasonably certain to be set off in future years against the future income tax liability.

3.14 Earnings per Share

The Company presents basic and diluted earnings/ (loss) per share (EPS) data for its equity shares. Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

3.15 Provisions and Contingencies

Provisions:

A provision is recorded when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated. The estimated liability for product warranties is recorded when products are sold based on technical evaluation.

Contingent liabilities

Wherever there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability. Show because notices are not considered as Contingent Liabilities unless converted into demand.

Contingent Assets

Contingent assets are neither recognized nor disclosed in the financial statements.

3.16 Segment Reporting

The operating segments used to present segment information are identified on the basis of the information reported to the Board of Directors who is chief operating decision maker (CODM) for the purposes of resources allocation and assessment of segment performance. The operating segments have been identified on the basis of the nature of products / services. Revenue directly attributable to the segments is considered as segment revenue. Expenses directly attributable to the segments and common expenses allocated on a reasonable basis are considered as segment expenses.

3.17 Leases

Determination whether a contract contains a lease

The company assesses whether a contract is, or contains, a lease at the inception of a contract.

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At inception or on reassessment of the arrangement that contains a lease, the payments and other consideration required by such an arrangement are separated into those for the lease and those for other elements on the basis of their relative stand-alone prices.

Where the Company is the lessee

Initial Recognition and Measurement

The Company recognizes right to use asset and a lease liability at the lease commencement date.

Right to use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or restore the underlying asset or the site on which it is located, less any incentives received.

Lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease of, if that rate cannot be readily determined, the company's incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise the following:

- i. Fixed payments, including in-substance fixed payments;
- ii. Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- iii. Amounts expected to be payable under a residual value guarantee; and
- iv. The exercise price under a purchase option that the company is reasonably certain to exercise, lease payments in an optional renewal period if the company is reasonably certain to exercise an extension period, and penalties for early termination of a lease unless the company is reasonably certain not to terminate early.

Subsequent Measurement

Right to use asset is subsequently depreciated using the written-down value method from the commencement date to the earlier of end of useful life of the right to use asset or the end of the lease term. The estimated useful lives of right to use assets are determined on the same basis as those of the

property, plant and equipment. In addition, the right to use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurement of the lease liability.

The lease liability is measured at amortized cost using the effective interest method. It is remeasured when there is a change in the future lease payments arising from a change in an index or rate, if there is a change in company's estimate of the amount expected to be payable under a residual value guarantee, or if the company changes its assessment of whether it will exercise a purchase, extension or termination option.

Upon remeasurement of lease liability as above, corresponding adjustment is made out to the carrying amount of the right to use asset, or is recorded in the statement of profit & loss, when the carrying amount of the right to use asset is reduced to zero.

Where the Company is the lessor

The company determines at inception whether each lease is a finance lease or an operating lease. Where the lease transfers substantially all of the risks and rewards incidental to ownership of the underlying asset, it is classified as a finance lease. If not, then as an operating lease. The lease payments received under operating leases as income on a straight-line basis over the lease term.

In case of a finance lease, at the commencement date, the company recognizes the assets held under a finance lease in its balance sheet and present them as a receivable at an amount equal to the net investment in the lease. Finance income will be recognized over the lease term, based on a pattern reflecting a constant periodic rate of return on the company's net investment in the lease.

B. Risk Management

(i) Credit Risk

Credit risk primarily arises from cash and cash equivalents, trade receivables and investments carried at amortised cost. The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forward looking information.

a. Cash and Cash Equivalents

Credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with banks with high credit ratings assigned by domestic credit rating agencies.

b. Trade Receivables:

The maximum exposure to the credit risk at the reporting date is primarily from trade receivables. Trade receivables are typically unsecured and are derived from revenue earned from customers primarily located in India. The Company does monitor the economic environment in which it operates. The Company manages its credit risk through credit approvals, establishing credit limits and continuously monitoring credit worthiness of customers to which the Company grants credit terms in the normal course of business.

The Company establishes an allowance for impairment that represents its expected credit losses in respect of trade receivable and other financial assets. The management uses a simplified approach (i.e. based on lifetime ECL) for the purpose of impairment loss allowance, the company estimates amounts based on the business environment in which the Company operates, and management considers that the trade receivables are in default (credit impaired) when counterparty fails to make payments for receivable more than 2 years past due. However, the Company based upon historical experience determine an impairment allowance for loss on receivables.

(II) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company believes that its liquidity position, including total cash and cash equivalent and bank balances other than cash and cash equivalent of Rs 29.58 lakh as at 31.03.2026 (481.39 lakh as at 31.03.2025), anticipated future internally generated funds from operations, enable it to meet its future known obligations in the ordinary course of business. However, if a liquidity needs were to arise, the Company believes it has access to financing arrangements, value of unencumbered assets, which should enable it to meet its ongoing capital, operating, and other liquidity requirements. The Company will continue to consider various borrowing or leasing options to maximize liquidity and supplement cash requirements as necessary.

The Company's liquidity management process as monitored by management includes the following:

- I. Day to day funding, managed by monitoring future cash flows to ensure that requirements can be met.
- II. Maintaining rolling forecasts of the Company's liquidity position on the basis of expected cash flows.

III. Market Risk

Market risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: Currency risk and Interest rate risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

a. Currency Risk

Currency risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company is not exposed to the effects of fluctuation in the prevailing foreign currency exchange rates on its financial position and cash flows as there is no foreign currency exposure.

b. Interest Rate Risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company has not borrowed any funds from banks/financial institutions/other and thereby there is no foreseeable risk due to change in interest rates.

24. Capital Management:

For the purpose of the Company's capital management, capital includes issued equity share capital and all other equity reserves attributable to the equity holders of the Company.

The company's objectives when managing capital are to:

- I. safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- II. maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

The Company monitors capital on the basis of the debt to capital ratio, which is calculated as interest-bearing debts divided (total borrowings net of cash and cash equivalents) by Total Equity (equity attributable to owners of the parent plus interest-bearing debts).

27. Capital Advance

Pursuant to the scheme of demerger of erstwhile Binny Limited as approved by the Hon'ble High Court of Madras, the amounts payable by M/s Padmadevi Sugars Ltd to erstwhile Binny Limited amounting to Rs. 21.34 crore was allocated to S V Global Mill Limited as treated as recoverable from M/s Padmadevi Sugars Ltd.

M/s Padmadevi Sugars Ltd has been referred to the National Company Law Tribunal by its creditors. Considering the proceedings before the NCLT, the management by way of abundant caution during the financial year 2018-19 provided for the entire amount recoverable from M/s Padmadevi Sugars Ltd.

Pending further developments in the matter, the Impairment allowance is retained at the same level and capital advance is presented net off impairment allowance.

28. Exceptional Item:

The erstwhile Binny Limited could not operate the Bangalore Woollen, Cotton and Silk Mills, Bangalore and the factory declared a lock out during the period 26.12.1988 to 05.08.1989. Consequently, the dispute regarding wages during lock out period arose and Industrial Tribunal vide I.D. 9/1990 dated 03.11.1990 passed an award against Binny Ltd for payment of wages and other benefits for the lock out period.

Against the order of the Industrial Tribunal, a Writ Appeal was filed before the Hon'ble High Court of Karnataka, by erstwhile M/s Binny Ltd which was dismissed. Against the order of the Hon'ble High Court of Karnataka a Special Leave Petition was filed by erstwhile M/s Binny Ltd before the Hon'ble Supreme Court of India which was also dismissed. Thereafter, the matter was referred back to the Deputy Labour Commissioner (DLC), Division - I, Bangalore for determination settlement payable to the labourers. In the meanwhile, as per the Scheme of demerger approved by the Hon'ble High Court of Madras, M/s. S V Global Mill Ltd has taken over this dispute.

During the financial year 2017-18, the Deputy Labour Commissioner ordered to settle the amounts to the respective labourers covered by the order and accordingly the company during the year has paid an amount of NIL (previous year Rs. 4,89,616) and the same has been treated as Exceptional Item in the Statement of Profit and Loss for the year ended 31st March 2025.

Out of the total payable of Rs. 5,68,42,280 as result of the order, the company has settled an amount of Rs. 2,95,21,742 till 31st March 2026. The balance amount of Rs. 2,78,10,154 is expected to be settled as and when the claim is lodged by those entitled to it.

30. Claims not acknowledged as debt

During the financial year 2016-17, the company has received legal notices from various statutory authorities pertaining to the affairs of Binny Limited. As the company is not involved in the allegations/disputes, the company has challenged the issue of notices on M/s. S V Global Mill Limited.

The Wealth Tax Authorities has reassessed the wealth tax for the FY 2010-11 to FY 2014-15 resulting in the demand of Rs.13.33 crores. Against the orders passed by the wealth tax authorities, the company has filed appeals before the commissioner of Wealth Tax (Appeals) which is pending. Pending appeals, the company has paid an amount of Rs.2.52 crores in aggregate under protest for the aforesaid FYs.

31. Appeal for enhanced compensation on compulsory acquisition

Lands to the extent of 3 acres and 16 guntas was compulsorily acquired during the year 2013-14, by the Special Land Acquisition Officer (SLOA), Government of Karnataka for public purpose. In respect of the compulsory acquisition, the Company during the financial year 2014-15 received compensation under the Right to Fair Compensation & Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (LARR 2013).

The award was accepted under protest with regard to the determination of market value, the manner and the method of computation of compensation and an application requesting enhancement of compensation was filed.

In the meanwhile, against order enhancing the compensation for compulsory acquisition, the Government of Karnataka filed an appeal before the Hon'ble High Court of Karnataka. An appeal of the Government of Karnataka against the order of the Civil Court was dismissed by the Hon'ble High Court of Karnataka against which a SLP was filed before the Hon'ble Supreme Court of India. The Hon'ble Supreme Court of India on 10th August 2021 remitted back the review petition to the Hon'ble High Court of Karnataka for order on merits. The Hon'ble High Court of Karnataka vide its order dated 21st October 2022 dismissed the review petition as not maintainable against the order. Against the order, the Government of Karnataka has filed an SLP before the Hon'ble Supreme Court of India, which was pending before the Hon'ble Supreme Court of India was disposed off vide its final judgement order dated 9th Feb 2026 and the matter was remanded back to the Hon'ble High Court of Karnataka. Following a request for reference to mediation, the High Court has referred the case to Karnataka Mediation Centre on 6th April 2026.

INDEPENDENT AUDITOR'S REPORT**To Members of S V GLOBAL MILL LIMITED****Report on the Audit of the Consolidated Ind AS Financial Statements****Opinion**

We have audited the accompanying Consolidated Financial Statements of M/s S V Global Mill Limited (hereinafter referred to as the "Holding Company") and its subsidiary (the Holding Company and its subsidiary are together referred to as the "Group"), its associates and jointly controlled entities, which comprises the Consolidated Balance Sheet as at 31 March 2026, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and Notes to the Consolidated Financial Statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2026, of Consolidated loss, Consolidated changes in equity and its Consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, its associates and jointly controlled entities in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

Emphasis of Matter

We draw attention to the following matter in the Notes to the statement:

- (ii). The company's case for additional compensation pertaining to the compulsory acquired land which was pending before the Hon'ble Supreme Court of India was disposed off vide its final judgement order dated 9th Feb 2026 and the matter was remanded back to the Hon'ble High Court of Karnataka. Following a request for reference to mediation, the High Court has referred the case to Karnataka Mediation Centre on 6th April 2026.

Our opinion is not modified in respect of the above matters.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of consolidated financial statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters. We

have determined that there are no key audit matters to be communicated in our report.

Other Matters

The consolidated Financial Statements include the Group's share of net profit of Rs. 6.32 Lakhs for the year ended 31st March 2026, as considered in the Consolidated Financial Statements in respect of one Associate, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of the Associate, and our report in terms of sub-sections (3) of Section 143 of the Act, insofar as it relates to the aforesaid Associate is based solely on the reports of the other auditors.

Our opinion on the consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Information Other Than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors is responsible for the other information in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Consolidated Financial Statements that give a true and fair view of the Consolidated Financial position, Consolidated Financial Performance, Consolidated changes in equity and Consolidated Cash Flows of the Group including its associates and jointly controlled entities in accordance with Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are

responsible for assessing the ability of the Group and of its associates and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are also responsible for overseeing the Group's Financial reporting process and of its associates and jointly controlled entities.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143 (3) (i) of the Act, we are also responsible for expressing our opinion on whether the Group have adequate Internal Financial Controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and jointly controlled entities to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements

We communicate with those charged with governance of the Holding company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in Internal Control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept by the company, so far as it appears from our examination of those books and the reports of the other auditors.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements.

- (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015.
- (e) On the basis of written representations received from the directors as on 31 March, 2026, taken on record by the Board of Directors of the holding Company and its subsidiary company, and its associate companies and jointly controlled companies none of the directors is disqualified as on 31 March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Group and its associates to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The Consolidated Ind AS Financial Statements has disclosed the impact of pending litigations on its financial position in its consolidated financial statements – Refer Note 31 & 33 to the consolidated financial statements.
 - The Group its of associates and jointly controlled entities did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - There were no amounts which are required to be transferred to the Investor Education and Protection Fund by the Holding Company and/or its subsidiary company, associate company and jointly controlled companies.
 - (a) The respective managements of the Holding Company and its Subsidiary and Associate have represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Group to or in any other person or entity, including foreign entity ("intermediary"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Group ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds (which are material either individually or in the aggregate) have been received by the Group

form any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Group shall, whether, directly or indirectly, lend or invest in other person or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries:

(c) Based on the audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above, contain any material misstatement.

v. The Subsidiary Company has declared and paid dividend during the year and according to the information and explanations given to us the same is in compliance with section 123 of the Act.

vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023. Based on our examination which included test checks whose financial statements has been audited under the Act, the Group has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been in operation since 1st January 2025, for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with since then.

2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports of the companies included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

"Annexure A" to the Independent Auditor's Report of even date on the Consolidated Financial Statements S V GLOBAL MILL LIMITED.

Report on the Internal Financial Controls under Clause (1) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of S V Global Mill Limited (hereinafter referred to as "the Holding Company") and its subsidiary company (the Holding Company and its subsidiary company together referred to as "the Group") as of March 31, 2026 in conjunction with our audit of the consolidated Ind AS financial statements of the Group for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary are responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding company's internal financial controls with reference to consolidated financial statements of the company, its subsidiaries over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls with reference to consolidated financial statements, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting

Meaning of Internal Financial Controls over Financial Reporting

A Group's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A Company's Internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company.
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and Directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the group's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company and its subsidiaries, have in all material respects, an adequate Internal Financial Controls System with reference to the consolidated financial statements were operating effectively as at March 31, 2026, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. REPORTING ENTITY

S V Global Mill Ltd (S V Global or the Company) is a company registered under the erstwhile Companies Act, 1956 with its registered office at New No. 5/1, Old No. 3/1, 6th Cross Street, CIT Colony, Mylapore, Chennai - 600004 and is also listed with the Bombay Stock Exchange Limited. The Company is engaged in the business of real estate.

S V Global Finance Private Limited (SVGFPL or the subsidiary Company) is a company registered under the erstwhile Companies Act, 1956 with its registered office at New No. 5/1, Old No. 3/1, 6th Cross Street, CIT Colony, Mylapore, Chennai - 600004. The Company is registered with Reserve Bank of India as a 'Non-Banking Finance Company under the category Non Deposit Taking NBFC - Loan Company' and the Company follows the directions prescribed by the Reserve Bank of India for Non-Banking Financial Companies with respect to Income Recognition, Asset Classification, Provisioning norms.

The above entities are jointly referred as the Group for the purpose of reporting.

Adyar Property Holdings Company Private Limited (associate company) is a company registered under the erstwhile Companies Act, 1956 with its registered office at No. 2, 3rd Avenue, Boat Club Road, RA Puram, Chennai - 600028.

2. Principles of Consolidation

The Consolidated Financial Statements of the Group are prepared in accordance with Indian Accounting Standard ('Ind AS') 110 "Consolidated Financial Statements" and Indian Accounting Standard ('Ind AS') 28 "Investment in Associates & Joint Ventures".

3. Basis of Consolidation

The Consolidated Financial Statement comprises the financial statements of the Company and its subsidiaries and its associates as at 31st March, 2025.

Subsidiary

Subsidiaries are entities controlled by the Company. The Company controls an entity when it is exposed to, or has right to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the Consolidated Financial Statement from the date on which control commences until the date on which control ceases.

The financial statements of the Company (SV Global) and its subsidiary have been combined on a line by line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating intra group balances and intra group transactions and adopting uniform accounting policies. The Financial Statements of the jointly controlled entity are proportionately consolidated. The share of interest in each item of Balance Sheet and Statement of Profit and Loss is separately shown.

Non-controlling interest (NCI) are measured at their proportionate share of the acquiree's net identifiable assets at the date of acquisition.

Intra-group balances and transactions, and any unrealised income and expenses arising from intra-group transactions, are eliminated. Unrealised gains arising from transactions with equity accounted investees are eliminated against the investment to the extent of the Company's interest in the investee, Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment

Associates

Associates are all entities over which the group has significant influence but not control or joint control. (This is generally the case where the group holds between 20% and 50% of the voting rights). Investments in associates are accounted for using the equity method of accounting after initially being recognised at cost.

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the group's share of the post-acquisition profits or losses of the investee in profit and loss, and the group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment.

When the group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the group and its associates and joint ventures are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the group.

The carrying amount of equity accounted investments are tested for impairment in accordance with the policy described in note 5.4 below.

4. BASIS OF PREPARATION

- 4.1 Statement of Compliance: The Group adopted the Ind AS in preparation of the financial statements notified by the Ministry of Corporate Affairs vide Notification No. G.S.R. 111(E) dated 16th February 2015 as amended from time to time. Accordingly, the financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') as prescribed under section 133 of the Companies Act, 2013 (the "Act"), read together with the Companies (Indian Accounting Standards) Rules, 2015, relevant provisions of the Act and other accounting principles generally accepted in India.
- 4.2 Functional Currency: The management has determined the currency of the primary economic environment in which the Group operates i.e., functional currency, to be Indian Rupees (INR). The financial statements are presented in Indian Rupees ('INR') which is the Group's functional currency and presentational currency.
- 4.3 Basis of Measurement: The financial statements have been prepared on a historical cost basis, except otherwise stated.
- 4.4 Significant Estimates and Judgements: The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes, requiring a material adjustment in the carrying amounts of assets or liabilities in the future periods. Estimates and

underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

- (i) Estimation of useful life of Property, Plant and Equipment and residual values
- (ii) Estimation and evaluation of provisions and contingencies

5. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

5.1: Current and non-current classification: All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

1. It is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
2. It is held primarily for the purpose of being traded;
3. It is expected to be realised within 12 months after the reporting date; or
4. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

1. It is expected to be settled in the Company's normal operating cycle;
2. It is held primarily for the purpose of being traded;
3. It is due to be settled within 12 months after the reporting date; or
4. There is no an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include the current portion of financial liabilities some part of which may be non-current. All other liabilities are classified as non-current.

Deferred tax assets are classified as non-current assets.

Operating cycle

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of operations and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle being a period of 12 months for the purpose of classification of assets and liabilities as current and non-current.

5.2. Property, Plant and Equipment

Recognition and Measurement

Items of property, plant and equipment are measured at cost, less accumulated depreciation and accumulated impairment losses, if any. Cost of acquisition is inclusive of taxes, duties, freight, installation allocated incidental expenditure during construction / acquisition, borrowing cost and necessary adjustments in the year of final settlement. The cost of Property, Plant and Equipment also includes the present value of obligations arising, if any, from decommissioning, restoration

and similar liabilities related to the same. The present value of those costs (decommission and/or restoration costs) is capitalised as an asset and depreciated over the useful life of the asset.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Capital Work-in-Progress:

Capital work-in-progress includes assets under construction and cost attributable to construction of assets not ready for use before the year end.

Subsequent Expenditure: Subsequent expenditure are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced.

Depreciation:

Depreciation is provided on the cost of the property, plant and equipment less their estimated residual values over their estimated useful lives, and is recognized in the Statement of Profit and Loss. The company depreciates property, plant and equipment as per guidance set out in Schedule II of the Companies Act, 2013 on written down value (WDV) method except in respect of the assets mentioned (II) below. Items of Property, Plant and Equipment are depreciated over the useful life as provided below:

Sl. No	Category	Useful Life
1.	Buildings	60
2.	Buildings -2*	3 years
3.	Computer & Computer Accessories	3
4.	Electrical Equipments	5
5.	Furniture & Fixtures	5
6.	Motor Vehicles	8
7.	Office Equipments	5
8.	Plant and Machinery	5

- Assets costing up to INR 5,000 are depreciated fully in the year of purchase.
- In the year of commissioning/retirement of assets, depreciation is calculated on pro-rata basis, for the period the asset is available for use.
- Represents temporary structure written off over a period of 3 years

Derecognition: The gain or loss arising from the derecognition of an item of property, plant and equipment is included in the Statement of Profit and Loss.

5.3. Inventories: Land and building held as Stock-in-Trade for Property Development is stated at lower of cost and net realizable value.

5.4. Financial Instruments: A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Asset

Initial Recognition and Measurement

The company classifies its financial assets in the following categories

- i. Financial Assets at amortised cost
- ii. Financial Assets measured subsequently at fair value (either through other comprehensive income, or through profit or loss)

The classification depends upon the company's business model for managing the financial assets and the contractual cash flows of the financial asset.

Debt Instruments: A financial asset being 'debt instrument' is measured at the amortised cost if both of the following conditions are met:

- i. The financial asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- ii. The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset is measured at Fair Value through Other Comprehensive Income (FVTOCI), if both of the following conditions are met:

- i. the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- ii. the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Assets that do not meet the criteria for amortised cost or Fair Value through Other Comprehensive Income (FVTOCI) are measured at Fair Value through Profit or Loss (FVTPL).

Equity Instruments:

The Company subsequently measures all investments in equity (except of the subsidiaries/associate) at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss.

Subsequent Measurement:

Financial assets at amortised cost: These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses, if any. Interest income and impairment are recognised in the statement of profit and loss.

Financial assets at FVTOCI or FVTPL: These assets are subsequently measured at fair value. Net gains and losses, including any interest income, are recognised in OCI or the statement of profit and loss as the case may be. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends/Interest Income from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established.

Impairment:

The Company recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not fair valued through profit or loss.

Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL.

For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition, in which case those financial assets are measured at lifetime ECL. The changes (incremental or reversal) in loss allowance computed using ECL model, is recognised as an impairment gain or loss in the statement of profit and loss.

Impairment losses (and reversal of impairment losses) on equity investments measured at FVTOCI are not reported separately. Where the Company elects to measure FVTPL, changes in the fair value of such financial assets are recognised in the statement of profit and loss.

Derecognition: The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset. Any gain or loss on derecognition is recognised in the statement of profit and loss.

Financial Liability

Recognition and initial measurement: All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial liabilities are initially measured at fair value minus, in the case of financial liabilities not recorded at fair value through profit or loss, transaction costs that are attributable to the liability.

Classification and subsequent measurement: Financial liabilities are classified as measured at amortised cost. Financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expenses are recognised in the statement of profit and loss.

Derecognition:

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in the statement of profit and loss.

Any gain or loss on derecognition is also recognised in the statement of profit and loss.

Offsetting:

Financial assets and financial liabilities are offset and the net amount presented in the Balance Sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

5.5. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/(loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, financing and investing activities of the Company are segregated.

5.6. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand, short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

5.7. Impairment of non-financial assets:

The carrying amounts of the Company's non-financial assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, the Company estimates the asset's recoverable amount.

Impairment losses are provided for Cash Generating Units (CGU) and also for individual assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount and is recognised in the Statement of Profit & Loss

On review of impairment loss at the end of each reporting period, if the carrying value of an individual asset increases, reversal of impairment loss is made to the extent that it does not exceed the carrying amount of such asset.

In case of a CGU, reversal of impairment loss, if any, is allocated pro rata to the individual assets of the CGU.

5.8. Prior period items, Accounting estimates and effect of change in Accounting Policy

Prior period errors of material nature, are corrected retrospectively by restating the comparative amounts for the prior period(s) presented in which the error occurred or if the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and equity for the earliest prior period presented.

The effect of change in accounting estimate is recognised prospectively in the Statement of Profit and Loss except where they relate to assets and liabilities, the same is recognised by adjusting the carrying amount of related assets/liability/equity in the period of change.

Changes in accounting policy due to initial application of Ind AS are dealt with in accordance with specific transitional provisions, if any in the Ind AS. In other cases, the changes in accounting policy are recognised retrospectively, the application of such change is limited to the earliest period practicable.

5.9. Revenue

Revenue is recognized to the extent that it is probable that economic benefits will flow to the company and the revenue can be reliably measured. Revenue should be recognised initially at transaction price when the entity satisfies the performance obligation.

Revenue from cancellation of contracts

Revenue from cancellation of contracts in the usual course of real estate business is recognised when the compensation/interest/fee payable to the company is determined and agreed between the parties.

Revenue from Rentals:

Revenue includes revenue earned through rental of company's properties invoiced for fixed monthly charges or on time proportionate basis.

Interest Income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying value of a financial asset. While calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

Dividend:

Dividend income is recognized in the Profit and Loss account when the right to receive the same is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of dividend can be reliably measured.

Others:

Sale proceeds of scrap are taken to other non-operating income in the year of disposal.

5.10. Borrowing Costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences in respect of long-term foreign currency liabilities of the respective asset to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs (net of interest earned on temporary investments) directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. Interest is computed on weighted average cost of funds deployed.

All other borrowing costs are expensed in the year in which they occur

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

5.11. Income Taxes

Income tax expense comprises current and deferred tax. It is recognized in profit and loss except to the extent that it relates to a business combination, or items recognized directly in equity or in OCI.

Current Tax:

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax is the best estimate of the tax amount expected to be paid or received that reflects uncertainty related to income taxes, if any. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

5.12. Earnings per Share

The Company presents basic and diluted earnings/ (loss) per share (EPS) data for its equity shares. Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

5.13. Provisions and Contingencies

Provisions: A provision is recorded when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated. The estimated liability for product warranties is recorded when products are sold based on technical evaluation.

Contingent liabilities: Wherever there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability. Show because notices are not considered as Contingent Liabilities unless converted into demand.

Contingent Assets: Contingent assets are neither recognized nor disclosed in the financial statements.

5.14. Segment Reporting

The operating segments used to present segment information are identified on the based on the information reported to the Board of Directors who is chief operating decision maker (CODM) for the purposes of resources allocation and assessment of segment performance.

The operating segments have been identified on the basis of the nature of products / services.

Revenue directly attributable to the segments is considered as segment revenue. Expenses directly attributable to the segments and common expenses allocated on a reasonable basis are considered as segment expenses

5.15. Leases:

Determination whether a contract contains a lease

The company assesses whether a contract is, or contains, a lease at the inception of a contract.

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At inception or on reassessment of the arrangement that contains a lease, the payments and other consideration required by such an arrangement are separated into those for the lease and those for other elements on the basis of their relative stand-alone prices.

Where the Company is the lessee**Initial Recognition and Measurement**

The Company recognises right to use asset and a lease liability at the lease commencement date.

Right to use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or restore the underlying asset or the site on which it is located, less any incentives received.

Lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease of, if that rate cannot be readily determined, the company's incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise the following:

- I: Fixed payments, including in-substance fixed payments;
- II Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- III: Amounts expected to be payable under a residual value guarantee; and
- IV: The exercise price under a purchase option that the company is reasonably certain to exercise, lease payments in an optional renewal period if the company is reasonably certain to exercise an extension period, and penalties for early termination of a lease unless the company is reasonably certain not to terminate early.

Subsequent Measurement

Right to use asset is subsequently depreciated using the written-down value method from the commencement date to the earlier of end of useful life of the right to use asset or the end of the lease term. The estimated useful lives of right to use assets are determined on the same basis as those of the property, plant and equipment. In addition, the right to use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurement of the lease liability.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in the future lease payments arising from a change in an index or rate, if there is a change in company's estimate of the amount expected to be payable under a residual value guarantee, or if the company changes its assessment of whether it will exercise a purchase, extension or termination option.

Upon remeasurement of lease liability as above, corresponding adjustment is made out to the carrying amount of the right to use asset, or is recorded in the statement of profit & loss, when the carrying amount of the right to use asset is reduced to zero.

Where the Company is the lessor

The company determines at inception whether each lease is a finance lease or an operating lease. Where the lease transfers substantially all of the risks and rewards incidental to ownership of the underlying asset, it is classified as a finance lease. If not, then as an operating lease.

The lease payments received under operating leases as income on a straight-line basis over the lease term.

In case of a finance lease, at the commencement date, the company recognises the assets held under a finance lease in its balance sheet and present them as a receivable at an amount equal to the net investment in the lease. Finance income will be recognised over the lease term, based on a pattern reflecting a constant periodic rate of return on the company's net investment in the lease.

B. Risk Management**(i) Credit Risk**

Credit risk primarily arises from cash and cash equivalents, trade receivables and investments carried at amortised cost. The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forward-looking information.

a. Cash and Cash Equivalents

Credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with banks with high credit ratings assigned by domestic credit rating agencies.

b. Trade Receivables:

The maximum exposure to the credit risk at the reporting date is primarily from trade receivables. Trade receivables are typically unsecured and are derived from revenue earned from customers primarily located in India. The Company does monitor the economic environment in which it operates. The Company manages its credit risk through credit approvals, establishing credit limits and continuously monitoring credit worthiness of customers to which the Company grants credit terms in the normal course of business.

The Company establishes an allowance for impairment that represents its expected credit losses in respect of trade receivable and other financial assets. The management uses a simplified approach (i.e. based on lifetime ECL) for the purpose of impairment loss allowance, the company estimates amounts based on the business environment in which the Company operates, and management considers that the trade receivables are in default (credit impaired) when counterparty fails to make payments for receivable more than 2 years past due. However, the Company based upon historical experience determine an impairment allowance for loss on receivables.

(II) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company believes that its liquidity position, including total cash and cash equivalent and bank balances other than cash and cash equivalent of Rs. 30.38 lakh as at 31.03.2026 (Rs. 501.47 lakh as at 31.03.2025), anticipated future internally generated funds from operations, enable it to meet its future known obligations in the ordinary course of business. However, if a liquidity needs were to arise, the Company believes it has access to financing arrangements, value of unencumbered assets, which should enable it to meet its ongoing capital, operating, and other liquidity requirements. The Company will continue to consider various borrowing or leasing options to maximize liquidity and supplement cash requirements as necessary.

The Company's liquidity management process as monitored by management includes the following:

- I. Day to day funding, managed by monitoring future cash flows to ensure that requirements can be met.
- II. Maintaining rolling forecasts of the Company's liquidity position on the basis of expected cash flows.

III. Market Risk

Market risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: Currency risk and Interest rate risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

a. Currency Risk

Currency risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company is not exposed to the effects of fluctuation in the prevailing foreign currency exchange rates on its financial position and cash flows as there is no foreign currency exposure.

b. Interest Rate Risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company has not borrowed any funds from banks/financial institutions/other and thereby there is no foreseeable risk due to change in interest rates.

27. Capital Management:

For the purpose of the Company's capital management, capital includes issued equity share capital and all other equity reserves attributable to the equity holders of the Company.

The company's objectives when managing capital are to:

- I. safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- II. maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

The Company monitors capital on the basis of the debt to capital ratio, which is calculated as interest-bearing debts divided (total borrowings net of cash and cash equivalents) by Total Equity (equity attributable to owners of the parent plus interest-bearing debts).

Particulars	As on 31.03.2026	As on 31.03.2025

30. Capital Advance

Pursuant to the scheme of demerger of erstwhile Binny Limited as approved by the Hon'ble High Court of Madras, the amounts payable by M/s Padmadevi Sugars Ltd to erstwhile Binny Limited amounting to Rs. 21.34 crore was allocated to S V Global Mill Limited as treated as recoverable from M/s Padmadevi Sugars Ltd.

M/s Padmadevi Sugars Ltd has been referred to the National Company Law Tribunal by its creditors. Considering the proceedings before the NCLT, the management by way of abundant caution during the financial year 2018-19 provided for the entire amount recoverable from M/s Padmadevi Sugars Ltd.

Pending further developments in the matter, the Impairment allowance is retained at the same level and capital advance is presented net off impairment allowance.

31. Exceptional Item:

The erstwhile Binny Limited could not operate the Bangalore Woollen, Cotton and Silk Mills, Bangalore and the factory declared a lock out during the period 26.12.1988 to 05.08.1989. Consequently, the dispute regarding wages during lock out period arose and Industrial Tribunal vide I.D. 9/1990 dated 03.11.1990 passed an award against Binny Ltd for payment of wages and other benefits for the lock out period.

Against the order of the Industrial Tribunal, a Writ Appeal was filed before the Hon'ble High Court of Karnataka, by erstwhile M/s Binny Ltd which was dismissed. Against the order of the Hon'ble High Court of Karnataka a Special Leave Petition was filed by erstwhile M/s Binny Ltd before the Hon'ble Supreme Court of India which was also dismissed. Thereafter, the matter was referred back to the Deputy Labour Commissioner (DLC), Division - I, Bangalore for determination settlement payable to the labourers. In the meanwhile, as per the Scheme of demerger approved by the Hon'ble High Court of Madras, M/s. SV Global Mill Ltd has taken over this dispute.

During the financial year 2017-18, the Deputy Labour Commissioner ordered to settle the amounts to the respective labourers covered by the order and accordingly the company during the year has paid an amount of Rs. 4,89,616 (previous year Rs.9,36,323) and the same has been treated as Exceptional Item in the Statement of Profit and Loss for the year ended 31st March 2023.

Out of the total payable of Rs. 5,68,42,280 as result of the order, the company has settled an amount of Rs. 2,95,21,742 till 31st March 2024. The balance amount of Rs. 2,78,10,154 is expected to be settled as and when the claim is lodged by those entitled to it.

32. Appeal for enhanced compensation on compulsory acquisition

Lands to the extent of 3 acres and 16 guntas was compulsorily acquired during the year 2013-14, by the Special Land Acquisition Officer (SLOA), Government of Karnataka for public purpose. In respect of the compulsory acquisition, the Company during the financial year 2014-15 received compensation under the Right to Fair Compensation & Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (LARR 2013).

The award was accepted under protest with regard to the determination of market value, the manner and the method of computation of compensation and an application requesting enhancement of compensation was filed.

In the meanwhile, against order enhancing the compensation for compulsory acquisition, the Government of Karnataka filed an appeal before the Hon'ble High Court of Karnataka. An appeal of the Government of Karnataka against the order of the Civil Court was dismissed by the Hon'ble High Court of Karnataka against which a SLP was filed before the Hon'ble Supreme Court of India. The Hon'ble Supreme Court of India on 10th August 2021 remitted back the review petition to the Hon'ble High Court of Karnataka for order on merits. The Hon'ble High Court of Karnataka vide its order dated 21st October 2022 dismissed the review petition as not maintainable against the order. Against the order, the Government of Karnataka has filed an SLP before the Hon'ble Supreme Court of India, which was pending before the Hon'ble Supreme Court of India was disposed off vide its final judgement order dated 9th Feb 2026 and the matter was remanded back to the Hon'ble High Court of Karnataka. Following a request for reference to mediation, the High Court has referred the case to Karnataka Mediation Centre on 6th April 2026.

Pending finality of the matter, the enhanced compensation is not recorded in the books of accounts

33. Claims not acknowledged as debt

During the financial year 2016-17, the company has received legal notices from various statutory authorities pertaining to the affairs of Binny Limited. As the company is not involved in the allegations/disputes, the company has challenged the issue of notices on M/s. SV Global Mill Limited.

The Wealth Tax Authorities has reassessed the wealth tax for the FY 2010-11 to FY 2014-15 resulting in the demand of Rs.13.33 crores. Against the orders passed by the wealth tax authorities, the company has filed appeals before the commissioner of Wealth Tax (Appeals) which is pending.
